Huff confirmed details of the subject retreating into the house with a knife. Alex clarified that RightCare was on scene, no other individuals were in the residence, and SWAT entry occurred 4–5 hours after the initial call. Gas, robots, and drones were deployed but did not subdue the subject, who still held a knife. Friedman expressed concern about the use of force and questioned if alternative approaches could have been used. Board Member Jonathan Maples inquired about the location, which Huff identified as the 13000 block of Far Hills Lane.

ii. Consideration of Independent Review Request

1. Case No. NI2025-0552 Seferinus Okoth

- a. **Action:** Vote on whether the OCPO should conduct an independent investigation of Case No. NI2025-0552

Investigator Huff: Notifies the board that after the agenda had been published it was discovered that Mr. Okoth was a city employee which precludes the OCPO from looking into this complaint.

Chairman Davidson: Noted that, as a city employee, there are limitations on what can be discussed and asked for clarification on why these restrictions apply.

Investigator Huff: Replied letting the chairman know that it is in the city code the OCPO is not able to look into internal complaints and an employee is considered to be an internal complaint.

i. **Legislative Update**

1. **89th Texas Legislature:** Updates on the First and Second Special Session.

ii. **Legislative Briefings**

1. Board members will be briefed on recent legislation and proposed bills, with an opportunity to review and ask questions about any potential changes to procedures.

a. **House Bill 15**

Policy Analyst Siara Obasuyi: provided a legislative update, focusing on House Bill 15 from the second special session of the 89th Texas Legislature. HB 15 aimed to establish guidelines for maintaining, accessing, and protecting the confidentiality of departmental files on law enforcement license holders, distinguishing them from personnel files. The bill would have restricted public access, limiting disclosure to certain legal exceptions and authorized agencies. However, the House and Senate failed to reach an agreement, and HB 15 did not advance.

Jonathan Maples: Maples expressed concern that HB 15, as described, suggests a lack of accountability and potential immunity, which could erode public trust. He emphasized the importance of building trust and stated his willingness to work toward finding a balanced solution.

J. Victor Lander, D8: asks what is the current state of the law is with respect to investigations of officers who have not otherwise been investigated. How does the law read right now since it failed?

Executive Assistant Chief Monique Alex: Chief Alex explained that when a licensed officer applies to DPD, a background request is sent to their previous agency to review internal affairs files. Evidence of prior misconduct may disqualify the applicant, depending on the circumstances.

J. Victor Lander, D8: If there was no investigation but an allegation would you know?

Executive Assistant Chief Monique Alex: We would know if they did an internal affairs investigation with their previous agency.

Policy Analyst Siara Obasuyi: Obasuyi clarified that under the proposed law, access to records would still be granted if required by federal, state, or municipal law. Since access is mandated in the city's ordinance, the Board would have retained access even if HB 15 had passed.

J. Victor Lander, D8: But since it has not passed we do not have access is that what your saying?

Policy Analyst Siara Obasuyi: Whether the bill passed or not, we would still have access to the files. It would only affect the public's access.

Walter "Changa" Higgins, D3: Higgins asked if the Board could receive a summary outlining what types of misconduct would or would not disqualify an applicant from being considered for employment with DPD?

Executive Assistant Chief Monique Alex: stated that DPD uses disqualification codes within the Personnel Division to determine applicant eligibility and will follow up with the Board on whether those disqualifiers can be shared.

There are no further questions, and Sr. Outreach Specialist Alma Perez is called forward for her report.

Briefing expressing gratitude to outgoing members for their service, requesting feedback from the Board on training ideas for the upcoming retreat, seeking the Board's interest in selecting committee members, and discussing a memo concerning the city council budget proposal related to the office of community police oversight

Chairman Davidson: Thanked Vice Chair Smith for effectively facilitating the previous meeting. He informed the Board that Chief of Police Comeaux could not attend this month due to a prior conflict but is confirmed for the October meeting. Davidson

expressed gratitude to City Manager Kim Tolbert for preserving OCPO's budget and staff during citywide cuts.

He addressed a proposal from a council member to eliminate OCPO and CPOB, stating the Board's unequivocal opposition, emphasizing their vital role in local accountability and accessibility distinct from DOJ investigations. He stressed that eliminating these bodies would undermine decades of community advocacy and oversight in Dallas.

Davidson concluded by recognizing outgoing Board Members Dr. Loren Gilbert-Smith and David Kitner for their service and invited them to share final remarks.

Dr. Loren Gilbert-Smith, D4: Dr. Gilbert-Smith reflected on her two terms on the Police Review Board and six years on the current Board, noting that this iteration is significantly improved, with strong staff, leadership, and members committed to supporting the community.

David Kitner, D13: David Kitner expressed agreement with previous comments, emphasizing the Board's progress over the past six years and opposing any efforts to disband it, calling such proposals without merit. He noted that although he and Dr. Gilbert-Smith are leaving the Board, they will continue to support its work and progress.

