OLD BUSINESS
CHIEF OF POLICE

Assistant Chief Watts asked the Commissioners if there were any questions regarding the Expense Report that was provided to them. The Commissioners did not have any questions.

Assistant Chief Watts updated the group on the current recruitment process. Oral interviews have been completed and background investigations have started. There are currently two vacancies to fill, with another one to be announced. Assistant Chief Watts stated that forty-three candidates were interviewed and the top eleven proceeded to backgrounds. The goal is to make conditional offers of employment at the June PC Meeting.

Assistant Chief Watts invited everyone to "Cop on a Rooftop", Friday, May 15th 5:00AM-Noon at the Brownsburg Dunkin. This yearly event is to raise money for Special Olympics Indiana.

Assistant Chief Watts reminded the group of the Police & Fire Summer Camp. The Camp begins, June 1st – 5th and the second week is June 8th – 12th. Captain Bullock will be hosting the camp at Lucas Oil Raceway this year. This will allow for more room for more activities. There are 100 kids attending each week. This summer Captain Bullock and Staff will be providing a bike safety day at the BOOST summer camp through the school corporation. They will be helping with Bike Day in June and July. Additional activities planned; Touch a Truck, Blood Drive, Starr Soccer, Donuts, Coffee & Badges and the 4th of July Extravaganza.

OLD BUSINESS
COMMISSION

Nothing to report.

NEW BUSINESS
CHIEF OF POLICE

Assistant Chief Watts introduced the new CSI, Steven Secor. Steven was present and thanked the commissioners for the opportunity. Steven stated that after 22 years with the FBI he retired and is looking forward to working with the detectives.

Assistant Chief Watts said that Officers responded May 1st to I74 & 267 on a report of a robbery. Officers said that a couple were sitting in their disabled vehicle and two black males approached them with a gun and demanded their money. Detectives are still investigating.

Assistant Chief Watts said that Officers Adamson and Smith attended Basic Motor Training. This is a difficult 80-hour course. Both Officers passed the course and will continue to train.

Major Fultz discussed the grant funding from ICJI that funded the purchase of ten PBT's for the department's use. The PBT's normally cost $500 each.

Assistant Chief Watts added that the Battle of the Badges Blood Drive is Friday May 15th 10:00AM-4:00PM in the Town Court Room. Police have won the last two blood drives and hope to have a great turn out again this month.

NEW BUSINESS COMMISSION

Tim Cooper read a letter from Chief Grimes requesting the removal of probationary status for Officers Donna Davenport, Austin Hyde and Nathaniel Giblin. Allan Bolante requested a vote. Matt Simpson made a motion to approve the probationary release of the three officers. Tim Cooper seconded. Motion carried 4-0.

Allan Bolante read a letter of retirement from Assistant Chief Andy Watts. Allan Bolante requested a motion to accept. Jason Thornbury made a motion to approve. Matt Simpson seconded. Motion carried 4-0. Assistant Chief Watts thanked the Commissioners and said that he has enjoyed his years in law enforcement and is looking forward to his move to be closer to family.

REPORTS

All reports were provided to the Commissioners. There were no questions.

BROWNSBURG METROPOLITAN POLICE DEPARTMENT

Joseph A. Grimes
Chief of Police

Office: (317) 852-1109
Fax: (317) 858-2023

June 9, 2026

To Board of Police Commissioners,

Please accept this letter as recognition that Assistant Chief Andrew Watts is retiring from the Brownsburg Police Department after 20+ years of sworn law enforcement service. In accordance with IC 7.1-2-2-11.5 and IC 21-17-5-6, the Brownsburg Police Department shall remove the Glock Model 43X serial number CGRY054 from its active inventory and transfer its proper ownership and registration to retiring Officer, Assistant Chief Andrew Watts effective June 26, 2026.

Respectfully Submitted,

Investigations

The Investigations Unit received (30) new cases, screened (39) outside agency reports - (10) of which were screened in for Case Reports. They also closed and/or suspended (23) cases, and made (5) arrests. The crime trend for this month was *Property Crimes.* The Unit served (5) search warrants and/or subpoenas, conducted (27) interviews, completed (7) background investigations, entered (123) case notes, had (46) DCS contacts and attended (4) Child Forensic Interviews this month.

Major Barrett continued to train with Assistant Chief Watts to assume various job responsibilities upon his retirement. Barrett sat on the interview board for sworn new hire candidates for two days, coordinated with the Prosecutor's Office and legal for APRA requests and responses, attended a Command Staff interview, and attended the International Association of Chiefs of Police Technology Conference this month. Barrett is actively gathering information and documents to streamline various tasks and respective responsibilities by individuals required for on-boarding new hire. Barrett is creating templates for various forms in order to provide access and overall comprehensive knowledge for job tasks that can be accomplished in the absence of the individual tasked for such responsibilities. Barrett is assisting Captain Bass on a confidential investigation.

