Board of Trustee Meeting

Agenda Item: Implementation of House Bill 3372 with ESC-13	
Date:	July 15, 2025
Category:	Information

Background Information:
House Bill 3372, passed during the 89th Texas Legislative Session, introduces new restrictions concerning school district administrators receiving financial compensation for personal services rendered to a Education Service Center (ESC). The law includes the following key provisions:

- Superintendents and Assistant Superintendents are prohibited from receiving any financial benefit for providing personal services through an ESC.
- Other administrators may receive financial compensation for such services if the following conditions are met:

    1. A written contract describing the services to be performed is provided to the board of trustees.
    2. The board of trustees votes to approve the contract after determining:
        - The arrangement **will not harm** the district.
        - There is **no conflict of interest**.
        - The services will be performed entirely on the administrator's **personal time**.

To ensure compliance with HB 3372, Del Valle ISD and ESC Region 13 have developed an MOU.

Implications for the District:
- The process ensures legal compliance while supporting administrator engagement in professional development and support roles at the ESC level.
- The district will maintain transparency and oversight by presenting written contracts for board review and approval when required.
- ESC Region 13 will only work with districts and administrators operating within this compliant framework.

Fiscal Implications:	**Is there a cost?** No **Amount: $0.00** **Funding Source: N/A**

Presenter: Dr. Mark Cantu, Deputy Superintendent of Governance and Education Services

Administration Recommendation: This item is presented for informational purposes. No action is requested at this time. Contract language and administrative procedures will be finalized and shared with the Board at a future meeting.

HB 3372 - Implementation with ESC 13

July 15, 2025

House Bill 3372

Passed during the 89th Texas Legislative Session, introduces new restrictions concerning school district administrators receiving financial compensation for personal services rendered to a Regional Education Service Center (ESC). The law is effective June 22, 2025, and includes the following key provisions:

- Superintendents and Assistant Superintendents are **prohibited** from receiving any financial benefit for providing personal services through an ESC.
- Other administrators **may** receive financial compensation for such services **if** the following conditions are met:
  1. A **written contract** describing the services to be performed is provided to the board of trustees.
  2. The **board of trustees votes to approve** the contract after determining that the arrangement **will not harm** the district, there is **no conflict of interest**, and the services will be performed entirely on the administrator's **personal time**.

Memorandum of Understanding with ESC-13

To ensure compliance with HB 3372, Del Valle ISD and ESC Region 13 have developed a **Memorandum of Understanding (MOU)** and supporting **contract language** that protects all parties involved — the ESC, the District, and the individual administrator.

KEY POINTS:

- The **MOU** will be signed by the Superintendent or designee and outlines HB 3372 requirements. It states that the ESC will transfer funds to the District in recognition of administrator services performed for ESC 13.

- The **MOU does not require** the District to compensate the administrator directly, but provides the option to do so (excluding the Superintendent or Assistant Superintendent).

- New employment contracts for administrators will include updated language to reflect HB 3372 requirements.

Implications for DVISD

- The process ensures legal compliance while supporting administrator engagement in professional development and support roles at the ESC level.

- The district will maintain transparency and oversight by presenting written contracts for board review and approval when required.

- ESC Region 13 will only work with districts and administrators operating within this compliant framework.

Recommendation

- This item is presented for informational purposes.
- No action is requested at this time.

- Contract language and administrative procedures will be finalized and shared with the Board at a future meeting if required for individual administrator service contracts.

Board of Trustee Meeting

Agenda Item: Proposed Board of Trustees Meeting Dates for the 2025-26 School Year	
Date:	**June 17, 2025**
Category:	Action

Background Information:

Administration is proposing a shift to holding two board meetings per month to enhance the efficiency and responsiveness of our governance process. The current structure—where items are presented for review in one month and delayed until the following month for approval—can create bottlenecks that hinder timely purchases and implementation of critical initiatives.

The proposed structure introduces a standing schedule: a Workshop or Special meeting on the first Tuesday of each month to review items slated for action, followed by a Regular Board Meeting on the third Tuesday to vote on those items. This approach not only keeps the Board well-informed and aligned, but also ensures that essential decisions can be made in a more timely manner to support district operations and student needs.