Chairman Davison: Noted vacancies on subcommittees due to outgoing Board members and invited current members to express interest in joining the Policy, Rules, Board Training, or Community Engagement subcommittees by contacting him or the Director. Dr. Loren Gilbert-Smith, D4: Dr. Gilbert-Smith stated OCPO Communication Advisor Waldir Guerrero had reached out in terms of the retreat planning, but she had limited availability for scheduling the Board retreat, with most open dates falling next year. He also requested clarification from the City Attorney regarding rules of engagement for the upcoming meeting with the Chief, including guidance on allowable questions and agenda requirements to ensure a smooth meeting.

TO Members of the Community Police Oversight Board

SUBJECT September 21, 2025, Death in Custody – Critical Incident #2025-009

On September 21, 2025, at 10:24 pm, a caller reported that a male, later identified as Frank Ruiz Jr., was outside of the residence screaming for about an hour. At 10:50 pm, the call was upgraded to a burglary in progress when Ruiz began trying to enter the home. At 11:00 pm, the call was changed to a shooting when Ruiz broke the glass door, and the homeowner advised that Ruiz had been shot.

Officer Cabral arrived at 11:06 pm and found Ruiz on the porch, who advised that he had been shot in the leg. Officer Cabral was unable to find any gunshot wounds on Ruiz. Dallas Fire Rescue (DFR) arrived and determined that Ruiz would be transported to Methodist Hospital.

Ruiz was treated at the hospital and cleared up for booking at 2:25 am. At 3:05 am, Ruiz exited the patrol vehicle and walked into The Lew Sterrett Justice Center's initial intake area. At 3:09 am, Ruiz was unable to stand for the X-ray machine and was carried upstairs to booking by Dallas Sheriff employees and Dallas Police Department (DPD) Officers Cabral and Avitia. At 3:11 am, Ruiz was carried to a private search area. At 3:13 am, Ruiz was carried to the booking line by Dallas Sheriff employees and DPD Officer Ramirez.

A few minutes later, Ruiz became unresponsive. Jail nurses provided medical assistance, and DFR was called. CPR started at 3:20 am. DFR transported Ruiz to Parkland Hospital and arrived at 4:00 am. Ruiz was pronounced deceased at 4:11 am.

The Dallas County District Attorney's Office is investigating the incident independently. The Office of Community Police Oversight was notified of the incident and was briefed by the Dallas Police Department.

Executive Summary

I. Background

On July 25, 2023, at approximately 11:00 am, Dallas Police Officers were working in plainclothes capacity, watching a parked stolen U-Haul truck. During this time, a second U-Haul truck pulled up, which had also been reported stolen. The second truck pulled away and appeared to notice the plainclothes officers. The stolen U-Haul truck backed into a plainclothes officer's vehicle, rendering it inoperable. The stolen U-Haul truck sped away, and uniformed Dallas Patrol Officers pursued it. The stolen U-Haul intentionally crashed into several vehicles in an attempt to evade police. It crashed into two vehicles and a tree in the 7200 block of Lemmon Ave.

The driver fled on foot onto Dallas Love Field. Senior Corporal Craven was the closest pursuing vehicle, and he chased the driver on foot. They ran through a parking lot, and the driver entered a hangar and immediately turned towards Senior Corporal Craven and fired two rounds from a handgun. Senior Corporal Craven returned fire with his handgun and struck the driver once in the right knee. The driver fell to the ground, dropping his gun. Dallas Police immediately arrested the driver and administered first aid. Denver Fire Rescue responded and transported the driver to the hospital. The driver survived his injuries. No Dallas Officers were struck by gunfire.

II. Investigation Scope

The OCPO reviewed this incident to determine whether the administrative investigation was thorough, objective, impartial, and consistent with appropriate investigative protocols. Specifically, the OCPO reviewed this incident for any violations of the vehicle pursuit policy, foot pursuit policy, and deadly force policy. The OCPO also reviewed the Internal Affairs report, police reports, officer statements, Body-Worn Cameras (BWC), and dashcams as part of this investigation.

III. Investigation Findings

Deadly Force Policy

906.02 Details when an officer can use deadly force. The BWC shows Taylor firing two shots from a handgun at Senior Corporal Craven. This assault on Senior Corporal Craven justified his use of deadly force under this policy. During the review, the OCPO did not identify any policy violations related to the use of deadly force.

Foot Pursuit Policy

The OCPO did not note any potential violations of the foot pursuit policy.

Vehicle Pursuit Policy

There were numerous potential violations of the vehicle pursuit policy.

Investigation Summary

IV. Incident Summary

Case Number: CN2024-002, VP2023-042

Date of Critical Incident: July 25, 2023

Location of Incident: 7200 block of Lemmon Ave

OCPO Investigator Assigned: Gregory Huff

Internal Affairs Division Findings:

Senior Corporal Keenan Craven acted with the guidelines of the Dallas Police Department's Deadly Force Policy, General Order 906.02, and was justified under Chapter 9 of the Texas Penal Code, Self-Defense. Therefore, this investigation is classified as "**COMPLETE**," as the department determined that no violation(s) occurred (this finding is primarily used for firearm discharge investigations and administrative inquiries).

