The Richard English, Jr. Strongest Link Award of Excellence for May 2026

The Richard English, Jr. Strongest Link Award of Excellence Program will be given monthly to a deserving employee who has demonstrated excellent performance and productivity, loyalty, professional pride and other noteworthy accomplishments. It will be presented to an employee who goes above and beyond to make Troup County better. The award recognizes that all County employees link together to form a chain that provides the citizens of Troup County with excellent service. That service is only as strong as its weakest link in the chain. Therefore, all employees should strive to be a “*strong link*” in the chain. Nominations are received from any county employee and are vetted by Human Resources who recommends the award recipient to a committee of peer employees. The recognized employee receives a plaque, symbolic “link”, a name tag for which he/she will be the custodian until a subsequent employee is recognized and receives donations from surrounding businesses in the County.
