Kelly Savell

Planning & Zoning Commission Liaison: Vacant
Heritage Preservation Manager: Eleana Tuley (Not Present)
City Council Liaison: Patrick Souter (Present)

Guests: Gumaro Martinez, Executive Director of Parks & Leisure Services

1. Call to Order

Peggy Crabtree called the meeting to order at 5:30 pm.

2. Public Comments

None.

3. Approve the meeting minutes of the special meeting held on July 3, 2025, and the regular meeting held on July 10, 2025

Action:

Peggy Crabtree motioned to approve the July 3, 2025 special meeting minutes. Jacqueline Montejano seconded the motion. *All ayes.*

Action:

Jacqueline Montejano motioned to approve the July 10, 2025 meeting minutes. Alex Lohmann seconded the motion. *All ayes.*

4. Discuss and consider revisions to the Certificate of Appropriateness Application

A revised COA application was presented and brought for discussion as a group at the meeting. A discussion on the historical accuracy of vinyl windows ensued of which they were determined to be more recent.

Action:

Ronald Finch motioned to approve the following two changes that were proposed to the Certificate of Appropriateness Application:

- *Amend the emboldened statement on page two of the Certificate of Appropriateness Application form to read: “The Heritage Preservation Commission will not approve your project unless the project is consistent with the historical character of the property.”*
- *Amend the emboldened statement on page four to include a definition of “feasible” as it pertains to window restoration. With this amendment, the affected statement reads: “If replacement is proposed, applicants must demonstrate that repair is not feasible (more than 50% of the window is damaged or destroyed, excluding glass).”*

Jacqueline Montejano seconded the motion. All ayes.

Action:

Jacqueline Montejano motioned to approve the revisions to the Certificate of Appropriateness Application. Alex Lohmann seconded the motion. All ayes.

5. Comments by Commission members and City staff

Ronald Finch updated the Commission that another house, 401 E Marvin, has been approved for a Texas Historic Landmark.

Gumaro Martinez reminded the Commission that the City of Waxahachie turns 175 years old this year and will be having a celebration on August 22, 2025 at Railyard Park at 7:30 pm. He encouraged everyone to join the City in celebrating. He also acknowledged that the Commission received a letter of appreciation from the Interim City Manager and a token challenge coin as a “thank you” for serving in their capacity as the Historic Preservation Commission.

Jacqueline Montejano informed the Commission of the NAPC Short Course Summer Seminar, a webinar from the National Association of Preservation Commissions.

Gumaro Martinez informed the Commission of another virtual seminar from the Texas Main Street Program available on August 19, 2025 and August 26, 2025

6. Adjourn

The meeting adjourned at 5:53 pm.

Respectfully submitted by Johnni Williams

Re: Consider a Sign Permit for 110 S. Rogers Street

Applicant: Chris Reeves, Quickway Signs

Owner's Name: Ronald Bunch

Property Address: 110 S. Rogers Street

Request: The proposed sign is for the western apparel store, Westbound Trading Co. The sign will hang beneath the awning with a minimum clearance of 8 feet and have the following dimensions: 2 feet tall by 8 feet wide. The sign meets the city's minimum sign requirements.

Conditions of Approval:

- The Applicant shall utilize existing anchor points to minimize the creation of new ones. If a new anchor point is necessary, the Applicant shall place the anchors between the mortar joints instead of on the brick face to reduce potential damage to the building's façade.
- The Applicant shall apply for all required permits from the City in accordance with the City's applicable rules and regulations governing such permits.
- The Applicant shall not change the scope of work after a Certificate of Appropriateness or a sign is approved unless a revised scope of work is resubmitted and approved by the Heritage Preservation Commission.

Re: Consider a Certificate of Appropriateness for 208 S. Rogers Street

Applicant: Tom Wright

Owner's Name: Waxahachie IOOF Lodge

Property Address: 208 S. Rogers Street

Request: The request involves window restoration on the existing 14 original wood window openings on the front elevation of the Odd Fellows Building. Restoration would include working on the sashes and making sure all double-hung wood window units are properly lined up, along with removal of built up putty, sanding and painting of the window frames on the interior and exterior. Proper preparation and accommodations will be made to capture, remove, and dispose of any lead-based products.

