If CONTRACTOR uses a vehicle to travel to/from school sites, between schools and/or to/from students' homes or other locations as an approved service location by the LEA, CONTRACTOR must comply with State of California auto insurance requirements and maintain liability coverage with minimum limits of $1,000,000 combined single limit per occurrence.

If CONTRACTOR uses a bus to transport students, minimum limits of liability shall be $10,000,000 combined single limit per occurrence.

D. **Workers' Compensation and Employers Liability Insurance** in a form and amount covering CONTRACTOR'S full liability under the California Workers' Compensation Insurance and Safety Act and in accordance with applicable state and federal laws.

Part A – Statutory Limits
Part B - $1,000,000/$1,000,000/$1,000,000 Employers Liability

E. **Errors & Omissions (E & O)/Malpractice (Professional Liability**) coverage with the following limits:

$2,000,000 per occurrence or, if claims-made, per claim
$4,000,000 general aggregate

If provided on a claims-made basis, this Professional Liability policy shall provide extended reporting period coverage for claims made within three years after termination of this Agreement.

F. **Cyber Liability Insurance** coverage with not less than the following limits:

$1,000,000 per occurrence or claim
$2,000,000 aggregate

Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Contractor in this Agreement and shall include, but not be limited to, claims involving infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, the release of private information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as

regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

G. The minimum insurance limit requirements may be satisfied with a combination of primary and excess insurance, to satisfy the minimum insurance requirements of the Master Contract. Acceptable excess policies should be either Excess Following Form (i.e., subject to all of the terms and conditions of the policy beneath it) or Umbrella Liability coverage limits that satisfy the minimum limits expressed above in A, B, E and F.

H. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance and endorsements evidencing such coverage. The certificate of insurance shall include a thirty (30) day non-renewal, cancellation or modification notice provision.

I. The Commercial General Liability, Automobile Liability, Cyber Liability and any Excess Following Form or Umbrella (excluding Professional/E&O) policies shall name the LEA, District's Board of Education, agents, employees and volunteers as additional insureds on all insurance policies and premiums shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

J. The Workers' compensation coverage shall include WAIVER OF SUBROGATION endorsements which provide that the insurer or self-insurer shall waive its right of subrogation against the LEA, District's Board of Education, and its officers, directors, employees, volunteers, and agents with respect to any losses paid under the terms of the policies.

K. Unless CONTRACTOR is insured under the California Private Schools Self Insurance Group (CAPS SIG) or a similar self-insurance group, any deductibles or self-insured retentions above $100,000 must be declared to and approved by the LEA. At its option, the LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees or (b) procure a bond guaranteeing payment of losses and related investigation.

L. For any claims related to the services provided by CONTRACTOR, the CONTRACTOR's insurance coverage shall be primary insurance as respects the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it. Coverage for all liability coverage parts shall include defense and expense costs outside of the coverage limits.

M. All Certificates of Insurance shall reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

N. The insurance requirements required herein shall not be deemed to limit CONTRACTOR's liability relating to the performance under this Agreement. The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification and harmless provisions of this Master Contract. CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in

accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

O. CONTRACTOR shall require that all subcontractors meet the requirements of this Section and the indemnification Section of this Agreement unless otherwise agreed in writing by the LEA.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers, agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written

notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042, Government Code section 1090 et seq., including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with the LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in the LEA student's IEP and ISA. If an IEP team determines that a LEA student requires an assistive technology device based on an assessment, or requires low incidence equipment for eligible students with low incidence disabilities, LEA shall provide such assistive technology device or low incidence equipment when specified in the student's IEP and ISA, and if necessary, provide training on the use of the device/equipment. Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards (CCSS) and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards – aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school; (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. CONTRACTOR's general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements including the graduation requirements for pupils in foster care, pupils who are homeless, former juvenile court school pupils, child of a military family or migrant student and other students as set forth in Education Code section 51225.1 as well as students eligible for the California Alternate Assessment and alternate diploma pathway for graduation from high school as set forth in Education Code section 51225.31 et seq. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of the LEA's graduation requirements unless otherwise permitted by law.

When CONTRACTOR serves LEA students in grades seven (7) through twelve (12) and issues pupil identification cards to LEA students, such pupil identification cards shall include The Trevor Project's LGBTQ+ suicide hotline telephone number as well as the National Suicide Prevention Lifeline telephone number and may also include the Crisis Text Line and/or a local suicide prevention hotline telephone number as required by Education Code section 215.5.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a

CONTRACTOR that is a licensed children's institution, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. Licensed Children's Institution (LCI) CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to the LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention services must have a trained behaviorist or trained equivalent on staff consistent with the requirements set forth in Education Code section 56520 et seq. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level as required by Education Code section 46000 et seq. unless otherwise specified in the LEA student's IEP and ISA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in the LEA student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the LEA student's ISA developed in accordance with the LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and the LEA agree otherwise, in writing. In the event of an LEA student experiencing excessive absenteeism or not regularly attending school, CONTRACTOR may provide written notice to each LEA with a student enrolled in that specific classroom of CONTRACTOR that the class size in that classroom will increase above 12 students but shall not exceed 14 students, for a period not to exceed 60 calendar days.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to the LEA a school calendar with the total number of billable days not to exceed 180 days for the regular school year, plus up to twenty (20) extended school year billable days unless otherwise specified in the LEA student's IEP/IFSP and ISA. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP or ISA, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by the IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as the LEA and shall identify the dates of observance on its school calendar submitted to the LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Dr. Martin Luther King, Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. With the approval of the LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA, all data related to students who are served by the CONTRACTOR. This shall include any and all data related to any section of this Master Contract, including but not limited to student information, student discipline and billing information. The

specific format of the data to be provided shall be determined between the LEA and CONTRACTOR. CONTRACTOR shall not enter into a contract with a third party for the purpose of providing cloud-based services including but not limited digital storage, management and retrieval of pupil records or to provide digital educational software that authorizes such third party to access, store, and use pupil records, unless CONTRACTOR has obtained prior written authorization from LEA in compliance with Education Code section 49073.1.

The LEA may provide the CONTRACTOR with approved forms and/or format for such data, including but not limited to, forms developed by CDE, approved electronic IEP systems, invoicing, attendance reports, and progress reports. The LEA may approve use of CONTRACTOR-provided forms at LEAs discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and the LEA shall both follow policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

LRE placement options shall be addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall, in accordance with Education Code section 60640 et. seq. administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, the English Language Proficiency Assessments for California ("ELPAC"), and the Alternate ELPAC, as appropriate to the student, and mandated by LEA pursuant to LEA guidelines as well as state and federal laws and regulations, unless LEA notifies CONTRACTOR that it will administer such Statewide assessments.

When CONTRACTOR is a nonpublic school, CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR's qualified staff; CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA. Contractor shall report the test results to the CDE as required by Education Code section 56366(a)(8)(A).

Where CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all statewide achievement tests as mandated by the LEA and pursuant to the LEA guidelines, as well as state and federal laws and regulations, unless LEA notifies CONTRACTOR that it will administer such assessments.

29. DISTRICT MANDATED ATTENDANCE AT MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing. The LEA shall provide CONTRACTOR with reasonable advanced notice of mandated meetings. Attendance at such meetings shall not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with the requirements of Education Code sections 49000 et seq. (prohibition of corporal punishment), 49005 et seq. (restraint and seclusion), and 56520 et seq. (behavioral interventions) as well as applicable provisions of Title 5 of the California Code of Regulations and federal law regarding positive behavior interventions including, but not limited to: the completion of functional behavioral assessments; the development, implementation, monitoring, supervision, modification, and evaluation of behavior intervention plans; emergency interventions and the prohibitions on the use of prone restraint and other forms of restraints and seclusion. **CONTRACTOR shall notify the parent/guardian, residential care provider (if appropriate) and LEA within one (1) school day of any behavior incident including when an emergency intervention is used or serious property damage occurs as well as provide LEA with a copy of the behavioral emergency report in accordance with Exhibit C.**

It is understood that the LEA may require additional requirements for staff qualifications beyond what is required in Title 5 of the California Code of Regulations sections 3064 and 3065. Such requirements will be provided in writing to CONTRACTOR prior to entering into an ISA for a LEA student. Failure to maintain adherence to staff qualification requirements shall constitute sufficient cause for contract termination. CONTRACTOR shall provide the LEA with all training protocols for behavior intervention staff who do not possess a license, credential or recognized certification as part of their Master Contract application. CONTRACTOR shall provide certification to LEA, upon request, that all behavior aides who do not possess a license, credential or other recognized certification have completed required training protocols within ten (10) days of the start of providing behavior intervention services to a LEA student. Failure to do so shall constitute sufficient cause for termination.

CONTRACTOR shall designate an individual employed, contracted, and/or otherwise hired by CONTRACTOR as a behavior case manager who is qualified, and responsible for the design, planning and implementation of behavior interventions in accordance with state law. CONTRACTOR shall maintain a written policy in compliance with Education Code section 56520 et seq. and applicable provisions of Title 5 of the California Code of Regulations regarding emergency interventions and behavioral emergency reports. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire.

CONTRACTOR shall ensure that all of its staff members are trained annually in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact

or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of such trainings and provide written verification of the trainings annually to LEA and upon request.

CONTRACTOR acknowledges that in accordance with in Education Code section 56521.1 emergency interventions shall only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. In addition, emergency interventions shall not be used as a substitute for the systematic behavioral intervention plan that is designed to change, replace, modify, or eliminate a targeted behavior. No emergency intervention shall be employed for longer than is necessary to contain the behavior. A situation that requires prolonged use of an emergency intervention shall require the staff to seek assistance of the schoolsite administrator or law enforcement agency, as applicable to the situation. Emergency interventions shall not include: (1) locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (2) employment of a device, material, or objects that simultaneously immobilize all four extremities; (3) prone restraint (defined as the application of a behavioral restraint on a pupil in a facedown position for any period of time and includes the procedure known as prone containment); and (4) an amount of force that exceeds that which is reasonable and necessary under the circumstances.

CONTRACTOR shall not authorize, order, consent to, or pay for any of the following prohibited interventions, or any other intervention similar to or like the following: (1) any intervention that is designed to, or likely to, cause physical pain, including but not limited to, electric shock; (2) an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the LEA student's face; (3) an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities; (4) an intervention that is designed to subject, used to subject, or likely to subject the LEA student to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma; (5) restrictive interventions which employ a device, material, or objects that simultaneously immobilize all four extremities; (6) prone restraint; (7) locked seclusion unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (8) an intervention that precludes adequate supervision of the LEA student; and (9) an intervention that deprives the LEA student of one or more of the student's senses, pursuant to Education Code section 56521.2.

In the event CONTRACTOR places a pupil in seclusion as defined in Education Code section 49005.1, CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion as set forth in Education Code section 49005.8. CONTRACTOR shall also comply with all requirements of Education Code section 49005 et seq., in the event a behavioral restraint, is used on a pupil. CONTRACTOR shall also comply with the reporting requirements set forth in Education Code section 49006 regarding the reporting of the use of restraints and seclusion of pupils using forms developed by the California Department of Education or as otherwise agreed to by CONTRACTOR and LEA.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. CONTRACTOR shall provide LEA, on a monthly basis, a written report of all disciplinary actions for LEA students, including incidents that result in "other means of correction", suspension and/or expulsion of any LEA student, including all statutory offenses described in Education Code sections 48900 and 48915,using forms developed by the California Department of Education or as otherwise mutually agreed by CONTRACTOR and LEA. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915. Written notification shall be provided to the LEA as designated in Exhibit C.

When CONTRACTOR seeks to remove a LEA student from the current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension. CONTRACTOR shall notify LEA representatives of the need for an IEP team meeting when a manifestation determination will be considered.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366(a)(2)(B)(i) and (ii).) If an LEA student is enrolled in the nonpublic school pursuant to a lawfully executed agreement between the LEA and parent, it shall be the responsibility of the LEA to notify CONTRACTOR in writing (1) when or whether an IEP meeting will be held, (2) whether placement in the nonpublic school should be documented as part of an IEP, and (3) the start date and, if known, the end date for services to be provided by CONTRACTOR to LEA student.

If a LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each LEA student shall be allowed to provide confidential input to any representative of the IEP team.

Except as otherwise provided in the Master Contract, CONTRACTOR and the LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and the LEA. CONTRACTOR shall provide to the LEA any and all assessments (including testing protocols) and written assessment reports created by CONTRACTOR and any of its agents or subcontractors, upon request. It is understood that attendance at an IEP

meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

If the CONTRACTOR or LEA is unable to persuade the parent or guardian that the parent or guardian should attend the IEP, CONTRACTOR shall maintain a written record of its attempts to arrange a mutually agreed-upon time and place. The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

33. SURROGATE PARENTS

CONTRACTOR shall comply with state and federal laws and regulations regarding assigning surrogate parents to LEA students.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including alternative dispute resolution, mediations and hearings, as requested by the LEA. CONTRACTOR shall also fully participate in the investigation of any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/IFSP as well as directing CONTRACTOR staff to be available to obtain information and/or prepare for an investigation or due process hearing.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Special Education Compliance Compliant procedures pursuant to Title 5 of the California Code of Regulations section 3200 et seq.; (2) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (3) Nondiscrimination policies pursuant to Title 5 of the California Code of Regulations section 4960 (a); (4) Sexual Harassment Policies pursuant to California Education Code 231.5(a)(b)(c); (5) Student Grievance Procedure pursuant to Title IX 34 CFR sections 106.8 (a)(d) and 106.9 (a); and (6) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to any LEA student and provide LEA with all documentation related to the complaint(s) and/or CONTRACTOR's investigation of complaints, including any and all reports generated as a result of an investigation.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless the LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s).

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre-/post-tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support plans. The LEA may request copies of such data at any time within five (5) years of the date of service. CONTRACTOR agrees to maintain the information for at least five (5) years and also shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other assessment of the LEA student one month prior to the LEA student's annual or triennial review IEP team meeting for the purpose of reporting the LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.
CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All assessments shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be for direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the LEA student's parent(s) or LEA for the provision of progress reports, report cards, and/or any assessments, interviews, or meetings, unless the LEA agrees in writing prior to the completion of any work. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall assign grades and prepare transcripts at the close of each semester, or upon LEA student transfer, for each LEA student in grades nine (9) through twelve (12) inclusive, including students eligible for a diploma in accordance with Education Code section 51225.31. CONTRACTOR shall submit all transcripts to the LEA Director of Special Education for evaluation of progress toward completion of diploma requirements as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents. Within five (5) school days from the date CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify the LEA, in writing, of the LEA student's change of residence and whether the student's IEP provides for an assistive technology device for use outside of the school setting. If the student's IEP provides an assistive technology device for use outside of the school setting then the student shall continue to be provided an assistive technology device for use outside the school setting until alternative arrangements are made or until two (2) months have elapsed from the date the student ceased to be enrolled in the LEA, whichever occurs first (Education Code section 56040.3). For foster youth, the definition of school of origin includes placement in a nonpublic school (Education Code sections 48853.5(g)(3) and 48204(a)(2)). CONTRACTOR acknowledges and agrees to allow foster youth to continue their education in the nonpublic school as the school of origin in compliance with Education Code section 48853.5.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, the LEA shall not be responsible for the costs of services delivered after the LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone and e-mail, to the LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn from school and/or services. CONTRACTOR shall confirm such telephone call in writing via e-mail or other written notification to the LEA Director of Special Education and submit to the LEA and the Department of Education, if required, within five (5) business days of the withdrawal.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR, if operating a program with a residential component, shall cooperate with a parent's reasonable request for LEA student visits in their home during, but not limited to, holidays and weekends. CONTRACTOR shall ensure that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA.

CONTRACTOR shall notify LEA in writing of any verbal and/or written concern/problem reported to a student's parent during parental access to CONTRACTOR'S facilities that would impact implementation of the student's IEP or offer of a FAPE.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 et seq., as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

It is understood that the public school credentialed classroom teacher is responsible for the educational program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract. CONTRACTOR shall maintain and train all employees, subcontractors and volunteers in procedures specifically to address the supervision and protection of children from child abuse or neglect or sex offenses which include professional boundaries (i) between students and employees, adult volunteers, and subcontractors, (ii) among and between students, and (iii) among and between adults employed, volunteering, or under contract with CONTRACTOR as well as establish appropriate limits on contact during or outside of the school day between students and employees, volunteers, and subcontractors via social media internet platforms, text messaging, and other forms of communication that do not otherwise include the student's parent or guardian.

CONTRACTOR, if providing services in a student's home as specified in the ISA, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. All problems and/or concerns reported to parents, both verbal and written shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION AND RESIDENTIAL TREATMENT CENTER CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 44 below.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to the LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment; and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between the LEA and parent, the LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP

team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent or another adult with educational decision-making rights.

NPS/RTC Located Outside of California

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.), and shall be certified or licensed by the state to provide nonmedical care, clinical services, or short term therapeutic programs, as applicable to the facility type.

In addition to the above, a CONTRACTOR that operates a NPS/RTC located outside of California, shall ensure compliance with California monitoring requirements set forth in Education Code section 56366.1(e) including providing LEA students upon admission with (1) a copy of their notice of rights and procedural safeguards under the IDEA; and (2) information on how to contact CDE's Constituent Services Office, as well as ensure that this information is accessible to LEA students. CONTRACTOR shall also ensure that the telephone number of CDE's Constituent Services Office is prominently displayed at the nonpublic school. CONTRACTOR shall also maintain a clear and confidential process for residents to report grievances without fear of retaliation as well as provide a copy of its policies on behavior intervention to LEA students and their parents upon enrollment.

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49500 et seq., 49530 et seq., and 49550 et seq.

LEA at its sole discretion may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

If CONTRACTOR uses a third-party vendor to provide meals, CONTRACTOR will assure that the third-party vendor agrees to comply with all meal pattern requirements of the School Breakfast Program and National School Lunch Program nutritional standards. Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

CONTRACTOR shall provide LEA with at least 30 days prior written notice of any change in its status under the National School Lunch Program/State Meal Mandate and shall work collaboratively with LEA to ensure that each eligible student receives required meals.

44. MONITORING

When CONTRACTOR is a nonpublic school, including NPS/RTC, the LEA (or SELPA) shall conduct at least one onsite monitoring visit during each school year to the NPS at which the LEA has a pupil attending and with which it maintains a master contract. The monitoring visit shall include, but is not limited to, a review of services provided to the pupil through the ISA between the LEA and CONTRACTOR, a review of progress the pupil is making toward the goals set forth in the pupil's individualized education program, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, and a walkthrough of the facility. The LEA (or SELPA) shall report the findings resulting from the monitoring visit to the California Department of Education within 60 calendar days of the onsite visit.

The LEA (or SELPA) shall conduct an onsite visit to CONTRACTOR before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

CONTRACTOR shall allow representatives from the LEA access to its facilities for the purpose of monitoring each LEA student's instructional program in accordance with Education Code section 56366.1. LEA shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

In accordance with Education Code section 56366.12, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between the LEA student and members of the student's individualized education program team and CDE's Constituent Services Office, at the student's discretion.

If CONTRACTOR is also an LCI or NPS/RTC, the LEA or its SELPA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

NPS/RTC Located Outside of California

In addition to the above, for a pupil placed in a NPS/RTC located outside of California, the LEA (or SELPA) shall also conduct an in-person interview with the pupil, in a manner consistent with the pupil's individualized education program, to evaluate the pupil's health and safety as well as the instructional program and implementation of positive behavioral supports. CONTRACTOR shall facilitate the LEA's (or SELPA) in-person interview with the pupil as well as at least quarterly check-ins with the pupil through an unmonitored telephone call, in a manner consistent with the pupil's individualized education program.

Additional Monitoring Requirements

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to CDE, shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in

year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three. (Education Code section 56366.1(j)).

CONTRACTOR shall fully participate in any LEA and CDE compliance review, including any On-Site and Self Review and if applicable, District Validation Review. This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perception, progress and concerns, as required by law. CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by the LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures requested by LEA or CDE related to such compliance review.

CONTRACTOR understands that the LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code section 33126.

PERSONNEL

45. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code section 44237, 35021.1, 35021.2 and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as “CDOJ”) and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR’s employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR’s employees and volunteers who will have or likely may have direct contact with LEA students shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to the LEA that none of its employees, volunteers, or subcontractors who will have or likely may have any direct contact with LEA students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee’s conviction of a violent or serious felony, the employee has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom instruction and/or individualized instruction or to provide related services hold a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58, and Title 5 of the California Code of Regulations sections 3001(r),3051, 3064 and 3065. Such qualified staff may only provide instruction and related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher’s scope of practice.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

In accordance with California Education Code section 56366.1(a)(5), when CONTRACTOR is a nonpublic school, the administrator of the nonpublic school shall hold or currently be in the process of obtaining one of the following: (A) An administrative credential granted by an accredited postsecondary educational institution and two years of experience with pupils with disabilities; (B) A pupil personnel services credential that authorizes school counseling or psychology; (C) A license as a clinical social worker issued by the Board of Behavioral Sciences; (D) A license in psychology regulated by the Board of Psychology; (E) A master's degree issued by an accredited postsecondary institution in education, special education, psychology, counseling, behavioral analysis, social work, behavioral science, or rehabilitation; (F) A credential authorizing special education instruction and at least two years of experience teaching in special education before becoming an administrator; (G) A license as a marriage and family therapist certified by the Board of Behavioral Sciences; (H) A license as an educational psychologist issued by the Board of Behavioral Sciences; or (I) A license as a professional clinical counselor issued by the Board of Behavioral Sciences. CONTRACTOR shall maintain, and provide to the LEA upon request, documentation of its administrator's qualifications in accordance with the above.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 et seq. and 45350 et seq. Specifically, all paraprofessionals, including, but not limited to instructional aides and teacher assistants, employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or higher) degree; or met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a CDE certified NPS program outside of this state and serving a student by this LEA shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

47. CALSTRS OR PERS RETIREMENT REPORTING

CONTRACTOR understands that the LEA is required to report all monies paid under this agreement to the local county office of education or as otherwise required by law. Neither LEA nor CONTRACTOR shall have a duty to monitor wages of CalSTRS or PERS retirees to ensure that their earnings are within the limitation prescribed by these or any other retirement system. Neither LEA nor CONTRACTOR shall be liable if CONTRACTOR'S agent(s), officer(s) or employee(s) exceeds a retirement system's earnings limitation and is reinstated to employment or required to repay retirement benefits. CONTRACTOR agrees to cooperate with LEA should any notices be provided under this provision.

48. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to the LEA a staff list, and copies of all current and required licenses, certifications, credentials, permits and/or other documents which entitle the holder to provide

instruction, special education and/or related services by CONTRACTOR and all individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. The LEA may file all licenses, certifications, credentials, permits or other documents with the office of the County Superintendent of Schools. CONTRACTOR shall notify the LEA in writing within thirty (30) days when personnel changes occur which may affect the provision of instruction, special education and/or related services to LEA students. CONTRACTOR shall provide the LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, certifications, credentials, permits and/or other documents for CONTRACTOR and all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall immediately, and in no circumstances longer than five (5) business days, provide to the LEA updated information regarding the status of licenses, certifications, credentials, permits and/or other documents of any known changes. Failure to provide properly qualified personnel to provide services as specified in a LEA student's IEP shall be cause for termination of the Master Contract.

49. **STAFF ABSENCE**

When CONTRACTOR is a nonpublic school and CONTRACTOR's classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided in accordance with California Education Code section 56061.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for their student. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and an authorized LEA representative.

50. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or nonpublic agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR. Reports regarding student progress shall be consistent with the provision of this Master Contract.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency

service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program.

For services provided outside of a pupil's school or in a pupil's home, as specified in the IEP, CONTRACTOR shall ensure that at least one parent of the pupil or an LEA-approved responsible adult is present during the provision of services. As used in this provision, the term "services" shall not apply to field trips or community-based instruction taking place outside of the school. All problems and/or concerns reported to parents, both verbal and written shall also be reported to the LEA.

HEALTH AND SAFETY MANDATES

51. HEALTH AND SAFETY

CONTRACTOR shall comply with all applicable federal, state, and local laws, regulations, ordinances, policies, and procedures regarding student and employee health and safety. CONTRACTOR shall comply with the requirements of California Education Code sections 35021 et seq., 49406, and Health and Safety Code section 121525 regarding the examination of CONTRACTOR's employees and volunteers for tuberculosis. CONTRACTOR shall provide to the LEA documentation for each individual volunteering, employed, contracted, and/or otherwise hired by CONTRACTOR of such compliance before an individual comes in contact with an LEA student.

CONTRACTOR shall comply with OSHA Blood Borne Pathogens Standards, 29 Code of Federal Regulations (CFR) section 1910.1030, when providing medical treatment or assistance to a student. CONTRACTOR further agrees to provide annual training regarding universal health care precautions and to post required notices in areas designated in the California Health and Safety Code.

52. FACILITIES AND FACILITIES MODIFICATIONS

CONTRACTOR shall provide special education and/or related services to LEA students in facilities that comply with all applicable federal, state, and local laws, regulations, and ordinances related, but not limited to: disability access; fire, health, sanitation, and building standards and safety; fire warning systems; zoning permits; and occupancy capacity. When CONTRACTOR is a nonpublic school, CONTRACTOR shall conduct fire drills as required by Title 5 California Code of Regulations section 550. CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities is required to comply with applicable federal, state, and local laws, regulations, and ordinances. CONTRACTOR shall maintain a school site safety plan incorporating disaster procedures, routine and emergency crisis response plan, including adaptations for pupils with disabilities.

53. ADMINISTRATION OF MEDICATION

Unless otherwise set forth in the student's ISA, CONTRACTOR shall comply with the requirements of California Education Code section 49423 and Title 5 of the California Code of Regulations section 600 et seq. when CONTRACTOR serves a LEA student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the LEA student with the administration of such medication after the LEA student's parent(s) provides to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from the LEA student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. CONTRACTOR shall maintain, and provide to the LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify the LEA student's name; the type of medication; the date, time, and amount of each

administration; and the name of CONTRACTOR's employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with student's physician's written orders and for securely storing medication. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

54. **INCIDENT/ACCIDENT REPORTING**

CONTRACTOR shall submit within one (1) school day by electronic mail, any accident or incident report to the LEA representative specified on Exhibit C, attached hereto and incorporated herein, including any behavior incident or behavior emergency intervention. LEA may specify procedures to be implemented by CONTRACTOR or forms to be submitted by CONTRACTOR related to accident or incident reporting.

CONTRACTOR shall notify LEA in writing, of any pupil-involved incident in which law enforcement was contacted. CONTRACTOR shall provide such written notice no later than one (1) business day after the incident occurred in accordance with Education Code section 56366.1(i).

55. CHILD ABUSE REPORTING

CONTRACTOR shall maintain written protocols for identifying signs of abuse or neglect, both physical and psychological, consistent with the mandated reporting requirements of Penal Code Section 11165.7. CONTRACTOR hereby agrees to and shall ensure all employees and any subcontractors whose duties require contact with or supervision of students are annually trained, including volunteers, so that they are familiar with and agree to adhere to the child and dependent adult abuse mandated reporting obligations and procedures as specified in California Penal Code section 11164 et seq. To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

56. **SEXUAL HARASSMENT/DISCRIMINATION**

CONTRACTOR shall have a Sexual and Gender Identity Harassment Policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

57. **REPORTING OF MISSING CHILDREN**

CONTRACTOR assures the LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to the LEA. The written statement shall be submitted as specified by the LEA.

FINANCIAL

58. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the nonpublic school or nonpublic agency has the necessary financial resources to provide an appropriate education for the children enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedure as well as provide all such records requested by LEA concerning the same. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the LEA student's IEP and ISA which are provided on billable days of attendance. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program and each related service. Original attendance forms (for example, roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by the LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to the LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents may be submitted electronically if requested by LEA and CONTRACTOR has the systems in place to generate the requested documents. The LEA may designate forms for use by CONTRACTOR when submitting invoices. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the ISA or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and the name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30)

calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by the LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

59. RIGHT TO WITHHOLD PAYMENT

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a): the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (if the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such

notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

60. BILLING/PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

61. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30)

calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP or ISA.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10^{th}) cumulative day of the LEA student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. The LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. The LEA shall not be responsible for payment of DIS or related services for days on which a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

In the event a LEA student is chronically absent due to school refusal or other behaviors related to the student's disability and IEP interventions have been unsuccessful in improving school attendance, CONTRACTOR may request that LEA provide payment for a billable day of attendance related to such absences, on a case-by-case basis given the unique circumstances of the student and the student's individualized needs. LEA may, in its sole discretion, agree to pay CONTRACTOR for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. Any such determination by the LEA must be set forth in writing as a condition for such payment.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make-up.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student's absence. The LEA shall not be responsible for the payment of services when a student is absent.

62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422 and 46392:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether the LEA is open or closed.

b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing their regular attendance, until an alternative placement can be found and implement LEA student's IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.

c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and CONTRACTOR shall implement LEA student's IEPs in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTACTOR due to CONTRACTOR'S school closure.

If instruction or services, or both, cannot be provided to the student either at school or in person for more than 10 days due to an emergency condition described in Education Code sections 41422 and 46392, CONTRACTOR acknowledges the requirements of Education Code section 56345(a)(9) to provide special education and related services, supplementary aids and services, transition services (as applicable) and ESY (as applicable) as specified in the IEP. When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

For any physical school closure in which in-person instruction is restricted by order of the State or local agency, CONTRACTOR shall provide instruction in accordance with Education Code section 56345(a)(9) and Exhibit D, attached hereto and incorporated herein.

63. **INSPECTION AND AUDIT**

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide the LEA access to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and rollbooks of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, social security numbers (last four digits unless otherwise required), dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and

canceled checks or facsimile thereof. Such access shall include unannounced inspections by the LEA. CONTRACTOR shall make available to the LEA all budgetary information including operating budgets submitted by CONTRACTOR to the LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of the LEA or CONTRACTOR's offices at all reasonable times and without charge. All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

64. RATE SCHEDULE

The rate schedule attached hereto as Exhibit A and incorporated herein by reference, limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as set forth in Paragraph 23 above and Education Code section 46000 et seq.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibit A.

65. PAYMENT FOR ROOM AND BOARD FOR NPS/RTC

When CONTRACTOR is an NPS associated with an RTC (NPS/RTC), CONTRACTOR shall be eligible for Room and Board payments on dates that the student was actually in attendance and received Room and Board services, payable for up to a maximum of 365 billable days or 366 days during a leap year, which may include a maximum of ten (10) days per contract year when the student's bed is unoccupied due to home visits of a therapeutic nature, unless otherwise mutually agreed upon by CONTRACTOR and LEA. Any payment for additional days in special circumstances, such as a student's hospitalization or extended home visits exceeding ten (10) days in a contract year, requires prior written approval from both the LEA and the CONTRACTOR.

66. DEBARMENT CERTIFICATION

By signing this Agreement, CONTRACTOR certifies that:

(a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and

(b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2026 and terminates at 5:00 P.M. on June 30, 2027, unless sooner terminated as provide herein.

MASTER CONTRACT NON-PUBLIC SCHOOL (NPS) AGREEMENT WITH OLIVE CREST

Background

Non-public schools are certified by the state of California to provide special education services to students based on their Individualized Education Plan (IEP). These schools provide an environment and a level of services for students who require more intensive support than the school district is able to provide.

Olive Crest is an NPS that is dedicated to meeting the academic and emotional needs of the exceptional student through individualized and innovative education programs. They strive to teach, support and reinforce pro-social behaviors with the goal that students will internally adopt the positive behaviors.

This agreement will be effective from July 1, 2026 to June 30, 2027.

Financial Impact

Budgeted special education funds NTE: $35,000

MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 1st day of July, 2026, between the **Placentia-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **Olive Crest** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program

outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).
If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, prohibition of corporal punishment, pupil discipline, positive behavioral interventions and protections against immigration enforcement actions at school sites.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2027 (Title 5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education

Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2027.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program/services provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the

CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall be responsible for any compensatory education beyond the services specified in the ISA/IEP that are owed to an LEA student for CONTRACTOR's failure to provide a specific service in accordance with the ISA/IEP, unless agreed otherwise.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

7. DEFINITIONS

The following definitions shall apply for purposes of this contract:

a. The term "CONTRACTOR" means a nonpublic, nonsectarian school/agency certified by the California Department of Education, including its officers, agents, and employees and as identified in Paragraph 1 above.

b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies.

c. The term "credential" means a valid credential, life diploma, permit, or document in special education or pupil personnel services issued by, or under the jurisdiction of, the State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

d. The term "qualified" means that a person holds a certificate, permit or other document equivalent to that which staff in a public school are required to hold to provide special education and designated instruction and services, and has met federal and state certification, licensing, registration, or other comparable requirements which apply to the area in which the individual is providing special education or related services, including those requirements set forth in Title 5 of the California Code of Regulations sections 3064 and 3065, or, in the absence of such requirements, the state-education-agency-approved or recognized requirements, and adheres to the standards of professional practice established in federal and state law or regulation, including the standards contained in the California Business and Professions Code. Nothing in this definition shall be construed as restricting the activities of services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.

e. The term "license" means a valid nonexpired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and authorizing the bearer of the document to provide certain professional services, including but

not limited to mental health and board and care services at a residential placement, or refer to themselves using a specified professional title. If a license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license, shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(r).

f. Parent means a biological or adoptive parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child; a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, including a responsible adult appointed for the child in accordance with Welfare and Institutions Code sections 361 and 726; an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare; a surrogate parent;, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Title 34 of the Code of Federal Regulations 300.30(b)(1) or (2). Parent does not include the state or any political subdivision of government or the nonpublic school or agency under contract with the LEA for the provision of special education or designated instruction and services for a child. (California Education Code section 56028).

g. The term "days" means calendar days unless otherwise specified.

h. The phrase "billable day" means a school day in which instructional minutes meet or exceed those in comparable LEA programs.

i. The phrase "billable day of attendance" means a school day as defined in California Education Code Section 46307, in which a LEA student is in attendance and in which instructional minutes meet or exceed those in comparable LEA programs unless otherwise stipulated in an IEP or ISA.

j. It is understood that the term "Master Contract" also means "Agreement" and is referred to as such in this document.

k. The term "emotional disturbance" as defined in the IDEA and used in state law may also be known as "emotional disability" under state law in accordance with Education Code section 97.

ADMINISTRATION OF CONTRACT

8. NOTICES

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed by first class mail deposited with the United States Postal Service or delivered by hand and shall be effective as of the date of receipt by addressee. E-mail notifications may be used provided that a hard copy is also mailed by first class mail deposited with the United States Postal Service or delivered by hand and shall be effective as of the date of receipt by addressee via first class mail or hand delivery.

All notices mailed to the LEA shall be addressed to the person, or their designee as indicated on Exhibit C, attached hereto and incorporated herein by reference. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to student records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided through additional instructional assistants, NPA behavior intervention aides, and bus aides; behavior emergency reports (BER); notification of injury; absence verification records (parent/doctor notes, telephone logs, and related documents) if the CONTRACTOR is funded for excused absences, however, such records are not required if positive attendance is required; bus rosters; staff lists specifying credentials held and documents evidencing other staff qualifications, social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications by-laws; lists of current board of directors/trustees, if incorporated; documents evidencing financial expenditures; federal/state payroll quarterly reports; and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR's employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from the LEA student's record. Such log needs to record access to the LEA student's records by: (a) the LEA student's parent; (b) an individual to whom written consent has been executed by the LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental communications granting access to student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records, and comply with parents' requests for copies of student records within five (5) business days following the date of request by parent or LEA, consistent with Education Code sections 49069 and 56504. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within five (5) business days to LEA. These shall include, but not limited to, current transcripts, IEP/ISPs, behavior emergency reports (BER), incident reports, notification of injury and all other reports. CONTRACTOR acknowledges and agrees that all student records maintained by CONTRACTOR as required by state and federal laws and regulations are the property of LEA and must be returned to LEA without dissemination to any other entity.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Agreement shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR's successors and assignees. CONTRACTOR shall notify the LEA in writing within thirty (30) calendar days of any change of ownership or change of corporate control.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in Orange County.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. The party seeking such modification shall provide thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based. If the parties cannot agree on such modifications or amendments, this Master Contract may be terminated in accordance with Paragraph 14.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. The cause shall not be the availability of a public class initiated during the period of the Master Contract or ISA unless the parent agrees to the transfer of the student to the public school program at an IEP team meeting. In addition, the cause shall not be to effectuate a change in placement in circumvention of the IEP process. To terminate the Master Contract for cause, either party shall give no less than twenty (20) days prior written notice to the other party (California Education Code section 56366(a)(4)). At the time of termination, CONTRACTOR shall provide to the LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as specified above in Paragraph 5. CONTRACTOR or the LEA may also terminate an individual ISA for cause. To terminate the ISA, either party shall also give no less than twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its obligations under this Agreement:

A. **Commercial General Liability Insurance**, including both bodily injury and property damage, with minimum limits as follows:

$2,000,000 per occurrence
$ 5,000 medical expenses
$1,000,000 personal & advertising injury
$4,000,000 general aggregate

B. **Sexual Abuse or Molestation Liability,** with minimum limits as follows:

$5,000,000 sexual abuse or molestation per occurrence for NPS/RTC
$3,000,000 sexual abuse or molestation per occurrence for NPS
$3,000,000 sexual abuse or molestation per occurrence for NPA

Sexual abuse or molestation limits shall be separate and in addition to the limits required in sections A, C and E.

If policies are provided on a claims-made basis, an extended reporting period coverage for claims made within five years after termination of this Agreement is required.

The definition of abuse shall include, but not be limited to, physical abuse, such as sexual or other bodily harm, and non-physical abuse, such as verbal, emotional or mental abuse, any actual, threatened or alleged act, and errors, omissions, or misconduct related to abuse.

C. **Auto Liability Insurance.** To the extent vehicles, other than buses, are used to transport students, such vehicles shall have liability coverage of not less than $1,000,000 million per occurrence combined single limit.

If CONTRACTOR uses a vehicle to travel to/from school sites, between schools and/or to/from students' homes or other locations as an approved service location by the LEA, CONTRACTOR must comply with State of California auto insurance requirements and maintain liability coverage with minimum limits of $1,000,000 combined single limit per occurrence.

If CONTRACTOR uses a bus to transport students, minimum limits of liability shall be $10,000,000 combined single limit per occurrence.

D. **Workers' Compensation and Employers Liability Insurance** in a form and amount covering CONTRACTOR'S full liability under the California Workers' Compensation Insurance and Safety Act and in accordance with applicable state and federal laws.

Part A – Statutory Limits
Part B - $1,000,000/$1,000,000/$1,000,000 Employers Liability

E. **Errors & Omissions (E & O)/Malpractice (Professional Liability**) coverage with the following limits:

$2,000,000 per occurrence or, if claims-made, per claim
$4,000,000 general aggregate

If provided on a claims-made basis, this Professional Liability policy shall provide extended reporting period coverage for claims made within three years after termination of this Agreement.

F. **Cyber Liability Insurance** coverage with not less than the following limits:

$1,000,000 per occurrence or claim
$2,000,000 aggregate

Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Contractor in this Agreement and shall include, but not be limited to, claims involving infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, the release of private information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as

regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

G. The minimum insurance limit requirements may be satisfied with a combination of primary and excess insurance, to satisfy the minimum insurance requirements of the Master Contract. Acceptable excess policies should be either Excess Following Form (i.e., subject to all of the terms and conditions of the policy beneath it) or Umbrella Liability coverage limits that satisfy the minimum limits expressed above in A, B, E and F.

H. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance and endorsements evidencing such coverage. The certificate of insurance shall include a thirty (30) day non-renewal, cancellation or modification notice provision.

I. The Commercial General Liability, Automobile Liability, Cyber Liability and any Excess Following Form or Umbrella (excluding Professional/E&O) policies shall name the LEA, District's Board of Education, agents, employees and volunteers as additional insureds on all insurance policies and premiums shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

J. The Workers' compensation coverage shall include WAIVER OF SUBROGATION endorsements which provide that the insurer or self-insurer shall waive its right of subrogation against the LEA, District's Board of Education, and its officers, directors, employees, volunteers, and agents with respect to any losses paid under the terms of the policies.

K. Unless CONTRACTOR is insured under the California Private Schools Self Insurance Group (CAPS SIG) or a similar self-insurance group, any deductibles or self-insured retentions above $100,000 must be declared to and approved by the LEA. At its option, the LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees or (b) procure a bond guaranteeing payment of losses and related investigation.

L. For any claims related to the services provided by CONTRACTOR, the CONTRACTOR's insurance coverage shall be primary insurance as respects the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it. Coverage for all liability coverage parts shall include defense and expense costs outside of the coverage limits.

M. All Certificates of Insurance shall reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

N. The insurance requirements required herein shall not be deemed to limit CONTRACTOR's liability relating to the performance under this Agreement. The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification and harmless provisions of this Master Contract. CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in

accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

O. CONTRACTOR shall require that all subcontractors meet the requirements of this Section and the indemnification Section of this Agreement unless otherwise agreed in writing by the LEA.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers, agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written

notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042, Government Code section 1090 et seq., including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with the LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in the LEA student's IEP and ISA. If an IEP team determines that a LEA student requires an assistive technology device based on an assessment, or requires low incidence equipment for eligible students with low incidence disabilities, LEA shall provide such assistive technology device or low incidence equipment when specified in the student's IEP and ISA, and if necessary, provide training on the use of the device/equipment. Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards (CCSS) and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards – aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school; (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. CONTRACTOR's general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements including the graduation requirements for pupils in foster care, pupils who are homeless, former juvenile court school pupils, child of a military family or migrant student and other students as set forth in Education Code section 51225.1 as well as students eligible for the California Alternate Assessment and alternate diploma pathway for graduation from high school as set forth in Education Code section 51225.31 et seq. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of the LEA's graduation requirements unless otherwise permitted by law.

When CONTRACTOR serves LEA students in grades seven (7) through twelve (12) and issues pupil identification cards to LEA students, such pupil identification cards shall include The Trevor Project's LGBTQ+ suicide hotline telephone number as well as the National Suicide Prevention Lifeline telephone number and may also include the Crisis Text Line and/or a local suicide prevention hotline telephone number as required by Education Code section 215.5.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a

CONTRACTOR that is a licensed children's institution, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. Licensed Children's Institution (LCI) CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to the LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention services must have a trained behaviorist or trained equivalent on staff consistent with the requirements set forth in Education Code section 56520 et seq. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level as required by Education Code section 46000 et seq. unless otherwise specified in the LEA student's IEP and ISA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in the LEA student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the LEA student's ISA developed in accordance with the LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and the LEA agree otherwise, in writing. In the event of an LEA student experiencing excessive absenteeism or not regularly attending school, CONTRACTOR may provide written notice to each LEA with a student enrolled in that specific classroom of CONTRACTOR that the class size in that classroom will increase above 12 students but shall not exceed 14 students, for a period not to exceed 60 calendar days.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to the LEA a school calendar with the total number of billable days not to exceed 180 days for the regular school year, plus up to twenty (20) extended school year billable days unless otherwise specified in the LEA student's IEP/IFSP and ISA. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP or ISA, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by the IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as the LEA and shall identify the dates of observance on its school calendar submitted to the LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Dr. Martin Luther King, Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. With the approval of the LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA, all data related to students who are served by the CONTRACTOR. This shall include any and all data related to any section of this Master Contract, including but not limited to student information, student discipline and billing information. The

specific format of the data to be provided shall be determined between the LEA and CONTRACTOR. CONTRACTOR shall not enter into a contract with a third party for the purpose of providing cloud-based services including but not limited digital storage, management and retrieval of pupil records or to provide digital educational software that authorizes such third party to access, store, and use pupil records, unless CONTRACTOR has obtained prior written authorization from LEA in compliance with Education Code section 49073.1.

The LEA may provide the CONTRACTOR with approved forms and/or format for such data, including but not limited to, forms developed by CDE, approved electronic IEP systems, invoicing, attendance reports, and progress reports. The LEA may approve use of CONTRACTOR-provided forms at LEAs discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and the LEA shall both follow policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

LRE placement options shall be addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall, in accordance with Education Code section 60640 et. seq. administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, the English Language Proficiency Assessments for California ("ELPAC"), and the Alternate ELPAC, as appropriate to the student, and mandated by LEA pursuant to LEA guidelines as well as state and federal laws and regulations, unless LEA notifies CONTRACTOR that it will administer such Statewide assessments.

When CONTRACTOR is a nonpublic school, CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR's qualified staff; CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA. Contractor shall report the test results to the CDE as required by Education Code section 56366(a)(8)(A).

Where CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all statewide achievement tests as mandated by the LEA and pursuant to the LEA guidelines, as well as state and federal laws and regulations, unless LEA notifies CONTRACTOR that it will administer such assessments.

29. DISTRICT MANDATED ATTENDANCE AT MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing. The LEA shall provide CONTRACTOR with reasonable advanced notice of mandated meetings. Attendance at such meetings shall not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with the requirements of Education Code sections 49000 et seq. (prohibition of corporal punishment), 49005 et seq. (restraint and seclusion), and 56520 et seq. (behavioral interventions) as well as applicable provisions of Title 5 of the California Code of Regulations and federal law regarding positive behavior interventions including, but not limited to: the completion of functional behavioral assessments; the development, implementation, monitoring, supervision, modification, and evaluation of behavior intervention plans; emergency interventions and the prohibitions on the use of prone restraint and other forms of restraints and seclusion. **CONTRACTOR shall notify the parent/guardian, residential care provider (if appropriate) and LEA within one (1) school day of any behavior incident including when an emergency intervention is used or serious property damage occurs as well as provide LEA with a copy of the behavioral emergency report in accordance with Exhibit C.**

It is understood that the LEA may require additional requirements for staff qualifications beyond what is required in Title 5 of the California Code of Regulations sections 3064 and 3065. Such requirements will be provided in writing to CONTRACTOR prior to entering into an ISA for a LEA student. Failure to maintain adherence to staff qualification requirements shall constitute sufficient cause for contract termination. CONTRACTOR shall provide the LEA with all training protocols for behavior intervention staff who do not possess a license, credential or recognized certification as part of their Master Contract application. CONTRACTOR shall provide certification to LEA, upon request, that all behavior aides who do not possess a license, credential or other recognized certification have completed required training protocols within ten (10) days of the start of providing behavior intervention services to a LEA student. Failure to do so shall constitute sufficient cause for termination.

CONTRACTOR shall designate an individual employed, contracted, and/or otherwise hired by CONTRACTOR as a behavior case manager who is qualified, and responsible for the design, planning and implementation of behavior interventions in accordance with state law. CONTRACTOR shall maintain a written policy in compliance with Education Code section 56520 et seq. and applicable provisions of Title 5 of the California Code of Regulations regarding emergency interventions and behavioral emergency reports. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire.

CONTRACTOR shall ensure that all of its staff members are trained annually in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact

or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of such trainings and provide written verification of the trainings annually to LEA and upon request.

CONTRACTOR acknowledges that in accordance with in Education Code section 56521.1 emergency interventions shall only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. In addition, emergency interventions shall not be used as a substitute for the systematic behavioral intervention plan that is designed to change, replace, modify, or eliminate a targeted behavior. No emergency intervention shall be employed for longer than is necessary to contain the behavior. A situation that requires prolonged use of an emergency intervention shall require the staff to seek assistance of the schoolsite administrator or law enforcement agency, as applicable to the situation. Emergency interventions shall not include: (1) locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (2) employment of a device, material, or objects that simultaneously immobilize all four extremities; (3) prone restraint (defined as the application of a behavioral restraint on a pupil in a facedown position for any period of time and includes the procedure known as prone containment); and (4) an amount of force that exceeds that which is reasonable and necessary under the circumstances.

CONTRACTOR shall not authorize, order, consent to, or pay for any of the following prohibited interventions, or any other intervention similar to or like the following: (1) any intervention that is designed to, or likely to, cause physical pain, including but not limited to, electric shock; (2) an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the LEA student's face; (3) an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities; (4) an intervention that is designed to subject, used to subject, or likely to subject the LEA student to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma; (5) restrictive interventions which employ a device, material, or objects that simultaneously immobilize all four extremities; (6) prone restraint; (7) locked seclusion unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (8) an intervention that precludes adequate supervision of the LEA student; and (9) an intervention that deprives the LEA student of one or more of the student's senses, pursuant to Education Code section 56521.2.

In the event CONTRACTOR places a pupil in seclusion as defined in Education Code section 49005.1, CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion as set forth in Education Code section 49005.8. CONTRACTOR shall also comply with all requirements of Education Code section 49005 et seq., in the event a behavioral restraint, is used on a pupil. CONTRACTOR shall also comply with the reporting requirements set forth in Education Code section 49006 regarding the reporting of the use of restraints and seclusion of pupils using forms developed by the California Department of Education or as otherwise agreed to by CONTRACTOR and LEA.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. CONTRACTOR shall provide LEA, on a monthly basis, a written report of all disciplinary actions for LEA students, including incidents that result in "other means of correction", suspension and/or expulsion of any LEA student, including all statutory offenses described in Education Code sections 48900 and 48915,using forms developed by the California Department of Education or as otherwise mutually agreed by CONTRACTOR and LEA. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915. Written notification shall be provided to the LEA as designated in Exhibit C.

When CONTRACTOR seeks to remove a LEA student from the current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension. CONTRACTOR shall notify LEA representatives of the need for an IEP team meeting when a manifestation determination will be considered.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366(a)(2)(B)(i) and (ii).) If an LEA student is enrolled in the nonpublic school pursuant to a lawfully executed agreement between the LEA and parent, it shall be the responsibility of the LEA to notify CONTRACTOR in writing (1) when or whether an IEP meeting will be held, (2) whether placement in the nonpublic school should be documented as part of an IEP, and (3) the start date and, if known, the end date for services to be provided by CONTRACTOR to LEA student.

If a LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each LEA student shall be allowed to provide confidential input to any representative of the IEP team.

Except as otherwise provided in the Master Contract, CONTRACTOR and the LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and the LEA. CONTRACTOR shall provide to the LEA any and all assessments (including testing protocols) and written assessment reports created by CONTRACTOR and any of its agents or subcontractors, upon request. It is understood that attendance at an IEP

meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

If the CONTRACTOR or LEA is unable to persuade the parent or guardian that the parent or guardian should attend the IEP, CONTRACTOR shall maintain a written record of its attempts to arrange a mutually agreed-upon time and place. The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

33. SURROGATE PARENTS

CONTRACTOR shall comply with state and federal laws and regulations regarding assigning surrogate parents to LEA students.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including alternative dispute resolution, mediations and hearings, as requested by the LEA. CONTRACTOR shall also fully participate in the investigation of any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/IFSP as well as directing CONTRACTOR staff to be available to obtain information and/or prepare for an investigation or due process hearing.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Special Education Compliance Compliant procedures pursuant to Title 5 of the California Code of Regulations section 3200 et seq.; (2) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (3) Nondiscrimination policies pursuant to Title 5 of the California Code of Regulations section 4960 (a); (4) Sexual Harassment Policies pursuant to California Education Code 231.5(a)(b)(c); (5) Student Grievance Procedure pursuant to Title IX 34 CFR sections 106.8 (a)(d) and 106.9 (a); and (6) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to any LEA student and provide LEA with all documentation related to the complaint(s) and/or CONTRACTOR's investigation of complaints, including any and all reports generated as a result of an investigation.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless the LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s).

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre-/post-tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support plans. The LEA may request copies of such data at any time within five (5) years of the date of service. CONTRACTOR agrees to maintain the information for at least five (5) years and also shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other assessment of the LEA student one month prior to the LEA student's annual or triennial review IEP team meeting for the purpose of reporting the LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.
CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All assessments shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be for direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the LEA student's parent(s) or LEA for the provision of progress reports, report cards, and/or any assessments, interviews, or meetings, unless the LEA agrees in writing prior to the completion of any work. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall assign grades and prepare transcripts at the close of each semester, or upon LEA student transfer, for each LEA student in grades nine (9) through twelve (12) inclusive, including students eligible for a diploma in accordance with Education Code section 51225.31. CONTRACTOR shall submit all transcripts to the LEA Director of Special Education for evaluation of progress toward completion of diploma requirements as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents. Within five (5) school days from the date CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify the LEA, in writing, of the LEA student's change of residence and whether the student's IEP provides for an assistive technology device for use outside of the school setting. If the student's IEP provides an assistive technology device for use outside of the school setting then the student shall continue to be provided an assistive technology device for use outside the school setting until alternative arrangements are made or until two (2) months have elapsed from the date the student ceased to be enrolled in the LEA, whichever occurs first (Education Code section 56040.3). For foster youth, the definition of school of origin includes placement in a nonpublic school (Education Code sections 48853.5(g)(3) and 48204(a)(2)). CONTRACTOR acknowledges and agrees to allow foster youth to continue their education in the nonpublic school as the school of origin in compliance with Education Code section 48853.5.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, the LEA shall not be responsible for the costs of services delivered after the LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone and e-mail, to the LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn from school and/or services. CONTRACTOR shall confirm such telephone call in writing via e-mail or other written notification to the LEA Director of Special Education and submit to the LEA and the Department of Education, if required, within five (5) business days of the withdrawal.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR, if operating a program with a residential component, shall cooperate with a parent's reasonable request for LEA student visits in their home during, but not limited to, holidays and weekends. CONTRACTOR shall ensure that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA.

CONTRACTOR shall notify LEA in writing of any verbal and/or written concern/problem reported to a student's parent during parental access to CONTRACTOR'S facilities that would impact implementation of the student's IEP or offer of a FAPE.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 et seq., as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

It is understood that the public school credentialed classroom teacher is responsible for the educational program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract. CONTRACTOR shall maintain and train all employees, subcontractors and volunteers in procedures specifically to address the supervision and protection of children from child abuse or neglect or sex offenses which include professional boundaries (i) between students and employees, adult volunteers, and subcontractors, (ii) among and between students, and (iii) among and between adults employed, volunteering, or under contract with CONTRACTOR as well as establish appropriate limits on contact during or outside of the school day between students and employees, volunteers, and subcontractors via social media internet platforms, text messaging, and other forms of communication that do not otherwise include the student's parent or guardian.

CONTRACTOR, if providing services in a student's home as specified in the ISA, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. All problems and/or concerns reported to parents, both verbal and written shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION AND RESIDENTIAL TREATMENT CENTER CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 44 below.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to the LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment; and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between the LEA and parent, the LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP

team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent or another adult with educational decision-making rights.

NPS/RTC Located Outside of California

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.), and shall be certified or licensed by the state to provide nonmedical care, clinical services, or short term therapeutic programs, as applicable to the facility type.

In addition to the above, a CONTRACTOR that operates a NPS/RTC located outside of California, shall ensure compliance with California monitoring requirements set forth in Education Code section 56366.1(e) including providing LEA students upon admission with (1) a copy of their notice of rights and procedural safeguards under the IDEA; and (2) information on how to contact CDE's Constituent Services Office, as well as ensure that this information is accessible to LEA students. CONTRACTOR shall also ensure that the telephone number of CDE's Constituent Services Office is prominently displayed at the nonpublic school. CONTRACTOR shall also maintain a clear and confidential process for residents to report grievances without fear of retaliation as well as provide a copy of its policies on behavior intervention to LEA students and their parents upon enrollment.

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49500 et seq., 49530 et seq., and 49550 et seq.

LEA at its sole discretion may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

If CONTRACTOR uses a third-party vendor to provide meals, CONTRACTOR will assure that the third-party vendor agrees to comply with all meal pattern requirements of the School Breakfast Program and National School Lunch Program nutritional standards. Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

CONTRACTOR shall provide LEA with at least 30 days prior written notice of any change in its status under the National School Lunch Program/State Meal Mandate and shall work collaboratively with LEA to ensure that each eligible student receives required meals.

44. MONITORING

When CONTRACTOR is a nonpublic school, including NPS/RTC, the LEA (or SELPA) shall conduct at least one onsite monitoring visit during each school year to the NPS at which the LEA has a pupil attending and with which it maintains a master contract. The monitoring visit shall include, but is not limited to, a review of services provided to the pupil through the ISA between the LEA and CONTRACTOR, a review of progress the pupil is making toward the goals set forth in the pupil's individualized education program, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, and a walkthrough of the facility. The LEA (or SELPA) shall report the findings resulting from the monitoring visit to the California Department of Education within 60 calendar days of the onsite visit.

The LEA (or SELPA) shall conduct an onsite visit to CONTRACTOR before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

CONTRACTOR shall allow representatives from the LEA access to its facilities for the purpose of monitoring each LEA student's instructional program in accordance with Education Code section 56366.1. LEA shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

In accordance with Education Code section 56366.12, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between the LEA student and members of the student's individualized education program team and CDE's Constituent Services Office, at the student's discretion.

If CONTRACTOR is also an LCI or NPS/RTC, the LEA or its SELPA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

NPS/RTC Located Outside of California

In addition to the above, for a pupil placed in a NPS/RTC located outside of California, the LEA (or SELPA) shall also conduct an in-person interview with the pupil, in a manner consistent with the pupil's individualized education program, to evaluate the pupil's health and safety as well as the instructional program and implementation of positive behavioral supports. CONTRACTOR shall facilitate the LEA's (or SELPA) in-person interview with the pupil as well as at least quarterly check-ins with the pupil through an unmonitored telephone call, in a manner consistent with the pupil's individualized education program.

Additional Monitoring Requirements

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to CDE, shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in

year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three. (Education Code section 56366.1(j)).

CONTRACTOR shall fully participate in any LEA and CDE compliance review, including any On-Site and Self Review and if applicable, District Validation Review. This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perception, progress and concerns, as required by law. CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by the LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures requested by LEA or CDE related to such compliance review.

CONTRACTOR understands that the LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code section 33126.

PERSONNEL

45. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code section 44237, 35021.1, 35021.2 and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as “CDOJ”) and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR’s employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR’s employees and volunteers who will have or likely may have direct contact with LEA students shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to the LEA that none of its employees, volunteers, or subcontractors who will have or likely may have any direct contact with LEA students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee’s conviction of a violent or serious felony, the employee has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom instruction and/or individualized instruction or to provide related services hold a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58, and Title 5 of the California Code of Regulations sections 3001(r),3051, 3064 and 3065. Such qualified staff may only provide instruction and related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher’s scope of practice.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

In accordance with California Education Code section 56366.1(a)(5), when CONTRACTOR is a nonpublic school, the administrator of the nonpublic school shall hold or currently be in the process of obtaining one of the following: (A) An administrative credential granted by an accredited postsecondary educational institution and two years of experience with pupils with disabilities; (B) A pupil personnel services credential that authorizes school counseling or psychology; (C) A license as a clinical social worker issued by the Board of Behavioral Sciences; (D) A license in psychology regulated by the Board of Psychology; (E) A master's degree issued by an accredited postsecondary institution in education, special education, psychology, counseling, behavioral analysis, social work, behavioral science, or rehabilitation; (F) A credential authorizing special education instruction and at least two years of experience teaching in special education before becoming an administrator; (G) A license as a marriage and family therapist certified by the Board of Behavioral Sciences; (H) A license as an educational psychologist issued by the Board of Behavioral Sciences; or (I) A license as a professional clinical counselor issued by the Board of Behavioral Sciences. CONTRACTOR shall maintain, and provide to the LEA upon request, documentation of its administrator's qualifications in accordance with the above.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 et seq. and 45350 et seq. Specifically, all paraprofessionals, including, but not limited to instructional aides and teacher assistants, employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or higher) degree; or met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a CDE certified NPS program outside of this state and serving a student by this LEA shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

47. CALSTRS OR PERS RETIREMENT REPORTING

CONTRACTOR understands that the LEA is required to report all monies paid under this agreement to the local county office of education or as otherwise required by law. Neither LEA nor CONTRACTOR shall have a duty to monitor wages of CalSTRS or PERS retirees to ensure that their earnings are within the limitation prescribed by these or any other retirement system. Neither LEA nor CONTRACTOR shall be liable if CONTRACTOR'S agent(s), officer(s) or employee(s) exceeds a retirement system's earnings limitation and is reinstated to employment or required to repay retirement benefits. CONTRACTOR agrees to cooperate with LEA should any notices be provided under this provision.

48. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to the LEA a staff list, and copies of all current and required licenses, certifications, credentials, permits and/or other documents which entitle the holder to provide

instruction, special education and/or related services by CONTRACTOR and all individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. The LEA may file all licenses, certifications, credentials, permits or other documents with the office of the County Superintendent of Schools. CONTRACTOR shall notify the LEA in writing within thirty (30) days when personnel changes occur which may affect the provision of instruction, special education and/or related services to LEA students. CONTRACTOR shall provide the LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, certifications, credentials, permits and/or other documents for CONTRACTOR and all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall immediately, and in no circumstances longer than five (5) business days, provide to the LEA updated information regarding the status of licenses, certifications, credentials, permits and/or other documents of any known changes. Failure to provide properly qualified personnel to provide services as specified in a LEA student's IEP shall be cause for termination of the Master Contract.

49. **STAFF ABSENCE**

When CONTRACTOR is a nonpublic school and CONTRACTOR's classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided in accordance with California Education Code section 56061.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for their student. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and an authorized LEA representative.

50. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or nonpublic agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR. Reports regarding student progress shall be consistent with the provision of this Master Contract.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency

service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program.

For services provided outside of a pupil's school or in a pupil's home, as specified in the IEP, CONTRACTOR shall ensure that at least one parent of the pupil or an LEA-approved responsible adult is present during the provision of services. As used in this provision, the term "services" shall not apply to field trips or community-based instruction taking place outside of the school. All problems and/or concerns reported to parents, both verbal and written shall also be reported to the LEA.

HEALTH AND SAFETY MANDATES

51. HEALTH AND SAFETY

CONTRACTOR shall comply with all applicable federal, state, and local laws, regulations, ordinances, policies, and procedures regarding student and employee health and safety. CONTRACTOR shall comply with the requirements of California Education Code sections 35021 et seq., 49406, and Health and Safety Code section 121525 regarding the examination of CONTRACTOR's employees and volunteers for tuberculosis. CONTRACTOR shall provide to the LEA documentation for each individual volunteering, employed, contracted, and/or otherwise hired by CONTRACTOR of such compliance before an individual comes in contact with an LEA student.

CONTRACTOR shall comply with OSHA Blood Borne Pathogens Standards, 29 Code of Federal Regulations (CFR) section 1910.1030, when providing medical treatment or assistance to a student. CONTRACTOR further agrees to provide annual training regarding universal health care precautions and to post required notices in areas designated in the California Health and Safety Code.

52. FACILITIES AND FACILITIES MODIFICATIONS

CONTRACTOR shall provide special education and/or related services to LEA students in facilities that comply with all applicable federal, state, and local laws, regulations, and ordinances related, but not limited to: disability access; fire, health, sanitation, and building standards and safety; fire warning systems; zoning permits; and occupancy capacity. When CONTRACTOR is a nonpublic school, CONTRACTOR shall conduct fire drills as required by Title 5 California Code of Regulations section 550. CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities is required to comply with applicable federal, state, and local laws, regulations, and ordinances. CONTRACTOR shall maintain a school site safety plan incorporating disaster procedures, routine and emergency crisis response plan, including adaptations for pupils with disabilities.

53. ADMINISTRATION OF MEDICATION

Unless otherwise set forth in the student's ISA, CONTRACTOR shall comply with the requirements of California Education Code section 49423 and Title 5 of the California Code of Regulations section 600 et seq. when CONTRACTOR serves a LEA student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the LEA student with the administration of such medication after the LEA student's parent(s) provides to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from the LEA student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. CONTRACTOR shall maintain, and provide to the LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify the LEA student's name; the type of medication; the date, time, and amount of each

administration; and the name of CONTRACTOR's employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with student's physician's written orders and for securely storing medication. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

54. **INCIDENT/ACCIDENT REPORTING**

CONTRACTOR shall submit within one (1) school day by electronic mail, any accident or incident report to the LEA representative specified on Exhibit C, attached hereto and incorporated herein, including any behavior incident or behavior emergency intervention. LEA may specify procedures to be implemented by CONTRACTOR or forms to be submitted by CONTRACTOR related to accident or incident reporting.

CONTRACTOR shall notify LEA in writing, of any pupil-involved incident in which law enforcement was contacted. CONTRACTOR shall provide such written notice no later than one (1) business day after the incident occurred in accordance with Education Code section 56366.1(i).

55. CHILD ABUSE REPORTING

CONTRACTOR shall maintain written protocols for identifying signs of abuse or neglect, both physical and psychological, consistent with the mandated reporting requirements of Penal Code Section 11165.7. CONTRACTOR hereby agrees to and shall ensure all employees and any subcontractors whose duties require contact with or supervision of students are annually trained, including volunteers, so that they are familiar with and agree to adhere to the child and dependent adult abuse mandated reporting obligations and procedures as specified in California Penal Code section 11164 et seq. To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

56. **SEXUAL HARASSMENT/DISCRIMINATION**

CONTRACTOR shall have a Sexual and Gender Identity Harassment Policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

57. **REPORTING OF MISSING CHILDREN**

CONTRACTOR assures the LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to the LEA. The written statement shall be submitted as specified by the LEA.

FINANCIAL

58. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the nonpublic school or nonpublic agency has the necessary financial resources to provide an appropriate education for the children enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedure as well as provide all such records requested by LEA concerning the same. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the LEA student's IEP and ISA which are provided on billable days of attendance. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program and each related service. Original attendance forms (for example, roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by the LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to the LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents may be submitted electronically if requested by LEA and CONTRACTOR has the systems in place to generate the requested documents. The LEA may designate forms for use by CONTRACTOR when submitting invoices. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the ISA or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and the name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30)

calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by the LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

59. RIGHT TO WITHHOLD PAYMENT

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a): the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (if the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such

notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

60. BILLING/PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

61. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30)

calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP or ISA.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10^{th}) cumulative day of the LEA student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. The LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. The LEA shall not be responsible for payment of DIS or related services for days on which a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

In the event a LEA student is chronically absent due to school refusal or other behaviors related to the student's disability and IEP interventions have been unsuccessful in improving school attendance, CONTRACTOR may request that LEA provide payment for a billable day of attendance related to such absences, on a case-by-case basis given the unique circumstances of the student and the student's individualized needs. LEA may, in its sole discretion, agree to pay CONTRACTOR for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. Any such determination by the LEA must be set forth in writing as a condition for such payment.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make-up.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student's absence. The LEA shall not be responsible for the payment of services when a student is absent.

62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422 and 46392:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether the LEA is open or closed.

b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing their regular attendance, until an alternative placement can be found and implement LEA student's IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.

c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and CONTRACTOR shall implement LEA student's IEPs in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTACTOR due to CONTRACTOR'S school closure.

If instruction or services, or both, cannot be provided to the student either at school or in person for more than 10 days due to an emergency condition described in Education Code sections 41422 and 46392, CONTRACTOR acknowledges the requirements of Education Code section 56345(a)(9) to provide special education and related services, supplementary aids and services, transition services (as applicable) and ESY (as applicable) as specified in the IEP. When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

For any physical school closure in which in-person instruction is restricted by order of the State or local agency, CONTRACTOR shall provide instruction in accordance with Education Code section 56345(a)(9) and Exhibit D, attached hereto and incorporated herein.

63. **INSPECTION AND AUDIT**

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide the LEA access to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and rollbooks of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, social security numbers (last four digits unless otherwise required), dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and

canceled checks or facsimile thereof. Such access shall include unannounced inspections by the LEA. CONTRACTOR shall make available to the LEA all budgetary information including operating budgets submitted by CONTRACTOR to the LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of the LEA or CONTRACTOR's offices at all reasonable times and without charge. All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

64. RATE SCHEDULE

The rate schedule attached hereto as Exhibit A and incorporated herein by reference, limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as set forth in Paragraph 23 above and Education Code section 46000 et seq.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibit A.

65. PAYMENT FOR ROOM AND BOARD FOR NPS/RTC

When CONTRACTOR is an NPS associated with an RTC (NPS/RTC), CONTRACTOR shall be eligible for Room and Board payments on dates that the student was actually in attendance and received Room and Board services, payable for up to a maximum of 365 billable days or 366 days during a leap year, which may include a maximum of ten (10) days per contract year when the student's bed is unoccupied due to home visits of a therapeutic nature, unless otherwise mutually agreed upon by CONTRACTOR and LEA. Any payment for additional days in special circumstances, such as a student's hospitalization or extended home visits exceeding ten (10) days in a contract year, requires prior written approval from both the LEA and the CONTRACTOR.

66. DEBARMENT CERTIFICATION

By signing this Agreement, CONTRACTOR certifies that:

(a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and

(b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2026 and terminates at 5:00 P.M. on June 30, 2027, unless sooner terminated as provide herein.

Re-Connect is a method of providing an education to students that offers customized support and evidence-based interventions through daily educational and counseling services for students that struggle with consistent attendance, excessive absences, and/or those who are not able to attend on-campus learning due to safety and/or mental health concerns or issues. Re-Connect aims at engaging the student in a positive and mindful manner for the purpose of allowing them daily access to their education, while working toward a plan for regular on campus learning. For students that inconsistently attend school (absent 1 or more days a week on average); Re-Connect team will make phone calls and home visits as needed to establish a connection, offer academic, counseling, and behavioral services, and problem-solve with students and families to increase regular attendance. Goals are set and progress is tracked to assist student with transitioning to daily on campus learning. If student has a 1:1 aide, 1:1 rate will apply.

*Parent transportation reimbursement rates are to be determined by the LEA.
**By credentialed Special Education Teacher.

MASTER CONTRACT RESIDENTIAL TREATMENT CENTER (RTC) AGREEMENT WITH HANNA EDUCATION CORPORATION DBA HANNA ACADEMY

Background

Residential treatment centers provide 24-hour therapeutic and educational services for students whose needs cannot be met in a less restrictive setting, as determined by the IEP team. These placements are required when a student needs profound behavioral, emotional, and safety support beyond what our district programs or non-public schools can provide.

Hanna Education Corporation dba Hanna Academy is a residential treatment center (RTC) that serves students with Individual Education Plans (IEPs), that offers a supportive, structured environment for students who live too far to commute daily. As part of Hanna Academy's trauma-informed system of care, the program provides consistent academic, emotional, and social support in and out of the classroom.

This agreement will be effective from July 1, 2026, to June 30, 2027.

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 1st day of July, 2026, between the **Placentia-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **Hanna Education Corporation dba Hanna Academy** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the

certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).
If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, prohibition of corporal punishment, pupil discipline, positive behavioral interventions and protections against immigration enforcement actions at school sites.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2027 (Title 5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the

parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2027.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program/services provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the

CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall be responsible for any compensatory education beyond the services specified in the ISA/IEP that are owed to an LEA student for CONTRACTOR's failure to provide a specific service in accordance with the ISA/IEP, unless agreed otherwise.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

7. DEFINITIONS

The following definitions shall apply for purposes of this contract:

a. The term "CONTRACTOR" means a nonpublic, nonsectarian school/agency certified by the California Department of Education, including its officers, agents, and employees and as identified in Paragraph 1 above.

b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies.

c. The term "credential" means a valid credential, life diploma, permit, or document in special education or pupil personnel services issued by, or under the jurisdiction of, the State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

d. The term "qualified" means that a person holds a certificate, permit or other document equivalent to that which staff in a public school are required to hold to provide special education and designated instruction and services, and has met federal and state certification, licensing, registration, or other comparable requirements which apply to the area in which the individual is providing special education or related services, including those requirements set forth in Title 5 of the California Code of Regulations sections 3064 and 3065, or, in the absence of such requirements, the state-education-agency-approved or recognized requirements, and adheres to the standards of professional practice established in federal and state law or regulation, including the standards contained in the California Business and Professions Code. Nothing in this definition shall be construed as restricting the activities of services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.

e. The term "license" means a valid nonexpired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and

authorizing the bearer of the document to provide certain professional services, including but not limited to mental health and board and care services at a residential placement, or refer to themselves using a specified professional title. If a license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license, shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(r).

f. Parent means a biological or adoptive parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child; a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, including a responsible adult appointed for the child in accordance with Welfare and Institutions Code sections 361 and 726; an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare; a surrogate parent;, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Title 34 of the Code of Federal Regulations 300.30(b)(1) or (2). Parent does not include the state or any political subdivision of government or the nonpublic school or agency under contract with the LEA for the provision of special education or designated instruction and services for a child. (California Education Code section 56028).

g. The term "days" means calendar days unless otherwise specified.

h. The phrase "billable day" means a school day in which instructional minutes meet or exceed those in comparable LEA programs.

i. The phrase "billable day of attendance" means a school day as defined in California Education Code Section 46307, in which a LEA student is in attendance and in which instructional minutes meet or exceed those in comparable LEA programs unless otherwise stipulated in an IEP or ISA.

j. It is understood that the term "Master Contract" also means "Agreement" and is referred to as such in this document.

k. The term "emotional disturbance" as defined in the IDEA and used in state law may also be known as "emotional disability" under state law in accordance with Education Code section 97.

ADMINISTRATION OF CONTRACT

8. NOTICES

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed by first class mail deposited with the United States Postal Service or delivered by hand and shall be effective as of the date of receipt by addressee. E-mail notifications may be used provided that a hard copy is also mailed by first class mail deposited with the United States Postal Service or delivered by hand and shall be effective as of the date of receipt by addressee via first class mail or hand delivery.

All notices mailed to the LEA shall be addressed to the person, or their designee as indicated on Exhibit C, attached hereto and incorporated herein by reference. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to student records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided through additional instructional assistants, NPA behavior intervention aides, and bus aides; behavior emergency reports (BER); notification of injury; absence verification records (parent/doctor notes, telephone logs, and related documents) if the CONTRACTOR is funded for excused absences, however, such records are not required if positive attendance is required; bus rosters; staff lists specifying credentials held and documents evidencing other staff qualifications, social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications by-laws; lists of current board of directors/trustees, if incorporated; documents evidencing financial expenditures; federal/state payroll quarterly reports; and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR's employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from the LEA student's record. Such log needs to record access to the LEA student's records by: (a) the LEA student's parent; (b) an individual to whom written consent has been executed by the LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental communications granting access to student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records, and comply with parents' requests for copies of student records within five (5) business days following the date of request by parent or LEA, consistent with Education Code sections 49069 and 56504. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within five (5) business days to LEA. These shall include, but not limited to, current transcripts, IEP/ISPs, behavior emergency reports (BER), incident reports, notification of injury and all other reports. CONTRACTOR acknowledges and agrees that all student records maintained by CONTRACTOR as required by state and federal laws and regulations are the property of LEA and must be returned to LEA without dissemination to any other entity.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Agreement shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR's successors and assignees. CONTRACTOR shall notify the LEA in writing within thirty (30) calendar days of any change of ownership or change of corporate control.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in Orange County.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. The party seeking such modification shall provide thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based. If the parties cannot agree on such modifications or amendments, this Master Contract may be terminated in accordance with Paragraph 14.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. The cause shall not be the availability of a public class initiated during the period of the Master Contract or ISA unless the parent agrees to the transfer of the student to the public school program at an IEP team meeting. In addition, the cause shall not be to effectuate a change in placement in circumvention of the IEP process. To terminate the Master Contract for cause, either party shall give no less than twenty (20) days prior written notice to the other party (California Education Code section 56366(a)(4)). At the time of termination, CONTRACTOR shall provide to the LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as specified above in Paragraph 5. CONTRACTOR or the LEA may also terminate an individual ISA for cause. To terminate the ISA, either party shall also give no less than twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its obligations under this Agreement:

A. **Commercial General Liability Insurance**, including both bodily injury and property damage, with minimum limits as follows:

$2,000,000 per occurrence
$ 5,000 medical expenses
$1,000,000 personal & advertising injury
$4,000,000 general aggregate

B. **Sexual Abuse or Molestation Liability,** with minimum limits as follows:

$5,000,000 sexual abuse or molestation per occurrence for NPS/RTC
$3,000,000 sexual abuse or molestation per occurrence for NPS
$3,000,000 sexual abuse or molestation per occurrence for NPA

Sexual abuse or molestation limits shall be separate and in addition to the limits required in sections A, C and E.

If policies are provided on a claims-made basis, an extended reporting period coverage for claims made within five years after termination of this Agreement is required.

The definition of abuse shall include, but not be limited to, physical abuse, such as sexual or other bodily harm, and non-physical abuse, such as verbal, emotional or mental abuse, any actual, threatened or alleged act, and errors, omissions, or misconduct related to abuse.

C. **Auto Liability Insurance.** To the extent vehicles, other than buses, are used to transport students, such vehicles shall have liability coverage of not less than $1,000,000 million per occurrence combined single limit.

If CONTRACTOR uses a vehicle to travel to/from school sites, between schools and/or to/from students' homes or other locations as an approved service location by the LEA, CONTRACTOR must comply with State of California auto insurance requirements and maintain liability coverage with minimum limits of $1,000,000 combined single limit per occurrence.

If CONTRACTOR uses a bus to transport students, minimum limits of liability shall be $10,000,000 combined single limit per occurrence.

D. **Workers' Compensation and Employers Liability Insurance** in a form and amount covering CONTRACTOR'S full liability under the California Workers' Compensation Insurance and Safety Act and in accordance with applicable state and federal laws.

Part A – Statutory Limits
Part B - $1,000,000/$1,000,000/$1,000,000 Employers Liability

E. **Errors & Omissions (E & O)/Malpractice (Professional Liability**) coverage with the following limits:

$2,000,000 per occurrence or, if claims-made, per claim
$4,000,000 general aggregate

If provided on a claims-made basis, this Professional Liability policy shall provide extended reporting period coverage for claims made within three years after termination of this Agreement.

F. **Cyber Liability Insurance** coverage with not less than the following limits:

$1,000,000 per occurrence or claim
$2,000,000 aggregate

Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Contractor in this Agreement and shall include, but not be limited to, claims involving infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, the release of private information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as

regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

G. The minimum insurance limit requirements may be satisfied with a combination of primary and excess insurance, to satisfy the minimum insurance requirements of the Master Contract. Acceptable excess policies should be either Excess Following Form (i.e., subject to all of the terms and conditions of the policy beneath it) or Umbrella Liability coverage limits that satisfy the minimum limits expressed above in A, B, E and F.

H. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance and endorsements evidencing such coverage. The certificate of insurance shall include a thirty (30) day non-renewal, cancellation or modification notice provision.

I. The Commercial General Liability, Automobile Liability, Cyber Liability and any Excess Following Form or Umbrella (excluding Professional/E&O) policies shall name the LEA, District's Board of Education, agents, employees and volunteers as additional insureds on all insurance policies and premiums shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

J. The Workers' compensation coverage shall include WAIVER OF SUBROGATION endorsements which provide that the insurer or self-insurer shall waive its right of subrogation against the LEA, District's Board of Education, and its officers, directors, employees, volunteers, and agents with respect to any losses paid under the terms of the policies.

K. Unless CONTRACTOR is insured under the California Private Schools Self Insurance Group (CAPS SIG) or a similar self-insurance group, any deductibles or self-insured retentions above $100,000 must be declared to and approved by the LEA. At its option, the LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees or (b) procure a bond guaranteeing payment of losses and related investigation.

L. For any claims related to the services provided by CONTRACTOR, the CONTRACTOR's insurance coverage shall be primary insurance as respects the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it. Coverage for all liability coverage parts shall include defense and expense costs outside of the coverage limits.

M. All Certificates of Insurance shall reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

N. The insurance requirements required herein shall not be deemed to limit CONTRACTOR's liability relating to the performance under this Agreement. The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification and harmless provisions of this Master Contract. CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in

accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

O. CONTRACTOR shall require that all subcontractors meet the requirements of this Section and the indemnification Section of this Agreement unless otherwise agreed in writing by the LEA.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers, agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written

notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042, Government Code section 1090 et seq., including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with the LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in the LEA student's IEP and ISA. If an IEP team determines that a LEA student requires an assistive technology device based on an assessment, or requires low incidence equipment for eligible students with low incidence disabilities, LEA shall provide such assistive technology device or low incidence equipment when specified in the student's IEP and ISA, and if necessary, provide training on the use of the device/equipment. Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards (CCSS) and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards – aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school; (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. CONTRACTOR's general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements including the graduation requirements for pupils in foster care, pupils who are homeless, former juvenile court school pupils, child of a military family or migrant student and other students as set forth in Education Code section 51225.1 as well as students eligible for the California Alternate Assessment and alternate diploma pathway for graduation from high school as set forth in Education Code section 51225.31 et seq. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of the LEA's graduation requirements unless otherwise permitted by law.

When CONTRACTOR serves LEA students in grades seven (7) through twelve (12) and issues pupil identification cards to LEA students, such pupil identification cards shall include The Trevor Project's LGBTQ+ suicide hotline telephone number as well as the National Suicide Prevention Lifeline telephone number and may also include the Crisis Text Line and/or a local suicide prevention hotline telephone number as required by Education Code section 215.5.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a

CONTRACTOR that is a licensed children's institution, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. Licensed Children's Institution (LCI) CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to the LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention services must have a trained behaviorist or trained equivalent on staff consistent with the requirements set forth in Education Code section 56520 et seq. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level as required by Education Code section 46000 et seq. unless otherwise specified in the LEA student's IEP and ISA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in the LEA student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the LEA student's ISA developed in accordance with the LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and the LEA agree otherwise, in writing. In the event of an LEA student experiencing excessive absenteeism or not regularly attending school, CONTRACTOR may provide written notice to each LEA with a student enrolled in that specific classroom of CONTRACTOR that the class size in that classroom will increase above 12 students but shall not exceed 14 students, for a period not to exceed 60 calendar days.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to the LEA a school calendar with the total number of billable days not to exceed 180 days for the regular school year, plus up to twenty (20) extended school year billable days unless otherwise specified in the LEA student's IEP/IFSP and ISA. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP or ISA, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by the IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as the LEA and shall identify the dates of observance on its school calendar submitted to the LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Dr. Martin Luther King, Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. With the approval of the LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA, all data related to students who are served by the CONTRACTOR. This shall include any and all data related to any section of this Master Contract, including but not limited to student information, student discipline and billing information. The

specific format of the data to be provided shall be determined between the LEA and CONTRACTOR. CONTRACTOR shall not enter into a contract with a third party for the purpose of providing cloud-based services including but not limited digital storage, management and retrieval of pupil records or to provide digital educational software that authorizes such third party to access, store, and use pupil records, unless CONTRACTOR has obtained prior written authorization from LEA in compliance with Education Code section 49073.1.

The LEA may provide the CONTRACTOR with approved forms and/or format for such data, including but not limited to, forms developed by CDE, approved electronic IEP systems, invoicing, attendance reports, and progress reports. The LEA may approve use of CONTRACTOR-provided forms at LEAs discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and the LEA shall both follow policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

LRE placement options shall be addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall, in accordance with Education Code section 60640 et. seq. administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, the English Language Proficiency Assessments for California ("ELPAC"), and the Alternate ELPAC, as appropriate to the student, and mandated by LEA pursuant to LEA guidelines as well as state and federal laws and regulations, unless LEA notifies CONTRACTOR that it will administer such Statewide assessments.

When CONTRACTOR is a nonpublic school, CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR's qualified staff; CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA. Contractor shall report the test results to the CDE as required by Education Code section 56366(a)(8)(A).

Where CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all statewide achievement tests as mandated by the LEA and pursuant to the LEA guidelines, as well as state and federal laws and regulations, unless LEA notifies CONTRACTOR that it will administer such assessments.

29. DISTRICT MANDATED ATTENDANCE AT MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing. The LEA shall provide CONTRACTOR with reasonable advanced notice of mandated meetings. Attendance at such meetings shall not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with the requirements of Education Code sections 49000 et seq. (prohibition of corporal punishment), 49005 et seq. (restraint and seclusion), and 56520 et seq. (behavioral interventions) as well as applicable provisions of Title 5 of the California Code of Regulations and federal law regarding positive behavior interventions including, but not limited to: the completion of functional behavioral assessments; the development, implementation, monitoring, supervision, modification, and evaluation of behavior intervention plans; emergency interventions and the prohibitions on the use of prone restraint and other forms of restraints and seclusion. **CONTRACTOR shall notify the parent/guardian, residential care provider (if appropriate) and LEA within one (1) school day of any behavior incident including when an emergency intervention is used or serious property damage occurs as well as provide LEA with a copy of the behavioral emergency report in accordance with Exhibit C.**

It is understood that the LEA may require additional requirements for staff qualifications beyond what is required in Title 5 of the California Code of Regulations sections 3064 and 3065. Such requirements will be provided in writing to CONTRACTOR prior to entering into an ISA for a LEA student. Failure to maintain adherence to staff qualification requirements shall constitute sufficient cause for contract termination. CONTRACTOR shall provide the LEA with all training protocols for behavior intervention staff who do not possess a license, credential or recognized certification as part of their Master Contract application. CONTRACTOR shall provide certification to LEA, upon request, that all behavior aides who do not possess a license, credential or other recognized certification have completed required training protocols within ten (10) days of the start of providing behavior intervention services to a LEA student. Failure to do so shall constitute sufficient cause for termination.

CONTRACTOR shall designate an individual employed, contracted, and/or otherwise hired by CONTRACTOR as a behavior case manager who is qualified, and responsible for the design, planning and implementation of behavior interventions in accordance with state law. CONTRACTOR shall maintain a written policy in compliance with Education Code section 56520 et seq. and applicable provisions of Title 5 of the California Code of Regulations regarding emergency interventions and behavioral emergency reports. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire.

CONTRACTOR shall ensure that all of its staff members are trained annually in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact

or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of such trainings and provide written verification of the trainings annually to LEA and upon request.

CONTRACTOR acknowledges that in accordance with in Education Code section 56521.1 emergency interventions shall only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. In addition, emergency interventions shall not be used as a substitute for the systematic behavioral intervention plan that is designed to change, replace, modify, or eliminate a targeted behavior. No emergency intervention shall be employed for longer than is necessary to contain the behavior. A situation that requires prolonged use of an emergency intervention shall require the staff to seek assistance of the schoolsite administrator or law enforcement agency, as applicable to the situation. Emergency interventions shall not include: (1) locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (2) employment of a device, material, or objects that simultaneously immobilize all four extremities; (3) prone restraint (defined as the application of a behavioral restraint on a pupil in a facedown position for any period of time and includes the procedure known as prone containment); and (4) an amount of force that exceeds that which is reasonable and necessary under the circumstances.