Captain Jacque Bass continues to transition to and assume the duties of the Unit Division Commander. He assigned sworn recruitment background investigations to Detectives during May, as well as initiated an internal affairs investigation, as per policy, coordinating with the Indiana State Police. In the capacity of a Detective during the month, he made (0) arrests and closed (0) cases. Bass is investigating a forgery at the local Abstract & Title whereby the suspect cashed a check meant for services rendered by another business. Search warrant results are pending in this case. He is also investigating the theft of a luxury brand purse while the victim was at a garage sale and a fraudulent bank transaction of $5,000 at the local Huntington Bank. Bass was called out (2) times and was consulted (1) time this month by road personnel. He attended the IACP Technology Conference in Fort Worth, Texas during the week of May 19th as well.

Detective Sgt. Stanford made (2) arrests this month and closed (5) cases. Stanford is investigating the passing of a counterfeit $100 bill, which was easily identified as such, at a local collectibles shop, as well as investigating a Theft of non-serialized construction supplies from new construction residences with a value of $3000. He closed multiple cases including a credit card Fraud where the victim was absolved of responsibility with the account being closed, a Theft of a semi-trailer that never arrived at its destination but there was no information to follow up on and a Theft of the contents of an EBay shipment where the buyer was refunded by EBay. Stanford charged (2) account holders with Identity Deception, a Level 6 Felony, after they scammed a victim into sending wire transfers to their respective Wells Fargo bank accounts. He was called out (1) time and was consulted (1) time this month by road personnel.

Detective Sgt. Wells made (0) arrests this month but closed (1) case. Wells is investigating a Child Exploitation case involving a thirteen-year-old female who currently resides in Brownsburg in foster care. A child forensic interview was conducted and the investigation

is ongoing. He is filing charges and attempting to have parental rights removed in a child physical abuse case involving an adoptive mother who has had a history of Department of Child Services reports with allegations against her submitted. He is also investigating possible neglect at a local in-home daycare. Wells was called out (3) times and was consulted (7) times this month by road personnel. He completed Emergency Vehicle Operations, OC/Use of Force training, and was deposed for a Pittsboro PD case in May as well.

Detective Sgt. O'Brien made (0) arrests this month but closed (9) cases. O'Brien is investigating potential fraud involving a crypto investment strategist where the victim is not being provided with any viable option to withdraw his funds. He is also investigating a theft of medication by a member of a local service company within the victim's home while providing services. O'Brien responded to a Death Investigation where the causes appear to be natural, as well as closed multiple Fraud cases where the victims were not contacting him back or there simply were no leads. He also worked on a Theft case with a detective from Danville PD involving the same suspect. Detective Wolfe (Danville PD) was able to interview the suspect and they will be filing charges on both Brownsburg and Danville incidents. O'Brien was called out (0) times but was consulted (2) times this month by road personnel. He attended a "Meeting the Leadership Challenges of Law Enforcement" training as well.

Detective Sgt. Cronin made no arrests this month but closed (1) case. Cronin is investigating a Theft/Fraud where the victim's cell phone was stolen and then found in the trash. It was then noticed that money had been transferred using the Cash App account. A search warrant is pending. He is investigating another theft where a maintenance man with a company took HVAC equipment and master keys during his lunch break and never returned. In another case, Cronin has submitted a search warrant for Apple Pay where the victim paid for a GPS device that was never received by her son, who is incarcerated, and who was never ordered to wear a GPS device. Cronin was called out (3) times and was consulted (1) time this month by road personnel as a Detective. During the course of his temporary CSI duties, Cronin was called out (5) times and processed (5) crime scenes collecting (8) pieces of evidence. He made (4) trips to the lab, (0) trips to the hospital and (0) trips to the High Tech Crime Unit. Cronin completed (0) search warrants, collected (0) evidence swabs and assisted in collecting surrendered prescription medications from the lobby receptacle twice. He also signed in (19) pieces of evidence. Cronin completed Executive Protection training, patrol rifle and emergency vehicle operations training, and provided roll call training to enforcement on evidence packaging.

Detective Cpl. Jeremiah Jones made (0) arrests this month but closed (3) cases. Jones closed a CHINS case following a child forensic interview where nothing criminal was disclosed. He is actively investigating a Threats case involving the leader of a local church involving potential social media posts. At present, nothing rises to the level of criminal but the situation is being closely monitored and additional individuals will be interviewed. Jones also met with a potential rape victim. However, the incident occurred 4 years ago and information obtained indicates the act was consensual. He is attempting to interview the suspect. Jones also closed out another CHINS case where the mother suspected sexually oriented exchanges between her juvenile daughter and adults online. Ultimately, nothing in the content on a device indicated adults were involved. Jones was called out (1)

time and was consulted (3) times this month by road personnel.

