AGREEMENT RENEWAL: GRANICUS, LLC FOR BOARD MEETING STREAMING

Background

The Placentia-Yorba Linda Unified School District first began researching the live streaming of Board Meetings as a result of the COVID-19 pandemic and public interest in watching meetings through a remote setting. As such, the district entered into a contract with Granicus, LLC, formerly known as Swagit Productions, LLC, in 2021 to provide live streaming services for Board Meetings. This includes live streaming, remote switching, and real-time video-on-demand closed captioning in English and Spanish. The services offered by Granicus have become an integral part of the district's efforts to communicate with stakeholders and the community at large. Renewal of the agreement with Granicus will allow the district to continue offering high-quality live streams of Board Meetings July 1, 2026, through June 30, 2027.

Item 1 – Prepare Modernization Eligibility Analysis (33 School Sites)

This task encompasses a comprehensive review and update of modernization eligibility across 33 school sites. Our team will establish, or update site baselines as needed, incorporating recent enrollment data, facility use, any project-specific considerations and filing any necessary SAB Form 50-03 increase adjustments. We will also include a second-round modernization funding forecast and prepare a 10-year eligibility outlook to help the District strategically plan for future modernization opportunities. This proactive planning approach ensures your district remains positioned to access available state funding and can make data-informed decisions about capital project timing.

Item 2 – Prepare New Construction Eligibility Analysis (District-Wide)

Based on our preliminary review, it appears a new construction eligibility baseline has previously been submitted to the Office of Public-School Construction (OPSC). Our proposed scope includes reviewing and updating the information already on file, identifying any gaps, updating the OPSC Dwelling Unit Augmentation form and coordinating with the District to request supporting documentation. This effort ensures the eligibility data remains current and accurate, and it positions the District to act quickly should new construction funding opportunities arise under Proposition 2 or future bond programs.

RECITALS

A. Client has established a run-off Workers' Compensation program for the benefit of its employees ("Program").

B. Keenan is a specialty insurance services provider with special expertise in the insurance and services needs of California school districts, municipalities, health care providers and, as such, is qualified to provide the services described in this Agreement.

C. Client has requested that Keenan perform claims administration functions for its Program as described herein.

AGREEMENT

The Parties agree as follows:

1. **TERM:**

   The term of this Agreement is from **July 1, 2026** through **June 30, 2029** ("Term") unless terminated earlier as provided herein.

2. **KEENAN RESPONSIBILITIES AND SCOPE OF SERVICES:**

   A. Keenan shall provide Client with the services described in Exhibits A-1 and Exhibit A-2 ("Services") for Client's Workers' Compensation claims.

   B. The relationship of the Parties shall be that of independent contractors, and each Party shall at all times remain responsible for its own operational and personnel expenses. Under no circumstance shall any employee of one Party look to the other Party for any payment or the provision of any benefit, including without exception, compliance with social security, unemployment, workers' compensation coverage, or withholdings for these or similar programs. Except as may be expressly set forth in or contemplated by this Agreement, neither Party shall have the right to act on behalf of the other Party, or to bind the other Party to any contract or other obligation.

   C. Keenan's Services are limited to the specific obligations described herein. Client shall remain responsible for all other aspects of its Program. Keenan shall not provide any legal, tax, or accounting service, advice, or opinion, and under no circumstances are the Services to be construed or interpreted as representing any such advice or opinion. It is Client's responsibility to seek the counsel of its own attorney on all legal issues and to consult with its

own tax and accounting experts on all tax, accounting, financial matters relating to its operations, including without limitation, the establishment, implementation, and operation of its Program.

D. Keenan shall comply with all applicable state and federal laws and regulations and obtain and maintain all necessary licenses, registrations, and/or permits necessary for the performance of its duties under this Agreement.

E. Keenan reserves the right to engage independent contractors and/or subcontractors to assist in performing the Services. The use of such individuals shall not relieve either Party of any of its duties under this Agreement.

3. **CLIENT'S DUTIES AND RESPONSIBILITIES:**

A. Client, subject to the specific Services set forth herein, shall retain all final authority and responsibility and expenses incidental thereto unless specifically assumed by Keenan hereunder and Keenan is authorized to act on behalf of Client in connection with the Program only as expressly stated in this Agreement. Client shall retain final authority and responsibility and expenses incidental to the management of its Program and is responsible for all aspects of its Program except for the Services to be provided by Keenan under this Agreement.

B. Client shall provide Keenan with all applicable information in a timely manner so that Keenan can fulfill its obligations under this Agreement. Client represents and warrants that all information provided to Keenan shall be complete, accurate and timely and that Keenan may rely upon such information without further investigation or review. Client understands and agrees that such information has not been audited by Keenan and that Client shall remain liable for its completeness and accuracy during the Term of this Agreement, and shall clarify, supplement, or correct such information as necessary.

C. Client shall provide Keenan with timely access to such information and individuals including its outside advisors and consultants as may be reasonably, necessary, appropriate, or recommended for Keenan to perform the Services. Meetings, telephone calls, and other necessary communications shall be scheduled at the mutual convenience of the Parties and their representatives. Keenan shall not be responsible for any delay in its performance that results from the failure of Client or any person acting on behalf of Client to make available any information or individual in a timely manner.

With regards to the immediately foregoing paragraph, if the Client (or anyone on the Client's behalf) is providing a claims history that is new to Keenan, such claims files shall be in the specific format, indexing, and/or be converted to interface with specific software as dictated by Keenan. Client shall bear all costs, charges, and expenses associated with such formatting, indexing, and/or conversion(s).

D. Client shall fund a claims payment account from which all claims' payments and loss adjustment expenses shall be paid. The account shall be established and funded in accordance with this Agreement and written policies and procedures provided by Keenan, where the latter may change from time to time upon written notice to Client. Under no circumstance will

Keenan be required to advance any funds for the payment of claims. Client understands, represents, and warrants that the Client's initial establishment, and proper funding throughout the Term of this Agreement is a condition precedent to this Agreement, and Client's failure to do so shall be a material breach of this Agreement allowing for termination in accordance with Section 14. Termination of this Agreement.

For clarification and in no way limiting the foregoing, from time to time, large or catastrophic claims may require an interim deposit prior to any claims file payment being made. In such cases, Client shall provide such amount as requested in writing by Keenan in advance of any such payment being made by Keenan.