CONTRACTOR shall not authorize, order, consent to, or pay for any of the following prohibited interventions, or any other intervention similar to or like the following: (1) any intervention that is designed to, or likely to, cause physical pain, including but not limited to, electric shock; (2) an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the LEA student's face; (3) an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities; (4) an intervention that is designed to subject, used to subject, or likely to subject the LEA student to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma; (5) restrictive interventions which employ a device, material, or objects that simultaneously immobilize all four extremities; (6) prone restraint; (7) locked seclusion unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (8) an intervention that precludes adequate supervision of the LEA student; and (9) an intervention that deprives the LEA student of one or more of the student's senses, pursuant to Education Code section 56521.2.

In the event CONTRACTOR places a pupil in seclusion as defined in Education Code section 49005.1, CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion as set forth in Education Code section 49005.8. CONTRACTOR shall also comply with all requirements of Education Code section 49005 et seq., in the event a behavioral restraint, is used on a pupil. CONTRACTOR shall also comply with the reporting requirements set forth in Education Code section 49006 regarding the reporting of the use of restraints and seclusion of pupils using forms developed by the California Department of Education or as otherwise agreed to by CONTRACTOR and LEA.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. CONTRACTOR shall provide LEA, on a monthly basis, a written report of all disciplinary actions for LEA students, including incidents that result in "other means of correction", suspension and/or expulsion of any LEA student, including all statutory offenses described in Education Code sections 48900 and 48915,using forms developed by the California Department of Education or as otherwise mutually agreed by CONTRACTOR and LEA. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915. Written notification shall be provided to the LEA as designated in Exhibit C.

When CONTRACTOR seeks to remove a LEA student from the current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension. CONTRACTOR shall notify LEA representatives of the need for an IEP team meeting when a manifestation determination will be considered.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366(a)(2)(B)(i) and (ii).) If an LEA student is enrolled in the nonpublic school pursuant to a lawfully executed agreement between the LEA and parent, it shall be the responsibility of the LEA to notify CONTRACTOR in writing (1) when or whether an IEP meeting will be held, (2) whether placement in the nonpublic school should be documented as part of an IEP, and (3) the start date and, if known, the end date for services to be provided by CONTRACTOR to LEA student.

If a LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each LEA student shall be allowed to provide confidential input to any representative of the IEP team.

Except as otherwise provided in the Master Contract, CONTRACTOR and the LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and the LEA. CONTRACTOR shall provide to the LEA any and all assessments (including testing protocols) and written assessment reports created by CONTRACTOR and any of its agents or subcontractors, upon request. It is understood that attendance at an IEP

meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

If the CONTRACTOR or LEA is unable to persuade the parent or guardian that the parent or guardian should attend the IEP, CONTRACTOR shall maintain a written record of its attempts to arrange a mutually agreed-upon time and place. The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

33. SURROGATE PARENTS

CONTRACTOR shall comply with state and federal laws and regulations regarding assigning surrogate parents to LEA students.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including alternative dispute resolution, mediations and hearings, as requested by the LEA. CONTRACTOR shall also fully participate in the investigation of any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/IFSP as well as directing CONTRACTOR staff to be available to obtain information and/or prepare for an investigation or due process hearing.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Special Education Compliance Compliant procedures pursuant to Title 5 of the California Code of Regulations section 3200 et seq.; (2) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (3) Nondiscrimination policies pursuant to Title 5 of the California Code of Regulations section 4960 (a); (4) Sexual Harassment Policies pursuant to California Education Code 231.5(a)(b)(c); (5) Student Grievance Procedure pursuant to Title IX 34 CFR sections 106.8 (a)(d) and 106.9 (a); and (6) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to any LEA student and provide LEA with all documentation related to the complaint(s) and/or CONTRACTOR's investigation of complaints, including any and all reports generated as a result of an investigation.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless the LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s).

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre-/post-tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support plans. The LEA may request copies of such data at any time within five (5) years of the date of service. CONTRACTOR agrees to maintain the information for at least five (5) years and also shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other assessment of the LEA student one month prior to the LEA student's annual or triennial review IEP team meeting for the purpose of reporting the LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.
CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All assessments shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be for direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the LEA student's parent(s) or LEA for the provision of progress reports, report cards, and/or any assessments, interviews, or meetings, unless the LEA agrees in writing prior to the completion of any work. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall assign grades and prepare transcripts at the close of each semester, or upon LEA student transfer, for each LEA student in grades nine (9) through twelve (12) inclusive, including students eligible for a diploma in accordance with Education Code section 51225.31. CONTRACTOR shall submit all transcripts to the LEA Director of Special Education for evaluation of progress toward completion of diploma requirements as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents. Within five (5) school days from the date CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify the LEA, in writing, of the LEA student's change of residence and whether the student's IEP provides for an assistive technology device for use outside of the school setting. If the student's IEP provides an assistive technology device for use outside of the school setting then the student shall continue to be provided an assistive technology device for use outside the school setting until alternative arrangements are made or until two (2) months have elapsed from the date the student ceased to be enrolled in the LEA, whichever occurs first (Education Code section 56040.3). For foster youth, the definition of school of origin includes placement in a nonpublic school (Education Code sections 48853.5(g)(3) and 48204(a)(2)). CONTRACTOR acknowledges and agrees to allow foster youth to continue their education in the nonpublic school as the school of origin in compliance with Education Code section 48853.5.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, the LEA shall not be responsible for the costs of services delivered after the LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone and e-mail, to the LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn from school and/or services. CONTRACTOR shall confirm such telephone call in writing via e-mail or other written notification to the LEA Director of Special Education and submit to the LEA and the Department of Education, if required, within five (5) business days of the withdrawal.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR, if operating a program with a residential component, shall cooperate with a parent's reasonable request for LEA student visits in their home during, but not limited to, holidays and weekends. CONTRACTOR shall ensure that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA.

CONTRACTOR shall notify LEA in writing of any verbal and/or written concern/problem reported to a student's parent during parental access to CONTRACTOR'S facilities that would impact implementation of the student's IEP or offer of a FAPE.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 et seq., as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

It is understood that the public school credentialed classroom teacher is responsible for the educational program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract. CONTRACTOR shall maintain and train all employees, subcontractors and volunteers in procedures specifically to address the supervision and protection of children from child abuse or neglect or sex offenses which include professional boundaries (i) between students and employees, adult volunteers, and subcontractors, (ii) among and between students, and (iii) among and between adults employed, volunteering, or under contract with CONTRACTOR as well as establish appropriate limits on contact during or outside of the school day between students and employees, volunteers, and subcontractors via social media internet platforms, text messaging, and other forms of communication that do not otherwise include the student's parent or guardian.

CONTRACTOR, if providing services in a student's home as specified in the ISA, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. All problems and/or concerns reported to parents, both verbal and written shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION AND RESIDENTIAL TREATMENT CENTER CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 44 below.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to the LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment; and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between the LEA and parent, the LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP

team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent or another adult with educational decision-making rights.

NPS/RTC Located Outside of California

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.), and shall be certified or licensed by the state to provide nonmedical care, clinical services, or short term therapeutic programs, as applicable to the facility type.

In addition to the above, a CONTRACTOR that operates a NPS/RTC located outside of California, shall ensure compliance with California monitoring requirements set forth in Education Code section 56366.1(e) including providing LEA students upon admission with (1) a copy of their notice of rights and procedural safeguards under the IDEA; and (2) information on how to contact CDE's Constituent Services Office, as well as ensure that this information is accessible to LEA students. CONTRACTOR shall also ensure that the telephone number of CDE's Constituent Services Office is prominently displayed at the nonpublic school. CONTRACTOR shall also maintain a clear and confidential process for residents to report grievances without fear of retaliation as well as provide a copy of its policies on behavior intervention to LEA students and their parents upon enrollment.

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49500 et seq., 49530 et seq., and 49550 et seq.

LEA at its sole discretion may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

If CONTRACTOR uses a third-party vendor to provide meals, CONTRACTOR will assure that the third-party vendor agrees to comply with all meal pattern requirements of the School Breakfast Program and National School Lunch Program nutritional standards. Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

CONTRACTOR shall provide LEA with at least 30 days prior written notice of any change in its status under the National School Lunch Program/State Meal Mandate and shall work collaboratively with LEA to ensure that each eligible student receives required meals.

44. MONITORING

When CONTRACTOR is a nonpublic school, including NPS/RTC, the LEA (or SELPA) shall conduct at least one onsite monitoring visit during each school year to the NPS at which the LEA has a pupil attending and with which it maintains a master contract. The monitoring visit shall include, but is not limited to, a review of services provided to the pupil through the ISA between the LEA and CONTRACTOR, a review of progress the pupil is making toward the goals set forth in the pupil's individualized education program, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, and a walkthrough of the facility. The LEA (or SELPA) shall report the findings resulting from the monitoring visit to the California Department of Education within 60 calendar days of the onsite visit.

The LEA (or SELPA) shall conduct an onsite visit to CONTRACTOR before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

CONTRACTOR shall allow representatives from the LEA access to its facilities for the purpose of monitoring each LEA student's instructional program in accordance with Education Code section 56366.1. LEA shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

In accordance with Education Code section 56366.12, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between the LEA student and members of the student's individualized education program team and CDE's Constituent Services Office, at the student's discretion.

If CONTRACTOR is also an LCI or NPS/RTC, the LEA or its SELPA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

NPS/RTC Located Outside of California

In addition to the above, for a pupil placed in a NPS/RTC located outside of California, the LEA (or SELPA) shall also conduct an in-person interview with the pupil, in a manner consistent with the pupil's individualized education program, to evaluate the pupil's health and safety as well as the instructional program and implementation of positive behavioral supports. CONTRACTOR shall facilitate the LEA's (or SELPA) in-person interview with the pupil as well as at least quarterly check-ins with the pupil through an unmonitored telephone call, in a manner consistent with the pupil's individualized education program.

Additional Monitoring Requirements

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to CDE, shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in

year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three. (Education Code section 56366.1(j)).

CONTRACTOR shall fully participate in any LEA and CDE compliance review, including any On-Site and Self Review and if applicable, District Validation Review. This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perception, progress and concerns, as required by law. CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by the LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures requested by LEA or CDE related to such compliance review.

CONTRACTOR understands that the LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code section 33126.

PERSONNEL

45. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code section 44237, 35021.1, 35021.2 and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as "CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR's employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers who will have or likely may have direct contact with LEA students shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to the LEA that none of its employees, volunteers, or subcontractors who will have or likely may have any direct contact with LEA students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, the employee has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom instruction and/or individualized instruction or to provide related services hold a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58, and Title 5 of the California Code of Regulations sections 3001(r),3051, 3064 and 3065. Such qualified staff may only provide instruction and related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

In accordance with California Education Code section 56366.1(a)(5), when CONTRACTOR is a nonpublic school, the administrator of the nonpublic school shall hold or currently be in the process of obtaining one of the following: (A) An administrative credential granted by an accredited postsecondary educational institution and two years of experience with pupils with disabilities; (B) A pupil personnel services credential that authorizes school counseling or psychology; (C) A license as a clinical social worker issued by the Board of Behavioral Sciences; (D) A license in psychology regulated by the Board of Psychology; (E) A master's degree issued by an accredited postsecondary institution in education, special education, psychology, counseling, behavioral analysis, social work, behavioral science, or rehabilitation; (F) A credential authorizing special education instruction and at least two years of experience teaching in special education before becoming an administrator; (G) A license as a marriage and family therapist certified by the Board of Behavioral Sciences; (H) A license as an educational psychologist issued by the Board of Behavioral Sciences; or (I) A license as a professional clinical counselor issued by the Board of Behavioral Sciences. CONTRACTOR shall maintain, and provide to the LEA upon request, documentation of its administrator's qualifications in accordance with the above.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 et seq. and 45350 et seq. Specifically, all paraprofessionals, including, but not limited to instructional aides and teacher assistants, employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or higher) degree; or met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a CDE certified NPS program outside of this state and serving a student by this LEA shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

47. CALSTRS OR PERS RETIREMENT REPORTING

CONTRACTOR understands that the LEA is required to report all monies paid under this agreement to the local county office of education or as otherwise required by law. Neither LEA nor CONTRACTOR shall have a duty to monitor wages of CalSTRS or PERS retirees to ensure that their earnings are within the limitation prescribed by these or any other retirement system. Neither LEA nor CONTRACTOR shall be liable if CONTRACTOR'S agent(s), officer(s) or employee(s) exceeds a retirement system's earnings limitation and is reinstated to employment or required to repay retirement benefits. CONTRACTOR agrees to cooperate with LEA should any notices be provided under this provision.

48. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to the LEA a staff list, and copies of all current and required licenses, certifications, credentials, permits and/or other documents which entitle the holder to provide

instruction, special education and/or related services by CONTRACTOR and all individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. The LEA may file all licenses, certifications, credentials, permits or other documents with the office of the County Superintendent of Schools. CONTRACTOR shall notify the LEA in writing within thirty (30) days when personnel changes occur which may affect the provision of instruction, special education and/or related services to LEA students. CONTRACTOR shall provide the LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, certifications, credentials, permits and/or other documents for CONTRACTOR and all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall immediately, and in no circumstances longer than five (5) business days, provide to the LEA updated information regarding the status of licenses, certifications, credentials, permits and/or other documents of any known changes. Failure to provide properly qualified personnel to provide services as specified in a LEA student's IEP shall be cause for termination of the Master Contract.

49. **STAFF ABSENCE**

When CONTRACTOR is a nonpublic school and CONTRACTOR's classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided in accordance with California Education Code section 56061.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for their student. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and an authorized LEA representative.

50. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or nonpublic agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR. Reports regarding student progress shall be consistent with the provision of this Master Contract.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency

service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program.

For services provided outside of a pupil's school or in a pupil's home, as specified in the IEP, CONTRACTOR shall ensure that at least one parent of the pupil or an LEA-approved responsible adult is present during the provision of services. As used in this provision, the term "services" shall not apply to field trips or community-based instruction taking place outside of the school. All problems and/or concerns reported to parents, both verbal and written shall also be reported to the LEA.

HEALTH AND SAFETY MANDATES

51. HEALTH AND SAFETY

CONTRACTOR shall comply with all applicable federal, state, and local laws, regulations, ordinances, policies, and procedures regarding student and employee health and safety. CONTRACTOR shall comply with the requirements of California Education Code sections 35021 et seq., 49406, and Health and Safety Code section 121525 regarding the examination of CONTRACTOR's employees and volunteers for tuberculosis. CONTRACTOR shall provide to the LEA documentation for each individual volunteering, employed, contracted, and/or otherwise hired by CONTRACTOR of such compliance before an individual comes in contact with an LEA student.

CONTRACTOR shall comply with OSHA Blood Borne Pathogens Standards, 29 Code of Federal Regulations (CFR) section 1910.1030, when providing medical treatment or assistance to a student. CONTRACTOR further agrees to provide annual training regarding universal health care precautions and to post required notices in areas designated in the California Health and Safety Code.

52. FACILITIES AND FACILITIES MODIFICATIONS

CONTRACTOR shall provide special education and/or related services to LEA students in facilities that comply with all applicable federal, state, and local laws, regulations, and ordinances related, but not limited to: disability access; fire, health, sanitation, and building standards and safety; fire warning systems; zoning permits; and occupancy capacity. When CONTRACTOR is a nonpublic school, CONTRACTOR shall conduct fire drills as required by Title 5 California Code of Regulations section 550. CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities is required to comply with applicable federal, state, and local laws, regulations, and ordinances. CONTRACTOR shall maintain a school site safety plan incorporating disaster procedures, routine and emergency crisis response plan, including adaptations for pupils with disabilities.

53. ADMINISTRATION OF MEDICATION

Unless otherwise set forth in the student's ISA, CONTRACTOR shall comply with the requirements of California Education Code section 49423 and Title 5 of the California Code of Regulations section 600 et seq. when CONTRACTOR serves a LEA student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the LEA student with the administration of such medication after the LEA student's parent(s) provides to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from the LEA student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. CONTRACTOR shall maintain, and provide to the LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify the LEA student's name; the type of medication; the date, time, and amount of each

administration; and the name of CONTRACTOR's employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with student's physician's written orders and for securely storing medication. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

54. **INCIDENT/ACCIDENT REPORTING**

CONTRACTOR shall submit within one (1) school day by electronic mail, any accident or incident report to the LEA representative specified on Exhibit C, attached hereto and incorporated herein, including any behavior incident or behavior emergency intervention. LEA may specify procedures to be implemented by CONTRACTOR or forms to be submitted by CONTRACTOR related to accident or incident reporting.

CONTRACTOR shall notify LEA in writing, of any pupil-involved incident in which law enforcement was contacted. CONTRACTOR shall provide such written notice no later than one (1) business day after the incident occurred in accordance with Education Code section 56366.1(i).

55. CHILD ABUSE REPORTING

CONTRACTOR shall maintain written protocols for identifying signs of abuse or neglect, both physical and psychological, consistent with the mandated reporting requirements of Penal Code Section 11165.7. CONTRACTOR hereby agrees to and shall ensure all employees and any subcontractors whose duties require contact with or supervision of students are annually trained, including volunteers, so that they are familiar with and agree to adhere to the child and dependent adult abuse mandated reporting obligations and procedures as specified in California Penal Code section 11164 et seq. To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

56. **SEXUAL HARASSMENT/DISCRIMINATION**

CONTRACTOR shall have a Sexual and Gender Identity Harassment Policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

57. **REPORTING OF MISSING CHILDREN**

CONTRACTOR assures the LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to the LEA. The written statement shall be submitted as specified by the LEA.

FINANCIAL

58. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the nonpublic school or nonpublic agency has the necessary financial resources to provide an appropriate education for the children enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedure as well as provide all such records requested by LEA concerning the same. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the LEA student's IEP and ISA which are provided on billable days of attendance. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program and each related service. Original attendance forms (for example, roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by the LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to the LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents may be submitted electronically if requested by LEA and CONTRACTOR has the systems in place to generate the requested documents. The LEA may designate forms for use by CONTRACTOR when submitting invoices. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the ISA or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and the name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30)

calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by the LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

59. RIGHT TO WITHHOLD PAYMENT

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a): the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (if the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such

notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

60. BILLING/PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

61. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30)

calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP or ISA.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10^{th}) cumulative day of the LEA student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. The LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. The LEA shall not be responsible for payment of DIS or related services for days on which a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

In the event a LEA student is chronically absent due to school refusal or other behaviors related to the student's disability and IEP interventions have been unsuccessful in improving school attendance, CONTRACTOR may request that LEA provide payment for a billable day of attendance related to such absences, on a case-by-case basis given the unique circumstances of the student and the student's individualized needs. LEA may, in its sole discretion, agree to pay CONTRACTOR for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. Any such determination by the LEA must be set forth in writing as a condition for such payment.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make-up.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student's absence. The LEA shall not be responsible for the payment of services when a student is absent.

62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422 and 46392:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether the LEA is open or closed.

b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing their regular attendance, until an alternative placement can be found and implement LEA student's IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.

c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and CONTRACTOR shall implement LEA student's IEPs in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTACTOR due to CONTRACTOR'S school closure.

If instruction or services, or both, cannot be provided to the student either at school or in person for more than 10 days due to an emergency condition described in Education Code sections 41422 and 46392, CONTRACTOR acknowledges the requirements of Education Code section 56345(a)(9) to provide special education and related services, supplementary aids and services, transition services (as applicable) and ESY (as applicable) as specified in the IEP. When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

For any physical school closure in which in-person instruction is restricted by order of the State or local agency, CONTRACTOR shall provide instruction in accordance with Education Code section 56345(a)(9) and Exhibit D, attached hereto and incorporated herein.

63. **INSPECTION AND AUDIT**

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide the LEA access to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and rollbooks of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, social security numbers (last four digits unless otherwise required), dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and

canceled checks or facsimile thereof. Such access shall include unannounced inspections by the LEA. CONTRACTOR shall make available to the LEA all budgetary information including operating budgets submitted by CONTRACTOR to the LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of the LEA or CONTRACTOR's offices at all reasonable times and without charge. All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

64. RATE SCHEDULE

The rate schedule attached hereto as Exhibit A and incorporated herein by reference, limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as set forth in Paragraph 23 above and Education Code section 46000 et seq.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibit A.

65. PAYMENT FOR ROOM AND BOARD FOR NPS/RTC

When CONTRACTOR is an NPS associated with an RTC (NPS/RTC), CONTRACTOR shall be eligible for Room and Board payments on dates that the student was actually in attendance and received Room and Board services, payable for up to a maximum of 365 billable days or 366 days during a leap year, which may include a maximum of ten (10) days per contract year when the student's bed is unoccupied due to home visits of a therapeutic nature, unless otherwise mutually agreed upon by CONTRACTOR and LEA. Any payment for additional days in special circumstances, such as a student's hospitalization or extended home visits exceeding ten (10) days in a contract year, requires prior written approval from both the LEA and the CONTRACTOR.

66. DEBARMENT CERTIFICATION

By signing this Agreement, CONTRACTOR certifies that:

(a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and

(b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2026 and terminates at 5:00 P.M. on June 30, 2027, unless sooner terminated as provide herein.

MEMORANDUM OF UNDERSTANDING BETWEEN THE ORANGE COUNTY SUPERINTENDENT OF SCHOOLS AND PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT

Background
The Orange County Department of Education (OCDE), Division of Special Education Services, operates special education programs to provide services to individuals with exceptional needs requiring intensive educational services, including a regional deaf and hard of hearing program.

The memorandum of understanding (MOU) between the OCDE and the school district is revised each year by OCDE staff and a fiscal advisory committee consisting of Special Education Local Plan Area (SELPA) directors and district business officers. The MOU delineates the responsibilities of OCDE and the district for the evaluation, placement, education services and transportation students receive in special school programs. The MOU also specifies the calculation of costs to be billed to districts for each pupil placed in the OCDE program.

OCDE provides various specialized programs for districts in Orange County to access based on the needs of various students. The county provides programs for students with intensive behaviors, social-emotional, and academic needs. They also provide programs for preschool-aged students who are deaf and hard of hearing and require specialized services such as auditory-verbal therapy to support students with cochlear implants, as well as sign language instruction.

This agreement will be effective from July 1, 2026, to June 30, 2027.

Memorandum of Understanding Between

The Orange County Superintendent of Schools

And

"Placentia Yorba Linda Unified School District"

2026-2027

The Orange County Superintendent of Schools, which operates the Division of Special Education Services within the Orange County Department of Education, hereinafter referred to as "OCDE," and the Placentia Yorba Linda Unified School District, herein referred to as "District," and collectively referred to herein as the "Parties," mutually agree as follows ("Agreement"):

1. Basis of Agreement

Pursuant to the authority established in Education Code sections 56195, 56195.1, 56195.3 and 56195.5, OCDE may provide for the education of individual pupils in special education programs who reside in other districts or counties. The OCDE Division of Special Education Services operates the Connections Empowering Every Learner® Program (formerly known as OCDE Special Schools) to provide special education programs and services to individuals with exceptional needs ages 3 through 22 requiring intensive educational services, including a regional deaf and hard of hearing program, in accordance with the Individuals with Disabilities Education Act ("IDEA") and California state law. The OCDE Connections Program operates on multiple public school sites throughout Orange County designated as preschool, elementary, secondary and adult transition programs.

2. Term of Agreement

This Agreement is effective for the period beginning July 1, 2026 and ending June 30, 2027.

3. Acknowledgment of Special Education Funding Formula

It is acknowledged that, in accordance with Part 30 of the Education Code, Chapter 7.2, Section 56836 et seq., the California State funding formula for special education programs, services and administration generates an entitlement based on the average daily attendance of pupils in the local education agencies that comprise a Special Education Local Plan Area ("SELPA"). It is further acknowledged that the SELPA base year calculations for special education funding under Assembly Bill 602 ("AB 602") include a dollar amount that is transferred back to the SELPA of residence for pupils served in special education programs prior to implementation of AB 602. The Parties acknowledge that both the distribution of these special education funds and the District's fiscal responsibility for students served outside the SELPA of residence are determined by the Local Plan of the SELPA of residence.

4. Scope of Program and Referral Process to OCDE

OCDE shall conduct special education programs and services for those eligible pupils of the District referred by their Individualized Education Program ("IEP") teams when it is jointly determined by the District and OCDE that the pupil's educational needs as specified in the pupil's IEP can be appropriately met by the programs and services operated by OCDE. Prior to offering placement in any OCDE Connections Program, the District shall contact the appropriate OCDE Connections Principal or OCDE Connections Program Administrator to discuss a possible referral and the appropriateness of the OCDE Connections Program placement. If the referral seems

appropriate, the District shall obtain from the parent authorization to release information to OCDE and submit an electronic referral to OCDE via the OCDE Connections secure portal as well as schedule a visitation at the OCDE Connections Program site with the parent and District representative. District referrals to the OCDE Connections Program shall be uploaded electronically through OCDE's secure portal https://transfer.ocde.us/form/SESReferralSubmission.

Upon review of the referral and site visit by parent/District, the OCDE Connections Program Principal and District representative will coordinate an IEP team meeting for purposes of discussing possible placement in an OCDE Connections Program. The OCDE Connections Program Principal or designee must participate in the District's IEP team meeting in which placement in an OCDE Connections Program is being recommended.

OCDE recognizes there may be situations in which the District desires to refer a student to an OCDE Connections Program outside of the IEP process, such as a mediation or other alternative dispute resolution process. Prior to offering the OCDE Connections Program outside of the IEP process, District shall contact the appropriate OCDE Connections Program Principal or OCDE Connections Program Administrator to discuss the referral, complete the OCDE referral process, and obtain prior written approval from OCDE before offering placement in an OCDE Connections Program.

OCDE shall maintain and provide special education programs for District pupils during the 2026-2027 school year within the administrative parameters established by the Special Education Fiscal Advisory Committee. Class size ranges and student-adult ratios shall be maintained in a manner which allows OCDE to meet the programmatic, health and safety needs of the pupils. Pupils enrolled in an OCDE Connections Program shall matriculate within the OCDE Connections

Program based on their grade (preschool, elementary, secondary and adult transition programs) as determined by the IEP team. Pupils enrolled in the OCDE Connections Program who earn a diploma of graduation from high school, including pupils eligible for the alternative diploma pathway pursuant to Education Code section 51225.31 et. seq., shall receive a diploma through OCDE's Division of Alternative, Community and Correctional Education Schools and Services ("ACCESS") unless District requests the pupil receive a District issued diploma.

5. Responsibility of School District of Residence

The District and OCDE acknowledge that the District, as the pupil's district of residence, maintains primary responsibility as the local education agency ("LEA") to ensure the pupil receives a free appropriate public education. If there are concerns about the appropriateness of the pupil's placement in an OCDE Connections Program, the Parties shall collaborate and participate in an IEP team meeting(s) as appropriate to address such concerns, including but not limited to securing additional supports or alternative placement options.

In the event a pupil referred by the District to an OCDE Connections Program moves out of the District, the District shall immediately provide OCDE written notice of the pupil's change in residence, including the new school district of residence. Similarly, OCDE shall immediately notify District in the event a parent reports a change in residence, including the new school district of residence, if known. Pupils enrolled by the District in an OCDE Connections Program who are foster youth are entitled to remain in the school of origin in accordance with Education Code sections 48853.5 and 48204(a)(2). In the event of a dispute regarding the district of residence for a pupil, the District will remain responsible for funding the pupil's placement in the OCDE Connections Program until a new local educational agency responsible for ensuring the pupil

receives a free appropriate public education has been identified. District and OCDE shall collaborate to identify the new local educational agency responsible for the pupil.

In the event of a disciplinary matter involving a pupil enrolled by the District in an OCDE Connections Program, OCDE will follow its student discipline policies/procedures and collaborate with the District. OCDE shall comply with all federal and state laws and regulations regarding student discipline, including but not limited to prohibitions on restraint and seclusion.

6. Annual and Triennial Reviews

The District shall be notified of annual reviews scheduled for its pupils participating in an OCDE Connections Program and shall provide a representative who will participate in the development of the annual IEP. For initial placement, triennial review, matriculation, recommendation for home instruction, or a change in eligibility or services specified on the current IEP, a District representative who is authorized to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall attend the IEP team meeting. For pupils enrolled in an OCDE Connections Program who are participating in a general education program on the school site in the school district where the OCDE Connections Program is located (referred to as the "Host District") OCDE will work with the Host District to provide a general education teacher at IEP team meetings. In the event the Host District is unable to provide a general education teacher for the IEP team meeting, the District agrees to provide a general education teacher unless otherwise waived in writing by the pupil's parent in accordance with the IDEA and state law. For all other pupils enrolled in an OCDE Connections Program, the District agrees to provide a general education teacher at IEP team meetings unless otherwise waived in writing by pupil's parent in accordance with the IDEA and state law. Subject to approval by the

pupil's parents, the general education teacher and/or other IEP team participants may use alternative means of meeting participation, such as video conferences and conference calls.

Progress reports relating to goals and objectives in a pupil's IEP shall be sent by OCDE to parents per the pupil's IEP schedule for progress reporting and to the Director of Special Education of the District upon request. When requested by District or parent, an updated report shall be provided if there is no current progress report whenever a pupil is scheduled for an IEP review or when pupil's enrollment in OCDE is terminated.

7. Integration/Inclusion Opportunities

The Host District where OCDE Connections Programs operate often provide opportunities for pupils enrolled in an OCDE Connections Program to integrate with typical peers during the school day. These opportunities are typically in non-core curriculum areas such as physical education, art, music, assemblies, recess and lunch. Some pupils enrolled in an OCDE Connections Program may have opportunities to participate in core curriculum activities for a portion of the school day in a program operated by the Host District, however, such pupils are supervised by OCDE staff at all times during such activities. In the event a pupil enrolled in an OCDE Connections Program is participating in core curriculum activities in a program operated by the Host District for more than fifty percent (50%) of the school day, the Host District will be reimbursed for any costs incurred resulting from such pupil's participation, upon OCDE's receipt of appropriate documentation of such costs.

8. Assessments/Independent Educational Evaluations

OCDE and District shall coordinate and collaborate in conducting assessments for pupils participating in an OCDE Connections Program. In the event OCDE staff is not available to conduct a requested assessment, OCDE shall notify the District and/or District's SELPA to assist in conducting such assessment(s). In the event a referral is made by a pupil's IEP team or a pupil's parent/guardian for an educationally related mental health services ("ERMHS") assessment, OCDE shall immediately notify the District, and the District shall determine how to proceed with the requested ERMHS assessment.

In the event a request is made for an independent educational evaluation ("IEE"), OCDE shall immediately forward such request to the District and the District, in collaboration with OCDE, shall determine how to respond to the request for an IEE. If the District receives a request for assessment or IEE for a student referred to or enrolled in an OCDE Connections Program, the District shall immediately notify OCDE of the request and collaborate with OCDE as to how to respond. OCDE and/or the District may also schedule an IEP team meeting to further discuss the requested IEE or assessment.

9. Pupil Count

A count shall be taken of the number of pupils enrolled in OCDE's Connections Program as of the first day of each calendar month, July 1, 2026 through June 1, 2027. A pupil shall be counted as "enrolled" in an OCDE Connections Program on the first day of attendance in the program or fourteen (14) days after the IEP team has met and an approved IEP has been executed for the pupil's educational placement in an OCDE Connections Program, whichever occurs sooner. Pupils continuing in an OCDE Connections Program from the previous school year shall be

counted as "enrolled" on the first school day in September unless written notification of withdrawal is received from either the parent or district of residence. In the event a pupil withdraws from an OCDE Connections Program after the first day of the month, the District will be billed for the entire month consistent with the funding provisions in Section 11. If a continuing pupil has not attended school by the eleventh (11^{th}) day of the first school month, OCDE shall notify the district of residence and a determination shall be made regarding continuing enrollment. In the event either OCDE or District are informed that a pupil has been withdrawn by the parent from an OCDE Connections Program, each agency shall immediately notify the other of such withdrawal. Any pupil withdrawn by the parent from an OCDE Connections Program is no longer counted as "enrolled" or considered a continuing pupil for the following school year. When a student exits the OCDE Connections Program, OCDE shall return the hard copy of the student's cumulative student records file to the District and transfer the SEIS file back to the district, if applicable.

10. Definitions

a. "Special Education Fiscal Advisory Committee" shall be a committee comprised of the Orange County Special Education Local Plan Area Directors, Chief Business Officials representing each SELPA and OCDE representatives including the Associate Superintendent of Connections, Executive Director of Special Education of the Connections Program, Business Administrator, and the Associate Superintendent of Business Services, or designee.

b. "Regional Special Education Programs" are the special education classes and support services operated by OCDE for pupils with the most significant disabilities, including

pupils who are medically fragile, pupils with low incidence disabilities, pupils with autism spectrum disorders, pupils with emotional disturbances, and other eligible pupils.

c. "Regional Deaf/Hard of Hearing (D/HH) Program" shall include classes and services operated by OCDE for pupils who are Deaf and Hard of Hearing and learn through total communication, utilizing sign language, note-takers, oral speech and residual hearing.

d. "Regional Oral Deaf Program" shall include classes and services operated by OCDE for pupils who are Deaf and Hard of Hearing and who learn through oral and written communication using oral speech, speech reading, residual hearing, auditory devices and cochlear implants.

e. "Special Education Program Income" shall be defined as the sum of all state and federal funds generated by or on behalf of pupils transferred to regional programs operated by OCDE Connections Programs under this Agreement. For the purposes of this Agreement:

f. "Special Education Program Expenditures" shall include Direct Costs, Direct Support Costs and Indirect Cost of OCDE Connections Programs.

g. "Average Cost Per Pupil" shall refer to the Special Education Program Expenditures attributable to the program divided by the average number of pupils enrolled during the year.

h. "Average Number of Pupils" shall refer to the total of the number of pupils counted on the first school day of each calendar month divided by the number of calendar months in the period specified.

i. "Host District" shall refer to the school district of the school site where OCDE leases classroom/facilities for operation of the OCDE Connections Program.

11. Funding

In consideration of the enrollment of pupils in special education programs conducted by OCDE, the SELPA and/or the school district transferring pupils to the regional programs operated by OCDE agree to pay the average cost per pupil based on expenditure categories and ratios reviewed by the Special Education Fiscal Advisory Committee and shall provide for program funding as follows:

a. The District shall be responsible for the Average Cost per Pupil in an OCDE Connections Program, including the Regional Deaf/Hard of Hearing Program, multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils, including, but not limited to Revenue Limit, AB 602 funds, and federal IDEA Local Assistance Grant funds. The District shall be responsible for the Average Cost Per Pupil in the Regional Oral Deaf Program multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils, including, but not limited to Revenue Limit, AB 602 funds, and federal IDEA Local Assistance Grant funds.

b. Special Circumstance Assistant ("SCA"). The District, as specified in its SELPA's Local Plan, shall be responsible for the full cost of additional personnel required for the benefit of and specified in the IEP for individual pupils who are residents of the District.

c. The following documents shall be used as a basis for all figures reported:

(1) Various Program Cost Reports;

(2) State Form 01; and,

(3) In-House Accounting Reports.

d. OCDE Connections Program income and expenditures shall be listed in accordance with The California School Accounting Manual Standardized Account Code Structure for Special Education as of April 19, 1999, with a summary page as shown in Appendix A, incorporated herein.

e. Indirect cost for Special Education Programs operated by OCDE shall be at the state approved rate not to exceed seven and one-half percent (7.5%) of total Program expenditures.

f. OCDE shall bill the District on a monthly basis and forward invoices to the District's accounting department.

12. Related Services/Designated Instructional Services (DIS)/Supplementary Aids

OCDE provides the following related services as part of its Connections Programs: Speech-Language Pathology Services, Adapted Physical Education, Physical Therapy, Occupational Therapy, Health and Nursing, Specialized Physical Health Care, Vocational Counseling, Adult Transition, Assistive Technology/Alternative Augmentative Communication, Vision Services, Orientation and Mobility, Behavior Management/Intervention Psychological Counseling and Itinerant D/HH services. In addition to the above, as part of its Regional D/HH Program and Regional Oral Deaf Program, OCDE provides Audiological services and Sign Language Interpreters. Any other related services or supplementary aids necessary for the pupil to benefit from the special education program, including but not limited to ERMHS and low incident services and equipment, shall be provided by the District or as otherwise agreed to by OCDE and the District. Interpreter services at IEP team meetings and/or translation of documents shall be provided by the District or as otherwise agreed to by OCDE and the District. In addition, OCDE

shall separately bill the District for the services provided by an SCA as required by the pupil's IEP.

13. Home Instruction

When a pupil is absent from school for more than ten (10) consecutive school days as a result of a medical condition and is expected to have an extended health-related absence, the pupil's IEP team shall review the IEP and determine appropriate educational services. A District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall participate in the IEP team meeting when considering a placement for home or hospital instruction. When recommending placement for home or hospital instruction, the IEP team shall consider documentation from the pupil's treating physician indicating the pupil's condition, verifying that the condition prevents the pupil from attending school and providing a projected date for the pupil's return to school. Any in-home instruction, including other related services, shall be provided by the District or as otherwise agreed to by OCDE and the District pursuant to a separate agreement. In the event the pupil is hospitalized in a facility located outside of the District, it is the District's responsibility to inform the parent that instruction will be provided in accordance with Education Code sections 56167, 48207 and 48208. In either circumstance, it may be necessary to exit the pupil from OCDE in order for the District to provide the necessary in-home instruction or for the pupil to receive hospital instruction. In the event OCDE and the District agree that OCDE will provide in-home or hospital instruction to the pupil, OCDE shall separately bill the District for such services in accordance with the separate agreement.

14. Transportation

a. Transportation by the Orange County Department of Education

The District shall provide transportation for its pupils participating in an OCDE Connections Program unless otherwise agreed between the District and OCDE. In the event OCDE agrees to transport a pupil, the District shall be responsible for the difference between the Direct and Direct Support Cost of home-to-school transportation as shown on the annual State Transportation Report plus one percent (1%) indirect support costs and the state transportation allocation received by the OCDE on a per pupil basis pursuant to Appendix B, incorporated herein. The District shall pay for the full cost of one-on-one transportation assistants as specified in the pupil's IEP. In the event OCDE is transporting five (5) or more District pupils from one (1) OCDE Connections Program site, the District shall provide OCDE written notice on or before December 1 of each year of any proposed changes in the number of students requiring OCDE transportation for the following school year. Absent appropriate notice from the District of any proposed change in transportation for the following school year, the District may be solely responsible for funding the costs related to such change in transportation. Similarly, OCDE shall provide the District written notice on or before December 1 of each year of any proposed changes in OCDE's transportation services, not including cost projections, for the following school year.

b. Transportation by District

Districts transporting pupils to an OCDE Connections Program shall ensure that buses arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and

subsequently made up may result in charges to the District for additional costs incurred by OCDE related to such delays.

15. Due Process and Complaints

OCDE and District agree to collaborate and fully cooperate in any due process proceeding involving a pupil currently attending or formerly enrolled in an OCDE Connections Program, including resolution sessions, mediations and hearings, as well as coordinating witness availability and producing documents regarding the pupil.

In the event OCDE is named as the sole LEA in a due process complaint, OCDE and District agree that District, as the pupil's school district of residence, is a necessary party to the due process proceedings.

OCDE and District shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency.

16. Estimated Billing

The estimated billing for 2026-2027 will be based on actual information for 2025-2026 plus COLA as set forth in the most current State Budget plus any budgeting projections for step and column, and salary and benefit increases.

17. Final Accounting

An accounting accompanied by completed Appendices A and B with appropriate supporting documentation shall be sent to each District by September 15 of the following year. In addition,

OCDE shall provide a quarterly expenditure report to the District's Director of Special Education. Corrections to prior year OCDE Connections Program costs resulting from adjustments to income or expenditure calculations shall be credited or billed to the District affected by the correction or adjustments.

18. Projected Enrollment/Facilities and Staffing Needs

In order to assist OCDE in planning for both facilities and staffing needs for its programs, each District shall submit to OCDE, in writing, on or before December 1 of each year, the projected number of pupils expected to be transferred to OCDE programs for special education and support services in the following school year. Absent a projection, the number of District pupils reported in the current year December 1 Federal Pupil Count shall be used for facilities, staffing and budget planning by OCDE for the following school year. In the event the District intends to withdraw five (5) or more pupils from a specific OCDE Connections Program site to return its' students to the District or enroll five (5) or more pupils in a specific OCDE Connections Program site for the following school year, the District shall notify OCDE in writing of such intention on or before December 1 of each year. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration. Absent appropriate notice from the District of any proposed change in enrollment in an OCDE Connections Program site for the following school year, the District may be solely responsible for funding the costs related to such change in enrollment.

If the District is a Host District for any OCDE Connections Program, the District shall submit to OCDE, in writing, on or before December 1 of each year, notice of any proposed facilities projects, including but not limited to modernization or new construction projects at the school site where the OCDE Connections Program is located, as well as any potential impact such

projects may have on the operation of an OCDE Connections Program, including opportunities for integration with typical peers at the Host District school site. In the event any such project would require relocation of an OCDE Connections Program, the District shall provide OCDE with at least one (1) year prior written notice to allow OCDE sufficient time to plan accordingly. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration.

In the event OCDE intends to close an OCDE Connections Program in which District pupils are enrolled, OCDE shall notify the District in writing of such intention on or before December 1 of each year.

19. Program Cost for 2026-2027

On or before fifteen (15) days after the release of the May revise each year, the Orange County Superintendent of Schools shall compute the projected Special Education Program Income and Special Education Program Expenditures for the following year with an Average Cost per Pupil for pupils enrolled in OCDE Connections Programs based on the Projected Enrollment data, and provide it to District Student Services and Business Directors.

20. Notices

All notices to be given pursuant to this Agreement, by either party to the other, shall be in writing and (a) delivered in person; (b) deposited in the United States Mail duly certified or registered, return receipt requested with postage prepaid; or (c) sent by Federal Express or other similar overnight delivery service. Notice is deemed to have be duly given and received upon (a) personal delivery; (b) as of the third business day after deposit in the United States Mail; or

(c) the immediately succeeding business day after deposit with an overnight delivery service. Notices hereunder shall be provided to the following addresses, and such addresses may be changed by providing written notice in accordance with this Section:

21. No Waiver

The failure of OCDE in any one or more instances to insist upon strict performance of any of the terms of this Agreement or to exercise any option herein conferred shall not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon such terms or option on any future occasion.

22. Hold Harmless

To the extent permitted by law, and except for the acts or omissions of employees, agents and officers of the District, OCDE agrees to hold harmless, indemnify and defend the District and its governing board, officers, agents and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising from or connected with OCDE's

performance of services during the term of this Agreement. To the extent permitted by law, and except for the acts or omissions of employees, agents and officers of OCDE, the District agrees to hold harmless, indemnify and defend OCDE and its governing board, officers, agents and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising from or connected with the District's performance of services during the term of this Agreement.

23. Complete Agreement

This Agreement is the complete agreement of the Parties. Any amendments hereto shall be in writing and shall be dated and executed by both Parties.

24. Applicable Law

This Agreement is governed by California state and federal law with venue in Orange County, California, and shall be interpreted as if jointly drafted by the Parties to this Agreement.

MEMORANDUM OF UNDERSTANDING BETWEEN THE NORTH ORANGE COUNTY REGIONAL OCCUPATIONAL PROGRAM (NOCROP) AND PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT (PYLUSD)

Background

The purpose of this MOU is to enhance the Work Ability Program between NOCROP and PYLUSD. NOCROP agrees to provide pre-employment skills, vocational training, and work-based learning opportunities for high school and adult transition students with Individual Educational Plans (IEPs). The goal is to increase the number of students receiving services through NOCROP and participating in subsidized employment.

To achieve this, NOCROP will develop work-based learning experiences and collaborate with PYLUSD to identify and establish student job placements within various district departments as well as at community-based sites. These opportunities are designed to bridge the gap between classroom instruction and real-world employment, helping students gain meaningful, hands-on experience in the workforce.

This agreement will be effective from July 1, 2026, to June 30, 2027.

MEMORANDUM OF UNDERSTANDING

between the North Orange County Regional Occupational Program and the Placentia-Yorba Linda School Unified District

This Memorandum of Understanding (MOU) is made and entered into on **June 17, 2026**, between the **North Orange County Regional Occupational Program** (hereinafter "NOCROP") and the **Placentia-Yorba Linda Unified School District** (hereinafter "PYLUSD"), collectively referred to as "the Parties."

PURPOSE:

The purpose of this MOU is to outline a relationship between NOCROP and PYLUSD for a term commencing on **July 1, 2026** and continuing through **June 30, 2027**, aimed at enhancing the Workability Program between the two parties.

SCOPE OF WORK:

- PYLUSD agrees to pay, up to $20,000 to NOCROP for additional student earnings for students participating and/or eligible for Workability services.

NOCROP RESPONSIBILITIES:

1. Student Training and Support: NOCROP agrees to provide preemployment skills training, vocational training, and work-based learning opportunities for students eligible for Workability services, ultimately increasing the number of adult transition students participating in subsidized employment and expand subsidized employment opportunities to high school students.

2. **Work-Based Learning Opportunities:** NOCROP will create invaluable work-based learning opportunities for students, partnering with local businesses to provide internships, pre-apprenticeships, and real-world, service-learning projects. NOCROP has worked with hundreds of employers to place students into work-based learning experiences and employment over the last fifty years through structured Community Classroom and Cooperative Vocational Learning models. These experiences will bridge the gap between classroom learning and industry practice, giving students a competitive edge in the job market. NOCROP will assume workers compensation liability coverage for all students participating in unpaid work-based learning experiences while the employer covers such in paid ones.

3. **Funding Support:** NOCROP will actively collaborate with PYLUSD to ensure that Workability funds remain equitably split between the two districts currently served under the Workability grant, while using the additional $20,000 allocation to supplement and serve additional students eligible under Workability. The parties agree to a 5% indirect cost charge to support administrative expenses allocated to this agreement. Funding is to cover the cost of student wages at the minimum wage hourly rate for the State of California and accompanying student benefits (Medicare, OASDI, and Workers Compensation). Furthermore, PYLUSD will only be invoiced for

actual hours worked, in addition to statutory benefits and the agreed upon indirect cost rate, not to exceed $20,000.

4. **Workability Requirements:** This MOU is an extension of the Workability Grant between both parties. All requirements under the Workability grant are assumed for this MOU. All terms and conditions are assumed under the Workability grant already in place.

WITHDRAWAL OF PARTICIPATION:

Upon written notice (of not less than one month) either party may withdraw and terminate from its status under this MOU and will incur no liability for any obligation incurred by PYLUSD and/or NOCROP after the date of submission of its notice of withdrawal, provided that such withdrawal is completed by the end of such fiscal year.

In the event of an early withdrawal, the parties agree to ensure all students who have completed anticipated compensated work-based learning hours are compensated per this agreement prior to withdrawal.

GOVERNING LAW:

This MOU shall be governed by and construed in accordance with the laws of the State of California.

AGREEMENT WITH RAPTOR TECHNOLOGIES FOR THE VISITOR MANAGEMENT ANNUAL ACCESS FEE, RAPTOR EMERGENCY MANAGEMENT FULL SITE, COMPLIANCE & SUCCESS PROGRAM LEVEL III, SUBSCRIPTION RAPTOR CONNECT FOR THE 2026-27 SCHOOL YEAR

Background

The Raptor Technologies Platform is a key component of PYLUSD's comprehensive school safety and emergency preparedness efforts. Through the Raptor Visitor Management System, all campus visitors are screened by instantly checking identification against national sex offender registries, including the federal Megan's Law database. If a match is identified, designated school staff are immediately alerted, enhancing the safety and security of our campuses.

In addition to visitor management, PYLUSD utilizes Raptor's Emergency Management and Drill Manager modules to strengthen emergency preparedness and compliance efforts districtwide. The Drill Manager module streamlines the planning, documentation, and reporting of required safety drills, including fire, earthquake, lockdown, and evacuation drills, while supporting compliance with state requirements and district safety practices.

CONTRACT WITH OUTREACH CONCERN FOR COUNSELING AND SUPPORT SERVICES

Background

Interventions for all students are needed to support students' academic, behavioral, and socio-emotional well-being and to address barriers to student success. Outreach Concern, Inc. is a professional organization that provides trained counseling interns to supplement the existing counseling services in PYLUSD schools. These interns are supervised by licensed professionals and are equipped to provide school-based, solution-focused support to students in need.

The renewal of this contract will allow PYLUSD to continue offering a total of 26 days of counseling services per week across PYLUSD schools. These additional supports have played a vital role in ensuring students receive timely and appropriate interventions to promote emotional well-being, support positive school behavior, and reinforce students' academic engagement. By renewing our partnership with Outreach Concern, we are sustaining a critical layer of support for students and schools, and reinforcing the district's commitment to early intervention and multi-tiered systems of support for all learners.

This contract will be effective from August 1, 2026, through June 30, 2027.

Contract for Professional Services

Outreach Concern is a nonprofit, pupil personnel organization founded in 1993. We've provided counseling and support services to over 1,000 schools throughout Southern California, serving over 2,000,000 children, adolescents, and families. Our purpose is to develop, implement, manage, and evaluate comprehensive, school counseling programs that support students and contribute to the mission of the schools we serve.

Outreach Concern, Inc. ("Outreach"), a California nonprofit corporation, hereby proposes to provide pupil personnel services to **schools within the Placentia- Yorba Linda Unified School District** as itemized in this proposal for a continuous period of time after placement **beginning August, 2026 and ending June, 2027.**

I. Services

Outreach will provide the following pupil personnel services:

1. **In-school Counseling Program:** Outreach Concern will provide **26 days of counseling service per week for schools within the Placentia-Yorba Linda Unified School District.** Each school is assigned a staff of highly trained and qualified counselors who provide for the ongoing counseling and pupil personnel needs of the school and student population. The scope of the on-site counseling program will be mutually determined by the school and Outreach Concern. Days and times of counselor placement will be mutually agreed upon prior to the commencement of the school year, subject to limitations imposed by emergency declarations and as may be specifically agreed upon by the School and Outreach and in accordance with the School's needs and Outreach's ability to provide services.

2. **Regional Field Supervisors:** Each school is assigned a RFS whose responsibility is to train, manage, and supervise the counseling staff in the assigned school, as well as support the pupil personnel needs of the school, working closely with the principal and faculty.

3. **Outreach Concern School Safety Crisis Hotline:** The crisis hotline is available to all students attending our contracted schools, providing them and their families access to a trained counselor where or whenever they need additional support, 24 hours a day, 365 days a year.

4. **Outreach Concern Emergency Response Team:** In the event of a catastrophic situation or accident on a school campus, Outreach Concern will respond by incorporating our Crisis Response Team, consisting of a specialized clinical staff that can assist students and faculty in transitioning through whatever crisis has impacted the school, faculty, and student population.

Initials: _____

5. **Community Clinic:** Many times, a troubled child is only a symptom of a deeper problem within the family. In some situations, a family needs additional guidance and support in dealing with a disturbed child or adolescent, or other issues that are impacting their lives. Our community clinic provides counseling services to assist families through difficult times, as well as providing them managing and parenting skills for their immediate and long-term needs. Services are provided on a sliding scale basis.

6. **Multi-County Referral Network:** In the event that a student's needs cannot be met by the Outreach Concern counseling staff in the school, we have contracted with a group of licensed professionals throughout Orange and Los Angeles Counties who are willing to either support or continue the quality of care to students and their families on a sliding fee scale basis.

7. **Workshops and Prevention Programs for Students:** In-classroom workshops for students on a variety of topics, such as study skills, bullying, and substance abuse, can be provided to assist them in dealing with today's life problems that affect them both inside and outside the classroom.

8. **In-service Training for Teachers:** Teachers and principals fill a vitally important role in children's lives. Our workshops are designed to give them additional management and coping skills for the classroom and help create a positive teaching environment.

II. Terms

1. All counseling and support services provided by Outreach will be provided by qualified professionals, licensed and unlicensed, who will perform counseling services in accordance with the professional dictates of Outreach Concern.

2. All intern-counselors will be provided by Outreach with weekly clinical supervision by the Outreach Concern staff. Clinical Supervisors will be psychiatrists, psychologists, MFCCs, LCSWs, or Outreach Concern staff who are Service Associate Therapists to Outreach. Additional guidance will be available to intern-counselors by Regional Field Supervisors and by telephone at any time the counselor is working on the School campus. Counselors assigned to a school site will maintain close communications with the principal. A caseload list and schedule will be provided to the principal and kept updated.

3. Liability insurance for counselors is the responsibility of Outreach. Outreach shall maintain general/professional liability insurance at $2,000,000/occurrence and includes required coverage for sexual abuse and molestation.

4. The Outreach Concern Regional Field Supervisor and intern-counselors will comply with fingerprint requirements as required by the **Placentia Yorba Linda Unified School District**. All costs associated with this requirement will be the responsibility of the individual Regional Field Supervisor or intern-counselor.

5. Counselors are recognized by the School to be employees of Outreach. They are bound by contracts with Outreach, by the ethical and legal obligations of the counseling profession, the laws regarding counseling of minors in the State of California, and the regulations of Outreach, including the provisions of Education Code 49602, and Penal Code 11164 et. Seq. (CA Child Abuse and Neglect Reporting Act).

Initials: _____

6. Counselors may not take on additional responsibility for the School administration as Outreach is a legally separate entity from the School and its counselors are not members of the School's staff. Counselors are employees of Outreach and are answerable only to the Executive Director and their Regional Field Supervisor.

7. Business matters between the School and Outreach are the responsibility of the Principal and the Executive Director of Outreach and may not be handled by the counselor or by any other members of the School administration or staff.

8. Counseling matters are the responsibility of the Regional Field Supervisor and the Principal and may not be handled by any other member of the School administration or staff.

9. Outreach will be the sole responsible party for all pupil personnel services at the School and the School shall not engage the services of any other group, agency, or individual for the purpose of providing these services during the term of this contract, excluding Spec. Ed. needs.

10. The relationship of Outreach to the School shall be that of an independent contractor. Nothing in this agreement shall be construed to create an employer-employee or principal agent agreement. Outreach agrees to indemnify the School and hold it harmless from all claims, demands, and liabilities of any kind relative to any act or omission of Outreach, its counselors, agents, employees, or subcontractors.

11. Certain counseling interns with Outreach Concern have a requirement from the universities they attend to provide audio or video recordings of their counseling sessions. Those intern counselors who are required to incorporate this process will first contact the students' parents to gain permission and explain the process. They will provide the parent an Audio/Video Recording Release Form that when signed, will allow the intern counselor to audio/video record counseling sessions. The tape will be reviewed by the intern counselor's university instructor and then destroyed. Taping frequency may depend on the university requirements which will be communicated to the student's parent.

III. Provisions by the School District

The School/School District shall provide the following:

1. Suitable office space for counseling services in which the counselor can conduct therapy sessions with confidentiality and without disturbance.

2. A telephone available to the counselor for professional calls requiring privacy.

3. Parental consent forms must be distributed, collected, and recorded by the school, and made available to the Regional Field Supervisor before a child can be seen by a counselor unless in the case of an emergency.

4. New schools will provide an opportunity early in the school year at which a member of the Outreach administrative staff will speak to the parents to explain the counseling services available to them. Returning schools may request a parent meeting, if so desired.

5. A presentation to the faculty early in the school year to explain the counseling services.

Initials: _____

6. In the event that the Board and Cabinet of the Placentia-Yorba Linda Unified School District determines counseling needs at schools require fewer days than are currently being contracted for, services may be shifted to another site, depending upon need. Outreach Concern would require a 30 day notice of any changes in service location to make an appropriate transition.

7. District will provide Outreach Concern access to the Aeries System to be used to identify current academic standings throughout the year as well as to identify pertinent data needed to support counseling activity.

IV. Terms of Payment

Pupil personnel services to the **Placentia-Yorba Linda Unified School District.** For such services, **Placentia-Yorba Linda Unified School District** shall pay a stipend of **$130,000** to Outreach Concern for counseling services for the District Schools for the **2026-2027** school year.

Payment shall be paid under the following terms:

Payment Shall be paid in 10 monthly installments of $13,000 totaling $130,000 throughout the 2026-2027 school year. Invoices will be submitted directly to the Placentia-Yorba Linda Unified School District for 10 monthly payments of $13,000 expected by the 15th of the month.

Initials: _____

V. Termination of Contract

Outreach may at its discretion terminate this contract at any point during the school year for the following causes:

1. Lack of cooperation on the part of the School, such that the counseling work is compromised.

2. Failure to provide an appropriate and secure work environment, such that the counseling work is compromised.

3. Non-payment of the stipend in accordance with the terms set forth in Section IV. Termination shall be in the form of 30 days written notice to the School.

4. Any other practical breach of this contract or any rules, regulations, requirements of Outreach's pupil personnel services.

5. The District may, at any time, in its sole discretion, terminate this Agreement at any time for any reason. Written notice by District shall be sufficient to stop further performance of services by Outreach Concern. Notice shall be deemed given when received by Outreach Concern or no later than three days after the day of mailing the notice, whichever is sooner.

V. Acceptance of Terms

Signature of the contract by an authorized representative of the School shall constitute acceptance of this contract and its terms.

INDEPENDENT CONTRACT AGREEMENT WITH SEVEN MINDSETS (FORMERLY KNOWN AS BASE ED LLC) FOR SECONDARY AND ALTERNATIVE EDUCATION SCHOOLS

Background

Seven Mindsets, formerly known as Base Education, LLC, provides online modules to address behaviors and provide restorative opportunities for students. First approved and piloted in 2018, Base Education has been successfully used in our intervention classrooms at secondary schools. By providing resources for alternatives to suspension, our Intervention classroom teachers and school administrators can work together to determine the Base Education Lessons that are directly related to the student's code of conduct violations to facilitate restorative behavior and learning. Parent companion courses accompany all Base Education courses, helping parents understand what their children are learning and providing them with tools to engage in healthy dialogue.

This contract will be effective from August 1, 2026, through July 31, 2027.

INDEPENDENT CONSULTANT/CONTRACTOR AGREEMENT

THIS AGREEMENT is made and entered into this 1st day of June, 2026, by and between 7 Mindsets, hereinafter referred to as "Consultant," and the Placentia-Yorba Linda Unified School District, hereinafter referred to as "District."

WHEREAS, the District is in need of special services and advice in financial, economic, accounting, engineering, or administrative matters; and
WHEREAS, Consultant is specially trained, experienced, and competent to provide the special services and advice required; and
WHEREAS, such services are needed on a limited basis;
NOW, THEREFORE, the parties hereto agree as follows:

1. **SERVICES TO BE PROVIDED BY CONSULTANT/CONTRACTOR:** (Use attachment if more room needed)
   Online character education curriculum that offers personalized lessons to address student needs for our intervention classrooms.

2. The Consultant/Contractor will commence providing services under this **AGREEMENT** on , August 1, 2026, and will diligently perform as required and complete performance by, July 31, 2027. The Consultant/Contractor will perform said services as an independent Consultant/Contractor and not as an employee of the District. Consultant/Contractor shall be under the control of the District as to the result to be accomplished and not as to the means or manner by which such result is to be accomplished.

3. The District will prepare and furnish to the Consultant/Contractor upon request such information as is reasonably necessary to the performance of this **AGREEMENT**.

4. The District shall pay the Consultant/Contractor the total amount of $49,500.00 for services rendered pursuant to this **AGREEMENT**. Payment shall be made after approval of the Board, completion of service, and submission of an invoice in duplicate to the District 30 days in advance of each payment due date. Receipts for expense reimbursement are required.

5. The District may at any time for any reason terminate this AGREEMENT and compensate Consultant/Contractor only for services rendered to the date of the termination. Written notice by the District shall be sufficient to stop further performance of services by Consultant/Contractor. The notice shall be deemed given when received or no later than three days after the day of mailing, whichever is sooner.

6. The Consultant/Contractor agrees to and shall defend and indemnify the Placentia-Yorba Linda Unified School District, its Board, officers, agents and employees, and volunteers from every claim or demand and every liability, or loss, damage, or expense of any nature whatsoever which may be incurred by reason of the Consultant's/Contractor's performance or lack of performance pursuant to this Agreement. It is expressly understood that this obligation includes any and all costs and expenses related to defense as well as indemnification for any and all judgments or settlements. For death or bodily injury to person, injury to property, or any other loss, damage, or expense sustained, arising from, in connection with, or in any way related to the Services called for in this AGREEMENT, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District, its Board, officers, agents, employees and volunteers. The Consultant/Contractor, at Consultant's/Contractor's expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against the District, its Board, Officers, agents, employees, and volunteers on any such claim, demand, loss, damage, expense (including attorney fees), cost, or liability and shall pay or satisfy any judgment that may be rendered against the District, its Board, officers, agents, employees, and volunteers in any action, suit, or other proceedings as a result thereof.

7. This **AGREEMENT** is not assignable without written consent of the parties hereto.

8. Consultant/Contractor shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances including worker's compensation.

9. Consultant/Contractor, if an employee of another public agency, certifies that consultant/contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency, for the actual time in which services are actually being performed pursuant to this **AGREEMENT**.

10. Insurance requirements are on the reverse side of this Agreement. All insurance and other documentation must be delivered to the District prior to the consultant/contractor performing services. The Consultant/Contractor shall comply with all District insurance requirements.

11. Consultant/Contractor must meet the fingerprint requirements specified in Education Code Section 45125.1, and as described on the reverse side of this form.

12. Consultant signature below is incontrovertible evidence that the terms and conditions of this Agreement have been read and agreed to.

IN WITNESS WHEREOF, the parties hereto have caused this **AGREEMENT** to be executed.

AFFILIATION AGREEMENT WITH THE REGENTS OF THE UNIVERSITY OF CALIFORNIA, IRVINE (UCI), DEPARTMENT OF OPHTHALMOLOGY

Background

The Placentia-Yorba Linda Unified School District (PYLUSD) is entering into an agreement with the University of California, Irvine (UCI) to participate in the Pediatric Vision Project, an initiative that brings critical eye care services directly to our underserved student population. Through this partnership, UCI will transport its Pediatric Eye Mobile to preschool sites and provide vision screenings and comprehensive eye exams and glasses, when necessary, free of charge.

This partnership strengthens our commitment to supporting the whole child by ensuring students have equitable access to essential health services. Vision issues can significantly impact learning, and early detection and treatment are critical for student success. By removing barriers such as cost and transportation, our partnership with the Pediatric Vision Project ensures our PYLUSD students, particularly those who may otherwise go without care, receive timely, high-quality vision services. We believe this collaboration will have a direct, positive impact on student achievement and well-being.

This agreement will be effective from July 1, 2026, to June 30, 2027.

Financial Impact

No cost to the district.

AFFILIATION AGREEMENT
BETWEEN
THE REGENTS OF THE UNIVERSITY OF CALIFORNIA
AND
PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT

This Affiliation Agreement is made and entered into this 1st day in August 2026,in the State of California by and between Placentia-Yorba Linda Unified School District, (hereinafter referred to as "AFFILIATE") and The Regents of the University of California, as described in Article IX, Section 9 of the California Constitution, on behalf of the University of California, Irvine, School of Medicine Department of Ophthalmology (hereafter referred to as "UNIVERSITY").

WITNESSETH

WHEREAS, UNIVERSITY provides in its curriculum a project for the pediatric vision care (hereinafter collectively referred to as "Eye Mobile for Children Program"); and AFFILIATE is a school district that includes students under the age of eighteen.

WHEREAS, the UNIVERSITY desires to provide vision screenings to students and follow up care to the students that fail the annual vision screening. The UNIVERSITY employs physicians and other personnel with training in ophthalmology and optometry and its support staff to perform such services;

IN FURTHERANCE of the foregoing purpose and the Pediatric Vision Project for the children of Orange County it is agreed:

1. The UNIVERSITY shall transport the UCI Eye Mobile for Children Program to the school locations within the Placentia-Yorba Linda Unified School District in Orange County.
2. UNIVERSITY shall provide its services described herein during normal school hours and /or on a mutually agreed upon schedule.
3. AFFILIATE is willing to allow UNIVERSITY to utilize the AFFILIATE'S facilities for examination of the children that fail the school district's annual vision screen by the staff of the Eye Mobile for Children Program of UNIVERSITY as pursuant to the terms of this Agreement:

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants set forth below, the parties agree as follows:

I. TERM

This Agreement shall become effective upon final execution and shall continue in effect until June 2029, subject to termination by either party with or without cause at any time by either party upon ninety (90) days' prior written notice to the other party. Program year shall end in June, with the exact day varying from year to year as determined by the UNIVERSITY.

II. ASSIGNMENT

A. UNIVERSITY'S Eye Mobile for Children Program STAFF and UCI VOLUNTEERS visiting the AFFILIATE shall be under the supervision of a physician who is a member of University who holds a faculty appointment with UNIVERSITY.

B. UNIVERSITY may assign STAFF to visit the AFFILIATE under the direction of an Optometrist to provide vision care as determined by UNIVERSITY and agreed upon by AFFILIATE.

C. STAFF and UCI VOLUNTEERS shall be subject to the rules and regulations of AFFILIATE and UNIVERSITY.

D. UNIVERSITY STAFF visiting the AFFILIATE to meet the terms of the Eye Mobile for Children Program supported by the grants and private donations shall be in good standing with UNIVERSITY. STAFF AND UCI VOLUNTEERS shall not be deemed to be employees of the AFFILIATE during the hours in which they are assigned to the UNIVERSITY'S vision project.

III. COMPENSATION

Neither party to this Agreement shall be obligated to pay any monetary compensation to the other, nor shall AFFILIATE have obligation to pay monetary compensation or benefits to STAFF and UCI VOLUNTEERS.

IV. NON-DISCRIMINATION

Neither party to this Agreement shall employ discriminatory practices in its performance hereunder on the basis of ethnicity, religion, sex, national origin, ancestry, age or physical or mental disability,

medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, pregnancy, citizenship, or service in the uniformed services..

V. OBLIGATIONS OF UNIVERSITY

A. UNIVERSITY shall be responsible for the selection, education, placement of STAFF AND VOLUNTEERS visiting AFFILIATE to provide vision screenings and exams.

B. UNIVERSITY shall provide STAFF and UCI VOLUNTEERS, along with AFFILIATE with all training and instruction required by UNIVERSITY'S Pediatric Vision Project. UNIVERSITY STAFF will provide vision exams, prescription for glasses and corrective lenses as needed and glasses at no charge for the children referred to the UCI Eye Mobile for Children Program , assistance with program evaluation and advice to the AFFILIATE personnel on the need for referral of children for ongoing ophthalmologic care.

C. UNIVERSITY shall determine the required number of hours of clinical experience required for STAFF providing the vision exams at the AFFILIATE. All plans for providing vision care at AFFILIATE shall be subject to the approval of AFFILIATE, which approval shall not be unreasonably withheld.

D. UNIVERSITY'S STAFF visiting the AFFILIATE shall be provided professional medical liability coverage by the UNIVERSITY.

E. AFFILIATE may, at any time, discontinue their participation in the Pediatric Vision Project upon notification to UNIVERSITY. Such dismissal shall not be arbitrary or unreasonable.

F. The Pediatric Vision Project Principal Investigator/ faculty (PI) and assigned STAFF to visit the AFFILIATE's facility will meet with AFFILIATE's designated liaison prior to providing vision care to the AFFILIATE's students. During this meeting the PI and Project Director will establish a time for visitation to the facility to provide eye exams for the student cohort that fails the vision screenings conducted by the staff of the Pediatric Vision Project. The vision screenings will be conducted according to the protocols specified within the Pediatric Vision Project and agreed to by the AFFILIATE. The Pediatric Vision Project PI and Project Director will be responsible for communicating any AFFILIATE requirements to the Vision Project STAFF and ensure compliance with AFFILIATE's requirements.

G. The Vision Project PI and Project Director will provide AFFILIATE with a copy or multiple copies of the protocols and pediatric vision design and methodology. The faculty member or Project Director will arrange for meetings with the AFFILIATE's STAFF and SRN's so that the UNIVERSITY STAFF are knowledgeable of AFFILIATE's policies and procedures that might apply to the implementation of the Pediatric Vision Project.

H. The faculty member and Vision Project STAFF will act as the liaison to the AFFILIATE. UNIVERSITY will coordinate and oversee UNIVERSITY staff. They will update AFFILIATE when and if changes occur related to the Vision Project that might impact the AFFILIATE. They will communicate and work to resolve any project issue in a timely manner that may occur during the VISITATION of UNIVERSITY STAFF to the AFFILIATE'S facility. If they are not able to work through the issue they will seek counsel from the Project Director or PI.

VI. OBLIGATIONS OF AFFILIATE

A. AFFILIATE shall retain ultimate control and responsibility for their facility.

B. AFFILIATE shall designate a person to help coordinate with the UNIVERSITY project staff for the scheduling of the UCI Pediatric Eye Mobile.

C. AFFILIATE will adopt the protocols designed by the Eye Mobile for Children Program staff to conduct screenings using the plus optix or other available screening devices and methods to identify the student cohort that will require additional screening and/ or eye exams that could determine and identify the vision care needs of the children. This could be identification of those within the cohort that will need glasses prescribed and dispensed by the UNIVERSITY Vision Project Staff and/or the need for the student to be seen for tertiary care.

D. AFFILIATE STAFF will provide data from the screening and will conduct follow-up inquiries on the students who fail the vision screens to ensure they are seen by a medical doctor or the visiting optometrist as required.

E. AFFILIATE shall provide Eye Mobile for Children ProgramSTAFF with a place to park the Pediatric Eye Mobile and access to the student cohort that has failed the vision screening conducted by the Pediatric Eye Mobile STAFF.

F. AFFILIATE shall make its best efforts to provide adequate space, support, and AFFILIATE STAFF assistance to ensure that the identified cohort is available for eye exams as prearranged.

G. AFFILIATE shall permit the use of its parking facilities and electrical source (if applicable).

H. AFFILIATE shall provide orientation program for faculty member and Vision Project STAFF if deemed necessary by the AFFILIATE.

I. AFFILIATE shall assure the availability and appropriateness of the student cohort to be provided with eye exams by the UNIVERSITY STAFF. The cohort shall be limited to those children who are enrolled in the school or other programs conducted on school grounds and who have received written consent from their parents or guardian for participation research projects included in the Eye Mobile for Children Program, vision examination and a prescription of corrective lenses as appropriate.

J. AFFILIATE shall detail the specific responsibilities and authority of the facility's staff as related to the Pediatric Vision Project.

K. AFFILIATE shall assure that staff is adequate in number and quality to ensure that the Pediatric Vision Projects visit to the AFFILIATES facilities are efficient and effective meeting the Visit objectives as outlined in the agreement.

L. With respect to any professional services performed by UNIVERSITY under this agreement, AFFILIATE agrees as follows:

a. To inform University immediately upon initiation of an investigation of UNIVERSITY STAFF or upon the occurrence of a substantive untoward event involving UNIVERSITY STAFF.

b. To advise UNIVERSITY, within 3 calendar days, of receipt of services of a complaint, Summons, or notice of a claim naming or involving UNIVERSITY STAFF. The UNIVERSITY will initiate actions as appropriate to address, investigate and/or defend the complaint/claim.

M. Cooperate with and assist UNIVERSITY in investigating facts which may serve as a basis for taking any disciplinary or academic action against UNIVERSITY staff. UNIVERSITY may but need not consult with AFFILIATE concerning any proposed disciplinary action.

AFFILIATE agrees to abide by UNIVERSITY'S recommended disciplinary action against UNIVERSITY STAFF. AFFILIATE shall have the right for good cause and after consultation with the UNIVERSITY to prohibit further attendance at AFFILIATE facilities of any UNIVERSITY STAFF provided that the AFFILIATE will not take any action against UNIVERSITY STAFF in an arbitrary and capricious manner. Upon such termination the UNIVERSITY will use its best efforts to replace terminated staff members with regard to these types of events.

VII. INDEMNIFICATION

A. AFFILIATE shall defend, indemnify and hold UNIVERSITY, its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees) or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are actually or allegedly caused by or result from the negligent or intentional acts or omissions of AFFILIATE, its officers, agents or employees.

B. UNIVERSITY shall defend, indemnify and hold AFFILIATE, its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees) or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of UNIVERSITY, its officers, employees, agents or students.

C. Neither termination of this Agreement nor completion of the acts to be performed under this Agreement shall release any party from its obligation to indemnify as to any claims or cause of action asserted so long as the event(s) upon which such claim or cause of action is predicated shall have occurred prior to the effective date of termination or completion.

VIII. INSURANCE

A. AFFILIATE, at its sole cost and expense, shall insure its activities in connection with this Agreement and obtain, keep in force and maintain insurance as follows:

1. Comprehensive or Commercial Form General Liability Insurance (contractual liability included) with limits as follows:

   a) Each Occurrence $2,000,000

   b) General Aggregate (not applicable to the Comprehensive form) $4,000,000

2. Professional Medical Liability Insurance with limits as follows:

   a) Each Occurrence $2,000,000

   b) General Aggregate $4,000,000

   If such insurance is written on claims-made form, following termination of this Agreement, coverage shall survive for the maximum reporting period available from insurance sources. Coverage shall also provide for a retroactive date of placement prior to or coinciding with the effective date of the agreement.

3. Business Automobile Liability Insurance for owned, scheduled, non-owned or hired automobiles with a combined single limit of no less than One Million Dollars ($1,000,000) per occurrence.

4. Worker's Compensation and Employers Liability Insurance in a form and amount covering AFFILIATE'S full liability under the Worker's Compensation Insurance and Safety Act of the State of California as amended from time to time.

5. Such other insurance in such amounts which from time to time may be reasonably required by the mutual consent of UNIVERSITY and AFFILIATE against other insurable risks relating to performance.

It should be expressly understood, however that the coverage required under this Section A. (1), (2), (3) shall not in any way limit the liability of AFFILIATE. AFFILIATE upon the execution

of this Agreement shall furnish UNIVERSITY with Certificates of Insurance evidencing compliance with all requirements. Certificates shall further provide for thirty (30) day advance written notice to UNIVERSITY of any modification, change or cancellation of any of the above insurance coverage.

B. UNIVERSITY at its sole cost and expense, shall self-insure its activities in connection with this Agreement and obtain, keep in force and maintain insurance as follows:

1. General Liability Self-Insurance Program with limits as follows:

a) Each Occurrence	$2,000,000
b) General Aggregate	$5,000,000

2. Professional Medical Liability Self-insurance with limits as follows:

a) Each Occurrence	$2,000,000
b) General Aggregate	$5,000,000

If such insurance is written on a claims-made form, following termination of the agreement, coverage shall survive for the maximum reporting period available from insurance sources. Coverage shall also provide for a retroactive date of placement prior to or coinciding with the effective date of the agreement.

3. Business Automobile Self-insurance Program for owned, scheduled, non-owned, or hired automobiles with a combined single limit of no less than One Million Dollars ($1,000,000) per occurrence.

4. Worker's Compensation and Employers Liability equivalent Self-Insurance Program covering UNIVERSITY'S full liability under the Worker's Compensation Insurance and Safety Act of the State of California as amended from time to time.

5. Such other insurance in such amounts which from time to time may be reasonably required by the mutual consent of the AFFILIATE and UNIVERSITY against other insurable risks relating to performance.

It should be expressly understood, however, that the coverage required under this Section B (1), (2) and (3) shall not in any way limit the liability of UNIVERSITY. UNIVERSITY upon the execution of this Agreement shall furnish AFFILIATE with Certificates of Self-Insurance evidencing compliance with all requirements. Certificates shall further provide for thirty (30) day advance written notice to AFFILIATE of any modification, change or cancellation of any of the above insurance coverage.

a. The foregoing insurance limits and/or requirements as referred to under Section (A) and (B) above shall be subject to changes in or modifications, or coverage, forms and /or limits as mandated from time to time by insurance programs of the parties. When such changes or modifications are mandates, the parties shall agree to renegotiate requirements for insurance coverage, forms and/or limits within thirty (30) days from receipt of notification by either party or such change. The period for renegotiation shall be thirty (30) days. New contract terms regarding coverage, forms and/or limits shall be mutually agreed upon by the parties and shall be evidenced by a written addendum to this Agreement within the period of renegotiation. If the parties are unable to renegotiate said coverage, forms, and/or limits, this Agreement shall automatically terminate at the end of thirty (30) day period following renegotiation unless the parties mutually agree to extend the period for renegotiation and additional thirty (30) days.

IX. REQUIRED NOTICES

B. AFFILIATE shall not publish or use, without UNIVERSITY'S prior written consent, UNIVERSITY'S name or language, pictures or symbols, from which UNIVERSITY'S name may be reasonably or indirectly inferred or implied in any advertising, promotion or other publicity matter relating to this Agreement. The provisions of the State of California, Education Code, Title 3, 92000 apply.

XIII. INDEPENDENT CONTRACTOR STATUS

None of the provisions of this Agreement are intended to create nor shall be deemed or construed to create any relationship between AFFILIATE and UNIVERSITY other than that of independent entities contracting with each hereunder, solely for the purpose of effecting the provisions of this Agreement. Neither of the parties hereto nor any of their respective officers, directors or employees shall be construed to be the agent, employer or representative of the other except as provided herein. Neither party is authorized to speak on behalf of the other for any purpose whatsoever without the prior consent in writing of the other.

XIV. RESPONSIBILITY FOR OWN ACTS

Each party will be responsible for its own acts or omissions and any and all claims, liabilities, injuries, suits and demands and expenses of all kinds which may result or arise out of any alleged malfeasance or neglect caused or alleged to haven caused by such party, its employees or representatives, in the performance or omission of any act or responsibility of such party under this Agreement. In the event that a claim is made against both parties, it is the intent of both parties to cooperate in the defense of said claim and to cause their insurers to do likewise. However, both parties shall have the right to take any and all actions they believe necessary to protect their interest.

XV. AUTHORIZATION WARRANTY

A. UNIVERSITY hereby represents and warrants that the person executing this Agreement for UNIVERSITY is an authorized agent who has actual authority to bind UNIVERSITY to each and every term, condition and obligation set forth in this Agreement and that all requirements of UNIVERSITY have been fulfilled to provide such actual authority.

B. AFFILIATE hereby represents and warrants that the person executing this Agreement for AFFILIATE is an authorized agent who has actual authority to bind AFFILIATE to each and every term, condition and obligation set forth in this Agreement and that all requirements of AFFILIATE have been fulfilled to provide such actual authority.

XVI. COOPERATION IN DISPOSITION OF CLAIMS

A. AFFILIATE and UNIVERSITY agree to cooperate with each other in the investigation and disposition of audits, peer review matters, disciplinary actions and third party liability claims arising out of any services provided under this Agreement. It is the intention of the parties to fully cooperate in the disposition of all such audits, actions or claims, Such cooperation may include, but is not limited to, joint investigation, defense, disposition of claims for third parties arising from services performed under this Agreement, and making witnesses available.

B. To the extent allowed by law, AFFILIATE and UNIVERSITY shall have reasonable access to the medical records and charts of the other relating to any claim or investigation related to services provided pursuant to this Agreement; provided however, that nothing shall require either AFFILIATE or UNIVERSITY to disclose any peer review documents, records or communications which are privileged under Section 1157 of the California Evidence Code, under the Attorney-Client Privilege or under Attorney Work-Product Privilege.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of that date first appearing herein and above, and this Agreement shall become effective as of that commencement date specified in Paragraph 1.

AGREEMENT WITH NORTH ORANGE COUNTY REGIONAL HEALTH FOUNDATION, OTHERWISE KNOWN AS FAMILY HEALTH MATTERS COMMUNITY HEALTH CENTER

Background

North Orange County Regional Health Foundation, also known as Family Health Matters Community Health Center, is a Federally Qualified Health Center that sponsors mobile clinic prevention services. These services are designed to deliver on-site care through a dedicated community care team, including licensed medical professionals operating under the supervision of a physician. PYLUSD has partnered with Family Health Matters since 2020 to support the health and well-being of students and families across our district. Family Health Matters uses designated areas at PYLUSD schools, including street parking in front of school sites, to park and operate their mobile health clinic. These services are primarily offered to students and their families within our school communities.

The scope of care includes, but is not limited to, vision screenings, dental services, and preventive health care to the uninsured and low-income populations regardless of age, gender, race, or ability to pay. Services will be delivered in close collaboration with the PYLUSD Family Resource Centers and Health Services staff to ensure coordination and support. Importantly, no services will be provided without the written consent of the student's parent or guardian. This partnership helps remove barriers to accessing essential health care, improves health equity, and supports student readiness to learn by ensuring families have convenient access to high-quality, preventive medical services in their own school communities.

This agreement will be effective from July 1, 2026, to June 30, 2027.

Financial Impact

No cost to the district.

MEMORANDUM OF UNDERSTANDING (MOU) WITH ALTAMED FOR MOBILE DENTAL CARE SERVICES WITH ALTAMED

Background

AltaMed Dental Services is a valuable resource that provides pediatric dental care to underserved families throughout Orange County. As a leader in telehealth innovation, AltaMed operates one of the largest school-based dentistry programs in the nation. Through this program, children receive dental screenings conveniently within their own classrooms. A licensed dentist then reviews the screening data off-site and develops a treatment plan for students who require care. No services are provided without written consent from a parent or guardian.

PYLUSD is committed to fostering a culture of health by offering comprehensive programs in collaboration with trusted community partners. The mobile dental clinic services provided by AltaMed will support students and families who may otherwise face financial or logistical barriers to receiving dental care. This partnership not only improves access to essential health services but also promotes student well-being, helping to reduce absenteeism and support academic success by addressing an important component of overall health.

This MOU would be effective July 1, 2026, through June 30, 2027.

Financial Impact

No cost to the district.

AMENDMENT TO MEMORANDUM OF UNDERSTANDING

This Amendment to Memorandum of Understanding Agreement and Business Associate Addendum ("**Amendment**") is made and will take effect upon the date of last signature execution below ("**Effective Date**") by and between AltaMed Health Services Corporation, a California non-profit corporation ("**AltaMed**") and Placentia-Yorba Linda Unified School District ("**Collaborator**") may be referred to in the singular as a "Party" or together as the "Parties."

A. Collaborator and AltaMed entered into that certain Memorandum of Understanding Agreement effective as of July 1, 2026 ("**Agreement**").

B. The Parties have negotiated certain new terms of this relationship and are executing this Amendment to obligate themselves to the new terms as set forth herein.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

l. Defined Terms. Unless otherwise defined herein, all terms used in this Amendment will have the same meaning as in the Agreement.

2. Amendment to the Agreement. As of the Effective Date of this Amendment, the Agreement will be amended as follows:

(a) Section 1 of the Agreement is deleted in its entirety and replaced with the following text:

This MOU shall begin on the Effective Date and terminate on July 30, 2027; provided, that either Party may terminate this MOU at any time for any reason upon at least ten days' prior written notice.

3. Miscellaneous.

(a) Except as expressly modified by this Amendment, the Agreement will continue to be and remain in full force and effect in accordance with its respective terms. Any future reference to the Agreement will be deemed to be a reference to the Agreement as amended by this Amendment. Notwithstanding anything to contrary, in the event of any conflict or inconsistency between the terms of the Agreement and the terms of this Amendment, the terms of this Amendment will govern and control.

(b) This Amendment may be executed in any number of counterparts, each of which will constitute an original, but all of which when taken together will constitute but one instrument.

(c) This Amendment will be governed and construed in accordance with the laws of the State of California.

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment as of the date first written above.

READY FOR TOMORROW

Access to Courses
Elementary

- We continue to ensure students have access to all core content areas to include ELA/ELD, Math, History-Social Science, Science/Health, Physical Education, and have increased access to the Visual and Performing Arts (VAPA)

- We continue to increase our inclusion efforts with mild/moderate students receiving education in the least restrictive environment (LRE). Using a variety of service delivery options, more students are receiving the majority of their instruction in the general education setting.

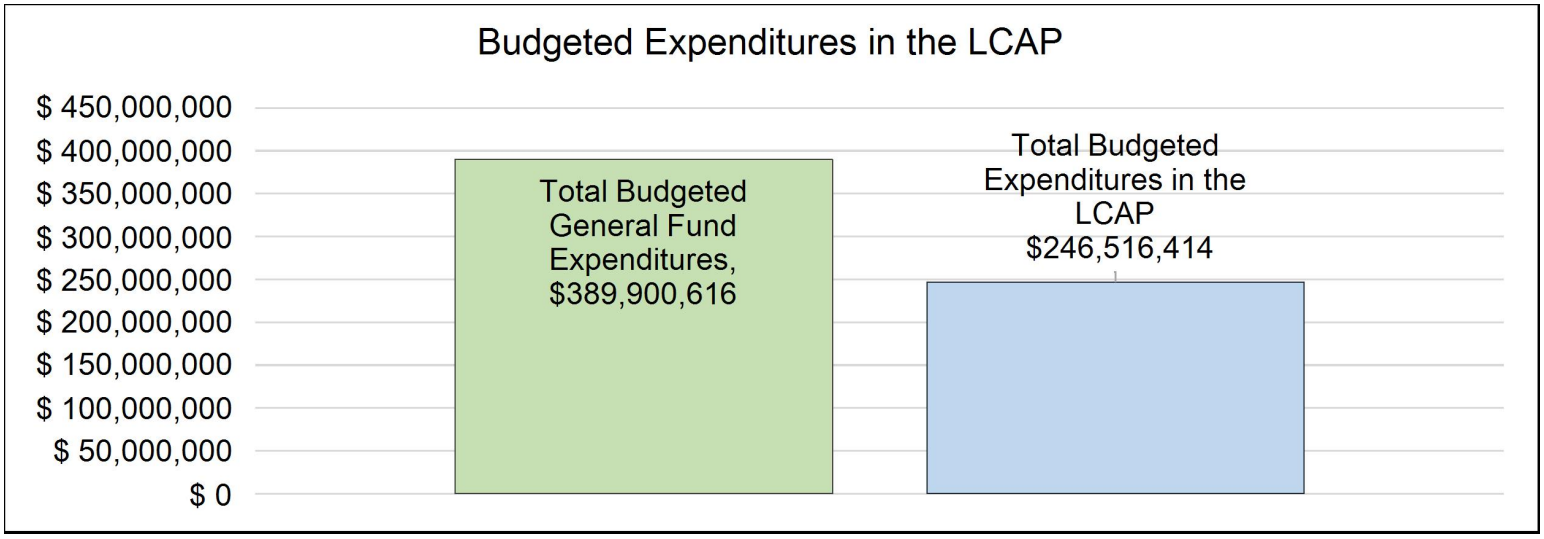
LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Placentia-Yorba Linda Unified School District
CDS Code: 30-66647-0000000
School Year: 2026-27
LEA contact information:
Dr. Kym LeBlanc-Esparza
Superintendent
kleblancesparza@pylusd.org
(714) 986-7000

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2026-27 School Year



This chart shows the total general purpose revenue Placentia-Yorba Linda Unified School District expects to receive in the coming year from all sources.