Vehicle Pursuit Report:

This report was not completed by the Internal Affairs Division. It was completed by the Dallas Love Field Sergeant involved in the pursuit, Sgt. Adrian Aragon. The conclusion of this report was, "Pursuit falls within Department guidelines".

V. Investigation and Findings

1. Senior Corporal Keenan Craven #11574

Sustained on the following policy violations:

SUSTAINED, whereas the investigation revealed a preponderance of evidence supporting the allegation.

General Order 301.07(G)(6) – Prohibited to cross a divided highway

General Order 301.07(H)(2) – No more than three vehicles in a pursuit

General Order 301.07(H)(6) – Will not drive Code 3 to catch up to a pursuit unless directed by a supervisor.

Senior Corporal Keenan Craven drove code 3 for approximately five minutes before catching up to the pursuit and driving at speeds up to 122 mph. When Senior Corporal Craven initially caught up to the pursuit, he was the 4th patrol vehicle in the pursuit. Senior Corporal Craven passed two patrol vehicles to become the 2nd vehicle in the pursuit, violating the policy of no more than three vehicles in a pursuit. During the pursuit, Senior Corporal Craven crossed a divided highway (which was separated by raised concrete curbing) to drive on the wrong side of the road; policy prohibited crossing a divided highway. Senior Corporal Craven did this two times during the pursuit. There was no information uncovered that suggests a supervisor directed Senior Corporal Craven to join this pursuit.

2. Senior Corporal Craven Dash Cam

11:13:33 Senior Corporal Craven drives code 3 while not being part of the pursuit.
11:17:39 Senior Corporal Craven reaches a speed of 118 mph in an attempt to catch up to the pursuit.
11:18:23 Senior Corporal Craven, driving at 122 mph, passes a patrol vehicle that is also driving code 3.
11:18:32 Senior Corporal Craven has caught up to the pursuit and passes the number two patrol vehicle in the pursuit.
11:18:38 Senior Corporal Craven takes over as the number two vehicle in the pursuit behind Officer Caitlin.
11:21:02 The suspect vehicle crosses to the wrong side of a divided highway on Harry Hines. Senior Corporal Craven follows the suspect vehicle onto the wrong side of the road. Officer Caitlin stays on the right side of the divided highway. Senior Corporal Craven travels to the end of the block on the wrong side of the road and then crosses back to the correct side at the intersection. Traffic was clear. The suspect vehicle did the same. This maneuver puts Senior Corporal Craven in the number one position of pursuit.
11:21:19 Sgt. Aragon enters the pursuit and takes over the number one position due to the distance between Senior Corporal Craven and the suspect vehicle.
11:21:46 Senior Corporal Craven takes over the number one position in the pursuit due to traffic.
11:23:36 The suspect vehicle crosses the divided highway on Mockingbird Lane, and Senior Corporal Craven also crosses the divided highway and drives against traffic. Senior Corporal Craven drives to the end of the block and crosses back at the intersection. Traffic was clear. The suspect vehicle had done the same. Sgt. Aragon, who was behind SC Craven, stayed on the correct side of the road.

3. Sgt. Adrian Aragon #7079

Sustained on the following policy violations:

General Order 301.07(I)(6)(d) Order a pursuit discontinued if the risk outweighs the immediate need to apprehend the offender.

Code of Conduct, Section 4.1(A) Failure of a supervisor or commander to immediately take action when a violation of rules or regulations comes to their attention, regardless of the supervisor's or violator's assignment or rank within the Department.

Sgt. Aragon was directly behind Senior Corporal Craven when Senior Corporal Craven drove on the wrong side of the divided highway. There was nothing noted in the radio traffic that would indicate Sgt. Aragon was attempting to weigh the risks of this pursuit.

4. Sgt. Aragon Dash Cam

11:23:37 Sgt. Aragon is behind Senior Corporal Craven and watches him cross the divided highway; then, he follows the suspect vehicle the wrong way down

the street. Sgt. Aragon stays on the right side of the road.

5. Officer Ashley Catlin #11541

Sustained on the following policy violations:

General Order 301.07(H)(4) Inform Dispatch of other collisions.

Officer Catlin was calling out the pursuit when numerous collisions occurred, and she did not make the proper notifications to Dispatch so that supervisors could gauge the risks of this pursuit. Officer Catlin called out the first collision between the suspect vehicle and a motorist but then failed to notify Dispatch of the next seven collisions.

6. Officer Catlin/Officer Shin – Dash Cam

11:11:47 Officer Catlin is riding as a passenger in the patrol vehicle that starts the pursuit. Officer Catlin handles the radio traffic, while Officer Shin serves as the driver.

11:14:38 Suspect vehicle strikes a gray sedan on Walnut Hill. Officer Catlin notified Dispatch of the collision. Officer Catlin notifies Dispatch of a collision between the suspected vehicle and a motorist on Walnut Hill.

