70.8 Chinese railroad workers – exhibit at city hall

Last month, we suggested that it would be more in line with mission of gallery if there was an art component to this exhibit, whether it be an artist or art theme at the reception (poetry, music). Fred conveyed to organizer and the organizer does not have time to add this element. Maybe we can? Fred said if we want to take it on, we'll need to consider adding it to our workplan in 2024.

70.9 Cultural Access program

- City or county can add sales tax that funds arts, heritage, science organizations.
- Free information sessions on Zoom for anyone to attend.