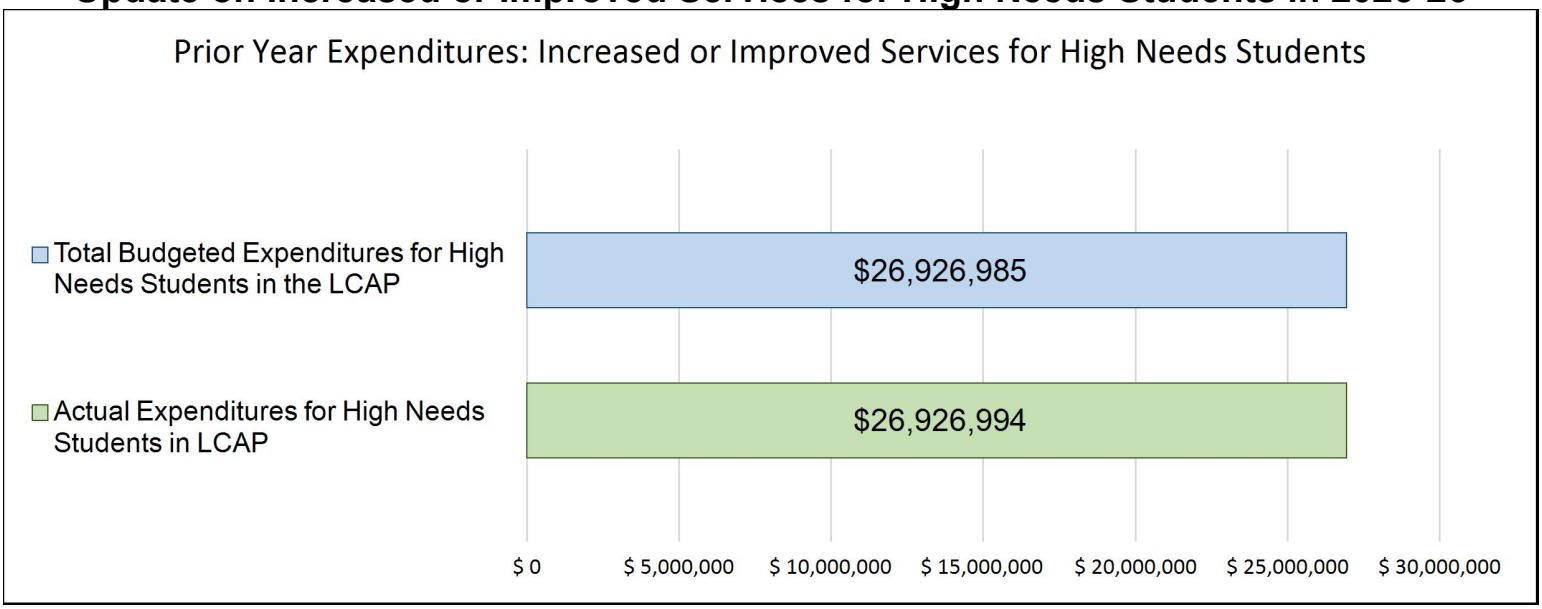
The text description for the above chart is as follows: The total revenue projected for Placentia-Yorba Linda Unified School District is $401,631,618, of which $286,605,766 is Local Control Funding Formula (LCFF), $96,754,262 is other state funds, $8,201,676 is local funds, and $10,069,914 is federal funds. Of the $286,605,766 in LCFF Funds, $24,983,734 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Placentia-Yorba Linda Unified School District plans to spend for 2026-27. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Placentia-Yorba Linda Unified School District plans to spend $389,900,616 for the 2026-27 school year. Of that amount, $246,516,414 is tied to actions/services in the LCAP and $143,384,202 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:



Expenses excluded from the LCAP encompass instructional materials, district facility maintenance, transportation operations, utilities and overhead, professional service costs, equipment and lease expenses, various categorical programs, and costs related to county operated programs.

Increased or Improved Services for High Needs Students in the LCAP for the 2026-27 School Year

In 2026-27, Placentia-Yorba Linda Unified School District is projecting it will receive $24,983,734 based on the enrollment of foster youth, English learner, and low-income students. Placentia-Yorba Linda Unified School District must describe how it intends to increase or improve services for high needs students in the LCAP. Placentia-Yorba Linda Unified School District plans to spend $27,402,908 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2025-26

This chart compares what Placentia-Yorba Linda Unified School District budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Placentia-Yorba Linda Unified School District estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2025-26, Placentia-Yorba Linda Unified School District's LCAP budgeted $26,926,985 for planned actions to increase or improve services for high needs students. Placentia-Yorba Linda Unified School District actually spent $26,926,994 for actions to increase or improve services for high needs students in 2025-26.

Plan Summary [2026-27]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

The Placentia-Yorba Linda Unified School District (PYLUSD) serves a diverse community across Placentia, Yorba Linda, and parts of Anaheim, Brea, and Fullerton. With approximately 22,900 students, the district includes 34 schools: 20 elementary schools, 1 TK-8 school, 5 middle schools, 4 comprehensive high schools, a continuation high school, a K-12 independent study program, a special education school, and an adult transition program. Committed to academic excellence, innovation, and student success, PYLUSD provides high-quality instruction and innovative programs to drive equitable outcomes for students.

According to 2025 California School Dashboard data, the district's student demographics reflect a broad range of backgrounds and educational needs, with significant populations of Hispanic/Latino students, White students, Asian students, and students identifying with two or more races. The district also serves substantial numbers of students who qualify as Socioeconomically Disadvantaged, English Learners, Students with Disabilities, Foster Youth, and students experiencing homelessness. Approximately 10% of students are identified as English Learners, while nearly half of all students qualify as Socioeconomically Disadvantaged, highlighting the importance of targeted academic, language development, and support services throughout the district.

The district's demographic profile underscores both the strengths and opportunities present within the community. PYLUSD's Local Control and Accountability Plan and California School Dashboard data identify English Learners, Socioeconomically Disadvantaged students, and Foster Youth as key student groups for focused support due to persistent achievement and engagement gaps. At the same time, the district benefits from a highly diverse student body and strong overall academic performance compared with county and state averages. This

diversity contributes to a rich educational environment while reinforcing the district's commitment to equitable access, culturally responsive practices, multilingual family engagement, and targeted interventions designed to ensure success for all student groups.

To close achievement gaps and ensure access to quality education for all students, PYLUSD strategically allocates resources, including Equity Multiplier funding for El Camino Real Continuation High School, which supports targeted interventions and academic improvements for unduplicated pupils. In response to district-wide data and input from educational partners, the district has identified key areas for improvement: foundational literacy and math skills, English language development, student wellness, and community engagement. To address these needs, PYLUSD has implemented a comprehensive plan with targeted interventions and instructional strategies. PYLUSD has unexpended Learning Recovery Emergency Block Grant (LREBG) funds which will support the following actions: 1.2, 1.3, 2.2, 2.3, 2.5, 3.1, 3.3, 3.5, 3.6, 3.10, 3.11, 3.15, 3.20, 3.21, 4.4, 4.9-4.13, 5.6, 5.9, 6.2, 6.3, 7.2, 7.3, 7.6, 7.8, 7.9, 7.21, 7.22, 7.25, 7.26, 7.27, 7.28, 7.29, 7.30, 8.1, 8.9, 8.17 and 9.7-9.10. The remaining funds will be spent during the 2027-28 school year current projections indicate that this amount will be approximately $2,511,934.80. PYLUSD will ensure that LREBG funds are spent according to the allowable uses identified in EC Section 32526 (c)(2) and based on the findings of a needs assessment as required by EC Section 32526(d).

Recognizing persistent achievement gaps, PYLUSD prioritizes English Learner support through designated and integrated instruction, bilingual resources, and family engagement programs. College and career readiness remains a focus, with robust Career Technical Education (CTE) pathways, dual enrollment programs, and dedicated post-secondary guidance. Student wellness is prioritized through mental health specialists, intervention programs, and suicide prevention initiatives. The district also ensures equitable resource distribution by directing support to high-need schools and strengthening attendance monitoring systems to assist at-risk students. These strategic actions foster academic excellence, career readiness, and student well-being across the district.

PYLUSD thrives on the dedicated involvement of parents, guardians, and community partners, including PTAs, the REACH Foundation, and other local community partners who provide invaluable support and opportunities for students. With a rich history dating back to 1874, the district celebrates over 150 years of educational excellence while continuing to evolve. Driven by its mission to provide rigorous and relevant learning experiences, PYLUSD empowers students to become responsible, ethical, and engaged citizens prepared for future success.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Hispanic Students (Red)
El Camino (14.8%); DFS = 165.9 below

SED Students (Red)
El Camino (13.7%); DFS = 182.1 below

The 2023 California School Dashboard identified English Language Arts as an area of need for several student groups and schools. Districtwide, Foster Youth received a Red performance level. El Camino received a Red performance level schoolwide and also had Hispanic students and Socioeconomically Disadvantaged students performing at the Red level. Students with Disabilities demonstrated the greatest area of need, with seven schools receiving a Red performance level, while English Learners at Tuffree and Valadez also performed at the Red level. To address these performance gaps, the district will focus on strengthening literacy instruction through professional learning in Writer's Workshop, Step Up to Writing, Expository Reading and Writing, and DBQ strategies. Additional emphasis will be placed on early literacy supports, English Learner language development, and targeted interventions for student groups performing below standard. Family Literacy Nights and parent education opportunities will also be expanded to strengthen literacy support at home. Progress will continue to be monitored through local and state data to evaluate the effectiveness of these efforts.

A review of the 2023 California School Dashboard and local data identified significant performance gaps in Mathematics across multiple schools and student groups. Buena Vista, El Camino, and Valadez received a Red performance level schoolwide, with El Camino demonstrating the largest achievement gap and the lowest percentage of students meeting or exceeding standards. Students with Disabilities were identified at the Red level at four schools, including El Dorado, Esperanza, and Valencia, where performance was substantially below standard. English Learners, Socioeconomically Disadvantaged students, Hispanic students, and Homeless students also received Red performance levels across several schools, highlighting persistent disparities in mathematics achievement. These results reinforced the importance of strengthening mathematics instruction and ensuring equitable access to rigorous learning opportunities for all students. The data highlighted a continued need to build students' mathematical reasoning, problem-solving skills, and conceptual understanding while supporting language development within mathematics instruction for English Learners. Reflection on these results also emphasized the value of professional learning aligned to the California Mathematics Framework, Cognitively Guided Instruction (CGI), and Building Thinking Classrooms, as well as the need for ongoing instructional coaching, teacher collaboration, intervention supports, and strategic use of digital resources to address identified achievement gaps.

English Learner Progress Indicator (ELPI)
Lowest Performance Levels Identified on the 2023 California School Dashboard

Schoolwide (Red)
Glenview (42.9%) = Red
Rio Vista (43.7%) = Red

English Learner Progress data from the 2023 California School Dashboard identified Glenview and Rio Vista at the Red performance level, indicating that less than half of English Learners made progress toward English language proficiency. These results suggest a continued need to accelerate language acquisition and strengthen supports that help students progress toward proficiency and reclassification. The Dashboard results underscore the importance of effective designated and integrated English Language Development (ELD) instruction, implementation of GLAD strategies, and targeted language supports throughout the instructional day. The data also highlights the value of ongoing professional learning for educators, dedicated ELD support staff, bilingual instructional aides, and instructional resources that promote language development. Additionally, family engagement efforts, translation services, bilingual liaisons, and extended learning opportunities contribute to creating a comprehensive system of support for English Learners as they develop academic language and achieve grade-level success.

College/Career Indicator (CCI)
Lowest Performance Levels Identified on the 2023 California School Dashboard

English Learners (Red)
El Camino (2.0%) = Red
Valencia (7.8%) = Red

Hispanic Students (Red)
El Camino (3.5%) = Red

Homeless Students (Red)
El Camino (6.5%) = Red

Socioeconomically Disadvantaged Students (Red)
El Camino (2.8%) = Red

College and Career Indicator results from the 2023 California School Dashboard identified several student groups performing at the Red level, particularly at El Camino. English Learners at both El Camino and Valencia, as well as Hispanic, Homeless, and Socioeconomically Disadvantaged students at El Camino, demonstrated low levels of college and career readiness as measured by the Dashboard. These results highlight the importance of ensuring all students have equitable access to college and career readiness opportunities, including A-G coursework, Career Technical Education pathways, dual enrollment, and individualized academic planning. The data also reinforces the value of targeted academic counseling, transition planning, and student support services to help historically underserved student groups successfully prepare for postsecondary education and career opportunities.

Suspension Rate

SWD (Red)
Brookhaven (6.1%) = Red

Linda Vista (7.1%) = Red
Travis Ranch (5.1%) = Red

Asian Students (Red)
Travis Ranch (3.2%) = Red

White Students (Red)
El Camino (12.2%) = Red

Suspension data from the 2023 California School Dashboard identified several student groups with disproportionately high suspension rates. Students with Disabilities at Brookhaven, Linda Vista, and Travis Ranch received a Red performance level, while Asian students at Travis Ranch and White students at El Camino also received a Red performance level. These results suggest a continued need to strengthen school climate, student connectedness, and behavioral supports to ensure all students have access to a positive and supportive learning environment. The Dashboard results reinforce the importance of early intervention and a comprehensive system of support for students experiencing behavioral, social-emotional, or other challenges that may impact school success. Ongoing implementation of MTSS, PBIS, restorative practices, behavioral intervention services, and social-emotional supports provides schools with multiple strategies to address student needs before behaviors result in exclusionary discipline. The data also highlights the value of continued collaboration among teachers, counselors, psychologists, behavior specialists, and families to support positive student outcomes and reduce suspension rates among identified student groups.

Attendance data from the 2023 California School Dashboard revealed persistent challenges with chronic absenteeism across the district. Districtwide, African American, English Learner, Hispanic, Homeless, and Socioeconomically Disadvantaged student groups received a Red performance level. In addition, ten schools were identified at the Red level schoolwide, with Buena Vista and Rio Vista reporting the highest rates of chronic absenteeism. Several student groups, including Socioeconomically Disadvantaged students, Students with Disabilities, Hispanic students, English Learners, and Homeless students, were also identified at the Red level across multiple schools, indicating ongoing barriers to consistent school attendance. The Dashboard results emphasize the importance of identifying attendance concerns early and providing timely support to students and families. The data highlights the need for strong school-family partnerships, counseling and wellness services, coordinated MTSS supports, and targeted outreach to students experiencing attendance challenges. Continued monitoring of attendance trends and engagement efforts remains critical to improving school connectedness and reducing chronic absenteeism among identified student groups.

2025 Dashboard Data Reflection:

Academic Achievement in English Language Arts: Progress and Ongoing Efforts:

Districtwide, the percentage of students meeting or exceeding ELA standards increased slightly from 64.75% in 2023 to 67.39% in 2025, maintaining a Green performance level. Early literacy indicators also showed improvement, with 63% of K-5 students performing at or above grade level on the Winter 2024-25 iReady Diagnostic, up from 62% the previous year.

Writing assessment scores varied by grade level:

Grades 1-5: Performance maintained the same to 67% rate of 'met or exceeded' in 2024-25 as was achieved in 2023-24 (scoring 3 or 4 out of 4).
Grades 6-12: Performance improved from 81% in 2023-24 to 82% in 2024-25 (scoring 3, 4, or 5 out of 5).

To support writing across all content areas, professional development was provided in Writer's Workshop, Step Up to Writing, Expository Reading and Writing, and DBQ strategies. Additional training in literacy and social-emotional learning was also offered. Task forces were established for K-2 Reading Difficulties Risk Screener adoption, a 6-8 ELA curriculum pilot, and a 9-12 pacing guide development. Family Literacy Nights with parent training and support have been implemented to strengthen community engagement.

Performance Gaps:
The following schools and student groups scored at the lowest levels on the California Dashboard in English Language Arts:
Districtwide 2024–2025:
FY (33.33%) = Yellow

Schoolwide 2025:
El Camino (11.86%) = Orange

SWD:
OCSCS = 15.66% (Orange)
Esperanza = 42.9% (Red)
Melrose = 6.06% (Orange)
Tynes = 31.58% (Yellow)
Rio Vista = 1.69% (Red)
Ruby Drive = 15.68% (Orange)
Van Buren = 33.34% (Orange)

ELs:
Tuffree = 26.3% (Yellow)
Valadez = 4.48% (Yellow)

Hispanic Students:
El Camino = 10.42% (Orange)

SED Students:
El Camino = 8% (Orange)

Despite these challenges, district initiatives remain on track, with a continued focus on targeted interventions, GLAD training for teachers, and continued emphasis on small group instruction to ensure students meet or exceed grade-level expectations.

Academic Achievement in Mathematics: Progress and Ongoing Efforts:

Districtwide, the percentage of students meeting or exceeding standards in math increased from 53.48% in 2023 to 56.07% in 2025, maintaining a Green performance level. Targeted interventions and digital resources have supported this growth, with engaging with Reflex Math and Frax, which helped improve fact fluency and conceptual understanding of fractions—key contributors to success on assessments like i-Ready and SBAC.

Professional development focused on the updated math framework, Cognitively Guided Instruction (CGI), and targeted strategies such as:

K-5 Trainings: Math Expressions Bridge Units, Understanding Fractions, Addition & Subtraction Problem Solving, Math Labs
6-12 Trainings: Building Thinking Classrooms, MS Math Lab training (IXL), Course Collaboration for Algebra 1A, C-STEM Algebra 1, and Geometry
New Teacher Support: Overview of textbook resources, PYL Signature Practices, ELD Strategies
Leadership & Research: Secondary instructional coach participation in the California Mathematics Council Conference and OCDE's Vision Driven Math series, Leadership Team meetings for middle and high school math, and the launch of a Math Fellows program (6-12) to support instructional strategies

Performance Gaps:

The following schools and student groups scored at the lowest levels on the California Dashboard in math:

Schoolwide:
El Camino = 5.08% (Red)
Valadez = 17.41% (Yellow)

SWD:
Tuffree = 5.17% (Red)

ELs:
Tuffree = 6% (Yellow)
Valadez = 1.44% (Orange)

Homeless:
Valadez = 17.02% (Yellow)

The district remains committed to enhancing instructional support, refining intervention strategies, and expanding professional learning to ensure all students meet or exceed grade-level expectations in mathematics.

Chronic Absenteeism: Progress and Ongoing Efforts:

Districtwide, chronic absenteeism has improved, decreasing from 17.8% in 2023 (Orange) to 11.4% in 2025 (Yellow). This reduction reflects ongoing district efforts to support student attendance through wellness initiatives, early intervention strategies, and enhanced attendance monitoring.

Key initiatives implemented to combat chronic absenteeism include:

- Engaging classroom instruction and welcoming school environments for all students.
- Wellness Specialists at Title I middle schools and all high school sites, providing mental health support and resources for students, with additional assistance for unduplicated pupils (UPs).
- A robust attendance tracking system, featuring regular check-ins and trend monitoring, to identify early signs of absenteeism and provide timely interventions.
- District support for systematic attendance review processes, including School Attendance Review Team (SART), District Attendance Review Team (DART), and Student Attendance Review Board (SARB) meetings, with a focus on supporting foster youth families.

Performance Gaps

The following schools and student groups continue to experience higher rates of chronic absenteeism:

The district remains committed to reducing chronic absenteeism further by enhancing early identification systems, increasing outreach efforts, and expanding mental health and attendance support services to ensure every student has the resources needed to attend school consistently.

Suspension Rates: Progress and Ongoing Support

Suspension rates have significantly improved districtwide, decreasing from 1.4% in 2023 (Green) to 0.6% in 2025 (Blue). This reduction reflects the district's commitment to proactive behavioral support, targeted interventions, and equitable resource distribution to ensure students remain engaged in a positive learning environment.

Key initiatives implemented to support behavioral and social-emotional well-being include:

- Providing social-emotional support through outside providers for elementary students, with a focus on unduplicated pupils (UPs).
- Equitably distributing resources to schools where needs are greatest to close achievement gaps for all UPs.
- Maintaining additional support staff, nurses, and health clerks at high-impact sites to support students and families.
- Implementing a comprehensive Multi-Tiered System of Support (MTSS) to provide tiered interventions and enrichment aimed at improving academic achievement and student behavior.
- Enhancing data monitoring and analysis systems to identify, track, and support at-risk students, while providing training for teachers and site leaders to use this system effectively.
- Expanding behavioral intervention services by placing full-time Registered Behavior Technicians (RBTs) at each elementary site, with a focus on reducing chronic absenteeism, minimizing disruptive behaviors, and improving academic outcomes.
- Providing additional psychologists at sites to support students at risk, particularly socioeconomically disadvantaged (SED) and foster youth (FY) students.
- Maintaining ABA supervisors to oversee behavioral interventions, support Applied Behavior Analysis (ABA) strategies, and continue implementing Positive Behavioral Interventions and Supports (PBIS) districtwide.

Asian Students:
Travis Ranch (1.0%) = Yellow

The district remains committed to reducing suspension rates further by maintaining behavioral interventions and proactive support systems. By strengthening PBIS implementation and refining intervention strategies, the district continues to foster a positive, inclusive, and supportive learning environment for all students.

English Learner Progress: Performance and Ongoing Efforts

Districtwide, the percentage of English Learners making progress toward English language proficiency improved from 50.3% in 2024

(Orange) to 51% (Yellow). Targeted initiatives continue to support language development and academic success for English Learners.

Key Initiatives to Improve English Learner Progress

- Provided professional development in Designated and Integrated English Language Development (ELD) instruction for all educators.
- Provided Guided Language Acquisition Design (GLAD) training for Title I elementary school educators.
- Provided additional ELD sections at secondary schools to ensure all English Learners receive structured language support.
- Provided bilingual instructional aides to accelerate academic language acquisition.
- Held special education training to ensure accurate identification and support for EL students with special needs.
- Enhanced ELPAC testing facilitation for improved assessment conditions and reclassification processes.
- Increased instructional materials to support Guided Language Acquisition Design (GLAD) strategies.
- Dedicated ELD Academic Support Teachers at Title I elementary schools to provide focused language instruction and split-site ELD Academic Support Teachers at non-Title I elementary schools.
- Provided translation services and bilingual liaisons to strengthen family engagement and access to resources.
- Provided EL Summer Camp at Melrose Elementary School.

Next Steps and Continued Efforts

To address performance gaps and accelerate English Learner achievement, the district will:

- Strengthen progress monitoring systems and intervention strategies using data-driven insights.
- Expand EL summer camp programs to three sites to prevent learning loss.
- Continue professional development in GLAD strategies for teachers.
- Enhance family and community engagement efforts to support English Learner success.
- Increase ELD instructional support in both Title I and non-Title I schools.

The district remains committed to ensuring that all English Learners receive equitable access to high-quality instruction, targeted language development, and the necessary resources to succeed academically.

Graduation Rate: Progress and Ongoing Efforts

Districtwide, the graduation rate has improved from 94.3% in 2023 (Green) to 95.6% in 2025 (Blue), reflecting the district's continued commitment to student success through targeted academic support, intervention programs, and college and career readiness initiatives.

Key initiatives that have contributed to this improvement include:

- Expanded academic intervention programs, including tutoring, credit recovery, and summer school opportunities.
- Increased support for English Learners and Special Education students, ensuring equitable access to graduation pathways.
- Career and Technical Education (CTE) expansion, providing students with multiple pathways to postsecondary success.
- Personalized counseling and academic planning, including enhanced outreach for at-risk students.
- Strengthened college and career readiness programs, including dual enrollment and career certification opportunities.

Performance

The following subgroups have demonstrated the following changes in graduation rates:
English Learners
2023 Graduation Rate: 79.9% (Orange), 2024 Graduation Rate: 87.8% (Green), 2025 Graduation Rate: 89.9% (Green)
Socioeconomically Disadvantaged (SED) Students
2023 Graduation Rate: 91.8% (Green), 2024 Graduation Rate: 94.4% (Green), 2025 Graduation Rate: 94.8% (Green)
Students with Disabilities
2023 Graduation Rate: 74.9%, 2024 Graduation Rate: 81.8%, 2025 Graduation Rate: 79.3%

Next Steps and Continued Efforts

To further improve graduation rates and ensure all students have access to a diploma pathway, the district will:

- Expand early intervention strategies for at-risk students, including real-time progress monitoring and mentorship programs.
- Increase accessibility to credit recovery programs and alternative graduation pathways.
- Enhance support for English Learners, including continued focus on language development and academic counseling.
- Strengthen transition support for students with disabilities, ensuring individualized graduation planning.
- Continue outreach efforts to foster youth, homeless students, and other high-needs populations.

The district remains committed to ensuring that every student is equipped with the necessary skills, resources, and opportunities to successfully graduate and pursue postsecondary education or career pathways. PYLUSD has unexpended Learning Recovery Emergency Block Grant (LREBG) funds which will support the following actions: 1.2, 1.3, 2.2, 2.3, 2.5, 3.1, 3.3, 3.5, 3.6, 3.10, 3.11, 3.15, 3.20, 3.21, 4.4, 4.9-4.13, 5.6, 5.9, 6.2, 6.3, 7.2, 7.3, 7.6, 7.8, 7.9, 7.21, 7.22, 7.25, 7.26, 7.27, 7.28, 7.29, 7.30, 8.1, 8.9, 8.17 and 9.7-9.10. The remaining funds will be spent during the 2027-28 school year current projections indicate that this amount will be approximately $2,511,934.80.

PYLUSD will ensure that LREBG funds are spent according to the allowable uses identified in EC Section 32526 (c)(2) and based on the findings of a needs assessment as required by EC Section 32526(d).

Based on the LREBG needs assessment, Actions 2.2 & 2.3 focus on staff development and instructional materials. Actions 3.1, 3.3, 3.5, 3.6, 3.10, 3.11, 3.15, 3.20, and 3.21 are focused on the administration of the ELPAC, the Language Assessment Center and English Learner Instruction. Actions 4.4 and 4.9-4.13 support our Long Term English learners. Actions 5.6 and 5.9 focus on providing elementary school counselors at Title 1 schools and our AVID programs. Action 6.2 & 6.3 will focus on Foster Youth Mentors and Trauma-Informed Practices. Actions 7.2, 7.3, 7.6, 7.8, 7.9, 7.21, 7.22, 7.25, 7.26, 7.27, 7.28, 7.29, 7.30 focus on PLC professional development, MTSS and collaborative task forces, SST and 504 coordination, Credit Recovery, Suicide Prevention, and Learning Recovery Programs. Actions 8.1, 8.9 and 8.17 are focused on Behavioral Intervention and Support, Implement Attendance Strategies in IEPs, and Academic Support for Melrose Elementary. Actions 9.7-9.10 focus on supporting UP students at El Camino Real HS' achievement in ELA & math and providing Training to Support English Learners.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

PYLUSD has been identified for technical assistance to address CA Dashboard Indicators for dashboard indicators for our Long-Term English Learners in the areas of Chronic Absenteeism and Suspension Rate. We have conducted a root cause analysis and a series of group & individual empathy interviews and received valuable feedback that will inform the lens through which we support these students. The need to address these metrics has been folded into our Community Engagement Initiative ("CEI") team's work that is focused on building authentic connections with families of English Learners and Long Term English Learners to addressed these underlying causes. Our Differentiated Assistance-related actions can be found in Goals 3 & 4. While Goal 4, and its 13 actions, is expressly designed to support Long Term English Learners, Goal 3 is also a contributing goal for this work in that the 21 actions it contains aims to support earlier reclassification and therefore reduce the number of students identified as LTELs.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Mid-Year LCAP Presentation to the Board of Education	At the February 10, 2026, Board of Education meeting, a mid-year progress update on LCAP goals and actions was presented. The update included a brief budget overview and a summary of the progress made on various actions throughout the school year. Board members were also given the opportunity to provide feedback on the goals and actions discussed.
PYLUSD Principals	Site principals convened for a meeting on February 12, 2026 during which district staff briefed them on the background of the LCAP, the available budgetary resources, and reviewed performance data of our various student groups. Principals actively participated in a table activity where they were tasked with reviewing proposed actions and sharing actions that are implemented at their respective sites aimed at enhancing services for unduplicated students.
California School Employee Association (CSEA) Chapter 293	On February 24, 2026, the CSEA executive board and district leadership convened to assess district performance regarding state priorities and Dashboard indicators. District leaders outlined available budgetary resources, academic performance gaps, and suggested measures to enhance services for Foster Youth, English Learners, Long-Term English Learners, and Socio-economically Disadvantaged students. CSEA members offered student-centered feedback on the proposed measures and provided the LCAP revision team with valuable input.
Association of Placentia-Yorba Linda Educators (APLE) Teachers Union	On February 25, 2026 the APLE executive board and district leadership convened to assess district performance regarding state priorities and Dashboard indicators. The APLE leadership team

Educational Partner(s)	Process for Engagement
	solicited input from their members prior to the input session so that they could represent the voices of as many teachers as possible. A presentation covered available budgetary resources, academic performance disparities, and proposed strategies to enhance services for Foster Youth, English Learners, Long-Term English Learners, and Socio-economically Disadvantaged students. APLE members offered feedback on the proposed goals and actions.
PYLUC PTA	On March 4, 2026, the PYLUC PTA Presidents met in person at the district office. District leaders offered insights into LCFF and discussed the purpose of the LCAP, presenting performance data across state priorities and Dashboard indicators. The group addressed achievement gaps and explored proposed actions to enhance services for Foster Youth, English Learners, and Socio-economically Disadvantaged students. Attendees had the chance to ask clarifying questions and offer in-person suggestions. PYLUC provided feedback on all proposed actions.
Community Town Hall, DELAC, Title 1 Parent Advisory, and Special Education Community Advisory Committee	The Community Town Hall, District English Learners Advisory Committee (DELAC), and Title I Parent Advisory convened on March 16, 2026, at the district office with Spanish translation available. District leadership presented an overview of LCFF, discussed the purpose of the LCAP, and shared performance data on state priorities and Dashboard indicators. The meeting addressed achievement gaps and proposed actions to enhance services for Foster Youth, English Learners, Long-Term English Learners, and Socio-economically Disadvantaged students. After the presentation, attendees were randomly assigned to small groups by goal to encourage engagement in the feedback collection process. Community members actively participated by asking questions and providing input during the session.
Student Advisory Committee	During the Student Advisory Committee meetings held on March 25, 2026 via ZOOM, students from elementary, middle, and high school provided valuable insights on ways to enhance engagement, support, and academic success across all grade levels.
El Camino Real Continuation High School	El Camino Real Continuation High School's School Site Council met to review Dashboard performance indicators, conduct a needs assessment, and discuss how the Equity Multiplier Funds might maximize student outcomes. The School Site Council meeting to

Educational Partner(s)	Process for Engagement
	approve the Equity Multiplier plan took place on September 20, 2025. During the meeting, the principal provided an overview of the school goals and funding sources. Performance data across state priorities and Dashboard indicators were reviewed, with a focus on addressing achievement gaps for students at El Camino. School Site Council members provided their input on recommended actions. A schoolwide climate survey was also administered to gather further input from educational partners.
Orange County School of Computer Science	The Orange County School of Computer Science Advisory Council met to review Dashboard performance and suggested staff actions to continue the work of the school on March 25, 2026. OCSCS staff input was gathered at a meeting on February 25, 2026. Student input was gathered at two sessions on April 1 & 3, 2026. As was done last year, the OCSCS LCAP will emulate the PYLUSD LCAP.
Board Study Session	The Board Study Session took place on April 28, 2026. During the session, district leadership provided an overview of the LCFF, shared performance data across state priorities, and reviewed the Dashboard indicators, with a focus on addressing achievement gaps and enhancing services for Foster Youth, English Learners, and Socio-economically Disadvantaged students. The annual evaluation of the current year LCAP was discussed, explaining the discontinuation of some actions, amendments to others, and proposals for new actions.
Special Education Local Plan Area (SELPA) - Northeast Orange County SELPA	Regular meetings with Assistant Superintendent, Student Support Services, SELPA administrator, Special Education Director, Special Education Administrator and Special Education Community Advisory Committee informed the development of the LCAP. PYLUSD collaborated and reviewed the progress towards the LCAP goals and the action steps that were being adjusted and modified. In collaboration with the SELPA director, PYLUSD ensured that all actions and goals were in line with the needs of students with disabilities. The SELPA director attended multiple input sessions and is a part of the district team that develops the LCAP and represented the needs of this student group and the SELPA throughout the process.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to using the Local Control and Accountability Plan (LCAP) to guide a cycle of continuous improvement. The engagement of parents, students, teachers, staff, and other community members plays a critical role in supporting the implementation, evaluation, and future adjustments of this plan. The District called upon existing advisory groups as well as held a districtwide Community Forum to ensure all voices were heard and reflected. The following groups were actively involved in the LCAP development process described below:

- PYLUSD District Leaders: Superintendent, Deputy/Assistant Superintendents, Directors, and School Site Administrators
- Student Advisory Committee: Students representing all schools, including Unduplicated Pupils, from all grade spans
- District English Language Advisory Council (DELAC): Representatives from each school's English Language Advisory Council and other parents of English learners
- Placentia-Yorba Linda Unified Council of PTAs: Representatives from each PTA across the district
- Association of Placentia-Linda Educators (APLE): Certificated bargaining unit representatives
- California School Employees Association (CSEA, Chapter 293): Classified bargaining unit representatives
- Community Forums: Open community forum for all community members, including staff
- Special Education Local Plan Area (SELPA): Regular meetings with Assistant Superintendent, Student Support Services, SELPA administrator, Special Education Director, Special Education Administrator and Special Education Community Advisory Committee informed the development of the LCAP. PYLUSD collaborated and reviewed the progress towards the LCAP goals and the action steps that were being adjusted and modified. In collaboration with the SELPA director, PYLUSD ensured that all actions and goals were in line with the needs of students with disabilities. The SELPA director attended multiple input sessions and is a part of the district team that develops the LCAP and represented the needs of this student group and the SELPA throughout the process.

NOTE: There are no tribes nor civil rights organizations served by the Placentia-Yorba Linda Unified School District

Separate meetings were held for each advisory group, conducted either virtually or in person to ensure accessibility. At the start of the sessions a slideshow was presented that outlined the budget overview, LCAP goals, and proposed actions. Student representation was prioritized through the Student Advisory Committee, which included a diverse selection of students from multiple school sites. Efforts were made to ensure that Foster Care, English Learner, Long-Term English Learner and Socio-economically Disadvantaged student populations were represented, in alignment with LCAP requirements.

During the meetings, district leadership including Executive Cabinet members, Directors from Educational Services and Student Support Services provided updates on LCAP development procedures, fiscal considerations, outcome data, and proposed actions to address identified needs. Advisory members were given a list of staff-generated recommendations for improvement and had the opportunity to offer feedback, with representatives from district departments available to address questions. Parents, community members, students, and staff were encouraged to share perspectives and suggest areas for growth. Feedback was systematically collected through meeting notes, organized by action item, and was analyzed to inform the LCAP writing team’s decision-making process.

The following list of dates details the input and/or consultation sessions held to engage all of PYLUSD’s educational partners:

February 12, 2026 - Board of Education Mid-year LCAP Feedback Presentation and Input Session

February 12, 2026 - Principals' Feedback Session
February 24, 2026 - CSEA (Classified Employee Association) Study Session
February 25, 2026 - APLE (Association of Placentia-Yorba Linda Educators) Study Session
March 4, 2026 - PYLUC (Placentia-Yorba Linda Unified PTA Council) Feedback Session
March 16, 2026 - Community Town Hall, DELAC (District English Language Advisory Committee), and Title I Parent Study Session
March 25, 2026 - Student Advisory Committees (5th, 8th, and 12th grade student representatives)
April 28, 2026 - PYLUSD School Board Study Session
May 2026 - Share draft LCAP with OCDE
June 2026 - Share draft LCAP on district website for public review
June 2026 - Provide written responses to any LCAP concerns from PYLUC and DELAC
June 2026 - Local Indicators School Board Presentation
June 2026 - LCAP and Budget Public Hearing
June 2026 - Board approval of LCAP and Local Indicators
June 2026 - Submit approved LCAP to OCDE and post on district website in English and Spanish

The involvement of these educational partners supported improved outcomes for students, including Unduplicated Pupils. Identified needs became the driving force behind all actions in the LCAP. Feedback and ideas for the development of the Local Control Accountability Plan (LCAP) were gathered at these sessions and taken under advisement by district leadership.

As a result of the various input sessions, feedback and ideas for the development of the Local Control Accountability Plan (LCAP) were gathered. Listed below is a summary of the feedback and ideas gathered from educational partners for each goal.
Goal 1: PYLUSD will provide innovative, rigorous, and relevant educational experiences that empower students to become responsible, ethical, and contributing citizens.
Goal 2: PYLUSD will continue to provide the necessary resources, skills, and opportunities for all students to meet or exceed grade level expectations.

Attendance & Intervention
Participants noted that while school attendance rates are improving, chronic absenteeism remains above pre-COVID levels and continues to be an area of focus. Recommendations included encouraging partial-day attendance when possible to maintain student connection to school and increasing the use of text notifications to improve family engagement and communication. Participants also suggested providing attendance incentives for families in addition to students and improving staff awareness of available student supports and intervention resources. Additional recommendations included implementing student attendance incentives that promote consistent attendance while avoiding recognition systems that encourage sick students to attend school. Participants further emphasized the importance of increasing student engagement through expanded extracurricular opportunities at the elementary level.

Academic Interventions & Instructional Support
Participants suggested expanding targeted academic supports in mathematics and English language arts to strengthen student achievement and address opportunity gaps for all learners. Recommendations included incentivizing the recruitment and retention of multilingual educators, maintaining ELD staffing, and continuing targeted supports for English learners. Additional suggestions focused on expanding elementary and middle school math intervention opportunities, providing before-school reading classes at elementary sites, and increasing

access to online tutoring and academic interaction supports. Participants also recommended offering summer reading and mathematics programs for all students and improving communication with families regarding elementary math progress and student performance.

Participants suggested expanding curriculum, enrichment, and engagement opportunities to better support student access and family involvement across the district. Recommendations included expanding tutorial periods to provide additional intervention and enrichment opportunities, increasing access to VAPA programming for all students, and strengthening parent engagement through partnerships with PTA organizations, businesses, and community groups. Participants also recommended offering additional Booster training to promote greater access, equity, oversight, and parent involvement. In the area of professional development and staff support, participants emphasized the need for more practical, classroom-ready training opportunities based on feedback from summer institute sessions. Additional recommendations included providing more comprehensive training for new curriculum adoptions and ensuring classified staff receive emergency procedure training with appropriate compensation for participation.

School Engagement & Student Motivation
Participants suggested expanding extracurricular and student engagement opportunities to strengthen school connectedness and increase participation across grade levels. Recommendations included expanding middle school athletics and integrating additional VAPA opportunities to provide students with a broader range of enrichment experiences. Participants also emphasized the value of structured extracurricular activities, such as student council, English-learning games, and academic competitions, to support student engagement and leadership development. Additional suggestions focused on increasing opportunities for hands-on, interactive lessons designed to improve classroom participation and student interest. Participants further recommended strengthening partnerships with local businesses to expose students to a wider range of career pathways and real-world learning experiences.

Goal 3: PYLUSD will close the academic achievement gap for English Learner (EL) students.
Goal 4: PYLUSD will close the academic achievement gap for Long-term English Learner (LTEL) students.

Participants emphasized the importance of strengthening supports for English learners through expanded staffing, targeted instruction, and increased family engagement. Recommendations included incentivizing the recruitment and retention of multilingual educators, maintaining ELD teachers, and increasing access to bilingual aides and targeted English learner support services. Participants also suggested expanding English classes for adults at high school sites, improving multilingual communication and outreach efforts, and providing more user-friendly parent resources and workshops. Additional recommendations focused on increasing awareness of translation services, strengthening family engagement opportunities in parents' native languages, and improving communication regarding programs, assessments, and available supports for English learner families.

Participants also highlighted the need to enhance instructional practices, intervention systems, and professional development related to English learner achievement. Suggestions included increasing teacher training on ELD instructional strategies, expanding GLAD training, integrating language development supports into core instruction, and utilizing technology tools such as Lexia, Nearpod, and digital translation resources to support language acquisition. Participants recommended expanding after-school tutoring, small-group interventions, bilingual tutoring, and targeted writing support, while also exploring additional literacy resources and curriculum options to address learning gaps. Additional recommendations included improving progress monitoring systems for LTEL students, strengthening reclassification processes, integrating ELPAC preparation into instruction, and using assessment and attendance data to guide intervention strategies and early support efforts.

Participants further emphasized the importance of increasing student engagement, motivation, and community partnerships to support long-term English learner success. Recommendations included expanding peer mentoring, classroom buddy systems, leadership opportunities, and milestone celebrations to recognize student progress and build school connectedness. Participants also suggested strengthening career awareness and goal-setting initiatives to reinforce the importance of English language development and academic achievement. Additional recommendations included expanding summer and after-school ELD programs, increasing mentorship opportunities, improving access to bilingual mental health and community supports, and exploring partnerships and grant opportunities through programs such as AVID Excel, PIQE, and Community Schools initiatives to enhance districtwide services for English learners.

Goal 5: PYLUSD will close the academic achievement gap for Socio-Economically Disadvantaged (SED) students.

Participants emphasized the importance of expanding college and career readiness opportunities through increased access to Career Technical Education (CTE), academic intervention, and real-world learning experiences. Recommendations included expanding CTE pathways at Valencia High School with a focus on hands-on technical and trade-related programs such as robotics, autobody, manufacturing, and mechanical systems. Participants also suggested strengthening partnerships with community colleges to provide students with career-focused coursework and experiential learning opportunities, while advocating for districtwide Trade Fairs, College Fairs, and Career Days. Additional recommendations focused on expanding AVID and career-readiness programs at the elementary and middle school levels, increasing access to tutoring and structured intervention during the school day, improving student confidence with testing formats, and strengthening access to internships, mentorships, financial literacy education, and college and career exploration opportunities.

Participants also highlighted the need to strengthen student engagement, family support systems, and access to social-emotional and wellness resources. Recommendations included increasing staff outreach to families to improve attendance and address chronic absenteeism through conferences, home visits, and enhanced communication efforts. Participants suggested expanding after-school athletics and enrichment opportunities, improving transportation access to support participation in programs, and continuing to expand bus routes and awareness of available transportation services. Additional recommendations included ensuring access to counseling, behavioral, and wellness supports across all schools, expanding SEL and intervention services, and strengthening school-family partnerships through community resource fairs, childcare and food supports for family events, financial literacy resources, and increased collaboration with PTAs, local businesses, colleges, and community organizations to support whole-family engagement and student success.

Goal 6: PYLUSD will close the academic achievement gap for Foster Youth (FY) students.

Participants emphasized the importance of strengthening stability, connection, and access to supports for foster youth students and families across the district. Recommendations included researching best practices from existing support models, establishing policies that promote school stability despite placement changes, and maintaining transportation services that allow foster youth to remain at their school of origin whenever possible. Participants also suggested strengthening partnerships with county agencies and community organizations to improve access to available resources and services for foster youth and families. Additional recommendations focused on expanding counselor and mentor availability across all schools, utilizing foster youth liaisons to coordinate districtwide supports, improving access to mental health services, and creating welcoming campus processes that connect students to support staff immediately upon enrollment. Participants further recommended organizing resource fairs, increasing professional development for classified staff, and ensuring each foster youth student has a designated point person or mentor for ongoing support.

Participants also highlighted the need to expand academic interventions, student engagement opportunities, and trauma-informed supports to improve outcomes for foster youth students. Recommendations included enhancing tutoring services through earlier intervention referrals, improving family awareness of available academic supports, and providing staff training focused on trauma-informed practices and the unique needs of foster youth students. Participants emphasized the importance of fostering school belonging through peer buddy programs, mentorship opportunities, extracurricular activities, middle school athletics, clubs, celebrations, and schoolwide SEL initiatives that help students build meaningful connections. Additional recommendations included creating inclusive campus environments through staff awareness training, providing vouchers for school-sponsored activities, supporting students' ability to practice their faith on campus, and strengthening absenteeism interventions through monitoring, communication, and family meetings. Participants also suggested expanding welcoming resources such as Care Closets, student service groups, and ASB or activities cards to further support student engagement and connectedness.

Goal 7: PYLUSD will close the academic achievement gap for all Unduplicated Pupils through district-wide and school-wide actions.

Participants emphasized the importance of expanding staffing, intervention systems, and mentorship opportunities to better support unduplicated pupil groups and struggling students across the district. Recommendations included increasing human resources available to support teachers and students through preventive interventions focused on literacy, reading, and mathematics, particularly for students who may lack academic support outside of school. Participants suggested expanding mentorship opportunities through peer helper programs, classified staff mentorship training, and initiatives such as Support One Student (S.O.S.) to provide targeted support for specific student groups. Additional recommendations included increasing staffing dedicated to pre-intervention services, strengthening counselor availability and mental health supports, improving outreach and registration supports for foster youth students, and ensuring additional school and district staff are available to monitor student needs and provide ongoing assistance. Participants also emphasized the importance of targeted resource allocation for schools serving high concentrations of English learners and socioeconomically disadvantaged students, while maintaining transparency regarding funding and support services for unduplicated pupils.

Participants highlighted the need to strengthen family engagement, attendance supports, and school climate initiatives to improve student connectedness and academic outcomes. Participants noted that parent involvement has decreased following the COVID-19 pandemic and recommended expanding district-led parent engagement opportunities, parenting classes, and feeder-pattern family events to better support student success. Additional recommendations included strengthening communication regarding academic programs and support services, increasing multilingual outreach and language supports for families, and continuing to utilize advisory groups and PTA partnerships to strengthen connections between families and the district. Participants also emphasized the importance of strengthening attendance interventions through incentive-based attendance campaigns, more frequent attendance reporting, home visits, and expanded SART/SARB follow-through, while exploring options such as elementary attendance recovery opportunities. Recommendations further focused on improving school climate through restorative practices, PBIS, SEL, peer mentoring, buddy systems, clubs, and culturally inclusive activities designed to increase student belonging, engagement, and positive relationships across school communities.

Participants further emphasized the importance of expanding academic interventions, literacy supports, pathway opportunities, and professional development for both certificated and classified staff. Recommendations included replicating successful intervention models such as the tutoring block at Valencia High School, maintaining tutorial periods at the secondary level, and expanding after-school tutoring, small-group instruction, math labs, and structured intervention programs such as Reflex and ST Math. Participants stressed the importance

of maintaining a districtwide focus on literacy, supporting struggling readers, and providing accommodations and interventions for students not responding to instruction. Additional recommendations included strengthening college and career readiness efforts through expanded pathway programs, earlier career exploration opportunities, increased promotion of dual enrollment and scholarship opportunities, and broader access to high-demand programs such as manufacturing. Participants also emphasized the need for ongoing professional development related to intervention strategies, behavioral supports, reading difficulties, AVID strategies, trauma-informed practices, and student engagement, while ensuring teachers have structured time and resources to identify and support struggling students effectively.

Goal 8: PYLUSD will provide focused actions to address academic achievement, engagement, and school climate for specific student groups and sites.

Participants emphasized the importance of strengthening staffing structures, student support services, and inclusive practices to better meet the academic, behavioral, and social-emotional needs of all students. Recommendations included reviewing staffing ratios for counselors, SROs, RBTs, psychologists, and support staff to ensure students across all school sites have access to appropriate services and interventions. Participants highlighted the importance of providing ongoing professional development related to special education, PBIS, trauma-informed practices, ProAct Light, and co-teaching models, while also improving onboarding and IEP training for education specialists. Additional recommendations included strengthening attendance recovery programs, increasing awareness of family circumstances related to absenteeism, expanding behavioral and mental health supports, and improving communication with families through translated materials, text messaging, targeted outreach, and user-friendly language accessible to English learner families. Participants also emphasized the need to improve supports for LTEL students through earlier identification, expanded LTEL family engagement events, mindful student clustering practices, and additional literacy and math interventions, including summer skills camps, extended learning opportunities, and peer-supported tutoring structures.

Participants also highlighted the importance of expanding academic pathways, family engagement opportunities, and equitable access to resources and enrichment programs. Recommendations included expanding after-school intervention programs with targeted support in reading, writing, mathematics, and ELD, while exploring transportation solutions and outside staffing partnerships to increase access. Participants suggested strengthening college and career readiness through expanded AVID, Gear Up, DP, CTE, and ROP opportunities, while increasing career education connections within core academic and ELD courses to help students connect learning to real-world applications. Additional recommendations focused on ensuring equitable allocation of resources based on student need, increasing awareness and support for foster youth, McKinney-Vento students, and homeless students, and strengthening continuity of counseling and mental health services across school sites. Participants also recommended increasing district-supported parent engagement opportunities, expanding resource fairs and multilingual communication tools, improving parent understanding of school systems and supports, and advocating for continued state funding to sustain intervention, counseling, and enrichment programs for unduplicated pupil groups.

Goal 9: Focused actions to improve academic achievement and staffing at El Camino Real Continuation High School.

Participants expressed strong support for continuing the proposed 2025–26 LCAP actions designed to improve student achievement and engagement at El Camino Real Continuation High School. Recommendations included maintaining additional teaching staff to support smaller class sizes and provide targeted interventions for at-risk students, while continuing to strengthen PLC collaboration around student outcomes and credit completion. Participants also emphasized expanding intervention opportunities in ELA and mathematics through AVID strategies, formative assessment practices, and instructional support offered during the school day. Additional recommendations focused on

continuing and expanding AVID, CollegeLink, college and career exploration opportunities, and staff training related to supporting English learner students. Participants further supported continuing restorative discipline practices and counseling services that address students' academic, behavioral, social, and emotional needs, while also increasing attendance celebrations and family engagement events to strengthen school culture, student connectedness, and retention.

****

Educational partner feedback directly influenced the development of the 2026–27 LCAP. Parents, students, teachers, classified staff, administrators, DELAC members, PTA representatives, SELPA representatives, and community members consistently identified the need for expanded academic intervention, stronger English Learner supports, increased college and career opportunities, improved attendance interventions, and enhanced mental health services. In response, the district continued funding for intervention teachers, expanded English Learner summer programming, maintained bilingual family outreach services, strengthened attendance monitoring systems, and increased access to college and career readiness opportunities, including CTE pathways and dual enrollment programs.

Educational partners also emphasized the importance of professional learning for teachers, consistent implementation of MTSS, and additional support for students experiencing academic or behavioral challenges. As a result, the district maintained investments in professional development, collaborative PLC structures, behavioral intervention supports, and targeted services for Foster Youth, English Learners, Long-Term English Learners, and Socioeconomically Disadvantaged students. Feedback gathered throughout the engagement process was reviewed and incorporated into the final selection, continuation, refinement, and expansion of LCAP actions.

The following actions within each goal were either created or revised based on feedback from our educational partners and a review of our outcome data:
Goal 1: PYLUSD will provide innovative, rigorous, and relevant educational experiences that empower students to become responsible, ethical, and contributing citizens.
1.1 - Intervention Program
1.7 - ADVANCE Program
1.8 - Preschool programs
1.9 - Community Engagement

Goal 2: PYLUSD will continue to provide the necessary resources, skills, and opportunities for all students to meet or exceed grade level expectations.
Actions influenced include:
2.2 - Professional development for certificated staff
2.4 - Effective CAASPP administration

Goal 3: PYLUSD will close the academic achievement gap for English Learner (EL) students.
Actions influenced include:
3.4 - Professional development to assist English Learners with IEPs
3.21 - Implementation of an English Learner Snapshot

Goal 4: PYLUSD will close the academic achievement gap for Long-term English Learner (LTEL) students.
Actions influenced include:
4.1 - AVID Excel program
4.7 - Engaging with LTELs
4.9 - Teacher and staff awareness of LTELs
4.10 - Structured check-ins with LTELs
4.11 - Effective language teaching strategies
4.13 - Student-driven goal setting and progress monitoring
4.14 - LTEL progress monitoring

Goal 5: PYLUSD will close the academic achievement gap for Socio-Economically Disadvantaged (SED) students.
Actions influenced include:
5.1 - McKinney Vento Liaison
5.12 - Title 1 Instructional Coaches
5.15 - Mentoring program

Goal 7: PYLUSD will close the academic achievement gap for all Unduplicated Pupils through district-wide and school-wide actions.
Actions influenced include:
7.29 - Suicide Prevention Program
7.32 - Secondary school intervention programs
7.33 - Maintenance of CTE pathways
7.34 - Title I Parent Advisory Committee
7.35 - Expansion and support of Dual Language Academy
7.39 - Site level awareness of unduplicated pupils

Goal 8: PYLUSD will provide focused actions to address academic achievement, engagement, and school climate for specific student groups and sites.
Actions influenced include:
8.6 - Attendance Recovery Program including Saturday School
8.10 - Family and community engagement to support attendance
8.16 - Special Education Community Advisory Committee
8.17 - Additional Academic Support for Melrose

Goal 9: Focused actions to improve academic achievement and staffing at El Camino Real Continuation High School.
Actions influenced include:
9.9 - Targeted Intervention Program
9.9 - Targeted Intervention Program

Goal

Goal #	Description	Type of Goal
1	PYLUSD will provide innovative, rigorous, and relevant educational experiences that empower students to become responsible, ethical, and contributing citizens.	Broad Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

This goal was established to sustain and enhance the district's strong academic performance while addressing key areas of growth. With high student achievement in Mathematics and English Language Arts, a 95.6% graduation rate, and a College/Career indicator exceeding state performance levels, the district remains committed to providing rigorous and relevant educational experiences. Targeted intervention programs in ELA and Math, expanded early learning opportunities, and increased pathways for students with disabilities to earn diplomas and transition to work demonstrate PYLUSD's dedication to equitable student success. Additionally, the expansion of middle school athletics, implementation of CAASPP Interim Assessment Blocks, and ongoing professional development for staff ensure that students receive comprehensive support in their academic journey.

Despite these successes, the district recognizes areas for continued growth, including the need to improve English learner progress, reduce chronic absenteeism—especially among certain student subgroups—and close persistent achievement gaps for English Learners, Foster Youth, Students with Disabilities, and Socioeconomically Disadvantaged students. To address these challenges, PYLUSD is implementing targeted interventions such as expanded foundational math and writing programs, increased access to computer science education, and a transition-to-work program for graduates. Additionally, efforts to enhance community engagement, reduce class sizes, and provide innovative academic pathways will further support student success. By prioritizing these initiatives, PYLUSD aims to empower all students to thrive academically and become responsible, ethical, and contributing citizens.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

There were no substantive differences between the intended implementation and actual execution for the actions in Goal 1 with the exception of Action 1.1 that was discontinued in winter of 2026 because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made. Aside from this adjustment, all other actions were implemented as planned, including foundational math and writing initiatives, computer science programming, middle school athletics, transition-to-work opportunities for students with disabilities, preschool expansion, community engagement efforts, innovative programs, and the elimination of 5th/6th grade combination classes. Several actions demonstrated notable success, including five cycles of before- and after-school intervention programs for students in grades 1–6, participation by 6,185 students in the Reflex math program, 2,955 students using the Frax math application, and administration of district writing prompts to 7,284 elementary students. The district also continued the Orange County School of Computer Science and Universal Sports Institute programs, and increased community engagement through strategic planning listening sessions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for any actions, aside from Action 1.1 because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Implementation of Goal 1 contributed to strong student outcomes across multiple measures. Districtwide English Language Arts performance improved from 64.75% to 67.39% meeting or exceeding standards, while Mathematics increased from 53.48% to 56.07%, with both indicators improving their Distance from Standard by more than eight points. Graduation rates increased from 94.3% to 95.6%, College and Career Readiness improved from 55.8% to 61.8%, chronic absenteeism declined from 17.8% to 11.4%, and suspension rates decreased from 1.4% to 0.6%. Local measures also reflected positive growth, including increases in K–5 i-Ready Reading performance from 58% to 63% and Mathematics from 47% to 53%. Writing outcomes improved substantially, with the percentage of students meeting or exceeding expectations on district writing prompts increasing from 81% to 86% in grades 1–5 and from 76% to 81% in grades 6–12. Advanced academic opportunities also expanded, with AP course participation increasing from 27% to 30%, AP pass rates rising from 85% to 91.2%, Cambridge exam pass rates increasing from 80% to 93%, and IB pass rates improving from 91% to 98%. Overall, the district concluded that the coordinated implementation of Goal 1 actions effectively supported student achievement, engagement, college and career readiness, and access to innovative educational opportunities. Comments related to specific actions are below:

Action 1.1: Targeted Intervention
PYLUSD elementary schools implemented five cycles of before-school and after-school intervention groups for math and English in grades 1-6. Survey feedback from teachers and anecdotal feedback from parents has been positive, indicating effectiveness in supporting student learning.

Action 1.2: Foundational Math
A total of 6,185 students in grades 1-6 engaged with the Reflex math app, resulting in an increase in group fluency averages from 40.1% to 66.2%, with an average of 68 facts gained per student. Additionally, 2,955 students in grades 2-6 used the Frax math app, completing an average of 9.7 missions. Improvements in fact fluency and conceptual understanding of fractions contributed to student success in other math assessments, such as i-Ready and SBAC.

Action 1.3: Foundational Writing
In late-October, the first elementary writing prompt was administered to 7,284 students in grades 1-5. At that point in the assessment calendar, 50% of students scored a 3, 3.5, or 4 on the district's four-point writing rubric, while an additional 37% scored a 2 or 2.5, indicating they were nearing proficiency. Two more district writing prompts will be used to continue monitoring student progress, demonstrating the district's commitment to strengthening writing skills.

Action 1.4: Computer Science
The Computer Science Continuum continued to progress, with Computer Instructional Specialists being offered professional development to support elementary students.

Action 1.5: Middle School Athletics
The Middle School Athletics program maintained high participation levels during the 2026-27 school year with hundreds of students participating across 5 different sports: Volleyball, Cross Country, Flag Football, Wrestling, and Track.

Action 1.6: PLUS Program
High School and adult students at sites across the district are participating in subsidized employment opportunities for students in special education programs.

Action 1.7: ADVANCE Program
Due to the availability and structured support that the applied studies diploma pathway provides, more students are graduating from their comprehensive site(s) with a high school diploma in four years. Therefore, the Advance program is not needed at this time.

Action 1.8: Preschool Program
We completed the district's goal of increasing our fee-based preschools from one to five and our state preschools from four to seven. Therefore, our new focus is to increase access to early childhood education and development through our inclusion model, as well as to offer our families additional access to a high-quality preschool education.

Action 1.9: Special Education Resources and Program
The current hiring efforts have been effective in meeting the goal of strengthening support for students with special needs.

Action 1.10: Engaged Community
Messages to our community and invitations to collaborate have grown with the listening tour sessions that will be used to create PYLUSD's new Strategic Plan.

Action 1.11: 5th/6th Grade Combination Class Elimination
Through the use of Learning Recovery Emergency Block Grant funds, the district successfully eliminated nine 5th/6th grade combination classes, reducing class sizes at the elementary level.

Action 1.12: Innovative Programs
The Orange County School of Computer Science and Universal Sports Institute continue to operate.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following actions have revisions for the 2026-27 school year:

Action 1.1 was discontinued because changes in statewide funding formulas impacted PYLUSD’s revenues that funded this action so reductions needed to be made.

Action 1.7 was revised because the availability and structured support that the applied studies diploma pathway provides, more students are graduating from their comprehensive site(s) with a high school diploma in four years. Therefore, the Advance program is not needed at this time.

Action 1.8 was revised because in 24 months, we completed the district's goal of increasing our fee-based preschools from one to five and our state preschools from four to seven. Therefore, our new focus is to increase access to early childhood education and development through our inclusion model, as well as to offer our families additional access to a high-quality preschool education.

An action related to eliminating 5th/6th combination classes was removed. Prior to the elimination of 5th- and 6th-grade combination classes, our teachers have supported student learning through differentiated instruction and/or collaboration with colleagues to share students and minimize combos during ELA and/or math periods. In addition, in adherence to the teacher contract, the district will work with principals to provide on-going year-long classroom support for 5/6 combo classes. Moreover, we are looking to align math curriculum K-8 to optimize continuity of learning.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	PYLUSD will continue to provide the necessary resources, skills, and opportunities for all students to meet or exceed grade level expectations.	Maintenance of Progress Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 2: State Standards (Conditions of Learning)
Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

PYLUSD remains committed to ensuring that all students have access to the resources, skills, and opportunities necessary to meet or exceed grade-level expectations. With a diverse student population of over 22,700, including 44% identified as socioeconomically disadvantaged, 13.5% as English learners, and 0.4% as foster youth, it is essential to provide equitable support systems that address the unique needs of every learner. While districtwide performance in key areas such as English Language Arts, Mathematics, Graduation Rate, and College/Career readiness remains strong, areas like English Learner Progress and Chronic Absenteeism require continued attention and targeted intervention. By investing in high-quality instruction, professional development, and instructional resources, PYLUSD ensures that all students receive the support necessary to achieve academic success.

To sustain and build upon this progress, Goal 2 focuses on maintaining a highly qualified teaching staff, expanding professional development opportunities, and ensuring the equitable distribution of resources across the district. Continuous improvement efforts and instructional material enhancements, will help monitor student progress and refine instructional strategies. Additionally, providing professional development for classified staff ensures that all school personnel contribute effectively to student success. By prioritizing these initiatives, PYLUSD reaffirms its dedication to fostering an inclusive and academically enriching environment where all students can thrive.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 2 with no substantive differences between planned and actual implementation. Key actions included maintaining highly qualified staffing, providing professional development and collaborative learning opportunities for certificated and classified staff, ensuring equitable access to instructional materials and resources, administering state assessments, and monitoring resource allocation across schools. These efforts contributed to positive outcomes across multiple district indicators. Districtwide English Language Arts performance improved from 64.75% to 67.39% meeting or exceeding standards, with the Distance from Standard increasing from 35.6 to 43.9 points above standard. Mathematics performance increased from 53.48% to 56.07%, with Distance from Standard improving from 6.1 to 14.3 points above standard. Graduation rates increased from 94.3% to 95.6%, College and Career Readiness improved from 55.8% to 61.8%, and chronic absenteeism declined from 17.8% to 11.4%, representing a 6.4 percentage-point reduction. Suspension rates also decreased from 1.4% to 0.6%.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

The following actions experienced material differences between budgeted and estimated actual expenditures:

2.1: Districtwide Staffing: Fewer funds were used than initially budgeted to due strategic decision making regarding backfilling open positions, reducing staffing where feasible and similar decisions.

2.2: Mathematics: Expanded teacher support to support multilingual learners in alignment with the 2023 math framework by launching a GLAD in math after school cohort and the launch of the secondary Math Fellows program, including funding for BTC materials and professional development.

2.3: English Language Arts: Pear Assessment expanded to grades 3-5 to support CAASPP interim assessments. Additional IXL licenses purchased for 6th-grade teachers to facilitate diagnostics and individualized learning pathways. Funding planned for 2025-2026 to renew subscriptions for Step Up to Writing (K-12) and Studysync (9-12).

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The district found the actions associated with Goal 2 to be effective in maintaining and strengthening the district’s core instructional program. Professional development investments supported implementation of the California Mathematics Framework, literacy initiatives, writing instruction, multilingual learner supports, and science instruction, while expanded instructional resources enhanced access to standards-aligned learning opportunities. Local measures also reflected positive outcomes, including increases in the percentage of K–5 students performing at or above grade level on i-Ready Reading from 58% to 63% and Mathematics from 47% to 53%. Secondary academic

performance improved as well, with passing rates increasing in English Language Arts from 89% to 91%, Mathematics from 86% to 87%, Science from 88% to 90%, and Social Science from 88% to 89%. The district maintained 100% access to standards-aligned instructional materials, continued to receive a rating of “Good” on the Facilities Inspection Tool, and sustained full implementation of state standards across all content areas. Overall, the actions within Goal 2 successfully supported student achievement, instructional quality, and equitable access to educational opportunities while positioning the district to continue improving outcomes for all students. Comments related to specific actions are below:

Action 2.2: Professional Development, Training, and Task Forces
English Language Arts: A significant expenditure occurred in Spring 2025 due to a state directive requiring the selection of a Reading Difficulties Screener. Additional funds allocated for K-2 teacher training on screening procedures. An ELA pilot task force was funded to evaluate curricula that support intervention for students flagged by the screener. Additional hours provided for DLA teachers transitioning from i-Station to i-Ready Spanish diagnostic. District TOSAs trained as Step Up to Writing trainers for K-5 instruction. Momentum in Teaching expanded training to further support narrative, informational, and opinion writing across all grades.

Mathematics: Expanded teacher support to support multilingual learners in alignment with the 2023 math framework by launching a GLAD in math after school cohort. Launch of the secondary Math Fellows program, including funding for BTC materials and professional development.

Science: Increased support for Science Fellows professional development. Elementary Science Fellows completed NGSS certification to reinforce early-grade science instruction.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

No actions for this goal have been revised for the 2026-27 school year.

A report of the Total Estimated Actual Expenditures for last year’s actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year’s actions may be found in the Contributing Actions Annual Update Table.

While the 2024 CA Dashboard shows overall stability in English Language Arts and Math, along with positive trends in graduation rates, chronic absenteeism, and suspension rates, student groups such as English Learners, Socioeconomically Disadvantaged students, and Foster Youth continue to perform below district averages. Research consistently shows that high-quality professional learning builds staff capacity to meet the needs of unduplicated pupils and leads to improved student outcomes (Hattie, 2009; Kanold, 2017; Erkens & Twadell, 2012), making this a strategic investment to close achievement gaps and support educational equity. Goals and Actions

Goal

Goal #	Description	Type of Goal
3	PYLUSD will close the academic achievement gap for English Learner (EL) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

A persistent achievement gap persists between the performance of English Learners (ELs) and that of all students across various metrics districtwide. This goal is aimed at addressing this performance disparity by increasing and improving services for English Learners. Across the district, English Learner (EL) students have demonstrated the lowest performance level in Chronic Absenteeism. The actions outlined within this broad goal align with the objectives outlined in the PYLUSD EL Master Plan. Key components include staff professional development, additional support for Emerging ELs, provision of bilingual support staff, and fostering increased student and family engagement.

The key actions proposed to support ELs, such as the ELD Summer Program, progress monitoring, and English Language Proficiency Assessments for California (ELPAC) support, are essential to address the unique needs of this student group. We will be providing extensive professional development to teachers through Guided Language Acquisition and Design (GLAD) strategies, the ELD framework and roadmap, and student talk protocols. Additionally, translation services ensure that families of our ELs have access to resources and assistance in their native language, facilitating support and collaboration.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 3 to improve outcomes for English Learners (ELs), with no substantive differences between planned and actual implementation. Key actions included ELD professional development, additional designated and integrated ELD sections at secondary schools, bilingual instructional aides, ELPAC administration and training, translation services, EL progress monitoring through Ellevation, bilingual community liaisons, the English Language Assessment Center, ELD Academic Support Teachers, ELD Teacher on Special Assignment (TOSA) support, the ELD Summer Program, GLAD training, and implementation of the EL Master Plan. These efforts contributed to positive outcomes across multiple indicators. The English Learner Progress Indicator improved from 50.3% (Orange) in 2023–24 to 51.0% (Yellow) in 2024–25, while EL graduation rates increased from 79.9% to 89.9%. College and Career Readiness improved from 11.4% to 20.8%, chronic absenteeism declined from 25.9% to 16.5%, and suspension rates decreased from 2.1% to 1.5%. English Learners also improved their Distance from Standard in English Language Arts from 41 points below standard to 33.4 points below standard and in Mathematics from 68.7 points below standard to 55 points below standard, with both indicators improving one Dashboard performance level.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

The following actions experienced material differences between budgeted and estimated actual expenditures:

3.5: English Language Proficiency Assessments for California (ELPAC): Fewer funds were needed than initially estimated due to new ELPAC administration procedures. The district will refine coordination structures and adjust budget assumptions to reflect actual costs.

3.17: Expenditures for the ELD Summer Program exceeded initial projections due to expanded implementation, including increased student participation, additional program sites, and staffing needs to support small group instruction and differentiated learning. These increases reflect the district's responsiveness to student need and commitment to expanding access to language development opportunities.

3.18: Increased demand from sites, and additional costs associated with substitute coverage, demonstration classrooms, and coaching support were distributed across multiple funding sources to sustain expanded implementation.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The district found many actions to be effective in improving English Learner achievement and engagement. ELD professional development contributed to 74.6% of English Learners improving their ELA scores and 71.8% improving their mathematics scores, while bilingual aides, translation services, family engagement structures, and EL progress monitoring strengthened support systems for students and families. GLAD implementation, ELD Summer Programming, and the English Learner Assessment Center further enhanced language acquisition and access to grade-level content. Local measures reflected additional progress, including increases in secondary passing rates for English Learners in English Language Arts from 73% to 75%, Mathematics from 62% to 67%, Science from 64% to 74%, and Social Science from 64% to 68%. Challenges remain, however, as only 11.66% of English Learners met or exceeded standards in English Language Arts and 13.97% met or exceeded standards in Mathematics, and elementary ELD Academic Support Teachers were less effective at some sites because staffing was divided across multiple schools and significant time was devoted to Kindergarten class-size reduction efforts. Additionally, the district identified inconsistencies in the implementation of the English Learner Snapshot tool and will revise the action in 2026–27 to incorporate the English Learner Progress Indicator (ELPI) as a primary monitoring metric. Overall, the coordinated implementation of Goal 3 actions resulted in meaningful progress toward closing achievement gaps and improving academic, language development, attendance, and postsecondary outcomes for English Learners. Comments related to specific actions are below:

Action 3.1: English Language Development (ELD) Professional Development
Implementation contributed to measurable gains, including 74.6% of English learners improving their ELA scores and 71.8% improving in Math. Increased teacher capacity supported access to grade-level content and language development aligned to EL Roadmap Principles 1 and 2.

Action 3.2: Additional EL Sections at Secondary Schools
We continue to ensure all ELs receive both designated and integrated ELD instruction in order to support academic success. We continue to provide middle schools and high schools with staffing/classes to support Emerging ELs. Students continued to receive ELD instruction; however, data indicates ongoing gaps, with only 11.66% of ELs meeting or exceeding ELA standards and 13.97% in Math.

Action 3.3: Bilingual Aides
We continue to provide bilingual instructional aides at high impact schools to accelerate academic language acquisition of ELs. This action is effective in providing the necessary support for academic growth for our English Learners.

Action 3.4: Special Education Training
The training was well received by staff and noted interest with additional training for the upcoming school year. This training is an effective action as we are building capacity, connecting, and facilitating multidisciplinary team decisions through a tiered approach.

Action 3.5: English Language Proficiency Assessments for California (ELPAC)
We continue to facilitate ELPAC testing of ELs through the use of employee testers and testing materials in order to support reclassification of EL students district-wide and transition from a centralized district testing model to site-based administration of the EPLAC exam. This action is effective in administering this assessment. The effectiveness is measured by the impact our team makes to facilitate and create optimal testing conditions

Action 3.6: Additional Instructional Materials for EL Support
This year, with the implementation of GLAD, we have focused this action on supporting the necessary materials for a successful implementation of GLAD. Each school site has been supported with the necessary materials to support the implementation.

Action 3.7: ELD Instruction and Support
Due to the change in our hourly part time teachers, we provided ELD Academic Support Teachers at the elementary school level to provide ELD support and direct services throughout the year. This action was effective at the Title 1 sites but less effective at the non-Title I sites. The ineffectiveness of this action is due to 7 FTEs being split between 14 schools. Additionally, the ELD ASTs spent a majority of the time supporting Kindergarten class size reduction. This Kindergarten support has reduced the time they can support ELD.

Action 3.8: ELD Teacher Support
We continue to provide a District ELD Teacher on Special Assignment (TOSA) support to assist with ELD instruction and services at all sites. This action has been effective in the implementation of GLAD, ELD support for all grade spans, DWI training, and ELPAC training.

Action 3.9: Translation Services
We continue to provide District translation services to support English learners and their parents, and to encourage parental engagement and participation as well as family workshops and professional development to increase parent participation for Title I sites. This action is effective to provide support to our families in making progress toward the goal during the three-year LCAP cycle.

3.10: English Language Assessment Center
This initiative is effective in meeting our three-year goal because it ensures a centralized and streamlined approach to identifying and assessing English Learners (ELs). By housing language assessment services within the Family Resource Center, we enhance accessibility for families, improve coordination of support services, and ensure consistency in evaluating student needs. This structure allows for more efficient resource allocation, timely interventions, and better alignment with district-wide language development goals.

3.11: DELAC & ELAC Groups
This initiative effectively advances our three-year goal by strengthening family engagement and fostering meaningful collaboration between parents of English Learners (ELs) and school staff. By continuing to coordinate advisory groups, we provide parents with valuable opportunities to learn about educational programs, contribute to program goals and procedures, and advocate for their children’s academic success.

3.12: Bilingual Community Liaisons
This initiative directly supports our three-year goal by ensuring that students and families in high-ELL-population schools receive timely responsive support. Bilingual School/Community Student Advisors play a crucial role in bridging communication between families and schools, fostering stronger relationships, and increasing engagement in the educational process.

3.13: Administrative Support
This action is essential to achieving our three-year goal by ensuring strong administrative leadership and compliance with state and federal guidelines for the EL program. By maintaining dedicated administrative support at the district office, we can effectively oversee program implementation, provide communication to school sites, and ensure alignment and coherence of services.

3.14: Melrose Literacy Coach
This initiative supports our three-year goal by enhancing literacy instruction and providing targeted interventions for students who need additional support at Melrose Elementary. The Literacy coach and specialist plays a critical role in strengthening instructional practices, supporting teachers, and improving student outcomes. This investment ensures that students, particularly those struggling with literacy, receive the necessary resources and support to develop strong reading skills, ultimately leading to greater academic success and long-term educational equity.

3.15: EL Progress Monitoring
This initiative directly advances our three-year goal by leveraging technology to ensure real-time monitoring and support for English Learners (ELs). By utilizing and providing ongoing training for the online data system, we can effectively track EL progress, identify students with D or F grades in core classes, and implement timely interventions. Ellevation training and support enhance our ability to target instruction using consolidated data, streamline EL and RFEP monitoring, and manage the reclassification process efficiently.

3.16: ELD Coordination
This action aligns with the California English Learner Roadmap (Principles 1 and 2) by promoting asset-based instruction and ensuring meaningful access to rigorous content supported by appropriate scaffolds. As a result, sites are better positioned to respond to student needs and provide targeted supports within a Comprehensive ELD and MTSS framework.

3.17: ELD Summer Program
This initiative supports our three-year goal by offering a structured ELD summer program designed to enhance language acquisition and academic enrichment for elementary English Learners. By incorporating GLAD (Guided Language Acquisition Design) strategies, the program provides research-based, interactive instruction that strengthens language development in an engaging and supportive environment. This targeted summer intervention helped prevent learning loss, accelerated English proficiency, and built students' confidence in using academic language.

3.18: Guided Language Acquisition Design (GLAD)
This initiative supports our three-year goal by strengthening instructional practices through professional development in cultural proficiency and language acquisition strategies. Partnering with OC GLAD ensures that educators receive high-quality training on lesson design for both integrated and designated English Language Development (ELD), using language development standards to guide instruction effectively.

3.19: English Learner Master Plan
By adhering to the plan with fidelity, we are able to provide structured, research-based instruction, equitable access to rigorous grade-level content, and targeted language development support. This approach strengthens teacher capacity, enhances intervention strategies, and ensures compliance with state and federal requirements.

3.20: Needs-Responsive Schools
Trainings were offered that site & district staff attended to offer programs that are more responsive to student needs.

3.21: English Learner Snapshot
Based on reflection on prior implementation, the district identified variability in how the EL Snapshot Tool was used across sites and a need to strengthen alignment to state accountability measures. As a result, the district will revise Action 3.21 to incorporate the use of the English Learner Progress Indicator (ELPI) as a primary metric for monitoring student progress, in place of relying solely on growth by proficiency level.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following actions have been revised:

Action 3.4 was updated because PYLUSD completed the training with the 11 targeted schools in the Spring 2025, we are recommending to provide additional targeted training for all of our Speech Language Therapists to ensure assessment processes are aligned.

Action 3.17 was discontinued because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

		and valid assessment practices across all school sites, funded in part through LREBG funds ($145,000.00). Recent ELPAC results indicate a decline in the percentage of ELs achieving Level 4 in key literacy domains. Research from the Institute of Education Sciences (IES) highlights that standardized testing practices and targeted training for educators are essential in supporting fair and accurate reclassification decisions, which directly impact ELs' access to rigorous academic instruction and long-term success (IES, 2019). M3.13-M3.16 will be used to determine the effectiveness of this action.		
3.6	Additional Instructional Materials for EL Support	DA Action: Continue to accelerate the academic language acquisition of ELs by providing equitable access to common core standards through the use of core English Language Arts curriculum as well as supplemental ELD curriculum as provided in part through LREBG funds ($77,673.00). On the 2024 CA Dashboard, English Learners (ELs) in the district performed at the Orange level in English Language Arts (ELA) and Yellow in Math, in contrast to the districtwide Green performance in both areas. Additionally, the English Learner Progress Indicator declined to Orange. Research from the What Works Clearinghouse emphasizes that integrating both content and language instruction, along with the use of high-quality, scaffolded curriculum, is essential to improving ELs' academic achievement (Baker et al., 2014). M3.1-M3.3 will be used to determine the effectiveness of this action.	$77,673.00	No
3.7	ELD Instruction and Support	DA Action: Provide ELD Academic Support Teachers at elementary schools to provide ELD support and direct services throughout the year. The effectiveness of this action will be measured through the CA Dashboard indicators for English Learners in English Language Arts and Math and local assessments such as the iReady Diagnostic for Reading and Math. (M3.2, M3.3, M3.8, M3.9, M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)	$1,760,698.00	Yes
3.8	ELD Teacher Support	DA Action: Provide increased District ELD Teacher on Special Assignment (TOSA) support to assist with ELD instruction and services at all sites. The effectiveness of this action will be measured through the CA Dashboard	$375,206.20	Yes

3.9	Translation Services	DA Action: Continue to provide District translation services to support ELs and their parents, and to encourage parental engagement and participation as well as family workshops and professional development to increase parent participation for Title I sites. (M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)	$58,954.00	Yes
3.10	English Language Assessment Center	DA Action: Continue to provide for centralized language assessment services within the Family Resource Center to support identification, assessment of ELs, as well as coordination of services as provided in part through LREBG funds ($82,628.00). Recent ELPAC results indicate a decline in the percentage of English Learners (ELs) achieving Level 4 in key literacy domains. Centralized assessment services have been shown to improve the validity and effectiveness of language assessments, helping ensure that English Learners receive timely, accurate identification and appropriately tailored supports to meet their academic and linguistic needs (Centre for Canadian Language Benchmarks, 2015). M3.12-M3.16, M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2 will be used to determine the effectiveness of this action.	$351,156.00	Yes
3.11	District English Learner Advisory Committee (DELAC) and English Learner Advisory Committee (ELAC) Groups	DA Action: The district will continue to coordinate advisory groups for parents of English Learners (ELs) to increase awareness of educational programs and provide meaningful opportunities to advise staff on program goals and procedures. This includes organizing meetings with translation services, instructional materials, supplies, parenting classes, child care, and food. The district will also explore hosting District English Learner Advisory Committee (DELAC) meetings at high-impact school sites, in addition to the district office, to increase accessibility and engagement, supported through LREBG funds ($7,650.00). According to the 2024 CA Dashboard, English Learners performed at the Orange level in English Language Arts (ELA) and the Yellow level in Math—both below the	$7,650.00	No

		districtwide performance level of Green in each subject. Research shows that family involvement significantly improves academic achievement, socioemotional development, and school behavior for ELs, particularly when parents maintain high educational expectations and encourage their children's aspirations (Garcia, Slate, & Delgado, 2022). M3.1-M3.3 will be used to determine the effectiveness of this action.		
3.12	Bilingual Community Liaisons	DA Action: Continue to provide Bilingual School/Community Student Advisors for sites with high populations of ELs to provide support for students and families. The effectiveness of this action will be measured through the CA Dashboard indicators for English Learners in English Language Arts, Math, Chronic Absenteeism, College/Career, English Learner Progress and Graduation Rate. (M3.1-M3.3 and M3.5-M3.7, , M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)	$337,598.00	Yes
3.13	Administrative Support	DA Action: Continue to provide administrative support and leadership at the district office to implement the EL program in accordance with state and federal guidelines. The effectiveness of this action will be measured through the CA Dashboard indicators and local indicators for English Learners. (M3.1-M3.16, , M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2).	$223,219.00	Yes
3.14	Melrose Literacy Coach	DA Action: Continue to provide a literacy coach at Melrose Elementary School to provide intervention and small group instruction in literacy.	$139,940.00	No
3.15	EL Progress Monitoring and Intervention	DA Action: Continue to utilize and train on an online data system in order to monitor the progress of all English Learners and provide intervention for any EL with a D or F at each grading period in their core classes. The effectiveness of this action will be measured through Passing Grades indicated on the Transcript (A, B, or C) in Core Content Classes(M3.11) LREBG funds ($25,515.00)	$25,515.00	No

3.16	ELD Coordination	DA Action: Continue to provide support at the site level for coordination of the EL program to ensure fidelity to the EL program and that the needs of students are being met. The effectiveness of this action will be measured through the CA Dashboard indicators and local indicators for English Learners. (M3.1-M3.7 & M3.10-M3.16, M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2).	$69,000.00	Yes
3.17	ELD Summer Program	Action Discontinued Effective 26-27		
3.18	Guided Language Acquisition and Design (GLAD)	DA Action: Partner with OCDE to provide Guided Language Acquisition Design (GLAD) training in order to build academic language and literacy for all students, especially English Learner/emergent bilingual students. The effectiveness of this action will be measured through the percentage of English Learners scoring Level 4 on the ELPAC in reading, writing, listening, and speaking. (M3.12-M3.16, M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)	$568,033.00	Yes
3.19	English Learner Master Plan	DA Action: Implement the EL Master Plan with fidelity in order to close the achievement gap for our English learners.	$19,131.00	No
3.20	Needs-Responsive Schools	DA Action: Foster more assets-oriented and needs-responsive schools through staff training as well as intentional school-wide programs and activities. LREBG funds ($78,626.83)	$78,626.83	No
3.21	English Learner Snapshot	DA Action: Utilize the English Learner Snapshot to increase the understanding in students and parents of where they stand in their English development and what they need to do to get reclassified. This tool provides space for students, families and educators to set academic goals and plan next steps. LREBG funds ($3,500.00)	$3,500.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
4	PYLUSD will close the academic achievement gap for Long-Term English Learner (LTEL) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

The development of this goal is driven by the need to improve academic achievement and language proficiency for Long-Term English Learners (LTELs), as indicated by multiple data points. CAASPP scores reveal that fewer than 40% of LTELs meet or exceed standards in English Language Arts (ELA), and less than 15% meet standards in Math, highlighting a persistent achievement gap.

Further analysis of district writing prompt performance shows a decline from 61% to 51% in students meeting expectations, reinforcing the necessity for stronger writing interventions. Similarly, passing grades in core subjects have dropped, particularly in Math and Science, where math passing rates declined 4% and 8% respectively from 2022-2023 and 2024-2025.

In terms of language proficiency, ELPAC Level 4 scores in Reading, Writing, and Listening have declined, with only 10.15% of LTELs scoring Level 4 in Reading and Writing in 2024-2025, compared to 14% and 18% in 2022-2023. While Speaking scores remain stronger (82.34%), the overall trend suggests that LTELs require more structured language development to improve reclassification outcomes and academic success.

This goal is developed to address these gaps by enhancing structured EL support, expanding designated ELD instruction, and increasing professional development for teachers. By implementing targeted interventions, the district aims to increase LTEL reclassification rates, improve CAASPP performance, and support overall academic success.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD successfully implemented the actions associated with Goal 4 to support Long-Term English Learners (LTELs), with no substantive differences between planned and actual implementation. Key actions included AVID Excel, designated and integrated ELD sections at secondary schools, implementation of English 3D and other ELD curricula, systematic progress monitoring, participation in the OCDE LTEL Network, ELAC and DELAC engagement, student focus groups, teacher awareness initiatives, professional development, student goal setting, and enhanced monitoring through Ellevation.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for any actions, aside from action 4.11: Professional Development: Expenditures were lower than initially projected due to the use of existing district professional development structures, internal expertise, and integration of training within ongoing initiatives (e.g., DWI, GLAD cohorts). Services were fully implemented as planned without the need for additional external costs.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The district found several actions to be particularly effective in accelerating LTEL achievement and language development. These actions contributed to measurable gains in student outcomes. LTEL English Language Arts performance improved from 27.2% meeting or exceeding standards in 2024–25 to 37.5% in 2025–26, resulting in movement from Red to Yellow on the California Dashboard and an improvement in Distance from Standard from 113.9 points below standard to 70 points below standard. Mathematics performance also improved from 14.68% to 14.9%, while Distance from Standard improved substantially from 157.3 points below standard to 95 points below standard. Writing performance increased from 46% to 51% of students meeting or exceeding expectations on district writing prompts, and passing rates improved in English Language Arts (66% to 74%), Mathematics (63% to 68%), and Science (59% to 72%).
AVID Excel improved student engagement and academic behaviors, while Bridging and Expanding ELD sections provided equitable access to designated and integrated language instruction. English 3D and related curriculum resources supported language acquisition and access to grade-level content, and systematic progress monitoring enabled educators to identify students in need of intervention and provide timely support. Language proficiency outcomes also improved from the prior year, with Level 4 ELPAC Reading increasing from 7.3% to 10.15%, Writing from 7.3% to 8.61%, Listening from 9.7% to 13.69%, and Speaking from 75% to 82.34%. ELAC and DELAC meetings increased stakeholder engagement and awareness of LTEL needs, while focus groups and empathy interviews provided valuable insight into student experiences. One challenge identified during implementation was the inconsistent execution of academic progress check-ins, which limited the impact of that action. Additionally, LTEL reclassification rates declined from 33% in 2024 to 8% in 2025, indicating an area requiring continued focus. Overall, the district concluded that the coordinated implementation of Goal 4 actions contributed to meaningful progress in closing achievement gaps and improving academic and language outcomes for Long-Term English Learners. Comments related to specific actions are below:

The actions listed below has played a critical role in closing the academic achievement gap for Long-Term English Learners (LTELs) over the three-year LCAP cycle.