VI. Recommendation(s) for Policy and/or Discipline (if any)

The OCPO recommends that the Dallas Police Department establish a review process for vehicle pursuits where the reviewer was not involved in the pursuit. This process should include evaluating tactics, ensuring policy compliance, and improving public safety by analyzing the outcome of a high-speed chase. The report's author was also the sergeant involved in the pursuit, which raises questions about a conflict of interest in providing an

unbiased, thorough review. This review should detail events such as the reason for the pursuit, its duration, location, any injuries or damage, and the methods used to end it. The Vehicle Pursuit Report (VP2023-042) listed facts about the pursuit but did not include an analysis to determine if the pursuit complied with the pursuit policy. The report's author stated that all BWC videos were locked due to the critical incident. Without access to the videos, conducting a complete review of the pursuit would be difficult.

VII. Conclusion

The OCPO agrees with the Internal Affairs Investigation that found the use of deadly force in this incident was justified.

The Dallas Police Department Vehicle Pursuit Report (VP2023-042) provides an overview of the pursuit. It notes that the BWC and dash cameras were not reviewed, as they were locked for the investigation of the aggravated assault on a public servant. The Vehicle Pursuit Report concludes that the pursuit was within department guidelines. However, the OCPO disagrees with this conclusion. A review of the pursuit revealed a stolen U-Haul moving van that was speeding and intentionally crashing into multiple moving vehicles while fleeing from officers. Several officers drove at high speeds, attempting to catch up without guidance from a supervisor. One officer overtook others already involved in the pursuit to get closer to the stolen vehicle. There was no indication of a supervisor trying to limit the number of patrol vehicles involved. The stolen U-Haul crossed into oncoming traffic, sometimes pursued by multiple units on the wrong side of the road. These actions are explicitly prohibited by the policy manual and pose a significant danger to the public. Only the sergeant involved in the pursuit reviewed the incident, and no officer was held accountable for potential policy violations. Without an independent review process, these actions are effectively condoned, encouraging similar behavior in future pursuits.

Executive Summary

I. Background

On May 3, 2025, Niriah Williams submitted a complaint to the Internal Affairs Division, stating that Detective Dustin Hatch had been involved in multiple serious incidents of misconduct, abuse of power, and violations of her civil rights and Texas state law.

Specifically, Williams cited an incident that occurred on November 18, 2020, and alleged the following complaints;

1. **Fail to Investigate** - The report was titled "Aggravated Assault with Serious Bodily Injury (PC 22.02(A)(1))". Williams believed it should have been titled, "Attempted Murder."
2. **Theft** - Several items belonging to Williams were taken by the police during this incident and were never returned, nor were they appropriately stored.
3. **False Report** - The police report for this incident contained a false statement that attributes to her saying she admitted to prostitution. Williams maintains that she never made this statement.
4. **Fail to Investigate** - Detective Hatch suspended the case within hours of it being opened and made no effort to find the perpetrator.

Williams reported a second incident that occurred on February 11, 2022, with the following allegations:

5. **Official Oppression** - Williams' vehicle was impounded during this incident, and she was never notified of its release.
6. **Theft** - Williams never received the property back that was inside the vehicle at the time it was impounded.

Finally, Williams described a third incident that occurred on December 20, 2022, with the following allegations:

7. **Violation of Rights** - Williams was arrested and claim she was never advised of her rights. Detective Hatch tried to coerce her into cooperating by threatening to take her phone.

II. Investigation Scope

The OCPO reviewed the initial complaint, which was filed under case number EC2024-0564. The Internal Affairs Division determined that they were not going to investigate this complaint and changed the case number to NI2025-0534. Records were obtained from the November 2020 incident, the February 2022 incident, and the December 2022 incident. Relevant Body-Worn Camera footage was reviewed. Williams was interviewed for this investigation, and it should be noted that her name is listed as Niyah Williams in all the police reports. Officer Piedade was interviewed for this investigation. Detective Hatch did not respond to a request for an interview.

V. Investigation

Dallas Police Internal Affairs Investigation

The Internal Affairs Division did not investigate this complaint. On July 7, 2025, the Internal Affairs Division sent Williams an email stating that it does not investigate complaints related to a case's proposed guilt or innocence, including disputes regarding an arrest or citation.

OCPO Independent Review Request

On July 18, 2025, Williams requested an independent review of her complaint from the Office of Community Police Oversight. On August 12, 2025, at the Community Police Oversight Board meeting, the Board voted for an Independent Investigation.

OCPO Investigator Huff interviewed Williams via telephone on August 13, 2025. Williams reiterated the information she had submitted in her complaint.