Detective Jalen Christian-Moss made (3) arrests this month and closed (4) cases. Christian-Moss continues the investigation of a Robbery along I-74 where a purse, cell phone and $10,000 was taken. No suspects have been developed at this time. He is preparing to submit charges for a Battery incident that occurred at the high school and resulted in a skull fracture of the victim. Christian-Moss has also submitted charges in a Possession of Child Sexual Assault Material (CSAM) case and a search warrant for the suspect's phone seizure and examination are pending. He also responded to a Death Investigation, which appears to be due to natural causes. Christian-Moss was called out (2) times and was consulted (15) times this month by road personnel.

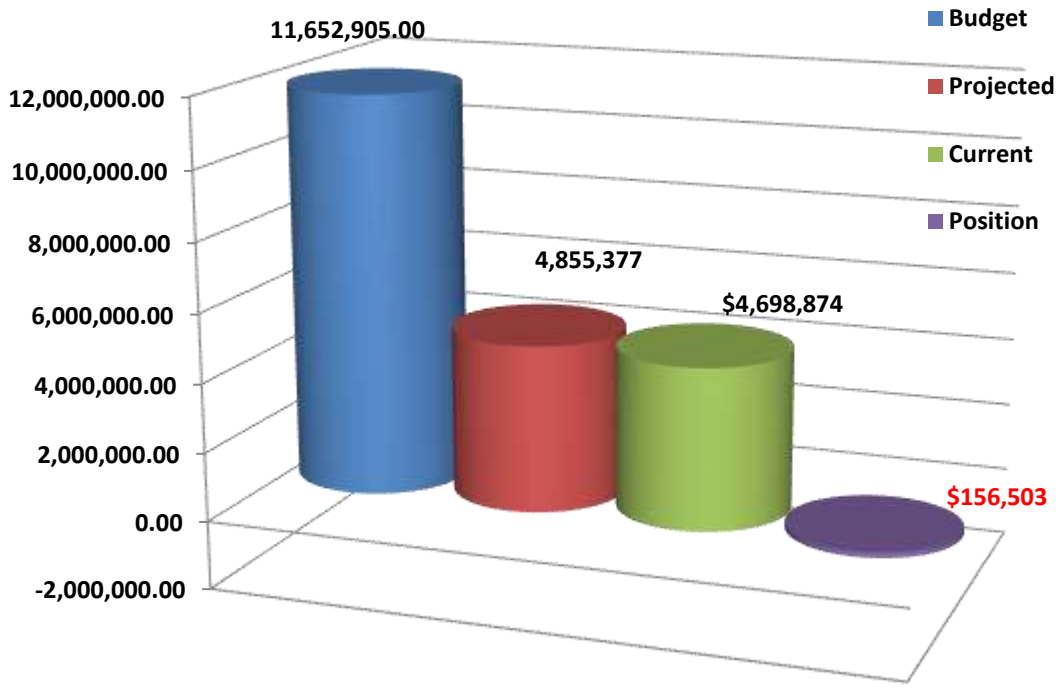

Investigations Assistant and Victim's Advocate Kim Shupert was called out (0) times on duty, and (0) times off duty this month. She made contact with (5) new victims. Shupert made (6) victim contacts via telephone, (4) victim contacts via text/email, and (0) victim contacts in person. Shupert assisted the Investigations Unit in (16) IDACS/NCIC/BMV transactions, uploaded (33) 310's, transferred (0) cases to other agencies, sent (3) search warrants and completed (3) case information requests for the Hendricks County Coroner's Office. She also assisted the Department of Child Services by researching and providing (3) reports. She assisted in on boarding the new Crime Scene Investigator by constructing his training binder as well as assisted Major Barrett by beginning to collect and assemble information and materials in a binder to be used as a comprehensive resource guide to the functions of the Chief of Support Services. Shupert also completed 3 hours of training to include "Trauma Informed Property Release" and "Victims with Disabilities", which is part of the IACP on-line training track she continues to complete.

Property Room Manager Kristi Braziel reported the following work product: Called Out (0) times. Checked in (74) items of evidence, signed out (25) items of evidence to officers, returned (10) items of property to owners and transferred (0) items to another agency. Braziel processed (35) Prosecutor Discovery requests to provide various items such as videos, chain of custody reports, lab analysis documents, forensic phone extraction data and victim/witness statements among other pieces of evidence. She completed (9) CAC (Vidanyx) downloads/packages, (43) IDACS/NCIC/BMV transactions, completed (16) lab submissions, and researched (30) cases. Braziel also completed various video and document requests by the Indiana State Police regarding the officer involved shooting. She also scanned (Laserfiche) and filed a 4-year backlog of various lab and property related documents that have now been logged and placed in records retention storage. The Rx drop box was emptied twice in May for a total of 159 lbs.