4.1: AVID Excel Summer Bridge Program for LTELs
AVID Excel contributed to improved student engagement and academic behaviors. LTEL students progress will focus on the English Learner Progress Indicator (ELPI).

4.2: EL Sections at Secondary Schools
The equitable distribution of Bridging and Expanding ELD sections across secondary schools has effectively provided LTELs with both designated and integrated ELD instruction. This targeted support has improved language proficiency and reclassification rates while helping students access core academic content. Future focus areas include continued progress monitoring, professional development for educators, and ensuring consistent access to ELD sections at all school sites.

4.3: ELD Curriculum
The implementation of multiple research-based curricula—English 3D, INSIDE Fundamentals, and INSIDE the USA—has significantly enhanced language acquisition and academic success for LTELs. This comprehensive instructional approach has improved student engagement and accessibility to grade-level content. Ongoing data analysis and teacher feedback will be crucial in determining which curriculum resources are most effective in supporting EL students, particularly as new materials are adopted.

4.4: EL Progress Monitoring
The establishment of a systematic progress monitoring process has been a crucial factor in identifying students in need of additional academic support. The twice-yearly tracking of LTEL and RFEP students has enabled educators to implement timely interventions, improving both language development and content mastery. The addition of SMART Goals and parent notification strengthen the progress monitoring system of support.

4.5: OCDE LTEL Network
Participation in the OCDE LTEL Network has been highly effective in facilitating collaboration with other districts, sharing best practices, and implementing research-based strategies for supporting LTEL students. This ongoing engagement has improved parent involvement strategies and helped refine instructional approaches. Moving forward, increasing principal participation in LTEL initiatives and further integrating parent engagement strategies will strengthen the impact of these efforts.

4.6: ELAC and DELAC
The inclusion of LTEL performance data as a recurring agenda item in ELAC and DELAC meetings has enhanced accountability, stakeholder engagement, and decision-making related to LTEL support services. Parents and educators have had greater opportunities to analyze data, identify challenges, and propose targeted interventions. Future improvements will focus on making LTEL data more accessible, increasing discussions at school sites, and using insights from these meetings to inform instructional and programmatic decisions.

4.7 LTEL Engagement
We improved student engagement and family awareness by conducting focus groups and empathy interviews to gain deeper insights into their needs in order to provide targeted support.

4.8 At-risk for LTEL
Elementary students at risk of becoming LTELs received support through early intervention and increased parental awareness of available resources.

4.9 LTEL Identification
We enhanced teacher awareness of LTEL students by utilizing Aeries and Ellevation software platforms.

4.10: Regular Check-Ins
2025-26 saw inconsistent implementation of academic check-ins to monitor LTEL student progress.

4.11: Professional Development

Professional development improved teacher capacity to implement language-focused instruction tailored to LTEL students, particularly through the use of E3D resources and structured language routines. Teachers demonstrated increased use of:

4.12: Goal Setting
This action supported student ownership of learning and progress.

4.13: Progress Monitoring
Improved monitoring supported targeted intervention and LTEL progress. The addition of SMART Goals and parent notification strengthen the progress monitoring system of support.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

4.9 has been revised to not limit the awareness of LTELs coming solely from Aeries rostering.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
5	PYLUSD will close the academic achievement gap for Socio-Economically Disadvantaged (SED) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

This goal is developed to address achievement gaps and improve outcomes for socioeconomically disadvantaged (SED) students based on multiple indicators. While English Language Arts (ELA) and Mathematics performance have improved, with ELA increasing from 48.9% (Orange) in 2023 to 52.18% (Green) in 2025 and Math rising from 33.6% (Yellow) to 38.12% (Yellow), these scores still indicate a need for targeted academic support to move these students to the Blue performance level. Similarly, early literacy and math proficiency on iReady diagnostics (K-5) remain low, with only 46% of SED students on grade level in ELA and 35% in Math, underscoring the need for stronger foundational instruction.

While the graduation rate (94.8%) and college/career readiness (49.6%) are improving, there is a need to increase preparedness for post-secondary success by expanding academic and career-related opportunities. Additionally, chronic absenteeism, though improving from 26.6% (Red) to 18.1% (Yellow), remains a concern, requiring sustained efforts to improve attendance and engagement.

With core subject passing rates showing progress, particularly in ELA and Science, maintaining high-quality instruction, tutoring support, and intervention programs will be essential to ensure continued growth. The reduction in suspension rates (now Blue) indicates positive behavioral supports, which should be reinforced to maintain a safe and supportive learning environment.

This goal focuses on strengthening academic interventions, expanding access to high-impact instructional strategies, increasing attendance initiatives, and enhancing career and college readiness programs to ensure socioeconomically disadvantaged students continue to close achievement gaps and reach higher performance levels.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 5 with a high degree of fidelity. The only notable implementation challenge involved the districtwide Mentoring Program (Action 5.15), which experienced low student participation and therefore had limited impact. Otherwise, planned actions were implemented as intended, including McKinney-Vento support services, tutoring, family literacy and math nights, elementary counselors at high-impact Title I schools, transportation assistance, additional administrative support, AVID programming, community engagement initiatives, Title I parent involvement activities, instructional coaching, and Family Resource Center supports.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no substantial material differences between budgeted expenditures and estimated actual expenditures for the planned actions, aside from actions:

5.1: McKinney Vento Support Staff: The staffing model was consolidated and the liaison responsibility was folded into existing staff members.

5.9: Advancement Via Individual Determination (AVID) Program: PYLUSD pre-purchased AVID site licenses for its schools for the next two years at a discounted rate. Budgeted amounts for 2026-27 and 2027-28 will reflect this.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

These actions contributed to positive outcomes for Socioeconomically Disadvantaged (SED) students. English Language Arts performance increased from 48.9% meeting or exceeding standards to 52.18%, moving from Orange to Green status and improving the Distance from Standard by 7.9 points. Mathematics performance improved from 33.6% to 38.12%, with the Distance from Standard improving by 11.9 points. Chronic absenteeism declined significantly from 26.6% to 18.1%, suspension rates decreased from 1.9% to 0.9%, graduation rates increased from 91.8% to 94.8%, and College and Career Readiness improved from 43.3% to 49.6%. Local measures also showed growth, with K–5 students performing at or above grade level on i-Ready increasing from 42% to 46% in Reading and from 27% to 35% in Mathematics.

The actions were effective in improving academic achievement, engagement, attendance, and postsecondary readiness for SED students. Elementary counselors, AVID implementation, tutoring services, transportation support, family engagement activities, and targeted McKinney-Vento services helped address both academic and non-academic barriers to student success. Secondary academic outcomes improved, including increases in passing rates for grades 6–12 English Language Arts (83% to 86%), Mathematics (78% to 79%), Science (80% to 85%), and Social Science (81% to 83%). The district also demonstrated notable progress among homeless students, including improvements in English Language Arts performance, Mathematics achievement, graduation rates, college and career readiness, and reductions in chronic absenteeism and suspension rates. While continued growth is needed to further accelerate mathematics achievement and increase college and career readiness outcomes, the overall implementation of Goal 5 actions contributed to measurable progress

toward closing achievement gaps and improving outcomes for Socioeconomically Disadvantaged students and other highly impacted student populations. Several actions have demonstrated varying degrees of effectiveness in making progress toward the goal of closing the academic achievement gap for socioeconomically disadvantaged (SED) students. Comments related to specific actions are below:

5.1: McKinney Vento Support Staff
The support staff assigned to Family Resource Centers have effectively linked families to both district and community resources. Their continued efforts have ensured that socioeconomically disadvantaged and foster youth receive the necessary services to support their academic and personal well-being.

5.2: McKinney Vento Tutoring
Regular tutoring was provided through Certificated teachers within the District along with an outside service provider. to support academic needs.

5.3: McKinney Vento Classified Support
Staff dedicated to supporting McKinney Vento families have successfully facilitated school enrollment and connections to essential resources. This has contributed to improved access to educational stability for students facing housing insecurity.

5.4: McKinney Vento Program Support
The program has been effective in assessing family needs and providing referrals to school-based and community-based counseling services. These efforts have enhanced the emotional and social support available to students experiencing homelessness.

5.5: Family Literacy and Math Nights
The implementation of these events across school sites resulted in strong family participation. These initiatives have successfully fostered family engagement and contributed to students' academic success through collaborative learning experiences.

5.6: Elementary School Counselors at High Impact Sites
Full-time counselors at Title I elementary schools have provided a comprehensive multi-tiered system of support. Their work in attendance monitoring, academic achievement, and social-emotional development has positively impacted student success.

5.7: Additional Transportation Support
The availability of transportation routes throughout the year ensured that students could reliably attend school. This action has been effective in reducing transportation barriers and supporting consistent school attendance.

5.8: Additional Administrative Support at High Impact Sites
The presence of additional administrative staff at high-impact sites has strengthened parent engagement and support systems within the school community. Increased administrative resources have contributed to improved communication and school-family collaboration.

5.9: Advancement Via Individual Determination (AVID) Program

The AVID program continues to demonstrate its effectiveness in preparing students for postsecondary success. Participation in AVID strategies and professional development opportunities has supported student achievement and college readiness. The success of the program can be measured by its expansion across our district as well as the AVID senior data.

5.10: Community Engagement Initiative
The district actively participated in all scheduled Peer Leading and Learning Network sessions, both virtually and in-person. This ongoing engagement has strengthened the district's ability to implement equitable and culturally responsive community engagement practices.

5.11: Title I Parent Advisory
The formation of the Title I Parent Advisory group has successfully provided a platform for parent involvement and input. Participation from all Title I sites has ensured that the voices of socioeconomically disadvantaged families are represented in decision-making, including feedback for the LCAP.

5.12: Project GLAD CLEAR - Title I Instructional Coaches
Title I instructional coaches completed Project GLAD training, equipping them with strategies to support English Learners.

5.13: Melrose Family Resource Center/Health Clinics
This year, the Melrose Family Resource Center (FRC) has primarily supported families through referrals, coordinated outreach by McKinney-Vento liaisons, home visits, and scheduled follow-ups, as data showed limited walk-in utilization despite dedicated onsite staffing last year.

5.14: Elementary Math Fellows & Title I Teaching Collaboration
Math Fellows facilitated peer coaching across three sites over three sessions, focusing on framework-aligned instructional strategies. In addition, they developed the rubric used to evaluate publishers during the math adoption process.

5.15: Mentoring Program
Low participation in this program limited its impact.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following actions have revisions:

Action 5.1 was updated to accurately reflect that the McKinney-Vento Liaison is not a TOSA due to our current staffing structure.

Actions 5.10 & 5.11 related to the Community Engagement Initiative were discontinued for the 2026-27 school year because they were connected to a 2 year grant which concludes this year. We will continue to engage the community and apply our learning from our participation.

Action 5.12 related to training Title 1 instructional coaches was deleted for the 2026-27 school year because the training it referred to was completed.

Action 5.15 related to a districtwide mentoring program was not renewed last year due to a lack of participation. Funding from the EHCY Grant was dispersed to other areas of support. At Title I sites, TOSAs serve as Title I Instructional Coaches and monitor and check on students' attendance and grades.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
6	PYLUSD will close the academic achievement gap for Foster Youth (FY) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

This goal is developed to address the academic disparities and barriers faced by Foster Youth (FY), as evidenced by district performance data. While there has been notable improvement in English Language Arts (ELA), rising from 20% meeting/exceeding standards (Red) in 2023 to 33.33% (Yellow) in 2025, there is still a significant gap compared to districtwide performance, necessitating continued support in literacy development. In contrast, Mathematics achievement remains critically low, with an increase from 14.3% (Orange) to 18.18% (Orange), highlighting an urgent need for targeted math interventions.

A longitudinal comparison of iReady diagnostic data shows a significant decline in the percentage of foster youth (FY) students performing early on grade level or above. In ELA, performance changed from 18% (K-2) in Winter 2022-2023 to 25% (K-5) in Winter 2024–25, while Math scores changed from 2.9% to 17% over the same period. This highlights a need for continued targeted academic support and intervention to address the learning gaps and ensure foster youth have equitable opportunities to succeed.

An increase in the chronic absenteeism rate for FY from 31.5% to 32.4% (Red) shows that absenteeism remains a significant barrier to achievement, requiring expanded mentorship, attendance incentives, and family engagement strategies. Similarly, suspension rates have remained stagnant at 6.6% (Orange), reinforcing the need for continued implementation of restorative practices and behavioral supports to ensure a stable and supportive learning environment.

This goal focuses on strengthening intervention programs, increasing individualized academic and social-emotional support, expanding tutoring and mentorship opportunities, and improving school stability efforts to close achievement gaps and foster long-term success for Foster Youth.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, the district successfully implemented all actions associated with Goal 6 to support Foster Youth students, with no substantive differences between planned and actual implementation. Key actions included providing individualized tutoring services, mentoring and educational case management, trauma-informed practices, collaboration with child welfare agencies, family and caregiver engagement, professional development for staff, and streamlined enrollment processes for foster youth entering the district.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for any actions.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

These actions contributed to positive outcomes in several areas. Foster Youth English Language Arts performance increased from 20.0% meeting or exceeding standards in 2022–23 to 33.3% in 2024–25, improving two Dashboard performance levels from Red to Yellow and reducing the Distance from Standard by 9.3 points. Mathematics performance also improved from 14.3% to 18.2%, while chronic absenteeism declined from 31.5% to 27.8% before increasing to 32.4% in 2024–25. Staff reported that mentoring services, tutoring support, trauma-informed practices, and coordination with caregivers and county agencies were particularly effective in helping foster youth remain connected to school and receive targeted academic and social-emotional support.

The actions were effective in strengthening the district's system of support for Foster Youth and contributed to measurable gains in academic achievement and student engagement. Personalized tutoring, consistent mentoring relationships, coordinated enrollment support, and collaboration with caregivers and child welfare agencies helped ensure students received timely interventions and remained connected to school. Foster Youth also demonstrated improvement in several secondary academic indicators, including increases in passing rates in grades 6–12 English Language Arts (70% to 75%), Mathematics (69% to 74%), and Science (73% to 83%). However, challenges remain. Foster Youth continue to perform below district averages in both English Language Arts and Mathematics, chronic absenteeism remains elevated at 32.4%, and suspension rates remained relatively stable at 6.6% in 2024–25. As a result, the district will continue to prioritize individualized academic interventions, attendance supports, mentoring, trauma-informed practices, and cross-agency collaboration to further reduce barriers and improve outcomes for Foster Youth students. Comments related to specific actions are below:

6.1: Tutoring Services for FY
The flexibility in offering tutoring services—either at school or in the foster youth group home—has been highly effective in providing academic support tailored to the unique needs of foster youth. Regular monitoring by the foster youth liaison ensured that students, particularly seniors, received timely support with their academic progress and post-graduation plans, such as completing the FAFSA. This level of personalized support has had a positive impact on fostering academic success and preparing foster youth for life after high school.

6.2: Mentoring Services for FY
Mentoring services have been a crucial component in supporting foster youth by providing them with consistent, adult guidance. The positive relationships built between mentors and foster youth have been an important factor in ensuring that students feel supported and understood. Regular communication between the foster youth liaison, mentors, and students has been instrumental in maintaining effective mentoring relationships. This program has been successful in helping foster youth build confidence and stay engaged in their academic and personal development.

6.3: Trauma-Informed Practices
The district's focus on trauma-informed practices through staff presentations has proven effective in creating a safe and supportive learning environment for foster youth. By emphasizing the importance of understanding and addressing students' past experiences, educators were better equipped to foster positive relationships and respond to the unique needs of foster youth.

6.4: Collaboration with Child Welfare Agencies
The coordination between the foster youth liaison, county agencies, and the county office of education has significantly improved the transition process for foster youth into the school community. This collaboration has allowed school teams to better understand the individual needs of each foster youth, ensuring they receive the appropriate support and resources.

6.5: Family and Caregiver Engagement
The efforts made by the foster youth liaison to engage with caregivers, school administrators, and mental health professionals have strengthened the support system for foster youth. By maintaining regular communication, school teams are better equipped to identify the unique needs of each foster youth and provide tailored interventions.

6.6: Professional Development for Staff
Professional development efforts, including attending the Foster Youth Education Summit and coordinating legal updates, have equipped staff with the knowledge and skills necessary to effectively support foster youth. This continuous professional growth has helped create a more informed and empathetic school environment, where administrators, counselors, and teachers are better prepared to meet the unique needs of foster youth. Administrators and staff have benefited from training, with several attending the 2026 California Foster Youth Summit.

6.7: Foster Youth Enrollment
The coordination of enrollment services by the foster youth liaison, in partnership with group homes, caregivers, and child welfare agencies, has been highly effective in ensuring that foster youth experience no delays in enrollment. By adhering to legal rights and ensuring timely access to necessary resources, foster youth were able to seamlessly transition into school, ensuring that their academic journey was not disrupted.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Of note is that metrics 6.5 and 6.6 related to the iReady ELA and iReady Math diagnostic exams have baseline data from the 2022-23 SY when the exam was only given to K-2 students in PYLUSD. The administration of these assessments was expanded to include grades 3-5, so the data from the 2023-24 and following years reflects K-5 data.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

6.2	Mentoring Services for FY	Continue to provide an adult FY mentor at all school sites to direct interventions, address reengagement, support learning recovery, provide educational case management and advocacy, and promote the social and emotional needs of pupils in foster care as provided through LREBG funds ($167,725.00). Foster Youth (FY) in PYLUSD continue to demonstrate persistent academic and engagement challenges, as evidenced by their 2023–2024 CA Dashboard results. Although there was a slight improvement in English Language Arts (ELA), with scores increasing from 20% to 28% meeting or exceeding standards, FY students remain 65.8 points below standard. In Mathematics, the percentage of FY students meeting standards remains critically low at 15.6%, with an increasing Distance from Standard (DFS) of 114.4 points below, indicating deep academic needs. Additionally, while chronic absenteeism declined from 31.5% to 27.8%, it remains significantly higher than district averages, and suspension rates are persistently elevated at 6.5%. Research supports that stable, supportive adult relationships significantly improve school engagement and academic outcomes for foster youth (National Working Group on Foster Care and Education, 2018). Goals and Actions

Goal

Goal #	Description	Type of Goal
7	PYLUSD will close the academic achievement gap for all Unduplicated Pupils (UPs) through districtwide and schoolwide actions.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

The data highlights persistent achievement gaps among English Learners (EL), Socioeconomically Disadvantaged (SED) students, and Foster Youth (FY) despite overall district progress. While districtwide English Language Arts (ELA) and Mathematics scores remain in the Green performance level, significant disparities exist. English Learners continue to struggle, with ELA proficiency at only 11.66% (Yellow) and math proficiency showing a slight improvement from 10.62% (Orange) to 13.97% (Yellow). Socioeconomically Disadvantaged students have made some gains, with ELA proficiency increasing from 48.87% to 52.18% (Green) and math improving from 33.57% to 38.12% (Yellow), yet they still lag behind district averages. Foster Youth, while making progress in ELA from 20% (Red) to 33.33% (Yellow), still face significant challenges in math, where proficiency remains low at 18.18% (Orange).

In addition to academic performance, chronic absenteeism remains a major barrier to success for these student groups. EL students have a chronic absenteeism rate of 16.5% (Yellow), SED students 18.1% (Yellow), and Foster Youth 32.4% (Red), all of which impact their academic growth and access to necessary resources. College and career readiness indicators further reveal disparities, with only 20.8% of EL students categorized as prepared (Yellow) and 49.6% of SED students meeting the threshold (Yellow), highlighting the need for stronger support systems to ensure long-term success.

Despite these challenges, early literacy and math data for K-5 students indicate positive trends. The percentage of SED and EL students performing at early or grade-level proficiency in ELA has risen from 42% to 46%, and math proficiency has improved from 27% to 35% on the iReady diagnostic. These gains demonstrate the effectiveness of targeted interventions and support the need for expanding such programs districtwide.

To address these inequities, this goal emphasizes schoolwide and districtwide strategies aimed at closing the achievement gap. Key actions include expanding intervention programs in math and ELA, enhancing designated English Learner (ELD) instruction and bilingual support, increasing access to tutoring, mentoring, and academic support services, strengthening attendance initiatives to reduce chronic absenteeism, and implementing culturally responsive teaching strategies to improve student engagement and performance.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 7 with a high degree of fidelity. Key implementation efforts included maintaining Professional Learning Communities (PLCs), reducing class sizes in TK and Kindergarten, providing targeted academic intervention and mental health supports, expanding attendance monitoring and early intervention systems, strengthening MTSS implementation, increasing access to college and career readiness opportunities, and supporting students through dual enrollment, dual language, and credit recovery programs. The only substantive difference between planned and actual implementation was the postponement of the Financial Literacy Task Force (Action 7.22) until the 2026–27 school year due to staff capacity.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were material differences between budgeted expenditures and estimated actual expenditures for the following actions:

7.3 Maintain class size ratios in TK/K : The initial allocation plan was for supplemental funds to pay for a portion of TK/K class size staffing; this changed to supplemental funding paying for 100% of the salaries for all additional staff referenced in this action.

7.8 PYLUSD Induction Program: Fewer teachers were hired that needed to enroll in an induction program than initially budgeted so the expenses were less.

7.9 Mental Health Support and Resources for Students and Families at Secondary Sites: This action used fewer funds than budgeted due to staffing turnover and resultant vacancies that were difficult to fill.

7.16 District Teachers on Special Assignment (TOSA): A component of the initial plan was for grant funding to cover the salary of one of our TOSAs; this did not come to fruition so supplemental funds were used to pay 100% of that salary.

7.17 District Leadership: This action used fewer funds than budgeted due to staffing turnover and resultant vacancies.

7.30 Learning Recovery Programs: PYLUSD was able to pre-purchase discounted fees to learning recovery softwares and reduced the number of software subscriptions to expend fewer resources on this action.

7.32 Secondary Intervention Classrooms: The plan was for long term substitutes to be made available at each secondary site to supervise intervention classrooms; strategic master schedule creation allowed for existing FTE to take on this responsibility.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

These actions contributed to positive outcomes across multiple indicators. Districtwide English Language Arts performance improved from 64.75% to 67.39%, while Mathematics increased from 53.48% to 56.07%. Chronic absenteeism declined from 17.8% to 11.4%, suspension rates decreased from 1.4% to 0.6%, and the percentage of students meeting College and Career Readiness indicators increased from 55.8% to 61.8%. Significant gains were also observed among targeted student groups, including Foster Youth increasing from 20.0% to 33.3% meeting or exceeding standards in ELA and English Learners improving from 10.6% to 14.0% meeting or exceeding standards in Mathematics.

The actions were effective in improving academic outcomes, student engagement, attendance, and college and career readiness for Unduplicated Pupils. English Learners, Socioeconomically Disadvantaged students, and Foster Youth demonstrated improvement across several Dashboard indicators, including movement to higher performance levels in English Language Arts, Mathematics, Chronic Absenteeism, and College and Career Readiness. Local measures also reflected positive progress, with the percentage of Socioeconomically Disadvantaged students meeting grade-level expectations on the i-Ready Reading Diagnostic increasing from 42% to 46% and Mathematics increasing from 27% to 35%. Additionally, passing rates in core academic subjects increased across both elementary and secondary grade spans, including mathematics passing rates rising from 74% to 79% in grades 6–12. While achievement gaps remain for some student groups, particularly English Learners and Foster Youth, the district's comprehensive system of academic interventions, attendance supports, mental health services, professional learning, and college and career readiness initiatives contributed to measurable progress toward closing achievement gaps and improving outcomes for the district's highest-need students. Comments related to specific actions are below:

7.1: Teacher Collaboration and Intervention Design
PLC time has been effective in fostering a continuous cycle of teaching, learning, and assessment, where teachers are analyzing student data to generate positive outcomes. The collaboration supports the identification of academic gaps, which is essential for closing achievement gaps.

7.2: Professional Learning Communities PD
The 2025-26 series of professional development (PD) sessions were well received, with positive feedback from principals and lead teachers. These PDs help build teacher capacity, ensuring they are better equipped to meet the needs of SED students.

7.3: Maintain class size ratios in TK/K
Though the action is ongoing, the reduction of class sizes has created a more focused learning environment, providing more individualized attention for SED students.

7.4: Academic Support Teachers (ASTs)
The academic interventions provided by ASTs have been effective, especially in foundational skills for ELA and Math. The use of diagnostic tools like i-Ready allows for continuous monitoring and targeted intervention, helping close learning gaps for our students. The support provided also helps maintain optimal class sizes in some TK classrooms.

7.5: Additional Intervention Support at Valencia High School

The additional intervention support at Valencia High School has been instrumental in supporting unduplicated pupils, especially English Language Learners (ELL) and at-risk students. This additional support helps to provide targeted academic and emotional assistance.

7.6: Math Intervention Support for UPs
The math intervention support through the Math Lab sections at middle schools has received positive feedback from teachers, students, and parents. The use of structured tools like IXL Math supports the academic progress of identified students, improving foundational skills.

7.7: Professional Development focused on needs of EL, SED, and FY
PD focusing on literacy and math has been effective in enhancing teacher practices. Teachers are implementing first-best instructional strategies, benefiting students who are EL, SED, and FY by providing targeted support.

7.8: PYLUSD Induction Program
New Hire Institute participants rated their onboarding experience positively (4 out of 5), which indicates that the induction program is successfully preparing new teachers. Continued professional development focused on differentiation and supporting diverse learners has contributed to improving instructional practices.

7.9 & 7.10: Mental Health Support and Resources for Students and Families at Secondary and Elementary Sites
The mental health resources at both secondary and elementary sites have provided essential support to students and families, creating a foundation for academic success by addressing emotional and psychological well-being.

7.11: Site Discretionary Funding for UPs
The allocation of discretionary funding to site principals aligned with student needs, allowing for flexible use of resources to support SED students effectively.

7.12: Additional Support Staff at High Impact Sites
The addition of clerical and health support at high-impact sites has ensured smooth school operations and enabled staff to focus on student needs, directly benefiting SED students.

7.13: Additional Health Support at High Impact Sites
Providing additional health support at high-impact sites has helped ensure that students' physical health is prioritized, enabling better engagement in learning activities.

7.14: Instructional Aides for Physical Education
Instructional aides in physical education have been effective in maintaining safety standards and supporting PE curriculum, ensuring that students have equitable access to physical activity.

7.15: Library Support at High Schools
Library support for high schools has been beneficial in managing resources like newly adopted textbooks, contributing to an environment conducive to learning.

7.16: District Teachers on Special Assignment (TOSA)
District TOSAs have been effective at delivering high quality professional development for teachers, assisting with curriculum development, and providing instructional leadership.

7.17: District Leadership
District leadership has provided effective oversight and support, ensuring the successful implementation of initiatives that target unduplicated pupils and at-risk students. Strategic guidance has been instrumental in sustaining the impact of LCAP goals.

7.18: Administrative Support
Administrative support has played a key role in ensuring the success of MTSS and AVID programs, which are critical in supporting the academic success of SED students.

7.19: College and Career Technicians
College and Career Technicians have been effective in facilitating post-secondary opportunities for students, including dual enrollment. Their efforts in organizing career fairs and supporting students' career exploration have helped to broaden opportunities for SED students.

7.20: Multi-Tiered Systems of Support (MTSS)
The training for MTSS at the district level is laying the groundwork for supporting students at all levels. While more training is planned for the coming year, it sets the foundation for the future success of all students.

7.21: Data Dashboard and Analysis System
The Aeries analytics system has been successful in identifying students in need of academic, behavioral, or social-emotional support. By focusing on attendance, behavior, and course performance, it helps in early intervention, which is crucial for closing achievement gaps.

7.22: Collaborative Task Forces
Task forces have been effective in involving teachers in important decisions, such as the selection of reading assessment tools and the adoption of new English Language Arts materials. Their input ensures that selected interventions and materials are aligned with the needs of students.

7.23: Attendance Tracking and Early Intervention
Attendance tracking systems have been effective in identifying students with attendance issues early, leading to timely intervention to address barriers to learning.

7.24: School and District Attendance Review Teams
SART and SARB meetings have supported efforts to reduce chronic absenteeism, which is critical to academic success. These meetings have allowed for timely interventions with families to address attendance concerns.

7.25: Professional Development for Core Content Curriculum and Instruction
Ongoing PD in core content areas has equipped teachers to implement effective instructional strategies, improving student outcomes and addressing the learning needs of SED students.

7.26: Student Study Team and 504 Plan Coordination
The streamlined SST process has been effective in identifying the needs of students early, allowing for tailored interventions and supports for students at-risk of falling behind.

7.27: GEAR UP Program
The GEAR UP program has positively impacted middle and high school students by supporting academic, behavioral, and social-emotional development, and is leading to improved student outcomes.

7.28: High School Credit Recovery Programs
Credit recovery programs have helped students stay on track for graduation, mitigating the academic risks associated with credit deficiencies, which is crucial for at-risk students.

7.29: With Hope Program
The With Hope Program has been effective in raising awareness and providing tools for suicide prevention.

7.30: Learning Recovery Programs
Learning recovery programs have supported differentiated instruction, helping students who need additional support in foundational skills. These programs are essential for bridging gaps in students' academic progress.

7.31: Counselors at High Impact High Schools
Additional counselors at high schools have helped improve students' academic, social, and emotional well-being, supporting their overall success.

7.32: Secondary Intervention Classrooms
Secondary intervention classrooms have helped provide restorative interventions, keeping students in school and preventing disruptions in their academic progress.

7.33: Career Technical Education (CTE)
The district saw positive results in the area of Career Technical Education, with more than 27% of the class of 2025 graduating having completed a CTE pathway. Additionally, 38.8% of high school students were enrolled in a CTE course in the 2025*26 school year, reflecting continued growth in student enrollment and success in CTE programs.

7.34: Parent Engagement
The increase in parent engagement through workshops and trainings has been effective in fostering school-home partnerships. It has led to more families supporting their children's academic success.

7.35: Dual Language Academy
The expansion of the Dual Language Academy (DLA) program has been effective, with positive community feedback. The 90/10 model will provide students with strong language foundations, promoting bilingualism and academic achievement.

7.36: Dual Enrollment
The dual enrollment program has been successful in providing students with opportunities for college credit, and the growing partnership with Fullerton College has expanded offerings, benefiting all students.

7.37: SPSA Development
The training and support for School Site Plans (SPSAs) has been effective in aligning school site goals with district objectives, helping ensure that actions and resources are directed toward the needs of SED students.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following action had revisions

Action 7.35 was updated to not include the summer program because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made.

Of note is that metrics 7.7 and 7.8 related to the iReady ELA and iReady Math diagnostic exams have baseline data from the 2022-23 SY when the exam was only given to K-2 students in PYLUSD. The administration of these assessments was expanded to include grades 3-5, so the data from the 2023-24 and following years reflects K-5 data.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
7.1	Teacher Collaboration and Intervention Design	Continue to provide all teachers with dedicated weekly release time to participate in Professional Learning Communities (PLCs) which focus on individual student achievement and how to close achievement gaps for all UPs. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1 & M7.2 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$2,438,250.99	Yes

Action #	Title	Description	Total Funds	Contributing
7.2	Professional Learning Communities PD	Continue to provide professional development to site leadership teams in the PLC process to support student achievement through data analysis and targeted interventions, as funded by LREBG ($47,136.00). While the district has made gains in English Language Arts and Mathematics overall, substantial achievement gaps remain for English Learners, Socioeconomically Disadvantaged students, and Foster Youth, who continue to perform below standard in both subjects. Research by Vescio, Ross, and Adams (2008) demonstrates that well-implemented PLCs lead to improved teaching practices and increased student learning, highlighting the importance of ongoing collaborative professional development. M7.1 & M7.2 will be used to monitor the effectiveness of this action.	$47,136.00	No
7.3	Maintain class size ratios in TK/K	Maintain class size ratios through classified support personnel in Transitional Kindergarten and Kindergarten classes. The effectiveness of this action will be assessed using local indicators such as the iReady diagnostic in reading and math that is administered to kindergarteners. (M7.7 & M7.8) LREBG funds ($12,000.00)	$5,941,622.62	Yes
7.4	Tier I Intervention	Provide training on Tier I intervention strategies that help students meet academic and behavioral goals.	$301,018.64	No
7.5	Additional Intervention Support at Valencia High School	Continue to provide intervention support teachers at Valencia High School to ensure the needs of all UPs are monitored and supported. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.6, & M7.9)	$419,629.00	Yes
7.6	Math Intervention Support for UPs	Provide math intervention sections at middle schools in order to close the achievement gap for all UPs in mathematics. The effectiveness of this	$211,817.00	No

		action will be gauged by Mathematics CA Dashboard Indicator - Met or Exceeded Standard and Distance from Standard (DFS) (M7.2) LREBG funds ($211,817.00)		
7.7	Professional Development focused on needs of EL, SED, and FY	Provide professional development activities at elementary sites throughout the year to support interventions focused on UPs in order to narrow the achievement gaps, to include differentiated instruction, early reading phonics, literacy, and math. The effectiveness of this action will be assessed using local measures such as the iReady Diagnostic for Reading and Math (M7.7 & M7.8)	$170,452.12	Yes
7.8	PYLUSD Induction Program	Ensure that all newly hired teachers are prepared through mentorship and culturally responsive professional development on the use of PYLUSD tools, coaching, and strategies in order to address the needs of all UPs. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.6, & M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4) LREBG funds ($3,500.00)	$96,250.00	Yes
7.9	Mental Health Support and Resources for Students and Families at Secondary Sites	Maintain Wellness Specialists at Title I middle schools sites and all high school sites in order to provide for mental health support and resources for students, and specifically providing additional support to EL, SED, and FY students. The effectiveness of this action will be assessed using CA Dashboard Indicators to track the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.6 & M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4) .LREBG funds ($3,875.92)	$2,233,493.92	Yes

7.10	Mental Health Support and Resources for Students and Families at Elementary Sites	Provide social/emotional support through external providers for elementary schools to support EL, SED, and FY students. The effectiveness of this action will be assessed using CA Dashboard Indicators for Math, ELA, and Chronic Absenteeism. (M7.1, M7.2, & M7.4 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$307,892.00	Yes
7.11	Site Discretionary Funding for UPs	Distribute different amounts of resources to schools where needs are greatest based on the population and achievement of UPs in order to close achievement gaps of all UPs. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$657,655.00	Yes
7.12	Additional Support Staff at High Impact Sites	Maintain additional support staff at high impact sites to support students and families of SED, EL, and FY students. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$266,611.00	Yes
7.13	Additional Health Support at High Impact Sites	Maintain nurses and health clerks at high impact sites to support students and families of SED, EL, and FY students. The effectiveness of this action will be assessed using CA Dashboard Indicators, specifically tracking the Chronic Absenteeism indicator. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$1,404,489.00	Yes

7.14	Instructional Aides for Physical Education	Maintain physical education instructional aides at high impact sites to support the physical education, health, and wellness of students. The effectiveness of this action will be assessed using CA Dashboard Indicators and local performance measures. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$222,292.00	Yes
7.15	Library Support at High Schools	Maintain Library Media Assistants at high schools to support academic achievement of students through critical thinking, communication, collaboration, and creativity. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$157,417.00	Yes
7.16	District Teachers on Special Assignment (TOSA)	Maintain district TOSAs to provide relevant professional development for teachers at all sites to support achievement of UPs and other underperforming student groups. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$1,408,616.47	Yes
7.17	District Leadership	Maintain district leadership to meet the needs of UPs and students who are at-risk. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$1,994,379.45	Yes

Action #	Title	Description	Total Funds	Contributing
7.18	Administrative Support	Maintain administrative support at the district office to support MTSS and AVID programs. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$62,856.00	
7.19	College and Career Technicians	Maintain College and Career Technicians at each high school to support student access to information, guidance, and resources regarding post-secondary options. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics and College and Career. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$515,794.19	Yes
7.20	Multi-Tiered Systems of Support	The district will provide a comprehensive Multi-Tiered System of Support (MTSS) to deliver tiered academic interventions and enrichment opportunities designed to improve student achievement. While recent data shows an increase in the percentage of unduplicated students earning passing grades in core subjects from the 2023–2024 to the 2024–2025 school year, persistent academic gaps remain—particularly in secondary mathematics. Research from the Institute of Education Sciences (IES) supports the effectiveness of fully implemented MTSS frameworks, finding that they significantly reduce disruptive behaviors and improve academic outcomes among at-risk students (IES, 2019). M7.9 will be used to monitor the effectiveness of this action.	$19,032.00	No
7.21	Data Dashboard and Analysis System	Provide a robust data dashboard and analysis system to identify, monitor, and provide interventions to at-risk students in order to support their academic success. Train teachers and site leaders in the use of the system.LREBG Funds ($57,319.00)	$57,319.00	No

Action #	Title	Description	Total Funds	Contributing
7.22	Collaborative Task Forces	Convene collaborative task forces to address the curricular, instructional, and other emergent student needs in order to support the academic success of students (e.g., report card and grading practices task force, multicultural studies task force) as provided in part through LREBG funds ($80,544). The 2024 CA Dashboard data indicates that unduplicated pupil groups—such as English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth—perform lower than the overall student population across several key indicators. Establishing collaborative task forces to address curricular, instructional, and emergent student needs is supported by evidence from the What Works Clearinghouse (WWC). The WWC's practice guide on using student achievement data to support instructional decision-making emphasizes the importance of collaborative data analysis among educators. M7.1-M7.6 will be used to monitor the effectiveness of this action.	$80,544.00	No
7.23	Attendance Tracking and Early Intervention	Implement a robust attendance tracking system (regular check-ins, monitoring attendance trends, etc.) to identify patterns and provide early intervention	$22,575.90	No
7.24	School and District Attendance Review Teams	Provide district support to oversee systematic School Attendance Review Team Meetings and District Attendance Review Team Meetings to provide attendance support to families. The effectiveness of this action will be assessed using CA Dashboard Indicator for Chronic Absenteeism. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$119,977.59	Yes
7.25	Professional Development for Core Content Curriculum and Instruction	Enhance instruction for TK-12 English Language Arts, Mathematics, Science, and Social Studies through the integration of professional development regarding instructional strategies to promote increased student achievement among English learners, low income students, and foster youth. The effectiveness of this action will be assessed using CA Dashboard Indicators to track the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.6 & M7.9) LREBG funds($205,000)	$283,000.00	No

Action #	Title	Description	Total Funds	Contributing
7.26	Student Study Team and 504 Plan Coordination	Provide site level Student Study Team and 504 Plan coordination to support students who are at risk as provided through LREBG funds ($174,473.40). There were 183 SST meetings documented for the 23-24 school year and 212 SST meetings documented for the 24-25 school year through the end of May. According to CAHELP, SSTs are essential for creating collaborative intervention plans, while the California Teachers Association underscores the importance of 504 Plans in ensuring equal educational access for students with disabilities (CAHELP, CTA). M7.9 will be used to monitor the effectiveness of this action.	$174,473.40	No
7.27	GEAR UP Program	Maintain social-emotional and academic intervention (GEAR UP) classes at the secondary level for at-risk students as provided in part through LREBG funds ($243,276.00). In ELA, English Learners scored 41 points below standard (Orange), SED students 5.4 points below (Orange), and Foster Youth 71.1 points below (Red). Similarly, in Math, English Learners were 68.7 points below standard (Orange), SED students 44.3 points below (Yellow), and Foster Youth 108.8 points below (Orange). Research shows that targeted academic interventions and social-emotional supports, such as those provided by GEAR UP programs, significantly improve college readiness, academic performance, and long-term outcomes for underserved students (U.S. Department of Education, 2021;What Works Clearinghouse). M7.1-M7.4 will be used to monitor the effectiveness of this action. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics and course grades, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$522,648.00	Yes
7.28	High School Credit Recovery Programs	Continue to provide a high school credit recovery summer school and night school program at El Camino Real High School as provided through LREBG funds ($301,043.14). In 2023-2024, only 59.3% of all students met A-G requirements, with significantly lower rates for Socioeconomically Disadvantaged (SED) students at 45.5% and English Learners (ELs) at	$301,043.14	No

		just 15.8%, a notable decline from 24.3% in the prior year. According to the American Institutes for Research (AIR), credit recovery programs can help students who have fallen behind to stay on track for graduation, especially when paired with strong instruction and academic support (AIR, 2016). M7.5 & M7.9 will be used to monitor the effectiveness of this action.		
7.29	Suicide Prevention	The district will provide a suicide prevention program at middle and high schools to support student wellness and social-emotional health, funded in part through LREBG funds ($16,974.40). This action aligns with California Education Code Section 215, which requires local educational agencies serving students in grades 7–12 to adopt and implement evidence-based suicide prevention policies and procedures. According to the Centers for Disease Control and Prevention (CDC), suicide is the second leading cause of death among individuals aged 10–24 in the United States, and research shows that school-based prevention programs significantly reduce suicide attempts and ideation among adolescents (CDC, 2023). M7.1-M7.9 will be used to monitor the effectiveness of this action.	$16,974.40	No
7.30	Learning Recovery Programs	Continue to provide learning recovery programs and materials designed to accelerate pupil academic proficiency or English language proficiency, or both as provided through LREBG funds ($1,084,610.00). While 64.75% of students districtwide met or exceeded standards in English Language Arts, only 11.74% of English Learners, 48.87% of SED students, and 20% of Foster Youth did so—placing these groups in the Orange and Red performance levels. Similarly, in Mathematics, 53.48% of students met or exceeded standards overall, compared to just 10.62% of English Learners, 33.57% of SED students, and 14.29% of Foster Youth. According to a study by the RAND Corporation (2021), personalized and adaptive learning platforms—such as i-Ready, iXL, and Nearpod—have demonstrated positive effects on student engagement and academic achievement, particularly when used as part of a comprehensive instructional support strategy. M7.1 & M7.2 will be used to monitor the effectiveness of this action.	$1,453,210.00	No

Action #	Title	Description	Total Funds	Contributing
7.31	Counselors at High Impact High Schools	Continue to provide an ELD Counselor at Valencia High School and Counselor at El Camino High School to ensure the needs of all UPs are monitored and supported. The effectiveness of this action will be assessed using CA Dashboard Indicators, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$174,733.12	Yes
7.32	Secondary Intervention Classrooms	Continue to maintain school-based intervention programs at the secondary schools to assist in closing achievement gaps and suspension rates of all UPs by providing academic, behavioral, and social emotional support in the intervention classrooms. The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, Chronic Absenteeism, and Suspensions. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$121,109.50	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
8	PYLUSD will provide focused actions to address academic achievement, engagement, and school climate for specific student groups and sites.	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

The LEA has developed this goal to address the needs of student groups and school sites with the lowest performance levels, as identified by the California Schools Dashboard, in alignment with Section 52064(e)(6) of the Education Code. This Broad Goal and its associated actions are intended to support districtwide, schoolwide, and specific student groups that have not been adequately addressed in prior planning cycles.

Districtwide, chronic absenteeism remains a significant challenge, particularly among Homeless students, English Learners (ELs), Socioeconomically Disadvantaged (SED) students, and Students with Disabilities (SWD). Other critical performance gaps include academic proficiency in English Language Arts (ELA) and Math, with noticeable disparities among student groups such as Long-Term English Learners, Hispanic, and Foster Youth.

Specific schools and student groups with the lowest performance levels in various indicators based on 2024-2025 data include:

Academic Performance in English Language Arts (ELA):
Long-Term English Learners across multiple sites
Students with Disabilities across multiple sites
English Learners across multiple sites
Hispanic students at El Camino
Socioeconomically Disadvantaged students at BVVA and El Camino

Academic Performance in Math:
Foster Youth and Long-Term English Learners across multiple sites
Students with Disabilities across multiple sites
Socioeconomically Disadvantaged students across multiple sites
Hispanic students across multiple sites

English Learners Tuffree and Valadez MS
Homeless students at Valadez

English Learner Progress:
Schoolwide performance gaps at Glenview and Rio Vista

Chronic Absenteeism:
Long-Term English Learners across multiple sites
Socioeconomically Disadvantaged students across multiple sites
Students with Disabilities across multiple sites
English Learners across multiple sites
White and Hispanic students across multiple sites
Homeless students across multiple sites

Suspension Rates:
Students with Disabilities across multiple sites

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, the district implemented Goal 8 with a high degree of fidelity and minimal differences between planned actions and actual implementation. Major strategies included assigning a full-time Registered Behavior Technician (RBT) to every elementary school, maintaining site-based psychologists and ABA supervisors, expanding attendance monitoring and recovery programs, implementing PBIS across school sites, supporting students with disabilities through accommodations and co-taught Algebra courses, and increasing parent engagement and college and career readiness supports. These efforts targeted the district’s lowest-performing student groups and schools, particularly students with disabilities, foster youth, English learners, and socioeconomically disadvantaged students. Implementation successes included the expansion of the Saturday School Attendance Recovery Program, districtwide attendance tracking systems, structured SART and DART processes, successful ProAct training for educators, and the continued implementation of co-taught Algebra 1A and 1B courses designed to increase access to rigorous instruction for students with disabilities.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for actions aside from action 8.1 that used fewer funds than budgeted due to staffing turnover and resultant vacancies that were difficult to fill.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The actions contributed to positive progress toward improving school climate, attendance, behavioral outcomes, and academic achievement. Districtwide, 78% of students reported that they completely or somewhat agreed with the statement, “I feel safe at my school,” progressing toward the 85% target. The district reported that all elementary schools now have assigned full-time RBTs, attendance recovery efforts expanded through Saturday School programming, and monthly attendance monitoring systems allowed schools to identify and address attendance concerns more quickly. In addition, targeted supports continued to address significant needs among student groups experiencing elevated chronic absenteeism, including English Learners (25.9%), Socioeconomically Disadvantaged students (26.6%), and Foster Youth (31.5%). While most actions were implemented successfully, some initiatives, including mental health supports, attendance strategies within IEPs, and parent engagement efforts for families of students with disabilities, require continued monitoring to fully evaluate their long-term impact. As a result of implementation reflections, Action 8.2 was revised to continue the school psychologist staffing model that was

introduced during the 2025–26 school year. Overall, the district found the actions effective and will continue them in 2026–27 to further close achievement gaps and improve outcomes for targeted student groups. The actions for Goal 8 impacted student outcomes and will be continued for the 2026-27 school year. Comments related to specific actions are below:

8.1: Behavioral Intervention and Support at Elementary Sites
The action has been highly effective. All elementary schools now have an assigned full-time Registered Behavior Technician (RBT) who provides targeted behavioral interventions. This has supported positive student outcomes, contributing to the overall goal of closing the achievement gap, particularly for students with behavioral challenges.

8.2: Mental Health Support
Progress will be monitored closely in the coming periods to determine the effectiveness of the support provided, as the specific details of this action are still being developed in accordance with new educational codes.

8.3: Behavioral Support and Supervision
This action has proven effective in supporting students' behavioral and socio-emotional needs. The presence of two ABA supervisors providing consultation and collaboration has been a critical component in addressing these needs, ensuring ongoing support for students who require it.

8.4: Attendance and Student Services Support
The action has been effective in providing support through training and school-team meetings to review attendance data. The collaboration with schools to improve attendance has helped maintain focus on this critical issue. Continued efforts to monitor and support attendance goals are proving to be impactful.

8.5: Attendance Monitoring and Analysis
This action has been effective, with the creation of monthly attendance trackers for each school and the district-wide monitoring of attendance trends. This has allowed the district to identify patterns and respond to attendance concerns in a timely manner, contributing to improved attendance tracking.

8.6: Attendance Recovery Program
The Saturday School Program has been successful in providing Attendance Recovery for both elementary and secondary schools, particularly targeting foster youth and McKinney-Vento students. The program continues to expand and support attendance recovery efforts, contributing to a reduction in chronic absenteeism.

8.7: School Attendance Review Teams (SART) and District Attendance Review Teams (DART)
This action has been effective. The district has integrated a structured process to identify students needing a SART meeting, with continued district-level support for school teams in collaborating with families. This systematic approach to addressing attendance concerns has helped improve student attendance rates.

8.8: Districtwide Positive Behavior Interventions and Supports (PBIS)

The district has made good progress in supporting PBIS implementation across school sites. Communication and coordination with school-site teams have been effective. The next step is to ensure the completion of the Tiered Fidelity Index, which will allow for ongoing assessment and refinement of PBIS efforts.

8.9: Implement Attendance Strategies in IEPs
Progress on this action is still being evaluated. As attendance strategies are incorporated into IEPs, it is important to monitor their implementation to ensure they effectively support students with disabilities. Further details on specific strategies will be assessed as the plan unfolds.

8.10:Community Engagement via Parent Education
The initiative has been successful in engaging families and providing resources for addressing chronic absenteeism. The district's efforts to communicate and assist school sites in developing a multi-tiered system of support for attendance have contributed to greater family involvement in attendance-related matters.

8.11: Flexible Scheduling and Accommodations
Progress in this area has been partially successful. The implementation of flexible scheduling and accommodations has met some goals, and the first and second phases of Individual Transition Planning (ITP) training have been effective. Continued monitoring and adjustments will ensure that this model fully meets students' needs.

8.12: Professional Development for Educators
Professional development activities have been effective in equipping educators with the tools needed to support students. The implementation of ProAct training has been successful in enhancing both special education and general education staff capabilities, contributing to the goal of improving overall student support.

8.13: High School Co-taught Algebra 1A and 1B Courses
This action has been effective, with successful implementation of co-taught Algebra 1A and 1B courses. The goal to provide equitable access to high-quality math instruction for all students, particularly those in underperforming groups, has been met.

8.14: ATSI Collaboration
This action was not needed this year with zero schools identified for targeted improvement.

8.15: College and Career Readiness
The action has been effective in providing high school counselors with the necessary tools to support students' college and career readiness. Counselors have been trained to intervene when students are struggling and to encourage eligible students to apply for postsecondary opportunities, positively impacting the college and career readiness of students.

8.16: Engagement of Parents of Students with Disabilities
Efforts to engage parents of students with disabilities are underway, but further data and monitoring will be required to evaluate its success in fully meeting the goal at the end of the 2026-27 school year

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following action was revised:

Action 8.2 was updated to reflect that the staffing model for school psychologists that was new in the 2025-26 school year will continue for the 2026-27 school year.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
8.1	Behavioral Intervention and Support	Provide full time Registered Behavior Technicians (RBTs) at each elementary and Intervention/Attendance support at secondary schools in order to provide behavioral intervention focused on creating a supportive and nurturing environment for UPs, with the goal of reducing chronic absenteeism, minimizing disruptive behaviors, reducing suspensions, and improving academic outcomes as provided in part through LREBG funds ($170,000). Unduplicated Pupils have higher chronic absenteeism rates (EL = 25.9%, SED = 26.6%, and FY = 31.5%) and lower academic performance in ELA and Math (ELA: EL = 11.74% meeting or exceeding standards, SED ELA = 48.9%, and FY = 20%; Math: EL = 10.6%, SED = 33.6%, and FY = 14.3%). Research from the Journal of Positive Behavior Interventions found that schools implementing trained behavioral support staff saw a 20–60% reduction in problem behaviors and improved teacher capacity to manage classrooms effectively (Simonsen et al., 2014). M8.3 & M8.6 will be used to monitor the effectiveness of this action. The effectiveness of this action will be measured through the CA Dashboard Indicators for English Language Arts and Mathematics for Students with Disabilities, Socioeconomically Disadvantaged, Hispanic Students, and English Learners. (M8.1 & M8.2 and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$2,218,863.00	Yes
8.2	Mental Health Support	Maintain psychologists at sites for support to meet the unique needs of students who are at risk, focused on the needs of SED and FY students. The effectiveness of this action will be measured through the CA	$769,777.00	Yes

8.3	Behavioral Support and Supervision	Maintain two ABA supervisors to provide consultation, collaboration, interventions, and transitional support to address students' behavioral and social-emotional needs as well as supervision of RBTs. The effectiveness of this action will be measured through the CA Dashboard Indicators for English Language Arts and Mathematics for Students with Disabilities, Socioeconomically Disadvantaged Students, Hispanic Students, and English Learners. (M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)	$296,724.00	Yes
8.4	Attendance and Student Services Support	Provide consultation, collaboration, interventions, and transitional support to address students' attendance concerns	$20,318.31	No
8.5	Attendance Monitoring and Analysis	Systematically monitor the attendance of chronically absent students and work collaboratively with school sites and families to support increased attendance. Identify patterns and implement targeted interventions based on the data	$18,286.48	No
8.6	Attendance Recovery Program	Expand and diversify the Attendance Recovery Program across the district to include a range of courses and activities that cater to a broader spectrum of student interests and learning styles. Include partnerships with parents,local community organizations, businesses, and /or universities to provide additional resources and expertise to support the breadth of our ARP Saturday School offerings district-wide	$16,457.83	No
8.7	School Attendance Review Teams (SART) and District	Systematically hold School Attendance Review Team Meetings and District Attendance Review Team Meetings to provide attendance support to chronically absent students and families	$14,812.05	No

Action #	Title	Description	Total Funds	Contributing
	Attendance Review Teams (DART)			
8.8	Districtwide Positive Behavior Interventions and Supports	Ensure all school sites implement a schoolwide PBIS framework to promote positive behavior and create a supportive school climate which can include acknowledging and rewarding good attendance behaviors.	$140,000.00	No
8.9	Implement Attendance Strategies in IEPs	Ensure that each student with a disability has a well-developed IEP that addresses their strengths and unique needs, including any accommodations or modifications necessary to improve attendance, participation in the school environment, and post school planning and outcomes. 8.14	ATSI Collaboration	Provide support and collaboration time for sites identified as ATSI in order to address critical areas of concern, as needed	$246,219.69	No
8.15	College and Career Readiness	High school counselors will monitor college and career indicators for each student group to ensure all students are prepared for College and Career and work to address any disproportionality that may exist in program enrollment and completion.LREBG funds ($117,552.31)	$131,569.20	No
8.16	Engagement of Parents of Students with Disabilities	Provide a special education community advisory committee in collaboration with Brea Olinda Unified School District as a part of the Northeast Orange County SELPA called the Special Education Community Advisory Committee	$221,597.72	No
8.17	Additional Academic Support for Melrose Elementary	Provide additional academic support to Melrose Elementary School to run small group instruction and targeted intervention as provided through LREBG funds ($157,380.00). Melrose Elementary School demonstrates a significant need for increased academic support, particularly in English Language Arts (ELA) and Math. Schoolwide ELA scores are in the Orange performance level at 58.4 points below standard, with English Learners in the Red at 71.9 points below standard. Math performance is similarly concerning, with schoolwide scores 59.5 points below standard in the Orange band, and Students with Disabilities in the Red. While challenges persist, a notable bright spot is that 71% of English Learners are making progress toward English language proficiency. Research shows that targeted small group instruction significantly improves academic outcomes for students performing below grade level, particularly when implemented with fidelity and trained staff (Slavin, Lake, & Davis, 2011). M8.1-M8.3 & M8.5-M8.7 will be used to monitor the effectiveness of this action.	$157,380.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
9	Implement focused actions during the 2025–26 school year to improve academic achievement for Hispanic, Socioeconomically Disadvantaged, English Learner, and Long-Term English Learner student groups, with targeted support for El Camino Real Continuation High School. These efforts will be measured by improvements in CA Dashboard indicators and will include enhanced staffing and evidence-based strategies to address the unique needs of these student populations, with the overarching goal of accelerating academic growth and closing performance gaps.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

The development of a Focus Goal for El Camino Real Continuation High School is driven by both statutory requirements and data-informed need. In accordance with Education Code Section 52064(e)(7), any school receiving LCFF Equity Multiplier Funds must establish a Focus Goal to target equity and student success. El Camino Real has been identified by the California Department of Education to receive Equity Multiplier Funds, providing additional state resources to support schools serving high concentrations of students from underserved backgrounds. This funding underscores the importance of implementing focused, data-driven actions to address academic disparities and improve student outcomes.

Further justifying this goal are El Camino Real's 2024 California Schools Dashboard results, which highlight multiple areas of urgent need. Schoolwide performance on the CAASPP shows students in the Orange and Red performance levels for English Language Arts (ELA) and Mathematics. Specifically, Hispanic and Socioeconomically Disadvantaged (SED) student groups scored in the Orange for ELA, and SED students were in the Red for Math. Additionally, the English Learner Progress Indicator has moved to the Yellow performance level, reflecting progress in their work to address this significant barriers to language acquisition and academic achievement. The College and Career Readiness Indicator is also in the Red for English Learners and Long-Term English Learners, signaling a lack of preparedness for postsecondary success among these key subgroups.

Despite these challenges, a notable bright spot is El Camino's Graduation Rate, which is in the Green performance level. This strength provides a foundation upon which to build more comprehensive supports to address academic gaps and improve long-term outcomes.

The actions tied to this goal were developed collaboratively with district leadership, the school's administrative team, and the El Camino School Site Council. They also meet the criteria outlined in Education Code Section 52064(e)(6), which requires LEAs to create Focus Goals

for schools or student groups demonstrating the lowest performance levels on the Dashboard. Through this Focus Goal—and with the support of targeted Equity Multiplier Funds from the state—the district is committed to strategically investing in interventions, resources, and supports that address both equity and performance, ensuring that all students at El Camino Real Continuation High School are given meaningful opportunities to thrive.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, Placentia-Yorba Linda Unified School District successfully implemented the actions associated with Goal 9 with a high degree of fidelity, focusing on improving outcomes for Hispanic, Socioeconomically Disadvantaged, English Learner, and Long-Term English Learner students at El Camino Real Continuation High School. Key actions included maintaining reduced class sizes through additional staffing, establishing an AVID program, expanding counseling and college and career supports, providing targeted intervention and professional development in English Language Arts and Mathematics, strengthening English learner supports, implementing attendance monitoring systems, and offering flexible scheduling opportunities. These efforts contributed to measurable improvements across several indicators.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for any actions.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

El Camino's graduation rate increased from 73.8% in 2022–23 to 85.3% in 2024–25, attendance improved from 70.05% to 71.02%, English Learner Progress increased from 36.9% to 44.7% and moved from Orange to Yellow on the California Dashboard, and the suspension rate

declined from 6.5% to 1.7%. Academic outcomes also improved, with ELA passing rates increasing from 42% to 63% and mathematics passing rates increasing from 42% to 75%. Additionally, English Learner participation in Career Technical Education courses improved from being 10 percentage points below overall enrollment to only 4 percentage points below overall enrollment.

While the actions produced positive results, implementation data identified opportunities for refinement. Student participation in intervention opportunities offered outside of the regular school day was lower than anticipated, limiting the effectiveness of some supports. As a result, the district revised Action 9.9 to shift intervention services into the regular school day where student participation is expected to be stronger. Despite gains in student achievement, academic performance remains an area requiring continued focus. CAASPP English Language Arts performance improved from Red to Orange for both schoolwide and targeted student groups, while Mathematics performance showed modest gains but remains below desired levels. These results demonstrate that the district's investments in staffing, intervention, attendance supports, college and career readiness, and instructional improvement strategies are producing positive outcomes, while also highlighting the need to continue accelerating academic growth for students furthest from meeting standards.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following action was revised:

Action 9.9 was updated to no longer include outside-of-school intervention due to low attendance. El Camino will offer more during-the-school-day intervention opportunities moving forward.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

2.2	**Action:** Professional Development, Training, and Task Forces **Need:** The CA Dashboard performance indicators show stable results in English Language Arts and Math, along with a slight increase in graduation rates, a decrease in chronic absenteeism, and a reduction in suspension	This action will support the needs of all Unduplicated Pupils (UPs), with a specific focus on English Learners, by providing ongoing professional development and training for teachers to close achievement gaps. Since all PYLUSD sites serve unduplicated pupils, implementing this action districtwide ensures a more effective and consistent approach. Research indicates that professional learning significantly enhances staff capacity to support unduplicated pupils, making	The effectiveness of this action will be assessed using each of the CA Dashboard Indicators. 	rates for the ALL student metrics. However, English Learners, Socioeconomically Disadvantaged Students, and Foster Youth performed at lower levels compared to the ALL student group in multiple CA Dashboard metrics. For example, English Learners achieved only 11.66% proficiency in ELA and 13.97% proficiency in Mathematics, while Foster Youth remained at 33.33% proficiency in ELA and 18.18% in Mathematics. Closing these gaps requires consistent access to highly effective instruction from the first day a teacher enters the profession. **Scope:** LEA-wide	this the most strategic use of funds to address their needs (Kanold, 2017; Hattie, 2009; Erkens & Twadall, 2012).	
2.3	**Action:** Instructional Materials, Supplies, and Services **Need:** Unduplicated student groups, specifically English learners (ELs), low-income students, and foster youth, demonstrated performance gaps on the California School Dashboard. English learners showed a decrease in progress toward English language proficiency and elevated chronic absenteeism rates. Socioeconomically disadvantaged students also demonstrated elevated chronic absenteeism and achievement gaps in core academic areas. **Scope:**	This action aims to support all Unduplicated Pupils (UPs) by providing appropriate instructional materials, supplies, and services to enhance student engagement. According to John Hattie's Visible Learning research, providing supplemental instructional materials can significantly enhance student achievement, particularly when aligned with clear learning goals and feedback (Hattie, 2009).	The effectiveness of this action will be assessed using each of the CA Dashboard Indicators. (M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)

	LEA-wide		
4.5	**Action:** OCDE LTEL Network **Need:** 2024 CA Dashboard data indicates that a performance gap exists between Long-Term English Learners (LTELs) and their peers, with only 5.2% of LTELs meeting or exceeding standards in ELA, compared to 65.3% of all PYLUSD students. In Math, just 3.6% of LTELs meet or exceed standards, compared to 55.9% of all PYLUSD students. This indicates a need for a wholistic, systemic analysis of ELD supports. **Scope:** LEA-wide	Research shows that targeted ELD instruction, which combines explicit language development with content-area learning, significantly supports LTELs in acquiring academic language and achieving success across subjects (Echevarria, Vogt, & Short, 2017). Implementing such interventions and supports requires a wholistic, systemic approach and inter-LEA collaboration opportunities will ensure that PYLUSD leaders are providing such guidance to our schools.	The effectiveness of this action will be measured by the percentage of LTELs meeting or exceeding standards on the CAASPP for ELA and Math. This will be measured by M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2.
4.10	**Action:** Academic Progress Check-ins **Need:** Data from the 2024-25 school year indicates that Long-Term English Learners continue to experience substantial academic and language proficiency challenges. During 2024-25, only 27.2% of LTELs met or exceeded standards in English Language Arts and only 14.68% met or exceeded standards in Mathematics. District writing data showed a decline from 61% meeting expectations in	Long term English learners show a greater trend towards disengagement compared to the non-LTEL-identified peers (Hill & Deng, 2015). This action seeks to build direct connections to students to mitigate this factor and increase student achievement and engagement metrics.	The effectiveness of this action will be measured by the percentage of LTELs meeting or exceeding standards on the CAASPP for ELA and Math. This will be measured by M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2.

	2022-23 to 51% meeting expectations in 2024-25, while only 10.15% of LTELs achieved ELPAC Level 4 in Reading and Writing during 2024-25. Regular academic progress check-ins are needed to monitor achievement, identify barriers to reclassification, strengthen student-adult connections, and provide timely interventions that improve academic performance and language proficiency. **Scope:** LEA-wide		
5.13	**Action:** Melrose Family Resource Center / Health Clinics **Need:** The number of identified homeless students in PYLUSD rose to 3,475 in 2023-2024, reflecting the continued and growing need for comprehensive support services. While the district has seen encouraging gains in graduation rates (from 88.8% to 92.5%) and reductions in chronic absenteeism (from 31.6% to 22.6%), significant academic achievement gaps persist. Homeless students remain substantially below grade level in both English Language Arts (DFS -44.5) and Mathematics (DFS -79.2), with both indicators dropping from Yellow to Orange on the CA Dashboard. Moreover, only 29.9% of homeless students are considered college/career prepared, a figure that has remained stagnant over two years.	Continuing to provide equitable services for socio-economically disadvantaged students through Family Resource Centers (FRCs), along with a McKinney-Vento Liaison and support staff, is essential for addressing the systemic barriers these students face. The 2024 CA Dashboard data highlights persistent achievement gaps. Research confirms that wraparound support services, including community linkages and parental engagement, significantly improve student outcomes by addressing non-academic barriers such as housing instability, food insecurity, and lack of access to educational resources (Moore et al., 2014). Additionally, the McKinney-Vento Act mandates support for homeless and highly mobile students, ensuring they receive consistent educational opportunities (NCHE, 2020).	The effectiveness of this action will be measured through the CA Dashboard indicators for Socio-economically Disadvantaged Students, specifically Homeless students. (M5.10-M5.15 and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2)

7.1	**Action:** Teacher Collaboration and Intervention Design **Need:** Analysis of the 2024-25 California School Dashboard and local assessment data indicates that significant achievement gaps persist for Unduplicated Pupils. During the 2024-25 school year, English Learners met or exceeded standards in English Language Arts at a rate of 11.66% and Mathematics at 13.97%, while Foster Youth met or exceeded standards at 33.33% in ELA and 18.18% in Mathematics. Socioeconomically Disadvantaged students achieved 52.18% proficiency in ELA and 38.12% proficiency in Mathematics during the same year. These outcomes demonstrate a need for structured teacher collaboration focused on data analysis, intervention planning, progress monitoring, and the implementation of effective instructional practices for Unduplicated Pupils. **Scope:** LEA-wide	Continuing to provide all teachers with dedicated weekly release time for Professional Learning Communities (PLCs) is essential for improving individual student achievement and closing achievement gaps for all Unduplicated Pupils (UPs), including socio-economically disadvantaged students, English learners, and Foster Youth. Research shows that PLCs enhance teacher collaboration, data-driven decision-making, and the implementation of effective instructional strategies tailored to student needs (DuFour et al., 2016).	The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. In Mathematics, English Learners and Long-Term English Learners were in the Red, with Hispanic, Homeless, Students with Disabilities, and Socioeconomically Disadvantaged students scoring in the Orange, compared to the overall school performance in the Yellow. **Scope:**	Continuing to provide intervention support teachers at Valencia High School is crucial for ensuring that the needs of all Unduplicated Pupils (UPs), including socio-economically disadvantaged students, English learners, and Foster Youth, are consistently monitored and supported. Research shows that targeted intervention support is effective in addressing the achievement gaps faced by these student groups, as it provides personalized instruction and targeted strategies to help students succeed academically (Gersten et al., 2009). English Learners achieved only 11.66% proficiency in ELA and 13.97% proficiency in Mathematics, while Foster Youth remained at 33.33% proficiency in ELA and 18.18% in Mathematics. Closing these gaps requires consistent access to highly effective instruction from the first day a teacher enters the profession. Newly credentialed teachers serving high concentrations of English Learners, Socioeconomically Disadvantaged students, and Foster Youth require coaching, mentoring, and professional learning to accelerate instructional effectiveness and ensure equitable learning opportunities for all students. **Scope:** LEA-wide	The Elementary PD Supplemental action is grounded in research emphasizing the critical role of teacher quality and professional learning in improving student outcomes. According to John Hattie's Visible Learning research, teacher professional development has an effect size of 0.62, indicating a substantial impact on student achievement when teachers engage in ongoing, targeted training. Topics for teacher training include differentiated instruction, early reading phonics, literacy, and math to support UPs. Furthermore, the National Institute of Child Health and Human Development underscores the importance of early literacy instruction and intervention in reducing reading difficulties, particularly when educators are equipped with knowledge of the science of reading and strategies for supporting diverse learners. 7.9	**Action:** Mental Health Support and Resources for Students and Families at Secondary Sites **Need:** In PYLUSD, the 2024 California Dashboard shows chronic absenteeism rates for Foster Youth in the Orange performance level, while English Learners, Long-Term English Learners, and Socioeconomically Disadvantaged students are in the Yellow. These elevated rates indicate a continued need for targeted counseling and support services to address the underlying barriers to consistent school attendance for these student groups. **Scope:** LEA-wide	Maintaining Wellness Specialists at Title I middle schools and all high school sites is critical to addressing the mental health needs of students and improve school attendance, particularly English Learners (EL), socio-economically disadvantaged (SED) students, and Foster Youth (FY), who often face additional stressors and barriers to academic success. Research indicates that mental health support plays a key role in improving student well-being, engagement, and academic outcomes (Zins et al., 2004). For UPs, who are at greater risk for experiencing trauma, family instability, and other socio-economic challenges, access to mental health resources is essential for ensuring they can fully participate in their education (Cohen & Sandy, 2007). 7.10	**Action:** Mental Health Support and Resources for Students and Families at Elementary Sites **Need:** In PYLUSD, chronic absenteeism rates at the elementary level vary across schools. Several elementary schools, including Glenview, John O. Tynes, Melrose, Morse, Ruby Drive, and Woodsboro, fall within the district's overall very high chronic absenteeism category, with rates of 20.1% or greater. In contrast, schools like Linda Vista, Mabel M. Paine, Van Buren, Rio Vista, and Topaz report rates in the Yellow range, indicating moderate levels of chronic absenteeism. These data highlight a significant attendance challenge in some elementary schools that requires focused interventions to improve student engagement and reduce absenteeism. **Scope:** Schoolwide	Providing social and emotional support through external providers for elementary schools is essential to improving student attendance and supporting the well-being and academic success of English Learners (EL), socio-economically disadvantaged (SED), and Foster Youth (FY) students. These student groups often face unique challenges, such as trauma, family instability, and cultural adjustment, which can significantly impact their ability to succeed in school (Cohen & Sandy, 2007). Research shows that access to social and emotional learning (SEL) and mental health services improves students' ability to manage stress, build positive relationships, and enhance academic performance (Zins et al., 2004). 7.11	**Action:** Site Discretionary Funding for UPs **Need:** Data from the 2024-25 school year indicates that Unduplicated Pupils continue to face challenges in attendance, academic achievement, and college and career readiness. Chronic absenteeism rates were 16.5% for English Learners, 18.1% for Socioeconomically Disadvantaged students, and 32.4% for Foster Youth. Additionally,	Distributing and targeting resources equitably to schools where needs are greatest is a critical strategy for closing achievement gaps among Unduplicated Pupils (UPs), including socio-economically disadvantaged students, English learners, and Foster Youth. 7.12	**Action:** Additional Support Staff at High Impact Sites **Need:** After analyzing CA Dashboard and other performance data across sites, it is clear that some schools require additional support to effectively monitor attendance, bolster student achievement, and maintain consistent communication with families. More than 10% of students in PYLUSD are chronically absent, highlighting the urgent need for targeted interventions and enhanced family engagement strategies. **Scope:** Schoolwide	Maintaining additional support staff at high-impact sites is essential for addressing the needs of socio-economically disadvantaged (SED), English Learner (EL), and Foster Youth (FY) students. These student groups often face unique challenges, including limited access to educational resources, language barriers, and family instability, which can hinder their academic success and overall well-being (Losen & Orfield, 2002). Research shows that providing additional support staff, such as counselors, intervention specialists, and family liaisons, helps bridge these gaps by offering targeted assistance and resources to both students and families (Baker et al., 2006). 	Attendance data from the 2024-25 school year indicates that chronic absenteeism continues to impede academic success for Unduplicated Pupils. English Learners experienced a chronic absenteeism rate of 16.5%, Socioeconomically Disadvantaged students 18.1%, and Foster Youth 32.4%, with Foster Youth remaining in the Red performance level. 7.14	**Action:** Instructional Aides for Physical Education **Need:** Student wellness and attendance data from the 2024-25 school year indicate a continued need to support student engagement and school connectedness. Chronic absenteeism rates remained elevated among English Learners (16.5%), Socioeconomically Disadvantaged students (18.1%), and Foster Youth (32.4%). Additional instructional aide support during physical education classes is needed to increase participation, ensure student safety, promote inclusion, and support the physical and social-emotional well-being of Unduplicated Pupils.	Additional staffing in elementary PE courses allows for more strategic supervision and grouping, so our PE teachers are able to provide direction and guidance to smaller groups of students, increasing the opportunity for instructional best practices such as checking for understanding and formative feedback. Research shows that physical activity is a critical factor in supporting academic performance, improving mental health, and reducing behavioral problems (Donnelly & Lambourne, 2011). For students who may face challenges related to health, social-emotional issues, or a lack of access to extracurricular activities, physical education aides provide essential support by assisting with individualized instruction, facilitating participation, and ensuring that students engage in physical activity that promotes fitness and wellness (Singh et al., 2012). During 2024-25, only 20.8% of English Learners met the College and Career Indicator preparedness standard, while English Learners met or exceeded English Language Arts standards at a rate of only 11.66%. These data demonstrate a need to strengthen literacy, research skills, digital literacy, and access to academic resources through high school library services that support academic achievement and postsecondary readiness. **Scope:** LEA-wide	Maintaining Library Media Assistants at high schools is essential for supporting the academic achievement of students by fostering critical thinking, communication, collaboration, and creativity—skills that are crucial for success in both academic and real-world settings. Additionally, they provide a space for students to study and equitable access to information to increase cultural capital of UPs and support UP student achievement. Research shows that well-supported school libraries, with staff who are trained in media literacy and information management, contribute to higher student achievement and engagement (Todd & Kuhlthau, 2005). English Learners met or exceeded standards at rates of 11.66% in ELA and 13.97% in Mathematics, while chronic absenteeism rates were 16.5% for English Learners, 18.1% for Socioeconomically Disadvantaged students, and 32.4% for Foster Youth. Coordinated district leadership is necessary to monitor implementation of LCAP actions, align resources, support site leaders, and ensure continuous improvement efforts result in measurable gains for Unduplicated Pupils. **Scope:**	Maintaining district leadership to meet the needs of Unduplicated Pupils (UPs) and students who are at-risk is critical for ensuring that these students receive the support and resources necessary to succeed academically. District leadership positions such as the Director of Secondary Education and the Executive Director of Elementary Education set the direction for educational equity, creating policies, and ensuring that resources are allocated to address the specific challenges faced by UPs, including socio-economic disadvantage, language barriers, and foster care status (Lyon et al., 2001). However, significant disparities remain for key student groups. English Learners increased from 11.4% prepared (Low) to 16.8% (Yellow), and Socioeconomically Disadvantaged students rose from 43.3% (Medium) to 47.8% (Green). **Scope:** LEA-wide	Maintaining College and Career Technicians at each high school is essential for ensuring that students have the necessary guidance and resources to successfully navigate post-secondary options, which are crucial for their future academic and career success. College and Career Technicians provide vital support in areas such as college admissions, financial aid applications, career exploration, internships, and job readiness programs, particularly for students who may lack the resources or support at home to navigate these complex processes (Gandara & Bial, 2001). Research shows that students with access to college and career guidance are more likely to apply to post-secondary institutions, persist in their education, and achieve successful outcomes (Bettinger et al., 2012). Achievement gaps also persisted during 2024-25, with English Learners meeting or exceeding standards at rates of 11.66% in ELA and 13.97% in Mathematics. Additional support in academic planning, goal setting, college awareness, and career exploration is needed to improve long-term outcomes and postsecondary readiness. **Scope:** LEA-wide	Maintaining social-emotional and academic intervention (GEAR UP) classes at the secondary level provides critical support for unduplicated pupils—including foster youth, English Learners, and socioeconomically disadvantaged students—by offering a structured elective course that integrates SEL (social-emotional learning) lessons with academic skill-building. These classes help students develop resilience, self-management, and a sense of belonging, all of which are key predictors of academic engagement and long-term success. Research consistently shows that targeted counseling services are crucial for the success of these student groups, who often face additional barriers such as language challenges, cultural adjustments, and socio-economic stressors that can impact their academic and emotional well-being (Wang et al., 2014). 8.1	**Action:** Behavioral Intervention and Support **Need:** Students across the district—particularly English Learners (ELs), socioeconomically disadvantaged (SED) students, and Hispanic students—continue to demonstrate significant academic and behavioral needs. Additionally, students with Disabilities (SWD) are showing academic and behavioral needs. English Language Arts and Mathematics performance on the CA Dashboard remains in the Orange and Red indicator range for these groups, with especially alarming Distance from Standard (DFS) scores. Progress remains particularly low for SWD and ELs across multiple sites, with several schools reporting 0–10% of students meeting or exceeding standards. Additionally, chronic absenteeism rates remain high among these subgroups, further impacting academic outcomes. These persistent academic and attendance disparities signal an urgent need for comprehensive, targeted behavioral interventions and support systems to improve engagement, access, and achievement.	Providing full-time Registered Behavior Technicians (RBTs) at each elementary school and intervention and attendance support at the secondary schools is a strategic required action to address the unique behavioral and academic challenges faced by Unduplicated Pupils (UPs) and Students with Disabilities. Research has shown that early behavioral intervention is critical for students who exhibit disruptive behaviors or experience difficulties in social-emotional regulation, both of which are common among UPs (Sugai & Simonsen, 2012). RBTs are highly trained professionals who can implement evidence-based behavioral interventions to help students develop positive behaviors, improve social skills, and engage in classroom activities more effectively (Ferguson et al., 2015).	The effectiveness of this action will be measured through the CA Dashboard Indicators for English Language Arts and Mathematics for Students with Disabilities, Socioeconomically Disadvantaged, Hispanic Students, and English Learners. Research consistently shows that students from these groups are more likely to experience mental health challenges, such as anxiety, depression, and trauma, which can hinder their academic success and overall school engagement (Perry et al., 2013). Having additional psychologists available allows for timely identification of emotional and behavioral concerns and ensures that students receive targeted, evidence-based interventions to support their mental health (Weist et al., 2003). ABA supervisors play a critical role in overseeing the implementation of behavior intervention plans, ensuring they are evidence-based and tailored to meet individual student needs (Horner et al., 2014). Their expertise ensures that Registered Behavior Technicians (RBTs) are effectively supervised and supported in their work, allowing for consistent, high-quality behavioral interventions that improve student outcomes (LeBlanc et al., 2005). This support is particularly beneficial for students who experience behavioral challenges, as these interventions can reduce disruptive behaviors, improve social interactions, and increase engagement in the classroom (Cook et al., 2015). Research consistently shows that smaller class sizes allow for more individualized attention, which is crucial for students who are at-risk, including those at continuation high schools (Krueger, 2003). With reduced student-to-teacher ratios, teachers can more effectively tailor instruction to meet the diverse academic needs of students, provide timely feedback, and foster a supportive learning environment. For continuation high school students, who may face significant barriers to academic success, such as past school disengagement or personal hardships, the opportunity to receive more personalized instruction can greatly improve their engagement, academic outcomes, and overall school experience (Balfanz et al., 2007). 3.18	**Action:** Guided Language Acquisition and Design (GLAD) **Need:** English Learners (ELs) in the Placentia-Yorba Linda Unified School District continue to demonstrate significant academic needs across multiple indicators, underscoring the need for additional targeted support. On the 2023–2024 CA Dashboard, only 11.4% of EL students met or exceeded standards in English Language Arts (ELA), with a Distance from Standard (DFS) of 44.4 points below, placing them in the Orange performance band—far below the overall district rate of 65.32% and DFS of 35.6 above. Similarly, only 11.5% of EL students met or exceeded standards in Math, with a DFS of 64.9 points below standard, compared to the district's 55.95% proficiency rate and DFS of 11 above. While the district maintained Green performance overall in both content areas, EL students remain among the lowest-performing subgroups.	Providing OCDE Guided Language Acquisition Design (GLAD) training is crucial for building academic language and literacy for all students, particularly English learners (ELs) and emergent bilingual students. Research indicates that GLAD strategies are effective in enhancing language acquisition by integrating academic content with language development in a systematic and engaging way (Echevarria, Vogt, & Short, 2017). GLAD's focus on visual, interactive, and collaborative learning helps ELs develop both academic language and critical thinking skills, leading to improved comprehension and performance in core subjects (Genesee, Lindholm-Leary, Saunders, & Christian, 2006). 5.1	**Action:** McKinney Vento Support Staff **Need:** The number of identified homeless students in PYLUSD has risen to 3,475 in 2023-2024, reflecting the continued and growing need for comprehensive support services. While the chronic absenteeism rate for homeless students improved, it remains significantly higher than the district average, and the academic outcomes for this group remain well below standards in both ELA and Math. Similarly, students identified as socioeconomically disadvantaged (SED) have seen improvement in chronic absenteeism, from 26.6% in 2022-2023 (Red) to 18.1% in 2024-2025 (Yellow). However, nearly 1 in 5 SED students are still chronically absent—often due to transportation challenges. These attendance issues contribute directly to lower academic performance and diminished long-term outcomes, especially for students already facing systemic inequities. **Scope:** Limited to Unduplicated Student Group(s)	Continuing to provide equitable services for socio-economically disadvantaged students through Family Resource Centers (FRCs), along with a McKinney-Vento Liaison and support staff, is essential for addressing the systemic barriers these students face. The 2024 CA Dashboard data highlights persistent achievement gaps. Research confirms that wraparound support services, including community linkages and parental engagement, significantly improve student outcomes by addressing non-academic barriers such as housing instability, food insecurity, and lack of access to educational resources (Moore et al., 2014). Additionally, the McKinney-Vento Act mandates support for homeless and highly mobile students, ensuring they receive consistent educational opportunities (NCHE, 2020). 5.5	**Action:** Family Literacy and Math Nights **Need:** In 2025, the academic performance of Socio-Economically Disadvantaged (SED) students was in the Green performance level on the CA Dashboard for English Language Arts (ELA) and Yellow for Math, while the districtwide performance was Green for both subjects. Additionally, the College/Career Indicator for SED students was at the Yellow level, compared to the districtwide Green level. However, chronic absenteeism among SED students decreased, bringing their attendance rates in line with the overall district. **Scope:**	Facilitating family literacy and math nights is a crucial strategy for supporting the academic success of socio-economically disadvantaged (SED) students by equipping families with the tools to reinforce learning at home. Research shows that parental involvement in literacy and math development significantly improves student achievement, particularly for low-income families (Van Voorhis et al., 2013). Providing phonics training, reading strategy instruction, and foundational math skills workshops empowers parents to support their children’s learning, leading to stronger academic outcomes and increased confidence in both reading and math (Sénéchal & Young, 2008). Data and needs analyses conducted at these sites demonstrated a need for consistent transportation due to geographical constraints and the lack of available timely, public transportation. While the chronic absenteeism rate for homeless students improved, it remains significantly higher than the district average, and the academic outcomes for this group remain well below standards in both ELA and Math. Similarly, students identified as socioeconomically disadvantaged (SED) have seen improvement in chronic absenteeism, from 26.6% in 2022-2023 (Red) to 18.1% in 2024-2025 (Yellow). However, nearly 1 in 5 SED students are still chronically absent—often due to transportation challenges. These attendance issues contribute directly to lower academic performance and diminished long-term outcomes, especially for students already facing systemic inequities. **Scope:** Limited to Unduplicated Student Group(s)	Providing additional transportation routes at high-impact sites is essential for ensuring that socio-economically disadvantaged (SED) students can access school consistently, thereby reducing chronic absenteeism. Research highlights transportation barriers as a significant contributor to absenteeism among low-income students, directly impacting their academic achievement and long-term success (Gottfried, 2017). Studies show that students who face transportation challenges are more likely to miss school, leading to lower test scores, decreased engagement, and higher dropout rates (Balfanz & Byrnes, 2012). By expanding transportation services, districts can remove a critical barrier to attendance, ensuring that SED students have equitable access to education and the support needed for academic success.	The effectiveness of this action will be measured through the CA Dashboard indicators for Socio-economically Disadvantaged Students in Chronic Absenteeism. (M5.10-M5.15, M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2.)

	Additional Administrative Support at High Impact Sites **Need:** Glenview, Rio Vista, Tynes, Kraemer, and Valadez serve student populations with complex needs. These campuses face persistent challenges related to high numbers of socioeconomically disadvantaged and English Learner students, chronic absenteeism, and the need for tiered interventions. **Scope:** Limited to Unduplicated Student Group(s)	supporting student achievement, reducing chronic absenteeism, and improving student safety. Research shows that strong school leadership is a key factor in fostering academic success, particularly in schools serving low-income students (Leithwood et al., 2020). Assistant principals play a critical role in implementing data-driven interventions, supporting teachers, and ensuring students receive necessary academic and behavioral support (Grissom et al., 2021). Additionally, their presence helps address chronic absenteeism by strengthening attendance monitoring systems, engaging families, and removing barriers to consistent school attendance (Balfanz & Byrnes, 2012).	through the CA Dashboard indicators and local indicators for Socio-economically Disadvantaged Students.(M5.10-M5.15, M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2.)
5.9	**Action:** Advancement Via Individual Determination (AVID) Program **Need:** On the California School Dashboard, the College and Career Readiness Indicator (CCRI) is currently rated Yellow and Orange for key student groups in PYLUSD, including low income, homeless students, English Learners, and students with disabilities. This designation highlights significant opportunity gaps and the urgent need for targeted interventions to improve postsecondary preparedness for these student populations. **Scope:** Limited to Unduplicated Student Group(s)	The AVID (Advancement Via Individual Determination) program supports unduplicated pupils such as low-income students, long-term English learners, foster youth, and homeless students by building academic skills, college awareness, and a strong support system that prepares them for postsecondary success. AVID promotes equity through strategies like focused note-taking, academic tutorials, and college readiness activities that directly address barriers faced by these student groups. Implementing AVID ensures consistent access and helps create a college-going culture across schools. Research shows AVID students are more likely to complete college entrance requirements and enroll in college compared to their peers (AVID Center, 2022).	The effectiveness of this action will be measured through the CA Dashboard indicators for Socio-economically Disadvantaged Students in English Language Arts, Math, College/Career, and Chronic Absenteeism (M5.1, M5.2, M5.4, M5.5, M5.6, M5.11 - M5.16 and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2).