Incident on November 18, 2020

A review of police report 206792-2020 revealed it was titled "Assault (AGG) – Serious Bodily Injury (PC 22.02(A)(1))". The time of the incident was listed as November 18, 2020 at 8:22 pm. Officers were dispatched to a shooting, and upon arrival, they discovered Williams in the front seat of her vehicle with a gunshot wound to her head. The investigation revealed that Williams was engaging in prostitution with an unknown suspect. A witness

had an open phone line going with Williams as she was negotiating with the suspect. There was a struggle between Williams and the suspect in which a single gunshot was fired, and Williams was struck. The witness heard the altercation and went to aid Williams. The witness fired several rounds at the suspect, who fled in a vehicle. The witness, Zitorrian Crownover, was arrested during this incident.

The report was written by Officer Piedade. Officer Piedade wrote that Williams stated she was “out hoeing” at the time of the incident. The report does not detail whether Officer Piedade is the one who heard Williams make this statement or if it was heard by someone else.

The Crime Scene Analyst arrived at approximately 11:00 pm to collect evidence. The Crime Scene Analyst collected a neck pillow, a black jacket, a cell phone, a brown Louis Vuitton bag, and a green Adidas shoe as evidence, along with other items.

On November 24, 2020, Detective Koerner wrote a search warrant for a vehicle related to this incident. On November 27, 2020, Detective Oviedo responded to the vehicle impound lot to collect evidence from the vehicle.

A review of Body-Worn Camera (BWC) showed officers arriving and finding Williams in the front passenger seat of a vehicle. Emergency Medical Personnel arrived and removed Williams and placed her in an ambulance for transport. Williams can be seen screaming in pain when being moved. No BWC footage at the scene shows any officer attempting to interview Williams. There is no BWC footage of Williams at the hospital.

On August 13, 2025, OCPO Investigator Huff interviewed Williams, who reiterated the information she had submitted in her written complaint. Williams also added that just hours after she had been shot, Detective Hatch put the case into suspense and made no effort to find the perpetrator of the crime. Williams supplied Investigator Huff with a report that indicated the case was suspended on November 19, 2020, at 12:00 am.

On August 20, 2025, OCPO Investigator Huff responded to the Dallas Police property room to inquire about the property items taken as evidence by the Crime Scene Analyst. Manager Kimberley Cole verified that those items were still being held at the property room.

On September 23, 2025, OCPO Investigator Huff interviewed Officer Mikael Piedade by phone. Officer Piedade had written the report for the aggravated assault incident that occurred on November 18, 2020. Officer Piedade said he had been in training for about a month at the time of that incident. Officer Piedade was asked about his report and the statement he wrote that the victim stated she was “out hoeing” at the time of the incident. Officer Piedade could not recall if the victim had stated this directly to him or if another officer had told him that information. Officer Piedade recalled it was a hectic scene. Officer Piedade advised that he did not have BWC footage from that incident because at that time, he had not been issued a BWC.

Detective Dustin Hatch did not respond to interview requests.

Incident on February 11, 2022

Williams advised that she was arrested sometime around February 10 - 12, 2022.

Williams provided the impound paperwork, which was dated April 19, 2022. The impound paperwork showed that her Toyota Scion was impounded on February 11, 2022 and was on a VICE hold.

Investigator Huff contacted the Vehicle Impound Lot and located information on Williams' vehicle, which was impounded per Detective Hatch on February 11, 2022. The impound was listed as a "VICE" hold. Property in the vehicle was listed as "clothing" with no further details. The paperwork showed that a release letter was sent to Williams on November 22, 2022. The vehicle was released to a representative of Discount Motors, who was the lien holder on the vehicle. The release was listed as a repossession.

Based on the information obtained from the Impound Lot, Investigator Huff located police reports 25898-2022 and 25308-2022, which involved Williams.

Police report 25898-2022 documented an incident from February 11, 2022, in which Zitorrian Crownover was arrested for warrants. Crownover was arrested in a vehicle that belonged to Williams, and Williams was a passenger in that vehicle at the time of his arrest. The police report stated;

VICE Detective Hatch was notified due to Crownover being a known pimp in the area and he instructed the officers to place Crownover's phone, laptop, and money in the property room and place a hold on the vehicle.

It should be noted that Crownover was also arrested during the incident that occurred on November 18, 2020.

Police report 25308-2022 was a report for manifesting for prostitution and occurred on February 11, 2022. The report documents the arrest of Williams for manifesting for prostitution. Williams had been a passenger in the vehicle with Crownover when he was arrested. The report did not contain a statement from Williams. The report does not show any property taken from Williams.

Incident on December 20, 2022

A review of police report 227054-2022 shows it is titled "Manifesting for Prostitution (Seller) (Dallas City Code 31-27). The incident date was listed as December 20, 2022 at 6:40 pm. Officers were working undercover and determined that Williams was in the area to engage in prostitution. Williams was arrested for Manifesting for Prostitution and transported to the City Detention Center. There was no statement from Williams documented in the police report.

A review of a recorded interview showed a short interaction between Williams and Detective Hatch. Below is a transcript of the entirety of their conversation. No other relevant BWC footage was located.

