80. BUSINESS ITEM

80.1 Equity & Social Justice work

- R Gutcheck suggested using Racial and Social Justice Coordinator Doug Raiford’s survey results to direct our art projects at the CJC.
- C Popescu said this project might not need to have more outreach or survey, because we have gotten a lot of feedback from the community.
- Some ideas are clear: Programming is desirable and positive. We need to be transparent and include voices from the community in the art projects.
- We need to check with city attorney to help us understand what is allowable under art.