6.1	**Action:** Tutoring Services for FY **Need:** In 2025, the academic performance of Foster Youth (FY) on the CA Dashboard maintained the Yellow performance level in English Language Arts (ELA) and improved to Orange in Math, while the districtwide performance remained Green for both subjects. The Suspension Indicator for Foster Youth was at the Orange level, compared to the districtwide Blue level. Additionally, chronic absenteeism for Foster Youth remained higher than the districtwide average, with a Red performance level. **Scope:** Limited to Unduplicated Student Group(s)	Continuing to provide both in-district and out-of-district tutoring services for Foster Youth (FY) is essential to addressing their unique academic challenges and closing achievement gaps. The 2024 CA Dashboard highlights persistent disparities. Research shows that Foster Youth face frequent school disruptions, leading to gaps in learning, lower academic performance, and higher dropout rates (Pecora et al., 2012). Targeted tutoring interventions have been shown to improve educational outcomes for at-risk students by providing individualized academic support, strengthening foundational skills, and increasing engagement (Zetlin et al., 2010).	The effectiveness of this action will be measured through the CA Dashboard indicators for Foster Youth Students in English Language Arts and Math. (M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)
6.6	**Action:** Professional Development for Staff **Need:** In 2025, the academic performance of Foster Youth (FY) on the CA Dashboard maintained the Yellow performance level in English Language Arts (ELA) and improved to Orange in Math, while the districtwide performance remained Green for both subjects. The Suspension Indicator for Foster Youth was at the Orange level, compared to the districtwide Blue level. Additionally, chronic absenteeism for Foster Youth remained higher than the districtwide average, with a Red performance level.	Providing professional development for staff to increase awareness and understanding of the unique needs of Foster Youth (FY) is essential for creating a supportive and inclusive school environment that fosters academic success and emotional well-being. Research indicates that FY students face significant educational barriers, including frequent school changes, trauma, and lack of stable academic support, which contribute to lower achievement levels and higher dropout rates (Pecora et al., 2012). Educator training on trauma-informed practices, social-emotional learning, and the specific challenges FY students encounter has been shown to improve student-teacher relationships, enhance classroom	The effectiveness of this action will be measured through the CA Dashboard indicators for Foster Youth Students in English Language Arts, Math, Suspension, and Chronic Absenteeism. 7.38	**Action:** Interpretation Services **Need:** Achievement data from the 2023–2024 CA Dashboard reveals persistent academic performance gaps for English Learners (ELs), Socioeconomically Disadvantaged (SED) students, and Foster Youth (FY) in both English Language Arts and Mathematics. While districtwide performance remains strong—Green in ELA with 65.32% meeting or exceeding standards and 35.6 points above standard, and Green in Math at 55.95% and 11 points above standard—ELs scored 44.4 points below standard in ELA and 64.9 points below in Math, placing them in the Orange and Yellow performance bands, respectively. These gaps highlight the critical need for increased family engagement, particularly among linguistically diverse families. **Scope:**	Offering interpretation assistance for materials and support for families attending conferences, meetings, trainings, or committee sessions is crucial for ensuring equitable access to educational opportunities and fostering meaningful family engagement, especially for families of English Learners (ELs). Research shows that effective communication between schools and families is essential for student success, particularly for EL families who may face language barriers that hinder their ability to fully participate in school-related activities (Garcia & deCorte, 2012). Providing interpretation services enables parents to engage in conversations about their child's education, understand academic expectations, and actively participate in decision-making processes, such as IEP meetings or parent-teacher conferences (Lopez et al., 2016).	The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth since students that are English Learners are often members of another UP group. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)

Local Control and Accountability Plan Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.

- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.

- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:

    - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).

    - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).

        - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (EC sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in EC sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023 and Senate Bill 153, Chapter 38, Statues of 2024.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

> Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- LEAs may also provide information about their strategic plan, vision, etc.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

EC Section 52064.4 requires that an LEA that has unexpended Learning Recovery Emergency Block Grant (LREBG) funds must include one or more actions funded with LREBG funds within the 2026-27, 2026-27 and 2027-28 LCAPs, as applicable to the LEA. To implement the requirements of *EC* Section 52064.4, all LEAs must do the following:

- For the 2025–26, 2026–27, and 2027–28 LCAP years, identify whether or not the LEA has unexpended LREBG funds for the applicable LCAP year.
    - If the LEA has unexpended LREBG funds the LEA must provide the following:
        - The goal and action number for each action that will be funded, either in whole or in part, with LREBG funds; and
        - An explanation of the rationale for selecting each action funded with LREBG funds. This explanation must include:
            - An explanation of how the action is aligned with the allowable uses of funds identified in *EC* Section 32627(c)(2); and
            - An explanation of how the action is expected to address the area(s) of need of students and schools identified in the needs assessment required by *EC* Section 32627(d).
                - For information related to the allowable uses of funds and the required needs assessment, please see the Program Information tab on the LREBG Program Information web page.
            - Actions may be grouped together for purposes of these explanations.
            - The LEA may provide these explanations as part of the action description rather than as part of the Reflections: Annual Performance.
    - If the LEA does not have unexpended LREBG funds, the LEA is not required to conduct the needs assessment required by *EC* Section 32627(d), to provide the information identified above or to include actions funded with LREBG funds within the 2026-27, 2026-27 and 2027-28 LCAPs.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement
An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

Requirements

School districts and COEs: *EC* Section 52060(g) and *EC* Section 52066(g) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,

- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section 47606.5(d) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the CDE's LCAP webpage.

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see *Education Code* Section 52062;
    - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).
- For COEs, see *Education Code* Section 52068; and
- For charter schools, see *Education Code* Section 47606.5.

- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.

- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.

- For the purposes of this prompt, this may also include, but is not necessarily limited to:
    - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
    - Inclusion of metrics other than the statutorily required metrics
    - Determination of the target outcome on one or more metrics
    - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
    - Inclusion of action(s) or a group of actions
    - Elimination of action(s) or group of actions
    - Changes to the level of proposed expenditures for one or more actions
    - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
    - Analysis of effectiveness of the specific actions to achieve the goal
    - Analysis of material differences in expenditures
    - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
    - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
    - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The *LCFF State Priorities Summary* provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

(A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and

(B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.

- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
    - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
    - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
    - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: *EC* Section 42238.024(b)(1) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.

- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.

- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.

- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.

    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

- **Required metrics for Equity Multiplier goals**: For each Equity Multiplier goal, the LEA must identify:

    - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or

    - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

- **Required metrics for actions supported by LREBG funds**: To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include at least one metric to monitor the impact of each action funded with LREBG funds included in the goal.

    - The metrics being used to monitor the impact of each action funded with LREBG funds are not required to be new metrics; they may be metrics that are already being used to measure progress towards goals and actions included in the LCAP.

Complete the table as follows:

Metric #

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
    - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
    - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
    - Indicate the school year to which the baseline data applies.
    - The baseline data must remain unchanged throughout the three-year LCAP.
        - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.
        - If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.

- Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. "Effective" means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as "Not Applicable."

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
    - Include a discussion of relevant challenges and successes experienced with the implementation process.
    - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
    - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
    - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
    - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
    - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:

- The reasons for the ineffectiveness, and
- How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.
    - For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
    - As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
    - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496 in the Increased or Improved Services section of the LCAP.

***Actions for Foster Youth*:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

For English Learners and Long-Term English Learners

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
    - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
    - Professional development for teachers.
    - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.

For Technical Assistance

- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

For Lowest Performing Dashboard Indicators

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
    - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
    - These required actions will be effective for the three-year LCAP cycle.

For LEAs With Unexpended LREBG Funds

- To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include one or more actions supported with LREBG funds within the 2025–26, 2026–27, and 2027–28 LCAPs, as applicable to the LEA. Actions funded with LREBG funds must remain in the LCAP until the LEA has expended the remainder of its LREBG funds, after which time the actions may be removed from the LCAP.
    - Prior to identifying the actions included in the LCAP the LEA is required to conduct a needs assessment pursuant to *EC* Section 32627(d). For information related to the required needs assessment please see the Program Information tab on the LREBG

Program Information web page. Additional information about the needs assessment and evidence-based resources for the LREBG may be found on the California Statewide System of Support LREBG Resources web page. The required LREBG needs assessment may be part of the LEAs regular needs assessment for the LCAP if it meets the requirements of *EC* Section 32627(d).

- School districts receiving technical assistance and COEs providing technical assistance are encouraged to use the technical assistance process to support the school district in conducting the required needs assessment, the selection of actions funded by the LREBG and/or the evaluation of implementation of the actions required as part of the LCAP annual update process.
- As a reminder, LREBG funds must be used to implement one or more of the purposes articulated in *EC* Section 32627(c)(2).
- LEAs with unexpended LREBG funds must include one or more actions supported by LREBG funds within the LCAP. For each action supported by LREBG funding the action description must:
  - Identify the action as an LREBG action;
  - Include an explanation of how research supports the selected action;
  - Identify the metric(s) being used to monitor the impact of the action; and
  - Identify the amount of LREBG funds being used to support the action.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC*

Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the "minimum proportionality percentage" or "MPP." The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero ($0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.

- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year**: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

  See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 *CCR* Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***

- **Goal #**: Enter the LCAP Goal number for the action.
- **Action #**: Enter the action's number as indicated in the LCAP Goal.
- **Action Title**: Provide a title of the action.
- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
    - **Scope**: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
    - **Unduplicated Student Group(s)**: Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
    - **Location**: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel**: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- **LCFF Funds**: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
    - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
    - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds**: Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds**: Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds**: This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services**: For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.
    - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

      For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures**: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions**: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
    - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been $169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of $169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant**: Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program,

the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
    - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**
    - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**

- This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on the number and concentration of unduplicated students in the current school year.

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**
  - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**

- If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

  The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- **13. LCFF Carryover — Percentage (12 divided by 9)**

  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding**.** LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources**; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

This template is designed to be used by LEAs who already have completed their LCAP Federal Addendum and received approval from CDE. This template will support LEAs with the review of their LCAP Federal Addendum and revision.

The review and revision of the LCAP Federal Addendum do not need to be submitted to CDE for approval. However, an LEA should have their local Board approve any revisions.

Even if the LEA plans to transfer all of its title funds, it must still address all of the provisions of the title from which it is transferring its funds. The LEA must first meet the application requirements of those funds before it can elect to transfer those funds to another title.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Greatest Progress for All Students:

- The overall student performance in Mathematics and English Language Arts was high.
- The graduation rate for all students was 95.6% for 2024-25.
- PYLUSD College/Career indicator was higher than the state performance level.
- PYLUSD was "Standard Met" for all local indicators on the CA Dashboard.
- Effective targeted intervention programs supported students in ELA and Math.
- There are increased opportunities for students with disabilities to earn high school diplomas and transition to work.
- The Middle School Athletics program was expanded to increase engagement.
- There are expanded Early Learning opportunities with the opening of new preschools and increased inclusion opportunities for students with disabilities.
- CAASPP Interim Assessment Blocks and/or content area common assessments are implemented across all school sites as a means of formative assessment of student progress towards meeting state standards.
- Staff receive continuous training opportunities through the Professional Development offerings throughout the school year.

Areas of Growth for All Students:

- English Learner Progress was Yellow (+1), indicating improvement from the prior year; however, continued focus is needed to accelerate progress toward English proficiency and ensure sustained growth for English Learners.
- Chronic absenteeism remains an area of focus districtwide, with particular attention needed for Long-Term English Learners (LTELs). Attendance challenges among LTELs continue to impact consistent access to instruction, English language development, and academic progress, contributing to lower outcomes in the English Learner Progress indicator.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

The Placentia-Yorba Linda Unified School District (PYLUSD) uses federal funds to supplement and enhance local priorities identified within the district's Local Control and Accountability Plan (LCAP). The LCAP is aligned to California's State Priorities and serves as the foundational framework guiding district services funded through federal, state, and local resources. Through this aligned system of support, PYLUSD continues to strengthen academic achievement, language acquisition, student wellness, family engagement, and equitable access for all students, with targeted focus on English Learners, Long-Term English Learners, Socioeconomically Disadvantaged students, Foster Youth, and other unduplicated pupil groups.

Districtwide outcomes for 2024–25 included Green status in English Language Arts and Mathematics, a Blue graduation rate indicator with a 95.6% graduation rate, and continued implementation of districtwide formative assessment systems, targeted intervention programs, expanded preschool inclusion opportunities, and expanded middle school athletics to increase student engagement and academic success.

Goal 1: PYLUSD will provide innovative, rigorous, and relevant educational experiences that empower students to become responsible, ethical, and contributing citizens.

Actions aligned with federal use of funds include expanding targeted intervention programs, foundational literacy and mathematics support, Career Technical Education pathways, preschool inclusion opportunities, technology access, and innovative academic and extracurricular programs designed to increase student engagement, achievement, and college and career readiness.

Goal 2: PYLUSD will continue to provide the necessary resources, skills, and opportunities for all students to be successful and meet or exceed grade level expectations.

Actions aligned with federal use of funds include:

- 2.2 - Professional development for certificated staff
- 2.4 - Effective CAASPP administration
- 2.5 - Equitable distribution of resources
- 2.6 - Professional development for classified staff

Professional learning systems are aligned to district priorities and include ongoing training in Professional Learning Communities (PLCs), instructional practices, Multi-Tiered System of Support (MTSS), GLAD implementation, integrated and designated ELD, formative assessment practices, and culturally responsive instructional strategies. These systems are designed to create instructional coherence across schools and grade spans while supporting continuous improvement cycles focused on student achievement and equitable outcomes.

Goal 3: PYLUSD will close the academic achievement gap for English Learner (EL) students.

Districtwide EL outcomes demonstrated continued growth during the 2024–25 school year. The English Learner Progress Indicator increased to 51%, exceeding the State average by 4.6

percentage points and maintaining Yellow (+1) status on the California Dashboard. Based on district growth measures, 74.6% of English Learners improved in English Language Arts and 71.8% improved in Mathematics from the prior year. PYLUSD also remained in Full Implementation status for California State Content Standards in ELA/ELD and continued implementation of the district's EL Master Plan.

Actions aligned with federal use of funds include:

- 3.4 - Professional development to assist English Learners with IEPs
- 3.6 - Ensuring equitable access to core and supplemental ELD curriculum
- 3.20 - Ensuring assets-oriented and needs-responsive schools
- 3.21 - Implementation of an English Learner Snapshot

Additional actions support implementation of Project GLAD instructional strategies, integrated and designated ELD, bilingual instructional supports, ELPAC coordination, multilingual family engagement, and targeted progress monitoring systems for English Learners.

Goal 4: PYLUSD will close the achievement gap for Long-Term English Learners (LTELs).

During the 2024–25 school year, 53% of LTEL students made progress on the English Learner Progress Indicator, resulting in Green Dashboard status for LTEL progress. Additionally, 66.8% of LTEL students improved in English Language Arts and 62.4% improved in Mathematics based on district growth measures. PYLUSD continued implementation of targeted LTEL supports through AVID Excel, secondary ELD programs, English 3D curriculum, empathy interviews, student goal-setting structures, and LTEL progress monitoring systems.

Actions aligned with federal use of funds include:

- 4.1 - AVID Excel program
- 4.7 - Engaging with LTELs through empathy interviews and focus groups
- 4.8 - Early intervention for students at-risk for LTEL designation
- 4.9 - Teacher and staff awareness of LTELs
- 4.10 - Structured check-ins with LTELs
- 4.11 - Gathering qualitative insights from LTELs and families of LTELs
- 4.12 - Effective language teaching strategies
- 4.13 - Student-driven goal setting and progress monitoring
- 4.14 - LTEL progress monitoring through the Ellevation forms tool

Despite these improvements, LTEL chronic absenteeism remained in Red status at 22.6%, reinforcing the district's continued focus on attendance monitoring, targeted intervention, relationship-centered engagement practices, and coordinated academic and behavioral supports.

Goal 5: PYLUSD will close the academic achievement gap for Socioeconomically Disadvantaged (SED) students.

Districtwide outcomes for SED students included increased graduation rates, improvement in English Language Arts performance from Orange to Green status, expanded AVID implementation across elementary and secondary schools, expanded mentoring and tutoring supports, continued Family Resource Center services, and districtwide Project GLAD implementation at Title I sites.

Actions aligned with federal use of funds include:

- 5.4: Providing dedicated counseling and wellness support for students experiencing homelessness
- 5.5: Facilitating family literacy and foundational math engagement opportunities
- 5.6: Providing full-time counselors at Title I elementary schools
- 5.7: Expanding transportation supports to address chronic absenteeism
- 5.8: Providing assistant principals at high-impact Title I schools
- 5.9: Expanding AVID supports focused on college and career readiness
- 5.10: Continuing implementation of the Community Engagement Initiative (CEI) to strengthen culturally responsive engagement practices
- 5.11: Maintaining the Title I Parent Advisory Committee to strengthen educational partner engagement and family voice

Additional actions include expanded MTSS systems, mentoring programs, wellness partnerships, attendance monitoring systems, and culturally responsive family engagement opportunities through Disciplina Positiva, PIQE, and Love and Logic. Actions are additionally aligned to Community Schools priorities including integrated student supports, family engagement, collaborative leadership, and expanded learning opportunities.

Goal 6: PYLUSD will close the academic achievement gap for Foster Youth students.

PYLUSD continues to provide targeted academic, behavioral, and wellness supports for Foster Youth students through tutoring, mentoring, trauma-informed practices, and collaborative case management systems. All Foster Youth students are connected with mentoring opportunities and personalized tutoring supports to improve educational stability, attendance, and academic achievement.

Actions aligned with federal use of funds include:

- 6.1: Providing in-district and out-of-district tutoring services
- 6.2: Providing adult mentors at all school sites
- 6.3: Implementing trauma-informed practices and attendance supports
- 6.4: Strengthening collaboration with child welfare agencies and community partners

Goal 7: PYLUSD will close the academic achievement gap for all Unduplicated Pupils through districtwide and schoolwide actions.

Districtwide actions aligned with federal use of funds include:

- 7.20: Providing a comprehensive Multi-Tiered System of Support (MTSS) framework to support academic, behavioral, and social-emotional success
- 7.21: Implementing robust data dashboard and progress monitoring systems to identify and support at-risk students
- 7.23: Utilizing attendance tracking systems and early intervention strategies to reduce chronic absenteeism
- 7.34: Expanding culturally responsive parent engagement opportunities through workshops, advisory committees, and community partnerships
- 7.35: Expanding Dual Language Academy programming to promote bilingualism, biliteracy, and cross-cultural competence

Additional districtwide actions include intervention and wellness supports, PLC collaboration, equitable resource allocation, targeted instructional supports for unduplicated pupil groups, and expanded community partnerships, including OC GRIP, to provide mentoring, wellness, and intervention supports. PYLUSD continues to strengthen instructional coherence and continuous improvement systems through coordinated districtwide implementation of MTSS, GLAD, EL Roadmap principles, and data-informed instructional practices designed to improve outcomes for all unduplicated pupil groups.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP, it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

THIS ESSA PROVISION IS ADDRESSED BELOW:

ESSA Provisions Addressed in the Consolidated Application and Reporting System

An LEA addresses the following ESSA provision as part of completing annual reporting through the Consolidated Application and Reporting System (CARS).

ESSA Provisions Not Addressed in the LCAP

For the majority of LEAs, the ESSA provisions on the following pages do not align with state priorities. **Each provision for each program provided on the following pages must be addressed** unless the provision is not applicable to the LEA. In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP** development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

TITLE I, PART A

Educator Equity

ESSA SECTION 1112(b)(2) – *Not Applicable to Charters and Single School Districts.*

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

THIS ESSA PROVISION IS ADDRESSED BELOW:

The Placentia-Yorba Linda Unified School District (PYLUSD) performs calculations every year to demonstrate that each of their Title I schools are equivalent to Non-Title I schools regarding students being taught by effective and experienced teachers. An annual Title I Comparability Report identifies any existing disparities that result in low-income and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

The **Student to Instructional Staff Ratios - Form D,** of PYLUSD's Comparability Report, is equal to or less than 110% of the average ratio of non-Title I schools. In addition, the annual **Student to Staff Salary Ratios - Form E** shows that PYLUSD also meets compliance requirements.

Additionally, the Human Resources Department uses the California Department of Education's Equity Data Analysis Tools to analyze equity data and identify disparities. Annually, the Human Resources credentialing technician certifies each year the number of teachers not appropriately credentialed or misassigned.

In 2024-2025, PYLUSD certified 100% of teachers throughout the entire district as having met the Every Student Succeeds Act (ESSA) criteria. If disparities should occur in future years, Placentia-Yorba Linda Unified School District staff would conduct a root cause analysis, engage educational partners to solicit feedback in the development of actions and services in order to develop an equitable access strategy.

On November 6, 2019, the SBE approved updated definitions for "ineffective" and "out-of-field" teachers to be included in the amended California ESSA Consolidated State Plan.

Term	Definition
Ineffective teacher	An ineffective teacher is any of the following: • An individual whose assignment is legally authorized by an emergency permit that does not require possession of a full teaching license; or • A teacher who holds a teaching credential but does not possess a permit or authorization that temporarily allows them to teach outside of their credentialed area (misassigned)

	• An individual who holds no credential, permit, or authorization to teach in California. Under this definition, teachers with the following limited emergency permits would be considered ineffective: • **Provisional Internship Permits,** • **Short-Term Staff Permits** • **Variable Term Waivers** • **Substitute permits or Teaching Permits for Statutory Leave (TSPL) holders serving as the teacher of record**
Out-of-field teacher	A credentialed out-of-field teacher is: A credentialed teacher who has not yet demonstrated subject matter competence in the subject area(s) or for the student population to which he or she is assigned. Under this definition, the following limited permits will be considered out of the field: • General Education Limited Assignment Permit (GELAP) • Special Education Limited Assignment Permit (SELAP) • **Short-Term Waivers** • **Emergency English Learner or Bilingual Authorization Permits** • **Local Assignment Options** (except for those made pursuant to the *California Code of Regulations*, Title 5, Section 80005[b])
Inexperienced Teacher	A teacher who has two or fewer years of teaching experience.
Minority Student	A student who is American Indian/Alaska Native, Asian, African American, Filipino, Native Hawaiian/Pacific Islander, Hispanic, or Two or More Races Not Hispanic.
Low-Income Student	A student who is eligible to receive Free or Reduced-Price Meals

Parent and Family Engagement

ESSA SECTIONS 1112(b)(3) and 1112(b)(7)

Describe how the LEA will carry out its responsibility under Section 1111(d).

Describe the strategy the LEA will use to implement effective parent and family engagement under Section 1116.

To meet this requirement, LEAs must provide a description of the following:

ESSA Section 1112(b)(3): how the LEA will carry out its responsibilities under paragraphs (1) and (2) of Section 1111(d);

1. How the LEA will involve parents and family members at identified schools in jointly developing Comprehensive Support and Improvement plans

2. How the LEA will involve parents and family members in identified schools in jointly developing the Targeted Support and Improvement plans
3. In the absence of the identification of any schools for Comprehensive Support and Improvement (CSI) or any schools for Targeted Assistance and Intervention (TSI), the LEA may write N/A. This provision will not be reviewed.

ESSA Section 1112(b)(7): the strategy the LEA will use to implement effective parent and family engagement under Section 1116; shall include how the LEA and its schools will build capacity for parent and family engagement by:

1. Describe the LEA parent and family engagement policy, and how it was developed jointly with, agree on with, and distribute to, parents and family members of participating children a written parent and family engagement policy (ESSA Section 1116(a)).
2. Describe how the LEA will provide assistance to parents of children served by the school or local educational agency, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of this part, and how to monitor a child's progress and work with educators to improve the achievement of their children; (ESSA Section 1116(e)(1))
3. Describe how the LEA will provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement; (ESSA Section 1116(e)(2))
4. Describe how the LEA will educate teachers, specialized instructional support personnel, principals, other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school; (ESSA Section 1116(e)(3))
5. Describe how the LEA will to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children; (ESSA Section 1116(e)(4))
6. Describe how the LEA will ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand (ESSA Section 1116(e)(5))
7. Describe how the LEA will provide such other reasonable support for parental involvement activities as parents may request (ESSA Section 1116(e)(14).
8. Describe how the LEA will provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports in a format and, to the extent practicable, in a language, such parents understand (ESSA Section 1116(f)).

Also, include how the LEA will align parent involvement required in Section 1116 with the LCAP educational partner engagement process.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Community Engagement Initiative, Strategic Visioning, and Equity Transformation

The Placentia-Yorba Linda Unified School District (PYLUSD) makes every effort to seek meaningful parent and family input in decision-making at both the district and school-site levels, including how the district promotes parental participation in programs and services for unduplicated pupil groups. Family and community engagement efforts are aligned to the district's Local Control and Accountability Plan (LCAP), California's Community Engagement Initiative (CEI), the California English Learner Roadmap, Community Schools priorities, and the district's ongoing Strategic Visioning and Planning process designed to collaboratively shape the future priorities, goals, and initiatives of the district.

As part of the district's Strategic Visioning and Planning process, PYLUSD actively engages students, families, staff, community partners, business representatives, local organizations, higher education institutions, and advisory committees through focus groups, surveys, community forums, empathy interviews, and educational partner feedback opportunities to ensure diverse perspectives inform district priorities, continuous improvement efforts, and long-term planning initiatives.

PYLUSD continues to strengthen its commitment to equitable and culturally responsive engagement practices through participation in statewide collaborative initiatives focused on educational equity, transformational leadership, and community-centered systems improvement. As part of this work, the district completed Year 2 participation in the Community Engagement Initiative (CEI) Cohort V in order to strengthen the district's ability and capacity to implement effective, equitable, and relationship-centered engagement practices that elevate the voices and lived experiences of students, families, staff, and community members.

Specific Family and Community Engagement actions identified within the 2024–2027 LCAP include:

- Strengthening ELAC and DELAC partnerships and increasing parental involvement opportunities at all Title I schools;
- Coordinating advisory groups for parents of English Learners to learn about educational programs, language acquisition, reclassification, and program goals and procedures, including expanding DELAC meetings to high-impact school sites;
- Continuing to provide equitable services for Socioeconomically Disadvantaged (SED) students through the Family Resource Center (FRC) by providing McKinney-Vento support staff and coordinated family services;
- Continuing participation in the Orange County Department of Education LTEL Network to strengthen parent engagement practices and support Long-Term English Learners (LTELs);
- Continuing to support and expand the Title I Parent Advisory Committee to ensure the voices of SED families are represented in district decision-making processes;

- Increasing parent engagement through translation services, multilingual communication, family workshops, and parent education opportunities at Title I school sites and districtwide events;
- Expanding culturally responsive parent engagement opportunities through programs such as Disciplina Positiva, Love and Logic, and the Parent Institute for Quality Education (PIQE);
- Continuing implementation of the Community Engagement Initiative (CEI) Cohort V in order to strengthen the district's capacity to implement equitable, culturally responsive, and relationship-centered engagement practices;
- Exploring participation in the California Collaborative for Educational Excellence (CCEE) Street Data & Evidence Community of Practice in partnership with statewide equity and Community Schools initiatives to strengthen the district's use of empathy interviews, focus groups, educational partner voice, and qualitative "street data" practices in order to support equitable systems transformation, culturally responsive engagement, and continuous improvement efforts aligned to CEI, LTEL supports, Community Schools planning, and the district's Strategic Visioning process;
- Conducting empathy interviews, family focus groups, and educational partner feedback opportunities to better understand the experiences, strengths, and needs of multilingual families, LTEL families, and unduplicated pupil groups.

These services support targeted parent education, professional learning, and coordinated family and community engagement efforts aligned to school needs, district goals, and continuous improvement practices. Through collaboration between Educational Services, Student Support Services, school sites, and community partners, district staff work directly with families to strengthen communication, increase educational partner participation, and build trusting relationships that support student success.

As part of this work, district and site staff:

- Facilitate and support parent advisory committees including ELAC, DELAC, SSC, CAC, PYLUC, the Title I Parent Advisory Committee, and other educational partner groups;
- Provide professional development and training opportunities for parents and school staff;
- Organize community outreach and culturally responsive engagement opportunities;
- Support community and parent volunteer activities;
- Conduct educational partner feedback sessions connected to LCAP development, SPSA development, Strategic Visioning and Planning, and continuous improvement efforts;
- Utilize qualitative "street data" collection strategies, including empathy interviews, focus groups, listening sessions, and community-based evidence gathering practices to better understand the lived experiences of students, families, and educational partners in order to strengthen equitable decision-making and continuous improvement systems;
- Expand access to district programs, workshops, and services through multilingual communication systems and translation support.

PYLUSD also provides required parent notifications, outreach services, and information regarding district programs and services available throughout the community. Annual Title I meetings are

conducted at all Title I schools, including training related to School-Parent Compacts, School Site Council responsibilities, and educational partner engagement requirements. Student progress reports are provided regularly at the elementary and secondary levels, and parent-teacher conferences are held annually and additionally as needed to support student achievement and family-school partnerships.

The district's Strategic Visioning and Planning process further supports these efforts by ensuring transparency, accountability, and ongoing educational partner participation through community forums, surveys, focus groups, and multilingual engagement opportunities that include interpretation services and childcare support to increase accessibility for families.

To further support parent and family engagement as part of the Title I Parent Advisory Committee process, PYLUSD implements the following practices:

- Assisting parents in understanding academic standards, assessments, student progress monitoring systems, and Title I program requirements;
- Supporting ongoing meaningful two-way communication through ParentSquare/email systems, Aeries Parent Portal access, district and school websites, and multilingual communication platforms;
- Building the capacity of parents, families, teachers, administrators, and school staff to develop strong partnerships focused on student success;
- Providing professional learning to teachers and administrators regarding the value and utility of family engagement and educational partner voice;
- Ensuring informed participation opportunities for parents with limited English proficiency, parents with disabilities, and families of migratory, homeless, foster youth, and unduplicated pupil groups;
- Expanding access to workshops, trainings, advisory meetings, and district resources through interpretation services, translated materials, and flexible participation opportunities.

These efforts support the district's ongoing commitment to fostering inclusive, collaborative, and culturally responsive partnerships with families and the broader community in order to improve student outcomes, strengthen educational equity, and inform the district's long-term strategic priorities.

Describe how the LEA developed jointly with, agreed on with, and distributed to, parents and family members of participating children, a written parent and family engagement policy.

Parent and Family Engagement Policy Development

The Placentia-Yorba Linda Unified School District (PYLUSD) developed its Parent and Family Engagement Policy jointly with parents, family members, school staff, and educational partners through a collaborative process aligned to the district's Local Control and Accountability Plan (LCAP), Community Engagement Initiative (CEI), Strategic Visioning and Planning process, and Title I requirements. PYLUSD proactively provided ample notice and multiple opportunities for educational partners to participate in the input-gathering and policy development process through meetings, surveys, advisory committees, community forums, focus groups, and school-site engagement opportunities.

Educational partner input meetings connected to the LCAP development process included participation from students, families, staff, administrators, community members, and advisory groups representing unduplicated pupil populations. Parent and family engagement feedback was gathered through School Site Councils (SSC), English Learner Advisory Committees (ELAC), District English Learner Advisory Committee (DELAC), PTA/PTO groups, the Title I Parent Advisory Committee, Community Advisory Committee (CAC), and additional educational partner groups.

The Parent and Family Engagement Policy was reviewed annually by School Site Councils at all Title I schools and formally adopted each school year. PYLUSD continues to implement an ongoing cycle of review, evaluation, and revision for the 2024–2027 LCAP cycle to ensure the policy remains responsive to the evolving needs of students, families, and the broader community. This cycle includes:

- Review Years: Parent involvement groups including SSC, PTA/PTO, ELAC, DELAC, and other educational partner groups review the policy and provide recommendations and input regarding family engagement practices, communication systems, accessibility, and educational priorities.
- Rewrite Years: A representative team of stakeholders, including families, students, staff, advisory committee members, and community partners, collaboratively revise and update the Parent and Family Engagement Policy to ensure alignment with district priorities, educational partner feedback, and continuous improvement efforts.

As part of the district's commitment to culturally responsive and relationship-centered engagement practices, PYLUSD continues to strengthen the use of empathy interviews, focus groups, listening sessions, multilingual communication systems, and educational partner feedback opportunities to better understand the experiences and needs of students and families, particularly multilingual families, Long-Term English Learner (LTEL) families, Foster Youth families, and Socioeconomically Disadvantaged (SED) families.

The district's Strategic Visioning and Planning process further supports the development and refinement of the Parent and Family Engagement Policy by engaging educational partners through surveys, community forums, focus groups, and collaborative planning opportunities designed to ensure district priorities reflect the voices and perspectives of the broader PYLUSD community.

Additionally, PYLUSD recognizes the importance of integrated student supports, family engagement, and collaborative community partnerships in strengthening student outcomes and educational equity. As part of this work, the district continues exploring opportunities aligned to the California Community Schools Partnership Program (CCSPP) to further expand family engagement, mental health and wellness services, community partnerships, and wraparound supports designed to address barriers to student success. Through a community schools approach, PYLUSD seeks to strengthen systems that support the whole child, whole family, and whole community while creating sustainable structures that improve school climate, student achievement, attendance, and family partnerships districtwide.

The finalized Parent and Family Engagement Policy is distributed annually to parents and family members of participating students through school and district websites, parent meetings, Title I annual meetings, school handbooks, multilingual communication systems, and additional outreach efforts to ensure accessibility for all families, including families with limited English proficiency and families of students with disabilities..

Describe how the LEA will aid parents of children served by the school or local educational agency, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of this part, and how to monitor a child's progress and work with educators to improve the achievement of their children.

Building Parent Capacity and Understanding of Academic Standards and Student Progress

The Placentia-Yorba Linda Unified School District (PYLUSD) supports parents and family members in understanding California's challenging academic standards, state and local assessments, Title I program requirements, and strategies for monitoring student progress and working collaboratively with educators to improve student achievement. Through ongoing communication, parent education opportunities, multilingual resources, and educational partner engagement structures, the district works to ensure families are informed, empowered, and actively engaged in supporting student success.

PYLUSD provides families with access to information regarding California Common Core State Standards (CCSS), California English Language Development (ELD) Standards, graduation and promotion requirements, district curriculum, and student assessment systems through the district website, school websites, parent meetings, workshops, and school handbooks. Families are provided access to the district's Common Core and curriculum resources, School Accountability Report Cards (SARCs), and student handbooks in multiple languages, including English and

Spanish, to increase accessibility and understanding of academic expectations and school programs.

The district provides timely parent notifications and informational resources regarding state and local assessments, including the California Assessment of Student Performance and Progress (CAASPP), English Language Proficiency Assessments for California (ELPAC), local benchmark assessments, and district progress monitoring systems. Parents are informed about testing windows, assessment expectations, student performance levels, and available support services through ParentSquare communications, school newsletters, websites, multilingual outreach, and parent information meetings.

PYLUSD also supports parents in monitoring student progress through the Aeries Parent Portal, teacher communication systems, progress reports, report cards, and parent-teacher conferences. Families receive regular updates regarding student attendance, grades, assessment results, course schedules, graduation progress, and intervention supports. Teachers and school staff work collaboratively with families throughout the school year to discuss academic progress, student needs, available interventions, and strategies to support learning at home and at school.

At the beginning of each school year, families are provided access to school handbooks, course expectations, student schedules, promotion and graduation requirements, and information regarding available academic and wellness supports. During Back-to-School Night and additional family engagement events, teachers and administrators provide guidance regarding curriculum, instructional expectations, assessment systems, and opportunities for parent involvement and educational partner participation.

To further strengthen family-school partnerships and parent capacity, PYLUSD provides workshops, trainings, and educational opportunities focused on literacy, mathematics, language development, college and career readiness, digital literacy, and social-emotional wellness. The district also continues to expand culturally responsive parent engagement opportunities through programs such as the Parent Institute for Quality Education (PIQE), Disciplina Positiva, Love and Logic, DELAC, ELAC, and the Title I Parent Advisory Committee.

Parents are encouraged to actively participate in school governance and educational partner groups, including School Site Council (SSC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), PTA/PTO organizations, and other advisory committees. These opportunities allow families to engage in shared decision-making processes, provide input regarding district priorities, and strengthen collaboration between schools, families, and the community.

Additionally, PYLUSD continues to strengthen multilingual communication systems, translation services, interpretation support, and flexible engagement opportunities to ensure equitable access for parents with limited English proficiency, parents with disabilities, and families representing unduplicated pupil groups. These efforts support the district’s commitment to fostering meaningful

family engagement and building the capacity of parents and educators to work collaboratively in support of improved student outcomes and educational equity districtwide.

Describe how the LEA will provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement.

Building Parent Capacity Through Training, Technology, and Family Support Resources

The Placentia-Yorba Linda Unified School District (PYLUSD) provides parents and family members with materials, resources, and training opportunities designed to strengthen their ability to support student learning, academic achievement, digital literacy, and overall student success. Through coordinated family engagement efforts, multilingual communication systems, workshops, and ongoing parent education opportunities, the district works to build the capacity of families to actively participate in their child's education and collaborate effectively with school staff.

PYLUSD provides families with information and guidance regarding district technology expectations, digital citizenship, internet safety, and responsible technology use through the PYLUSD Student Handbook, Parent Handbook, school websites, parent meetings, and district communication systems. Families are informed about the appropriate use of educational technology, online learning platforms, and student devices, including education regarding digital safety, responsible technology practices, and the harms associated with copyright piracy and misuse of digital resources.

Parents are provided access to and training on various digital platforms utilized throughout the district, including the Aeries Parent Portal, instructional technology applications, communication platforms, and online learning resources. Families receive support in accessing student grades, attendance records, progress reports, assessment information, schedules, and communication tools through Aeries and other district-supported systems. District and site staff provide ongoing assistance to parents related to account access, technology navigation, and digital communication systems in order to increase family engagement and improve communication between home and school.

To further support student achievement, PYLUSD offers parent workshops, trainings, and educational opportunities focused on literacy, mathematics, language development, college and career readiness, wellness, and strategies families can utilize at home to support student learning. Parent education opportunities are provided through school sites, district programs, the Family Resource Center (FRC), DELAC, ELAC, Title I Parent Advisory Committee meetings, and programs such as the Parent Institute for Quality Education (PIQE), Disciplina Positiva, and Love and Logic.

The district website also provides families with access to a wide range of resources related to academics, safety, mental health and wellness, technology support, attendance, family services, and community resources. PYLUSD continues to expand multilingual communication systems and translation support to ensure equitable access to information and services for families with limited English proficiency and families representing unduplicated pupil groups.

Additionally, inquiries regarding services and supports for Foster Youth and students experiencing homelessness are coordinated through the PYLUSD Foster Youth and McKinney-Vento Liaison located at the Family Resource Center. The Family Resource Center provides families with access to educational resources, wellness supports, community referrals, attendance support, and wraparound services designed to remove barriers to student success and strengthen family-school partnerships.

These efforts support PYLUSD's ongoing commitment to building the capacity of parents and family members to work collaboratively with educators, utilize technology effectively, support learning at home, and actively engage in their child's educational experience in order to improve student achievement and educational equity districtwide.

Describe how the LEA will educate teachers, specialized instructional support personnel, principals, other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school.

Building Staff Capacity for Meaningful Family Engagement

The Placentia-Yorba Linda Unified School District (PYLUSD) recognizes that strong family-school partnerships are essential to improving student achievement, educational equity, school connectedness, and overall student well-being. PYLUSD works collaboratively with families, community organizations, educational partners, and school staff to build meaningful relationships and strengthen culturally responsive engagement practices across all schools and programs.

The district provides ongoing opportunities for teachers, specialized instructional support personnel, administrators, and other school staff to strengthen their understanding of the value and importance of family engagement and educational partner voice. Through collaboration with parents, advisory committees, and community organizations, staff are supported in developing strategies to effectively communicate with families, build trusting relationships, and engage parents as equal partners in the educational process.

As part of this work, PYLUSD facilitates parent workshops, quarterly School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, DELAC meetings, Title I Parent Advisory Committee meetings, educational partner forums, and parent information nights

throughout the school year. These opportunities allow families and staff to collaborate around student achievement, school programs, family engagement practices, safety and wellness initiatives, and district priorities.

The district also continues implementation of the Community Engagement Initiative (CEI) and culturally responsive engagement practices designed to strengthen communication, collaboration, and relationship-centered systems throughout the district. Staff participate in professional learning opportunities focused on educational partner engagement, culturally responsive communication, empathy interviews, continuous improvement practices, and strategies for building meaningful partnerships with families and the broader community.

PYLUSD utilizes multiple communication systems to ensure families receive timely, accessible, and multilingual information regarding school events, programs, and opportunities for involvement. ParentSquare, Blackboard Connect, Peachjar, district and school websites, social media platforms, and the Aeries Parent Portal are utilized to communicate with families in multiple languages, including English and Spanish, regarding events such as Open House, Back-to-School Night, parent-teacher conferences, workshops, advisory meetings, and community engagement opportunities.

District and school staff also work collaboratively with parents and community organizations to coordinate parent programs, volunteer opportunities, family engagement events, and school-community partnerships that strengthen connections between families and schools. Through the district's Strategic Visioning and Planning process, educational partner feedback opportunities, and community engagement efforts, PYLUSD continues to build structures that elevate parent voice and foster collaborative decision-making processes aligned to student success and continuous improvement goals.

Additionally, the district continues to strengthen ties between schools and families through the Family Resource Center (FRC), multilingual outreach efforts, interpretation and translation services, community partnerships, and targeted support programs for English Learners, Long-Term English Learners (LTELs), Foster Youth, students experiencing homelessness, and other unduplicated pupil groups.

These efforts support the district's commitment to ensuring parents and families are valued as essential educational partners and that staff are equipped with the skills, knowledge, and resources necessary to foster inclusive, collaborative, and culturally responsive family-school partnerships districtwide.

Describe how the LEA will to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other Federal, State, and Local programs, including public preschool programs, and conduct other activities, such as parent resource centers that encourage and support parents in more fully participating in the education of their children.

Coordination and Integration of Parent and Family Engagement Programs

The Placentia-Yorba Linda Unified School District (PYLUSD) coordinates and integrates parent and family engagement programs and activities with federal, state, and local initiatives in order to strengthen educational partnerships, support the whole child, and increase family participation in the education of their children. Through collaboration between Educational Services, Student Support Services, school sites, preschool programs, advisory committees, and community partners, PYLUSD works to provide families with meaningful opportunities to engage in their child's educational experience and access resources that support academic success, wellness, and family stability.

Teachers and school staff maintain ongoing communication with families and provide numerous opportunities for parents to participate in educational partner meetings, workshops, school activities, advisory committees, and districtwide engagement opportunities. Families are encouraged to participate in School Site Council (SSC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), PTA/PTO organizations, the Title I Parent Advisory Committee, and additional educational partner groups in order to strengthen collaboration and provide input regarding programs and supports for students and families.

PYLUSD also encourages family participation in schoolwide activities and student recognition programs, including Student Appreciation Assemblies, Open House, Back-to-School Night, parent-teacher conferences, wellness events, literacy and mathematics nights, and community engagement activities designed to strengthen school-family partnerships and celebrate student achievement.

The district coordinates parent involvement efforts with public preschool programs, expanded learning opportunities, intervention programs, Family Resource Center (FRC) services, and community-based organizations to support seamless transitions and continuity of services for students and families. Each Title I elementary school includes a State Preschool program designed to provide developmentally appropriate, linguistically responsive, and culturally inclusive learning experiences that support early learning and school readiness.

Preschool classrooms provide learning environments rich in developmentally, linguistically, and culturally appropriate materials and meaningful activities that encourage children to make choices, self-initiate, explore, experiment, and actively construct knowledge through hands-on learning experiences. Teachers facilitate respectful, responsive, and reciprocal interactions within caring and nurturing environments where children feel safe, supported, respected, and valued.

As facilitators of learning, teachers guide students in developing critical thinking, communication, creativity, and social-emotional skills through opportunities that include conversations, group discussions, exploration, movement, art, music, dramatic play, construction activities, writing, and

collaborative learning experiences. These practices support the district's commitment to whole-child development and culturally responsive instructional environments.

In addition to supporting students, preschool and elementary staff work collaboratively with families to strengthen parent understanding of child development, school readiness, attendance, health and safety practices, and available community resources. Families are provided access to parent education opportunities, wellness resources, literacy supports, technology support, and referrals to community-based services through school sites and the Family Resource Center (FRC).

PYLUSD also coordinates parent engagement and family support services through programs and initiatives including:

- Community Engagement Initiative (CEI);
- Family Resource Center (FRC) services;
- McKinney-Vento and Foster Youth supports;
- Parent Institute for Quality Education (PIQE);
- Disciplina Positiva and Love and Logic parent workshops;
- Community Schools planning efforts;
- Multilingual family engagement and translation services;
- Preschool and transitional kindergarten programs;
- Wellness and mental health supports;
- Expanded learning and intervention programs.

Through these coordinated efforts, PYLUSD continues to strengthen systems that support the academic, social-emotional, behavioral, and wellness needs of students and families while increasing family participation, educational partner voice, and equitable access to district programs and services. These efforts reflect the district's commitment to fostering collaborative relationships with families and creating inclusive school communities where all students and families are supported and empowered to thrive.

Describe how the LEA will ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand.

Accessible Communication and Multilingual Family Outreach

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to ensuring that information related to school programs, parent meetings, educational opportunities, district initiatives, and family engagement activities is communicated to families in formats and languages that are understandable, accessible, and responsive to the needs of the diverse PYLUSD community. The district utilizes multiple communication systems, translation services, multilingual outreach practices, and family engagement strategies to ensure parents and guardians receive

timely and meaningful information regarding their child's education and available school and district resources.

PYLUSD provides all families with annual parent notifications, district handbooks, school handbooks, and additional informational materials in both English and Spanish, with translation and interpretation support available for additional languages as needed. Families receive information regarding district programs, student expectations, academic supports, attendance requirements, health and safety procedures, educational rights, and parent engagement opportunities through a variety of communication methods designed to increase accessibility and family participation.

The district utilizes ParentSquare, Blackboard Connect, Peachjar, district and school websites, social media platforms, phone messaging systems, email communications, newsletters, mailers, and the Aeries Parent Portal to communicate important information regarding school programs, meetings, workshops, parent conferences, assessment schedules, student activities, and district initiatives. Communications are provided in multiple languages whenever practicable in order to ensure equitable access for multilingual families and families with limited English proficiency.

In addition to school and district communications, PYLUSD provides regular districtwide updates through weekly parent messages and newsletters designed to inform families of important announcements, upcoming events, student opportunities, and highlights celebrating the accomplishments and "Good News" occurring throughout the district and school communities. These communications help strengthen school-family partnerships and promote ongoing engagement with district programs and initiatives.

PYLUSD also provides interpretation and translation services during parent meetings, advisory committee meetings, workshops, conferences, and district events in order to support meaningful participation for all families. Educational partner engagement opportunities including School Site Council (SSC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), Title I Parent Advisory Committee meetings, LCAP forums, Strategic Visioning sessions, and community engagement events are structured to encourage inclusive participation and accessible communication practices.

To further support accessibility and family engagement, district and site staff assist parents with accessing digital communication platforms, navigating the Aeries Parent Portal, understanding district communications, and utilizing technology tools necessary to remain connected to their child's educational experience. Families are also provided with translated materials, interpretation support, multilingual workshops, and flexible participation opportunities to increase access to information and educational partner involvement.

These efforts reflect PYLUSD's ongoing commitment to fostering inclusive, culturally responsive, and equitable communication systems that strengthen relationships between schools, families, and the community while ensuring all parents have meaningful opportunities to participate in their child's education and school community.

Describe how the LEA will provide such other reasonable support for parental involvement activities as parents may request.

The LEA provides reasonable support to parent requests for involvement. Ongoing communication with parents for opportunities to participate in various educational partner meetings and formal committees encourage input to increase support for students and families. All activities are held in English and Spanish. PYLUSD staff will hold various parent involvement opportunities throughout the year to provide parents academic and social support for their children.

Describe how the LEA will provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports in a format and, to the extent practicable, in a language such parents understand.

PYLUSD's annual notification is printed in English and Spanish. PYLUSD staff members are available to interpret into Spanish, if necessary, at all SSC, ELAC, District English Language Advisory Committee (DELAC), Individualized Educational Program (IEP), Section 504 or any other counseling meetings. All PYLUSD campuses are ADA-compliant and accessible by all students and parents with disabilities and mobility issues. All school reports including LCAP and SARC are printed and translated into Spanish.

Describe how the LEA will align parent involvement required in this section with the LCAP Educational partners engagement process.

Alignment of Parent and Family Engagement with the LCAP Educational Partner Engagement Process

The Placentia-Yorba Linda Unified School District (PYLUSD) aligns parent and family engagement requirements under Title I with the district's Local Control and Accountability Plan (LCAP) Educational Partner Engagement process in order to ensure families, students, staff, and community members have meaningful opportunities to participate in district decision-making and continuous improvement efforts. Parent involvement and educational partner engagement are ongoing processes embedded throughout the district's 2024–2027 LCAP development, implementation, monitoring, and evaluation cycle.

During the 2024–25 school year, PYLUSD students, families, staff, and community members were provided multiple opportunities to offer input and feedback through both formal and informal engagement opportunities. Formal educational partner meetings included designated LCAP input meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, District English Learner Advisory Committee (DELAC) meetings, Title I Parent Advisory Committee (PAC) meetings, Strategic Visioning sessions, and additional district and school-site engagement opportunities. Many meetings were offered virtually through platforms such as Zoom in

order to increase accessibility and participation for families and educational partners.

At the conclusion of educational partner meetings, participants were provided opportunities to submit additional feedback regarding LCAP goals, actions, services, and district priorities through surveys, feedback forms, discussion protocols, focus groups, and educational partner reflection opportunities. In addition, parents, students, teachers, administrators, and community members participated in the district's annual Educational Partner Survey to provide districtwide input regarding academic programs, school climate, communication, family engagement, wellness supports, and continuous improvement priorities. Survey results and educational partner feedback were analyzed and utilized to inform LCAP development, district planning efforts, and school improvement processes.

PYLUSD continues to strengthen alignment between Title I parent involvement requirements and the LCAP engagement process through implementation of culturally responsive and relationship-centered engagement practices connected to the Community Engagement Initiative (CEI), Strategic Visioning and Planning process, and ongoing continuous improvement efforts. These practices include empathy interviews, educational partner feedback cycles, focus groups, listening sessions, and collaborative planning opportunities designed to elevate educational partner voice and better understand the lived experiences and needs of students and families.

The district also aligns family engagement efforts with district priorities related to English Learners, Long-Term English Learners (LTELs), Foster Youth, Socioeconomically Disadvantaged students, Community Schools planning, and Multi-Tiered System of Support (MTSS) implementation. Educational partner feedback gathered through LCAP engagement processes helps guide district actions related to academic interventions, attendance supports, mental health and wellness services, multilingual communication systems, family engagement opportunities, and equitable access to programs and resources.

To ensure equitable participation, PYLUSD provides multilingual communication systems, interpretation services, translated materials, flexible meeting formats, and multiple opportunities for input through both in-person and virtual engagement opportunities. These efforts support the district's commitment to fostering transparent, collaborative, and inclusive decision-making processes that strengthen educational equity and improve outcomes for all students..

Schoolwide Programs, Targeted Support Programs, and Programs for Neglected or Delinquent Children

ESSA SECTIONS 1112(b)(5) and 1112(b)(9)

Describe, in general, the nature of the programs to be conducted by the LEA's schools under sections 1114 and 1115 and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

Describe how teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a targeted assistance school program under Section 1115, will identify the eligible children most in need of services under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Schoolwide Programs, Targeted Support Programs, and Programs for Neglected or Delinquent Children

ESSA SECTIONS 1112(b)(5) and 1112(b)(9)

The Placentia-Yorba Linda Unified School District (PYLUSD) implements comprehensive Schoolwide Programs and Targeted Support Programs designed to improve academic achievement, strengthen educational equity, and support the social-emotional and wellness needs of all students, particularly unduplicated pupil groups and students identified as most at-risk for academic underperformance. District and school programs are aligned to the goals and actions outlined within the Local Control and Accountability Plan (LCAP), School Plan for Student Achievement (SPSA), California Dashboard indicators, Community Engagement Initiative (CEI), and Multi-Tiered System of Support (MTSS) framework.

Each Title I Schoolwide Program annually conducts a comprehensive needs assessment utilizing multiple measures of state and local data, educational partner feedback, surveys, attendance data, academic performance indicators, student climate data, and resource allocation analyses. Schools also utilize the Resource Equity Diagnostic self-assessment tool and the DIY Resource Equity Analysis process to examine strengths and areas of growth across multiple dimensions of educational equity. These processes support collaborative analysis and shared understanding regarding student needs, instructional systems, school climate, resource allocation, and equitable access to academic and behavioral supports.

Comprehensive needs assessment processes involve collaboration among Site Leadership Teams, district support staff, School Site Councils (SSC), English Learner Advisory Committees (ELAC), advisory groups, educational partners, and community members. Through these collaborative structures, schools analyze state and local data to evaluate the effectiveness of SPSA goals, actions, expenditures, and intervention supports in improving student achievement and school outcomes.

During the SPSA Annual Review process, schools compare planned goals, actions, and expenditures with actual implementation outcomes and student performance results. This analysis informs revisions to SPSA goals, actions, services, and resource allocations to better meet the identified academic, behavioral, social-emotional, attendance, and wellness needs of students. School Plan goals remain aligned to district LCAP priorities and state and local accountability metrics, including student achievement, attendance, English Learner progress, graduation rates, and college and career readiness indicators.

The goals and actions within each SPSA are designed to support the academic achievement, language development, behavioral supports, wellness needs, and social-emotional well-being of students while also strengthening family engagement and educational partner participation. School plans identify and address resource inequities through review of district and school-level budgets, staffing allocations, intervention supports, attendance data, academic outcomes, and continuous improvement processes.

Federal, state, and local funds allocated to schools are coordinated and integrated within each SPSA to support evidence-based practices and comprehensive school improvement efforts.

Schoolwide and targeted support activities may include:

- Personnel to support evidence-based academic and behavioral interventions;
- Instructional coaches and Academic Support Teachers (ASTs) to strengthen instructional capacity;
- Intervention teachers and supplemental instructional programs;
- Expanded learning and extended learning opportunities;
- Supplemental instructional materials and educational technology;
- AVID and college and career readiness programs;
- Project GLAD implementation and language development supports;
- MTSS, PBIS, attendance intervention, and wellness supports;
- Counseling, mental health, and Family Resource Center services;
- Professional learning opportunities to strengthen instructional practices, culturally responsive teaching, and content knowledge;
- Programs designed to provide students with access to a well-rounded education.

Goals and actions identified within the SPSA are monitored throughout the school year by Site Leadership Teams, district support teams, advisory committees, and School Site Councils to ensure ongoing evaluation, accountability, and continuous improvement.

Students identified as most at-risk are provided targeted academic interventions, language development support, counseling and wellness services, attendance interventions, mentoring opportunities, extended learning supports, and additional evidence-based services aligned to their identified needs. Special attention is given to supporting English Learners, Long-Term English Learners (LTELs), Foster Youth, students experiencing homelessness, Socioeconomically Disadvantaged students, and students attending Additional Targeted Support and Improvement (ATSI) schools.

Additionally, PYLUSD coordinates support services and community partnerships through the Family Resource Center (FRC), Community Engagement Initiative (CEI), Community Schools planning efforts, and wellness support programs to strengthen family-school partnerships, increase educational partner voice, and remove barriers to student success.

Through these coordinated efforts, PYLUSD continues to strengthen equitable access to rigorous instruction, intervention supports, culturally responsive learning environments, and comprehensive systems of support designed to improve outcomes for all students.

Homeless Children and Youth Services

ESSA SECTION 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act (42 United States Code 11301 et seq.).

THIS ESSA PROVISION IS ADDRESSED BELOW:

Homeless Children and Youth Services

ESSA SECTION 1112(b)(6)

The Placentia-Yorba Linda Unified School District (PYLUSD) provides comprehensive support services to children and youth experiencing homelessness in order to ensure educational stability, immediate enrollment, consistent attendance, academic success, and equitable access to school programs and services. In coordination with the McKinney-Vento Homeless Assistance Act, the district provides targeted supports and services through the Family Resource Center (FRC), district McKinney-Vento Liaison, Student Support Services, school site staff, and community partnerships designed to remove barriers to student success and strengthen school-family connections.

PYLUSD provides dedicated staffing support through a district McKinney-Vento Liaison and program support staff who oversee identification, enrollment, transportation coordination, case management, attendance support, academic monitoring, and community referrals for students and families experiencing homelessness. These staff members work collaboratively with schools, families, community organizations, and outside agencies to ensure students receive timely access to educational programs, intervention services, wellness supports, and other resources necessary to support school success and stability.

The district's McKinney-Vento Homeless Education Program supports:

- Immediate enrollment for students experiencing homelessness in either their School of Origin or School of Residence;
- Advocacy for educational stability by allowing students to remain in their school of origin despite housing transitions or multiple moves during the school year;
- Direct collaboration with school site staff and families to support enrollment and placement decisions based on the student's best interests;
- Coordination of transportation services to maintain educational continuity and school stability;
- Academic monitoring and case management support for students and families;
- Assistance with school attendance, engagement, and access to intervention supports.

To support attendance and educational success, PYLUSD provides transportation services for eligible students to remain in their school of origin, including district transportation and bus pass support for students and families whenever appropriate. Additional supports may include:

- Distribution of backpacks, school supplies, hygiene kits, clothing, socks, shoes, and other essential items;
- Referrals to food assistance programs, wellness services, counseling supports, and community-based resources;
- Tutoring resources, intervention supports, and expanded learning opportunities;
- Access to mental health and social-emotional wellness supports;
- Assistance connecting families to housing, medical, and community services through the Family Resource Center (FRC) and community partnerships.

District staff also provide direct outreach services to residences, shelters, hotels/motels, schools, and community locations to assist students and families in accessing educational services, community supports, and district resources. Program materials and information regarding homeless

education rights and available services are provided in English and Spanish, with additional interpretation and translation support available as needed to ensure meaningful access for multilingual families.

PYLUSD coordinates homeless services with additional district programs and initiatives including Foster Youth services, counseling and wellness supports, MTSS systems, Community Engagement Initiative (CEI) practices, attendance intervention programs, Community Schools planning efforts, and family engagement initiatives in order to provide integrated and comprehensive supports for students and families experiencing homelessness.

The district also continues to provide multi-tiered support services for Foster Youth students in order to maintain educational stability, improve attendance, strengthen academic achievement, and support social-emotional well-being. Coordination between McKinney-Vento services, Foster Youth supports, counseling services, school site staff, and community agencies helps ensure students receive individualized support aligned to their educational and wellness needs.

Through these coordinated efforts, PYLUSD remains committed to removing barriers to enrollment, attendance, and academic success for students experiencing homelessness while ensuring students and families have equitable access to safe, supportive, and inclusive educational environments..

Student Transitions

ESSA SECTIONS 1112(b)(8) and 1112(b)(10) (A–B)

Describe, if applicable, how the LEA will support, coordinate, and integrate services provided under this part with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.

Describe, if applicable, how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including:

(A) through coordination with institutions of higher education, employers, and other local partners; and

(B) through increased student access to early college high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Student Transitions

ESSA SECTIONS 1112(b)(8) and 1112(b)(10)(A–B)

The Placentia-Yorba Linda Unified School District (PYLUSD) supports coordinated and effective student transitions across all grade spans through collaboration between schools, families, early

childhood programs, counseling staff, community partners, institutions of higher education, and career pathway programs. Transition supports are designed to strengthen academic readiness, social-emotional wellness, family engagement, and equitable access to educational opportunities while ensuring students and families experience continuity and support throughout their educational journey.

Transition to Elementary School Programs

PYLUSD elementary schools, including Title I schools and State Preschool programs, provide transitional opportunities for students and families prior to entry into Transitional Kindergarten (TK) and Kindergarten. Elementary schools host spring orientation programs, school readiness activities, family information nights, and campus visits to support successful transitions into elementary school. These orientation and onboarding opportunities provide students and families with information regarding academic expectations, attendance, school routines, health and safety procedures, and available student supports.

The district's preschool and early childhood programs provide developmentally appropriate, linguistically responsive, and culturally inclusive learning experiences designed to support school readiness and whole-child development. Preschool staff collaborate with elementary schools and families to support smooth transitions into TK and Kindergarten while strengthening parent understanding of child development, attendance, literacy, and early learning expectations.

PYLUSD also conducts outreach and re-engagement efforts prior to the beginning of each school year to reconnect with families, support student enrollment, and prioritize outreach to students identified as at-risk for chronic absenteeism or disengagement from school.

Transition to Middle School Programs

District elementary students are provided opportunities to participate in middle school and junior high transition activities during the spring and summer months. Middle schools and junior high schools host orientation events, welcome activities, parent information nights, student tours, and registration opportunities designed to familiarize students and families with campus programs, schedules, academic expectations, extracurricular activities, and student support services.

School counselors, administrators, teachers, and support staff collaborate with feeder elementary schools to review student data, discuss placement needs, identify intervention supports, and ensure students receive appropriate academic, behavioral, language development, and wellness supports as they transition to secondary programs. Additional transition supports may be provided for English Learners, Long-Term English Learners (LTELs), Foster Youth, students experiencing homelessness, students with disabilities, and students identified through MTSS intervention processes.

Transition to High School Programs

Exiting eighth-grade students are provided opportunities to transition into one of the district's four comprehensive high schools. High schools establish orientation activities, course selection timelines, registration processes, and student scheduling opportunities in collaboration with feeder middle and junior high schools. Families receive information regarding graduation requirements, college and career pathways, Career Technical Education (CTE) programs, Advanced Placement

(AP) opportunities, extracurricular activities, intervention supports, and student services.

PYLUSD schools communicate transition information to families through parent meetings, orientation events, counseling presentations, websites, multilingual communication systems, and district outreach efforts. Middle and high school staff collaborate to share student data, review placement information, and support accurate course scheduling and intervention planning to ensure students are appropriately placed and supported as they transition into high school programs.

Additional transition supports may include:

- Summer bridge and orientation opportunities;
- AVID and AVID Excel transition supports;
- Counseling and academic planning services;
- MTSS and intervention supports;
- Attendance and wellness supports;
- Student leadership and peer mentoring opportunities;
- English Learner and LTEL support services.

Transition to Postsecondary Education and Career Pathways

PYLUSD continues to strengthen college and career readiness opportunities through collaboration with institutions of higher education, business and community partners, Career Technical Education (CTE) programs, and regional workforce initiatives. The district provides students with access to college and career exploration opportunities, counseling services, career pathway programs, and postsecondary planning supports designed to help students identify their interests, strengths, and future goals.

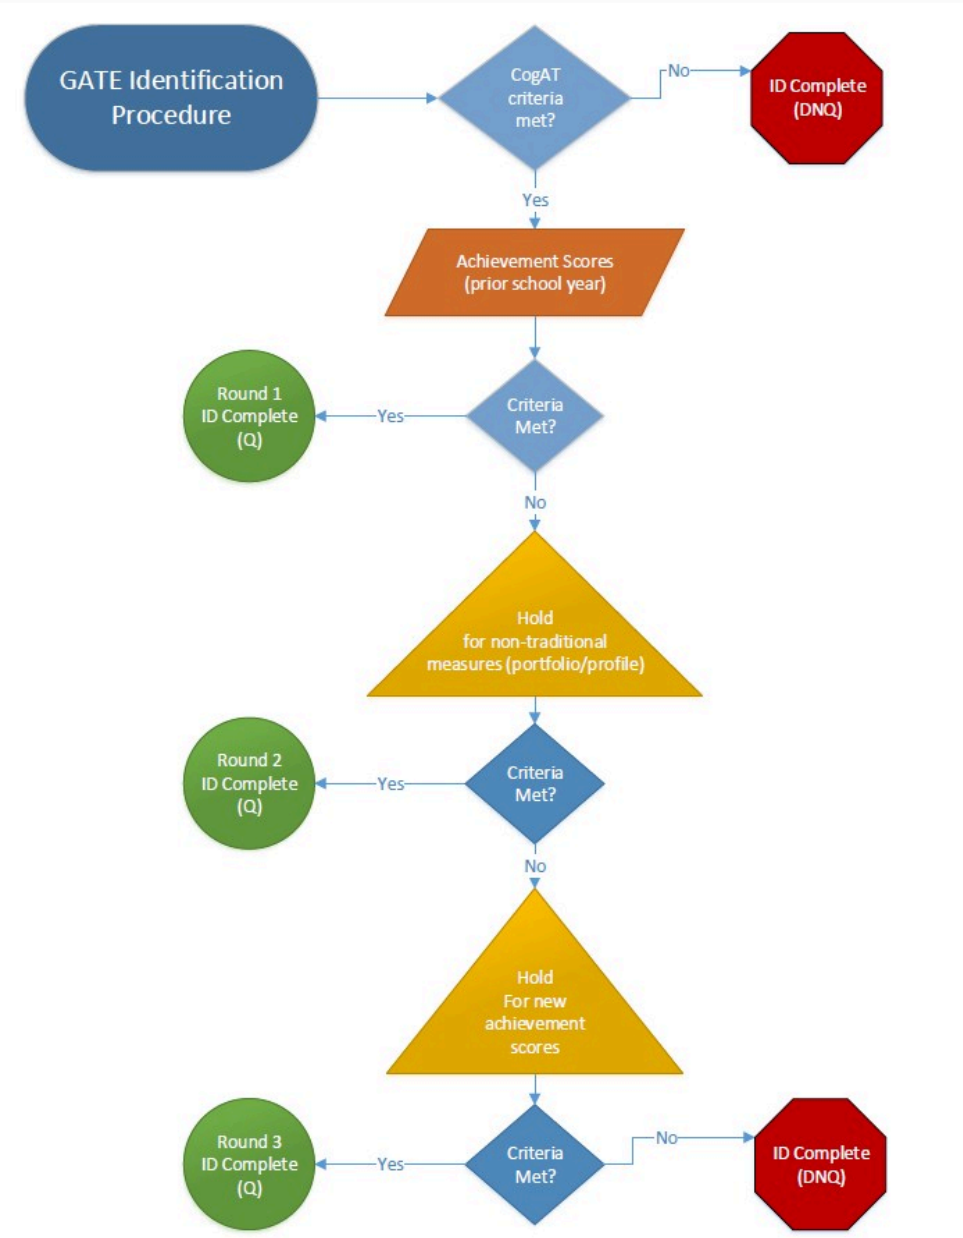
Students are provided opportunities to participate in:

- Dual enrollment and concurrent enrollment opportunities;
- Career Technical Education (CTE) pathways;
- AVID college and career readiness programs;
- College and financial aid workshops;
- Career exploration and workforce readiness activities;
- Postsecondary planning and counseling services;
- Partnerships with local colleges, universities, and community organizations.

School counselors, teachers, administrators, and support staff work collaboratively with students and families to monitor graduation progress, A–G completion, college and career readiness indicators, and postsecondary planning goals. These coordinated transition efforts support equitable access to rigorous academic opportunities, career pathways, and postsecondary experiences designed to prepare students for success in college, career, and life.

Additional Information Regarding Use of Funds Under this Part

ESSA SECTION 1112(b)(13) (A–B)



Provide any other information on how the LEA proposes to use funds to meet the purposes of this part, and that the LEA determines appropriate to provide, which may include how the LEA will:

(A) assist schools in identifying and serving gifted and talented students; and

(B) assist schools in developing effective school library programs to provide students an opportunity to develop digital literacy skills and improve academic achievement.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Students in third through seventh grades may qualify for the GATE program based on GATE identification criteria. These criteria include a balance between achievement testing, ability testing, and other factors. All third and fourth grade students will be screened to see if GATE services are appropriate, students in grades five through seventh may be referred for testing or evaluation by their teacher, administrator, counselor, or parent. Because the state department of education gives each district the responsibility of developing its own criteria for its GATE program, qualifications vary from district to district. Parents of students who are identified as GATE in another district should contact the PYLUSD GATE office at (714) 985-8650 prior to enrolling in the district to discuss the program options.

School Library Programs
To assist schools in developing effective school library programs to provide students an opportunity to develop digital literacy skills and improve academic achievement, the District will provide professional development, instruction, staff, updated library collections and library spaces, as well as updated equipment to support technology needs at all school sites.

TITLE II, PART A

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

Provide a description of the LEA's systems of professional growth and improvement, such as induction for teachers, principals, or other school leaders and opportunities for building the capacity of teachers and opportunities to develop meaningful teacher leadership.

THIS ESSA PROVISION IS ADDRESSED BELOW:

TITLE II, PART A

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

TITLE II, PART A

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

TITLE II, PART A

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to supporting a comprehensive system of professional growth and continuous improvement aligned to the district's mission to "inspire all students through rigorous and relevant educational experiences that empower them to become responsible, ethical, and contributing citizens." Through coordinated districtwide professional learning systems, instructional coaching, leadership development, collaboration structures, and targeted support programs, PYLUSD works to strengthen educator effectiveness, instructional coherence, educational equity, and student achievement across all grade levels and student groups.

The Educational Services Division provides a variety of professional learning opportunities designed to increase educator capacity to deliver rigorous, culturally responsive, and standards-aligned instruction while supporting the academic, behavioral, language development, and social-emotional needs of all students. District professional learning systems are aligned to the Local Control and Accountability Plan (LCAP), Blueprint for Academic Success, California English Learner Roadmap, Multi-Tiered System of Support (MTSS), and continuous improvement priorities. District systems of professional growth and improvement include:

- Support for the development and refinement of effective Professional Learning Communities (PLCs) focused on improving student achievement;
- Data-driven instructional decision-making utilizing multiple state and local data sources;
- Instructional coaching and collaboration structures;
- Professional learning aligned to district Signature Practices;
- Leadership development opportunities for teachers, administrators, and school leaders;
- Specialized professional development supporting English Learners, Long-Term English Learners (LTELs), students with disabilities, and unduplicated pupil groups;
- Opportunities for teacher leadership, collaboration, and instructional innovation.

Professional Learning Communities (PLCs) continue to serve as a foundational structure for instructional collaboration and continuous improvement throughout the district. PLC teams engage in the development of guaranteed and viable curriculum, common assessments, data analysis, targeted intervention planning, and collaborative reflection regarding instructional practices and student outcomes. PLC work is centered on ensuring equitable access to rigorous instruction and improving outcomes for all students.

Principals' professional development and growth are rooted in creating clarity through coherence and alignment using data-driven decision-making processes, standards-based instruction, targeted intervention systems, and PLC implementation. During monthly TK–12 principal meetings and grade span collaborations, school leaders participate in professional learning aligned to A Handbook for Professional Learning Communities at Work® by Richard DuFour, Rebecca DuFour, Robert Eaker, Thomas W. Many, and Mike Mattos. Principal professional learning focuses on refining the PLC process, instructional leadership, data analysis, targeted intervention systems, and continuous improvement practices.

Grade span meetings also provide opportunities for principals and district leaders to engage in instructional walkthroughs, collaborative reflection, and sharing of best practices related to instructional focus areas, MTSS implementation, language development, and student engagement strategies. These collaborative learning opportunities strengthen the instructional leadership capacity of school site administrators and promote districtwide instructional coherence.

All teachers are provided opportunities to participate in professional learning throughout the summer and school year to strengthen instructional practices and support first, best instruction for all students. Specialized professional development is provided to support English Learners, Long-Term English Learners (LTELs), students with disabilities, and multilingual learners while strengthening instructional alignment to Individualized Education Programs (IEPs), integrated and designated English Language Development (ELD), and culturally responsive instructional practices.

Districtwide Project GLAD® implementation continues to serve as a major professional learning initiative focused on strengthening language acquisition, academic discourse, literacy development, and access to rigorous instruction for multilingual learners and all students. During the 2026–2027 school year, PYLUSD will continue implementation and expansion of the OCDE Project GLAD® professional development model to support high-quality integrated and designated English Language Development (ELD) instruction aligned with the California English Learner Roadmap.

The Elementary GLAD® Foundations Training model includes Kindergarten–2nd Grade cohorts, 3rd–4th Grade cohorts, 5th–6th Grade cohorts, and ELD/Academic Support Teacher (AST) cohorts. Participating educators engage in:

- Two-day Research and Theory Workshops;
- Four-day Classroom Demonstration Models;
- Coaching and collaborative planning opportunities;
- Classroom implementation and reflection support.

The district will also implement a Preschool/TK Project GLAD® professional learning series designed to strengthen oral language development, vocabulary acquisition, early literacy foundations, student engagement, and developmentally appropriate instructional practices for early

learners. TK educators participate in Research and Theory Workshops, Classroom Demonstration Models, collaborative planning opportunities, and embedded coaching support aligned to early childhood learning standards.

To strengthen implementation fidelity and sustainability, PYLUSD will continue customized GLAD® follow-up support during the 2026–2027 school year through six differentiated cohort groups:

- Kindergarten–1st Grade;
- 2nd–3rd Grade;
- 4th Grade;
- 5th Grade;
- 6th Grade;
- Secondary Cohorts.

Each cohort will participate in customized implementation support sessions, collaborative lesson planning, guided reflection, coaching cycles, and curriculum alignment activities connected to district instructional priorities and Wonders curriculum implementation. Follow-up sessions are specifically designed to strengthen implementation fidelity, instructional scaffolds, academic language development, student engagement, and consistent instructional practices across grade spans.

PYLUSD also continues to strengthen professional learning aligned to Dual Language Education (DLE), biliteracy development, and multilingual learner success. Through a partnership with the Orange County Department of Education (OCDE), TK–6 Dual Language Academy (DLA) educators will participate in inquiry cycles and collaborative professional development focused on reflective instructional practices in dual language immersion classrooms.

Glenview Dual Language Academy teachers will receive release time and collaborative planning opportunities to align program goals, support implementation of the 90/10 program model, strengthen Spanish/English biliteracy pathways, and increase instructional alignment across content and language domains. Professional learning will focus on research-based practices supporting bilingualism, biliteracy, biculturalism, vertical articulation, and Spanish Language Development/English Language Development integration.

In alignment with the district's Strategic Plan goal of strengthening foundational literacy, PYLUSD will also provide ongoing professional development related to implementation of the Wonders and Maravillas curriculum adoption for grades K–5 English Language Arts (ELA), English Language Development (ELD), and Dual Language Academy (DLA) programs. Through collaboration with McGraw-Hill trainers and district instructional leaders, teachers will strengthen implementation of standards-aligned literacy instruction, assessment practices, intervention strategies, differentiated supports, and language-rich instructional practices designed to support diverse learners.

Professional learning connected to the Wonders and Maravillas adoption includes:

- California ELA/ELD Framework alignment;
- Assessment and progress monitoring practices;
- Small-group and intervention instruction;
- Differentiated instructional supports;
- Language acquisition and literacy development strategies;
- Teacher feedback-driven instructional topics and implementation support.

School-based professional learning is additionally aligned to individual site needs identified through SPSA processes, Dashboard data, educational partner feedback, walkthrough evidence, and continuous improvement cycles. PLC planning and collaboration opportunities outside the regular instructional day are also provided to strengthen instructional planning and intervention systems.

PYLUSD also promotes meaningful teacher leadership opportunities through participation in:

- District Teacher Advisory Committee (TAC);
- District Teacher Leadership Teams;
- Math, Science, and English Learner Fellows programs;

- Site Leadership Teams;
- Instructional coaching and mentoring opportunities;
- Professional learning task forces and curriculum committees;
- Districtwide collaboration and implementation teams.

School leaders are encouraged to participate in all district professional learning opportunities in order to strengthen alignment, collaboration, and shared leadership practices across schools and departments.

The district's Professional Learning Plan contributes to a coherent system of educator learning and support that connects district priorities, school needs, state priorities, and federal program requirements. Coordination of Title I, Title II, Title III, LCAP, and other supplemental funding sources ensures professional learning resources are strategically aligned to established priorities, instructional improvement goals, educational equity initiatives, and student outcome targets.

Additional planned professional development opportunities for the 2025–2026 and 2026–2027 school years include:

- Transitional Kindergarten (TK) Professional Learning;
- Playful Connections: Bridging Education and Imagination;
- OCDE Preschool Learning Foundations and Frameworks;
- iReady professional development sessions;
- CABE and NABE professional learning opportunities;
- OCDE Spanish Language Development (SLD) sessions;
- GATE professional development;
- Teacher collaboration and instructional task forces;
- MTSS, PLC, and instructional leadership training opportunities.

These professional learning opportunities support PYLUSD's ongoing commitment to continuous improvement, instructional excellence, culturally responsive practices, leadership development, biliteracy and multilingualism, and equitable outcomes for all students.

Prioritizing Funding

ESSA SECTION 2102(b)(2)(C) – *Not applicable to charters and single school districts.*

Provide a description of how the LEA will prioritize funds to schools served by the agency that are implementing comprehensive support and improvement activities and targeted support and improvement activities under Section 1111(d) and have the highest percentage of children counted under Section 1124(c).

THIS ESSA PROVISION IS ADDRESSED BELOW:

The CBEDs enrollment of unduplicated pupils are analyzed annually by the Business Services and Educational Services Departments in order to equitably allocate supplemental and Title funding to schools with the highest percentage of unduplicated pupils and are implementing comprehensive support and improvement activities as well as targeted support. The District dedicates LCAP, Title I, Part A, ATSI, Title II, Part A, and Title III resources toward established priorities and outcomes accordingly.

Data and Ongoing Consultation to Support Continuous Improvement

ESSA SECTION 2102(b)(2)(D)

Provide a description of how the LEA will use data and ongoing consultation described in Section 2102(b)(3) to continually update and improve activities supported under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Data and Ongoing Consultation to Support Continuous Improvement

ESSA SECTION 2102(b)(2)(D)

The Placentia-Yorba Linda Unified School District (PYLUSD) utilizes multiple measures of data analysis, educational partner consultation, and continuous improvement practices to evaluate, refine, and strengthen activities supported through Title II, Part A. District departments including Educational Services, Student Support Services, Human Resources, Expanded Learning, and school leadership teams collaboratively analyze state and local data, educational partner feedback, professional learning outcomes, and implementation evidence to ensure professional development activities remain responsive to district priorities, student needs, and educator capacity-building goals.

District analysis and continuous improvement processes are aligned to the California School Dashboard, Local Control and Accountability Plan (LCAP) goals and actions, School Plan for Student Achievement (SPSA) processes, Community Engagement Initiative (CEI) practices, and the district's Professional Learning Plan. Educational partner consultation occurs through weekly director meetings, district leadership meetings, LCAP development sessions, educational partner surveys, School Site Council (SSC) meetings, District English Learner Advisory Committee (DELAC) meetings, Title I Parent Advisory Committee meetings, Strategic Visioning sessions, and ongoing collaboration with school leadership teams and instructional staff.

District and school teams analyze multiple data measures to identify trends, monitor implementation, evaluate effectiveness, and determine differentiated professional learning supports for schools and student groups requiring additional support. Data sources utilized include:

- California School Dashboard indicators;
- CAASPP and ELPAC performance data;
- English Learner Progress Indicator (ELPI) data;
- Attendance and chronic absenteeism data;
- Graduation and college/career readiness indicators;
- Classroom walkthrough evidence;
- Common assessment and PLC data;
- Educational partner surveys and feedback forms;
- SPSA and LCAP progress monitoring data;
- MTSS intervention and progress monitoring data;
- Professional learning participation and evaluation data.

Based on this analysis process, differentiated support aligned to the district's Multi-Tiered System of

Support (MTSS) framework is identified to support schools requiring Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI), Focus Schools, Priority Schools, and schools with the highest percentages of underperforming students. Tier 1 supports focus on strengthening effective first instruction, instructional coherence, standards-aligned teaching, and districtwide Signature Practices. Tier 2 and Tier 3 supports utilize assessment data, intervention systems, instructional coaching, and targeted professional learning to accelerate student learning and address identified instructional and programmatic needs.

The district's professional learning systems prioritize:

- PLC implementation and refinement;
- Data-driven instructional decision-making;
- Standards-based instruction;
- Common assessment development and analysis;
- Targeted intervention systems;
- Language development and English Learner supports;
- GLAD implementation and instructional coherence;
- Foundational literacy and mathematics;
- MTSS and culturally responsive instructional practices.

PYLUSD evaluates the effectiveness of Title II, Part A-supported professional learning activities through ongoing consultation, implementation monitoring, and analysis of educator and student outcome data. District and site leaders conduct classroom walkthroughs and implementation observations to assess instructional practices, monitor implementation fidelity, and identify future professional learning needs. Classroom walkthrough evidence and instructional data are utilized to support coaching cycles, instructional planning, and districtwide refinement efforts.

Following professional learning sessions, principal meetings, and districtwide trainings, participant evaluations and feedback surveys are reviewed to assess participation levels, satisfaction, usefulness, implementation needs, and recommendations for future learning opportunities. Annual district surveys also gather input from teachers, support staff, administrators, and educational partners regarding professional learning quality, instructional priorities, and district support systems. The district utilizes Qualtrics and additional survey tools to gather and analyze feedback regarding professional development effectiveness and educator needs.

After each TK–12 principal meeting, grade span collaboration, and Title I principal meeting, school leaders are surveyed regarding districtwide focus areas including:

- Refinement of Professional Learning Community (PLC) practices;
- Data-driven decision-making and use of common assessments;
- Targeted intervention and acceleration strategies;
- Signature Teaching Practices;
- Foundational literacy and mathematics priorities;
- English Learner and Long-Term English Learner (LTEL) instructional supports;
- MTSS implementation and instructional coherence.

The district also incorporates educational partner voice and continuous improvement practices through implementation of the Community Engagement Initiative (CEI), empathy interviews, focus groups, listening sessions, and collaborative feedback cycles designed to better understand the experiences and needs of students, staff, families, and community members.

Academic, behavioral, attendance, wellness, and student climate data are regularly reviewed and shared with district advisory committees, school leadership teams, School Site Councils, the Board of Education, and educational partners to support transparency, collaborative planning, and continuous improvement efforts districtwide.

The district's Professional Learning Plan contributes to a coherent system of educator learning and support that connects district priorities, school needs, student outcome data, state priorities, and federal program requirements. Coordination of Title I, Title II, Title III, LCAP, and supplemental funding sources ensures professional learning resources remain strategically aligned to instructional improvement goals, educational equity priorities, and continuous improvement efforts designed to improve outcomes for all students.

TITLE III, PART A

Title III Professional Development

ESSA SECTION 3115(c)(2)

Describe how the eligible entity will provide effective professional development to classroom teachers, principals and other school leaders, administrators, and other school or community-based organizational personnel.

THIS ESSA PROVISION IS ADDRESSED BELOW:

TITLE III, PART A

Title III Professional Development

ESSA SECTION 3115(c)(2)

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to providing high-quality, comprehensive professional learning opportunities designed to strengthen the capacity of teachers, administrators, principals, instructional support personnel, and community-based organizational partners to effectively support multilingual learners and English Learners (ELs). Professional development activities are aligned to the California English Learner Roadmap, the district's English Learner Master Plan, the Local Control and Accountability Plan (LCAP), and the district mission to inspire all students through rigorous and relevant educational experiences that prepare them for success now and in the future.

Professional learning throughout the district is designed to improve instruction and assessment practices for English Learners through evidence-based instructional pedagogy, integrated and designated English Language Development (ELD), language acquisition practices, formative and summative assessment systems, progress monitoring, culturally responsive teaching, and equitable access to rigorous grade-level curriculum. PYLUSD recognizes and values the rich linguistic and

cultural diversity of its students and remains committed to promoting bilingualism, biliteracy, multilingualism, and meaningful access to high-quality educational experiences for all students.

At the center of this work is the California English Learner Roadmap Policy, which serves as the foundational framework guiding district systems, instructional practices, leadership development, and family engagement efforts for multilingual learners. PYLUSD's LCAP priorities and professional learning systems are aligned to the four California EL Roadmap principles:

1. Assets-Oriented and Needs-Responsive Schools
2. Intellectual Quality of Instruction and Meaningful Access
3. System Conditions that Support Effectiveness
4. Alignment and Articulation Within and Across Systems

During the 2025–2026 school year, professional learning focused on implementation of Principle 2: *Intellectual Quality of Instruction and Meaningful Access* through strengthening integrated and designated ELD practices, language-rich instructional environments, academic discourse, collaborative conversations, and rigorous grade-level access for English Learners across all content areas.

Building upon this work, the district's 2026–2027 professional learning focus will center on implementation of Principle 3 of the California EL Roadmap: *System Conditions that Support Effectiveness*. This next phase of implementation will strengthen districtwide instructional coherence, collaborative systems, leadership capacity, multilingual learner support structures, vertical articulation, MTSS alignment, and continuous improvement systems designed to improve outcomes for English Learners and Long-Term English Learners (LTELs).

Professional learning aligned to Principle 3 will focus on:

- Strengthening districtwide systems supporting multilingual learner success;
- Refinement of Professional Learning Community (PLC) practices;
- Data-driven decision-making and progress monitoring systems;
- Implementation fidelity of integrated and designated ELD;
- MTSS alignment and targeted intervention systems;
- Leadership development and instructional coaching;
- Vertical articulation across grade spans and programs;
- Family engagement and educational partner collaboration;
- Equitable access to rigorous, language-rich instruction for all students.

To guide professional learning, PYLUSD utilizes the California EL Roadmap vision alongside the district mission statement and research-based sociocultural theories of learning that recognize language acquisition as a social process requiring meaningful interaction, academic discourse, comprehensible input, and scaffolded instructional supports. The district believes that maintaining high expectations while providing multilingual learners with the tools to use language as a resource for meaning-making creates opportunities for long-term academic and linguistic success.

PYLUSD's Title III priorities include:

- Providing dedicated Teachers on Special Assignment (TOSAs) and Academic Support Teachers (ASTs) to support multilingual learner instruction;
- Training, coaching, and modeling integrated and designated ELD instructional practices;
- Supporting implementation of explicit language routines focused on "Input," "Output," and "Interacting in Meaningful Ways" across all content areas;
- Providing coaching and implementation support aligned to the district's Multi-Tiered System of Support (MTSS);
- Expanding professional learning opportunities during the school year, summer workshops, monthly cluster meetings, and collaborative planning opportunities;
- Strengthening biliteracy, bilingualism, and multilingual learner pathways districtwide.

Districtwide Project GLAD® implementation continues to serve as a major component of Title III professional learning. During the 2026–2027 school year, PYLUSD will continue implementation and expansion of the OCDE Project GLAD® instructional framework to strengthen language acquisition, academic discourse, literacy development, and equitable access to rigorous instruction for multilingual learners and all students.

2026–2027 Project GLAD® Cohorts Include:

- Preschool/TK GLAD® Cohort
- Kindergarten–2nd Grade Foundations Cohort
- 3rd–4th Grade Foundations Cohort
- 5th–6th Grade Foundations Cohort
- ELD/Academic Support Teacher (AST) Cohort
- Secondary GLAD® Cohort
- Kindergarten–1st Grade Customized Follow-Up Cohort
- 2nd–3rd Grade Customized Follow-Up Cohort
- 4th Grade Customized Follow-Up Cohort
- 5th Grade Customized Follow-Up Cohort
- 6th Grade Customized Follow-Up Cohort

Project GLAD® professional learning includes:

- Research and Theory Workshops;
- Classroom Demonstration Models;
- Collaborative lesson planning and reflection;
- Embedded coaching and implementation support;
- Academic language development strategies;
- Integrated literacy and language acquisition practices;
- Wonders and Maravillas curriculum integration support;
- Comprehensible input and structured academic discourse strategies;

- Instructional scaffolds aligned to the California ELD Standards and ELA/ELD Framework.