Crime Scene Investigator Steven Secor started with the department on May 18th. He is currently completing training within the Unit as well as attending Crime Scene Investigator certification courses. Cronin continues to act as the CSI until Secor is released from training and placed on-call.

Forensic Analyst position remains vacant with a selected candidate going through the background investigation phase at this time. His tentative start date is June 15th, assuming he satisfies all conditions. All devices continue to be submitted to the High Tech Crime Unit at ISU.

Intelligence Analyst Michael Langeman was called out (0) times, consulted (2) times, reviewed (57) crime tips or bulletins, disseminated (3) intelligence or safety communications, conducted surveillance (0) times and conducted (2) inter-agency collaborations. Langeman performed various tasks assisting in the development of suspects and other case information for Detectives throughout the month.

Budget

As of May 31st, 2026, the department expended 40.32% of its budget. As is typical of May, we remain slightly under budget. Encumbered funds from 2025 totaled $23,305.86 and are reflected in the total budget amount.

Administrative Services

During the month, the Administrative Services Unit staff processed (56) public access requests, (53) criminal history requests, (1) gun permit, (4) sets of fingerprints, (4) rider requests, (17) vehicle releases, (101) alarm permit transactions and (5) car seat inspections.

Fees generated from services totaled $2,830.00. Below is a breakdown of the collected fees:

Accident Reports	$65.00
Incident Reports	$85.00
Vehicle Releases	$360.00
Criminal Histories	$265.00
Alarm Transactions	$1860.00
VIN Checks	$0.00
Notary Fees	$9.00
Fingerprints	$150.00
Pictures/Videos	$0.00
Off Duty Management	$36.00
TOTAL	$2830.00

Administrative Services staff members Debbie Umbanhowar and Heidi Shepherd both participated in community relations functions to include Community Day at the Brownsburg Public Library on the 16th and Star Soccer at Hendricks County Soccer on the 23rd. They continued to assist with the preparation for the Youth Summer Camp as well by preparing bags for the attendees.

Public Information

The agency received eleven (19) various media inquiries from television and print media this month. Two (10) were referred to the Indiana State Police after providing minimal information. The other (9) were associated with a call for service of shots fired that was reported inaccurately and/or misinterpreted by media.

The department also released (26) Facebook posts, (0) Facebook Crime Tips post, (16) X/Twitter posts, and (10) Instagram posts

Current subscriber lists report the following number of members:

Platform	Subscribers
Facebook	17,098
Facebook Crime Tips	8,200

Information Technology

Lt. John Depinet Information Technology continued the work he was performing in April throughout May, supporting department technology operations across both divisions, focusing on system stability and user support. He managed access updates and workflow adjustments related to personnel changes to ensure continued accuracy and efficiency. Depinet coordinated with IT on system improvements, including updates to remote access capabilities to support reliable use of P1 Mobile CAD. He monitored MDT performance and network reliability, addressing issues as they arose. Additional time was dedicated to advancing internal system improvements and coordinating upcoming technology projects to ensure alignment moving forward.

Lt. Depinet assisted Capt. Bullock to ensure that Town Court proceedings were adequately staffed as it relates to security throughout the month.

Human Resources

Brownsburg Police staff currently are operating with (2) sworn officer vacancies. BPD currently has no officers on light duty and (1) officer on Admin Leave. The sworn number of officers is now at (60) with an anticipated retirement in June. BPD has initiated a recruitment process for Non-Experienced, Lateral and Certified sworn officers. The advertising and acceptance of pre-applications initiated on 3/16/26 for all three levels of experience. The Non-Experienced candidates were invited to Physical and Written testing on Saturday April 25th at the West Middle School. Only (41) candidates showed up for testing (11) of those failed some portion of the PT and (30) candidates took the written exam. Interviews for all three classifications of applicants were conducted on May 5th and 6th. The goal is to successfully identify candidates to fill the current vacancies and develop an eligibility list to draw from for any unforeseen vacancies through the remainder of the calendar year. Officer Matthew Burks was sworn into service on April 20th. Burks returns to us after being away from LE for little over a year. Based upon his previous experience we anticipate a rather streamlined return to full solo duty.

Civilian Intelligence Analyst Daniela Valenzuela-Fernandez is on medical leave after the recent birth of her child. We wish her and her child the best and have distributed some of her duties pending her return to service in September.