Det. Hatch: *Nope, it's, hello. How are you? <laugh>?*

Williams: *I'm, I'm all*

Det. Hatch: *Right. I, you're not, all right. Well, I'm here to talk to you. Okay. What's your first name?*

Williams: *Naya. Huh? Naya.*

Det. Hatch: *How do you spell that?*

Williams: *N as in Nancy, IYAH.*

Det. Hatch: *Okay. Your middle name?*

Williams: *Lavo. L-A-V-O-N-N-E.*

Det. Hatch: *And, and your last name? Williams. Huh?*

Williams: *Williams.*

Det. Hatch: *What's your birthday?*

Williams: *1228 2000.*

Det. Hatch: *And how old does that make you?*

Williams: *21,*

Det. Hatch: *Almost 22 almost. What do you go by out here?*

Williams: *I'm Naya. That's my name.*

Det. Hatch: *You don't go by Naya out here. What else do you go by? Come*

Williams: *On. I don't even know what kind of question that.*

Det. Hatch: *Is. Okay. Look.*

Det. Hatch: *Whatever happened today, what resulted in you being here right now? I'm not here to ask you about, okay? Like, not gonna be held against you, but you, you are under arrest for manifestation of prostitution. Okay? So you're out here the way that you're dressed, the way that you're walking, at the place that you're at, okay? I already know what's going on. Okay? So, my name is Detective Hatch. I work for Homeland Security Investigations, and I'm the feds. So don't tell me that you're out here working as a prostitute and you're using your real first name. I think that's all crock of shit, right? So let's be real. What? Just tell me what you go by. Out here is all I wanna know.*

Williams: *You got some paperwork you got to do, and you can continue to fill out so that I can get my charge and go. That's all I'm trying to do.*

Det. Hatch: *Okay? What's the mailing address?*

Williams: *It's, uh, 1100 Uhhuh Hilton.*

Det. Hatch: *I'm sorry,*

Williams: *1100 Hilton as in the Hotel Uhhuh Drive. And that's Mansfield, Texas.*

Det. Hatch: *Okay. And that's,*

Williams: *Uh, 7606.*

Det. Hatch: *Whose house is that yours? My mother. Your mother's. Is it a house or apartment?*

Williams: *It house.*

Det. Hatch: *Okay. Do you have a phone number?*

Speaker 1: *Uh,*

Williams: *What is it for? What am I providing it for?*

Det. Hatch: *For your police report? Because you're under arrest and need, need, contact information for court. For*

Williams: *Court. Alright, so 582197.*

Det. Hatch: *Okay. How long have you been in the game? Is this the time? Can you just gimme my charges? A month, a year? Okay. Well, like, I'm not, see typically people are cooperative with me and I'm, I'm super really nice. Right? And then I'm giving you opportunity, but if you don't be, I'm being just, just listen. No, I don't want*

Williams: *To listen. Can you just*

Det. Hatch: *Gimme my charges? Well, I'm, I'm explaining to you what's gonna happen, okay? Because now since I can't get what I need, I'm gonna take your phone and I'm seizing it for evidence, okay? This, so I'm just letting you know that that's what's going to go on this,*

Williams: *Okay? So I'm gonna talk to somebody about your coercion issues, okay?*

Det. Hatch: *And that's cool. Come on, right over here. We're gonna get.*

VI. Findings

The OCPO reached its conclusions after a thorough review of all available evidence, including video footage, factual records, statements from the involved parties, and official reports. In making its decision, the OCPO carefully considered the precise language of all relevant policies and laws to ensure a well-reasoned and informed outcome.

Incident November 18, 2020

1. The first point of contention brought up by Complainant Williams is the title of the police report in which she was a victim of a shooting. The Dallas Police Department had titled the report Aggravated Assault with Serious Bodily Injury (PC 22.02(a)(1)).

Texas Penal Code section 22.02 is for Aggravated Assault. Subsection (a)(1) further defines it as “A person commits an offense if the person commits assault as defined in section 22.01”. A violation of this section is considered a felony of the second degree. The District Attorney’s Office has the discretion to charge a suspect as it sees fit, regardless of what the title of the police report states. Based on the circumstances of the case, it was appropriate for the title of the case to be Aggravated Assault with Serious Bodily Injury. There is no policy violation for using the aggravated assault title for the case instead of attempted murder. The finding for this allegation is **EXONERATED**, whereas the investigation revealed the acts did occur but were justified, lawful, and proper.

