2. The Board of Aldermen, at the meeting at which the delinquent lists are returned or as soon as may be thereafter, shall examine the lists carefully, and if it appears that all property and taxes contained in the lists are properly returned as delinquent, the Board shall approve the lists, enter a record thereof in the journal and credit the amount thereof to the account of the city collector.
3. The Board shall return the delinquent lists to the collector, charging him therewith, and he shall proceed to collect the same in the same manner as provided by law for state and county taxes.

SUBJECT/REQUEST

R-3804-26: Approval of a budget adjustment associated with the Blue Shield Grant Project

BACKGROUND/JUSTIFICATION

The Blue Shield Program's grant revenue was budgeted into the General Fund - 101, and expenses came out of the Capital Sales Tax Fund - 205.
Generally Accepted Accounting Principles need for grant funds to be expensed out of the same account they are budgeted in, and so the \$50K Budgeted in the General Fund - 101 needs to be moved into the Capital Sales Tax Fund - 205, to match the expenditures.