Training Coordinator Business

- Department conducted a Rifle Range day at Danville's outdoor range. Training consisted of malfunction drills and reloading drills, followed by annual rifle qualification.
- Department held first EVO training of the year at ILEA. The lesson plan was changed this year to focus on driving mechanics and mental stresses. The Precision Course and Line of Travel Course were utilized for the practical application portion.
- MAXIM Rifles are being sent back to MAXIM for repair. Saint Victor rifles are being looked at for future purchases, which one already being purchased.

Vehicle Fleet

The Town Garage staff continue to prep, outfit and rollout the remaining 2025 patrol vehicles. The vehicles being replaced (which are 2018 and 2019) are being rolled into the pool fleet. Both installments of 2025 vehicles have arrived and include (2) K9 replacement vehicles and several patrol vehicles. The (2) K9 vehicles purchased are Ford Expeditions to consolidate the fleet under the Ford product line. The new Expeditions are very similar in size to the previously used Tahoe's, but will be using the Ford Eco-boost 6-cylinder engine with turbo platform. This should help with overall gas mileage and fuel economy on the larger SUVs. The Expeditions have now been placed into full service with the K9 units. The Garage has been working toward identifying the vehicles to be purchased out of this year's 2026 CCD order. The agency has ordered some larger framed vehicles (F150) that can accommodate a pursuit mitigation system. (5) Grappler platforms have been ordered for implementation in the 2026 calendar year. In the meantime, garage staff continue to perform routine and preventative maintenance to ensure the safety and life of the vehicle fleet is being maintained. The fuel number for May was 6,656 gallons used by Police units. This amount is increased from last month total gallons and increased from the April 2025 usage amounts.

However, the agency is also now staffed with (60) sworn officers as opposed to last year's number of (58). For all intents and purposes, usage continue to remain very consistent with previous months/years considering the number of sworn, reserve and civilian staff utilizing department vehicles (see below chart). Our officers and staff continue to be mindful and conservative of the fuel utilized both on and off duty.

Hours

During the month of May, officers of the Operations Division worked a total of 4,770 hours. 55.5 total work hours were completed by the Reserve Unit.

**Total hours reflect actual road hours (training and meeting hours are excluded).

Highlights

On May 1st, Cpl. David Koelling responded to a vehicle crash on South Green Street. Upon contact with the driver responsible for the crash, Cpl. Koelling detected the odor of alcohol about the driver and sobriety testing was administered. The driver failed two of three tests and consented to a certified breath test. Results of the test exceeded the legal limit. The driver was charged and transported to jail. No injuries were reported in the crash.

On May 3rd, Officer Argueta initiated a traffic stop for an infraction. On contact, Officer Argueta observed signs of impairment and detected the odor of alcohol about the driver. Sobriety testing was administered and the driver failed one test and refused the remaining tests. The driver refused a certified breath test and a warrant was requested and obtained for a blood draw. A blood draw was administered at a medical facility. Upon completion, the driver was charged and transported to jail.

On May 6th, Cpl. Tyler See was on County Road 700 North when a vehicle turning onto County Road 700 North nearly struck his police vehicle. Cpl. See initiated a traffic stop on the vehicle and observed signs of impairment about the driver. Sobriety tests were administered and the driver failed one test and could not complete remaining tests. The driver consented to a blood draw and was transported to a medical facility where the draw was administered. Upon completion, the driver was charged and transported to jail.

On May 7th, Officer Elsiana Crosby initiated a traffic stop on a suspected impaired driver. Upon contact, Officer Crosby observed signs of impairment and detected the odor of alcohol about the driver. Sobriety testing was administered and the driver failed all testing. The driver refused a certified breath test and transported to a medical facility where a warrant was requested and obtained for a blood draw. Once the draw was administered and completed, the driver was charged and transported to jail. Additionally, the driver was charged for unlawful possession of a firearm as a convicted felon.

On May 12th, Officer Bryce Plichta responded to a crash with injuries. On arrival, Officer Plichta encountered a driver who showed signs of impairment and there were alcohol containers on the ground next to the vehicle. Sobriety tests were administered to the driver. The driver failed all testing and consented to a certified breath test. Results of the test exceeded the legal limit and the driver was charged and transported to jail. No other parties were injured in the crash.

On May 17th, Officer Taylor Adamson was patrolling County Road 700 North and initiated a traffic stop for an infraction. Investigation during the stop revealed the driver was unlicensed and had an active warrant out of Hamilton County for operating without a license. The driver was charged and transported to jail.

On May 17th, Officer Joseph Medjeski was patrolling County Road 700 North and initiated a traffic stop. Investigation during the stop revealed the driver had an active federal immigration warrant. The driver was taken into custody and turned over to Immigration Customs Agents.