E. To the extent Keenan requires the assistance of Client's staff or any third parties who are assisting, advising, or representing Client to fulfill its obligations hereunder, Client shall have its staff and these third parties assist Keenan.

F. Client understands that Keenan is not providing any legal, tax, or accounting services or advice and agrees to seek the counsel of its own attorney on all legal issues or matters and consult with its own tax and accounting experts on all tax and accounting issues and matters relating to the services.

G. Client will comply with all federal, state, and local reporting and filing requirements for the Program.

4. COMPENSATION:

Client agrees to pay Keenan for the Services outlined in Exhibit A-1 and Exhibit A-2 at the rates stated in Exhibit B and Exhibit C, all of which are attached hereto and incorporated herein by reference. In the event that Client has received other products or services from Keenan pursuant to other contracts, and an overage or balance remains on Client' accounts pursuant to those contracts ("Overage"), Keenan may, but is not under any obligation to offset, use, apply, or credit ("Offset") any such Overage funds against any invoices or amounts due specifically for Keenan's Services fees pursuant to this Agreement or Keenan's services fees for any other Client contracts. However, at no time will Keenan ever Offset any Overages against Client's minimum balance of the Client trust account or claim payments due thereto under this Agreement, or any other claims administration agreement, or for any carrier or vendor fees, costs, charges, or premiums.

5. CONFIDENTIALITY:

A. Keenan shall keep confidential all information concerning Client and its employees possessed by Keenan ("Client Confidential Information"), regardless of the medium thereof, except information that is generally available to the public. Except as authorized or required by law or in this Agreement, Keenan shall not release any Client Confidential Information, any portion thereof to any person outside of Client's organization without the express written consent of Client.

B. Further, to the extent that Client receives or learns any information that a reasonable person would regard as, know, or should understand to be proprietary and confidential about Keenan,

including without limitation non-public, proprietary, technical, or know-how information, or information about Keenan's business practice, methods and strategies, and clients ("Keenan Confidential Information"), Client shall keep such Keenan Confidential Information confidential regardless of the medium thereof, except information that is generally available to the public. Except as authorized or required by law or in this Agreement, Client shall not release any Keenan Confidential Information, any portion thereof, or the derivative of any Keenan Confidential Information to any person outside of Client's organization without the express written consent of Keenan.

C. Client and Keenan's obligations under this Section 5 will survive the termination of this Agreement.

D. Client and Keenan's obligations under this Section 5 will not apply, however, to any Confidential Information or truthful statements which are compelled to be disclosed by law or court order. However, in such requirements, the compelled party shall, if permitted provide written notice to the other Party as soon as practicable so such other Party may protect its interests, and in any instance, provide the minimum Confidential Information necessary to be compliant with such law or order, as applicable. Client shall provide Keenan with written notice of any Public Records Requests involving Keenan Confidential Information as soon as possible so Keenan may protect its interests as Keenan deems appropriate.

E. For and to the extent that any additional agreements may be required (such as those mentioned in Section 5), those agreement(s) shall control to the extent there is a conflict (with an order of control outlined therein). In no event shall any data identified as Keenan Confidential Information at any time have any fewer restrictions or protections than those outlined in this Agreement.

6. **OWNERSHIP**:

Unless otherwise agreed, each Party shall retain an ownership interest in its respective data. Notwithstanding the foregoing, Client and/or any applicable carrier, reinsurer, joint powers authority, or alternative risk program, may own or co-own the claims files and/or applicable claims notes created by Keenan. Keenan shall have a worldwide, perpetual, limited license to use and share such claims and claims notes as allowed by this Agreement.

All other data, analysis, or materials created by Keenan shall remain the property of Keenan unless otherwise agreed in writing; Client shall have a worldwide, perpetual, limited license to use and share such information as necessary with its employees.

7. **IF APPLICABLE, REQUESTS FOR CLIENT DATA**

Unless otherwise required by this Agreement, upon Client's written request of data (claims data, reports or otherwise), system access or other requests related and as a result of Keenan's Services under this Agreement, Keenan may, in its sole discretion, decide whether or not to accommodate such requests, in part, in full, or not at all, on a case-by-case basis. Depending upon the Client's request, if Keenan may accommodate, Keenan may require additional agreements to be

determined prior to honoring such request. While Keenan will endeavor to consider each Client request, Keenan reserves the right to refuse any request (whether for the Client or a third-party).

Any request to access one of Keenan's platforms may require a separate agreement which may include the platform's terms of service, privacy policy, and legal notice (collectively "Platform Agreements") may be required for Keenan to consider Client's request for access. Such platforms may not be owned by Keenan, and Keenan reserves the right to offer, not offer, or substitute such platform during the Term of this Agreement. Access to the platforms described herein shall immediately cease upon the termination of this Agreement unless otherwise agreed in writing, or sooner in the event of a breach of Platform Agreements, or any other reason Keenan deems fit in its sole discretion, or for no reason at all. In addition, Keenan makes no representations and warranties with regard to the use, functionality, or access to such platforms.

8. **AUDIT:**

If Keenan is requested to disclose its books, documents or records relating to the Services provided under this Agreement, Client shall notify Keenan in writing at least thirty (30) days prior to the inspection and/or disclosure date of the nature and scope of the request and Keenan shall make available all such books, documents, or records during Keenan's regular business hours.

9. **FINES & PENALTIES:**

Keenan shall pay any fines and/or penalties levied by regulatory authorities that:

(i) are imposed as a result of the improper denial of claims, and

(ii) resulted directly and solely as a result of Keenan's Services or failure to provide such Services, for a failure to comply with the administrative rules, regulations and state laws governing Workers' Compensation, provided that such actions were not at the direction of or with the approval of the Client, that were not the result of the failure of Client or any individual acting on behalf of Client or claimant to timely provide complete and accurate information needed for the processing of claims, or the failure of the Client to adequately fund the claims payment account.

Client shall pay all other fines and/or penalties relating to the Program or otherwise.

