PROJECT OVERVIEW: BAYSHORE BIKEWAY – SEGMENT 5 PROJECT
(CIP 19-24)

Presentation presented by Steve Manganiello-Director of Public Works / City Engineer.

Comments from the public.

- Business owner (Daniel) from Tractor Trailer is concerned about where his customers are going to park. Also concerned when customers blindside back to park that could potentially be an issue causing truck access to their facility and could be a loss for their business. Steve (Director of Public Works/City Engineer) mentioned he will contact the business owner would like to see that in action.
- Steve mentioned angle parking for employees on the Eastside will be available. Westside curb will remain open for trucks.
- Mitch Beauchamp (City of N.C. – City Treasure) Asked if BNSF right away is an option? Steve – In 2019 they approached for that request and request was denied.
- Daniel – Mentioned McKinley’s current roadway situation and concerned about the appearance. (weed abatement, illegal dumping)
- Steve- Provided update for McKinley area will be cleaned in the next following months. Mitch – concerned about museum on Harrison Ave (Old Sac Parking) in which for parking spots will be taken. (in regards to shared use path) He would like to see the tracks moved 2-3 feet. Parking issue concern for area on Board 2 out of 6 on presentation. Members of the public park on 19th street.
- Steve- mentions 18th St is two lanes, one direction. 19th St is two lanes, one direction. 18th St. will be one lane, one direction. 19th St. will close to traffic and will only be for pedestrians and bicyclist. New lighting, safety cameras and all the way stops on both intersections on McKinley to force traffic to stop.
- This is a bike and pedestrian project. (This is not a park) It’s a safety connection to the Bayshore bikeway.
