III. Public Comments-

The Board of Health welcomes and encourages input from the public.

Members of the public are allotted one opportunity to bring any new business to the Board for a maximum of three (3) minutes per speaker. All comments or questions are to be directed to the board before you make your comment, please state your name, address and subject matter. Being mindful of privacy rights regarding department of health employees and to avoid any potential liability on the part of the speaker, the board discourages references to specific individuals. While directing your comments or questions to the board, please understand that the public comment portions of the meeting are not structured as question-and-answer sessions but rather are offered as opportunities for you to share your thoughts with the board. The board president may need to refer an issue to the health officer representing the department of health if the particular issue has not been handled through the appropriate chain of command with the department of health before coming to the board for a response.

Responses may be provided at the end of this session. There are times when comments and questions will require additional information gathering before a response is provided.

We thank you for your understanding and respect the rules of order. We open the agenda to and welcome public comment at this time.