2. Williams complained about property taken by the police department and never returned or placed in evidence. When interviewed, Williams could not recall the exact items that were taken by police. The following items were collected by police as evidence on the date of the incident and are listed in the report as follows: blue neck pillow, black jacket, cell phone, Louis Vuitton bag, and a green Adidas shoe. These items were confirmed to be still housed in the Dallas Police Department property room as evidence. The finding for this allegation is **UNFOUNDED**, as the investigation determined that the act or acts complained of did not occur.
3. Williams had stated that the police report attributed a statement from her that she said she never made. The police report, written by Officer Piedade, indicated that officers were unable to ascertain from Williams exactly what happened that night due to her injuries, but she did state that she was “out hoeing” at the time of the incident. The report is not clear whether that statement was made to Officer Piedade or to another officer and then relayed to Officer Piedade for the report. BWC of this incident was reviewed, and it showed officers first making contact with Williams in her vehicle, and it showed the immense pain she was in from her injuries. The BWC did not show any attempt to obtain a statement from Williams as she was removed from the vehicle and placed in the ambulance. Based on the video footage, it did not appear that Williams was in a condition to be able to give a statement at that time due to her injuries. There is no BWC of Williams at the hospital, which is common due to privacy concerns when a patient is receiving medical treatment. The police report does contain a statement from another party who fully explained that Williams was involved in prostitution when the incident occurred. Officer Piedade was interviewed, and he could not recall if he wrote that statement by Williams because he heard it from her or if another officer had told him of the statement. The finding for this allegation is **NOT SUSTAINED**, as the investigation failed to discover sufficient evidence to prove or disprove the allegation.
4. Williams had stated the case was suspended within hours of the incident occurring and supplied a copy of a status report, which indicated the case was suspended on November 19, 2020, at 12:00 am by Detective Hatch. It was confirmed with the Dallas Police that the case was suspended on November 19, 2020. However, the police report contained a search warrant that was signed by a judge on November 24, 2020. There is also a follow-up documented in the report, which is dated November 27, 2020. The case was assigned to Detective Koerner. None of the documented work on this case could be attributed to Detective Hatch. The finding on this allegation is **UNFOUNDED**.

5. Williams stated that her vehicle was impounded on February 11, 2022, and she was never notified of its release. The vehicle was placed on a VICE hold on February 11, 2022. The driver, Crownover, had been arrested on warrants, and the passenger, Williams, had been arrested on a new charge of Manifesting for Prostitution. The impound paperwork showed that Williams was notified of the vehicle's availability for release on November 22, 2022. A certified letter was sent to her address on record. There was no response from Williams. Williams had advised during an interview that she was homeless during this time period. The vehicle was released on November 29, 2022, to the lien holder as a repossession. The finding on this allegation is **UNFOUNDED**.
6. Williams advised that she never received any of her property back that was taken when her vehicle was impounded. Police report 025298-2022 showed that Zitorrian Crownover was driving Williams' vehicle when he was arrested. The property taken during Crownover's arrest was an Apple iPhone, a laptop, cash, a handgun, and ammunition. All the above property was listed as belonging to Crownover in the police report. Williams was arrested during this same incident, and she was a passenger in her own vehicle. The police report does not indicate that any property was taken from Williams. OCPO Investigator Huff contacted the Dallas Police Property Room, who advised they are still in possession of the property taken under police report 025298-2022. Williams advised during an interview that the property taken that night actually belonged to her and not Crownover. The Dallas Police Property Room advised that if Williams could provide proof of ownership of the items, they would be able to release them to her. The finding for this allegation is **UNFOUNDED**.
7. Williams advised that her rights were violated when she was arrested on December 20, 2022. Williams said she was never advised of her rights, and Detective Hatch attempted to coerce her into cooperating by threatening to take her phone. The police report showed that Williams was arrested for Manifesting for Prostitution. Manifesting for Prostitution was listed in the Dallas City Code, 31-27. Dallas Police Department General Order 313.10 explains when Miranda rights are to be given. The policy has a list of exceptions. One exception is "Ordinary City Ordinance Violations," and another exception is "Class C Misdemeanors". The penalty for Manifesting for Prostitution is a fine not to exceed \$500, which would classify it as a Class C misdemeanor. Therefore, Detective Hatch was not required to advise Williams of her Miranda rights on the night she was arrested. Furthermore, Williams did not provide a statement to Detective Hatch.

Detective Hatch did tell Williams, "Because now, since I can't get what I need, I'm gonna take your phone and I'm seizing it for evidence, okay?" However, Detective Hatch did not ask any questions of Williams after making this statement, and he did not take her phone as evidence. The finding on this allegation is **EXONERATED**.

VII. Recommendation(s) for Policy and/or Discipline (if any)

The OCPO does not have any policy recommendations at this time.

VIII. Conclusion

The OCPO reviewed all available evidence, including video footage, established facts, statements from involved parties, and official reports. Additionally, each conclusion is based on a careful application of the specific language in all relevant policies and laws. The OCPO found no violations of departmental policies or procedures during this investigation.