On May 20th, Cpl. Kevin Huntsman was patrolling County Road 700 North and initiated a traffic stop. Investigation during the stop revealed the driver was operating on a misdemeanor suspension. The driver was charged and released from the stop. Officers continue to saturate the area of County Road 700 North due to numerous traffic complaints.

On May 21st, Officer Lucio Argueta initiated a traffic stop for an infraction. Upon contact with the driver, Officer Argueta detected the odor of marijuana emanating from the vehicle. A search of the vehicle revealed a significant amount of suspected marijuana, drug paraphernalia, and a handgun. The driver was charged and transported to jail. Total weight of marijuana was in excess of 500 grams.

On May 23rd, Officer Kevin Hyde initiated a traffic stop for an infraction. Investigation during the stop revealed the driver had a suspended license. Suspected methamphetamine was located on an inventory search. The driver was charged and transported to jail.

On May 29th, Brownsburg officers responded to a person shot at a residence on Heartland Lane. A perimeter was set and it was determined that the resident was highly intoxicated. Officers negotiated surrender and the resident exited without further incident. The resident was transported to a medical facility for evaluation.

On May 31st, Officer Morgan Ettenberger observed an occupied vehicle parked on the shoulder at County Road 300 North and County Road 1000 East. Upon contact with the occupants, Officer Ettenberger detected the odor of marijuana emanating from the interior of the vehicle. A search revealed suspected marijuana and several drug paraphernalia items. The driver of the vehicle has been charged. Total weight of marijuana was 18 grams.

Statistics for the month were minimal due to the fact that we had two of our teams in Patrol School for the entirety of the month and K9 Trip was out of service due to a cut on his foot that had to have time to heal. Officer Clonce and Officer Clay will be back to shift on June 1st and K9 Trip was released for full duty so the numbers for June will be improved.

Officer Clonce with Max and Officer Clay with Martel both graduated patrol school on May 29th and are certified K9 handlers through the state of Indiana. They both completed Narcotics Detection School at the beginning of the year and now have been through an intense 6-week course. In this course, they have trained on obedience, tracking, apprehension, area search and article search. Congratulations to both officers on this accomplishment!

Use of Force

The Brownsburg Police Department documented 12 Use of Force Reports during the month of May. The reports are classified as follows: Firearms Pointing, Tire Deflation Device, Taser, Firearm, and Weaponless Physical.

Documented reports 1-5 involved Brownsburg officers deploying on a "high risk" traffic stop on the subject of a felony warrant. Officers pointed their department issued firearms/rifles at the vehicle, where the driver was detained without incident. It was learned that the driver was the sibling of the wanted subject.

Documented reports 6-9 involved Brownsburg officers assisting another agency on a vehicle pursuit. A Brownsburg officer successfully deployed a tire deflation device resulting in flat tires on the suspect vehicle. The vehicle eventually came to rest and officers pointed their department issued firearms/rifles at the suspect vehicle. The driver remained uncooperative and an officer successfully deployed a department issued taser to gain compliance. The suspect complied and was taken into custody without further incident.

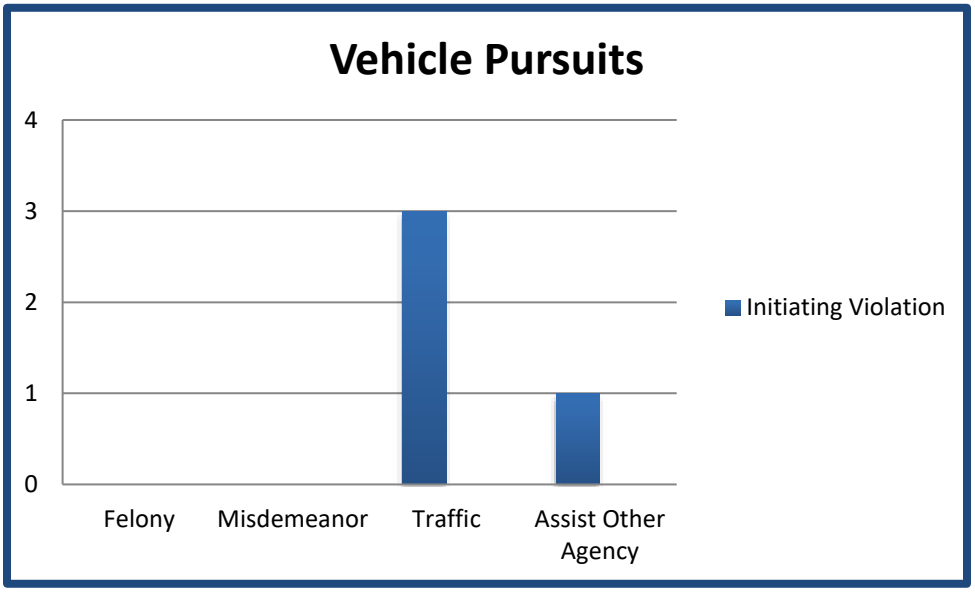

Documented report 10 involved the use of a firearm by a Brownsburg officer.