10. **INSURANCE:**

11. **INDEMNIFICATION:**

If either Party breaches this Agreement, then the breaching Party shall indemnify and hold harmless the non-breaching Party, its officers, directors, agents, and employees against all claims, losses, demands, actions, liabilities, and costs (including, without limitation, reasonable attorneys' fees, and expenses) arising from such breach. In addition, if Keenan (i) becomes the subject of a subpoena or is otherwise compelled to testify or (ii) becomes the subject of a claim, demand, action or liability brought or asserted by one of Client's employees, Plan beneficiaries, or Plan vendors ("Third-Party Demand") relating to the Services and such Third-Party Demand is not a direct result of Keenan's negligence or willful misconduct, then Client shall indemnify and hold Keenan harmless from all losses, payments, and expenses incurred by Keenan in resolving such Third-Party Demand.

For clarification and in no way limiting the foregoing, Keenan shall not in any way be responsible for any errors or omissions of the Client's prior claims administrator, including but not limited to fines and penalties issued by Centers for Medicare & Medicaid Services ("CMS"). Where CMS looks to Keenan for the errors or omissions of the prior claims administrator, Client shall fully reimburse, indemnify, defend, and hold Keenan harmless for such amounts, or any related costs.

12. **LIMITATION OF LIABILITY:**

Notwithstanding anything to the contrary in this Agreement, in no event shall Keenan be liable for any punitive damages, lost profits or revenues, fines, penalties, or taxes, or any indirect, incidental, special, exemplary, or consequential damages incurred by Client, its officers, directors, employees, agents, contractors or consultants whether or not foreseeable and whether or not based in contract or tort or otherwise, arising out of or in connection with this Agreement even if advised of the possibility of such damage. ("JAMS") or ADR Services, at the claimant's choice, in Los Angeles County, California, before a retired judge or justice. If the Parties are unable to agree on a retired judge or justice, the selected arbitration service (JAMS or ADR Services) will select the arbitrator.

B. In any such arbitration, the Parties shall be entitled to take discovery in accordance with the provisions of the California Code of Civil Procedure, but either Party may request that the arbitrator limit the amount or scope of such discovery, and in determining whether to do so, the arbitrator shall balance the need for the discovery against the Parties' mutual desire to resolve disputes expeditiously and inexpensively.

C. The prevailing Party in any action, arbitration, or proceeding arising out of or to enforce any provision of this Agreement will be awarded reasonable attorneys' fees and costs incurred in that action, arbitration, or proceeding, or in the enforcement of any judgment or award rendered.

14. **TERMINATION:**

A. Either Party may terminate this Agreement upon the occurrence of any of the following events:

(1) Upon sixty (60) days written notice by either Party;

B. In accordance with Section 3D and the Exhibits of this Agreement, Keenan may immediately terminate this Agreement (including all Exhibits) or any portion thereto, upon the occurrence of or any time after the occurrence of, either the Client's failure to fund the claims payment account or any large or catastrophic claims, where such failure remains uncorrected forty-five (45) or more days following written notice by Keenan that funds are necessary.

C. If Client requests that Keenan continue to provide Services under this Agreement after its expiration, Keenan may, subject to additional consideration, agree to provide Services with any additional extension terms and conditions agreed upon by the Parties in an Amendment.

D. Upon termination of this Agreement,

(1) Keenan shall return open and closed claim files, loss reports, payroll information and other documents and materials relating to the Services provided under this Agreement to Client within a reasonable time after termination.

(2) Keenan will promptly, but in no event later than five (5) business days after the effective date of termination or sooner if required by law, provide Client with a list of all claims under this Agreement that have not been processed and have dates of service prior to the effective date of termination ("Unprocessed claims"). Client shall immediately assume all responsibility for such Unprocessed claims.

(3) Keenan will not be financially responsible for any costs, fees, charges, or amounts to transfer the electronic and/or physical files (collectively "files") either from a storage facility or from the Keenan's office to the new third-party administrator or back to the Client.

(4) In addition, Keenan will not be responsible for providing the Client or any other third-party (including but not limited to providing such files to any consultant, advisor, during this Agreement or to any subsequent claims administrator following termination of this Agreement) with the files in any specific format, with any specific indexing, conversion to interface with any specific software or program (collectively "Conversion Request"). Upon written request from the Client, Keenan may, if Keenan is able and wishes to do so, provide the Client with a written quotation inclusive of additional consideration for the Conversion Request. Otherwise, Keenan's providing the files in the then-current or desired Keenan format, in accordance with the Workers' Compensation code, shall be sufficient.

E. Keenan may retain a copy of such returned information: (a) pursuant to its records retention policy; (b) in accordance with Keenan's maintenance and backup procedure; or (c) as Keenan, in its sole discretion deems appropriate, to document the Services provided and/or to defend itself, its work, or the occurrence of such. Notwithstanding the foregoing, Keenan shall be under no obligation to retain such files, nor provide copies thereto absent statutes, rules, or regulations requiring such actions, and only for such limited purposes.

F. Upon termination of this Agreement, Keenan shall be entitled to payment only for the pro-rata portion of the Term during which Services were provided. Any monies paid to Keenan in excess of this pro-rata amount shall be refunded to the Client.

15. **SOLICITATION OF EMPLOYEES:**

During the Term, and for a period of twelve (12) months following any termination or expiration of the Agreement, neither Party shall solicit the employment or engagement of any employee or agent of the other Party that interacted directly with the soliciting Party; provided, however, the foregoing provision shall not prevent either Party from soliciting for employment or employing an employee who responds to general solicitations or advertisements in periodicals including newspapers and trade publications, so long as such solicitations or advertisements are not specifically directed at the employee(s) of the other Party.

16. **NON-DISPARAGEMENT**

Client shall not make any statements or representations of opinion, whether in writing or orally, that disparage or otherwise impair the reputation, goodwill, or commercial interests of Keenan or its affiliates.

17. **MARKETING:**

Keenan may use Client's name in its representative client list. Keenan shall obtain Client's written consent before using Client's name for any other purpose.

B. Client also understands that Keenan or its affiliates may provide services for other entities that also participate in the Program and that Keenan may be separately compensated for those additional services. Such services may include, without limitation, providing similar services for other members of the Program or providing other services for insurers or reinsurers under the Program.

19. **GENERAL:**

A. This Agreement and its recitals and related exhibits and amendments (incorporated into this Agreement by this reference) contains the entire understanding between the Parties related to the subject matter covered by this Agreement and supersedes all prior and collateral statements, presentations, communications, reports, agreements, or understandings, if any, related to such subject matters.