Memorandum

DATE October 7, 2025

CITY OF DALLAS

TO Members of the Community Police Oversight Board

SUBJECT **Complaints Received from September 1, 2025, to September 30, 2025**

This memorandum provides a summary of complaints received and resolved by OCPO in September 2025. From **September 1 to September 30, 2025**, the **Office of Community Police Oversight (OCPO)** received a total of **107 complaints**. Each complaint undergoes an initial review by OCPO, in collaboration with the **Dallas Police Department's Internal Affairs Division (IAD)**, to determine the appropriate type of investigation:

Investigation Types

- **Control Number (CN):**
For allegations that could result in a written reprimand or higher. Investigated by the Internal Affairs Division.
- **Division Referral (DR):**
For less severe allegations that may result in corrective actions such as Advice and Instruction, Documented Counseling, or a Supervisor's Report of Correction. Investigated by the officer's division.
- **No Investigation (NI):**
For cases that will not be investigated by IAD (e.g., allegations submitted after 60 days or failing to meet legal requirements).
- **Public Integrity (PI):**
For allegations of criminal conduct by police officers. The **Public Integrity Unit** investigates these incidents. All complaints that may rise to the level of a criminal offense, including anonymous submissions, are forwarded to this unit.
- **Administrative Inquiry Investigation:**
Investigations into misconduct or improper police handling may be needed even without formal complaints. This includes cases involving unidentified employees, vague allegations, City Manager referrals, third-party claims, anonymous criminal activity reports, directives from leadership, and instances where the complainant may be untruthful.

Reasons for No Investigation (NI)

- **Does Not Meet Criteria:** Complainant refused to provide a written statement (per TX GC 614.022)
- **Duplicate Complaint:** Allegation already under review or previously addressed.
- **Failure to Articulate:** No clear allegation of misconduct was provided.
- **Guilt or Innocence:** Complaint challenges legal guilt, not officer conduct
- **Information Only:** Request for or provision of unrelated information
- **More Information Needed:** Insufficient information to proceed.
- **No Violation:** Preliminary review finds no policy violation.
- **No Violation (BWC):** Body Worn Camera review confirms no misconduct.
- **Non-Employee:** Complaint involves a non-DPD individual.

Impact of Enacted Laws

- **Senate Bill 1957 (Hagenbuch):** Related to the eligibility of a person to serve on a civilian oversight board.
 - **Implications:** An amendment striking page 1, lines 19 through 22, stating, "person has been convicted of or placed on deferred adjudication community supervision for a felony offense," does not introduce new restrictions but reiterates existing disqualification standards already outlined in the Dallas City Charter. Article III addresses the eligibility of the Community Police Oversight Board (CPOB), while Article I, Section 8-1.4 of the City Code sets general board appointment criteria, including disqualifications for serious criminal convictions.
- **Senate Bill 2570 (Flores):** Relating to a legal justification for the use of force with a less-lethal force weapon by a correctional facility guard or peace officer.
 - **Implications:** The legislation introduces a statute for the use of less-lethal weapons, emphasizing "reasonable belief" and "substantial compliance with training" as justification standards. As a result, the department may consider updating its internal guidelines to align operational definitions and training requirements with the new legal language, to prevent fiscal liability and public trust challenges reminiscent of those seen in the 2020 protest-related litigation and reforms.

Impact of Enacted Laws

- **Senate Bill 1637 (King):** Relating to the prosecution of the offense of deadly conduct.
 - **Implications:** Senate Bill 1637 creates a statutory exemption for peace officers, stating that this presumption does not apply when an officer is lawfully discharging their official duties. As a result, the Dallas Police Department may need to update its General Orders, particularly **General Order 906.00 (Use of Deadly Force)** and **General Order 901.00 (Response Continuum)**, to distinguish between conduct that is legally exempt under state law and behavior that may still be subject to internal review or disciplinary action under departmental policy.
- **Senate Bill 8 (Schwertner/ Huffman):** Relating to agreements between certain sheriffs and the United States Immigration and Customs Enforcement to enforce federal immigration law and a grant program to cover the costs of implementing those agreements.
 - **Implications:** Senate Bill 8 does not directly apply to the Dallas Police Department but may significantly impact Dallas residents by expanding immigration enforcement at the county level. Under the bill, the **Dallas County Sheriff** is required to pursue a federal 287(g) agreement with ICE, potentially leading to more immigration detentions of individuals arrested by DPD and transferred to the county jail.

Special Session Update

- 1st Called Special Session (July 21-August 15, 2025)
 - **SB14/HB 14 (King/ Hefner):** Relating to certain files maintained by a law enforcement agency regarding certain employees of the agency. **Failed to Pass**
- 2nd Called Special Session (August 15-September 4, 2025)
 - **SB15/HB 15 (King/ Hefner):** Relating to certain files maintained by a law enforcement agency regarding certain employees of the agency. **Failed to Pass**

Next Steps

- OCPO's next steps will include:
 - Collaborating with local and state leaders, as well as other City departments, to prepare for the upcoming legislative session and any potential special sessions.
 - Monitoring policy and training changes implemented by the Dallas Police Department resulting from newly enacted legislation that impacts interactions with City of Dallas residents.
 - Identifying and developing community outreach initiatives to inform residents of legislative changes that affect police oversight and accountability.
 - Engaging with the City's Legislative Team to track interim charges, agency actions, and other developments relevant to civilian oversight.
 - Assessing issues of interest to develop future policy recommendations and priorities for the 90th State Legislative Session.