Documented reports 11 involved a Brownsburg officer responding to a report of theft at a business where the suspect was shoplifting. The suspect was uncooperative with officers and began to use profanity, clenched fists, and took an aggressive stance toward officers. Officers had to physically restrain the suspect who remained uncooperative. The suspect continued to resist and make threats toward officers after hand cuffs were applied.

Documented report 12 involved Brownsburg officers responding to a report of a person shot at a residence. On arrival, it was determined that no one was shot but a firearm was recklessly discharged. Officers negotiated with the subject who complied and exited the residence without further incident.

Vehicle Pursuit

The Brownsburg Police Department documented four (4) Vehicle Pursuit Reports during the month of May. The chart below lists the initiating violation(s):

Three pursuits were initiated by the Brownsburg Police Department and BPD assisted another agency on a pursuit that went through Brownsburg jurisdiction.

Two pursuits were terminated due to unsafe speeds and or road conditions, one pursuit ended with the driver stopping, and one pursuit ended with the vehicle crashing after successful deployment of a tire deflation device.

Pursuit distances ranged from 2 to 7 miles, and lasting 2 to 4 minutes.

One Brownsburg Police vehicle sustained tire damage after making contact with a tire deflation device.

Traffic

The Traffic Unit responded to the following workflow complaints during May:

- Parking violation on Woodcote Lane
- Parking violations on Laurelton Place (multiple)
- Parking violation East Tilden
- Speeding violation on Flagler Lane
- Parking violation on Chestnut Drive
- Parking violation on Templederry Drive

Sgt. Dan Rooker completed attended a three day leadership class during May. Additionally, Sgt. Rooker instructed Emergency Vehicle Operations for the department.

Cpl. Huntsman, Ofc. Kalyuzhny, Ofc. Smith and Ofc. Lynch completed Use of Force and OC training during May.

Brownsburg Police Department responded to and documented 88 crash reports during the month of May. The Traffic Unit worked 50 of the documented crashes.

Narcotics

In April's Narcotics Unit Monthly Report, we mentioned an ongoing large scale cargo theft group that the Brownsburg Narcotics Unit (BNU) was working in conjunction with Clarksville (IN) Narcotics Division, FBI Louisville and Louisville Metro Police Department (LMPD). The case netted approximately $45,000.00 in stolen vehicles recovered last month and the case had uncovered a warehouse where stolen cargo was likely being stored. On May 4th, agencies involved served a search warrant on the warehouse in Louisville and recovered approximately $660,000.00 in stolen whiskey. LMPD was able to arrest an individual on state charges that night and more arrests and recovered cargo are likely to come from this case.

On May 5th, BNU assisted Indianapolis Metro Police Department (IMPD) Violent Crime Task Force (VCTF) with intel and surveillance leading to the apprehension of a suspect wanted in shootings that occurred at the downtown White Castle the previous month, where 2 people were shot. Information and surveillance lead Investigators and Officers to a home in Brownsburg, where IMPD VCTF, BNU and members of the Brownsburg Emergency Response Team (ERT) took the suspect into custody without incident.

On May 25th, BNU Officers responded to and assisted in a domestic disturbance in western Hendricks County. One subject was already deceased and the incident ended in an Officer Involved Shooting, leaving a second subject deceased.

Also on May 29th, BNU Officers assisted the Road Division by responding to an armed suicidal subject in Brownsburg. The individual had fired a single in his house and barricaded himself inside. BNU Officers are also department negotiators and assisted in a brief negotiation, getting the individual to voluntarily come out of the home and surrender without incident.

Furthermore, throughout the month of May, BNU assisted in a controlled buy of 1 ounce of Methamphetamine with DEA Indy and assisted on a buy of a kilogram of cocaine with the DEA Fort Wayne Office. Also, through our partnership with the US Marshals (USM), the BNU Officers assisted the apprehension of a suspect wanted for homicide out of Michigan and a second suspect stemming from that homicide wanted for obstruction. BNU Officers attended a Norse ERT Training class as well as the International Narcotics Interdiction Association (INIA) Annual Conference in San Diego, CA.