B. All terms of this Agreement (other than Keenan's obligation to perform Services and Client's obligation to pay for such Services) shall survive the expiration or termination of this Agreement.

C. Notwithstanding any provision herein to the contrary, this Agreement is made for the benefit of the Parties and not for the benefit of any third party. Enforcement of any remedy for breach of this Agreement may only be pursued by the Parties to this Agreement.

D. No modifications or amendments to this Agreement shall be binding unless in writing and signed by authorized representatives from both Parties.

E. Any provision determined by a court of competent jurisdiction to be partially or wholly invalid or unenforceable shall be severed from this Agreement and replaced by a provision that is

valid and enforceable and that comes closest to legally expressing the intention of such invalid or unenforceable provision.

F. Neither Party shall be liable or deemed to be in default for any delay or failure in performance under this Agreement resulting, directly or indirectly, from acts of God, civil or military authority, acts of public enemy, war, accidents, fires, explosions, earthquakes, floods, failure of transportation, machinery or supplies, vandalism, strikes, or other work interruptions or any similar or other cause beyond the reasonable control of either Party. However, both Parties shall make good faith efforts to perform under this Agreement in the event of any such circumstances.

G. All notices hereunder shall be in writing and shall be deemed to have been duly given upon (1) delivery, or (2) when mailed by registered or certified mail, postage prepaid and properly addressed to the Party. Notices shall be sent to the Parties at the address indicated in the signature section below unless written notice of a different address is previously given. If a notice given to Keenan relates to a legal matter or dispute, such notice must be sent to Keenan's Legal Department at Keenan's main office located at 2355 Crenshaw Blvd., Ste. 200, Torrance, CA 90501.

H. Clause and paragraph headings shall not affect the interpretation of this Agreement.

This Agreement may be executed in counterparts and by email, DocuSign, fax, or similar program or delivery of signatures. Each person signing this Agreement on behalf of a Party represents and warrants that he or she has the necessary authority to bind such Party, and that this Agreement is binding on and enforceable against such Party.

MASTER AGREEMENT, INFORMATION, TECHNOLOGY SERVICES, AND SOFTWARE SUPPORT

Background
In order to simplify contracts for districts, the Orange County Department of Education (OCDE) has transitioned to a single Master IT Services Agreement. The following services are provided through this Master Agreement and are explained below:

Business Information System and Human Resources System
These systems provide an efficient web interface for the general ledger, accounts payable, accounts receivable, purchasing, budget development and monitoring, asset tracking, warehouse inventory, and human resources. Required training and support for the systems is also included, which is hosted and supported by OCDE.

Data Center Site Services
The data center site services are required to increase reliability and capacity of Internet access and phone services.

Electronic Documents Management System
The electronic document management system is a web-based imaging, scanning and workflow system that meets the district's requirements for business services document archival and retrieval. The system is hosted and supported by OCDE, and all archived documents are backed up.

Internet Access
The Orange County Superintendent of Schools (OCSS) provides access to Internet services to the district through the Corporation for Education Network Initiatives in California. This is California's K-12 high-speed telecommunications network. The district will only be billed an Internet access fee if OCSS receives an invoice from California K-12 High Speed Network for Internet access.

Network Support and Cybersecurity Services
OCSS provides network support and cybersecurity services to all school districts in Orange County. The school districts share in the cost of staff, equipment, tools, and resources that provide these services and support.

Approval of the OCDE Master Agreement will enable the district to continue to use OCDE's business information and human resources systems; data center site services for the most cost-effective way to increase the reliability and capacity of Internet access and phone services; continued use of the electronic documents management system; and network support and cybersecurity services that are much more economical than individual school districts could procure.

Vendor Agreement

OCDE Agreement #10008398

Orange County Department of Education

200 Kalmus Drive, Costa Mesa CA 92507

This Agreement is entered into **July 1, 2025** by and between **Orange County Department of Education,** a participant in the CA QCC Region 9 Hub Contract with Hubbe Inc. hereinafter referred to as the "AGENCY", and **Hubbe Inc.**, hereinafter referred to as the data system "VENDOR";

ORGANIZATIONAL OVERVIEW

Hubbe Inc. owns and operates the Early Childhood Integrated Data System (ECIDS) called ***The ECE Hubbe.*** The Quality Rating and Improvement System component of the Early Childhood Integrated Data System is called ***The QRIS Hubbe.*** The ***QRIS Hubbe*** is a browser-based web application with a centralized database that tracks, measures, stores, and reports the data needed to implement and manage a successful infant, toddler and/or preschool program and to improve the quality of early childhood education. ***QRIS Hubbe*** has been specifically designed to support counties and CA Regional HUB coordinators to successfully administer their Quality Counts California (QCC) and CA Workforce Pathways Programs and report the outcomes to the California Department of Education and to First 5 California.

The ***QRIS Hubbe*** system provides an easy-to-use graphical user interface (GUI) available via browsers on popular computing platforms such as PCs, IPads, and Mobile devices. The system can be securely accessed anytime anywhere via the Internet using the internet browser Google Chrome. Having a browser-based solution that is a Server-Side Application, rather than a Client-Side Application, means that the application is delivered from the server to the browser, and does not reside as an application on each individual computer. In this manner, no special client software or installations are required. When ***QRIS Hubbe*** is updated at the server, it is immediately available to all users.

The VENDOR partners with organizations to reduce the burden of managing complex state-funded early childhood education programs with a proven and secure, FERPA-compliant data system. ***QRIS Hubbe*** was designed to support all program management and reporting needs of CA County, Consortia and Regional HUB QRIS and Workforce Development/Stipend Programs.

ATTACHMENT A

TECHNOLOGY SERVICE AGREEMENT and

DATA SECURITY PROVISIONS

Pupil records[1] obtained by VENDOR from the AGENCY continue to be the property of and under the control of the AGENCY.

All Pupil Records housed in QRIS Hubbe are and shall remain the sole property of the AGENCY or under contract with the VENDOR.