PYLUSD will also continue implementation of Dual Language Education (DLE) professional learning opportunities in partnership with the Orange County Department of Education (OCDE). TK–6 Dual Language Academy educators will participate in inquiry cycles and collaborative learning opportunities designed to strengthen instructional practices in dual language immersion settings and support implementation of the district's 90/10 Dual Language model.

Professional learning for Dual Language Academy educators focuses on:

- Biliteracy and bilingual instructional practices;
- Vertical articulation across grade spans;
- Spanish Language Development (SLD) and ELD alignment;
- Biliteracy pathway development;
- Data-driven instructional planning;
- Research-based dual language instructional strategies supporting bilingualism, biliteracy, and biculturalism.

Additionally, the district will provide ongoing professional development related to implementation of the Wonders and Maravillas curriculum adoption for grades K–5 English Language Arts (ELA), English Language Development (ELD), and Dual Language Academy (DLA) programs. Professional learning will strengthen teacher understanding of standards-aligned literacy instruction, differentiated supports, assessment practices, intervention systems, language development strategies, and equitable access to rigorous curriculum for diverse learners.

Professional learning opportunities are differentiated by grade span, role, and student need and include after-contract opportunities, summer institutes, collaborative planning sessions, instructional coaching, administrator training, and districtwide implementation support. School leaders, counselors, instructional support personnel, and community-based organizational partners are encouraged to participate in professional learning opportunities aligned to multilingual learner success and educational equity.

PYLUSD currently serves approximately 2,424 English Learners and remains focused on ensuring students develop high levels of English proficiency, achieve academic success, and reclassify in a timely manner while maintaining access to rigorous grade-level curriculum and meaningful educational experiences. Through coordinated systems of professional learning, instructional coaching, leadership development, and continuous improvement practices, the district continues to strengthen sustainable instructional systems that support the academic, linguistic, and social success of multilingual learners across all schools and grade spans.

Enhanced Instructional Opportunities

ESSA SECTIONS 3115(e)(1) and 3116

Describe how the eligible entity will provide enhanced instructional opportunities for immigrant children and youth.

Complete responses will:

1. Describe the activities implemented, supplemental to all other funding sources for which the LEA is eligible, that provide enhanced instructional opportunities for immigrant children and youth.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Enhanced Instructional Opportunities

ESSA SECTIONS 3115(e)(1) and 3116

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to providing enhanced instructional opportunities and comprehensive support services for immigrant children, youth, and multilingual learners through coordinated educational programs, culturally responsive engagement practices, targeted interventions, and family partnerships. These supplemental services are designed to strengthen academic achievement, English language development, social-emotional wellness, school connectedness, and equitable access to rigorous educational opportunities for immigrant students and families.

PYLUSD prioritizes student-centered instructional programs and schools that recognize and respond to the diverse linguistic, cultural, academic, and social-emotional strengths and needs of immigrant students and multilingual learners. Through the Local Control and Accountability Plan (LCAP), Title III funding, supplemental district resources, and coordinated support systems, the district continues to invest in evidence-based instructional practices and integrated support services designed to improve outcomes for immigrant students and families.

To strengthen instructional opportunities for immigrant children and youth, PYLUSD implements a variety of supplemental programs and services that may include:

- Integrated and Designated English Language Development (ELD);
- Language-rich instructional practices aligned to the California ELD Standards and ELA/ELD Framework;
- Project GLAD® instructional strategies and language acquisition supports;
- MTSS intervention and progress monitoring systems;
- Newcomer and multilingual learner instructional supports;
- Biliteracy and Dual Language Academy opportunities;
- Academic intervention and extended learning opportunities;
- Counseling, wellness, and social-emotional supports;
- Family Resource Center (FRC) services and community partnerships;
- Culturally responsive instructional practices and educational partner engagement opportunities.

PYLUSD also prioritizes family engagement initiatives designed to strengthen partnerships between schools and immigrant families. The district recognizes that engaging parents and families in their

children's education is critical to promoting academic success, school connectedness, attendance, and long-term educational outcomes for immigrant students.

Family engagement efforts may include:

- Family outreach programs and educational partner engagement opportunities;
- Parent workshops focused on literacy, language development, assessment systems, and school supports;
- Informational sessions regarding academic programs, graduation requirements, reclassification, and college and career readiness;
- Translation and interpretation services;
- Multilingual communication systems and culturally responsive outreach materials;
- Parent leadership and advisory committee opportunities;
- Community resource referrals and wellness supports;
- Opportunities for families to volunteer and participate in school events and district initiatives.

PYLUSD continues to strengthen these efforts through participation in statewide and regional initiatives focused on equitable educational partner engagement and continuous improvement practices. As part of this work, the district participated in Community Engagement Initiative (CEI) Cohort V, a statewide system of support designed to:

- Build capacity within school districts and communities to engage in collaborative and relationship-centered conversations focused on improving student outcomes;
- Identify effective models of community engagement and metrics to evaluate engagement practices;
- Develop peer-to-peer partnerships between school districts and county offices of education;
- Strengthen culturally responsive engagement systems and continuous improvement efforts statewide.

Through CEI participation and the district's ongoing Strategic Visioning and Planning process, PYLUSD expanded the use of empathy interviews, educational partner feedback cycles, focus groups, listening sessions, and collaborative planning opportunities to better understand the lived experiences and needs of immigrant families, multilingual learners, and unduplicated pupil groups.

Additionally, PYLUSD continues to strengthen instructional opportunities for immigrant children and youth through implementation of districtwide Project GLAD® professional learning cohorts, Dual Language Academy instructional supports, Wonders and Maravillas curriculum implementation, and integrated language development practices designed to increase access to rigorous grade-level curriculum and language-rich instructional environments.

The district's Family Resource Center (FRC), counseling services, wellness supports, and community partnerships also provide immigrant families with access to social-emotional supports, attendance intervention services, school readiness resources, community referrals, and wraparound services that remove barriers to student success and strengthen family-school partnerships.

Through these coordinated supplemental services and instructional supports, PYLUSD continues to strengthen equitable access to high-quality educational experiences, language acquisition opportunities, family engagement systems, and culturally responsive learning environments that support the academic, linguistic, and social success of immigrant children and youth.

Title III Programs and Activities

ESSA SECTION 3116(b)(1)

Describe the effective programs and activities, including language instruction educational programs, proposed to be developed, implemented, and administered under the subgrant that will help English learners increase their English language proficiency and meet the challenging State academic standards.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Title III Programs and Activities

ESSA SECTION 3116(b)(1)

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to implementing effective, evidence-based programs and activities designed to increase English Learners' English language proficiency, academic achievement, social-emotional wellness, and access to rigorous grade-level curriculum aligned to California State Standards and the California English Learner Roadmap. Through coordinated systems of support, culturally responsive instructional practices, multilingual learner programs, and professional learning opportunities, PYLUSD works to ensure English Learners develop the linguistic, academic, and social competencies necessary for long-term success in school and beyond.

PYLUSD utilizes a Multi-Tiered System of Support (MTSS) framework to address the academic, behavioral, social-emotional, and language development needs of English Learners and multilingual students. District programs and services are aligned to the Local Control and Accountability Plan (LCAP), English Learner Master Plan, California English Learner Roadmap, and districtwide continuous improvement efforts focused on equitable access and student achievement.

Title III-supported instructional programs and activities include:

- Integrated and Designated English Language Development (ELD);
- Project GLAD® instructional implementation;
- Dual Language Academy (DLA) and biliteracy pathways;
- Academic intervention and targeted instructional supports;
- Language-rich instructional practices aligned to the California ELD Standards and ELA/ELD Framework;
- Supplemental instructional resources and technology supports;
- Family literacy and parent education programs;
- Extended learning and summer enrichment opportunities;
- Progress monitoring and MTSS intervention systems;
- Counseling, wellness, and educational partner engagement supports.

All professional learning opportunities are designed to support and improve instruction and assessment practices for English Learners through effective instructional pedagogy, formative and summative assessment systems, progress monitoring, language acquisition strategies, and implementation of integrated and designated ELD aligned to the California ELD Standards and

ELA/ELD Framework. Teachers, administrators, counselors, instructional support staff, and school leaders participate in professional learning focused on strengthening instructional coherence, academic language development, and equitable access to rigorous curriculum for multilingual learners.

Dedicated Teachers on Special Assignment (TOSAs), Academic Support Teachers (ASTs), and instructional support staff provide ongoing coaching, modeling, collaborative planning, and implementation support focused on high-leverage instructional practices that increase language development and grade-level content access for English Learners. Coaching and professional learning emphasize:

- Explicit language routines;
- Integrated and designated ELD implementation;
- Academic discourse and structured student interaction;
- Comprehensible input strategies;
- Formative assessment and progress monitoring;
- Differentiated instructional supports;
- MTSS-aligned intervention practices;
- Family literacy strategies and parent engagement supports.

Districtwide Project GLAD® implementation continues to serve as a major instructional and professional learning initiative supporting language acquisition and equitable access to rigorous instruction. During the 2026–2027 school year, PYLUSD will continue implementation and expansion of Project GLAD® professional learning cohorts across preschool/TK, elementary, ELD/AST, and secondary grade spans. Project GLAD® instructional strategies support oral language development, academic vocabulary, literacy acquisition, academic discourse, comprehensible input, and student engagement in language-rich classroom environments.

The district also continues to expand Dual Language Academy (DLA) programming and biliteracy supports through collaboration with the Orange County Department of Education (OCDE). Professional learning for TK–6 DLA educators supports implementation of research-based dual language instructional practices that promote bilingualism, biliteracy, biculturalism, vertical articulation, and Spanish/English language development across content areas.

Additional Title III instructional supports and services include, but are not limited to:

- North Orange Continuing Education (NOCE) English classes for families;
- Lexia English language development supports;
- Family Literacy Project activities;
- After-school and expanded learning opportunities including ASES;
- Summer English Learner enrichment and acceleration programs;
- Family workshops and multilingual parent education opportunities;
- Educational technology and language development supports.

PYLUSD also prioritizes educational partner engagement and family-school partnerships as essential components of multilingual learner success. DELAC meetings include presentations highlighting Title III activities, evidence-based interventions, district initiatives, student outcome data, and family engagement opportunities. Parent workshops and trainings may include topics related to educational technology, literacy development, language acquisition, wellness supports, and strategies families can use to support learning at home. District leadership regularly engages

with parents and educational partners through DELAC, LCAP engagement sessions, advisory meetings, and educational partner forums to address concerns, gather feedback, and strengthen collaborative decision-making processes.

The effectiveness of Title III programs and activities is measured through multiple quantitative and qualitative measures, including:

- Student and parent participation in district-sponsored activities, trainings, and workshops;
- District formative assessment data;
- Summative ELPAC results;
- Reclassification rates;
- English Learner Progress Indicator (ELPI) data;
- DELAC evaluations and educational partner surveys;
- Biannual English Learner progress monitoring through Ellevation;
- RFEP monitoring through Ellevation;
- Annual California state assessment data;
- Classroom walkthroughs and instructional implementation evidence;
- Site visits, learning walks, and MTSS progress monitoring systems.

Quantitative and qualitative data collected through surveys, classroom observations, learning walks, educational partner engagement opportunities, and site-level analysis provide the district with ongoing information used to evaluate the effectiveness of programs and instructional practices supporting English Learners. Data is analyzed regularly through PLC meetings, MTSS processes, assessment calendars, district leadership meetings, and continuous improvement cycles to guide instructional planning, intervention supports, and future professional learning opportunities.

PYLUSD currently serves approximately 2,424 English Learners and remains committed to ensuring multilingual learners attain high levels of English proficiency, master grade-level standards, develop biliteracy and bilingualism where applicable, and fully participate in intellectually rich and culturally responsive educational experiences. Through coordinated systems of support, instructional innovation, family engagement, and continuous improvement practices, the district continues to strengthen equitable opportunities and positive outcomes for English Learners across all schools and grade spans.

English Proficiency and Academic Achievement

ESSA SECTION 3116(b)(2)(A-B)

Describe how the eligible entity will ensure that elementary schools and secondary schools receiving funds under Subpart 1 assist English learners in:

(A) achieving English proficiency based on the State's English language proficiency assessment under Section 1111(b)(2)(G), consistent with the State's long-term goals, as described in Section 1111(c)(4)(A)(ii); and

(B) meeting the challenging State academic standards.

THIS ESSA PROVISION IS ADDRESSED BELOW:

English Proficiency and Academic Achievement

ESSA SECTION 3116(b)(2)(A-B)

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to ensuring that all elementary and secondary schools receiving Title III funds effectively support English Learners in attaining English proficiency and meeting California's challenging academic standards. Through coordinated instructional systems, evidence-based language acquisition practices, culturally responsive instruction, Multi-Tiered System of Support (MTSS) structures, and ongoing progress monitoring, PYLUSD works to ensure multilingual learners achieve high levels of academic and linguistic success aligned to the California English Learner Roadmap and the district's English Learner Master Plan.

PYLUSD maintains a districtwide commitment to a culture of teaching and learning focused on grade-level mastery of content standards in language arts, literacy, mathematics, science, and other academic disciplines while simultaneously supporting students' English language development. The district recognizes multilingualism and biliteracy as valuable assets and implements instructional systems designed to provide English Learners with meaningful access to rigorous grade-level curriculum and intellectually rich learning opportunities.

To support English language acquisition and academic achievement, all schools are required to implement both Integrated and Designated English Language Development (ELD) aligned to the California ELD Standards and ELA/ELD Framework. Integrated ELD practices ensure language development occurs across all content areas and instructional settings, while Designated ELD provides protected instructional time focused specifically on language acquisition and proficiency development.

PYLUSD utilizes a Multi-Tiered System of Support (MTSS) framework to identify and respond to the linguistic, academic, behavioral, and social-emotional needs of English Learners and multilingual students. Students' primary language, language proficiency levels, assessment data, instructional needs, and intervention supports are considered as part of district and site-level MTSS processes to ensure targeted and responsive support systems are implemented.

District and site staff monitor English Learner progress through multiple measures of formative and summative assessment data, including:

- English Language Proficiency Assessments for California (ELPAC);
- English Learner Progress Indicator (ELPI) data;
- California Assessment of Student Performance and Progress (CAASPP/SBAC);
- iReady diagnostic assessments;
- Lexia English progress monitoring;
- District common assessments;
- Classroom writing samples and performance tasks;
- PLC assessment cycles and intervention data;
- Ellevation progress monitoring systems.

English Learner progress monitoring occurs regularly throughout the school year. Fall and Spring formative and summative assessment data are analyzed during Professional Learning Community (PLC) meetings, MTSS intervention cycles, site leadership meetings, and district data reviews to

identify instructional needs, intervention supports, and opportunities for acceleration. Student writing samples are reviewed on a trimester basis at the elementary level and during fall and spring analysis cycles at the secondary level to monitor language development, academic discourse, literacy growth, and progress toward grade-level standards.

School sites are held accountable for English Learner progress and language acquisition outcomes through the Comprehensive Needs Assessment process, School Plan for Student Achievement (SPSA), Dashboard indicators, and LCAP-aligned goals and metrics. SPSAs include required sections addressing:

- English Language Arts;
- English Learners;
- Mathematics.

Within each academic achievement area, schools identify and monitor integrated and designated language development supports, intervention strategies, professional learning priorities, and student outcome metrics aligned to English Learner achievement goals.

School leaders, teachers, counselors, support staff, district administrators, parents, and educational partners participate collaboratively in reviewing student data, monitoring implementation, and providing feedback regarding English Learner services and supports. DELAC meetings, School Site Council meetings, educational partner presentations, and advisory committee structures provide opportunities for families and educational partners to engage in discussions regarding English Learner achievement, language acquisition, reclassification progress, and districtwide priorities.

To further strengthen English learner outcomes, PYLUSD continues implementation and expansion of districtwide Project GLAD® instructional practices designed to increase academic language development, student engagement, literacy acquisition, oral language production, and access to rigorous grade-level curriculum for multilingual learners and all students. Project GLAD® implementation includes preschool/TK, elementary, ELD/AST, and secondary cohorts supported through coaching, collaborative planning, classroom demonstration models, and ongoing implementation support.

Additionally, the district continues to strengthen biliteracy and multilingual learner opportunities through Dual Language Academy (DLA) programming, integrated literacy practices, language-rich instructional environments, and professional learning aligned to bilingualism, biliteracy, and culturally responsive instruction.

As part of the district's ongoing implementation of the California English Learner Roadmap, professional learning during the 2026–2027 school year will focus on Principle 3: *System Conditions that Support Effectiveness*. This work will strengthen instructional coherence, collaborative systems, MTSS alignment, leadership capacity, vertical articulation, and equitable systems of support designed to improve outcomes for English Learners and Long-Term English Learners (LTELs).

The district measures the effectiveness of English Learner programs and services through analysis of:

- ELPAC performance and English proficiency growth;
- Reclassification rates;
- Academic achievement outcomes;

- ELPI growth indicators;
- Attendance and engagement data;
- Student participation in intervention and extended learning programs;
- Educational partner feedback;
- Classroom walkthrough evidence and instructional implementation data;
- Qualitative and quantitative survey data collected through DELAC, educational partner meetings, and district continuous improvement processes.

Through these coordinated systems of support, professional learning structures, instructional practices, family engagement efforts, and continuous improvement processes, PYLUSD remains committed to ensuring English Learners attain high levels of English proficiency, master rigorous academic standards, and fully participate in intellectually rich, culturally responsive, and equitable educational experiences across all schools and grade spans.

TITLE IV, PART A

Title IV, Part A Activities and Programs

ESSA SECTION 4106(e)(1)

Each LEA, or consortium of LEAs, shall conduct the Title IV needs assessment once every 3 years. (see below)

Describe the activities and programming that the LEA, or consortium of such agencies, will carry out under Subpart 1, including a description of:

(A) any partnership with an institution of higher education, business, nonprofit organization, community-based organization, or other public or private entity with a demonstrated record of success in implementing activities under this subpart;

(B) if applicable, how funds will be used for activities related to supporting well-rounded education under Section 4107;

(C) if applicable, how funds will be used for activities related to supporting safe and healthy students under Section 4108;

(D) if applicable, how funds will be used for activities related to supporting the effective use of technology in schools under Section 4109; and

(E) the program objectives and intended outcomes for activities under Subpart 1, and how the LEA, or consortium of such agencies, will periodically evaluate the effectiveness of the activities carried out under this section based on such objectives and outcomes.

Describe the activities and programming that the LEA, or consortium of such agencies, will carry out under Subpart 1,including a description of:

(A) any partnership with an institution of higher education, business, nonprofit organization, community-based organization, or other public or private entity with a demonstrated record of success in implementing activities under this subpart;

Title IV, Part A Activities and Programs

ESSA SECTION 4106(e)(1)

The Placentia-Yorba Linda Unified School District (PYLUSD) conducts a comprehensive needs assessment every three years to identify district priorities and determine how Title IV, Part A funds will support student access to a well-rounded education, safe and healthy learning environments, and the effective use of technology. The district utilizes multiple measures of data including California School Dashboard indicators, Local Control and Accountability Plan (LCAP) metrics, educational partner surveys, attendance and wellness data, school climate information, academic achievement outcomes, and community feedback to guide implementation of Title IV-supported activities and programs.

PYLUSD coordinates Title IV, Part A activities through collaboration among Educational Services, Student Support Services, Expanded Learning, school leadership teams, advisory committees, community partners, and educational partners to ensure programs align with district priorities, student needs, and continuous improvement efforts.

Partnerships with Community-Based Organizations and Educational Partners

During the 2025–2026 school year, PYLUSD will partner with Disciplina Positiva, a community-based organization focused on cultivating healthy family and community engagement practices that strengthen positive school culture, family-school partnerships, and social-emotional wellness. Disciplina Positiva utilizes an Adlerian Psychology framework designed to support parents, educators, community leaders, and families in building respectful, responsible, and relationship-centered communities.

Based on the Positive Discipline model developed through the work of Jane Nelsen, Lynn Lott, and co-authors, Disciplina Positiva provides highly engaging and empowering workshops designed to strengthen social-emotional learning, positive behavior supports, communication strategies, and family engagement practices for both children and adults. Through this partnership, PYLUSD seeks to expand culturally responsive family engagement opportunities and strengthen systems that support healthy relationships, student wellness, and school connectedness districtwide.

PYLUSD also continues partnerships and collaboration efforts with:

- Orange County Department of Education (OCDE);
- Parent Institute for Quality Education (PIQE);
- Community Engagement Initiative (CEI) statewide partners;
- Higher education and career pathway organizations;
- Community-based wellness and counseling agencies;
- Expanded learning providers and after-school partners;
- Family Resource Center (FRC) community agencies and support organizations.

Supporting a Well-Rounded Education

ESSA SECTION 4107

Title IV, Part A funds may be utilized to support well-rounded educational opportunities designed to increase student engagement, academic achievement, college and career readiness, language acquisition, enrichment opportunities, and access to rigorous instructional programs. Programs and activities may include:

- Expanded learning and enrichment opportunities;
- AVID and college/career readiness supports;
- Project GLAD® implementation and multilingual learner supports;
- Dual Language Academy and biliteracy opportunities;
- STEM and foundational literacy initiatives;
- Arts, music, wellness, and enrichment activities;
- Counseling and social-emotional learning opportunities;
- Family literacy and parent engagement programs;
- Career exploration and postsecondary readiness activities.

Supporting Safe and Healthy Students

ESSA SECTION 4108

PYLUSD prioritizes safe, supportive, inclusive, and healthy learning environments through coordinated wellness initiatives, MTSS implementation, counseling services, behavioral supports, and family engagement programs. Title IV-supported activities may include:

- Social-emotional learning (SEL) initiatives;
- Positive behavior and restorative practices;
- Mental health and wellness services;
- Attendance intervention and student engagement supports;
- Family Resource Center (FRC) services;
- Foster Youth and McKinney-Vento supports;
- Parent workshops and wellness education opportunities;
- School safety and prevention programs;
- Community engagement and relationship-centered practices aligned to CEI.

Programs such as Disciplina Positiva, Love and Logic, PIQE, and Community Engagement Initiative (CEI) practices further support healthy school climates, relationship-centered systems, and family-school partnerships designed to improve student outcomes and social-emotional wellness.

Supporting the Effective Use of Technology

ESSA SECTION 4109

Title IV, Part A funds may also support effective technology integration and digital learning opportunities designed to improve instruction, communication, and student access to educational resources. Technology-related supports may include:

- Professional development related to instructional technology integration;

- Parent and student support for digital learning platforms;
- Aeries Parent Portal access and training;
- Educational technology resources supporting multilingual learners;
- Digital literacy and responsible technology use;
- Technology tools supporting assessment, intervention, and progress monitoring;
- Multilingual communication systems and educational partner outreach tools.

The district continues to strengthen equitable access to technology resources and communication systems for students and families while promoting responsible digital citizenship and safe technology practices.

Program Objectives, Intended Outcomes, and Evaluation of Effectiveness

The primary objectives of Title IV, Part A-supported programs and activities are to:

- Increase student access to well-rounded educational opportunities;
- Improve school climate, student wellness, and social-emotional supports;
- Strengthen family engagement and educational partner participation;
- Expand equitable access to rigorous instructional programs and enrichment opportunities;
- Increase student engagement, attendance, and academic achievement;
- Strengthen culturally responsive and relationship-centered school systems;
- Improve access to technology and digital learning supports.

PYLUSD will periodically evaluate the effectiveness of Title IV-supported programs and activities through analysis of:

- California School Dashboard indicators;
- Attendance and chronic absenteeism data;
- Student climate and wellness survey results;
- Educational partner feedback and participation data;
- Academic achievement outcomes;
- MTSS intervention and progress monitoring data;
- Program participation rates;
- Professional learning evaluations;
- School climate and behavior data;
- LCAP and SPSA progress monitoring processes.

Educational partner feedback gathered through surveys, advisory committees, focus groups, educational partner meetings, empathy interviews, and continuous improvement cycles is used to refine programs, strengthen implementation, and ensure Title IV-supported activities remain aligned to district priorities and student needs. Through these coordinated efforts, PYLUSD continues to support safe, healthy, engaging, and equitable learning environments that promote academic success and whole-child development for all students.

Supporting a Well-Rounded Education

ESSA SECTION 4107

Placentia-Yorba Linda Unified School District (PYLUSD) utilizes Title IV, Part A funds to support well-rounded educational opportunities that promote academic achievement, student engagement, social-emotional wellness, equity, innovation, and access to rigorous learning experiences for all students. Programs and services funded through Title IV are aligned to the district's Multi-Tiered System of Support (MTSS) framework, Local Control and Accountability Plan (LCAP), Positive Behavioral Interventions and Supports (PBIS) implementation, and districtwide efforts to strengthen safe, inclusive, and supportive learning environments.

Title IV funds support well-rounded educational opportunities through investments in MTSS-aligned systems, STEM and STEAM enrichment programs, Universal Design for Learning (UDL), PBIS implementation, behavioral and social-emotional supports, and instructional materials designed to improve access and engagement for all students, including students from historically underserved populations.

As part of this work, PYLUSD will continue supporting one Applied Behavior Analysis (ABA) Supervisor and Registered Behavior Technician (RBT) program supports designed to strengthen behavioral interventions, student engagement, social-emotional supports, and inclusive instructional environments. Funding also supports instructional materials and supplies for Registered Behavior Technicians to enhance intervention systems and student support services districtwide.

PYLUSD continues to strengthen STEM and STEAM instructional opportunities through support of elementary STEM lab programs and instructional enrichment opportunities at schools including Lakeview and Mabel Paine Elementary Schools. Funding supports hands-on learning experiences and increased student exposure to science, technology, engineering, mathematics, coding, robotics, collaborative problem-solving, and innovation-focused learning opportunities designed to increase student engagement and achievement.

Additional STEM and STEAM opportunities include enrichment partnerships and instructional programs that provide project-based and experiential learning opportunities for students. The district also continues exploring opportunities to expand computer science and coding experiences through instructional technology integration and STEM-focused programming.

Title IV funds also support:

- Additional PBIS and Tiered Fidelity Inventory (TFI) professional development and training for PBIS leadership teams;
- Attendance at MTSS and instructional support conferences;
- Universal Design for Learning (UDL) training for teachers and administrators;
- Instructional materials and replacement student materials for middle school STEAM programs;
- Technology integration and innovation-focused professional development opportunities;
- MTSS implementation systems designed to strengthen equity and access for all students.

PYLUSD recognizes that well-rounded educational opportunities extend beyond academic instruction and include support for the whole child. Through implementation of MTSS, PBIS,

restorative practices, social-emotional learning, and inclusive instructional systems, the district seeks to ensure all students have equitable access to safe, engaging, and supportive learning environments that foster academic success, positive relationships, and social-emotional development.

MTSS systems support the district's commitment to educational equity by identifying students' individual academic, behavioral, social-emotional, and wellness needs and providing targeted interventions and supports. Through tiered systems of support, schools work to reduce achievement gaps, improve access to educational opportunities, and strengthen outcomes for students from diverse linguistic, cultural, and socioeconomic backgrounds.

The district also continues to strengthen PBIS implementation and Whole Child development practices through investments in school climate initiatives, behavioral supports, student engagement systems, and relationship-centered practices aligned to the Community Engagement Initiative (CEI) and culturally responsive educational practices. These efforts support the district's priorities related to student wellness, school connectedness, attendance improvement, and positive learning environments.

Additionally, Title IV funding supports partnerships and enrichment opportunities that expand access to high-quality educational experiences. During the 2024–2025 school year, Enrichment Programs in Communities (EPIC) provided enrichment workshops in the areas of science, technology, engineering, mathematics, and collaborative problem-solving for K–5 students through a six-week enrichment model designed to strengthen student engagement and STEM learning opportunities.

Through these coordinated programs, instructional supports, enrichment opportunities, and MTSS-aligned systems, PYLUSD continues to strengthen equitable access to well-rounded educational experiences that support academic achievement, innovation, student engagement, social-emotional wellness, and whole-child development for all students.

(C) if applicable, how funds will be used for activities related to supporting safe and healthy students under Section4108;

THIS ESSA PROVISION IS ADDRESSED BELOW:

Supporting Safe and Healthy Students

ESSA SECTION 4108

Placentia-Yorba Linda Unified School District (PYLUSD) utilizes Title IV, Part A funds to support safe, healthy, inclusive, and supportive learning environments through coordinated community partnerships, social-emotional learning initiatives, behavioral supports, wellness programs, and Multi-Tiered System of Support (MTSS) systems aligned to whole-child development and student well-being. These efforts are designed to improve school climate, increase student engagement,

strengthen attendance, reduce behavioral concerns, and provide equitable access to supportive services for students and families.

Title IV-supported activities include partnerships with community-based organizations and agencies including Essential Connections, Disciplina Positiva, and the Orange County Gang Reduction and Intervention Partnership (OC GRIP). These partnerships provide coordinated services and programs focused on prevention, relationship-building, student wellness, social-emotional development, family engagement, and positive school climate initiatives.

The Orange County Gang Reduction and Intervention Partnership (OC GRIP) is a collaborative prevention and intervention initiative involving multiple organizations, agencies, volunteers, community partners, local law enforcement, and the Orange County District Attorney's Office. OC GRIP provides prevention-focused educational and recreational opportunities designed to support students experiencing challenges related to attendance, academics, behavior, and school engagement. Through mentorship, relationship-centered supports, enrichment opportunities, intervention services, and positive youth development activities, OC GRIP seeks to strengthen protective factors, improve school connectedness, and reduce involvement in high-risk behaviors.

PYLUSD also continues implementation of Disciplina Positiva, a community-based organization grounded in Adlerian Psychology and Positive Discipline practices designed to strengthen social-emotional learning, positive behavior supports, healthy relationships, and family engagement systems. Disciplina Positiva provides parent workshops, family engagement opportunities, and relationship-centered practices that support students, families, educators, and school communities in building respectful, responsible, and collaborative learning environments.

Title IV funds further support districtwide MTSS and Positive Behavioral Interventions and Supports (PBIS) implementation through:

- PBIS Tiered Fidelity Inventory (TFI) training and professional development for PBIS leadership teams;
- Behavioral intervention supports and materials for Registered Behavior Technicians (RBTs);
- Student engagement and attendance intervention systems;
- Restorative and relationship-centered practices;
- Counseling and wellness supports;
- Social-emotional learning initiatives;
- Universal Design for Learning (UDL) training for teachers and administrators;
- School climate and wellness improvement efforts.

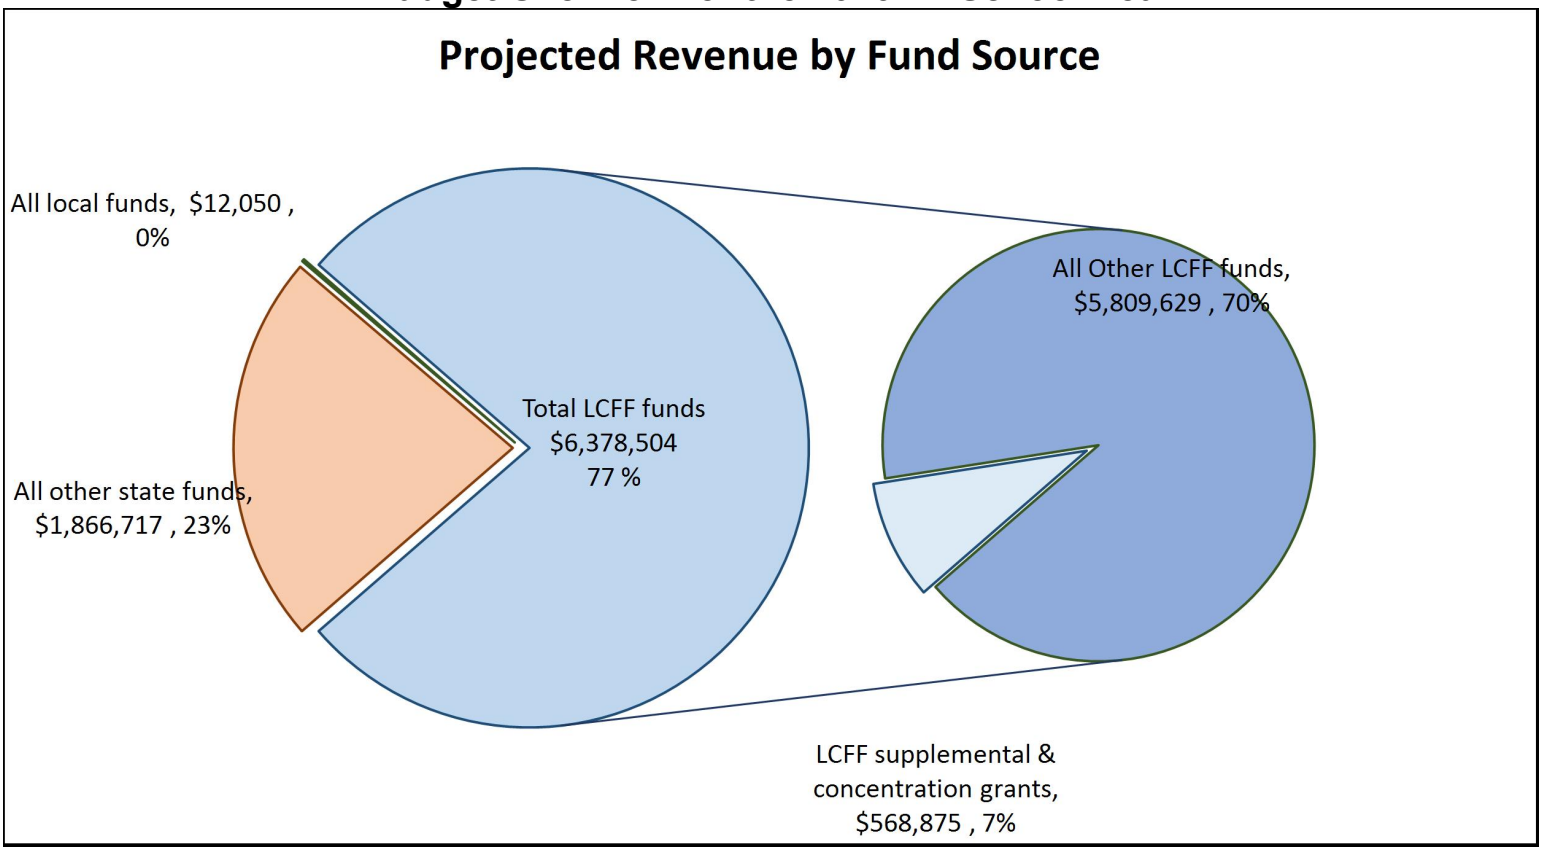
The district's MTSS framework supports safe and healthy learning environments by addressing students' academic, behavioral, social-emotional, and wellness needs through tiered intervention systems and coordinated supports. These systems help schools identify students in need of additional support and provide targeted interventions designed to improve attendance, increase engagement, strengthen emotional well-being, and promote positive behavioral outcomes.

PYLUSD also coordinates supports through the Family Resource Center (FRC), counseling services, Foster Youth and McKinney-Vento programs, wellness initiatives, and community partnerships in order to connect students and families with mental health resources, community services, attendance supports, and wraparound interventions that remove barriers to student success.

Educational partner engagement and culturally responsive relationship-building practices remain central components of the district's safe and healthy schools approach. Through implementation of Community Engagement Initiative (CEI) practices, empathy interviews, educational partner feedback cycles, focus groups, and collaborative problem-solving opportunities, PYLUSD continues strengthening inclusive school climates and systems that elevate student, family, and community voice.

The effectiveness of safe and healthy student programs and services is monitored through analysis of:

- Attendance and chronic absenteeism data;
- Student behavior and discipline data;
- School climate and wellness survey results;
- PBIS implementation measures;
- Educational partner feedback;
- Participation data for intervention and support programs;
- MTSS progress monitoring systems;
- California School Dashboard indicators.



Through these coordinated systems of support, partnerships, wellness initiatives, and prevention-focused practices, PYLUSD continues to foster safe, healthy, inclusive, and relationship-centered learning environments that support the academic, behavioral, social-emotional, and wellness needs of all students.

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Orange County School of Computer Science
CDS Code: 30-66647-6068621
School Year: 2026-27
LEA contact information:

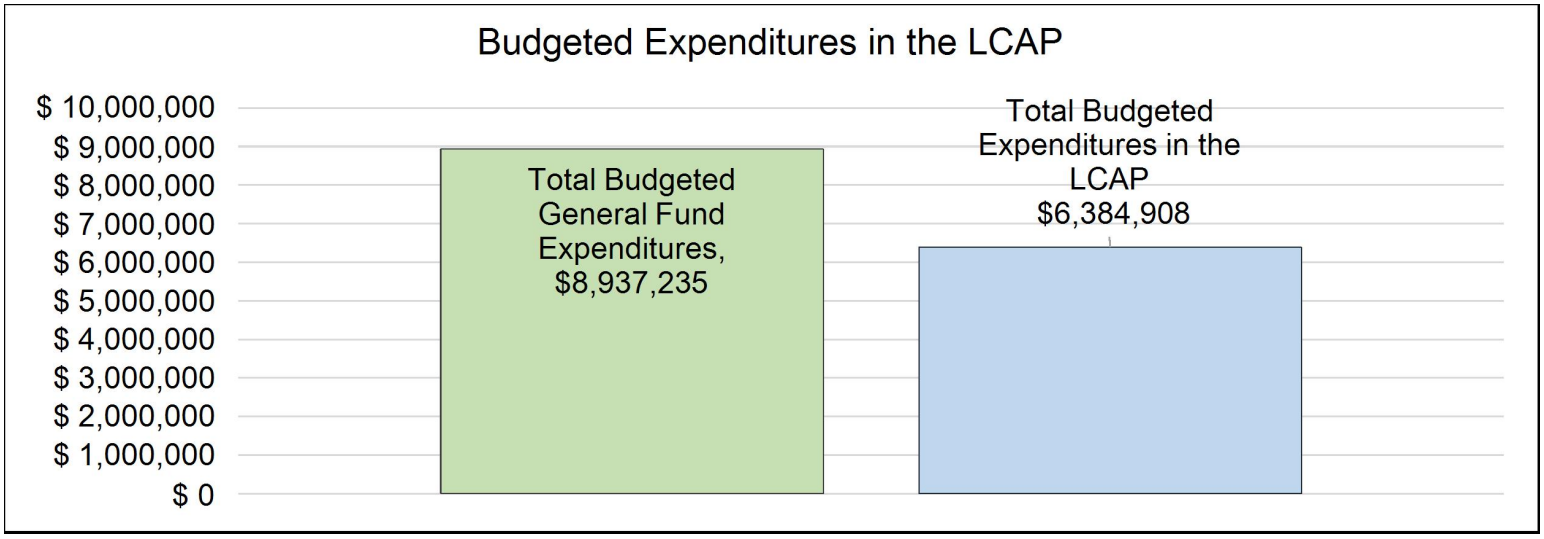
School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2026-27 School Year



This chart shows the total general purpose revenue Orange County School of Computer Science expects to receive in the coming year from all sources.

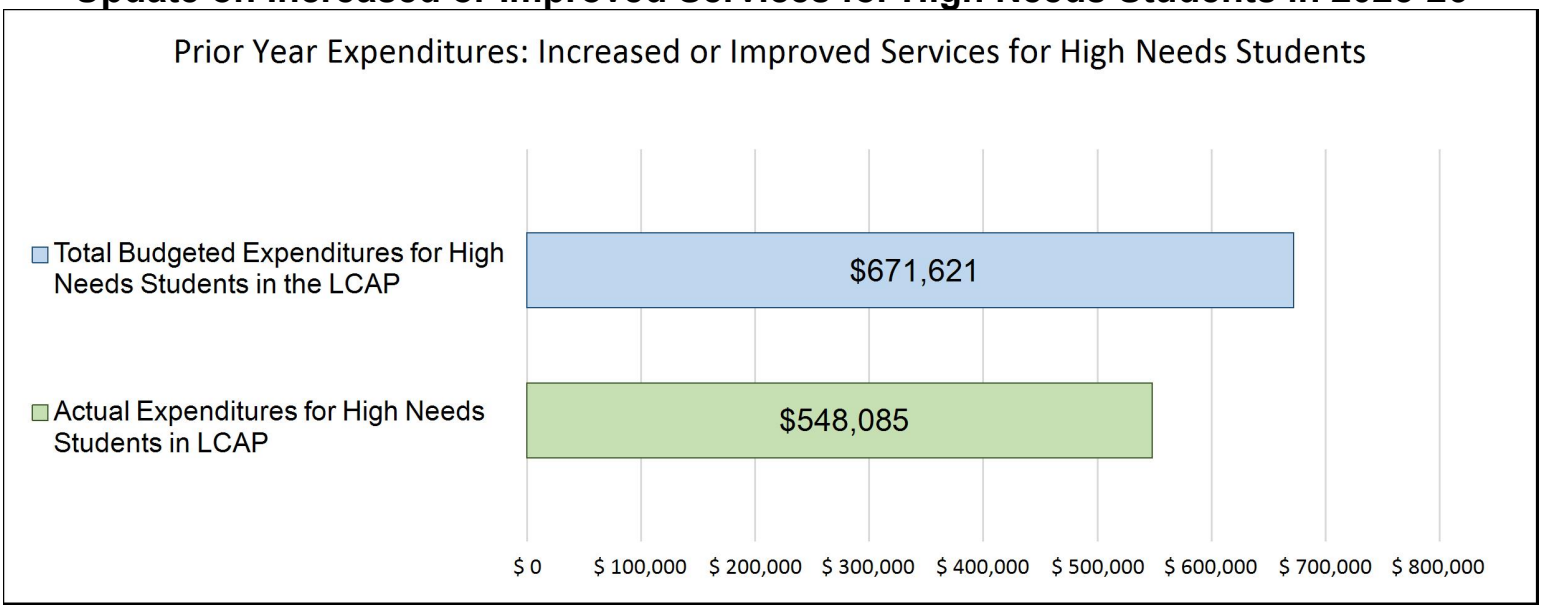
The text description for the above chart is as follows: The total revenue projected for Orange County School of Computer Science is $8,257,271, of which $6,378,504 is Local Control Funding Formula (LCFF), $1,866,717 is other state funds, $12,050 is local funds, and $0 is federal funds. Of the $6,378,504 in LCFF Funds, $568,875 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Orange County School of Computer Science plans to spend for 2026-27. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Orange County School of Computer Science plans to spend $8,937,235 for the 2026-27 school year. Of that amount, $6,384,907.83 is tied to actions/services in the LCAP and $2,552,327.17 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:



Expenses excluded from the LCAP encompass instructional materials, district facility maintenance, transportation operations, utilities and overhead, professional service costs, equipment and lease expenses, various categorical programs, and costs related to county operated programs.

Increased or Improved Services for High Needs Students in the LCAP for the 2026-27 School Year

In 2026-27, Orange County School of Computer Science is projecting it will receive $568,875 based on the enrollment of foster youth, English learner, and low-income students. Orange County School of Computer Science must describe how it intends to increase or improve services for high needs students in the LCAP. Orange County School of Computer Science plans to spend $967,494.74 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2025-26

This chart compares what Orange County School of Computer Science budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Orange County School of Computer Science estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2025-26, Orange County School of Computer Science's LCAP budgeted $671,621.00 for planned actions to increase or improve services for high needs students. Orange County School of Computer Science actually spent $548,085.00 for actions to increase or improve services for high needs students in 2025-26.

Plan Summary [2026-27]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

The Orange County School of Computer Science (OCSCS) at Bernardo Yorba is a dependent charter school located within the Placentia-Yorba Linda Unified School District (PYLUSD) that was established with a mission to provide a rigorous, inclusive, and innovative learning environment. The school's signature programs—such as the Visible Learning Framework, Mastery-Based Learning, and Innovation Lab electives—are designed to support student achievement, engagement, and equitable access to advanced coursework.

As a dependent charter school, OCSCS is still very much part of the PYLUSD family of schools and receives coordinated services from the District. 2024-25 was the first year of operation for OCSCS, and as such, the actions contained in this plan are largely the same as those in the PYLUSD LCAP, with a couple separate actions that are specific to the school. During the year, we have met with our educational partners and community members in order to develop actions which are unique to the conversion charter school. OCSCS' LCAP maintains the district's actions and numbering conventions to ease cross-referencing and accountability.

The district's demographic profile underscores both the strengths and opportunities present within the community. PYLUSD's Local Control and Accountability Plan and California School Dashboard data identify English Learners, Socioeconomically Disadvantaged students, and Foster Youth as key student groups for focused support due to persistent achievement and engagement gaps. At the same time, the district benefits from a highly diverse student body and strong overall academic performance compared with county and state averages. This diversity contributes to a rich educational environment while reinforcing the district's commitment to equitable access, culturally responsive practices, multilingual family engagement, and targeted interventions designed to ensure success for all student groups.

To close achievement gaps and ensure access to quality education for all students, PYLUSD strategically allocates resources, including Equity Multiplier funding for El Camino Real Continuation High School, which supports targeted interventions and academic improvements for unduplicated pupils. In response to district-wide data and input from educational partners, the district has identified key areas for improvement: foundational literacy and math skills, English language development, student wellness, and community engagement. To address these needs, PYLUSD has implemented a comprehensive plan with targeted interventions and instructional strategies. PYLUSD has unexpended Learning Recovery Emergency Block Grant (LREBG) funds which will support the following actions: 1.2, 1.3, 2.2, 2.3, 2.5, 3.1, 3.3, 3.5, 3.6, 3.10, 3.11, 3.15, 3.20, 3.21, 4.4, 4.9-4.13, 5.6, 5.9, 6.2, 6.3, 7.2, 7.3, 7.6, 7.8, 7.9, 7.21, 7.22, 7.25, 7.26, 7.27, 7.28, 7.29, 7.30, 8.1, 8.9, 8.17 and 9.7-9.10. The remaining funds will be spent during the 2027-28 school year current projections indicate that this amount will be approximately $2,511,934.80. PYLUSD will ensure that LREBG funds are spent according to the allowable uses identified in EC Section 32526 (c)(2) and based on the findings of a needs assessment as required by EC Section 32526(d).

Recognizing persistent achievement gaps, PYLUSD prioritizes English Learner support through designated and integrated instruction, bilingual resources, and family engagement programs. College and career readiness remains a focus, with robust Career Technical Education (CTE) pathways, dual enrollment programs, and dedicated post-secondary guidance. Student wellness is prioritized through mental health specialists, intervention programs, and suicide prevention initiatives. The district also ensures equitable resource distribution by directing support to high-need schools and strengthening attendance monitoring systems to assist at-risk students. These strategic actions foster academic excellence, career readiness, and student well-being across the district.

PYLUSD thrives on the dedicated involvement of parents, guardians, and community partners, including PTAs, the REACH Foundation, and other local community partners who provide invaluable support and opportunities for students. With a rich history dating back to 1874, the district celebrates over 150 years of educational excellence while continuing to evolve. Driven by its mission to provide rigorous and relevant learning experiences, PYLUSD empowers students to become responsible, ethical, and engaged citizens prepared for future success.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Lowest Performance Levels Identified on the 2023 California School Dashboard

Academic Achievement in English Language Arts

SWD (Red)
Students with Disabilities (19.15%); DFS = 102.4 below

English Language Arts data from the 2023 California School Dashboard identified Students with Disabilities as a student group performing at the Red level. With 19.15% of students meeting or exceeding standards and a Distance from Standard of 102.4 points below standard, the data indicates a significant achievement gap in ELA for this student group. The results highlight the importance of strengthening literacy instruction and providing targeted support for Students with Disabilities. The data reinforces the value of professional learning in Writer's Workshop, Step Up to Writing, Expository Reading and Writing, and DBQ strategies to support writing and literacy development across content areas. The results also underscore the importance of curriculum alignment efforts, literacy-focused professional development, and

family engagement opportunities, such as Family Literacy Nights, to support student achievement and strengthen home-school partnerships.

2025 Dashboard Data Reflection:

Academic Achievement in English Language Arts: Progress and Ongoing Efforts:
OCSCS demonstrated positive growth in English Language Arts when compared to the baseline year of 2022-23. The percentage of students meeting or exceeding standards increased from 55.90% to 60.85%, representing a 4.95 percentage point increase. Additionally, the school's Distance from Standard improved from 11.2 points above standard to 15.2 points above standard while maintaining a Green performance level on the California School Dashboard.

Writing assessment scores:
Writing assessment results also demonstrated improvement when compared to the baseline year. In spring 2022-23, 66% of students in grades 7-8 met or exceeded expectations on the OCSCS writing assessment. By spring 2024-25, this percentage increased to 72%, representing a six percentage point increase.

To support writing across all content areas, professional development was provided in Writer's Workshop, Step Up to Writing, Expository Reading and Writing, and DBQ strategies. Additional training in literacy and social-emotional learning was also offered. Task forces were established for a 6-8 ELA curriculum pilot. Family Literacy Nights with parent training and support have been implemented to strengthen community engagement.

Performance Gaps:
The following student groups scored at the lowest levels on the California Dashboard in English Language Arts:

Student Groups:
EL(2.7%) = Yellow
DFS = 53 below
SED (46.11%) = Yellow
DFS=23.1 below
SWD (15.66%) = Orange
DFS= 95.3 below
Homeless (27.27%) = Yellow
DFS = 57.5 below

Despite these challenges, OCSCS initiatives remain on track, with a continued focus on targeted interventions, GLAD training for teachers, and continued emphasis on small group instruction to ensure students meet or exceed grade-level expectations.

Academic Achievement in Math: Progress and Ongoing Efforts:
Mathematics achievement remains an area of focus for OCSCS. Compared to the baseline year of 2022-23, the percentage of students meeting or exceeding standards decreased from 48.19% to 43.56%. The school's Distance from Standard also declined from 4.8 points below standard to 21 points below standard, and the Dashboard performance level changed from Green to Yellow. To address areas of need

in mathematics, OCSCS implemented targeted intervention programs, professional development focused on the updated math framework, Cognitively Guided Instruction (CGI), and targeted strategies such as:

6-8 Trainings: Building Thinking Classrooms, MS Math Lab training (IXL)
New Teacher Support: Overview of textbook resources, PYL Signature Practices, ELD Strategies
Leadership & Research: Secondary instructional coach participation in the California Mathematics Council Conference and OCDE's Vision Driven Math series, Leadership Team meetings for middle and high school math, and the launch of a Math Fellows program (6-12) to support instructional strategies

Performance Gaps:

The following schools and student groups scored at the lowest levels on the California Dashboard in math:

OCSCS 2024-2025 = (43.56%) Yellow
DFS = 21 below

Student Groups:
EL(9.76%) = Orange
DFS = 71.1 below
SED (27.55%) = Orange
DFS=65.7 below
SWD (10.84%) = Red
DFS= 129 below
Homeless (20.69%) = Red
DFS = 98.1 below

OCSCS remains committed to enhancing instructional support, refining intervention strategies, and expanding professional learning to ensure all students meet or exceed grade-level expectations in mathematics.

Chronic Absenteeism: Progress and Ongoing Efforts:

Chronic absenteeism improved when compared to the baseline year, decreasing from 19.2% in 2022-23 to 15.1% in 2024-25. While this represents a reduction of 4.1 percentage points, chronic absenteeism remains an area of focus for OCSCS, particularly among English Learners and Students with Disabilities.

Key initiatives implemented to support behavioral and social-emotional well-being include:

- Providing social-emotional support through outside providers for elementary students, with a focus on unduplicated pupils (UPs).
- Equitably distributing resources to schools where needs are greatest to close achievement gaps for all UPs.
- Maintaining additional support staff, nurses, and health clerks at high-impact sites to support students and families.

- Implementing a comprehensive Multi-Tiered System of Support (MTSS) to provide tiered interventions and enrichment aimed at improving academic achievement and student behavior.
- Enhancing data monitoring and analysis systems to identify, track, and support at-risk students, while providing training for teachers and site leaders to use this system effectively.
- Expanding behavioral intervention services by placing full-time Registered Behavior Technicians (RBTs) at each elementary site, with a focus on reducing chronic absenteeism, minimizing disruptive behaviors, and improving academic outcomes.
- Providing additional psychologists at sites to support students at risk, particularly homeless and student with disability students.
- Maintaining ABA supervisors to oversee behavioral interventions, support Applied Behavior Analysis (ABA) strategies, and continue implementing Positive Behavioral Interventions and Supports (PBIS) districtwide.

Chronic Absenteeism Performance Gap:
OCSCS 2024-2025 = 15.1% (Orange)

Student Groups:
English Learners = 22.4% (Red)
SED = 18.7% (Orange)
SWD = 24.8% (Red)
Homeless = 23.6% (Orange)

OCSCS remains committed to reducing chronic absenteeism further by enhancing early identification systems, increasing outreach efforts, and expanding mental health and attendance support services to ensure every student has the resources needed to attend school consistently.

Suspension Rates: Progress and Ongoing Support
Suspension rates decreased significantly when compared to the baseline year. The suspension rate declined from 5.5% in 2022-23 to 1.5% in 2024-25, representing a reduction of four percentage points. This reduction reflects the OCSCS' commitment to proactive behavioral support, targeted interventions, and equitable resource distribution to ensure students remain engaged in a positive learning environment.

Key initiatives implemented to support behavioral and social-emotional well-being include:
- Equitably distributing resources to schools where needs are greatest to close achievement gaps for all UPs.
- Maintaining additional support staff, nurses, and health clerks at high-impact sites to support students and families.
- Implementing a comprehensive Multi-Tiered System of Support (MTSS) to provide tiered interventions and enrichment aimed at improving academic achievement and student behavior.
- Enhancing data monitoring and analysis systems to identify, track, and support at-risk students, while providing training for teachers and site leaders to use this system effectively.
- Providing additional psychologists at sites to support students at risk, particularly socioeconomically disadvantaged (SED).
- Maintaining ABA supervisors to oversee behavioral interventions, support Applied Behavior Analysis (ABA) strategies, and continue implementing Positive Behavioral Interventions and Supports (PBIS) districtwide.

Suspension Rates by Subgroup

OCSCS 2024-2025 = 1.5% (Orange)

Student Groups:
EL= 0% (Blue)
SWD = 0.9% (Green)

OCSCS remains committed to reducing suspension rates further by maintaining behavioral interventions and proactive support systems. By strengthening PBIS implementation and refining intervention strategies, the district continues to foster a positive, inclusive, and supportive learning environment for all students.

English Learner Progress: Performance and Ongoing Efforts
English Learner Progress remains an area of focus for OCSCS. Compared to the baseline year of 2022-23, the percentage of English Learners making progress toward English language proficiency decreased from 60% to 47.2% in 2024-25, resulting in an Orange performance level on the California Dashboard.

Key Initiatives to Improve English Learner Progress

- Provided professional development in Designated and Integrated English Language Development (ELD) instruction for all educators.
- Provided additional ELD sections at secondary schools to ensure all English Learners receive structured language support.
- Provided bilingual instructional aides to accelerate academic language acquisition.
- Held special education training to ensure accurate identification and support for EL students with special needs.
- Enhanced ELPAC testing facilitation for improved assessment conditions and reclassification processes.
- Increased instructional materials to support Guided Language Acquisition Design (GLAD) strategies.
- Provided translation services and bilingual liaisons to strengthen family engagement and access to resources.
- Provided EL Summer Camp.

Next Steps and Continued Efforts

To address performance gaps and accelerate English Learner achievement, the district will:

- Strengthen progress monitoring systems and intervention strategies using data-driven insights.
- Expand EL summer camp programs to three sites to prevent learning loss.

- Continue professional development in GLAD strategies for teachers.
- Enhance family and community engagement efforts to support English Learner success.
- Increase ELD instructional support.

OCSCS remains committed to ensuring that all English Learners receive equitable access to high-quality instruction, targeted language development, and the necessary resources to succeed academically.

The district remains committed to ensuring that every student is equipped with the necessary skills, resources, and opportunities to successfully graduate and pursue postsecondary education or career pathways. 1.2, 1.3, 2.2, 2.3, 2.5, 3.1, 3.3, 3.5, 3.6, 3.10, 3.11, 3.15, 3.20, 3.21, 4.4, 4.9-4.13, 5.6, 5.9, 6.2, 6.3, 7.2, 7.3, 7.6, 7.8, 7.9, 7.21, 7.22, 7.25, 7.26, 7.27, 7.28, 7.29, and 7.30. The remaining funds will be spent during the 2027-28 school year current projections indicate that this amount will be approximately $2,511,934.80. PYLUSD will ensure that LREBG funds are spent according to the allowable uses identified in EC Section 32526 (c)(2) and based on the findings of a needs assessment as required by EC Section 32526(d).

Based on the LREBG needs assessment, Actions 2.2 & 2.3 focus on staff development and instructional materials. Actions 3.1, 3.3, 3.5, 3.6, 3.10, 3.11, 3.15, 3.20, and 3.21 are focused on the administration of the ELPAC, the Language Assessment Center and English Learner Instruction. Actions 4.4 and 4.9-4.13 support our Long Term English learners. Actions 5.6 and 5.9 focus on providing elementary school counselors at Title 1 schools and our AVID programs. Action 6.2 & 6.3 will focus on Foster Youth Mentors and Trauma-Informed Practices. Actions 7.2, 7.3, 7.6, 7.8, 7.9, 7.21, 7.22, 7.25, 7.26, 7.27, 7.28, 7.29, 7.30 focus on PLC professional development, MTSS and collaborative task forces, SST and 504 coordination, Credit Recovery, Suicide Prevention, and Learning Recovery Programs.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

As a district, PYLUSD has been identified for technical assistance to address CA Dashboard Indicators for dashboard indicators for our Long-Term English Learners in the areas of Chronic Absenteeism and Suspension Rate. We have conducted a root cause analysis and a series of group & individual empathy interviews and received valuable feedback that will inform the lens through which we support these students. The need to address these metrics has been folded into our Community Engagement Initiative ("CEI") team's work that is focused on building authentic connections with families of English Learners and Long Term English Learners to addressed these underlying causes. Our Differentiated Assistance-related actions can be found in Goals 3 & 4. While Goal 4, and its 13 actions, is expressly designed to support Long Term English Learners, Goal 3 is also a contributing goal for this work in that the 21 actions it contains aims to support earlier reclassification and therefore reduce the number of students identified as LTELs.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Mid-Year LCAP Presentation to the Board of Education	At the February 10, 2026, Board of Education meeting, a mid-year progress update on LCAP goals and actions was presented. The update included a brief budget overview and a summary of the progress made on various actions throughout the school year. Board members were also given the opportunity to provide feedback on the goals and actions discussed.
PYLUSD Principals	Site principals convened for a meeting on February 12, 2026 during which district staff briefed them on the background of the LCAP, the available budgetary resources, and reviewed performance data of our various student groups. Principals actively participated in a table activity where they were tasked with reviewing proposed actions and sharing actions that are implemented at their respective sites aimed at enhancing services for unduplicated students.
California School Employee Association (CSEA) Chapter 293	On February 24, 2026, the CSEA executive board and district leadership convened to assess district performance regarding state priorities and Dashboard indicators. District leaders outlined available budgetary resources, academic performance gaps, and suggested measures to enhance services for Foster Youth, English Learners, Long-Term English Learners, and Socio-economically Disadvantaged students. CSEA members offered student-centered feedback on the proposed measures and provided the LCAP revision team with valuable input.
Association of Placentia-Yorba Linda Educators (APLE)	On February 25, 2026 the APLE executive board and district leadership convened to assess district performance regarding state priorities and Dashboard indicators. A presentation covered available

Educational Partner(s)	Process for Engagement
	budgetary resources, academic performance disparities, and proposed strategies to enhance services for Foster Youth, English Learners, Long-Term English Learners, and Socio-economically Disadvantaged students. APLE members offered feedback on the proposed goals and actions.
PYLUC PTA	On March 4, 2026, the PYLUC PTA Presidents met in person at the district office. District leaders offered insights into LCFF and discussed the purpose of the LCAP, presenting performance data across state priorities and Dashboard indicators. The group addressed achievement gaps and explored proposed actions to enhance services for Foster Youth, English Learners, and Socio-economically Disadvantaged students. Attendees had the chance to ask clarifying questions and offer in-person suggestions. PYLUC provided feedback on all proposed actions.
Community Town Hall, DELAC, Title 1 Parent Advisory, and Special Education Community Advisory Committee	The Community Town Hall, District English Learners Advisory Committee (DELAC), and Title I Parent Advisory convened on March 16, 2026, at the district office with Spanish translation available. District leadership presented an overview of LCFF, discussed the purpose of the LCAP, and shared performance data on state priorities and Dashboard indicators. The meeting addressed achievement gaps and proposed actions to enhance services for Foster Youth, English Learners, Long-Term English Learners, and Socio-economically Disadvantaged students. After the presentation, attendees were randomly assigned to small groups by goal to encourage engagement in the feedback collection process. Community members actively participated by asking questions and providing input during the live session.
Student Advisory Committee	During the Student Advisory Committee meetings on March 25, 2025 via zoom, students from elementary, middle, and high school provided valuable insights on ways to enhance engagement, support, and academic success across all grade levels.
Orange County School of Computer Science	The Orange County School of Computer Science Advisory Council met to review Dashboard performance and suggested staff actions to continue the work of the school on March 25, 2026. OCSCS staff input was gathered at a meeting on February 25, 2026. Student input was gathered at two sessions on April 1 & 3, 2026. As was done last year, the OCSCS LCAP will emulate the PYLUSD LCAP.

Educational Partner(s)	Process for Engagement
Board Study Session	The Board Study Session will took place on April 28, 2026. During the session, district leadership provided an overview of the LCFF, shared performance data across state priorities, and reviewed the Dashboard indicators, with a focus on addressing achievement gaps and enhancing services for Foster Youth, English Learners, and Socio-economically Disadvantaged students. The annual evaluation of the current year LCAP was discussed, leading to the discontinuation of some actions, amendments to others, and proposals for new actions. Following the presentation, the board engaged in discussions, asked questions about goals, and provided feedback on proposed actions.
Special Education Local Plan Area (SELPA) - Northeast Orange County SELPA	Regular meetings with Assistant Superintendent, Student Support Services, SELPA administrator, Special Education Director, Special Education Administrator and Special Education Community Advisory Committee informed the development of the LCAP. PYLUSD collaborated and reviewed the progress towards the LCAP goals and the action steps that were being adjusted and modified. In collaboration with the SELPA director, PYLUSD ensured that all actions and goals were in line with the needs of students with disabilities. The SELPA director attended multiple input sessions and is a part of the district team that develops the LCAP and represented the needs of this student group and the SELPA throughout the process.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The Orange County School of Computer Science (OCSCS) is a dependent charter. Throughout the 2025-26 academic year, OCSCS has been part of PYLUSD and has been included in all PYLUSD educational partner feedback sessions. Additional separate feedback sessions were held with OCSCS stakeholders throughout the year as well.

The Placentia-Yorba Linda Unified School District (PYLUSD) is committed to using the Local Control and Accountability Plan (LCAP) to guide a cycle of continuous improvement. The engagement of parents, students, teachers, staff, and other community members plays a critical role in supporting the implementation, evaluation, and future adjustments of this plan. The District called upon existing advisory groups as well as held a districtwide Community Forum to ensure all voices were heard and reflected. The following groups were actively involved in the LCAP development process described below:

- OCSCS Advisory Council: The Advisory Council is composed of staff, parents, and community members to provide input on the operations of the school.

- OCSCS Staff: Staff were invited to attend the various other input sessions across the district. Staff input was also gathered via the PYLUSD Stakeholder Survey.
- OCSCS Students: Student input was gathered via the PYLUSD Stakeholder Survey.
- OCSCS Parents: Parent input was gathered via the PYLUSD Stakeholder Survey.
- PYLUSD District Leaders: Superintendent, Assistant Superintendents, Directors, and School Site Administrators
- District English Language Advisory Council (DELAC): Representatives from each school's English Language Advisory Council and other

parents of English learners

- Placentia-Yorba Linda Unified Council of PTAs: Representatives from each PTA across the district
- Association of Placentia-Linda Educators (APLE): Certificated bargaining unit representatives
- California School Employees Association (CSEA, Chapter 293): Classified bargaining unit representatives
- Community Forums: Open community forum for all community members, including staff
- Special Education Local Plan Area (SELPA): Regular meetings with Assistant Superintendent, Student Support Services, SELPA

administrator, Special Education Director, Special Education Administrator and Special Education Community Advisory Committee informed the development of the LCAP. PYLUSD collaborated and reviewed the progress towards the LCAP goals and the action steps that were being adjusted and modified. In collaboration with the SELPA director, PYLUSD ensured that all actions and goals were in line with the needs of students with disabilities. The SELPA director attended multiple input sessions and is a part of the district team that develops the LCAP and represented the needs of this student group and the SELPA throughout the process.

Separate meetings were held for each advisory group, conducted either virtually or in person to ensure accessibility. At the start of each session a slideshow was presented that outlined the budget overview, LCAP goals, and proposed actions. Student representation was prioritized through the Student Advisory Committee, which included a diverse selection of students from multiple school sites. Efforts were made to ensure that Foster Care, English Learner, Long-Term English Learner and Socio-economically Disadvantaged student populations were represented, in alignment with LCAP requirements.

During the meetings, district leadership including Executive Cabinet members, Directors from Educational Services and Student Support Services provided presentations on LCAP development procedures, fiscal considerations, outcome data, and proposed actions to address identified needs. Advisory members were given recommendations for improvement and had the opportunity to offer feedback, with representatives from all district departments available to address questions. Parents, community members, students, and staff were encouraged to share perspectives and suggest areas for growth. Feedback was systematically collected through meeting notes, organized by action item, and will be analyzed to inform the LCAP writing team’s decision-making process.

The following list of dates details the input and/or consultation sessions held to engage all of PYLUSD’s educational partners:

February 12, 2026 - Board of Education Mid-year LCAP Feedback Presentation and Input Session
February 12, 2026 - Principals’ Feedback Session
February 24, 2026 - CSEA (Classified Employee Association) Study Session
February 25, 2026 - APLE (Association of Placentia-Yorba Linda Educators) Study Session
March 4, 2026 - PYLUC (Placentia-Yorba Linda Unified PTA Council) Feedback Session

March 16, 2026 - Community Town Hall, DELAC (District English Language Advisory Committee), and Title I Parent Study Session
March 25, 2026 - Student Advisory Committees (5th, 8th, and 12th grade student representatives)
April 28, 2026 - PYLUSD School Board Study Session
May 2026 - Share draft LCAP with OCDE
June 2026 - Share draft LCAP on district website for public review
June 2026 - Provide written responses to any LCAP concerns from PYLUC and DELAC
June 2026 - Local Indicators School Board Presentation
June 2026 - LCAP and Budget Public Hearing
June 2026 - Board approval of LCAP and Local Indicators
June 2026 - Submit approved LCAP to OCDE and post on district website in English and Spanish

The involvement of these educational partners supported improved outcomes for students, including Unduplicated Pupils. Identified needs became the driving force behind all actions in the LCAP. Feedback and ideas for the development of the Local Control Accountability Plan (LCAP) were gathered at these sessions and taken under advisement by district leadership.

As a result of the various input sessions, feedback and ideas for the development of the Local Control Accountability Plan (LCAP) were gathered. Listed below is a summary of the feedback and ideas gathered from educational partners for each goal.
Goal 1: PYLUSD will provide innovative, rigorous, and relevant educational experiences that empower students to become responsible, ethical, and contributing citizens.
Goal 2: PYLUSD will continue to provide the necessary resources, skills, and opportunities for all students to meet or exceed grade level expectations.

Attendance & Intervention
Participants noted that while school attendance rates are improving, chronic absenteeism remains above pre-COVID levels and continues to be an area of focus. Recommendations included encouraging partial-day attendance when possible to maintain student connection to school and increasing the use of text notifications to improve family engagement and communication. Participants also suggested providing attendance incentives for families in addition to students and improving staff awareness of available student supports and intervention resources. Additional recommendations included implementing student attendance incentives that promote consistent attendance while avoiding recognition systems that encourage sick students to attend school. Participants further emphasized the importance of increasing student engagement through expanded extracurricular opportunities at the elementary level.

Academic Interventions & Instructional Support
Participants suggested expanding targeted academic supports in mathematics and English language arts to strengthen student achievement and address opportunity gaps for all learners. Recommendations included incentivizing the recruitment and retention of multilingual educators, maintaining ELD staffing, and continuing targeted supports for English learners. Additional suggestions focused on expanding elementary and middle school math intervention opportunities, providing before-school reading classes at elementary sites, and increasing access to online tutoring and academic interaction supports. Participants also recommended offering summer reading and mathematics programs for all students and improving communication with families regarding elementary math progress and student performance.
Participants suggested expanding curriculum, enrichment, and engagement opportunities to better support student access and family involvement across the district. Recommendations included expanding tutorial periods to provide additional intervention and enrichment

opportunities, increasing access to VAPA programming for all students, and strengthening parent engagement through partnerships with PTA organizations, businesses, and community groups. Participants also recommended offering additional Booster training to promote greater access, equity, oversight, and parent involvement. In the area of professional development and staff support, participants emphasized the need for more practical, classroom-ready training opportunities based on feedback from summer institute sessions. Additional recommendations included providing more comprehensive training for new curriculum adoptions and ensuring classified staff receive emergency procedure training with appropriate compensation for participation.

School Engagement & Student Motivation
Participants suggested expanding extracurricular and student engagement opportunities to strengthen school connectedness and increase participation across grade levels. Recommendations included expanding middle school athletics and integrating additional VAPA opportunities to provide students with a broader range of enrichment experiences. Participants also emphasized the value of structured extracurricular activities, such as student council, English-learning games, and academic competitions, to support student engagement and leadership development. Additional suggestions focused on increasing opportunities for hands-on, interactive lessons designed to improve classroom participation and student interest. Participants further recommended strengthening partnerships with local businesses to expose students to a wider range of career pathways and real-world learning experiences.

Goal 3: PYLUSD will close the academic achievement gap for English Learner (EL) students.
Goal 4: PYLUSD will close the academic achievement gap for Long-term English Learner (LTEL) students.
Participants emphasized the importance of strengthening supports for English learners through expanded staffing, targeted instruction, and increased family engagement. Recommendations included incentivizing the recruitment and retention of multilingual educators, maintaining ELD teachers, and increasing access to bilingual aides and targeted English learner support services. Participants also suggested expanding English classes for adults at high school sites, improving multilingual communication and outreach efforts, and providing more user-friendly parent resources and workshops. Additional recommendations focused on increasing awareness of translation services, strengthening family engagement opportunities in parents' native languages, and improving communication regarding programs, assessments, and available supports for English learner families.

Participants also highlighted the need to enhance instructional practices, intervention systems, and professional development related to English learner achievement. Suggestions included increasing teacher training on ELD instructional strategies, expanding GLAD training, integrating language development supports into core instruction, and utilizing technology tools such as Lexia, Nearpod, and digital translation resources to support language acquisition. Participants recommended expanding after-school tutoring, small-group interventions, bilingual tutoring, and targeted writing support, while also exploring additional literacy resources and curriculum options to address learning gaps. Additional recommendations included improving progress monitoring systems for LTEL students, strengthening reclassification processes, integrating ELPAC preparation into instruction, and using assessment and attendance data to guide intervention strategies and early support efforts.

Participants further emphasized the importance of increasing student engagement, motivation, and community partnerships to support long-term English learner success. Recommendations included expanding peer mentoring, classroom buddy systems, leadership opportunities, and milestone celebrations to recognize student progress and build school connectedness. Participants also suggested strengthening career awareness and goal-setting initiatives to reinforce the importance of English language development and academic achievement. Additional recommendations included expanding summer and after-school ELD programs, increasing mentorship opportunities, improving access to

bilingual mental health and community supports, and exploring partnerships and grant opportunities through programs such as AVID Excel, PIQE, and Community Schools initiatives to enhance districtwide services for English learners.

Goal 5: PYLUSD will close the academic achievement gap for Socio-Economically Disadvantaged (SED) students.
Participants emphasized the importance of expanding college and career readiness opportunities through increased access to Career Technical Education (CTE), academic intervention, and real-world learning experiences. Recommendations included expanding CTE pathways at Valencia High School with a focus on hands-on technical and trade-related programs such as robotics, autobody, manufacturing, and mechanical systems. Participants also suggested strengthening partnerships with community colleges to provide students with career-focused coursework and experiential learning opportunities, while advocating for districtwide Trade Fairs, College Fairs, and Career Days. Additional recommendations focused on expanding AVID and career-readiness programs at the elementary and middle school levels, increasing access to tutoring and structured intervention during the school day, improving student confidence with testing formats, and strengthening access to internships, mentorships, financial literacy education, and college and career exploration opportunities. Participants also highlighted the need to strengthen student engagement, family support systems, and access to social-emotional and wellness resources. Recommendations included increasing staff outreach to families to improve attendance and address chronic absenteeism through conferences, home visits, and enhanced communication efforts. Participants suggested expanding after-school athletics and enrichment opportunities, improving transportation access to support participation in programs, and continuing to expand bus routes and awareness of available transportation services. Additional recommendations included ensuring access to counseling, behavioral, and wellness supports across all schools, expanding SEL and intervention services, and strengthening school-family partnerships through community resource fairs, childcare and food supports for family events, financial literacy resources, and increased collaboration with PTAs, local businesses, colleges, and community organizations to support whole-family engagement and student success.

Goal 6: PYLUSD will close the academic achievement gap for Foster Youth (FY) students.
Participants emphasized the importance of strengthening stability, connection, and access to supports for foster youth students and families across the district. Recommendations included researching best practices from existing support models, establishing policies that promote school stability despite placement changes, and maintaining transportation services that allow foster youth to remain at their school of origin whenever possible. Participants also suggested strengthening partnerships with county agencies and community organizations to improve access to available resources and services for foster youth and families. Additional recommendations focused on expanding counselor and mentor availability across all schools, utilizing foster youth liaisons to coordinate districtwide supports, improving access to mental health services, and creating welcoming campus processes that connect students to support staff immediately upon enrollment. Participants further recommended organizing resource fairs, increasing professional development for classified staff, and ensuring each foster youth student has a designated point person or mentor for ongoing support.

Participants also highlighted the need to expand academic interventions, student engagement opportunities, and trauma-informed supports to improve outcomes for foster youth students. Recommendations included enhancing tutoring services through earlier intervention referrals, improving family awareness of available academic supports, and providing staff training focused on trauma-informed practices and the unique needs of foster youth students. Participants emphasized the importance of fostering school belonging through peer buddy programs, mentorship opportunities, extracurricular activities, middle school athletics, clubs, celebrations, and schoolwide SEL initiatives that help students build meaningful connections. Additional recommendations included creating inclusive campus environments through staff awareness training, providing vouchers for school-sponsored activities, supporting students' ability to practice their faith on campus, and strengthening absenteeism interventions through monitoring, communication, and family meetings. Participants also suggested expanding

welcoming resources such as Care Closets, student service groups, and ASB or activities cards to further support student engagement and connectedness.

Goal 7: PYLUSD will close the academic achievement gap for all Unduplicated Pupils through district-wide and school-wide actions. Participants emphasized the importance of expanding staffing, intervention systems, and mentorship opportunities to better support unduplicated pupil groups and struggling students across the district. Recommendations included increasing human resources available to support teachers and students through preventive interventions focused on literacy, reading, and mathematics, particularly for students who may lack academic support outside of school. Participants suggested expanding mentorship opportunities through peer helper programs, classified staff mentorship training, and initiatives such as Support One Student (S.O.S.) to provide targeted support for specific student groups. Additional recommendations included increasing staffing dedicated to pre-intervention services, strengthening counselor availability and mental health supports, improving outreach and registration supports for foster youth students, and ensuring additional school and district staff are available to monitor student needs and provide ongoing assistance. Participants also emphasized the importance of targeted resource allocation for schools serving high concentrations of English learners and socioeconomically disadvantaged students, while maintaining transparency regarding funding and support services for unduplicated pupils.

Participants highlighted the need to strengthen family engagement, attendance supports, and school climate initiatives to improve student connectedness and academic outcomes. Participants noted that parent involvement has decreased following the COVID-19 pandemic and recommended expanding district-led parent engagement opportunities, parenting classes, and feeder-pattern family events to better support student success. Additional recommendations included strengthening communication regarding academic programs and support services, increasing multilingual outreach and language supports for families, and continuing to utilize advisory groups and PTA partnerships to strengthen connections between families and the district. Participants also emphasized the importance of strengthening attendance interventions through incentive-based attendance campaigns, more frequent attendance reporting, home visits, and expanded SART/SARB follow-through, while exploring options such as elementary attendance recovery opportunities. Recommendations further focused on improving school climate through restorative practices, PBIS, SEL, peer mentoring, buddy systems, clubs, and culturally inclusive activities designed to increase student belonging, engagement, and positive relationships across school communities.

Participants further emphasized the importance of expanding academic interventions, literacy supports, pathway opportunities, and professional development for both certificated and classified staff. Recommendations included replicating successful intervention models such as the tutoring block at Valencia High School, maintaining tutorial periods at the secondary level, and expanding after-school tutoring, small-group instruction, math labs, and structured intervention programs such as Reflex and ST Math. Participants stressed the importance of maintaining a districtwide focus on literacy, supporting struggling readers, and providing accommodations and interventions for students not responding to instruction. Additional recommendations included strengthening college and career readiness efforts through expanded pathway programs, earlier career exploration opportunities, increased promotion of dual enrollment and scholarship opportunities, and broader access to high-demand programs such as manufacturing. Participants also emphasized the need for ongoing professional development related to intervention strategies, behavioral supports, reading difficulties, AVID strategies, trauma-informed practices, and student engagement, while ensuring teachers have structured time and resources to identify and support struggling students effectively.

Input gathered during educational partner feedback sessions were examined to ensure the actions proposed are needs-responsive and assets-oriented. Many of the suggestions from our educational partners will assist our district as we drive instructional improvements and

allocate resources effectively. The following actions within each goal were either created or revised based on feedback from our educational partners and a review of our outcome data:

Goal 1: PYLUSD will provide innovative, rigorous, and relevant educational experiences that empower students to become responsible, ethical, and contributing citizens.
1.1 - Intervention Program
1.7 - ADVANCE Program
1.8 - Preschool programs
1.9 - Community Engagement

Goal 2: PYLUSD will continue to provide the necessary resources, skills, and opportunities for all students to meet or exceed grade level expectations.
Actions influenced include:
2.2 - Professional development for certificated staff
2.4 - Effective CAASPP administration

Goal 3: PYLUSD will close the academic achievement gap for English Learner (EL) students.
Actions influenced include:
3.4 - Professional development to assist English Learners with IEPs
3.21 - Implementation of an English Learner Snapshot

Goal 4: PYLUSD will close the academic achievement gap for Long-term English Learner (LTEL) students.
Actions influenced include:
4.1 - AVID Excel program
4.7 - Engaging with LTELs
4.9 - Teacher and staff awareness of LTELs
4.10 - Structured check-ins with LTELs
4.11 - Effective language teaching strategies
4.13 - Student-driven goal setting and progress monitoring
4.14 - LTEL progress monitoring

Goal 5: PYLUSD will close the academic achievement gap for Socio-Economically Disadvantaged (SED) students.
Actions influenced include:
5.1 - McKinney Vento Liaison
5.12 - Title 1 Instructional Coaches
5.15 - Mentoring program

Goal 7: PYLUSD will close the academic achievement gap for all Unduplicated Pupils through district-wide and school-wide actions.
Actions influenced include:
7.29 - Suicide Prevention Program

7.32 - Secondary school intervention programs
7.33 - Maintenance of CTE pathways
7.34 - Title I Parent Advisory Committee
7.35 - Expansion and support of Dual Language Academy
7.39 - Site level awareness of unduplicated pupils

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	OCSCS will provide innovative, rigorous, and relevant educational experiences that empower students to become responsible, ethical, and contributing citizens.	Broad Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

This goal was established to sustain and enhance the district's strong academic performance while addressing key areas of growth. With high student achievement in Mathematics and English Language Arts, a 95.6% graduation rate, and a College/Career indicator exceeding state performance levels, the district remains committed to providing rigorous and relevant educational experiences. Targeted intervention programs in ELA and Math, expanded early learning opportunities, and increased pathways for students with disabilities to earn diplomas and transition to work demonstrate PYLUSD's dedication to equitable student success. Additionally, the expansion of middle school athletics, implementation of CAASPP Interim Assessment Blocks, and ongoing professional development for staff ensure that students receive comprehensive support in their academic journey.

Despite these successes, the district recognizes areas for continued growth, including the need to improve English learner progress, reduce chronic absenteeism—especially among certain student subgroups—and close persistent achievement gaps for English Learners, Foster Youth, Students with Disabilities, and Socioeconomically Disadvantaged students. To address these challenges, PYLUSD is implementing targeted interventions such as expanded foundational math and writing programs, increased access to computer science education, and a transition-to-work program for graduates. Additionally, efforts to enhance community engagement, reduce class sizes, and provide innovative academic pathways will further support student success. By prioritizing these initiatives, PYLUSD aims to empower all students to thrive academically and become responsible, ethical, and contributing citizens.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

There were no substantive differences between the intended implementation and actual execution for the actions in Goal 1 with the exception of Action 1.1 that was discontinued in winter of 2026 because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made. Aside from this adjustment, all other actions were implemented as planned, including foundational math and writing initiatives, computer science programming, middle school athletics, transition-to-work opportunities for students

with disabilities, preschool expansion, community engagement efforts, innovative programs, and the elimination of 5th/6th grade combination classes. Several actions demonstrated notable success, including five cycles of before- and after-school intervention programs for students in grades 1–6, participation by 6,185 students in the Reflex math program, 2,955 students using the Frax math application, and administration of district writing prompts to 7,284 elementary students. The district also continued the Orange County School of Computer Science and Universal Sports Institute programs, and increased community engagement through strategic planning listening sessions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for any actions, aside from Action 1.1 because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Implementation of Goal 1 contributed to strong student outcomes across multiple measures. Districtwide English Language Arts performance improved from 64.75% to 67.39% meeting or exceeding standards, while Mathematics increased from 53.48% to 56.07%, with both indicators improving their Distance from Standard by more than eight points. Graduation rates increased from 94.3% to 95.6%, College and Career Readiness improved from 55.8% to 61.8%, chronic absenteeism declined from 17.8% to 11.4%, and suspension rates decreased from 1.4% to 0.6%. Local measures also reflected positive growth, including increases in K–5 i-Ready Reading performance from 58% to 63% and Mathematics from 47% to 53%. Writing outcomes improved substantially, with the percentage of students meeting or exceeding expectations on district writing prompts increasing from 81% to 86% in grades 1–5 and from 76% to 81% in grades 6–12. Advanced academic opportunities also expanded, with AP course participation increasing from 27% to 30%, AP pass rates rising from 85% to 91.2%, Cambridge exam pass rates increasing from 80% to 93%, and IB pass rates improving from 91% to 98%. Overall, the district concluded that the coordinated implementation of Goal 1 actions effectively supported student achievement, engagement, college and career readiness, and access to innovative educational opportunities. Comments related to specific actions are below:

Action 1.1: Targeted Intervention
PYLUSD elementary schools implemented five cycles of before-school and after-school intervention groups for math and English in grades 1-6. Survey feedback from teachers and anecdotal feedback from parents has been positive, indicating effectiveness in supporting student learning.

Action 1.2: Foundational Math
A total of 6,185 students in grades 1-6 engaged with the Reflex math app, resulting in an increase in group fluency averages from 40.1% to 66.2%, with an average of 68 facts gained per student. Additionally, 2,955 students in grades 2-6 used the Frax math app, completing an average of 9.7 missions. Improvements in fact fluency and conceptual understanding of fractions contributed to student success in other math assessments, such as i-Ready and SBAC.

Action 1.3: Foundational Writing
In late-October, the first elementary writing prompt was administered to 7,284 students in grades 1-5. At that point in the assessment calendar, 50% of students scored a 3, 3.5, or 4 on the district's four-point writing rubric, while an additional 37% scored a 2 or 2.5, indicating

they were nearing proficiency. Two more district writing prompts will be used to continue monitoring student progress, demonstrating the district's commitment to strengthening writing skills.

Action 1.4: Computer Science
The Computer Science Continuum continued to progress, with Computer Instructional Specialists being offered professional development to support elementary students.

Action 1.5: Middle School Athletics
The Middle School Athletics program maintained high participation levels during the 2026-27 school year with hundreds of students participating across 5 different sports: Volleyball, Cross Country, Flag Football, Wrestling, and Track.

Action 1.6: PLUS Program
High School and adult students at sites across the district are participating in subsidized employment opportunities for students in special education programs.

Action 1.7: ADVANCE Program
Due to the availability and structured support that the applied studies diploma pathway provides, more students are graduating from their comprehensive site(s) with a high school diploma in four years. Therefore, the Advance program is not needed at this time.

Action 1.8: Preschool Program
We completed the district's goal of increasing our fee-based preschools from one to five and our state preschools from four to seven. Therefore, our new focus is to increase access to early childhood education and development through our inclusion model, as well as to offer our families additional access to a high-quality preschool education.

Action 1.9: Special Education Resources and Program
The current hiring efforts have been effective in meeting the goal of strengthening support for students with special needs.

Action 1.10: Engaged Community
Messages to our community and invitations to collaborate have grown with the listening tour sessions that will be used to create PYLUSD's new Strategic Plan.

Action 1.11: 5th/6th Grade Combination Class Elimination
Through the use of Learning Recovery Emergency Block Grant funds, the district successfully eliminated nine 5th/6th grade combination classes, reducing class sizes at the elementary level.

Action 1.12: Innovative Programs
The Orange County School of Computer Science and Universal Sports Institute continue to operate.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following actions have revisions for the 2026-27 school year:

Action 1.1 was discontinued because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made.

Action 1.7 was revised because the availability and structured support that the applied studies diploma pathway provides, more students are graduating from their comprehensive site(s) with a high school diploma in four years. Therefore, the Advance program is not needed at this time.

Action 1.8 was revised because in 24 months, we completed the district's goal of increasing our fee-based preschools from one to five and our state preschools from four to seven. Therefore, our new focus is to increase access to early childhood education and development through our inclusion model, as well as to offer our families additional access to a high-quality preschool education.