Emergency Response Team

Training:
On May 19th and 20th, the Emergency Response Team (ERT) conducted training at the Brownsburg Training Facility with Norse Tactical Instructors. The primary focus was Close Quarters Tactics (CQT), with emphasis on the following core concepts:

- Fundamentals of entry
- Threat prioritization
- Variable threshold assessments
- Threat mitigation
- Hallway tactics
- Structure clearance
- Vehicle Interdiction

Deployments:

- On May 25, 2026, the Emergency Response Team sent a partial team to Danville to assist HCSD with a barricaded suspect. ERT assisted in the clearance of the structure and surrounding property.
- On May 29, 2026, the Emergency Response Team activated a partial team to an armed criminal barricade on Heartland Lane. ERT conducted a contain and callout and successfully negotiated a surrender. The suspect was sent to the hospital on an Emergency Detention and criminal recklessness with a firearm charges were sent to the prosecutor's office.

Team Status:

- Sergeant Boggess remained on light duty status throughout May.

Community Engagement

On May 5th we had scheduled to do a Touch a Truck event at Eagle Elementary as we do every year, however the weather did not cooperate and the event was postponed and rescheduled to May 12th. Due to previous commitment and department training I was unable to bring a vehicle to the newly scheduled event.

On May 5th morning, Several officers had the opportunity to meet several senior citizens at Brownsburg Health Care Center, who had great stories to share and it was a joy for all of our officers to intermingle with them. One particular resident was Betty Bacon, who the staff said I need to meet. I went to her room and she had lived much of her life in Brownsburg at her residence that was located on Airport Rd. Betty shared several stories with me and we talked about how much Brownsburg has changed over the years.

On May 15th, Brownsburg Police Participated in Cop on a Roof at Dunkin Donuts to support and fundraise for the Special Olympics. Several Officers participated to help make this year the most successful. It was a great event.

On May 16th, I along with Deb Umbanhowar and Heidi Shepherd participated in "Community Day" at the Brownsburg Public Library. Originally, the event is held outside where we display several helpful resources for various needs and provide some Brownsburg Police memorabilia for both adults and children in attendance. However, due to weather, the event had to be held inside and all material brought in to a booth that the library had ready for us. Staff interacted with several members of the community and handed out useful information on various topics that could be of assistance to families that are inquiring.

On May 23rd, Officers from our agency assisted with a Memorial Day service at the Brownsburg Cemetery and closed down Grant St. and redirected traffic for the event in honor of those that have served and sacrificed for our nation.

On May 23rd, Officers participated in a STAR Soccer event where several officers interacted and even played soccer with kids that have special needs. Families and organizations that work with these children and young adults and tell us that these events are good for their community because many of these children are intimidated and sometimes even scared support this opportunity for police interaction with them.

There was a lot of planning and preparation going on for the 2026 Police & Fire Summer Camp that is taking place at Lucas Oil Raceway this year. Several officers and firefighters will be participating and helping at this year's camp.

Roll Call Training

- Standardized Field Sobriety Testing (SFST's)
- Stop and Frisk (Terry v. Ohio, Adams v. Williams)
- Vehicle Stops and Searches (Carroll v. U.S.)
- Plain View and Open Field Searches
- Electronic Surveillance
- Use of Force

OFFICE OF THE SHERIFF
HENDRICKS COUNTY, INDIANA
Jack Sadler, Sheriff

05/29/2026

Chief Joseph Grimes
Brownsburg Police Department
31 North Green Street, Brownsburg, IN 46112

Dear Chief Grimes,

I wanted to take a moment to personally thank you following Monday's incident and express my sincere appreciation to your officers for their quick response, professionalism, and teamwork throughout the event.

I am also grateful for the continued partnership between our agencies. There is no doubt that the relationships we have built over time have strengthened our ability to serve our communities effectively. In moments like these, it becomes even more evident how important trust, cooperation, and mutual support are in how we serve our communities.

As current leaders of our agencies, our relationship matters, and I truly value the collaboration between our administrations. Hendricks County is better because of the commitment our agencies share in protecting and supporting our communities together.

While we recognize the circumstances surrounding this incident were both tragic and difficult, we also understand the lasting impact events such as these can have on everyone involved. Incidents involving the loss of life carry a weight that extends well beyond the scene itself and can affect our personnel professionally and personally in different ways. We have a CISM debriefing scheduled for late next week, and your team is not only welcome, but greatly encouraged to attend. I also want to assure you that our Peer Support Team and CISM group are available should anyone need assistance or simply wish to speak with someone.

Please do not hesitate to reach out if there is anything additional we can do to support your agency or your personnel. Please also extend my sincere appreciation to your officers for their professionalism, dedication, and service during this incident, as well as for the work they do each day to protect and serve the citizens of Hendricks County.

With sincere appreciation for your partnership and continued efforts in doing things right.

Jack Sadler, Sheriff
Hendricks County Sheriff's Office

189 East Campus Boulevard, Danville, Indiana 46122 • Phone: 317.745.6269 • Fax: 317.745.9276

Just can't THANK You enough!

Thank you for making this an awesome + Free! camp for kids! They loved it!