Parents, legal guardians, or eligible pupils may review personally identifiable information in the pupil's records and correct erroneous information by the following protocol: VENDOR hosts a secure/FERPA-Compliant parent portal where parents can access information about their family, themselves and their children. The parent portal serves as the method for parents to review data, correct erroneous information, and communicate with the AGENCY to update data and records as needed as determined by The AGENCY's policies and procedures. The QRIS Hubbe California data system was designed for early childhood education programs and school-age child care program providers serving children ages 0-13. The system does not have components for use directly by children ages 0-13. As such, it is an adult-only system.

VENDOR shall take actions to ensure the security and confidentiality of pupil records, including but not limited to designating and training responsible individuals on ensuring the security and confidentiality of pupil records. In order to maintain the security and confidentiality of all Pupil Records, the following security and confidentiality policies are enforced by the Chief Information Security Officer (CISO):

- VENDOR will obtain a criminal background check of each applicant prior to the commencement of the applicant's employment. VENDOR utilizes Goodhire to conduct background checks. A report of the background check will be stored in each employee's file.

- All offers of employment shall be subject to satisfactory criminal report investigations.

All new employees and independent contractors who perform services in the production systems and have access to customer information will participate in the consultant security and confidentiality training. Each person shall sign and acknowledge his or her agreement to abide by the consultant's security and confidentiality policies. Training will recur at least once each year, or sooner, as determined by VENDOR management and as required by changes to the policies. Such training program shall include, at a minimum, basic steps to maintain the security, confidentiality, and integrity of customer information, such as:

- Identifying for employees and independent contractors the types of customer information subject to protection under the security and confidentiality policies.

- Using password-activated computer and software systems and applications and automatic log-off function that terminates access after a short period of inactivity.

- Using strong passwords (at least eight characters long and alpha-numeric).
- Changing passwords periodically and maintaining the security of passwords.
- Sending electronic information over secure channels only.
- Appropriately disposing of paper and electronic records.
- All employees and independent contractors will be permitted to access customer information only when "needed to debug software" and/or support client's needs as requested. Access to client data will be determined individually by VENDOR management.
- Personnel shall not be permitted to access, use or reproduce customer information, whether electronic or non-electronic, for their own use or for any use not authorized by VENDOR management.
- All persons who fail to comply with the VENDOR's security and confidentiality policies shall be subject to disciplinary measures, up to and including termination of employment for employees or contract termination for independent contractors that perform services with VENDOR.

In the event of an unauthorized disclosure of a pupil's records, consultant shall report to an affected parent, legal guardian, or eligible pupil pursuant to the following procedure:

- Validate the data breach. Do not assume that every identified incident is actually a breach of Personally Identifiable Information (PII data). Examine the initial information and available logs to confirm that a breach has occurred. If possible, identify the type of information disclosed and estimate the method of disclosure (internal/external disclosure, malicious attack, or accidental).
- Begin breach response documentation and reporting process. Coordinate the flow of information to Client
- Include representatives from VENDOR and Client management, information technology, legal, public affairs media relations, risk management, finance, and audit departments (and possibly HR, for internal incidents) in the incident response team.
- Immediately determine the status of the breach (on-going, active, or post breach).
- If the breach is active or on-going, take action to prevent further data loss by securing and blocking unauthorized access to Systems/data and preserve evidence for investigation.
- Document all mitigation efforts for later analysis.
- Advise staff who are informed of the breach to keep breach details in confidence until notified otherwise.
- If criminal activity is suspected, notify law enforcement and follow any applicable federal, State, or local legal requirements relating to the notification of law enforcement. (The decision to involve outside entities, including law enforcement, should generally be made in consultation with executive leadership and legal counsel.)

- Identify all affected data, machines, and devices.

- Conduct interviews with key personnel and document facts (if criminal activity is suspected, coordinate these interviews with law enforcement).

- When possible, preserve evidence (backups, images, hardware, etc.) for later forensic examination.

- Locate, obtain, and preserve (when possible) all written and electronic logs and records applicable to the breach for examination.

- Reach out to data owners as soon as possible to notify them about the breach.

- Foster a cooperative relationship between the incident response team and data owners.

- Work collaboratively with data owners to secure sensitive data, mitigate the damage that may arise from the breach, and determine the root cause(s) of the breach to devise mitigating strategies and prevent future occurrences.

VENDOR shall not use any information in a pupil record for any purpose other than those required or specifically permitted by the Technology Services Agreement.

VENDOR certifies that a pupil's records shall not be retained or available to the consultant upon completion of the terms of the Technology Services Agreement, except for a case where a pupil chooses to establish or maintain an account with consultant for the purpose of storing pupil-generated content, either by retaining possession and control of their own pupil-generated content, or by transferring pupil- generated content to a personal account. Such certification will be enforced through the following procedure:

- VENDOR provides extensive data export capabilities allowing the export of all QRIS Hubbe data to its customer at any time. This process may be executed at the end of contract period or at any time desired.

- Customers should first ensure that browser downloads of QRIS Hubbe data go to a secure download environment. All QRIS Hubbe downloads are done via SSL browser and should be set to download on a secure/encrypted drive.

- Download all data by following these steps: In QRIS Hubbe, Log on as admin user. From the main menu go to “Data Tools” then the “Export Data.” For each data item select item type (radio button) and then select export each export file will be downloaded as an excel file.

AGENCY agrees to work with VENDOR to ensure compliance with FERPA and the Parties will ensure compliance through the following procedure:

VENDOR FERPA Policy

The Family Educational Rights and Privacy Act, known as FERPA, protects the privacy interests of students in their education records. It controls the disclosure of a student's personally identifiable information from education records without the consent of the parent or eligible student. As part of the consultant Data Systems, agencies staff and parents enter personally identifiable information about their infant, toddler, preschool-age and/or school-age students/children into the QRIS *Hubbe* California Systems, to operate their program and report data to program funders. QRIS *Hubbe* California supplies capabilities for the agencies and parents to use the personally identifiable information in the context of a Student Information and Program Management System. VENDOR has no direct use of the personally identifiable information. VENDOR agrees to only use the personally identifiable student information supplied by the agencies and funder to provide training on the data system and/or to support their data system needs and to return or delete the personally identifiable information when the funder is no longer under contract with VENDOR. In this way, the data owner retains control over its PII data as required under FERPA. VENDOR does not data-mine or commercialize information held for the AGENCY and it does not collect any information directly from students or their parents for its use.