An action related to eliminating 5th/6th combination classes was removed. Prior to the elimination of 5th- and 6th-grade combination classes, our teachers have supported student learning through differentiated instruction and/or collaboration with colleagues to share students and minimize combos during ELA and/or math periods. In addition, in adherence to the teacher contract, the district will work with principals to provide on-going year-long classroom support for 5/6 combo classes. Moreover, we are looking to align math curriculum K-8 to optimize continuity of learning.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	OCSCS will continue to provide the necessary resources, skills, and opportunities for all students to meet or exceed grade level expectations.	Maintenance of Progress Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 2: State Standards (Conditions of Learning)
Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

PYLUSD remains committed to ensuring that all students have access to the resources, skills, and opportunities necessary to meet or exceed grade-level expectations. With a diverse student population of over 22,700, including 44% identified as socioeconomically disadvantaged, 13.5% as English learners, and 0.4% as foster youth, it is essential to provide equitable support systems that address the unique needs of every learner. While districtwide performance in key areas such as English Language Arts, Mathematics, Graduation Rate, and College/Career readiness remains strong, areas like English Learner Progress and Chronic Absenteeism require continued attention and targeted intervention. By investing in high-quality instruction, professional development, and instructional resources, PYLUSD ensures that all students receive the support necessary to achieve academic success.

To sustain and build upon this progress, Goal 2 focuses on maintaining a highly qualified teaching staff, expanding professional development opportunities, and ensuring the equitable distribution of resources across the district. Continuous improvement efforts and instructional material enhancements, will help monitor student progress and refine instructional strategies. Additionally, providing professional development for classified staff ensures that all school personnel contribute effectively to student success. By prioritizing these initiatives, PYLUSD reaffirms its dedication to fostering an inclusive and academically enriching environment where all students can thrive.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 2 with no substantive differences between planned and actual implementation. Key actions included maintaining highly qualified staffing, providing professional development and collaborative learning opportunities for certificated and classified staff, ensuring equitable access to instructional materials and resources, administering state assessments, and monitoring resource allocation across schools. These efforts contributed to positive outcomes across multiple district indicators. Districtwide English Language Arts performance improved from 64.75% to 67.39% meeting or exceeding standards, with the Distance from Standard increasing from 35.6 to 43.9 points above standard. Mathematics performance increased from 53.48% to 56.07%, with Distance from Standard improving from 6.1 to 14.3 points above standard. Graduation rates increased from 94.3% to 95.6%, College and Career Readiness improved from 55.8% to 61.8%, and chronic absenteeism declined from 17.8% to 11.4%, representing a 6.4 percentage-point reduction. Suspension rates also decreased from 1.4% to 0.6%.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

The following actions experienced material differences between budgeted and estimated actual expenditures:

2.1: Districtwide Staffing: Fewer funds were used than initially budgeted to due strategic decision making regarding backfilling open positions, reducing staffing where feasible and similar decisions.

2.2: Mathematics: Expanded teacher support to support multilingual learners in alignment with the 2023 math framework by launching a GLAD in math after school cohort and the launch of the secondary Math Fellows program, including funding for BTC materials and professional development.

2.3: English Language Arts: Pear Assessment expanded to grades 3-5 to support CAASPP interim assessments. Additional IXL licenses purchased for 6th-grade teachers to facilitate diagnostics and individualized learning pathways. Funding planned for 2025-2026 to renew subscriptions for Step Up to Writing (K-12) and Studysync (9-12).

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The district found the actions associated with Goal 2 to be effective in maintaining and strengthening the district's core instructional program. Professional development investments supported implementation of the California Mathematics Framework, literacy initiatives, writing instruction, multilingual learner supports, and science instruction, while expanded instructional resources enhanced access to standards-aligned learning opportunities. Local measures also reflected positive outcomes, including increases in the percentage of K–5 students performing at or above grade level on i-Ready Reading from 58% to 63% and Mathematics from 47% to 53%. Secondary academic performance improved as well, with passing rates increasing in English Language Arts from 89% to 91%, Mathematics from 86% to 87%, Science from 88% to 90%, and Social Science from 88% to 89%. The district maintained 100% access to standards-aligned instructional materials, continued to receive a rating of "Good" on the Facilities Inspection Tool, and sustained full implementation of state standards across all content areas. Overall, the actions within Goal 2 successfully supported student achievement, instructional quality, and equitable access to educational opportunities while positioning the district to continue improving outcomes for all students. Comments related to specific actions are below:

Action 2.2: Professional Development, Training, and Task Forces
English Language Arts: A significant expenditure occurred in Spring 2025 due to a state directive requiring the selection of a Reading Difficulties Screener. Additional funds allocated for K-2 teacher training on screening procedures. An ELA pilot task force was funded to evaluate curricula that support intervention for students flagged by the screener. Additional hours provided for DLA teachers transitioning from i-Station to i-Ready Spanish diagnostic. District TOSAs trained as Step Up to Writing trainers for K-5 instruction. Momentum in Teaching expanded training to further support narrative, informational, and opinion writing across all grades.

Mathematics: Expanded teacher support to support multilingual learners in alignment with the 2023 math framework by launching a GLAD in math after school cohort. Launch of the secondary Math Fellows program, including funding for BTC materials and professional development.

Science: Increased support for Science Fellows professional development. Elementary Science Fellows completed NGSS certification to reinforce early-grade science instruction.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

No actions for this goal have been revised for the 2026-27 school year.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Districtwide Staffing	Provide highly qualified teachers and staff to provide effective instruction and maintain the operations of the district.	$4,137,249.10	No
2.2	Professional Development, Training, and Task Forces	The district will continue to provide training, professional development, and collaborative task force opportunities for teaching staff across all content areas and district initiatives—including Math/ELA Fellows, Writer's Workshop, Step Up to Writing, Love and Logic, ProAct, emergency procedures, Learning Walks, etc—supported in part through LREBG funds ($545,200). While the 2024 CA Dashboard shows overall stability in English Language Arts and Math, along with positive trends in graduation rates, chronic absenteeism, and suspension rates, student groups such as English Learners, Long-Term English Learners, Socioeconomically Disadvantaged students, and Foster Youth continue to perform below district averages. Research consistently shows that high-quality professional learning builds staff capacity to meet the needs of unduplicated pupils and leads to improved student outcomes (Hattie, 2009; Kanold, 2017; Erkens & Twadell, 2012), making this a strategic investment to close achievement gaps and support educational equity. The effectiveness of this action will be assessed using each of the CA Dashboard Indicators. (M2.1 - M2.10, M2.14)	$172,285.00	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	OCSCS will close the academic achievement gap for English Learner (EL) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

A persistent achievement gap persists between the performance of English Learners (ELs) and that of all students across various metrics districtwide. This goal is aimed at addressing this performance disparity by increasing and improving services for English Learners. Across the district, English Learner (EL) students have demonstrated the lowest performance level in Chronic Absenteeism. The actions outlined within this broad goal align with the objectives outlined in the PYLUSD EL Master Plan. Key components include staff professional development, additional support for Emerging ELs, provision of bilingual support staff, and fostering increased student and family engagement.

The key actions proposed to support ELs, such as the ELD Summer Program, progress monitoring, and English Language Proficiency Assessments for California (ELPAC) support, are essential to address the unique needs of this student group. We will be providing extensive professional development to teachers through Guided Language Acquisition and Design (GLAD) strategies, the ELD framework and roadmap, and student talk protocols. Additionally, translation services ensure that families of our ELs have access to resources and assistance in their native language, facilitating support and collaboration.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 3 to improve outcomes for English Learners (ELs), with no substantive differences between planned and actual implementation. Key actions included ELD professional development, additional designated and integrated ELD sections at secondary schools, bilingual instructional aides, ELPAC administration and training, translation services, EL progress monitoring through Ellevation, bilingual community liaisons, the English Language Assessment Center, ELD Academic Support Teachers, ELD Teacher on Special Assignment (TOSA) support, the ELD Summer Program, GLAD training, and implementation of the EL Master Plan. These efforts contributed to positive outcomes across multiple indicators. The English Learner Progress Indicator improved from 50.3% (Orange) in 2023–24 to 51.0% (Yellow) in 2024–25, while EL graduation rates increased from 79.9% to 89.9%. College and Career Readiness improved from 11.4% to 20.8%, chronic absenteeism declined from 25.9% to 16.5%, and suspension rates decreased from 2.1% to 1.5%. English Learners also improved their Distance from Standard in English Language Arts from 41 points below standard to 33.4 points below standard and in Mathematics from 68.7 points below standard to 55 points below standard, with both indicators improving one Dashboard performance level.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

The following actions experienced material differences between budgeted and estimated actual expenditures:

3.5: English Language Proficiency Assessments for California (ELPAC): Fewer funds were needed than initially estimated due to new ELPAC administration procedures. The district will refine coordination structures and adjust budget assumptions to reflect actual costs.

3.17: Expenditures for the ELD Summer Program exceeded initial projections due to expanded implementation, including increased student participation, additional program sites, and staffing needs to support small group instruction and differentiated learning. These increases reflect the district’s responsiveness to student need and commitment to expanding access to language development opportunities.

3.18: Increased demand from sites, and additional costs associated with substitute coverage, demonstration classrooms, and coaching support were distributed across multiple funding sources to sustain expanded implementation.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The district found many actions to be effective in improving English Learner achievement and engagement. ELD professional development contributed to 74.6% of English Learners improving their ELA scores and 71.8% improving their mathematics scores, while bilingual aides, translation services, family engagement structures, and EL progress monitoring strengthened support systems for students and families. GLAD implementation, ELD Summer Programming, and the English Learner Assessment Center further enhanced language acquisition and access to grade-level content. Local measures reflected additional progress, including increases in secondary passing rates for English Learners in English Language Arts from 73% to 75%, Mathematics from 62% to 67%, Science from 64% to 74%, and Social Science from 64% to 68%. Challenges remain, however, as only 11.66% of English Learners met or exceeded standards in English Language Arts and 13.97% met or exceeded standards in Mathematics, and elementary ELD Academic Support Teachers were less effective at some sites because staffing was divided across multiple schools and significant time was devoted to Kindergarten class-size reduction efforts. Additionally, the district identified inconsistencies in the implementation of the English Learner Snapshot tool and will revise the action in 2026–27 to incorporate the English Learner Progress Indicator (ELPI) as a primary monitoring metric. Overall, the coordinated implementation of Goal 3 actions resulted in meaningful progress toward closing achievement gaps and improving academic, language development, attendance, and postsecondary outcomes for English Learners. Comments related to specific actions are below:

Action 3.1: English Language Development (ELD) Professional Development
Implementation contributed to measurable gains, including 74.6% of English learners improving their ELA scores and 71.8% improving in Math. Increased teacher capacity supported access to grade-level content and language development aligned to EL Roadmap Principles 1 and 2.

Action 3.2: Additional EL Sections at Secondary Schools
We continue to ensure all ELs receive both designated and integrated ELD instruction in order to support academic success. We continue to provide middle schools and high schools with staffing/classes to support Emerging ELs. Students continued to receive ELD instruction; however, data indicates ongoing gaps, with only 11.66% of ELs meeting or exceeding ELA standards and 13.97% in Math.

Action 3.3: Bilingual Aides
We continue to provide bilingual instructional aides at high impact schools to accelerate academic language acquisition of ELs. This action is effective in providing the necessary support for academic growth for our English Learners.

Action 3.4: Special Education Training
The training was well received by staff and noted interest with additional training for the upcoming school year. This training is an effective action as we are building capacity, connecting, and facilitating multidisciplinary team decisions through a tiered approach.

Action 3.5: English Language Proficiency Assessments for California (ELPAC)
We continue to facilitate ELPAC testing of ELs through the use of employee testers and testing materials in order to support reclassification of EL students district-wide and transition from a centralized district testing model to site-based administration of the EPLAC exam. This action is effective in administering this assessment. The effectiveness is measured by the impact our team makes to facilitate and create optimal testing conditions

Action 3.6: Additional Instructional Materials for EL Support

This year, with the implementation of GLAD, we have focused this action on supporting the necessary materials for a successful implementation of GLAD. Each school site has been supported with the necessary materials to support the implementation.

Action 3.7: ELD Instruction and Support
Due to the change in our hourly part time teachers, we provided ELD Academic Support Teachers at the elementary school level to provide ELD support and direct services throughout the year. This action was effective at the Title 1 sites but less effective at the non-Title I sites. The ineffectiveness of this action is due to 7 FTEs being split between 14 schools. Additionally, the ELD ASTs spent a majority of the time supporting Kindergarten class size reduction. This Kindergarten support has reduced the time they can support ELD.

Action 3.8: ELD Teacher Support
We continue to provide a District ELD Teacher on Special Assignment (TOSA) support to assist with ELD instruction and services at all sites. This action has been effective in the implementation of GLAD, ELD support for all grade spans, DWI training, and ELPAC training.

Action 3.9: Translation Services
We continue to provide District translation services to support English learners and their parents, and to encourage parental engagement and participation as well as family workshops and professional development to increase parent participation for Title I sites. This action is effective to provide support to our families in making progress toward the goal during the three-year LCAP cycle.

3.10: English Language Assessment Center
This initiative is effective in meeting our three-year goal because it ensures a centralized and streamlined approach to identifying and assessing English Learners (ELs). By housing language assessment services within the Family Resource Center, we enhance accessibility for families, improve coordination of support services, and ensure consistency in evaluating student needs. This structure allows for more efficient resource allocation, timely interventions, and better alignment with district-wide language development goals.

3.11: DELAC & ELAC Groups
This initiative effectively advances our three-year goal by strengthening family engagement and fostering meaningful collaboration between parents of English Learners (ELs) and school staff. By continuing to coordinate advisory groups, we provide parents with valuable opportunities to learn about educational programs, contribute to program goals and procedures, and advocate for their children’s academic success.

3.12: Bilingual Community Liaisons
This initiative directly supports our three-year goal by ensuring that students and families in high-ELL-population schools receive timely responsive support. Bilingual School/Community Student Advisors play a crucial role in bridging communication between families and schools, fostering stronger relationships, and increasing engagement in the educational process.

3.13: Administrative Support
This action is essential to achieving our three-year goal by ensuring strong administrative leadership and compliance with state and federal guidelines for the EL program. By maintaining dedicated administrative support at the district office, we can effectively oversee program implementation, provide communication to school sites, and ensure alignment and coherence of services.

3.14: Melrose Literacy Coach
This initiative supports our three-year goal by enhancing literacy instruction and providing targeted interventions for students who need additional support at Melrose Elementary. The Literacy coach and specialist plays a critical role in strengthening instructional practices, supporting teachers, and improving student outcomes. This investment ensures that students, particularly those struggling with literacy, receive the necessary resources and support to develop strong reading skills, ultimately leading to greater academic success and long-term educational equity.

3.15: EL Progress Monitoring
This initiative directly advances our three-year goal by leveraging technology to ensure real-time monitoring and support for English Learners (ELs). By utilizing and providing ongoing training for the online data system, we can effectively track EL progress, identify students with D or F grades in core classes, and implement timely interventions. Ellevation training and support enhance our ability to target instruction using consolidated data, streamline EL and RFEP monitoring, and manage the reclassification process efficiently.

3.16: ELD Coordination
This action aligns with the California English Learner Roadmap (Principles 1 and 2) by promoting asset-based instruction and ensuring meaningful access to rigorous content supported by appropriate scaffolds. As a result, sites are better positioned to respond to student needs and provide targeted supports within a Comprehensive ELD and MTSS framework.

3.17: ELD Summer Program
This initiative supports our three-year goal by offering a structured ELD summer program designed to enhance language acquisition and academic enrichment for elementary English Learners. By incorporating GLAD (Guided Language Acquisition Design) strategies, the program provides research-based, interactive instruction that strengthens language development in an engaging and supportive environment. This targeted summer intervention helped prevent learning loss, accelerated English proficiency, and built students' confidence in using academic language.

3.18: Guided Language Acquisition Design (GLAD)
This initiative supports our three-year goal by strengthening instructional practices through professional development in cultural proficiency and language acquisition strategies. Partnering with OC GLAD ensures that educators receive high-quality training on lesson design for both integrated and designated English Language Development (ELD), using language development standards to guide instruction effectively.

3.19: English Learner Master Plan
By adhering to the plan with fidelity, we are able to provide structured, research-based instruction, equitable access to rigorous grade-level content, and targeted language development support. This approach strengthens teacher capacity, enhances intervention strategies, and ensures compliance with state and federal requirements.

3.20: Needs-Responsive Schools
Trainings were offered that site & district staff attended to offer programs that are more responsive to student needs.

3.21: English Learner Snapshot

Based on reflection on prior implementation, the district identified variability in how the EL Snapshot Tool was used across sites and a need to strengthen alignment to state accountability measures. As a result, the district will revise Action 3.21 to incorporate the use of the English Learner Progress Indicator (ELPI) as a primary metric for monitoring student progress, in place of relying solely on growth by proficiency level.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following actions have been revised:

Action 3.4 was updated because PYLUSD completed the training with the 11 targeted schools in the Spring 2025, we are recommending to provide additional targeted training for all of our Speech Language Therapists to ensure assessment processes are aligned.

Action 3.17 was discontinued because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	English Language Development (ELD) Professional Development	Provide professional development for all teachers focused on the English Language Development (ELD) standards, ELD Framework, and ELD strategies during the summer with ongoing offerings throughout the year in order to support the implementation of the district's English Learner program and enhance the ability of teachers, principals, and other school staff to meet the needs of English Learners.	$74,882.64	No
3.2	Additional EL Sections at Secondary Schools	Continue to ensure all ELs receive both designated and integrated ELD instruction in order to support academic success. Provide middle schools and high schools with staffing/classes to support Emerging ELs.	$19,395.00	Yes
3.3	Bilingual Aides	Action 3.3 does not apply to OCSCS		

Action #	Title	Description	Total Funds	Contributing
3.4	Special Education Staff Training	Conduct training for special education staff on bilingual language assessments to appropriately identify language differences versus language disorders, ensuring that resources for student supports are appropriately allocated and effectively serve students.	$27,732.55	No
3.5	English Language Proficiency Assessments for California (ELPAC)	To support the accurate identification and timely reclassification of English Learners (ELs), the district will continue to facilitate ELPAC testing through trained employee testers and the provision of necessary testing materials. Additionally, professional development will be provided to educators on the administration of the ELPAC exam to ensure consistent and valid assessment practices across all school sites. Recent ELPAC results indicate a decline in the percentage of ELs achieving Level 4 in key literacy domains. Research from the Institute of Education Sciences (IES) highlights that standardized testing practices and targeted training for educators are essential in supporting fair and accurate reclassification decisions, which directly impact ELs' access to rigorous academic instruction and long-term success (IES, 2019). M3.13-M3.16 will be used to determine the effectiveness of this action.	$24,555.25	No
3.6	Additional Instructional Materials for EL Support	Continue to accelerate the academic language acquisition of ELs by providing equitable access to common core standards through the use of core English Language Arts curriculum as well as supplemental ELD curriculum. On the 2024 CA Dashboard, English Learners (ELs) in the district performed at the Orange level in English Language Arts (ELA) and Yellow in Math, in contrast to the districtwide Green performance in both areas. Additionally, the English Learner Progress Indicator declined to Orange. Research from the What Works Clearinghouse emphasizes that integrating both content and language instruction, along with the use of high-quality, scaffolded curriculum, is essential to improving ELs' academic achievement (Baker et al., 2014). M3.1-M3.3 will be used to determine the effectiveness of this action.	$1,051.00	No
3.7	ELD Instruction and Support	Action 3.7 does not apply to OCSCS		

Action #	Title	Description	Total Funds	Contributing
3.8	ELD Teacher Support	Provide increased District ELD Teacher on Special Assignment (TOSA) support to assist with ELD instruction and services at all sites.	$24,555.25	Yes
3.9	Translation Services	Continue to provide District translation services to support ELs and their parents, and to encourage parental engagement and participation as well as family workshops and professional development to increase parent participation for Title I sites.	$24,555.25	Yes
3.10	English Language Assessment Center	Continue to provide for centralized language assessment services within the Family Resource Center to support identification, assessment of ELs, as well as coordination of services. Recent ELPAC results indicate a decline in the percentage of English Learners (ELs) achieving Level 4 in key literacy domains. Centralized assessment services have been shown to improve the validity and effectiveness of language assessments, helping ensure that English Learners receive timely, accurate identification and appropriately tailored supports to meet their academic and linguistic needs (Centre for Canadian Language Benchmarks, 2015). M3.12-M3.16 will be used to determine the effectiveness of this action.	$24,555.25	Yes
3.11	District English Learner Advisory Committee (DELAC) and English Learner Advisory Committee (ELAC) Groups	The district will continue to coordinate advisory groups for parents of English Learners (ELs) to increase awareness of educational programs and provide meaningful opportunities to advise staff on program goals and procedures. This includes organizing meetings with translation services, instructional materials, supplies, parenting classes, child care, and food. The district will also explore hosting District English Learner Advisory Committee (DELAC) meetings at high-impact school sites, in addition to the district office, to increase accessibility and engagement. According to the 2024 CA Dashboard, English Learners performed at the Orange level in English Language Arts (ELA) and the Yellow level in Math—both below the districtwide performance level of Green in each subject. Research shows that family involvement significantly improves academic achievement, socioemotional development, and school behavior for ELs, particularly when parents maintain high educational expectations and encourage their children’s aspirations (Garcia, Slate, & Delgado, 2022). M3.1-M3.3 will be used to determine the effectiveness of this action.	$3,981.78	No

Action #	Title	Description	Total Funds	Contributing
3.12	Bilingual Community Liaisons	Continue to provide Bilingual School/Community Student Advisors for sites with high populations of ELs to provide support for students and families.	$27,732.55	Yes
3.13	Administrative Support	Continue to provide administrative support and leadership at the district office to implement the EL program in accordance with state and federal guidelines.	$27,732.55	Yes
3.14	Melrose Literacy Coach	Action 3.14 does not apply to OCSCS		
3.15	EL Progress Monitoring and Intervention	Continue to utilize and train on an online data system in order to monitor the progress of all English Learners and provide intervention for any EL with a D or F at each grading period in their core classes.	$3,981.78	No
3.16	ELD Coordination	Continue to provide support at the site level for coordination of the EL program to ensure fidelity to the EL program and that the needs of students are being met.	$24,555.25	Yes
3.17	ELD Summer Program	Action 3.17 does not apply to OCSCS		
3.18	Guided Language Acquisition and Design (GLAD)	Partner with OCDE to provide Guided Language Acquisition Design (GLAD) training in order to build academic language and literacy for all students, especially English Learner/emergent bilingual students.	$24,555.25	Yes
3.19	English Learner Master Plan	Implement the EL Master Plan with fidelity in order to close the achievement gap for our English learners.	$24,555.25	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
4	OCSCS will close the academic achievement gap for Long-Term English Learner (LTEL) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

The development of this goal is driven by the need to improve academic achievement and language proficiency for Long-Term English Learners (LTELs), as indicated by multiple data points. CAASPP scores reveal that fewer than 40% of LTELs meet or exceed standards in English Language Arts (ELA), and less than 15% meet standards in Math, highlighting a persistent achievement gap.

Further analysis of district writing prompt performance shows a decline from 61% to 51% in students meeting expectations, reinforcing the necessity for stronger writing interventions. Similarly, passing grades in core subjects have dropped, particularly in Math and Science, where math passing rates declined 4% and 8% respectively from 2022-2023 and 2024-2025.

In terms of language proficiency, ELPAC Level 4 scores in Reading, Writing, and Listening have declined, with only 10.15% of LTELs scoring Level 4 in Reading and Writing in 2024-2025, compared to 14% and 18% in 2022-2023. While Speaking scores remain stronger (82.34%), the overall trend suggests that LTELs require more structured language development to improve reclassification outcomes and academic success.

This goal is developed to address these gaps by enhancing structured EL support, expanding designated ELD instruction, and increasing professional development for teachers. By implementing targeted interventions, the district aims to increase LTEL reclassification rates, improve CAASPP performance, and support overall academic success.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD successfully implemented the actions associated with Goal 4 to support Long-Term English Learners (LTELs), with no substantive differences between planned and actual implementation. Key actions included AVID Excel, designated and integrated ELD sections at secondary schools, implementation of English 3D and other ELD curricula, systematic progress monitoring, participation in the OCDE LTEL Network, ELAC and DELAC engagement, student focus groups, teacher awareness initiatives, professional development, student goal setting, and enhanced monitoring through Ellevation.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for any actions, aside from action 4.11: Professional Development: Expenditures were lower than initially projected due to the use of existing district professional development structures, internal expertise, and integration of training within ongoing initiatives (e.g., DWI, GLAD cohorts). Services were fully implemented as planned without the need for additional external costs.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The district found several actions to be particularly effective in accelerating LTEL achievement and language development. These actions contributed to measurable gains in student outcomes. LTEL English Language Arts performance improved from 27.2% meeting or exceeding standards in 2024–25 to 37.5% in 2025–26, resulting in movement from Red to Yellow on the California Dashboard and an improvement in Distance from Standard from 113.9 points below standard to 70 points below standard. Mathematics performance also improved from 14.68% to 14.9%, while Distance from Standard improved substantially from 157.3 points below standard to 95 points below standard. Writing performance increased from 46% to 51% of students meeting or exceeding expectations on district writing prompts, and passing rates improved in English Language Arts (66% to 74%), Mathematics (63% to 68%), and Science (59% to 72%).
AVID Excel improved student engagement and academic behaviors, while Bridging and Expanding ELD sections provided equitable access to designated and integrated language instruction. English 3D and related curriculum resources supported language acquisition and access to grade-level content, and systematic progress monitoring enabled educators to identify students in need of intervention and provide timely support. Language proficiency outcomes also improved from the prior year, with Level 4 ELPAC Reading increasing from 7.3% to 10.15%, Writing from 7.3% to 8.61%, Listening from 9.7% to 13.69%, and Speaking from 75% to 82.34%. ELAC and DELAC meetings increased stakeholder engagement and awareness of LTEL needs, while focus groups and empathy interviews provided valuable insight into student experiences. One challenge identified during implementation was the inconsistent execution of academic progress check-ins, which limited the impact of that action. Additionally, LTEL reclassification rates declined from 33% in 2024 to 8% in 2025, indicating an area requiring continued focus. Overall, the district concluded that the coordinated implementation of Goal 4 actions contributed to meaningful progress in closing achievement gaps and improving academic and language outcomes for Long-Term English Learners. Comments related to specific actions are below:

The actions listed below has played a critical role in closing the academic achievement gap for Long-Term English Learners (LTELs) over the three-year LCAP cycle.

4.1: AVID Excel Summer Bridge Program for LTELs
AVID Excel contributed to improved student engagement and academic behaviors. LTEL students progress will focus on the English Learner Progress Indicator (ELPI).

4.2: EL Sections at Secondary Schools
The equitable distribution of Bridging and Expanding ELD sections across secondary schools has effectively provided LTELs with both designated and integrated ELD instruction. This targeted support has improved language proficiency and reclassification rates while helping students access core academic content. Future focus areas include continued progress monitoring, professional development for educators, and ensuring consistent access to ELD sections at all school sites.

4.3: ELD Curriculum
The implementation of multiple research-based curricula—English 3D, INSIDE Fundamentals, and INSIDE the USA—has significantly enhanced language acquisition and academic success for LTELs. This comprehensive instructional approach has improved student engagement and accessibility to grade-level content. Ongoing data analysis and teacher feedback will be crucial in determining which curriculum resources are most effective in supporting EL students, particularly as new materials are adopted.

4.4: EL Progress Monitoring

The establishment of a systematic progress monitoring process has been a crucial factor in identifying students in need of additional academic support. The twice-yearly tracking of LTEL and RFEP students has enabled educators to implement timely interventions, improving both language development and content mastery. The addition of SMART Goals and parent notification strengthen the progress monitoring system of support.

4.5: OCDE LTEL Network
Participation in the OCDE LTEL Network has been highly effective in facilitating collaboration with other districts, sharing best practices, and implementing research-based strategies for supporting LTEL students. This ongoing engagement has improved parent involvement strategies and helped refine instructional approaches. Moving forward, increasing principal participation in LTEL initiatives and further integrating parent engagement strategies will strengthen the impact of these efforts.

4.6: ELAC and DELAC
The inclusion of LTEL performance data as a recurring agenda item in ELAC and DELAC meetings has enhanced accountability, stakeholder engagement, and decision-making related to LTEL support services. Parents and educators have had greater opportunities to analyze data, identify challenges, and propose targeted interventions. Future improvements will focus on making LTEL data more accessible, increasing discussions at school sites, and using insights from these meetings to inform instructional and programmatic decisions.

4.7 LTEL Engagement
We improved student engagement and family awareness by conducting focus groups and empathy interviews to gain deeper insights into their needs in order to provide targeted support.

4.8 At-risk for LTEL
Elementary students at risk of becoming LTELs received support through early intervention and increased parental awareness of available resources.

4.9 LTEL Identification
We enhanced teacher awareness of LTEL students by utilizing Aeries and Ellevation software platforms.

4.10: Regular Check-Ins
2025-26 saw inconsistent implementation of academic check-ins to monitor LTEL student progress.

4.11: Professional Development
Professional development improved teacher capacity to implement language-focused instruction tailored to LTEL students, particularly through the use of E3D resources and structured language routines. Teachers demonstrated increased use of:

4.12: Goal Setting
This action supported student ownership of learning and progress.

4.13: Progress Monitoring

Improved monitoring supported targeted intervention and LTEL progress. The addition of SMART Goals and parent notification strengthen the progress monitoring system of support.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Action 4.9 has been revised to not limit the awareness of LTELs coming solely from Aeries rostering.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
5	OCSCS will close the academic achievement gap for Socio-Economically Disadvantaged (SED) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

This goal is developed to address achievement gaps and improve outcomes for socioeconomically disadvantaged (SED) students based on multiple indicators. While English Language Arts (ELA) and Mathematics performance have improved, with ELA increasing from 48.9% (Orange) in 2023 to 52.18% (Green) in 2025 and Math rising from 33.6% (Yellow) to 38.12% (Yellow), these scores still indicate a need for targeted academic support to move these students to the Blue performance level. Similarly, early literacy and math proficiency on iReady diagnostics (K-5) remain low, with only 46% of SED students on grade level in ELA and 35% in Math, underscoring the need for stronger foundational instruction.

While the graduation rate (94.8%) and college/career readiness (49.6%) are improving, there is a need to increase preparedness for post-secondary success by expanding academic and career-related opportunities. Additionally, chronic absenteeism, though improving from 26.6% (Red) to 18.1% (Yellow), remains a concern, requiring sustained efforts to improve attendance and engagement.

With core subject passing rates showing progress, particularly in ELA and Science, maintaining high-quality instruction, tutoring support, and intervention programs will be essential to ensure continued growth. The reduction in suspension rates (now Blue) indicates positive behavioral supports, which should be reinforced to maintain a safe and supportive learning environment.

This goal focuses on strengthening academic interventions, expanding access to high-impact instructional strategies, increasing attendance initiatives, and enhancing career and college readiness programs to ensure socioeconomically disadvantaged students continue to close achievement gaps and reach higher performance levels.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 5 with a high degree of fidelity. The only notable implementation challenge involved the districtwide Mentoring Program (Action 5.15), which experienced low student participation and therefore had limited impact. Otherwise, planned actions were implemented as intended, including McKinney-Vento support services, tutoring, family literacy and math nights, elementary counselors at high-impact Title I schools, transportation assistance, additional administrative support, AVID programming, community engagement initiatives, Title I parent involvement activities, instructional coaching, and Family Resource Center supports.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no substantial material differences between budgeted expenditures and estimated actual expenditures for the planned actions, aside from actions:

5.1: McKinney Vento Support Staff: The staffing model was consolidated and the liaison responsibility was folded into existing staff members.

5.9: Advancement Via Individual Determination (AVID) Program: PYLUSD pre-purchased AVID site licenses for its schools for the next two years at a discounted rate. Budgeted amounts for 2026-27 and 2027-28 will be reflect this.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

These actions contributed to positive outcomes for Socioeconomically Disadvantaged (SED) students. English Language Arts performance increased from 48.9% meeting or exceeding standards to 52.18%, moving from Orange to Green status and improving the Distance from Standard by 7.9 points. Mathematics performance improved from 33.6% to 38.12%, with the Distance from Standard improving by 11.9

points. Chronic absenteeism declined significantly from 26.6% to 18.1%, suspension rates decreased from 1.9% to 0.9%, graduation rates increased from 91.8% to 94.8%, and College and Career Readiness improved from 43.3% to 49.6%. Local measures also showed growth, with K–5 students performing at or above grade level on i-Ready increasing from 42% to 46% in Reading and from 27% to 35% in Mathematics.

The actions were effective in improving academic achievement, engagement, attendance, and postsecondary readiness for SED students. Elementary counselors, AVID implementation, tutoring services, transportation support, family engagement activities, and targeted McKinney-Vento services helped address both academic and non-academic barriers to student success. Secondary academic outcomes improved, including increases in passing rates for grades 6–12 English Language Arts (83% to 86%), Mathematics (78% to 79%), Science (80% to 85%), and Social Science (81% to 83%). The district also demonstrated notable progress among homeless students, including improvements in English Language Arts performance, Mathematics achievement, graduation rates, college and career readiness, and reductions in chronic absenteeism and suspension rates. While continued growth is needed to further accelerate mathematics achievement and increase college and career readiness outcomes, the overall implementation of Goal 5 actions contributed to measurable progress toward closing achievement gaps and improving outcomes for Socioeconomically Disadvantaged students and other highly impacted student populations. Several actions have demonstrated varying degrees of effectiveness in making progress toward the goal of closing the academic achievement gap for socioeconomically disadvantaged (SED) students. Comments related to specific actions are below:

5.1: McKinney Vento Support Staff
The support staff assigned to Family Resource Centers have effectively linked families to both district and community resources. Their continued efforts have ensured that socioeconomically disadvantaged and foster youth receive the necessary services to support their academic and personal well-being.

5.2: McKinney Vento Tutoring
Regular tutoring was provided through Certificated teachers within the District along with an outside service provider. to support academic needs.

5.3: McKinney Vento Classified Support
Staff dedicated to supporting McKinney Vento families have successfully facilitated school enrollment and connections to essential resources. This has contributed to improved access to educational stability for students facing housing insecurity.

5.4: McKinney Vento Program Support
The program has been effective in assessing family needs and providing referrals to school-based and community-based counseling services. These efforts have enhanced the emotional and social support available to students experiencing homelessness.

5.5: Family Literacy and Math Nights
The implementation of these events across school sites resulted in strong family participation. These initiatives have successfully fostered family engagement and contributed to students' academic success through collaborative learning experiences.

5.6: Elementary School Counselors at High Impact Sites

Full-time counselors at Title I elementary schools have provided a comprehensive multi-tiered system of support. Their work in attendance monitoring, academic achievement, and social-emotional development has positively impacted student success.

5.7: Additional Transportation Support
The availability of transportation routes throughout the year ensured that students could reliably attend school. This action has been effective in reducing transportation barriers and supporting consistent school attendance.

5.8: Additional Administrative Support at High Impact Sites
The presence of additional administrative staff at high-impact sites has strengthened parent engagement and support systems within the school community. Increased administrative resources have contributed to improved communication and school-family collaboration.

5.9: Advancement Via Individual Determination (AVID) Program
The AVID program continues to demonstrate its effectiveness in preparing students for postsecondary success. Participation in AVID strategies and professional development opportunities has supported student achievement and college readiness. The success of the program can be measured by its expansion across our district as well as the AVID senior data.

5.10: Community Engagement Initiative
The district actively participated in all scheduled Peer Leading and Learning Network sessions, both virtually and in-person. This ongoing engagement has strengthened the district's ability to implement equitable and culturally responsive community engagement practices.

5.11: Title I Parent Advisory
The formation of the Title I Parent Advisory group has successfully provided a platform for parent involvement and input. Participation from all Title I sites has ensured that the voices of socioeconomically disadvantaged families are represented in decision-making, including feedback for the LCAP.

5.12: Project GLAD CLEAR - Title I Instructional Coaches
Title I instructional coaches completed Project GLAD training, equipping them with strategies to support English Learners.

5.13: Melrose Family Resource Center/Health Clinics
This year, the Melrose Family Resource Center (FRC) has primarily supported families through referrals, coordinated outreach by McKinney-Vento liaisons, home visits, and scheduled follow-ups, as data showed limited walk-in utilization despite dedicated onsite staffing last year.

5.14: Elementary Math Fellows & Title I Teaching Collaboration
Math Fellows facilitated peer coaching across three sites over three sessions, focusing on framework-aligned instructional strategies. In addition, they developed the rubric used to evaluate publishers during the math adoption process.

5.15: Mentoring Program
Low participation in this program limited its impact.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following actions have revisions:

Action 5.1 was updated to accurately reflect that the McKinney-Vento Liaison is not a TOSA due to our current staffing structure.

Actions 5.10 & 5.11 related to the Community Engagement Initiative were discontinued for the 2026-27 school year because they were connected to a 2 year grant which concludes this year. We will continue to engage the community and apply our learning from our participation.

Action 5.12 related to training Title 1 instructional coaches was deleted for the 2026-27 school year because the training it referred to was completed.

Action 5.15 related to a districtwide mentoring program was not renewed last year due to a lack of participation. Funding from the EHCY Grant was dispersed to other areas of support. At Title I sites, TOSAs serve as Title I Instructional Coaches and monitor and check on students' attendance and grades.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
6	OCSCS will close the academic achievement gap for Foster Youth (FY) students.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

This goal is developed to address the academic disparities and barriers faced by Foster Youth (FY), as evidenced by district performance data. While there has been notable improvement in English Language Arts (ELA), rising from 20% meeting/exceeding standards (Red) in 2023 to 33.33% (Yellow) in 2025, there is still a significant gap compared to districtwide performance, necessitating continued support in literacy development. In contrast, Mathematics achievement remains critically low, with an increase from 14.3% (Orange) to 18.18% (Orange), highlighting an urgent need for targeted math interventions.

A longitudinal comparison of iReady diagnostic data shows a significant decline in the percentage of foster youth (FY) students performing early on grade level or above. In ELA, performance changed from 18% (K-2) in Winter 2022-2023 to 25% (K-5) in Winter 2024–25, while Math scores changed from 2.9% to 17% over the same period. This highlights a need for continued targeted academic support and intervention to address the learning gaps and ensure foster youth have equitable opportunities to succeed.

An increase in the chronic absenteeism rate for FY from 31.5% to 32.4% (Red) shows that absenteeism remains a significant barrier to achievement, requiring expanded mentorship, attendance incentives, and family engagement strategies. Similarly, suspension rates have remained stagnant at 6.6% (Orange), reinforcing the need for continued implementation of restorative practices and behavioral supports to ensure a stable and supportive learning environment.

This goal focuses on strengthening intervention programs, increasing individualized academic and social-emotional support, expanding tutoring and mentorship opportunities, and improving school stability efforts to close achievement gaps and foster long-term success for Foster Youth.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, the district successfully implemented all actions associated with Goal 6 to support Foster Youth students, with no substantive differences between planned and actual implementation. Key actions included providing individualized tutoring services, mentoring and educational case management, trauma-informed practices, collaboration with child welfare agencies, family and caregiver engagement, professional development for staff, and streamlined enrollment processes for foster youth entering the district.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between budgeted expenditures and estimated actual expenditures for any actions.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

These actions contributed to positive outcomes in several areas. Foster Youth English Language Arts performance increased from 20.0% meeting or exceeding standards in 2022–23 to 33.3% in 2024–25, improving two Dashboard performance levels from Red to Yellow and reducing the Distance from Standard by 9.3 points. Mathematics performance also improved from 14.3% to 18.2%, while chronic absenteeism declined from 31.5% to 27.8% before increasing to 32.4% in 2024–25. Staff reported that mentoring services, tutoring support, trauma-informed practices, and coordination with caregivers and county agencies were particularly effective in helping foster youth remain connected to school and receive targeted academic and social-emotional support.

The actions were effective in strengthening the district’s system of support for Foster Youth and contributed to measurable gains in academic achievement and student engagement. Personalized tutoring, consistent mentoring relationships, coordinated enrollment support, and collaboration with caregivers and child welfare agencies helped ensure students received timely interventions and remained connected to school. Foster Youth also demonstrated improvement in several secondary academic indicators, including increases in passing rates in

grades 6–12 English Language Arts (70% to 75%), Mathematics (69% to 74%), and Science (73% to 83%). However, challenges remain. Foster Youth continue to perform below district averages in both English Language Arts and Mathematics, chronic absenteeism remains elevated at 32.4%, and suspension rates remained relatively stable at 6.6% in 2024–25. As a result, the district will continue to prioritize individualized academic interventions, attendance supports, mentoring, trauma-informed practices, and cross-agency collaboration to further reduce barriers and improve outcomes for Foster Youth students. Comments related to specific actions are below:

6.1: Tutoring Services for FY
The flexibility in offering tutoring services—either at school or in the foster youth group home—has been highly effective in providing academic support tailored to the unique needs of foster youth. Regular monitoring by the foster youth liaison ensured that students, particularly seniors, received timely support with their academic progress and post-graduation plans, such as completing the FAFSA. This level of personalized support has had a positive impact on fostering academic success and preparing foster youth for life after high school.

6.2: Mentoring Services for FY
Mentoring services have been a crucial component in supporting foster youth by providing them with consistent, adult guidance. The positive relationships built between mentors and foster youth have been an important factor in ensuring that students feel supported and understood. Regular communication between the foster youth liaison, mentors, and students has been instrumental in maintaining effective mentoring relationships. This program has been successful in helping foster youth build confidence and stay engaged in their academic and personal development.

6.3: Trauma-Informed Practices
The district's focus on trauma-informed practices through staff presentations has proven effective in creating a safe and supportive learning environment for foster youth. By emphasizing the importance of understanding and addressing students' past experiences, educators were better equipped to foster positive relationships and respond to the unique needs of foster youth.

6.4: Collaboration with Child Welfare Agencies
The coordination between the foster youth liaison, county agencies, and the county office of education has significantly improved the transition process for foster youth into the school community. This collaboration has allowed school teams to better understand the individual needs of each foster youth, ensuring they receive the appropriate support and resources.

6.5: Family and Caregiver Engagement
The efforts made by the foster youth liaison to engage with caregivers, school administrators, and mental health professionals have strengthened the support system for foster youth. By maintaining regular communication, school teams are better equipped to identify the unique needs of each foster youth and provide tailored interventions.

6.6: Professional Development for Staff
Professional development efforts, including attending the Foster Youth Education Summit and coordinating legal updates, have equipped staff with the knowledge and skills necessary to effectively support foster youth. This continuous professional growth has helped create a more informed and empathetic school environment, where administrators, counselors, and teachers are better prepared to meet the unique needs of foster youth. Administrators and staff have benefited from training, with several attending the 2026 California Foster Youth Summit.

6.7: Foster Youth Enrollment
The coordination of enrollment services by the foster youth liaison, in partnership with group homes, caregivers, and child welfare agencies, has been highly effective in ensuring that foster youth experience no delays in enrollment. By adhering to legal rights and ensuring timely access to necessary resources, foster youth were able to seamlessly transition into school, ensuring that their academic journey was not disrupted.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Of note is that metrics 6.5 and 6.6 related to the iReady ELA and iReady Math diagnostic exams have baseline data from the 2022-23 SY when the exam was only given to K-2 students in PYLUSD. The administration of these assessments was expanded to include grades 3-5, so the data from the 2023-24 and following years reflects K-5 data.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

6.1	Tutoring Services for FY	Continue to provide in district and out of district tutoring services for FY students at the elementary and secondary levels.	$5,946.00	Yes
6.2	Mentoring Services for FY	Continue to provide an adult FY mentor at all school sites to direct interventions, address reengagement, support learning recovery, provide educational case management and advocacy, and promote the social and emotional needs of pupils in foster care. Foster Youth (FY) in PYLUSD continue to demonstrate persistent academic and engagement challenges, as evidenced by their 2023–2024 CA Dashboard results. Although there was a slight improvement in English Language Arts (ELA), with scores increasing from 20% to 28% meeting or exceeding standards, FY students remain 65.8 points below standard. In Mathematics, the percentage of FY students meeting standards remains critically low at 15.6%, with an increasing Distance from Standard (DFS) of 114.4 points below, indicating deep academic needs. Additionally, while chronic absenteeism declined from 31.5% to 27.8%, it remains significantly higher than district averages, and suspension rates are persistently elevated at 6.5%. Goals and Actions

Goal

Goal #	Description	Type of Goal
7	OCSCS will close the academic achievement gap for all Unduplicated Pupils (UPs) through districtwide and schoolwide actions.	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

The data highlights persistent achievement gaps among English Learners (EL), Socioeconomically Disadvantaged (SED) students, and Foster Youth (FY) despite overall district progress. While districtwide English Language Arts (ELA) and Mathematics scores remain in the Green performance level, significant disparities exist. English Learners continue to struggle, with ELA proficiency at only 11.66% (Yellow) and math proficiency showing a slight improvement from 10.62% (Orange) to 13.97% (Yellow). Socioeconomically Disadvantaged students have made some gains, with ELA proficiency increasing from 48.87% to 52.18% (Green) and math improving from 33.57% to 38.12% (Yellow), yet they still lag behind district averages. Foster Youth, while making progress in ELA from 20% (Red) to 33.33% (Yellow), still face significant challenges in math, where proficiency remains low at 18.18% (Orange).

In addition to academic performance, chronic absenteeism remains a major barrier to success for these student groups. EL students have a chronic absenteeism rate of 16.5% (Yellow), SED students 18.1% (Yellow), and Foster Youth 32.4% (Red), all of which impact their academic growth and access to necessary resources. College and career readiness indicators further reveal disparities, with only 20.8% of EL students categorized as prepared (Yellow) and 49.6% of SED students meeting the threshold (Yellow), highlighting the need for stronger support systems to ensure long-term success.

Despite these challenges, early literacy and math data for K-5 students indicate positive trends. The percentage of SED and EL students performing at early or grade-level proficiency in ELA has risen from 42% to 46%, and math proficiency has improved from 27% to 35% on the iReady diagnostic. These gains demonstrate the effectiveness of targeted interventions and support the need for expanding such programs districtwide.

To address these inequities, this goal emphasizes schoolwide and districtwide strategies aimed at closing the achievement gap. Key actions include expanding intervention programs in math and ELA, enhancing designated English Learner (ELD) instruction and bilingual support, increasing access to tutoring, mentoring, and academic support services, strengthening attendance initiatives to reduce chronic absenteeism, and implementing culturally responsive teaching strategies to improve student engagement and performance.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2025–26 school year, PYLUSD substantially implemented the actions associated with Goal 7 with a high degree of fidelity. Key implementation efforts included maintaining Professional Learning Communities (PLCs), reducing class sizes in TK and Kindergarten, providing targeted academic intervention and mental health supports, expanding attendance monitoring and early intervention systems, strengthening MTSS implementation, increasing access to college and career readiness opportunities, and supporting students through dual enrollment, dual language, and credit recovery programs. The only substantive difference between planned and actual implementation was the postponement of the Financial Literacy Task Force (Action 7.22) until the 2026–27 school year due to staff capacity.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were material differences between budgeted expenditures and estimated actual expenditures for the following actions:

7.3 Maintain class size ratios in TK/K : The initial allocation plan was for supplemental funds to pay for a portion of TK/K class size staffing; this changed to supplemental funding paying for 100% of the salaries for all additional staff referenced in this action.

7.8 PYLUSD Induction Program: Fewer teachers were hired that needed to enroll in an induction program than initially budgeted so the expenses were less.

7.9 Mental Health Support and Resources for Students and Families at Secondary Sites: This action used fewer funds than budgeted due to staffing turnover and resultant vacancies that were difficult to fill.

7.16 District Teachers on Special Assignment (TOSA): A component of the initial plan was for grant funding to cover the salary of one of our TOSAs; this did not come to fruition so supplemental funds were used to pay 100% of that salary.

7.17 District Leadership: This action used fewer funds than budgeted due to staffing turnover and resultant vacancies.

7.30 Learning Recovery Programs: PYLUSD was able to pre-purchase discounted fees to learning recovery softwares and reduced the number of software subscriptions to expend fewer resources on this action.

7.32 Secondary Intervention Classrooms: The plan was for long term substitutes to be made available at each secondary site to supervise intervention classrooms; strategic master schedule creation allowed for existing FTE to take on this responsibility.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

These actions contributed to positive outcomes across multiple indicators. Districtwide English Language Arts performance improved from 64.75% to 67.39%, while Mathematics increased from 53.48% to 56.07%. Chronic absenteeism declined from 17.8% to 11.4%, suspension rates decreased from 1.4% to 0.6%, and the percentage of students meeting College and Career Readiness indicators increased from 55.8% to 61.8%. Significant gains were also observed among targeted student groups, including Foster Youth increasing from 20.0% to 33.3% meeting or exceeding standards in ELA and English Learners improving from 10.6% to 14.0% meeting or exceeding standards in Mathematics.

The actions were effective in improving academic outcomes, student engagement, attendance, and college and career readiness for Unduplicated Pupils. English Learners, Socioeconomically Disadvantaged students, and Foster Youth demonstrated improvement across several Dashboard indicators, including movement to higher performance levels in English Language Arts, Mathematics, Chronic Absenteeism, and College and Career Readiness. Local measures also reflected positive progress, with the percentage of Socioeconomically Disadvantaged students meeting grade-level expectations on the i-Ready Reading Diagnostic increasing from 42% to 46% and Mathematics increasing from 27% to 35%. Additionally, passing rates in core academic subjects increased across both elementary and secondary grade spans, including mathematics passing rates rising from 74% to 79% in grades 6–12. While achievement gaps remain for some student groups, particularly English Learners and Foster Youth, the district's comprehensive system of academic interventions, attendance supports, mental health services, professional learning, and college and career readiness initiatives contributed to measurable progress toward closing achievement gaps and improving outcomes for the district's highest-need students. Comments related to specific actions are below:

7.1: Teacher Collaboration and Intervention Design
PLC time has been effective in fostering a continuous cycle of teaching, learning, and assessment, where teachers are analyzing student data to generate positive outcomes. The collaboration supports the identification of academic gaps, which is essential for closing achievement gaps.

7.2: Professional Learning Communities PD
The 2025-26 series of professional development (PD) sessions were well received, with positive feedback from principals and lead teachers. These PDs help build teacher capacity, ensuring they are better equipped to meet the needs of SED students.

7.3: Maintain class size ratios in TK/K
Though the action is ongoing, the reduction of class sizes has created a more focused learning environment, providing more individualized attention for SED students.

7.4: Academic Support Teachers (ASTs)
The academic interventions provided by ASTs have been effective, especially in foundational skills for ELA and Math. The use of diagnostic tools like i-Ready allows for continuous monitoring and targeted intervention, helping close learning gaps for our students. The support provided also helps maintain optimal class sizes in some TK classrooms.

7.5: Additional Intervention Support at Valencia High School

The additional intervention support at Valencia High School has been instrumental in supporting unduplicated pupils, especially English Language Learners (ELL) and at-risk students. This additional support helps to provide targeted academic and emotional assistance.

7.6: Math Intervention Support for UPs
The math intervention support through the Math Lab sections at middle schools has received positive feedback from teachers, students, and parents. The use of structured tools like IXL Math supports the academic progress of identified students, improving foundational skills.

7.7: Professional Development focused on needs of EL, SED, and FY
PD focusing on literacy and math has been effective in enhancing teacher practices. Teachers are implementing first-best instructional strategies, benefiting students who are EL, SED, and FY by providing targeted support.

7.8: PYLUSD Induction Program
New Hire Institute participants rated their onboarding experience positively (4 out of 5), which indicates that the induction program is successfully preparing new teachers. Continued professional development focused on differentiation and supporting diverse learners has contributed to improving instructional practices.

7.9 & 7.10: Mental Health Support and Resources for Students and Families at Secondary and Elementary Sites
The mental health resources at both secondary and elementary sites have provided essential support to students and families, creating a foundation for academic success by addressing emotional and psychological well-being.

7.11: Site Discretionary Funding for UPs
The allocation of discretionary funding to site principals aligned with student needs, allowing for flexible use of resources to support SED students effectively.

7.12: Additional Support Staff at High Impact Sites
The addition of clerical and health support at high-impact sites has ensured smooth school operations and enabled staff to focus on student needs, directly benefiting SED students.

7.13: Additional Health Support at High Impact Sites
Providing additional health support at high-impact sites has helped ensure that students' physical health is prioritized, enabling better engagement in learning activities.

7.14: Instructional Aides for Physical Education
Instructional aides in physical education have been effective in maintaining safety standards and supporting PE curriculum, ensuring that students have equitable access to physical activity.

7.15: Library Support at High Schools
Library support for high schools has been beneficial in managing resources like newly adopted textbooks, contributing to an environment conducive to learning.

7.16: District Teachers on Special Assignment (TOSA)
District TOSAs have been effective at delivering high quality professional development for teachers, assisting with curriculum development, and providing instructional leadership.

7.17: District Leadership
District leadership has provided effective oversight and support, ensuring the successful implementation of initiatives that target unduplicated pupils and at-risk students. Strategic guidance has been instrumental in sustaining the impact of LCAP goals.

7.18: Administrative Support
Administrative support has played a key role in ensuring the success of MTSS and AVID programs, which are critical in supporting the academic success of SED students.

7.19: College and Career Technicians
College and Career Technicians have been effective in facilitating post-secondary opportunities for students, including dual enrollment. Their efforts in organizing career fairs and supporting students' career exploration have helped to broaden opportunities for SED students.

7.20: Multi-Tiered Systems of Support (MTSS)
The training for MTSS at the district level is laying the groundwork for supporting students at all levels. While more training is planned for the coming year, it sets the foundation for the future success of all students.

7.21: Data Dashboard and Analysis System
The Aeries analytics system has been successful in identifying students in need of academic, behavioral, or social-emotional support. By focusing on attendance, behavior, and course performance, it helps in early intervention, which is crucial for closing achievement gaps.

7.22: Collaborative Task Forces
Task forces have been effective in involving teachers in important decisions, such as the selection of reading assessment tools and the adoption of new English Language Arts materials. Their input ensures that selected interventions and materials are aligned with the needs of students.

7.23: Attendance Tracking and Early Intervention
Attendance tracking systems have been effective in identifying students with attendance issues early, leading to timely intervention to address barriers to learning.

7.24: School and District Attendance Review Teams
SART and SARB meetings have supported efforts to reduce chronic absenteeism, which is critical to academic success. These meetings have allowed for timely interventions with families to address attendance concerns.

7.25: Professional Development for Core Content Curriculum and Instruction
Ongoing PD in core content areas has equipped teachers to implement effective instructional strategies, improving student outcomes and addressing the learning needs of SED students.

7.26: Student Study Team and 504 Plan Coordination
The streamlined SST process has been effective in identifying the needs of students early, allowing for tailored interventions and supports for students at-risk of falling behind.

7.27: GEAR UP Program
The GEAR UP program has positively impacted middle and high school students by supporting academic, behavioral, and social-emotional development, and is leading to improved student outcomes.

7.28: High School Credit Recovery Programs
Credit recovery programs have helped students stay on track for graduation, mitigating the academic risks associated with credit deficiencies, which is crucial for at-risk students.

7.29: With Hope Program
The With Hope Program has been effective in raising awareness and providing tools for suicide prevention.

7.30: Learning Recovery Programs
Learning recovery programs have supported differentiated instruction, helping students who need additional support in foundational skills. These programs are essential for bridging gaps in students' academic progress.

7.31: Counselors at High Impact High Schools
Additional counselors at high schools have helped improve students' academic, social, and emotional well-being, supporting their overall success.

7.32: Secondary Intervention Classrooms
Secondary intervention classrooms have helped provide restorative interventions, keeping students in school and preventing disruptions in their academic progress.

7.33: Career Technical Education (CTE)
The district saw positive results in the area of Career Technical Education, with more than 27% of the class of 2025 graduating having completed a CTE pathway. Additionally, 38.8% of high school students were enrolled in a CTE course in the 2025*26 school year, reflecting continued growth in student enrollment and success in CTE programs.

7.34: Parent Engagement
The increase in parent engagement through workshops and trainings has been effective in fostering school-home partnerships. It has led to more families supporting their children's academic success.

7.35: Dual Language Academy
The expansion of the Dual Language Academy (DLA) program has been effective, with positive community feedback. The 90/10 model will provide students with strong language foundations, promoting bilingualism and academic achievement.

7.36: Dual Enrollment
The dual enrollment program has been successful in providing students with opportunities for college credit, and the growing partnership with Fullerton College has expanded offerings, benefiting all students.

7.37: SPSA Development
The training and support for School Site Plans (SPSAs) has been effective in aligning school site goals with district objectives, helping ensure that actions and resources are directed toward the needs of SED students.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

The following action had revisions

Action 7.35 was updated to not include the summer program because changes in statewide funding formulas impacted PYLUSD's revenues that funded this action so reductions needed to be made.

Of note is that metrics 7.7 and 7.8 related to the iReady ELA and iReady Math diagnostic exams have baseline data from the 2022-23 SY when the exam was only given to K-2 students in PYLUSD. The administration of these assessments was expanded to include grades 3-5, so the data from the 2023-24 and following years reflects K-5 data.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

7.1	Teacher Collaboration and Intervention Design	Continue to provide all teachers with dedicated weekly release time to participate in Professional Learning Communities (PLCs) which focus on individual student achievement and how to close achievement gaps for all UPs.	$27,732.55	Yes
7.2	Professional Learning Communities PD	Continue to provide professional development to site leadership teams in the PLC process to support student achievement through data analysis and targeted interventions. While the district has made gains in English Language Arts and Mathematics overall, substantial achievement gaps remain for English Learners, Socioeconomically Disadvantaged students, and Foster Youth, who continue to perform below standard in both	$27,732.55	No

		subjects. Research by Vescio, Ross, and Adams (2008) demonstrates that well-implemented PLCs lead to improved teaching practices and increased student learning, highlighting the importance of ongoing collaborative professional development. 7.19	College and Career Technicians	Maintain College and Career Technicians at each high school to support student access to information, guidance, and resources regarding post-secondary options.	$27,732.55	Yes
7.20	Multi-Tiered Systems of Support	The district will provide a comprehensive Multi-Tiered System of Support (MTSS) to deliver tiered academic interventions and enrichment opportunities designed to improve student achievement. While recent data shows an increase in the percentage of unduplicated students earning passing grades in core subjects from the 2023–2024 to the 2024–2025 school year, persistent academic gaps remain—particularly in secondary mathematics. Research from the Institute of Education Sciences (IES) supports the effectiveness of fully implemented MTSS frameworks, finding that they significantly reduce disruptive behaviors and improve academic outcomes among at-risk students (IES, 2019). M7.9 will be used to monitor the effectiveness of this action.	$27,732.55	No
7.21	Data Dashboard and Analysis System	Provide a robust data dashboard and analysis system to identify, monitor, and provide interventions to at-risk students in order to support their academic success. Train teachers and site leaders in the use of the system.	$27,732.55	No
7.22	Collaborative Task Forces	Convene collaborative task forces to address the curricular, instructional, and other emergent student needs in order to support the academic success of students (e.g., report card and grading practices task force, multicultural studies task force). The 2024 CA Dashboard data indicates that unduplicated pupil groups—such as English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth—perform lower than the overall student population across several key indicators. Establishing collaborative task forces to address curricular, instructional, and emergent student needs is supported by evidence from the What Works Clearinghouse (WWC). 7.24	School and District Attendance Review Teams	Provide district support to oversee systematic School Attendance Review Team Meetings and District Attendance Review Team Meetings to provide attendance support to families.	$27,732.55	Yes
7.25	Professional Development for Core Content Curriculum and Instruction	Enhance instruction for TK-12 English Language Arts, Mathematics, Science, and Social Studies through the integration of professional development regarding instructional strategies to promote increased student achievement among English learners, low income students, and foster youth.	$27,732.55	No
7.26	Student Study Team and 504 Plan Coordination	Provide site level Student Study Team and 504 Plan coordination to support students who are at risk . There were 183 SST meetings documented for the 23-24 school year and 212 SST meetings documented for the 24-25 school year through the end of May. According to CAHELP, SSTs are essential for creating collaborative intervention plans, while the California Teachers Association underscores the importance of 504 Plans in ensuring equal educational access for students with disabilities (CAHELP, CTA). 7.28	High School Credit Recovery Programs	Action 7.28 does not apply to OCSCS		
7.29	Suicide Prevention	The district will provide a suicide prevention program at middle and high schools to support student wellness and social-emotional health. This action aligns with California Education Code Section 215, which requires local educational agencies serving students in grades 7–12 to adopt and implement evidence-based suicide prevention policies and procedures. According to the Centers for Disease Control and Prevention (CDC), suicide is the second leading cause of death among individuals aged 10–24 in the United States, and research shows that school-based prevention programs significantly reduce suicide attempts and ideation among adolescents (CDC, 2023). M7.1-M7.9 will be used to monitor the effectiveness of this action.	$27,732.55	No
7.30	Learning Recovery Programs	Continue to provide learning recovery programs and materials designed to accelerate pupil academic proficiency or English language proficiency, or both . While 64.75% of students districtwide met or exceeded standards in English Language Arts, only 11.74% of English Learners, 48.87% of SED students, and 20% of Foster Youth did so—placing these groups in the Orange and Red performance levels. Similarly, in Mathematics, 53.48% of students met or exceeded standards overall, compared to just 10.62% of English Learners, 33.57% of SED students, and 14.29% of Foster Youth. According to a study by the RAND Corporation (2021), personalized and adaptive learning platforms—such as i-Ready, iXL, and Nearpod—have demonstrated positive effects on student engagement and academic achievement, particularly when used as part of a comprehensive instructional support strategy. M7.1 & M7.2 will be used to monitor the effectiveness of this action.	$27,732.55	No

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
2.2	**Action:** Professional Development, Training, and Task Forces **Need:** The CA Dashboard performance indicators show stable results in English Language Arts and Math, along with a slight increase in graduation rates, a decrease in chronic absenteeism, and a reduction in suspension	This action will support the needs of all Unduplicated Pupils (UPs), with a specific focus on English Learners and Long-Term English Learners, by providing ongoing professional development and training for teachers to close achievement gaps. Since all PYLUSD sites serve unduplicated pupils, implementing this action districtwide ensures a more effective and consistent approach. Research indicates that professional learning significantly enhances staff	The effectiveness of this action will be assessed using each of the CA Dashboard Indicators. (M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)

	rates for the ALL student metrics. However, English Learners, Socioeconomically Disadvantaged Students, and Foster Youth performed at lower levels compared to the ALL student group in multiple CA Dashboard metrics. For example, English Learners achieved only 11.66% proficiency in ELA and 13.97% proficiency in Mathematics, while Foster Youth remained at 33.33% proficiency in ELA and 18.18% in Mathematics. Closing these gaps requires consistent access to highly effective instruction from the first day a teacher enters the profession. **Scope:** LEA-wide	capacity to support unduplicated pupils, making this the most strategic use of funds to address their needs (Kanold, 2017; Hattie, 2009; Erkens & Twadall, 2012).	
2.3	**Action:** Instructional Materials, Supplies, and Services **Need:** Unduplicated student groups, specifically English learners (ELs), low-income students, and foster youth, demonstrated performance gaps on the California School Dashboard. English learners showed a decrease in progress toward English language proficiency and elevated chronic absenteeism rates. Socioeconomically disadvantaged students also demonstrated elevated chronic absenteeism and achievement gaps in core academic areas. **Scope:**	This action aims to support all Unduplicated Pupils (UPs) by providing appropriate instructional materials, supplies, and services to enhance student engagement. According to John Hattie's Visible Learning research, providing supplemental instructional materials can significantly enhance student achievement, particularly when aligned with clear learning goals and feedback (Hattie, 2009).	The effectiveness of this action will be assessed using each of the CA Dashboard Indicators. (M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.2)

	LEA-wide		
4.5	**Action:** OCDE LTEL Network **Need:** 2024 CA Dashboard data indicates that a performance gap exists between Long-Term English Learners (LTELs) and their peers, with only 5.2% of LTELs meeting or exceeding standards in ELA, compared to 65.3% of all PYLUSD students. In Math, just 3.6% of LTELs meet or exceed standards, compared to 55.9% of all PYLUSD students. This indicates a need for a wholistic, systemic analysis of ELD supports. **Scope:** LEA-wide	Research shows that targeted ELD instruction, which combines explicit language development with content-area learning, significantly supports LTELs in acquiring academic language and achieving success across subjects (Echevarria, Vogt, & Short, 2017). Implementing such interventions and supports requires a wholistic, systemic approach and inter-LEA collaboration opportunities will ensure that PYLUSD leaders are providing such guidance to our schools.	The effectiveness of this action will be measured by the percentage of LTELs meeting or exceeding standards on the CAASPP for ELA and Math. This will be measured by M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2.
4.10	**Action:** Academic Progress Check-ins **Need:** Data from the 2024-25 school year indicates that Long-Term English Learners continue to experience substantial academic and language proficiency challenges. During 2024-25, only 27.2% of LTELs met or exceeded standards in English Language Arts and only 14.68% met or exceeded standards in Mathematics. District writing data showed a decline from 61% meeting expectations in	Long term English learners show a greater trend towards disengagement compared to the non-LTEL-identified peers (Hill & Deng, 2015). This action seeks to build direct connections to students to mitigate this factor and increase student achievement and engagement metrics.	The effectiveness of this action will be measured by the percentage of LTELs meeting or exceeding standards on the CAASPP for ELA and Math. This will be measured by M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, and M6.1-6.2.

	2022-23 to 51% meeting expectations in 2024-25, while only 10.15% of LTELs achieved ELPAC Level 4 in Reading and Writing during 2024-25. Regular academic progress check-ins are needed to monitor achievement, identify barriers to reclassification, strengthen student-adult connections, and provide timely interventions that improve academic performance and language proficiency. **Scope:** LEA-wide		
7.1	**Action:** Teacher Collaboration and Intervention Design **Need:** Analysis of the 2024-25 California School Dashboard and local assessment data indicates that significant achievement gaps persist for Unduplicated Pupils. During the 2024-25 school year, English Learners met or exceeded standards in English Language Arts at a rate of 11.66% and Mathematics at 13.97%, while Foster Youth met or exceeded standards at 33.33% in ELA and 18.18% in Mathematics. Socioeconomically Disadvantaged students achieved 52.18% proficiency in ELA and 38.12% proficiency in Mathematics during the same year. These outcomes demonstrate a need for structured teacher collaboration focused on data analysis, intervention planning, progress monitoring, and the implementation of effective instructional practices for Unduplicated Pupils.	Continuing to provide all teachers with dedicated weekly release time for Professional Learning Communities (PLCs) is essential for improving individual student achievement and closing achievement gaps for all Unduplicated Pupils (UPs), including socio-economically disadvantaged students, English learners, and Foster Youth. Research shows that PLCs enhance teacher collaboration, data-driven decision-making, and the implementation of effective instructional strategies tailored to student needs (DuFour et al., 2016).	The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1 & M7.2 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)

7.8	**Action:** PYLUSD Induction Program **Need:** Achievement data from the 2024-25 school year demonstrates that Unduplicated Pupils continue to experience significant academic disparities. English Learners met or exceeded standards at rates of 11.66% in ELA and 13.97% in Mathematics, while Foster Youth met or exceeded standards at 33.33% in ELA and 18.18% in Mathematics. To close these gaps, newly credentialed teachers require mentoring, coaching, and professional learning that strengthens instructional effectiveness and equips them to meet the diverse needs of English Learners, Socioeconomically Disadvantaged students, and Foster Youth. **Scope:** LEA-wide	Ensuring that all newly hired teachers are prepared through mentorship and culturally responsive professional development is crucial for effectively addressing the needs of all Unduplicated Pupils (UPs), including socio-economically disadvantaged students, English learners, and Foster Youth. Topics for induction training include differentiated instruction, early reading phonics, literacy, and math to support UPs. Research consistently shows that mentorship and targeted professional development, particularly in culturally responsive teaching practices, significantly improve teacher effectiveness and student outcomes (Villegas & Lucas, 2007). Culturally responsive teaching helps educators understand and respect the cultural backgrounds of their students, allowing them to tailor instruction in ways that are meaningful and engaging for diverse learners (Gay, 2010).	The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.6, & M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)

	Learners, and Socioeconomically Disadvantaged students are in the Yellow. These elevated rates indicate a continued need for targeted counseling and support services to address the underlying barriers to consistent school attendance for these student groups. **Scope:** LEA-wide	improving student well-being, engagement, and academic outcomes (Zins et al., 2004). For UPs, who are at greater risk for experiencing trauma, family instability, and other socio-economic challenges, access to mental health resources is essential for ensuring they can fully participate in their education (Cohen & Sandy, 2007).	and Foster Youth. 7.11	**Action:** Site Discretionary Funding for UPs **Need:** Data from the 2024-25 school year indicates that Unduplicated Pupils continue to face challenges in attendance, academic achievement, and college and career readiness. Chronic absenteeism rates were 16.5% for English Learners, 18.1% for Socioeconomically Disadvantaged students, and 32.4% for Foster Youth. Additionally, during 2024-25, only 20.8% of English Learners and 49.6% of Socioeconomically Disadvantaged students met the College and Career Indicator preparedness threshold. Flexible site-based funding is needed to address locally identified barriers and provide targeted supports aligned to the needs of Unduplicated Pupils. **Scope:** LEA-wide	Distributing and targeting resources equitably to schools where needs are greatest is a critical strategy for closing achievement gaps among Unduplicated Pupils (UPs), including socio-economically disadvantaged students, English learners, and Foster Youth. Site leaders are expected to use their allocations based on a needs assessment of student achievement data for UPs. Research has shown that equitable resource allocation, which takes into account the specific needs of schools and students, significantly contributes to improved academic outcomes and helps level the playing field for underserved groups (Gordon et al., 2006). By directing resources such as funding, instructional materials, and support services to schools with the greatest challenges, districts can provide targeted interventions that address the specific academic, behavioral, and social-emotional needs of UPs (Darling-Hammond, 2010).	The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth at all sites across the district. 7.12	**Action:** Additional Support Staff at High Impact Sites **Need:** After analyzing CA Dashboard and other performance data across sites, it is clear that some schools require additional support to effectively monitor attendance, bolster student achievement, and maintain consistent communication with families. More than 10% of students in PYLUSD are chronically absent, highlighting the urgent need for targeted interventions and enhanced family engagement strategies. **Scope:** LEA-wide	Maintaining additional support staff at high-impact sites is essential for addressing the needs of socio-economically disadvantaged (SED), English Learner (EL), and Foster Youth (FY) students. These student groups often face unique challenges, including limited access to educational resources, language barriers, and family instability, which can hinder their academic success and overall well-being (Losen & Orfield, 2002). Research shows that providing additional support staff, such as counselors, intervention specialists, and family liaisons, helps bridge these gaps by offering targeted assistance and resources to both students and families (Baker et al., 2006).	The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)
7.13	**Action:** Additional Health Support at High Impact Sites **Need:** Attendance data from the 2024-25 school year indicates that chronic absenteeism continues to impede academic success for Unduplicated Pupils. English Learners experienced a chronic absenteeism rate of 16.5%, Socioeconomically Disadvantaged students 18.1%, and Foster Youth 32.4%, with Foster Youth remaining in the Red performance level. Additional health support services are needed to address health-related barriers to attendance, increase access to care, and improve student engagement and learning outcomes.	Maintaining nurses and health clerks at high-impact sites is crucial for supporting the well-being and academic success of socio-economically disadvantaged (SED), English Learner (EL), and Foster Youth (FY) students. These students often face significant health-related challenges, such as inadequate access to healthcare, higher rates of chronic illness, and mental health issues, which can negatively affect their ability to focus on learning and achieve academically (Baker et al., 2001). Having dedicated healthcare staff at school sites ensures that students receive timely medical attention, health screenings, and support for managing chronic conditions, which is essential for reducing absenteeism and promoting consistent academic engagement (Brener et al., 2004).	The effectiveness of this action will be assessed using CA Dashboard Indicators, specifically tracking the Chronic Absenteeism indicator. (M7.1-M7.9 and M9.1, M9.2, M9.4, M9.10 and M8.1, M8.2, and M2.1 - M2.10, M2.14, M3.2-3.3, M4.1-4.2, M5.1-5.2, M6.1-6.4)

7.16	**Action:** District Teachers on Special Assignment (TOSA) **Need:** Performance data from the 2024-25 school year demonstrates persistent academic achievement gaps among Unduplicated Pupils. English Learners met or exceeded standards at rates of 11.66% in ELA and 13.97% in Mathematics, while Foster Youth met or exceeded standards at 33.33% in ELA and 18.18% in Mathematics. Teachers require ongoing coaching, curriculum support, and professional learning to implement evidence-based instructional practices that improve outcomes for these student groups. District Teachers on Special Assignment provide the specialized support necessary to build instructional capacity and accelerate student achievement. **Scope:** LEA-wide	Maintaining district Teacher on Special Assignment (TOSAs) is essential for providing relevant professional development to teachers at all sites, particularly to support the achievement of Unduplicated Pupils (UPs) and other underperforming student groups. Research consistently shows that targeted professional development for educators is one of the most effective ways to improve student outcomes, especially for students who face academic challenges such as socio-economic disadvantage, language barriers, or foster care status (Guskey, 2002; Darling-Hammond et al., 2017).	The effectiveness of this action will be assessed using CA Dashboard Indicators for English Language Arts and Mathematics, specifically tracking the performance of English Learners, Long-Term English Learners, Socioeconomically Disadvantaged Students, and Foster Youth. English Learners met or exceeded standards at rates of 11.66% in ELA and 13.97% in Mathematics, while chronic absenteeism rates were 16.5% for English Learners, 18.1% for Socioeconomically Disadvantaged students, and 32.4% for Foster Youth. Coordinated district leadership is necessary to monitor implementation of LCAP actions, align resources, support site leaders, and ensure continuous improvement efforts result in measurable gains for Unduplicated Pupils. **Scope:** LEA-wide	Secondary Education and the Executive Director of Elementary Education set the direction for educational equity, creating policies, and ensuring that resources are allocated to address the specific challenges faced by UPs, including socio-economic disadvantage, language barriers, and foster care status (Lyon et al., 2001). 7.18	**Action:** Administrative Support **Need:** The 2022–2023 CA Dashboard data reveals significant disparities in academic performance and attendance among unduplicated student groups in PYLUSD. While the districtwide scores in English Language Arts (64.75%, Green) and Math (53.48%, Green) reflect overall success, English Learners, Socioeconomically Disadvantaged students, and Foster Youth consistently underperform. In ELA, English Learners scored 41 points below standard (Orange), SED students 5.4 points below (Orange), and Foster Youth 71.1 points below (Red). Similarly, in Math, English Learners were 68.7 points below standard (Orange), SED students 44.3 points below	Maintaining administrative support at the district office to support Multi-Tiered System of Supports (MTSS) and Advancement Via Individual Determination (AVID) programs is essential for ensuring the effective implementation and sustainability of these programs, which are critical for supporting student success, especially for Unduplicated Pupils (UPs) and underperforming students. MTSS provides a framework for addressing the academic, behavioral, and social-emotional needs of all students through tiered interventions, and administrative support is crucial in overseeing the coordination, fidelity, and continuous improvement of these interventions (Sugai & Simonsen, 2012). Similarly, the AVID program is designed to prepare students for college readiness and success, focusing on students who are underrepresented in higher education. 7.19	**Action:** College and Career Technicians **Need:** The College/Career Indicator data from the 2022–2023 and 2023–2024 school years shows improvement districtwide, rising from 55.8% to 59.8% of students prepared, moving the district into the Green performance level. However, significant disparities remain for key student groups. English Learners increased from 11.4% prepared (Low) to 16.8% (Yellow), and Socioeconomically Disadvantaged students rose from 43.3% (Medium) to 47.8% (Green). **Scope:** LEA-wide	Maintaining College and Career Technicians at each high school is essential for ensuring that students have the necessary guidance and resources to successfully navigate post-secondary options, which are crucial for their future academic and career success. College and Career Technicians provide vital support in areas such as college admissions, financial aid applications, career exploration, internships, and job readiness programs, particularly for students who may lack the resources or support at home to navigate these complex processes (Gandara & Bial, 2001). Research shows that students with access to college and career guidance are more likely to apply to post-secondary institutions, persist in their education, and achieve successful outcomes (Bettinger et al., 2012). The SART and DART meetings provide a structured approach to identifying the underlying causes of absenteeism and implementing targeted interventions to address them, such as providing support for families facing transportation or health challenges, connecting students with mental health resources, and ensuring that families are aware of the academic consequences of poor attendance (Chang & Romero, 2008). 7.32	**Action:** Secondary Intervention Classrooms **Need:** Despite overall improvements in suspension and chronic absenteeism rates districtwide, middle and high school student groups—particularly Foster Youth, English Learners (ELs), and Socioeconomically Disadvantaged (SED) students—continue to exhibit elevated levels of need, signaling the necessity for additional behavioral intervention supports. In 2023–2024, the district's suspension rate declined to 0.6% (Blue), yet Foster Youth remained in the Yellow performance band with 6.5% suspended at least once. Chronic absenteeism also decreased districtwide from 17.8% to 12.2% (Yellow); however, rates for Foster Youth (27.8%), ELs (19.4%), and SED students (18.6%) remain significantly higher than average.	Continuing to maintain school-based intervention programs at secondary schools is essential for addressing the academic, behavioral, and social-emotional needs of Unduplicated Pupils (UPs), including socio-economically disadvantaged (SED), English Learners (ELs), and Foster Youth (FY). These programs play a critical role in closing achievement gaps and reducing suspension rates, which are often disproportionately high for UPPs. Research has consistently shown that targeted intervention programs, which provide personalized support in academic, behavioral, and social-emotional areas, significantly improve student outcomes by addressing the specific challenges these students face (Baker et al., 2006; Sugai & Simonsen, 2012). Research has consistently shown that dual language immersion programs not only support the development of proficiency in two languages but also enhance academic outcomes for students, particularly English Learners (ELs) and socio-economically disadvantaged (SED) students (Thomas & Collier, 2002). The 90/10 model, where the majority of instruction is delivered in the target language (Spanish in this case) in the early grades, has been shown to accelerate language acquisition while maintaining high academic standards in both languages (Genesse, 2008). While the district has seen encouraging gains in graduation rates (from 88.8% to 92.5%) and reductions in chronic absenteeism (from 31.6% to 22.6%), significant academic achievement gaps persist. However, nearly 1 in 5 SED students are still chronically absent—often due to transportation challenges. These attendance issues contribute directly to lower academic performance and diminished long-term outcomes, especially for students already facing systemic inequities. **Scope:** Limited to Unduplicated Student Group(s)	economically disadvantaged (SED) students can access school consistently, thereby reducing chronic absenteeism. Research highlights transportation barriers as a significant contributor to absenteeism among low-income students, directly impacting their academic achievement and long-term success (Gottfried, 2017). Studies show that students who face transportation challenges are more likely to miss school, leading to lower test scores, decreased engagement, and higher dropout rates (Balfanz & Byrnes, 2012). By expanding transportation services, districts can remove a critical barrier to attendance, ensuring that SED students have equitable access to education and the support needed for academic success.	through the CA Dashboard indicators for Socio-economically Disadvantaged Students in Chronic Absenteeism. The Suspension Indicator for Foster Youth was at the Orange level, compared to the districtwide Blue level. Additionally, chronic absenteeism for Foster Youth remained higher than the districtwide average, with a Red performance level. **Scope:** Limited to Unduplicated Student Group(s)	face frequent school disruptions, leading to gaps in learning, lower academic performance, and higher dropout rates (Pecora et al., 2012). Targeted tutoring interventions have been shown to improve educational outcomes for at-risk students by providing individualized academic support, strengthening foundational skills, and increasing engagement (Zetlin et al., 2010). 6.6	**Action:** Professional Development for Staff **Need:** In 2025, the academic performance of Foster Youth (FY) on the CA Dashboard maintained the Yellow performance level in English Language Arts (ELA) and improved to Orange in Math, while the districtwide performance remained Green for both subjects. The Suspension Indicator for Foster Youth was at the Orange level, compared to the districtwide Blue level. Additionally, chronic absenteeism for Foster Youth remained higher than the districtwide average, with a Red performance level. **Scope:** Limited to Unduplicated Student Group(s)	Providing professional development for staff to increase awareness and understanding of the unique needs of Foster Youth (FY) is essential for creating a supportive and inclusive school environment that fosters academic success and emotional well-being. Research indicates that FY students face significant educational barriers, including frequent school changes, trauma, and lack of stable academic support, which contribute to lower achievement levels and higher dropout rates (Pecora et al., 2012). Educator training on trauma-informed practices, social-emotional learning, and the specific challenges FY students encounter has been shown to improve student-teacher relationships, enhance classroom engagement, and increase academic resilience (Clemens et al., 2017).	The effectiveness of this action will be measured through the CA Dashboard indicators for Foster Youth Students in English Language Arts, Math, Suspension, and Chronic Absenteeism. Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

N/A: PYLUSD does not receive concentration grant funding.

Local Control and Accountability Plan Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.

- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.

- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:

    - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).

    - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).

        - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (EC sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in EC sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023 and Senate Bill 153, Chapter 38, Statues of 2024.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

> Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- LEAs may also provide information about their strategic plan, vision, etc.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

EC Section 52064.4 requires that an LEA that has unexpended Learning Recovery Emergency Block Grant (LREBG) funds must include one or more actions funded with LREBG funds within the 2026-27, 2026-27 and 2027-28 LCAPs, as applicable to the LEA. To implement the requirements of *EC* Section 52064.4, all LEAs must do the following:

- For the 2025–26, 2026–27, and 2027–28 LCAP years, identify whether or not the LEA has unexpended LREBG funds for the applicable LCAP year.
    - If the LEA has unexpended LREBG funds the LEA must provide the following:
        - The goal and action number for each action that will be funded, either in whole or in part, with LREBG funds; and
        - An explanation of the rationale for selecting each action funded with LREBG funds. This explanation must include:
            - An explanation of how the action is aligned with the allowable uses of funds identified in *EC* Section 32627(c)(2); and
            - An explanation of how the action is expected to address the area(s) of need of students and schools identified in the needs assessment required by *EC* Section 32627(d).
                - For information related to the allowable uses of funds and the required needs assessment, please see the Program Information tab on the LREBG Program Information web page.
            - Actions may be grouped together for purposes of these explanations.
            - The LEA may provide these explanations as part of the action description rather than as part of the Reflections: Annual Performance.
    - If the LEA does not have unexpended LREBG funds, the LEA is not required to conduct the needs assessment required by *EC* Section 32627(d), to provide the information identified above or to include actions funded with LREBG funds within the 2026-27, 2026-27 and 2027-28 LCAPs.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement
An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

Requirements

School districts and COEs: *EC* Section 52060(g) and *EC* Section 52066(g) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,

- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section 47606.5(d) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the CDE's LCAP webpage.

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see *Education Code* Section 52062;
    - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).
- For COEs, see *Education Code* Section 52068; and
- For charter schools, see *Education Code* Section 47606.5.

- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.

- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.

- For the purposes of this prompt, this may also include, but is not necessarily limited to:
    - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
    - Inclusion of metrics other than the statutorily required metrics
    - Determination of the target outcome on one or more metrics
    - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
    - Inclusion of action(s) or a group of actions
    - Elimination of action(s) or group of actions
    - Changes to the level of proposed expenditures for one or more actions
    - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
    - Analysis of effectiveness of the specific actions to achieve the goal
    - Analysis of material differences in expenditures
    - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
    - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
    - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The *LCFF State Priorities Summary* provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

(A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and

(B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.

- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
    - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
    - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
    - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: *EC* Section 42238.024(b)(1) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.

- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.

- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.

- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.

    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

- **Required metrics for Equity Multiplier goals**: For each Equity Multiplier goal, the LEA must identify:

    - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or

    - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

- **Required metrics for actions supported by LREBG funds**: To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include at least one metric to monitor the impact of each action funded with LREBG funds included in the goal.

    - The metrics being used to monitor the impact of each action funded with LREBG funds are not required to be new metrics; they may be metrics that are already being used to measure progress towards goals and actions included in the LCAP.

Complete the table as follows:

Metric #

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
    - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
    - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
    - Indicate the school year to which the baseline data applies.
    - The baseline data must remain unchanged throughout the three-year LCAP.
        - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.
        - If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.

- Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. "Effective" means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as "Not Applicable."

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
    - Include a discussion of relevant challenges and successes experienced with the implementation process.
    - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
    - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
    - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
    - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
    - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:

- The reasons for the ineffectiveness, and
- How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.
    - For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
    - As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
    - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496 in the Increased or Improved Services section of the LCAP.

***Actions for Foster Youth*:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

For English Learners and Long-Term English Learners

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
    - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
    - Professional development for teachers.
    - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.

For Technical Assistance

- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

For Lowest Performing Dashboard Indicators

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
    - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
    - These required actions will be effective for the three-year LCAP cycle.

For LEAs With Unexpended LREBG Funds

- To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include one or more actions supported with LREBG funds within the 2025–26, 2026–27, and 2027–28 LCAPs, as applicable to the LEA. Actions funded with LREBG funds must remain in the LCAP until the LEA has expended the remainder of its LREBG funds, after which time the actions may be removed from the LCAP.
    - Prior to identifying the actions included in the LCAP the LEA is required to conduct a needs assessment pursuant to *EC* Section 32627(d). For information related to the required needs assessment please see the Program Information tab on the LREBG

Program Information web page. Additional information about the needs assessment and evidence-based resources for the LREBG may be found on the California Statewide System of Support LREBG Resources web page. The required LREBG needs assessment may be part of the LEAs regular needs assessment for the LCAP if it meets the requirements of *EC* Section 32627(d).

- School districts receiving technical assistance and COEs providing technical assistance are encouraged to use the technical assistance process to support the school district in conducting the required needs assessment, the selection of actions funded by the LREBG and/or the evaluation of implementation of the actions required as part of the LCAP annual update process.
- As a reminder, LREBG funds must be used to implement one or more of the purposes articulated in *EC* Section 32627(c)(2).
- LEAs with unexpended LREBG funds must include one or more actions supported by LREBG funds within the LCAP. For each action supported by LREBG funding the action description must:
  - Identify the action as an LREBG action;
  - Include an explanation of how research supports the selected action;
  - Identify the metric(s) being used to monitor the impact of the action; and
  - Identify the amount of LREBG funds being used to support the action.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC*

Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the "minimum proportionality percentage" or "MPP." The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero ($0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.

- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.

    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

    - The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.

- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.

