**PARKS AND RECREATION ADVISORY
BOARD MEMORANDUM
AGENDA ITEM 3**

MEETING DATE: April 20, 2026

SUBJECT: Approve Minutes from the Regular Meeting of the Parks and Recreation Advisory Board held on February 16, 2026.

PREPARED BY: Pat Kuykendall, Administrative Assistant

BACKGROUND

Minutes are approved by a majority vote of Parks and Recreation Advisory Board and listed on the Agenda. The Board is encouraged to contact the Administrative Assistant prior to the meeting if there are any suggested changes. Upon doing so, staff can make suggested changes and the minutes in order to contribute to a time efficient meeting. If the change is substantial in nature, a copy of the suggested change will be provided to the Board for consideration prior to the vote, or could be moved to a future meeting for approval.

The Board should review and consider approval of the minutes. The Board's vote and approval of the minutes reflect agreement with the accuracy of the minutes.

RECOMMENDATION

To approve minutes of the Regular Highland Village Parks and Recreation Advisory Board Meeting held on February 16, 2026.

4. Receive Information from Staff on the Recent Award from the Denton County Master Gardeners

Andra Foreman, Assistant Director of Recreation, presents the 2026 Community Partner Award from the Denton County Master Gardeners, recognizing the city's collaboration in horticulture and environmental stewardship.

5. Staff to Present Information from Public Engagement Meeting at Lower Sellmeyer Park

Phil discusses the public engagement meeting that took place in November 2025 to gather feedback on the 2020 bond project for Lower Sellmeyer Park totaling 64 responses. The top priority was a new playground, followed by park amenities like picnic tables, green space and benches. The board discusses the need for improved playground design to increase usage and the importance of ADA compliant surfacing, and the importance of seating and accessibility for all users. Tyler suggest working with vendors to provide rendering and cost estimate for a low, medium, and high level package not exciting the 25% over budget. Janet shares that seating is highly talked about. Hogan asks if there could be easy access to the park. Phil says it might be in the public work easement. Kevin asks if certain sections are public works or parks and recreation.

6. Staff will Present Final Art Project Ideas, Incorporating Suggestions from Tyler Gump, and will seek a Recommendation from the Board

Phil presented concert benches and the cost for a bench, concrete pad and painting supplies. Janet asked if we can ask to not put sealer on the bench when we purchase it. Kevin asked about prep work- are we doing this work so concrete holds paint for years or if we consider repainting every so often. Phil said we could buy one and do a test. Phil also presented various art project ideas, including paintable and sustainable benches, an art hunt with figurines, and cultural stickers. The board discusses the feasibility and cost of the different art projects. The idea of a community art hunt with figurines is well-received, but concerns are raised about the practicality of painting the figurines. Steve asks where benches would be and would be a good idea to have seating along trail. Janet- would like to get a bench for testing. Kevin mentions to look for a local vendor to get a bench. Phil asks for recommendations to get approval to start moving forward.

Recommendation- Janet set a motion to recommend creating of two wraps for Unity Park two locations near baseball field and by pickleball court. To be shown to council for art work as art project. Kevin second. 5-0

7. Staff to Provide a 2025 Fiscal Year High-Level Department Review and Summary of Accomplishments and an Outline of Initiatives for the department for Fiscal Year 2026

Phil presented a high-level review of the department's accomplishments in FY 2025, including park renovations, irrigation systems, and new technology implementations. The board discusses the importance of maintaining and improving park facilities to enhance the community's recreational experience. The department's focus for FY 2026 includes continued expansion of the park maintenance work order system and improving workflow and efficiency. The board

emphasizes the need for transparency and accountability in park maintenance and programming. Phil outlines goals for fiscal year 2026, including replacing the trellis and shade structure at Double Tree Ranch Park. Other projects include an erosion control project on City Trail at FM 2499, completing the Lake Lewisville paddle trail, and installing a new disc golf course at Copperas Branch Park. Renovation of Unity Park flex field and partial renovation of Brazos Park football field are also planned. The importance of good irrigation systems for turf quality is emphasized.

8. Staff to Provide Information on City-Owned and City-Leased Parks and Trails

Phil provides an update on the development of a document detailing the square acres of city-owned and leased parks and trails. The document will help with future planning and bond initiatives. The document is a work in progress, and Phil hopes to have it ready for the next board meeting.

9. Status Reports on Current Projects and Discussion on Future Agenda Items (A Board member may inquire about a subject of which notice has not been given. A statement of specific information or the recitation of existing policy may be given. Any deliberation shall be limited to a proposal to place the subject on an agenda for a subsequent meeting.)

PARKS AND RECREATION ADVISORY BOARD MEMORANDUM AGENDA ITEM 4

MEETING DATE: April 20, 2026

SUBJECT: Receive a Presentation and Discuss Playground Options and a Alternate for Lower Sellmeyer Park

PREPARED BY: Brian Norton, Assistant Director of Park Operations and Projects

BACKGROUND

At the February 16, 2026, regular board meeting, staff presented the public engagement results for Lower Sellmeyer Park. Based on the community's responses, the highest-ranked need was for a new playground. Staff contacted two experienced playground vendors, requested renderings based on the community's input, and cost estimates for installing a new playground.

Staff will present the renderings and cost tiers, Bronze, Silver, and Gold, as the board requested.

After the board meeting, staff will post an online survey where the community can provide input on which playground rendering they liked. The survey results will be presented to the board at the May meeting.

BUDGETARY IMPACT

This project will be funded from 2022 Bond Proceeds. The budget amount for the project is \$140,000.00

RECOMMENDATION

At the May meeting, staff will seek a recommendation on which playground option(s) should be presented to the City Council for consideration and approval.