VENDOR hosts a secure, FERPA-Compliant web-based data system using Amazon Web Service (AWS) following the guidelines as set forth in FERPA Compliance on AWS Family Educational Rights and Privacy Act of 1974 (FERPA) whitepaper available at: https://d0.awsstatic.com/whitepapers/compliance/AWS_FERPA_Whitepaper.pdf. Additional information on Amazon AWS policies can be accessed at: https://aws.amazon.com.

Under the direction of the CISO, the VENDOR staff follow the best practices recommended by Amazon AWS by implementing the following FERPA compliant environment:

- Compute - VENDOR uses AWS cloud to store, process and transmit PII, and leverage encryption at layers to safeguard the data at rest and in transit additional details below. Ensure the systems are properly hardened and monitored for compliance.

- Storage - VENDOR configures data storage for least privilege and data is not world accessible, except by managed exceptions

- Database - VENDOR uses Microsoft SQL Server which provides SQL Server Transparent Data Encryption (TDE) and Cell Level Encryption (CLE) server-side facilities that encrypt the entire SQL Server database at rest, or selected columns as needed. This encryption uses Advanced Encryption Standard (AES) 256, a secure symmetric-key encryption standard using 256-bit encryption keys.

- Networking and content delivery – VENDOR provides a logically isolated network for processing, transmitting, or storing PII.

- Security, identity, and compliance – VENDOR uses Amazon GuardDuty to detect misconfigurations, provide threat intelligence such as instances communicating with known bad actors as well as alerting and automating to remediate these issues.

Under the direction of the CISO, the VENDOR staff follow the best practices recommended by Amazon AWS by following FERPA compliant information management:

- Auditing – VENDOR auditing capabilities are in place to allow security analysts to examine detailed activity logs and reports.

- Data destruction – VENDOR uses DoD-compliant drive and file wipe/erasure software to remove PII data.

- Backup and disaster recovery – VENDOR creates periodic (every two hours) database backups and creates point-in- time snapshots of volumes daily.

- Security - All VENDOR data systems utilized by clients use Secure Sockets Layer (SSL) certifications, so that the security of such information is protected in transit. Such secure transmissions shall be automatic. Attempts to access consultant data systems without SSL will automatically be rerouted to a SSL connection.

- Authentication and authorization - In the AWS environment, VENDOR uses IAM to manage access keys, security credentials, permission levels, authentication and authorization of our AWS accounts. The AWS account is protected by both password and Multi-Factor Authentication (https://aws.amazon.com/iam/details/mfa/)

- Threat detection - VENDOR uses Amazon GuardDuty's machine learning capability to uncover malicious user activity within AWS accounts. Amazon GuardDuty is a threat detection service that continuously monitors for malicious activity and unauthorized behavior to protect accounts, workloads, and data stored in AWS.

- Security logs - VENDOR uses Amazon CloudWatch to detect anomalous behavior in our environments, set alarms, analyze logs and metrics, take automated actions, and troubleshoot issues. Cloudwatch allows us to improve operational performance and resource optimization.

Quality Counts California (QCC) Common Data File

FY 2024-25 and 2025-26

Purpose:

Annually report site-level common data for each county or regional consortia for QCC accountability and performance monitoring. Sites included in this file are defined as those participating[1] in local Quality Rating and Improvement System (QRIS) and Quality Improvement Systems (QIS) activities (including the California Department of Education's California State Preschool Program Block Grant, California Department of Social Services' Quality Counts California Quality Improvement Grant, and First 5 Improve and Maximize Programs so All Children Thrive [IMPACT] Legacy) at any time during the specified Fiscal Year. Each record in the file should represent one unique site, regardless of funding source(s) or age group(s) served. Site data should be collected upon QRIS/QIS enrollment and updated upon rating, re-rating, or other monitoring visit.

In alignment with July 2023 updates to the *Quality Continuum Framework - Measured Quality Elements*:

- All QCC site ratings prior to July 2023 may remain in place until expiration
- CSPP site ratings completed after local implementation of updates reflect only CSPP classroom assessments
- Non-CSPP ratings completed after local implementation of updates reflect random classroom assessment across all classrooms

First 5 California (F5CA), the California Department of Education, Early Education Division (CDE-EED), and the California Department of Social Services, Child Care and Development Division (CDSS-CCDD) will use the QCC Common Data File for the following:

- Verify CSPP Block Grant, QCC Quality Improvement Grant and IMPACT Legacy program compliance
- Verify QRIS participation and rating of sites
- Evaluate CDE, CDSS and First 5 California QIS/QRIS investment
- Report to the Governor's Office, California Department of Finance, Legislative Analyst's Office, California State Legislature, First 5 California Commission, and other stakeholders

Reporting:

- Required fields are identified on pages 2-9 of this document.
- Optional fields are identified on page 9.

1. Purpose and Audience for This Guide

The Quality Counts California (QCC) Implementation Guide (Guide) was originally developed for local, regional, and statewide QCC implementers, raters, and monitors working with rated sites within California's Quality Rating and Improvement System (QRIS). As the early education system has evolved, the QCC Guide has been updated to support implementation of the Quality Continuum Framework-Measurable Quality Elements (QCF) which includes continuous quality improvement elements for all early learning and care setting types across California, including rating requirements for California State Preschool Program (CSPP) QRIS Block Grantees. Consortium agreements ensure local and regional QCC models are implemented to fidelity in accordance with statewide agreements, statutory requirements, and state policy guidance. The Guide will continue to be updated as QCC implementation and funding requirements evolve.

Please refer to the glossary for definitions of terms used throughout this Guide.

Additional resources for QCC Consortium members, including historical information about the development of QCC as California's QRIS, can be found at www.qualitycountsca.net.

2. The Quality Continuum Framework: Core Areas and Elements

QCC supports quality in early learning and care settings to promote environments, relationships, interactions, and activities that aid all children's growth and development and to prepare them for success in school and life. The QCF (see Appendix 1) provides a *framework*, or *structure*, for quality improvement and this Guide provides information to support implementation at the local level. The QCF uses the terms "Core" and "Elements," which refer to the three overarching categories (Core) and the indicators or components within these categories (Elements). The Elements are numbered consecutively one through six, with Elements five and six for centers only, as shown below.