Conditions of Approval:

- The Applicant has submitted for an HWI façade grant. The applicant must obtain approval from HWI for the façade grant prior to initiating construction on the project. In the event that the Applicant decides not to pursue the HWI façade grant for any reason, approval from the Tax Increment Reinvestment Zone (TIRZ) Board will be required for the DBIP Grant.

(u)

- The Applicant shall apply for all required permits from the City in accordance with the City's applicable rules and regulations governing such permits.
- The Applicant must notify the Heritage Preservation Commission when improvements are completed so that the Chair may verify that they were completed in accordance with HPC approval.
- The Applicant shall not change the scope of work after a Certificate of Appropriateness or a sign is approved unless a revised scope of work is resubmitted and approved by the Heritage Preservation Commission.

General Checklist for Certificate of Appropriateness Application

(9)

(Applicable to Projects Involving the Repair or Restoration of Existing Windows)

The Downtown and Residential Design Guidelines encourage restoring and stabilizing historic windows whenever feasible. Historic windows were designed to be easily repaired using methods such as reglazing, wood fillers, or selective replacement of damaged wood. **If replacement is proposed, applicants must demonstrate that repair is not feasible (more than 50% of the window is damaged or destroyed, excluding glass). Vinyl windows are not permitted.** Replacement windows should match the historic windows' sash, pane configuration, and material so as to make them indistinguishable from the original windows.

Please complete the checklist below and include all required supporting documentation with your COA application.

1. Project Scope

(Check All That Apply)

- ☒ Window Repair (minor or major)
- ☐ Window Replacement with Same Materials
- ☐ Window Replacement with Substitute Materials (e.g., engineered wood, composite)
- ☐ Enlargement of Existing Window Opening
- ☐ Addition of New Windows to Historic Structure
- ☐ Elimination or Removal of Existing Windows
- ☐ Alteration in the Number, Size, or Style of Windows (including trim)

2. Existing Window Status

(Check All That Apply)

- ☒ Windows are original to the structure
- ☐ Windows have already been replaced
- ☐ I don't know

3. Existing Window Composition and Character

(Check All That Apply)

- ☒ Wood Frame
- ☐ Metal Frame
- ☐ Aluminum-Clad Wood
- ☐ Vinyl

(9)

- ☐ Arched Frame
- ☐ Unique Divided Light (Window Pane) Patterns
- ☐ Unique Mullion Mutton Configurations
- ☐ Unique Window Groupings (e.g., bay windows)
- ☐ Stained or Leaded Glass
- ☐ Rounded Glass
- ☐ Etched Glass
- ☐ Carved Wood
- ☒ Other Historic Glass (e.g., wavy, bubble, textured): Wavy? - not replacing glass

4. Window Location

(Check All That Apply)

- ☒ **Front Elevation** – Primary façade (or entrance) facing the street
- ☒ **Side Elevation (Street Facing)** – Side of the building facing a street (e.g., corner lots with two street frontages)
- ☒ **Side Elevation (Non-Street Facing but Visible)** – Side of the building not facing a street but visible from the public right-of-way
- ☒ **Side Elevation (Non-Street Facing)** – Side of the building not visible from the public right-of-way
- ☐ **Rear Elevation** – Back of the building

5. Window Placement by Building Level

(Select One)

- ☒ First Floor Only
- ☐ Second Floor Only
- ☐ Third or Higher Elevation
- ☐ Multiple Floors, including the following: _____

(9)

Required Documentation

Please provide documentation that you have included all required documentation with your application.

In addition to this form, please include the following:

☒ Photos of each elevation where windows are affected

- Clearly label each window (e.g., "Window 1," "Window 2," etc.)

☒ Photos of existing conditions for each affected window

- Clearly label each window (e.g., "Window 1," "Window 2," etc.)
- If windows are damaged, photos must clearly show the extent of deterioration

For window replacement projects, also include the following:

- ☐ Name and Manufacturer of proposed replacement windows: Alfa
- ☐ Manufacturer's Brochure – Include specifications and product details.
- ☐ Sample of Replacement Material – Provide a digital photo or a physical sample for review
- ☐ Diagram of Each Existing Window— Use the diagram provided on the next page to record the height, width, and recessed sill depth of each existing window. This information ensures that replacement windows match the size and proportions of the originals. You may also add dimensions for any additional window elements you believe are important for accurately representing the existing conditions.
