70. BUSINESS ITEM

70.1 Community Justice Center Art Project

CPC Wong gave an update of the garage wall project. On May 3, we will choose up to 7 artists. Project parameters have changed since the call to artists went out in and there are now added restrictions. We can only weld on site to attach art on the corten steel panels, which need to remain solid and uncut. Artists can't take panels back to studios. We may not even be able to do anything to the corten panels until city takes ownership of the building. Our solution is to encourage artists to work together with 1 welder. And also 1 structural engineer. The artists will share the cost. We are hiring BK Choi to mentor the artists and help them think about fabrication and installation. The themes for art are "community, healing and justice." R Kruse suggested documenting the process.

70.2 Fair on 44th / Shakespeare

Summer events that we can participate in include 4 days of Shakespeare and Fair on 44th. We'd like to do a community art project with the theme of All are Welcome or Welcome Back. Raniere met with John of School House Rock. He is super excited that we called him. He said his school almost went under during Covid. Money from Lynnwood and Snohomish County saved him. He wants to do something to pay back. Wants to do instruments Petting Zoo. Would love to coordinate performers throughout the day. He works with different schools and jazz bands and would love to give them a chance to shine. Has his own PA system. He will do the whole thing. No fee charged. F Wong said he talked to Misty Burke about it and what we are planning to do. B Miller, Raniere and R Kruse all agreed to introduce the Shakespeare shows this summer.

70.3 Signal Box Art Wrap –

Veterans, Neon, Indigenous people, Ethiopian Friendship City,
South Lynnwood, Lund's Gulch

- CPC. Wong is working on a Lynnwood honors veterans box. We want to feature local veterans so we will put out a call for people to submit photos. Can be active duty. Need to have a Lynnwood connection. Other important themes include the Pacific Northwest, family, and diversity.
- Ethiopian friendship city box will feature food, clothing, art, etc.
- Mexican friendship city box caught an electrical fire and needs to be replaced.
- Neon box will feature past Lynnwood businesses that no longer exist.

70.4 Art of Food & Wine

The space has been reserved for us. We'll start meetings in early June. The Convention Center is having a Selfie contest with I Love Lynnwood sculpture.

70.5 Member recruitment

Looking for Lynnwood residents with skills or experience in one or more of these areas: public art, architecture, equity and social justice, social media marketing.

80. COUNCIL LIAISON REPORT

The City received 10 million dollars in ARPA funds from the Feds to help recover from Covid. CL Hurst asked us to let him know if we know anybody that has been really impacted by Covid. He suggested realtors such as John L Scott as possible sponsors for the Art of Food & Wine, and high-end car dealers, and he offered to help us on this. He told us about Arts based leadership camps.