Core	Elements
Core I: Child Development and School Readiness	**Element 1.** Child Observation **Element 2.** Developmental and Health Screenings
Core II: Teachers and Teaching	**Element 3.** Minimum Qualifications for Lead Teacher or Family Child Care Home **Element 4a.** Effective Teacher-Child Interactions: Classroom Assessment Scoring System® (CLASS®)

Core	Elements
	Element 4b. Effective Teacher-Child Interactions: CLASS® **(CSPP rated element– requires use of the CLASS Second Edition and CLASS Environment)**
Core III: Program and Environment	**Element 5.** Ratios and Group Size (centers only beyond licensing regulations) **Element 6.** Director Qualifications (centers only)

The tables below outline total point ranges that may be used for quality improvement monitoring in conjunction with quality improvement plans, and the CSPP rating requirements. Calculation Guidance for Quality Improvement (QI) monitoring can be found in Appendix 2. For CSPP QRIS Block Grantees, detailed rating information can be found in Section 5 of this guide.

3. Continuous Quality Improvement

QCC is committed to providing resources and information about the importance of quality early learning and care settings, as well as the lifelong positive impact they can have on children and families. While state-level funding has differentiated requirements, the overarching quality improvement goals of QCC are to support the program quality of

early learning and care settings, to improve access to QCC by providing administrative support to programs, and to create a strong and sustainable QCC system.

Developing Site Quality Improvement Plans

Participating sites and individuals directly receiving support regardless of QCC funding source must have a site quality improvement plan (QIP) completed, either jointly with the site or on behalf of the educator/provider (e.g., Family, Friend, and Neighbor [FFN]). All QIPs must include consistent information describing, at a minimum: quality improvement goals, actions to achieve the goals, resources needed to achieve the goals, and a timeline. The standardized QCC Site and Individual QIP Template may be used or counties may choose to use their own, provided all elements are included with similar breadth and depth and can be reported to the state efficiently.

Offering Professional Development Opportunities

Professional development opportunities delivered through evidence-informed effective delivery methods, and where possible, aligned with and in adherence to the California Early Childhood Educator Competencies and elements within the QCF, include but are not limited to:

- Coaching — a dynamic and collaborative process grounded in a learning and supportive relationship for both coaches and coached individuals that supports adult learning, self-reflection, and self-directed culturally supportive action to benefit the children and families whom the coached serves
- Training — learning opportunities designed and implemented using principles of adult learning to improve the participants' knowledge, skills, and competencies to support young children and their families
- Professional growth — resources, information, and paths to equitable access of opportunities for adult learning for the purpose of gaining skills, dispositions, and knowledge that are incorporated into the work of supporting the development and well-being of children and their families
- Higher education— promoting multiple options to support access to higher education, including, but not limited to, support for navigating enrollment, course advisors, and linguistic, technological or adaptive access to coursework

Utilizing the Continuous Quality Improvement Core Tools and Resources

Organized with the same structure as the QCF, the Continuous Quality Improvement Core Tools and Resources (CQI Tools) document (formally known as the CQI pathways) highlights resources that support advancement of core quality elements of the QCF. While these links are not required activities for QCF implementation, they can support programs and the early learning workforce. The CQI Tools can be found on the QCC website.

4. QCC Funding Structure

As QCC defines quality elements and activities, there are multiple state agency funding streams that support these efforts. The funding requirements of each of these grants vary and are differentiated in the following section.

- **California Department of Social Services (CDSS), QCC Workforce Pathways Grant, QCC Quality Improvement Grant, and Professional Development Resources**

  Under a joint request for applications, the California Department of Social Services' (CDSS) QCC Workforce Pathways Grant and the QCC Quality Improvement Grant focus on supporting increased learning and healthy development of California's children (ages birth to 13).

  The QCC Workforce Pathways Grant aims to increase the number of qualified ELC professionals, and increase the educational credentials, knowledge, and skills of existing ELC professionals across the state. This grant supports providers participating, or interested in participating, in QCC and providers interested in continuous quality improvement (CQI) as well as the ongoing training and education of the workforce in California's mixed-delivery system which includes access to FFN, Family Child Care Home (FCCH), and center providers.

  The QCC Quality Improvement Grant supports site-level improvements, administrative supports, and building an equitable child care system. This grant assists local consortia to provide site-based training, technical assistance, coaching, and other resources to support CQI and promote better outcomes for children and families.

  The CDSS is researching ways to recognize, incentivize, and collaborate with families, the workforce, and other proximity experts to support a statewide system that is anti-bias, anti-hate, linguistically supportive and that is equitable. Given the recent concerns regarding the rating matrix, ratings are not an allowable expense. Programs must focus on utilizing developmentally appropriate resources that have been proven to directly impact CQI and that are linked to positive outcomes for children. Grantees will use the QCF and aligned resources, which we are overarchingly using to define quality.

  Additional guidance for the requirements of the QCC Workforce Pathways Grant and the QCC Quality Improvement Grant can be found on CDSS' Quality Funding Announcements web page.

In addition, to the QCC Workforce and Quality Improvement Grants, the CDSS funds other quality initiatives and projects that support QCC and the workforce including the Resource and Referral Programs (R&Rs), Child Care Initiative Project (CCIP), Local Planning Councils (LPCs), California Infant and Early Childhood Mental Health Consultation (IECMHC), California Early Childhood Mentor Program (CECMP), Program for Infant and Toddler Care (PITC), California Early Childhood Online (CECO), as well as many others. To see current quality initiatives please visit the CDSS Quality Initiatives Webpage.

- **First 5 California, IMPACT Legacy**

  In alignment with Proposition 10, the 2019 F5CA Strategic Plan, and F5CA's North Star and Audacious Goal, the purpose of IMPACT Legacy is to expand access to the Quality Counts California (QCC) system and resources for center and home-based ELC educators serving high-need communities and populations not already receiving quality support. Objectives towards fulfilling the purpose of IMPACT Legacy include understanding and eliminating barriers to participation and prioritizing children's well-being, workforce engagement and well-being, family engagement, and multilingual learners (MLL).

