1. INTRODUCTION/PURPOSE

Title 6, Chapter 67 of the Election Code provides for the procedures and time for the local canvass of municipal elections.

The canvass is the official tally of votes for any given election. Results posted on election night after polls close are unofficial. They do not include provisional ballots and mail-in ballots that arrive between Election Day and the official canvass.

The purpose of the canvass is to account for every ballot cast and ensure every valid vote cast is included in the election totals. The canvass accounts for every ballot cast on Election Day, mail-in ballots, provisional ballots, and overseas and military mail-in ballots.

Travis County provides all entities who contract for election services with an official canvass of the votes, which must be formally adopted during the period allowed for the official canvass as described in Chapter 67 of the Election Code. The period for canvass of the November 5, 2024 elections is November 8 – 19, 2024.

The canvass is formally adopted by ordinance. Travis County will provide the official canvass to the City on November 19, 2024. The vote totals will then be added to the draft ordinance (included) and the canvass report will be attached as Exhibit A. The ordinance and exhibit will be updated as soon as the city receives the official canvass.