    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

    - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year**: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

  See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 *CCR* Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***

- **Goal #**: Enter the LCAP Goal number for the action.
- **Action #**: Enter the action's number as indicated in the LCAP Goal.
- **Action Title**: Provide a title of the action.
- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
    - **Scope**: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
    - **Unduplicated Student Group(s)**: Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
    - **Location**: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel**: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- **LCFF Funds**: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
    - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
    - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds**: Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds**: Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds**: This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services**: For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.
    - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

      For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures**: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions**: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
    - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been $169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of $169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant**: Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program,

the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
    - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**
    - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**

- This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on the number and concentration of unduplicated students in the current school year.

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**
  - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**

- If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

  The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- **13. LCFF Carryover — Percentage (12 divided by 9)**

  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

APPROVAL OF SCHOOL PLANS FOR STUDENT ACHIEVEMENT

Background

California Education Code Section 64001 requires that any school receiving categorical funds develop a *School Plan for Student Achievement* (SPSA). The plan must address all categorical funding sources that the school receives to ensure that students receive a coordinated program and that resources are maximized. In addition, the plan must be based on achievement data, demonstrate that staff has reviewed the progress of all groups of students in the school (e.g., special education students, English learners, GATE students, etc.), and have identified any areas where academic achievement should be improved. Action plans that are based on measurable goals and include specific activities for improvement are the heart of the *School Plan for Student Achievement*. Staff development and resources needed to implement the plan are identified. In the Placentia-Yorba Linda Unified School District, all elementary schools and middle schools are required to write a SPSA. For the 2026–2027 school year, all SPSAs have been revised and submitted for Board approval. This year, the district has adjusted the timeline for SPSA development and approval to align with the annual Local Control and Accountability Plan (LCAP) process. This alignment enhances coherence across school and district-level planning, promotes greater transparency, and ensures federal and state compliance.

The staff at, Brookhaven Elementary, Bryant Ranch Elementary, Buena Vista Virtual Academy, El Camino High, El Dorado High School, Fairmont Elementary, George Key School, Glenknoll Elementary, Glenview Elementary, Golden Elementary, Kraemer Middle, Lakeview Elementary, Linda Vista Elementary, Mabel Paine Elementary, Melrose Elementary, Morse Elementary, Orange County School of Computer Science, Parkview School, Rio Vista Elementary, Rose Drive Elementary, Ruby Drive Elementary, Sierra Vista Elementary, Topaz Elementary, Travis Ranch School, Tuffree Middle, Tynes Elementary, Valencia High School, Valadez Middle, Van Buren Elementary, Wagner Elementary, Woodsboro Elementary, and Yorba Linda Middle have developed their *School Plan for Student Achievement* and have received School Site Council authorization to submit their plan to the Board of Education for approval. These plans meet the requirements outlined in California Education Code Section 64001.

Elementary/Secondary SPSA Goals 2026-2027

Site SPSA Link	ELA	Math	Chronic Absenteeism	English Learners
Brookhaven	By June 2027, students in “at or above grade level” will increase by 20% in grades K-5. We plan to achieve our goal through PLC (vertical and grade level), intervention time, small groups, and intervention. We measure our progress and success by monitoring i-Ready Reading after each diagnostic.	By June 2027, students in the “at or above grade level” will increase by 20% in grades K-5. We plan to achieve our goal through PLCs (vertical and grade level), small groups, and intervention. We measure our progress and success by monitoring i-Ready Math after each diagnostic.		By June 2027, socioeconomically disadvantaged students, which include our English Learners, in the “one grade level below” will decrease by 20% in grades K-5. We plan to achieve our goal through PLCs (vertical and grade level), small groups, and intervention. We measure our progress and success by monitoring i-Ready reading & math after each diagnostic.
Bryant Ranch	By June 2027, the iReady Reading Diagnostic overall percentage score of students scoring "On or Above Grade Level" in the comprehension domain will be 85% or higher for students in grades K-5th.	By June 2027, the iReady Math Diagnostic overall percentage score of students scoring "On or Above Grade Level" in math will be 85% or higher for students in grades K-5th.		By June 2027, the iReady Reading Diagnostic overall percentage score of EL students scoring "On or Above Grade Level" in the reading domain will be 60% or higher for students in grades K-5th.

Fairmont	The percentage of all K-5 students scoring Tier 1 on the i-Ready reading assessment will be 85% by May 2027. Increase the percentage of grades 3-6 students scoring standard met and standard exceeded on the Spring 2027 CAASPP to reach 85%.	The percentage of K-5 students scoring Tier 1 on the i-Ready math assessment will be 85% by May 2027. Increase percentage of students in grades 3-6 scoring standard met or standard exceeded to 85% on the Spring 2027 CAASPP.		By the end of the 2026-27 school year, 75% of the English learners will advance one level of proficiency as measured by the ELPAC. Students will take the IABs throughout the year to check progress towards this goal.
George Key/VENTURE	George Key) Students will demonstrate choices, state an opinion, initiate a communication exchange using their communication system(s.) (Venture Academy) Increase students that receive paid employment through Workability or other state or district programs or grants, from 20 students to 40 students.	(George Key) Increase sustained interaction and attention with age-respectful activities as completed by peers. (Venture Academy) Increase data collection and progress monitoring at the job sites from once a month to once a week.		Provide George Key teachers with evidenced based language techniques to support students with complex communication needs, as evidenced by student outcome in communication goals as noted on individual IEPs.

2026-27 ADOPTED BUDGET

Background

The district is required to prepare a budget in accordance with Education Code section 42126. Throughout the year, the Board will review and act upon proposed budget changes as they occur. In addition, the Board will review financial updates and staff will present interim reports in December 2026 (1st Interim) and in March 2027 (2nd Interim).

The board must adopt the 2026-27 budget and submit it to the County Superintendent of Schools no later than July 1, 2026. The budget document includes information related to current year obligations, multi-year financial commitments, and state adopted criteria and standards.

Dear PYLUSD Parents, Staff, and Community Members,

As we introduce the Placentia-Yorba Linda Unified School District's (PYLUSD) budget for the 2026–27 school year, I want to step back from the numbers for a moment to express my deepest gratitude to our Board of Education, our incredible staff, our resilient students, and our dedicated families. The true wealth of PYLUSD isn't found in a ledger; it is found in the deep pride our community takes in our schools, our rich traditions of academic and artistic excellence, and the bright futures we help build for our children.

This year marks an exciting milestone for us. Our fiscal planning is now anchored by our new strategic plan, the ***PYL Promise***. Born from the collective wisdom, hopes, and voices of our community, this plan centers on three priorities that define our path forward: ensuring our schools are ***Rooted in Connection***, our students are ***Ready for Tomorrow***, and our community stands ***Stronger Together***. Every budget decision we make is guided by these priorities, ensuring that our resources are aligned with the goals and aspirations our community helped shape.

Navigating California's current financial landscape requires both transparency and clear-eyed leadership. Like the vast majority of school districts across the state, we are balancing the realities of declining enrollment and a volatile state revenue outlook. Because public school funding is directly tied to student attendance, these statewide trends require careful and continuous stewardship. However, thanks to our deliberate planning, we are facing these challenges from a position of strength and confidence.

First, due to an unexpected increase in ongoing state funding, we are able to continue supporting the priorities you told us matter most during our strategic planning process. This means sustaining the rigorous academics, competitive athletics, dynamic career pathways, and vibrant visual and performing arts programs that our families deeply value.

Given the Governor's May Revision, we also expect to receive one-time funding that can provide more stabilization than was projected one year ago. Rather than requiring abrupt or disruptive budget reductions to align with statewide trends, this one-time funding gives us a longer, more measured runway for thoughtful planning. It allows us to protect the classroom experience, make structural adjustments over time, and maintain the high-quality education our students deserve every day.

Our budget is far more than a financial document; it is a reflection of our values and a promise to our community. Following the required public hearing process, the Board of Education will consider adoption of this budget, and we remain fully committed to transparency and open communication throughout every step of the process.

While the statewide economic landscape will continue to bring change, I have unwavering confidence in the future of our district. By remaining intentionally ***Rooted in Connection*** and keeping our focus on ensuring students are ***Ready for Tomorrow***, I know we will successfully navigate this season and emerge ***Stronger Together***.

Thank you for your enduring partnership, your trust, and your shared dedication to the Placentia-Yorba Linda Unified School District.

With deep gratitude,

Dr. Kym LeBlanc-Esparza

Dear Parents and Community Members:

As we present the 2026–27 budget, I want to acknowledge the continued success of our students, the dedication of our staff, and the strong partnership we maintain with the PYLUSD community. These strengths remain the foundation of our district.

Our students continue to perform at high levels, supported by a comprehensive educational program that includes rigorous academics, as well as opportunities in athletics, electives, special programs, and the visual and performing arts. We remain committed to providing a high-quality education for all students.

The 2026–27 budget is being developed in the context of the State's fiscal environment as reflected in the Governor's proposed budget. While the Local Control Funding Formula (LCFF) remains stable, the State continues to rely heavily on one-time funding solutions and limited ongoing increases. As a result, school districts across California, including PYLUSD, are facing ongoing cost pressures without corresponding long-term revenue growth.

In addition, our enrollment projections indicate a continued decline over the coming years, driven largely by lower birth rates. This trend is not unique to PYLUSD. It is being experienced by school districts throughout California and across the country. Declining enrollment directly impacts revenue under the LCFF and will require ongoing adjustments to align staffing and resources with student needs.

To address increased costs in the near term, the District will utilize available one-time block grant funds through the 2028–29 fiscal year. While this approach allows us to maintain current programs and services in the short term, it is not a long-term solution. With the anticipated expiration of these one-time funds, the District projects the need for approximately $15 million in budget reductions over the following two fiscal years, 2027-28 and 2028-29.

In accordance with Assembly Bill 1200, the Board of Trustees will adopt the District's annual budget following a public hearing. The budget includes projections for two subsequent years and demonstrates the District's ability to meet the required minimum reserve level. Following adoption of the State budget, the District will revise its financial projections as required.

The District's budget is a financial reflection of our educational priorities and is aligned with the Local Control and Accountability Plan (LCAP). Our focus remains on directing resources to support student learning and classroom instruction, consistent with the priorities outlined in the PYLUSD Strategic Plan.

While the financial outlook presents challenges, PYLUSD remains committed to thoughtful planning, transparency, and maintaining the quality of our educational program. We will continue to work collaboratively with our Board, staff, and community as we navigate these fiscal realities.

Sincerely,

Dr. John Pappalardo
Chief Business Officer

INTRODUCTION

Purpose of the Budget

The purpose of the budget is to serve as a guideline for the utilization of resources to meet the needs of students in the Placentia-Yorba Linda Unified School District. The District's budget is an expression in dollars of the educational program. It is the intent of the Board of Education to expend the resources of the District in a manner designed to maximize benefits directly related to the students in the classroom and to the total educational program.

More specifically, the budget serves as an outline for the estimated revenues and expenses for the fiscal year and is intended to serve a variety of purposes including but not limited to the following:

- A reflection of educational philosophy
- A statement of District priorities
- A description of the resources to support the educational plan
- A financial plan outlining proposed District actions
- An accountability tool
- A public relations document

General Description of the District

The Placentia-Yorba Linda Unified School District traces its origins to 1874, when twelve pioneer families established a one-room schoolhouse in a rural farming community. In 1878, this effort was formalized as the Placentia School District, serving a small but steadily growing population and reflecting the community's early commitment to public education.

As the region developed, additional elementary districts were formed, including the Yorba Linda School District in 1911. By 1915, consolidation efforts led to the creation of a larger Placentia Union School District, expanding services and improving operational efficiency across a broader geographic area.

The District's transition into comprehensive secondary education began with the opening of Valencia High School in 1933. In the decades that followed, particularly during the post-World War II era, the area experienced significant suburban growth, driving the construction of many of the schools that continue to serve the community today.

The modern District was established in 1989 through the unification election of the Placentia Unified School District and the Yorba Linda School District school systems, creating a cohesive TK-12 structure with the Placentia-Yorba Linda Unified School District being created. Since that time, voter-approved bond programs have supported the construction of new schools and modernization of existing facilities.

INTRODUCTION

Today, the District serves students across Placentia, Yorba Linda, and surrounding areas. While the system has grown significantly since its beginnings in 1874, its core mission remains unchanged: providing high-quality educational opportunities in support of student success and community vitality.

INTRODUCTION

Oversight

The District's budget and financial condition is reviewed and monitored by the Orange County Department of Education (OCDE) and the California Department of Education (CDE) several times throughout the fiscal year. This is accomplished by an examination of the following District documents and publications:

- Adopted Annual Budget (prepared prior to July 1 of the upcoming fiscal year).
- Any substantial changes or updates to the Annual Budget (ongoing throughout the year; primarily after the State Budget is adopted).
- Financial status report through October 31 (the "First Interim" report).
- Financial status report through January 31 (the "Second Interim" report).
- Projected Ending Balances (Estimated Actuals) for the fiscal year (prepared with the proposed Budget for the following fiscal year).
- Unaudited Actuals Financial Report verified by the County Superintendent of Schools.
- Annual Audit Report prepared by independent Certified Public Accountants (CPA's) (prepared 60-120 days after the close of the fiscal year).

Any deficiencies or declining financial trends are noted by the Orange County Department of Education, the California Department of Education or the independent CPAs and are promptly reported to the District for corrective action.

BUDGET GUIDELINES

Budget Guidelines are drafted each year to serve as a focus in the budget development process. The set of guidelines is directed toward the following:

1. A Budget Calendar shall be developed and used as a planning guide.

2. Budget assumptions shall be developed, reviewed and updated on a regular basis.

3. A minimum of 3% in General Fund Reserve for Economic Uncertainty shall be maintained in the Unassigned Fund Balance.

4. Funds shall be made available in the budget prioritization to provide fair and equitable total compensation to all employees.

5. Staffing shall be maintained to comply with current collective bargaining agreements.

6. General Fund Categorical and Grant programs, with the exception of Special Education and Home-to-School Transportation shall be self-supporting.

7. The Child Development Fund and Cafeteria Fund shall be self-supporting.

8. State allowed direct support and indirect support charges shall be consistently applied, at the maximum allowable rates, to all funds and programs.

9. Unrestricted General Fund school site LCFF Base year-end balances shall be carried forward. Deficits in school site budgets, which occur because of unforeseen situations, shall be carried forward into the following fiscal year.

10. Restricted fund and program year-end balances shall be carried forward in accordance with terms and conditions of the grantor.

11. Provision shall be made to preserve the use and value of existing facilities and equipment through capital improvements and preventive maintenance.

12. Funds shall be budgeted to maintain facilities.

13. When a new goal, project or program is recommended for authorization the specific funding source shall be identified.

14. Generally, one-time funding allocations or resources shall not be used for on-going expenditures.

15. The budget documents shall be summarized by program and type of expenditure to allow for ready comparison among these areas and comparison with previous years. Detailed budget information shall be available so that the Board, as well as the public can examine the components of a specific program.

BUDGET GUIDELINES

16. The budget document shall include financial data from at least one prior year as well as projected current year budget data.

17. The First and Second Interim Reports shall include a minimum two-year budget projection beyond the current year to comply with the provisions of the Education Code.

18. All funds of the district, such as Cafeteria, Special Reserve (Capital Projects), Deferred Maintenance, Child Development, Capital Facilities, Insurance, and Building Funds shall be included in the budget document.

19. The following budgets shall be presented to the Governing Board for approval:
    - First Interim Report (within 45 days of October 31), no later than December 15

BUDGET HIGHLIGHTS

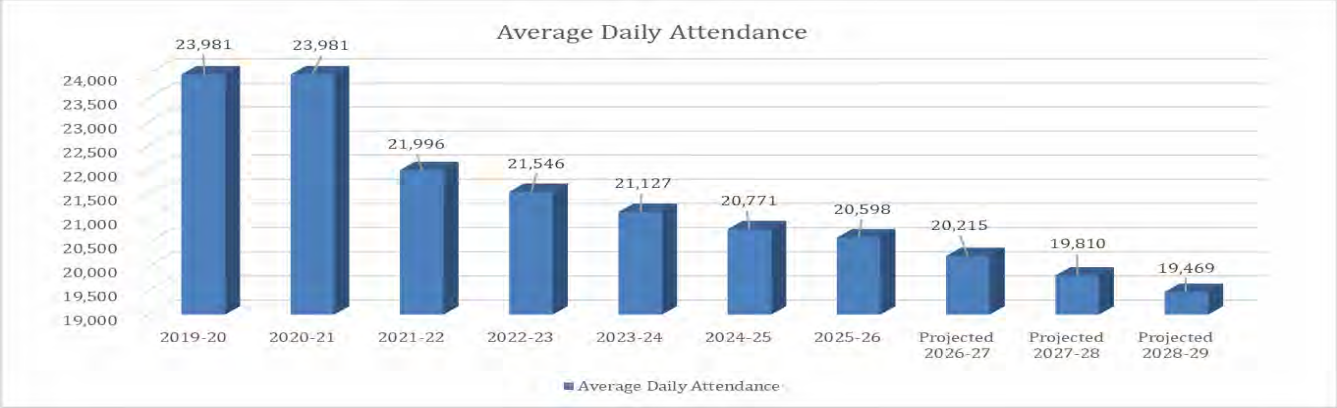
Overview

Developing a balanced budget is a critical element of a fiscally responsible school district. While still maintaining fiscal solvency, budgeting decisions and new expenditures are prioritized based on the PYLUSD Advantage and the District's Local Control and Accountability Plan (LCAP). To review the District's LCAP please go to www.pylusd.org/lcap. The following narrative will provide a summary of highlights from the 2026-27 Placentia-Yorba Linda Unified School District's All Funds Budget. After passage of the statewide budget, necessary changes will be proposed to the Board for consideration.

Proposition 98

Proposition 98 is a voter-approved constitutional amendment that guarantees minimum funding levels for TK-12 schools and community colleges. The Governor estimates 2026-27 Proposition 98 spending at $127.1 billion.

General Fund



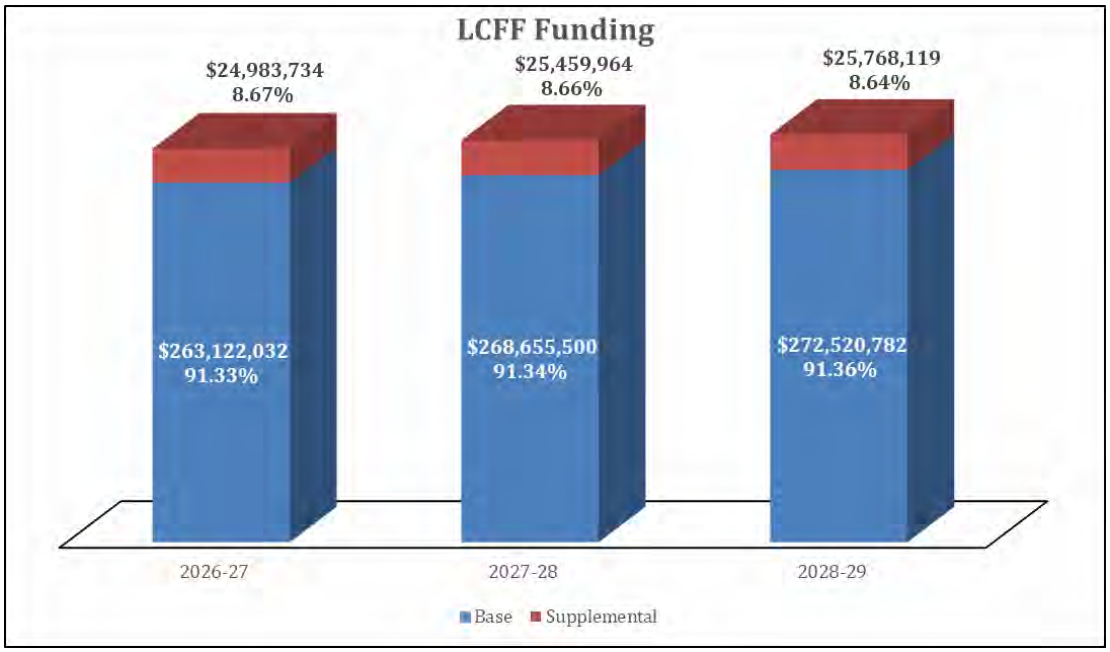
The General Fund accounts for the main operations of the District. Revenues are derived from a variety of sources, ranging from property taxes, State aid known as the Local Control Funding Formula (LCFF), Federal and State grant awards, and community donations. This money is then used to educate the students of the District.

Local Control Funding Formula

The Local Control Funding Formula (LCFF) is the primary mechanism for distributing Proposition 98 funds to support all TK-12 students attending public schools in California. The LCFF was enacted in 2013 and reached full implementation in 2018-19, two years earlier than initially estimated when the Legislature enacted the LCFF. Approximately eighty percent of the District's General Fund Revenue is generated from LCFF sources. The key factors in determining the amount of revenue a district will receive are average daily attendance rates and the unduplicated student percentage.

The basic calculation of the grade span grant begins with a measurement of Average Daily Attendance (ADA). The ADA is multiplied by the LCFF grade span allocations to determine the district's unique funding. Small fluctuations in ADA can greatly affect the amount of revenue the District receives. Currently, school districts are allowed to use the greater of current year or prior year average daily attendance or an average of the three prior years' average daily attendance to calculate LCFF funding. PYLUSD's 2026-27 LCFF calculation will be based on an average of the three prior years' average daily attendance. This method helps school districts mitigate the fiscal impacts due to declining enrollment.

The following chart illustrates the PYLUSD ADA history and projections.



Another key component of the LCFF calculation is the Unduplicated Pupil Count Percentage. The LCFF provides supplemental funding for students who are eligible for free and reduced-price meals, English Learners or foster youth. If a student qualifies for more than one of these categories, the student is counted once for additional funding. The percentage of unduplicated students in the district is used to calculate the amount of funds received for targeted services. A district will receive a supplemental grant amount determined on its percentage of unduplicated pupils and an additional concentration grant if the district's overall unduplicated percentage is over 55%. PYLUSD's estimated unduplicated 3-year rolling average percentage in 2026-27 is 48.62%.

LCFF Base and Supplemental Funding

Under the LCFF, the District must ensure that supplemental funds are used to increase or improve services for students that are eligible for free and reduced-price meals, English Learners, and foster youth.

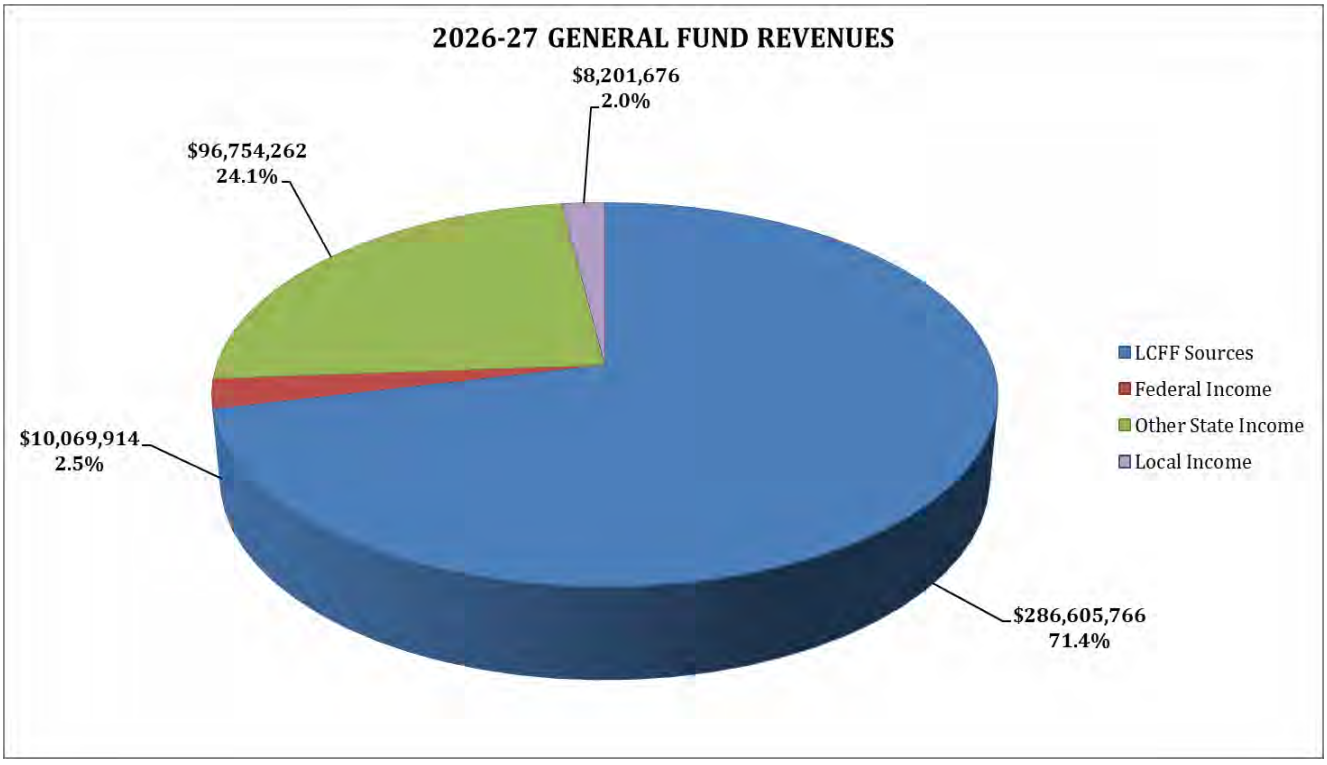
The following chart represents LCFF funding anticipated for the 2026-27 through 2028-29 school years for all students and the additional LCFF supplemental funding for targeted students classified as English learners, low income, and foster youth.

BUDGET HIGHLIGHTS

Education Protection Act (EPA)

The passage of Proposition 30 established the Education Protection Act (EPA) whereby temporary sales tax and income tax revenues are distributed to schools. EPA funding is an offset to state aid funding. EPA funds are required to be used for instructional purposes only and to be posted annually. The amount of EPA funds and how they are spent is posted annually on the PYLUSD website.

Other Federal Revenue

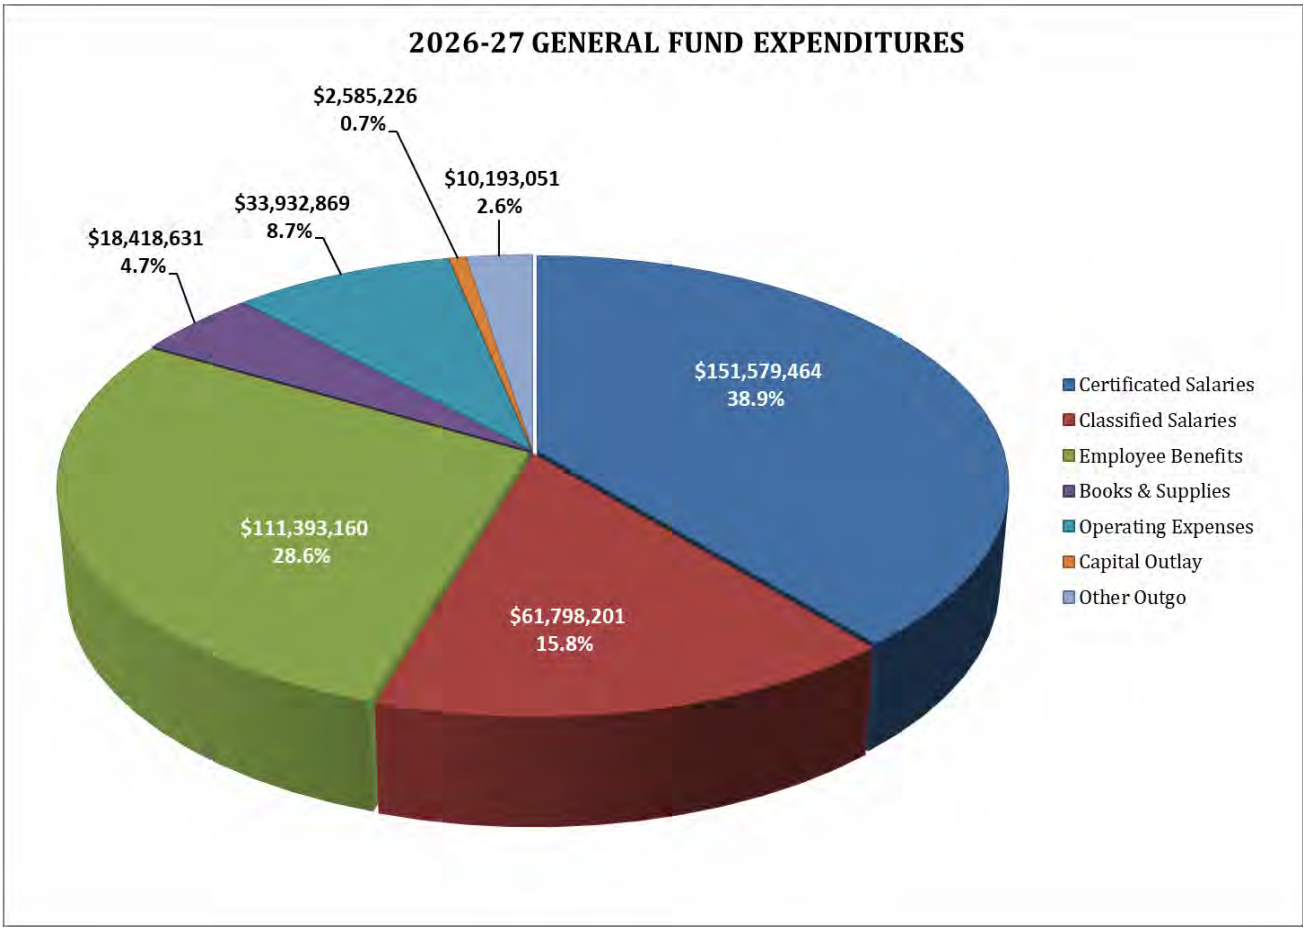


Other Federal Revenue includes programs such as Title I, Title II, Title III and Federal Special Education. For budget development and multiyear planning, the District is assuming that funding will remain at the same level as 2025-26.

Other State Revenue

The majority of State categorical programs are now part of the LCFF. Income of $96.8 million is derived from State sources other than LCFF. State revenue programs include State Special Education, After School Education & Safety, and Expanded Learning Opportunities Program.

Other Local Revenue



An additional $8.2 million is budgeted from other local resources. These resources include income from interest, use of facilities, rents and other local grant awards. Although community donations are a source of income to the District, they are not budgeted as the amount received varies annually.

BUDGET HIGHLIGHTS

Expenditures

The General Fund expenditure budget primarily consists of expenditures related to salaries and benefits. Certificated and classified salaries and their associated benefits are budgeted in 2026-27 at $324.8 million dollars. Certificated salaries include employees such as teachers, nurses, librarians, principals and district administrators. Classified salaries include support personnel to schools and to the District including secretaries, accountants, bus drivers, custodial and grounds personnel. The District is able to maintain a balanced budget while maintaining a full work year calendar for all employees.

School Site Resource Allocations - LCFF Base & Supplemental

Each school site receives an LCFF Base and LCFF Supplemental allocation to assist in achieving site determined goals. LCFF Base and Supplemental funds are allocated using a weighted student average and can be used on such things as instructional materials, equipment replacement, custodial supplies, and other daily operational items.

The resource allocations are supplemented by the district's lottery and categorical programs, as authorized by state and federal programs for 2026-27.

BUDGET HIGHLIGHTS

STRS and PERS

Beginning with the 2014-15 fiscal year, the Governor's budget addressed the unfunded liability in CalSTRS by increasing employer, employee, and state contributions. Employer contribution rates for PERS also continue to increase.

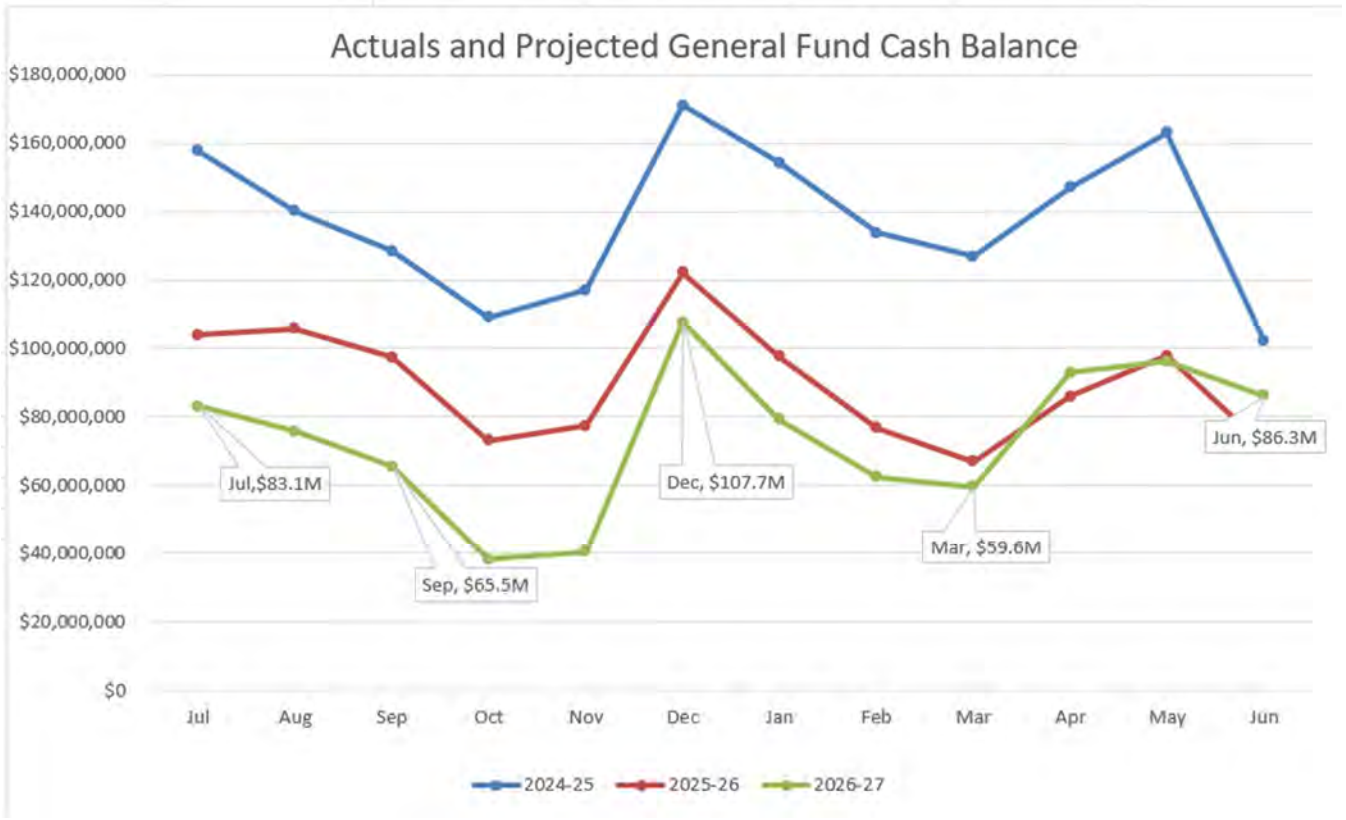
General Fund Unassigned Fund Balance



Revenues that have not been expended during a budget year are considered to be a district's ending fund balance. Components of the ending fund balance may include unspent restricted revenues that are anticipated to be spent the following year. Funds not designated as restricted or as a component of the ending fund balance are considered to be the District's Unassigned Fund Balance. Beginning with the 2022-23 fiscal year, Education Code Section 42127.01 (a) requires that a school district's adopted or revised budget shall not contain a combined assigned or unassigned ending general fund balance in excess of 10 percent of total general fund expenditures, transfers out, and other uses. Districts are permitted to reclassify any assigned or unassigned components of the fund balance to the committed or restricted category of the fund balance. The chart below shows the District's ending fund balances categorized as Reserve for Economic Uncertainties, Contingency Reserve, and Committed Reserve.

Cash Flow

BUDGET HIGHLIGHTS

The District does not anticipate having to borrow cash to meet its financial obligation in 2026-27.

State Underfunded Programs

The adoption of each year's Publication Budget characteristically brings up the question of state underfunded programs. In a $401.6 million General Fund budget, the possibility exists that some particular effort of the school district is operating with insufficient revenue and thereby drawing away funds that could be used for other needed purposes. It would be impossible to answer all questions of state underfunded programs in this section, but the ones that come under general scrutiny each year have been included. They are Special Education and Transportation.

Seeking to answer the state underfunded program question when reviewing the general budget is often difficult because the money is recorded as income in a separate section from where the expenses appear. Consequently, it is often difficult to determine whether a particular program or service is staying within its own means. A separate breakout from the State accounting practice must be rendered in order to address the issue.

On the following pages in differing forms, staff has attempted to address the question for each of the general areas listed above. With the notable exception of Special Education and Transportation Programs, the 2026-27 Budget contains an anticipation of no underfunding in any of the District's other programs. These two programs, however, represent $37.0 million in excess cost beyond their own funding levels and therefore constitute a major focus when examining the question of state underfunded programs.

BUDGET HIGHLIGHTS

Special Education Expenditures

Special Education services are mandated by the Federal and State governments and provided to students with identified disabilities. Although both governmental agencies provide some funding, historically the funding has been significantly less than the cost of the required services. This shortfall in revenue creates an increased contribution from the General Fund that cannot be totally eliminated although the District makes every effort to manage and control it. Due to its specialized nature, Special Education programs are located at various school sites and attended by students from all over the District. Often, special transportation is required. Due to the distances traveled and the individual routing necessary, the service is quite expensive and adds to the costs of providing special education. There are several reasons why the increased costs for Special Education are particularly troublesome. The underlying issue, confirmed by a School Services of California Report, is that the State woefully underfunds the Special Education effort. Additionally, there are programmatic reasons within the Special Education effort itself that increase expenditures, such as the significant rise in the number of students identified with autism.

Transportation Expenditures

District staff does everything in its power to run an efficient transportation system that minimizes the impact on the General Fund. The current program is restricted to bus runs in which students reside specific distances from their school of attendance.

The State continues to underfund both Home-to-School and Special Education transportation. While the state has provided additional relief via the new Home-to-School (HTS) Transportation Reimbursement, the district is still required to cover at least 40% of the overall program costs.

ANNUAL BUDGET REPORT:

July 1, 2026 Budget Adoption

Select applicable boxes:

X This budget was developed using the state-adopted Criteria and Standards. It includes the expenditures necessary to implement the Local Control and Accountability Plan (LCAP) or annual update to the LCAP that will be effective for the budget year. The budget was filed and adopted subsequent to a public hearing by the governing board of the school district pursuant to Education Code sections 33129, 42127, 52060, 52061, and 52062.

X If the budget includes a combined assigned and unassigned ending fund balance above the minimum recommended reserve for economic uncertainties, at its public hearing, the school district complied with the requirements of subparagraphs (B) and (C) of paragraph (2) of subdivision (a) of Education Code Section 42127.

Criteria and Standards Review Summary

The following summary is automatically completed based on data provided in the Criteria and Standards Review (Form 01CS). Criteria and standards that are "Not Met," and supplemental information and additional fiscal indicators that are "Yes," may indicate areas of potential concern for fiscal solvency purposes and should be carefully reviewed.

CRITERIA AND STANDARDS			Met	Not Met
1	Average Daily Attendance	Projected (funded) ADA has not been overestimated by more than the standard for the prior fiscal year, or two or more of the previous three fiscal years.	X	
2	Enrollment	Enrollment has not been overestimated by more than the standard for the prior fiscal year, or two or more of the previous three fiscal years.		X
3	ADA to Enrollment	Projected second period (P-2) ADA to enrollment ratio is consistent with historical ratios for the budget and two subsequent fiscal years.	X	
4	Local Control Funding Formula (LCFF) Revenue	Projected change in LCFF revenue is within the standard for the budget and two subsequent fiscal years.		X
5	Salaries and Benefits	Projected ratios of total unrestricted salaries and benefits to total unrestricted general fund expenditures are consistent with historical ratios for the budget and two subsequent fiscal years.	X	
6a	Other Revenues	Projected operating revenues (e.g., federal, other state, and other local) are within the standard for the budget and two subsequent fiscal years.		X

9a	Fund Balance	Unrestricted general fund beginning balance has not been overestimated by more than the standard for two or more of the last three fiscal years.	X	
9b	Cash Balance	Projected general fund cash balance will be positive at the end of the current fiscal year.	X	
10	Reserves	Projected available reserves (e.g., reserve for economic uncertainties, unassigned/unappropriated amounts) meet minimum requirements for the budget and two subsequent fiscal years.	X	
SUPPLEMENTAL INFORMATION			**No**	**Yes**
S1	Contingent Liabilities	Are there known or contingent liabilities (e.g., financial or program audits, litigation, state compliance reviews) that may impact the budget?	X	
S2	Using One-time Revenues to Fund Ongoing Expenditures	Are there ongoing general fund expenditures in excess of one percent of the total general fund expenditures that are funded with one-time resources?	X	
S3	Using Ongoing Revenues to Fund One-time Expenditures	Are there large non-recurring general fund expenditures that are funded with ongoing general fund revenues?	X	
S4	Contingent Revenues	Are any projected revenues for the budget or two subsequent fiscal years contingent on reauthorization by the local government, special legislation, or other definitive act (e.g., parcel taxes, forest reserves)?	X	
S5	Contributions	Have contributions from unrestricted to restricted resources, or transfers to or from the general fund to cover operating deficits, changed by more than the standard for the budget or two subsequent fiscal years?		X
SUPPLEMENTAL INFORMATION (continued)			**No**	**Yes**
S6	Long-term Commitments	Does the district have long-term (multiyear) commitments or debt agreements?		X
		• If yes, have annual payments for the budget or two subsequent fiscal years increased over prior year's (2025-26) annual payment?		X
S7a	Postemployment Benefits Other than Pensions	Does the district provide postemployment benefits other than pensions (OPEB)?		X
		• If yes, are they lifetime benefits?	X	
		• If yes, do benefits continue beyond age 65?	X	
		• If yes, are benefits funded by pay-as-you-go?		X
S7b	Other Self-insurance Benefits	Does the district provide other self-insurance benefits (e.g., workers' compensation, employee health and welfare, or property and liability)?		X
S8	Status of Labor Agreements	Are salary and benefit negotiations still open for:		
		• Certificated? (Section S8A, Line 1)		X
		• Classified? (Section S8B, Line 1)	X	
		• Management/supervisor/confidential? (Section S8C, Line 1)	n/a	
S9	Local Control and Accountability Plan (LCAP)	• Did or will the school district's governing board adopt an LCAP or an update to the LCAP effective for the budget year?		X
		• Adoption date of the LCAP or an update to the LCAP:	06/16/2026	
S10	LCAP Expenditures	Does the school district's budget include the expenditures necessary to implement the LCAP or annual update to the LCAP as described in the Local Control and Accountability Plan and Annual Update Template?		X
ADDITIONAL FISCAL INDICATORS			**No**	**Yes**
A1	Negative Cash Flow	Do cash flow projections show that the district will end the budget year with a negative cash balance in the general fund?	X	
A2	Independent Position Control	Is personnel position control independent from the payroll system?		X
A3	Declining Enrollment	Is enrollment decreasing in both the prior fiscal year and budget year?		X
A4	New Charter Schools Impacting District Enrollment	Are any new charter schools operating in district boundaries that are impacting the district's enrollment, either in the prior fiscal year or budget year?		X
A5	Salary Increases Exceed COLA	Has the district entered into a bargaining agreement where any of the budget or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?	X	
ADDITIONAL FISCAL INDICATORS (continued)			**No**	**Yes**
A6	Uncapped Health Benefits	Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?	X	
A7	Independent Financial System	Is the district's financial system independent from the county office system?	X	

A8	Fiscal Distress Reports	Does the district have any reports that indicate fiscal distress? If yes, provide copies to the COE, pursuant to EC 42127.6(a).	X	
A9	Change of CBO or Superintendent	Have there been personnel changes in the superintendent or chief business official (CBO) positions within the last 12 months?		X

Annual Certification Regarding Self-Insured Workers' Compensation Claims

Pursuant to *Education Code* Section 42141, if a school district, either individually or as a member of a joint powers agency (JPA), is self-insured for workers' compensation claims, the superintendent of the school district annually shall provide information to the governing board of the school district regarding the estimated accrued but unfunded cost of those claims. The governing board annually shall certify to the county superintendent of schools the amount of money, if any, that it has decided to reserve in its budget for the cost of those claims.

To the County Superintendent of Schools:

○ This district is self-insured for workers' compensation claims as defined in *Education Code* Section 42141(a):

- Total liabilities actuarially determined: $ _____
- Less: Amount of total liabilities reserved in budget: $ _____
- Estimated accrued but unfunded liabilities: $ 0.00

○ This school district is self-insured for workers' compensation claims through the JPA identified below:

_____

◉ This school district is not self-insured for workers' compensation claims.

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)

2. Contracted general administrative positions not paid through payroll
   a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800.
   b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
   (Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) — 315,416,599.00

C. Percentage of Plant Services Costs Attributable to General Administration

(Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) — 3.49%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. — 0.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates

the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.	
Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.	
A. Indirect costs incurred in the current year (Part III, Line A8)	13,614,376.03
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	1,242,437.01
2. Carry-forward adjustment amount deferred from prior year(s), if any	0.00
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (3.87%) times Part III, Line B19); zero if negative	0.00
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (3.87%) times Part III, Line B19) or (the highest rate used to recover costs from any program (3.89%) times Part III, Line B19); zero if positive	(342,765.33)
D. Preliminary carry-forward adjustment (Line C1 or C2)	(342,765.33)
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	3.38%
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment ($-171382.66) is applied to the current year calculation and the remainder ($-171382.67) is deferred to one or more future years:	3.42%
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment ($-114255.11) is applied to the current year calculation and the remainder ($-228510.22) is deferred to one or more future years:	3.44%
LEA request for Option 1, Option 2, or Option 3	1
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	(342,765.33)

Approved indirect cost rate: 3.87%

Highest rate used in any program: 3.89%

Note: In one or more resources, the rate used is greater than the approved rate.

F. ASSUMPTIONS

Please provide below or on a separate attachment, the assumptions used to determine the projections for the first and second subsequent fiscal years. Further, please include an explanation for any significant expenditure adjustments projected in lines B1d, B2d, and B10. For additional information, please refer to the Budget Assumptions section of the SACS Financial Reporting Software User Guide.

In 2026–27, additional savings are projected from certificated retiree savings. In 2028–29, after the expiration of the Covid-9 funds, some certificated positions will be funded through the Unrestricted General Fund.

Provide methodology and assumptions used to estimate ADA, enrollment, revenues, expenditures, reserves and fund balance, and multiyear commitments (including cost-of-living adjustments).

Deviations from the standards must be explained and may affect the approval of the budget.

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Projected funded average daily attendance (ADA) has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years by more than the following percentage levels:

Percentage Level	District ADA
3.0%	0 to 300
2.0%	301 to 1,000
1.0%	1,001 and over

District ADA (Form A, Estimated P-2 ADA column, lines A4 and C4):	20,744
District's ADA Standard Percentage Level:	**1.0%**

1A. Calculating the District's ADA Variances

DATA ENTRY: For the Third, Second, and First Prior Years, enter Estimated Funded ADA in the Original Budget Funded ADA column; enter district regular ADA and charter school ADA corresponding to financial data reported in the General Fund, only, for the Third, Second, and First Prior Years. All other data are extracted.

Fiscal Year	Original Budget Funded ADA (Form A, Lines A4 and C4)	Estimated/Unaudited Actuals Funded ADA (Form A, Lines A4 and C4)	ADA Variance Level (If Budget is greater than Actuals, else N/A)	Status
Third Prior Year (2023-24)

1B. Comparison of District ADA to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for the first prior year.

Explanation:
(required if NOT met)

1b. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation:
(required if NOT met)

2. CRITERION: Enrollment

STANDARD: Projected enrollment has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years by more than the following percentage levels:

Percentage Level	District ADA
3.0%	0 to 300
2.0%	301 to 1,000
1.0%	1,001 and over

District ADA (Form A, Estimated P-2 ADA column, lines A4 and C4): 20,744

District's Enrollment Standard Percentage Level: 1.0%

2A. Calculating the District's Enrollment Variances

DATA ENTRY: Enter data in the Enrollment, Budget, column for all fiscal years and in the Enrollment, CALPADS Actual column for the First Prior Year; all other data are extracted or calculated. CALPADS Actual enrollment dete preloaded in the District Regular lines will include both District Regular and Charter School enrollment. Districts will need to adjust the District Regular enrollment lines and the Charter School enrollment lines accordingly. Enter district regular enrollment and charter school enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

Fiscal Year	Enrollment Budget	Enrollment CALPADS Actual	Enrollment Variance Level (If Budget is greater than Actual, else N/A)	Status
Third Prior Year (2023-24)

Budget Year (2026-27)				
District Regular	21,335			
Charter School	560			
Total Enrollment	**21,895**			

2B. Comparison of District Enrollment to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Enrollment was estimated above the standard for the first prior year. Provide reasons for the overestimate, a description of the methods and assumptions used in projecting enrollment, and what changes will be made to improve the accuracy of projections in this area.

Explanation: (required if NOT met)

Enrollment declined in 2025-26 is more than district projected

1b. STANDARD MET - Enrollment has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation: (required if NOT met)

3. **CRITERION: ADA to Enrollment**

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the budget year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).

3A. Calculating the District's ADA to Enrollment Standard

DATA ENTRY: All date are extracted or calculated. Data should reflect district regular end charter school ADA/enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

Total ADA/Enrollment	**19,976**	**21,095**	**94.7%**	**Met**

3C. Comparison of District ADA to Enrollment Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Projected P-2 ADA to enrollment ratio has not exceeded the standard for the budget and two subsequent fiscal years.

Explanation:
(required if NOT met)

4. **CRITERION: LCFF Revenue**

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's cost-of-living adjustment (COLA), plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's COLA, plus or minus one percent.

4A. District's LCFF Revenue Standard

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

4A1. Calculating the District's LCFF Revenue Standard

DATA ENTRY: Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated. Enter data for Steps 2a through 2b1. All other data is calculated.

Status:		Not Met	Not Met	Met

4C. Comparison of District LCFF Revenue to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Projected change in LCFF revenue is outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard(s) and a description of the methods and assumptions used in projecting LCFF revenue.

Explanation: (required if NOT met)	The projected change in LCFF revenue exceeds the standard in 2026–27 and 2027–28 due to the ongoing Super COLA of 4.31%

5. **CRITERION: Salaries and Benefits**

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: All data are extracted or calculated.

Fiscal Year	Estimated/Unaudited Actuals - Unrestricted (Resources 0000-1999) Salaries and Benefits (Form 01, Objects 1000-3999)	Total Expenditures (Form 01, Objects 1000-7499)	Ratio of Unrestricted Salaries and Benefits to Total Unrestricted Expenditures

5B. Calculating the District's Projected Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: If Form MYP exists, Unrestricted Salaries and Benefits, and Total Unrestricted Expenditures data for the 1st and 2nd Subsequent Years will be extracted; if not, enter data for the two subsequent years. All other data are extracted or calculated.

Fiscal Year	Budget - Unrestricted (Resources 0000-1999) Salaries and Benefits (Form 01, Objects 1000-3999) (Form MYP, Lines B1-B3)	Total Expenditures (Form 01, Objects 1000-7499) (Form MYP, Lines B1-B8, B10)	Ratio of Unrestricted Salaries and Benefits to Total Unrestricted Expenditures	Status
Budget Year (2026-27)	213,476,623.00	249,997,181.00	85.4%	Met
1st Subsequent Year (2027-28)	217,001,170.00	252,265,009.00	86.0%	Met
2nd Subsequent Year (2028-29)	223,212,382.00	259,013,278.00	86.2%	Met

5C. Comparison of District Salaries and Benefits Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Ratio of total unrestricted salaries and benefits to total unrestricted expenditures has met the standard for the budget and two subsequent fiscal years.

Explanation:
(required if NOT met)

6. **CRITERION: Other Revenues and Expenditures**

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent.

For each major object category, changes that exceed the percentage change in population and the funded COLA plus or minus five percent must be explained.

6A. Calculating the District's Other Revenues and Expenditures Standard Percentage Ranges

DATA ENTRY: All data are extracted or calculated.

	Budget Year (2026-27)	1st Subsequent Year (2027-28)	2nd Subsequent Year (2028-29)
1. District's Change in Population and Funding Level (Criterion 4A1, Step 3):	.70%	3.09%	1.65%
2. District's Other Revenues and Expenditures Standard Percentage Range (Line 1, plus/minus 10%):	**-9.30% to 10.70%**	**-6.91% to 13.09%**	**-8.35% to 11.65%**
3. District's Other Revenues and Expenditures Explanation Percentage Range (Line 1, plus/minus 5%):	-4.30% to 5.70%	-1.91% to 8.09%	-3.35% to 6.65%

6B. Calculating the District's Change by Major Object Category and Comparison to the Explanation Percentage Range (Section 6A, Line 3)

DATA ENTRY: If Form MYP exists, the 1st and 2nd Subsequent Year data for each revenue and expenditure section will be extracted; if not, enter data for the two subsequent years. All other data are extracted or calculated.

Explanations must be entered for each category if the percent change for any year exceeds the district's explanation percentage range.

Object Range / Fiscal Year	Amount	Percent Change Over Previous Year	Change Is Outside Explanation Range
Federal Revenue (Fund 01, Objects 8100-8299) (Form MYP, Line A2)			
First Prior Year (2025-26)	11,284,480.00		
Budget Year (2026-27)	10,069,914.00	(10.76%)	Yes
1st Subsequent Year (2027-28)	10,069,914.00	0.00%	No
2nd Subsequent Year (2028-29)	10,069,914.00	0.00%	No

Explanation: (required if Yes)
The decrease in Federal revenues in 2026-27 is primarily due to deferred program revenues recognized in 2025-26 but not included in 2026-27.

Other State Revenue (Fund 01, Objects 8300-8599) (Form MYP, Line A3)			
First Prior Year (2025-26)	76,985,109.00		
Budget Year (2026-27)	96,754,263.00	25.68%	Yes
1st Subsequent Year (2027-28)	75,251,845.00	(22.22%)	Yes
2nd Subsequent Year (2028-29)	75,251,845.00	0.00%	No

Explanation: (required if Yes)
The increase in Other State Revenues is due to the Special Education base rate increase and the one-time Student Support and Professional Development Block Grant.

Other Local Revenue (Fund 01, Objects 8600-8799) (Form MYP, Line A4)			
First Prior Year (2025-26)	13,668,320.00		
Budget Year (2026-27)	8,201,676.00	(39.98%)	Yes
1st Subsequent Year (2027-28)	8,201,676.00	0.00%	No
2nd Subsequent Year (2028-29)	8,201,676.00	0.00%	No

Explanation: (required if Yes)
The decrease in Local Revenues for 2026–27 is due to one-time revenues received in 2025–26 (CalSHAPE), as well as other local revenues that are not budgeted until receipt.

Books and Supplies (Fund 01, Objects 4000-4999) (Form MYP, Line B4)

First Prior Year (2025-26)	28,010,018.00		
Budget Year (2026-27)	18,418,629.00	(34.24%)	Yes
1st Subsequent Year (2027-28)	14,208,092.00	(22.86%)	Yes
2nd Subsequent Year (2028-29)	11,229,856.00	(20.96%)	Yes

Explanation: (required if Yes)
Books and supplies are expected to decrease in all out-years due to the expiration of one-time COVID-19 funds in 2026–27, 2027–28, and 2028–29.

Services and Other Operating Expenditures (Fund 01, Objects 5000-5999) (Form MYP, Line B5)

First Prior Year (2025-26)	34,126,697.00		
Budget Year (2026-27)	33,932,868.00	(.57%)	No
1st Subsequent Year (2027-28)	31,519,651.00	(7.11%)	Yes
2nd Subsequent Year (2028-29)	31,999,617.00	1.52%	No

Explanation: (required if Yes)
The cost of the Facility Master Plan is a one-time expenditure in 2026–27.

6C. Calculating the District's Change in Total Operating Revenues and Expenditures (Section 6A, Line 2)

DATA ENTRY: All data are extracted or calculated.

2nd Subsequent Year (2028-29)	43,229,473.00	(5.46%)	Met

6D. Comparison of District Total Operating Revenues and Expenditures to the Standard Percentage Range

DATA ENTRY: Explanations are linked from Section 6B if the status in Section 6C is not met; no entry is allowed below.

1a. STANDARD NOT MET - Projected total operating revenues have changed by more than the standard in one or more of the budget or two subsequent fiscal years. Reasons for the projected change, descriptions of the methods and assumptions used in the projections, and what changes, if any, will be mede to bring tha projectad operating revenues within the standard must be entered in Section 6A above and will also display in the explanation box below.

Explanation: Federal Revenue (linked from 6B if NOT met)	The decrease in Federal revenues in 2026-27 is primarily due to deferred program revenues recognized in 2025-26 but not included in 2026-27.
Explanation: Other State Revenue (linked from 6B if NOT met)	The increase in Other State Revenues is due to the Special Education base rate increase and the one-time Student Support and Professional Development Block Grant.
Explanation: Other Local Revenue (linked from 6B if NOT met)	The decrease in Local Revenues for 2026–27 is due to one-time revenues received in 2025–26 (CalSHAPE), as well as other local revenues that are not budgeted until receipt.

1b. STANDARD NOT MET - Projected total operating expenditures have changed by more than the standard in one or more of the budget or two subsequent fiscal years. Reasons for the projected change, descriptions of the methods and assumptions used in the projections, and what changes, if any, will be made to bring the projected operating expenditures within the standerd must be entered in Section 6A above and will also display in the explanation box below.

Explanation: Books and Supplies (linked from 6B if NOT met)	Books and supplies are expected to decrease in all out-years due to the expiration of one-time COVID-19 funds in 2026–27, 2027–28, and 2028–29.
Explanation: **Services and Other Exps** (linked from 6B if NOT met)	The cost of the Facility Master Plan is a one-time expenditure in 2026–27.

7. CRITERION: Facilities Maintenance

STANDARD: Confirm that the annual contribution for facilities maintenance funding is not less than the amount required pursuant to Education Code Section 17070.75, if applicable, and that the district is providing adequately to preserve the functionality of its facilities for their normal life in accordance with Education Code sections 52060(d)(1) and 17002(d)(1).

Determining the District's Compliance with the Contribution Requirement for EC Section 17070.75 - Ongoing and Major Maintenance/Restricted Maintenance Account (OMMA/RMA)

NOTE: EC Section 17070.75 requires the district to deposit into the account a minimum amount equal to or greater than three percent of the total general fund expenditures and other financing uses for that fiscal year. Statute exclude the following resource codes from the total general fund expenditures calculation: 3212, 3213, 3214, 3216, 3218, 3219, 3225, 3226, 3227, 3228, 5316, 5632, 5633, 5634, 7027, and 7690.

DATA ENTRY: Click the appropriate Yes or No button for special education local plan area (SELPA) administrative units (AUs); all other data are extracted or calculated. If standard is not met, enter an X in the appropriate box and enter an explanation, if applicable.

1. a. For districts that are the AU of a SELPA, do you choose to exclude revenues that are passed through to participating members of the SELPA from the OMMA/RMA required minimum contribution calculation? — Yes

   b. Pass-through revenues and apportionments that may be excluded from the OMMA/RMA calculation per EC Section 17070.75(b)(2)(D) (Fund 10, resources 3300-3499, 6500-6540 and 6546, objects 7211-7213 and 7221-7223) — 9,014,883.00

2. Ongoing and Major Maintenance/Restricted Maintenance Account

a. Budgeted Expenditures and Other Financing Uses (Form 01, objects 1000-7999, exclude resources 3212, 3213, 3214, 3216, 3218, 3219, 3225, 3226, 3227, 3228, 5316, 5632, 5633, 5634, 7027, and 7690)	379,264,368.00

[1] Fund 01, Resource 8150, Objects 8900-8999

If standard is not met, enter an X in the box that best describes why the minimum required contribution was not made:

- [ ] Not applicable (district does not participate in the Leroy F. Greene School Facilities Act of 1998)
- [ ] Exempt (due to district's small size [EC Section 17070.75 (b)(2)(E)])
- [ ] Other (explanation must be provided)

Explanation: (required if NOT met and Other is marked)

8. CRITERION: Deficit Spending

STANDARD: Unrestricted deficit spending (total unrestricted expenditures and other financing uses is greater than total unrestricted revenues and other financing sources) as a percentage of total unrestricted expenditures and other financing uses, has not exceeded one-third of the district's available reserves[1] as a percentage of total expenditures and other financing uses[2] in two out of three prior fiscal years.

8C. Comparison of District Deficit Spending to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Unrestricted deficit spending, if any, has not exceeded the standard percentage level in two or more of the three prior years.

Explanation:
(required if NOT met)

The deficit spending in 2024–25 is caused by a lower COLA, increased costs associated with step and column salary increases, as well as rising health and welfare costs.

9. CRITERION: Fund and Cash Balances

A. Fund Balance STANDARD: Budgeted beginning unrestricted general fund balance has not been overestimated for two out of three prior fiscal years by more than the following percentage levels:

Percentage Level [1]	District ADA
1.7%	0 to 300
1.3%	301 to 1,000
1.0%	1,001 to 30,000
0.7%	30,001 to 250,000
0.3%	250,001 and over

[1] Percentage levels equate to a rate of deficit spending which would eliminate recommended reserves for economic uncertainties over a three year period.

District Estimated P-2 ADA (Form A, Lines A6 and C4): 21,298

District's Fund Balance Standard Percentage Level: 1.0%

10. CRITERION: Reserves

STANDARD: Available reserves[1] for any of the budget year or two subsequent fiscal years are not less than the following percentages or amounts[2] as applied to total expenditures and other financing uses[3]:

DATA ENTRY: Budget Year data are extracted. If Form MYP exists, 1st and 2nd Subsequent Year data will be extracted. If not, enter district regular ADA and charter school ADA corresponding to financial data reported in the General Fund, only, for the two subsequent years.

Percentage Level	District ADA
5% or $90,000 (greater of)	0 to 300
4% or $90,000 (greater of)	301 to 1,000
3%	1,001 to 30,000
2%	30,001 to 250,000
1%	250,001 and over

[1] Available reserves are the unrestricted amounts in the Stabilization Arrangements, Reserve for Economic Uncertainties, and Unassigned/Unappropriated accounts in the General Fund and the Special Reserve Fund for Other Than Capital Outlay Projects. Available reserves will be reduced by any negative ending balances in restricted resources in the General Fund.

[2] Dollar amounts to be adjusted annually by the prior year statutory cost-of-living adjustment, as referenced in Educetion Code Section 42238.02, rounded to the nearest thousand.

[3] A school district that is the Administrative Unit (AU) of a Special Education Local Plan Area (SELPA) may exclude from its expenditures the distribution of funds to its participating members.

10D. Comparison of District Reserve Amount to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Projected availeble reserves have met the standard for the budget and two subsequent fiscal years.

Explanation:
(required if NOT met)

SUPPLEMENTAL INFORMATION

DATA ENTRY: Click the appropriate Yes or No button for items S1 through S4. Enter an explanation for each Yes answer.

S1. Contingent Liabilities

1a. Does your district have any known or contingent liabilities (e.g., financial or program audits, litigation, state compliance reviews) that may impact the budget? — No

1b. If Yes, identify the liabilities and how they may impact the budget:

S2. Use of One-time Revenues for Ongoing Expenditures

1a. Does your district have ongoing general fund expenditures in the budget in excess of one percent of the total general fund expenditures that are funded with one-time resources? — No

1b. If Yes, identify the expenditures and explain how the one-time resources will be replaced to continue funding the ongoing expenditures in the following fiscal years:

S3. Use of Ongoing Revenues for One-time Expenditures

1a. Does your district have large non-recurring general fund expenditures that are funded with ongoing general fund revenues? — No

1b. If Yes, identify the expenditures:

S4. Contingent Revenues

1a. Does your district have projected revenues for the budget year or either of the two subsequent fiscal years contingent on reauthorization by the local government, special legislation, or other definitive act (e.g., parcel taxes, forest reserves)? — No

1b. If Yes, identify any of these revenues that are dedicated for ongoing expenses and explain how the revenues will be replaced or expenditures reduced:

S5. Contributions

Identify projected contributions from unrestricted resources in the general fund to restricted resources in the general fund for the budget year and two subsequent fiscal years. Provide an explanation if contributions have changed from the prior fiscal year amounts by more than $20,000 and more than ten percent. Explanation should include whether contributions are ongoing or one-time in nature.

Identify projected transfers to or from the general fund to cover operating deficits in either the general fund or any other fund for the budget year and two subsequent fiscal years. Provide an explanation if transfers have changed from the prior fiscal year amounts by more than $20,000 and more than ten percent. Explanation should include whether transfers are ongoing or one-time in nature.

Estimate the impact of any capital projects on the general fund operational budget.

S5B. Status of the District's Projected Contributions, Transfers, and Capital Projects

DATA ENTRY: Enter an explanation if Not Met for items 1a-1c or if Yes for item 1d.

1a. NOT MET - The projected contributions from the unrestricted general fund to restricted general fund programs have changed by more than the standard for one or more of the budget or subsequent two fiscal years. Identify restricted programs and amount of contribution for each program and whether contributions are ongoing or one-time in nature. Explain the district's plan, with timeframes, for reducing or eliminating the contribution.

Explanation: (required if NOT met)

The projected contribution to Special Education in 2026–27 is significantly lower than in 2025–26 due to the increase in the 2026–27 base rate.

1b. MET - Projected transfers in have not changed by more than the standard for the budget and two subsequent fiscal years.

Explanation:
(required if NOT met)

1c. MET - Projected transfers out have not changed by more than the standard for the budget and two subsequent fiscal years.

Explanation:
(required if NOT met)

1d. NO - There are no capital projects that may impact the general fund operational budget.

Project Information:
(required if YES)

S6. Long-term Commitments

Identify all existing and new multiyear commitments[1] and their annual required payments for the budget year and two subsequent fiscal years. Explain how any increase in annual payments will be funded. Also explain how any decrease to funding sources used to pay long-term commitments will be replaced.

[1] Include multiyear commitments, multiyear debt agreements, and new programs or contracts that result in long-term obligations.

S6A. Identification of the District's Long-term Commitments

DATA ENTRY: Click the appropriate button in item 1 and enter data in all columns of item 2 for applicable long-term commitments; there are no extractions in this section.

1. Does your district have long-term (multiyear) commitments?
   (If No, skip item 2 and Sections S6B and S6C) — Yes

2. If Yes to item 1, list all new and existing multiyear commitments and required annual debt service amounts. Do not include long-term commitments for postemployment benefits other than pensions (OPEB); OPEB is disclosed in item S7A.

S6B. Comparison of the District's Annual Payments to Prior Year Annual Payment

DATA ENTRY: Enter an explanation if Yes.

1a. Yes - Annual payments for long-term commitments have increased in one or more of the budget or two subsequent fiscal years. Explain how the increase in annual payments will be funded.

Explanation: (required if Yes to increase in total annual payments)

The increase in annual GO Bond payments reported reflects the total scheduled bond payments before accounting for other funding sources. The amounts do not include expected federal subsidy payments or funds the District has already set aside since 2012 for the Qualified School Construction Bond (QSCB) program. As a result, the District's actual net cost is expected to be lower than the amounts shown.

S6C. Identification of Decreases to Funding Sources Used to Pay Long-term Commitments

DATA ENTRY: Click the appropriate Yes or No button in item 1; if Yes, an explanation is required in item 2.

1. Will funding sources used to pay long-term commitments decrease or expire prior to the end of the commitment period, or are they one-time sources?

No

2. No - Funding sources will not decrease or expire prior to the end of the commitment period, and one-time funds are not being used for long-term commitment annual payments.

Explanation: (required if Yes)

S7. Unfunded Liabilities

Estimate the unfunded liability for postemployment benefits other than pensions (OPEB) based on an actuarial valuation, if required, or other method; identify or estimate the actuarially determined contribution (if available); and indicate how the obligation is funded (pay-as-you-go, amortized over a specific period, etc.).

Estimate the unfunded liability for self-insurance programs such as workers' compensation based on an actuarial valuation, if required, or other method; identify or estimate the required contribution; and indicate how the obligation is funded (level of risk retained, funding approach, etc.).

S7A. Identification of the District's Estimated Unfunded Liability for Postemployment Benefits Other than Pensions (OPEB)

DATA ENTRY: Click the appropriate button in item 1 and enter data in all other applicable items; there are no extractions in this section except the budget year data on line 5b.

1 Does your district provide postemployment benefits other than pensions (OPEB)? (If No, skip items 2-5) — Yes

2. For the district's OPEB:

a. Are they lifetime benefits? — No

b. Do benefits continue past age 65? — No

c. Describe any other characteristics of the district's OPEB program including eligibility criteria and amounts, if any, that retirees are required to contribute toward their own benefits:

3 a. Are OPEB financed on a pay-as-you-go, actuarial cost, or other method? — Pay-as-you-go

b. Indicate any accumulated amounts earmarked for OPEB in a self-insurance or governmental fund

Self-Insurance Fund	Governmental Fund
0	0

4. OPEB Liabilities

a. Total OPEB liability	56,931,810.00
b. OPEB plan(s) fiduciary net position (if applicable)	0.00
c. Total/Net OPEB liability (Line 4a minus Line 4b)	56,931,810.00
d. Is total OPEB liability based on the district's estimate or an actuarial valuation?	Actuarial
e. If based on an actuarial valuation, indicate the measurement date of the OPEB valuation	8/29/2025

5. OPEB Contributions

	Budget Year (2026-27)	1st Subsequent Year (2027-28)	2nd Subsequent Year (2028-29)
a. OPEB actuarially determined contribution (ADC), if available, per actuarial valuation or Alternative Measurement Method	0.00	0.00	0.00
b. OPEB amount contributed (for this purpose, include premiums paid to a self-insurance fund) (funds 01-70, objects 3701-3752)	1,417,794.00	1,502,573.00	1,792,439.00
c. Cost of OPEB benefits (equivalent of "pay-as-you-go" amount)	2,820,264.00	3,334,435.00	4,013,990.00
d. Number of retirees receiving OPEB benefits	122.00	122.00	122.00

S7B. Identification of the District's Unfunded Liability for Self-Insurance Programs

DATA ENTRY: Click the appropriate button in item 1 and enter data in all other applicable items; there are no extractions in this section.

1 Does your district operate any self-insurance programs such as workers' compensation, employee health and welfare, or property and liability? (Do not include OPEB, which is covered in Section S7A) (If No, skip items 2-4)

Yes

2 Describe each self-insurance program operated by the district, including details for each such as level of risk retained, funding approach, basis for valuation (district's estimate or actuarial), and date of the valuation:

Effective July 1, 2024, Placentia-Yorba Linda USD declared membership in the Protected Insurance Program for Schools ("PIPS") JPA. The PIPS workers' compensation program has a unique structure in that it integrates risk transfer and risk retention by its self-insured members. This unique structure provides catestrophic protection and transfers the risk to reinsurance carriers at the 99% actuarially determined probability level. The District does not have a self-insured retention, as the program provides first-dollar coverage.

3. Self-Insurance Liabilities

a. Accrued liability for self-insurance programs	8,239,549.00
b. Unfunded liability for self-insurance programs	0.00

4. Self-Insurance Contributions

	Budget Year (2026-27)	1st Subsequent Year (2027-28)	2nd Subsequent Year (2028-29)
a. Required contribution (funding) for self-insurance programs	3,025,998.00	3,025,998.00	3,025,998.00
b. Amount contributed (funded) for self-insurance programs	3,025,998.00	3,025,998.00	3,025,998.00

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.

EDUCATION PROTECTION ACCOUNT (EPA), RESOLUTION NO. 25-33

Background

On November 6, 2012, the voters of California approved Proposition 30, which includes Article XIII, Section 36. The provisions in Article XIII, Section 36(e) create an Education Protection Account (EPA) the state general fund to receive and disburse revenues derived from incremental increases in taxes. Before June 30 of each year, the Director of Finance shall estimate the total amount of revenues, less refunds derived from the increases in tax rates, that will be available for transfer into the EPA during the fiscal year.

The district is required to determine how the monies received from the Education Protection Account are spent in the schools within its jurisdiction, and the governing board must make the spending determination in an open session of a public meeting.

Financial Impact

No cost to district

RESOLUTION NO. 25-33

RESOLUTION REGARDING THE EDUCATION PROTECTION ACCOUNT

WHEREAS, the voters approved Proposition 30 on November 6, 2012;

WHEREAS, Proposition 30 added Article XIII, Section 36 to the California Constitution effective November 7, 2012;

WHEREAS, the voters approved Proposition 55 on November 8, 2016, which extended the Proposition 30 temporary income tax increase on high income earners by twelve years through 2030;

WHEREAS, the provisions of Article XIII, Section 36(e) create in the state General Fund an Education Protection Account to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f);

WHEREAS, before June 30th of each year, the Director of Finance shall estimate the total amount of additional revenues, less refunds that will be derived from the incremental increases in tax rates made pursuant to Article XIII, Section 36(f) that will be available for transfer into the Education Protection Account during the next fiscal year;

WHEREAS, if the sum determined by the State Controller is positive, the State Controller shall transfer the amount calculated into the Education Protection Account within ten days preceding the end of the fiscal year;

WHEREAS, all monies in the Education Protection Account are hereby continuously appropriated for the support of school districts, county offices of education, charter schools and community college districts;

WHEREAS, monies deposited in the Education Protection Account shall not be used to pay any costs incurred by the Legislature, the Governor or any agency of state government;

WHEREAS, a community college district, county office of education, school district, or charter school shall have the sole authority to determine how the monies received from the Education Protection Account are spent in the school or schools within its jurisdiction;

WHEREAS, the governing board of the district shall make the spending determinations with respect to monies received from the Education Protection Account in open session of a public meeting of the governing board;

WHEREAS, the monies received from the Education Protection Account shall not be used for salaries or benefits for administrators or any other administrative cost;

WHEREAS, each community college district, county office of education, school district and charter school shall annually publish on its Internet website an accounting of how much money was received from the Education Protection Account and how that money was spent;

WHEREAS, the annual independent financial and compliance audit required of community college districts, county offices of education, school districts and charter schools shall ascertain and verify whether the funds provided from the Education Protection Account have been properly disbursed and expended as required by Article XIII, Section 36 of the California Constitution;

WHEREAS, expenses incurred by community college districts, county offices of education, school districts and charter schools to comply with the additional audit requirements of Article XIII, Section 36 may be paid with funding from the Education Protection Act and shall not be considered administrative costs for purposes of Article XIII, Section 36.

NOW, THEREFORE, IT IS HEREBY RESOLVED:

1. The monies received from the Education Protection Account shall be spent as required by Article XIII, Section 36 and the spending determinations on how the money will be spent shall be made in open session of a public meeting of the governing board of Placentia-Yorba Linda Unified School District;

2. In compliance with Article XIII, Section 36(e), with the California Constitution, the governing board of the Placentia-Yorba Linda Unified School District has determined to spend the monies received from the Education Protection Act as attached.

AB 1200/2756 FINANCIAL DISCLOSURE: ASSOCIATION OF PLACENTIA LINDA EDUCATORS (APLE)

Background

The Board will be voting on the proposed 2025-26 collective bargaining agreement with the Association of Placentia Linda Educators (APLE) to certify a 2.5% increase ongoing for the 2025-26 fiscal year, retroactive to July 1, 2025.

AB 1200, enacted in 1991, incorporated Government Code Section 3547.5, which requires school districts to make public disclosure of collective bargaining agreements. This requirement stipulates that a public-school employer must disclose the major provisions of the agreement, including but not limited to the costs that will be incurred in the current and subsequent years. AB 2756, enacted in 2004, added additional provisions which requires district administration to certify that the district can meet its financial obligations under the proposed agreement.

In order to comply with AB 1200/2756, the district must disclose the major provisions of a collective bargaining agreement, including costs for current and future years, at a public meeting before entering into the agreement.

Memorandum of Understanding Expanded Day Transitional Kindergarten Pilot

May 19, 2026

The Placentia-Yorba Linda Unified School District ("District") will be piloting an Expanded Day Transitional Kindergarten in elementary schools for the duration of the 2026-2027 school year. With this in mind, the District and the Association of Placentia-Linda Educators ("APLE") agree to implement the following supports for expanded day transitional kindergarten pilot teachers.

Expanded Day Transitional Kindergarten (TK) pilot teachers shall:

- Receive release time in accordance with the contract and equivalent to the time provided in grades K-6. In providing 360 minutes every two weeks of release time, no make-up for
  missed days will be provided, unless the unit member were to fall below the guaranteed 240 minutes every ten days in accordance with the language in the contract.
- Receive Class Size Reduction through additional personnel, under the direction of the certificated TK teacher, to meet the staffing ratio as required by law. The District will be responsible for ensuring that the TK program meets the staffing ratio as required by law.
- Be provided a one-time, lump sum of $500 to purchase additional materials.
- Be guaranteed developmentally appropriate "play to learn" time as an integral part of the TK program.
- Be assigned recess and dismissal duty on the TK playground on an equitable basis, with no additional assignment of recess and dismissal duties of other grade levels on the main campus.
- Be provided certificated personnel to support the first two weeks of school.
- Receive one substitute day each trimester for the purpose of completing TK assessments.

Memorandum of Understanding Between the Placentia-Yorba Linda Unified School District And the Association of Placentia-Linda Educators

May 19, 2026

The Placentia-Yorba Linda Unified School District (PYLUSD) and the Association of Placentia Linda Educators (APLE) hereby enter into this Memorandum of Understanding regarding hourly pay for elementary physical education teachers on days when their scheduled aide, or a substitute aide, is not available.

The current collective bargaining agreement states the class size for elementary PE, with aide accommodations. Due to the shortage of available aides, many elementary PE classes scheduled to have an aide, are not having an aide or a substitute aide available for the PE teacher.

For the 2026-27 school year, all unit members teaching elementary PE, shall be paid the hourly rate for any class in which a scheduled aide was not available, and no substitute aide could be found at the start of the class.

On-going, this practice shall be discussed during APLE/DO 2026-27 contract negotiations.

THIS MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN THE ASSOCIATION OF PLACENTIA-LINDA EDUCATORS ("APLE") AND THE PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT ("DISTRICT") REGARDING THE SPECIAL EDUCATION COMMITTEE AND TEMPORARY SPECIAL EDUCATION STIPEND FOR 2026-2027 AND 2027-2028 SCHOOL YEARS.

MAY 19, 2026

The Placentia-Yorba Linda Unified School District ("District") and the Association of Placentia-Linda Educators ("Association" or "APLE"), collectively referred to as the "Parties," enter into this Memorandum of Understanding ("MOU") regarding the establishment of a Special Education Committee and a temporary Special Education Assignment Stipend for the 2026–2027 and 2027–2028 school years.

1. Purpose
   - 1.1. The purpose of this MOU is to establish a collaborative structure for the District and Association to review, discuss, and make recommendations regarding special education workload matters and program support needs. The Parties recognize the importance of supporting students with disabilities, ensuring legally compliant services, maintaining high-quality instructional programs, and supporting certificated unit members assigned to special education and related service roles.
   - 1.2. The Parties further recognize that special education workload concerns may include, but are not limited to, caseload demands, IEP timelines, service delivery, collaboration with general education teachers, scheduling, documentation, assessment responsibilities, and the implementation of supports for students with IEPs in both special education and general education settings.

2. Term of Agreement
   - 2.1. This MOU shall be effective beginning July 1, 2026, and shall remain in effect through June 30, 2028, unless extended, modified, or terminated by mutual written agreement of the Parties.
   - 2.2. This MOU is intended to apply only to the 2026–2027 and 2027–2028 school years and shall not establish a binding past practice or continuing obligation beyond the expiration date unless expressly agreed to in writing by the Parties.

Part A

3. Establishment of Special Education Committee

3.1. The District and Association agree to establish a Special Education Committee for the purpose of reviewing and discussing workload-related issues and supports connected to special education programs and services.

4. Areas of Discussion

4.1. The Committee may discuss and review matters related to:

4.1.1. Special Day Class (SDC) workload and program support;

4.1.2. Resource Specialist Program (RSP) workload and program support;

4.1.3. Designated Instruction and Services (DIS) and related service provider workload;

4.1.4. Collaboration classes and co-teaching models;

4.1.5. Certificated Classroom Support;

4.1.6. Support for students with IEPs in general education classroom settings;

4.1.7. IEP case management responsibilities and timelines;

4.1.8. Assessment, reporting, and documentation demands;

4.1.9. Scheduling of IEP meetings and service delivery;

4.1.10. Caseload and workload considerations;

4.1.11. Communication and collaboration among special education staff, general education staff, related service providers, site administration, and District departments;

4.1.12. Training and professional development needs;

4.1.13. Compliance-related expectations; and

4.1.14. Other matters mutually agreed upon by the Parties.

5. Committee Composition

5.1. The Committee shall include representatives appointed by both the District and APLE.

5.1.1. District Representatives may include, but are not limited to:

5.1.1.1. Special Education administrator(s);

5.1.1.2. Educational Services representative(s);

5.1.1.3. Human Resources representative(s);

5.1.1.4. Site administrator representative(s); and

5.1.1.5. Other District representatives as determined appropriate by the District.

5.1.2. Association Representatives may include, but are not limited to:

5.1.2.1. President;

5.1.2.2. Executive Director

5.1.2.3. Director at Large

5.1.3. Other Association Representatives may include, but are not limited to:

5.1.3.1. SDC teachers;
5.1.3.2. RSP teachers;
5.1.3.3. DIS/related service providers;
5.1.3.4. General education teachers assigned to collaboration or co-teaching models; and
5.1.3.5. Other certificated unit members supporting students with IEPs.

5.2. Co-Chairs

5.2.1. The Committee shall be co-chaired by one District representative and one APLE representative.

6. Committee Meetings and Process

6.1. Meeting Schedule

6.1.1. The Committee shall meet at least six (6) times, per year, during the 2026–2027 and 2027–2028 school years, unless otherwise mutually agreed. Additional meetings may be scheduled by mutual agreement of the co-chairs.

6.2. Agenda Development

6.2.1. Meeting agendas shall be developed collaboratively by the District and APLE co-chairs. Committee members for the subsequent meeting may submit proposed agenda items to the co-chairs in advance of scheduled meetings.

6.3. Meeting Notes

6.3.1. The Committee shall maintain general meeting notes identifying topics discussed, information reviewed, and any recommendations developed. Meeting notes shall not be used for evaluative or disciplinary purposes.

6.4. Advisory Role

6.4.1. The Committee is advisory in nature. The Committee may review information, discuss concerns, and make recommendations; however, it shall not have authority to modify the Collective Bargaining Agreement, alter Board policy, change employee assignments, or bind either Party to negotiable changes unless such changes are subsequently agreed to in writing through the collective bargaining process.

7. Committee Recommendations

7.1. The Committee may develop recommendations related to special education workload, staffing supports, professional development, scheduling, communication systems, compliance procedures, or other matters within the scope of this MOU.

7.2. Any recommendation that involves wages, hours, working conditions, caseload language, staffing ratios, compensation, or other negotiable matters shall be referred to the Parties' bargaining teams for consideration.

7.3. The Committee shall provide a summary of its discussions and any recommendations to the District and APLE bargaining teams no later than:

7.3.1. May 15, 2027, for the 2026–2027 school year; and

7.3.2. May 15, 2028, for the 2027–2028 school year.

Part B

8. Special Education Assignment Stipend

8.1. For the duration of this MOU only, the District and Association agree to establish a temporary annual stipend for eligible certificated unit members assigned to eligible special education assignments.

9. Eligible Assignments

9.1. Eligible unit members shall include certificated employees on the certificated salary schedule who are assigned to one or more of the following roles:

9.1.1. Education Specialist; and/or

9.1.2. Designated Instruction and Services (DIS)

10. Amount of Stipend

10.1. Eligible unit members shall receive an annual stipend in the amount of One thousand dollars ($1,000) for each year of this MOU.

10.2. The stipend shall be paid for the 2026–2027 and 2027–2028 school years only, unless extended by mutual written agreement of the Parties.

11. Proration

11.1. The stipend shall be prorated based on the employee's FTE and length of time served in an eligible assignment during the applicable school year.

11.2. Employees who serve in an eligible assignment for only a portion of the school year shall receive a prorated stipend based on the number of months or workdays served in the eligible assignment.

12. Multiple Eligible Assignments

12.1. A unit member assigned to more than one qualifying role shall receive only one stipend per school year.

13. Payment Timing

13.1. The stipend shall be paid in two equal payments, for each applicable school year, or on payroll dates mutually agreed upon by the Parties.

14. Nature of Stipend

14.1. This stipend is intended to recognize the additional workload, compliance responsibilities, collaboration demands, service delivery obligations, and case management duties associated with qualifying special education assignments while the committee is in process of reviewing workload and other matters contained in this MOU.

14.2. The stipend shall not be added to the salary schedule and shall not be considered part of base salary for purposes of salary schedule placement, step advancement, or calculation of other stipends.

15. Compliance with Law and Contract

15.1. This MOU shall be implemented in accordance with:

15.1.1. The Collective Bargaining Agreement

15.1.2. California Education Code

15.1.3. Applicable laws and regulations

15.2. In the event of a conflict between this MOU and the Collective Bargaining Agreement, the terms of the Agreement shall prevail unless expressly modified herein.

16. Term and Duration

16.1. This MOU shall be effective upon ratification by both parties and shall remain in effect through June 30, 2028, unless extended or modified, in writing, by mutual agreement.

16.2. Either party may request to reopen this MOU with written notice.

17. Non-Precedent Setting

17.1. This MOU shall not establish a past practice or precedent beyond its stated purpose and duration.

PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT
Board of Education Regular Meeting
June 16, 2026

APPROVE THE CHANGES TO THE CLASSIFIED SALARY SCHEDULE BEGINNING THE 2026-2027 SCHOOL YEAR

Background
The Placentia-Yorba Linda Unified School District (PYLUSD) and the California School Employees Association (CSEA) Chapter 293, through their bargaining process, negotiate changes to the classified salary schedule.

At the June 2, 2026, Board of Education Meeting, the board approved the Tentative Agreement between PYLUSD and CSEA. In the Tentative Agreement an increase to the classified salary was approved, allowing a 1.25% increase beginning July 1, 2026. The revised salary schedule was not provided for approval at the June 2, 2026, Board of Education Meeting. Attached is the revised salary schedule for the consideration of the board. (Exhibit A).

Financial Impact
Approval of this agreement will assist the District meeting our financial obligations.

Administrator
Chad McGough, Assistant Superintendent of Human Resources