  IMPACT Legacy focuses on addressing the needs of the whole child, including health, child development, and family strengthening. The IMPACT Legacy investment provides funding to support and retain a valued workforce through a commitment to comprehensive training, coaching, technical assistance, and professional development systems. These investments honor the diverse needs of educators and prepare them to implement learning strategies that meet the unique needs of the families in the communities they serve. Using research-based approaches, IMPACT Legacy prioritizes processes and procedures that are inclusive of all priority populations and address barriers to participation and provide specific professional development (PD) opportunities to ELC providers. Due to concerns regarding the rating matrix, formal ratings are not currently supported with IMPACT Legacy funds.

  Additional guidance for the requirements of IMPACT Legacy can be found on First 5 California's QRIS web page.

- **California Department of Education (CDE), CSPP QRIS Block Grant**

  The CDE CSPP QRIS Block Grant funds are allocated to local consortia for support of CSPP quality rating and improvement processes to increase the

number of low-income children in high-quality preschool programs preparing children for success in school and life.

All sites participating in the CSPP QRIS Block Grant are required by *Education Code* 8203.1 to be rated. For the fiscal years (FYs) 2025–26 and 2026–27, CSPP QRIS Block Grantees are to use the QCF unless otherwise notified by the California Department of Education (CDE), to support quality improvement activities and ratings. The full requirements for rating are detailed in section 5 of this Guide. Programs are required to be rated on a three- to five-year cycle, based on their last tier rating (further details provided on page 9).

Participating CSPP sites engage in an ongoing continuous quality improvement process and maintain an updated quality improvement plan between ratings. CSPP QRIS Block Grantees are required to monitor participating sites between ratings.

Additional guidance for the requirements of the CSPP QRIS Block Grant can be found on the CDE's CSPP QRIS Block Grant web page.

5. Rating Guidelines for CSPP QRIS Block Grant

Grantees are to base CSPP ratings only on Element 4b (Effective Teacher-Child Interactions) of the QCF and are required to conduct observations using both the CLASS 2nd Edition and the CLASS Environment tools for rating purposes (unless observing in a Head Start funded agency). The rating requirements for the CSPP QRIS Block Grant require all CLASS observations to be done by an independent certified CLASS observer (defined below). Grantees may still use CSPP QRIS Block Grant funds to support quality improvements across the QCF (as outlined above) but cannot use funds for rating purposes on elements other than CLASS and CLASS Environment, within the two-year transitional grant period of FYs 2025–26 and 2026–27.

All CSPP QRIS Block Grantees agree to implement all tools, measures, and documents in accordance with the Guide. Preserving the components that made the original practice effective can directly impact the success of desired outcomes. To ensure high-quality implementation, consortia need to identify and clearly stipulate distinct QCC functions:

- **Independent certified CLASS® observers** are those who have completed the training to become a CLASS observer, passed the CLASS certification test, have an active CLASS certification from Teachstone, and do not work at or provide coaching or other types of consultation directly to the observation site. Additionally, independent certified CLASS observers must also have completed the CLASS Observer Support Series, including:

    - Settings with Dual Language Learners,
    - Settings with Children with Disabilities, and
    - Reducing Bias.

- **CLASS Environment Observers** are those who are independent certified CLASS observers as defined above and who have completed both the Prek-K-K CLASS Environment Foundations and CLASS Environment within a CLASS Observation.

- **Monitors** ensure sites maintain their rated quality and compliance with QRIS requirements between ratings.

Frequency of CSPP Rating

A CSPP's rating is valid for three (for Tier 3) or five years (for Tiers 4 and 5), from the time the overall site rating is assigned (see below for examples). During the two-year transitional period of FYs 2025–26 and 2026–27, CSPP QRIS Block grantees have flexibility to adjust rating cycles +/- one year to allow the redistribution of CSPPs being rated in a FY.

If The Site was Rated in:	**The Result was Tier 3 (or below on previous QCF), The Site's Rating is Valid Through*:**	**The Result was Tier 4 or 5, The Site's Rating is Valid Through*:**
February 2025	February 2028	February 2030
May 2024	May 2027	May 2029
March 2023	March 2026	March 2028
November 2022	November 2025	November 2027

*Note: CSPP QRIS Block Grantees have flexibility to adjust the annual rating cycle by one year in any direction during this two-year grant cycle.

Re-rating is required when a site license changes due to a change of physical location. The decision to re-rate a site for other reasons during the rating period is a local decision. Some local circumstances that may prompt a reconsideration of the rating before the rating period has passed include:

1. Significant turnover in staff
2. New director
3. Changes that warrant re-assessment of an individual classroom, including a change in the lead teacher of a formerly assessed classroom
4. Significant licensing violation
5. Other evidence of changes related to the criteria upon which the site was rated
6. Other reasons determined by local consortia

Communicating the CSPP Rating

Consortia have discretion on how ratings are publicized. Consortia may share CSPP ratings by:

- Posting at a participating CSPP to indicate QRIS participation and tiered rating
- Posting on a website (e.g., Mychildcareplan.org, R&R, and/or local QRIS website). Public communication should include the effective dates of the rating.

Reporting Site Data to the State

Consortia receiving CSPP QRIS Block Grant are required to report all CLASS data to the State in addition to submitting annually to the Common Data File (CDF) and annual performance report (APR) unless other direction is provided by the CDE. Details about how and when to report annual data are available at https://qualitycountsca.net/quality-partners/consortium-members/.

Observing Classrooms

Defining Classrooms for Observation

Classrooms are defined by the teaching team and the group of children. The table below demonstrates several scenarios to help determine the number of CSPP classrooms.

Scenario	Number of Classrooms	Rationale

Full-day preschool in center or family child care setting; one group of children and one teaching team	1	This is one CSPP classroom, the children and the teaching team are the same for the whole day
Full-day preschool in center or family child care setting; one group of children with the same lead teacher, but different teaching team	1	This is one CSPP classroom, the children and the lead teacher are the same, though the teaching team changes
AM preschool + PM preschool in center or family child care setting; different children and same teaching team	2	This is two CSPP classrooms; even though the teaching team is the same, the children are different
AM preschool + PM preschool in center or family child care setting; different children and same lead teacher but different supporting staff	2	This is two CSPP classrooms; even though the lead teacher is the same, the children and support staff are different
AM preschool + PM preschool in center or family child care setting; using the same physical classroom at different times, different children and different teaching teams in AM and PM	2	This is two CSPP classrooms; different children and different teaching teams

Selecting Classrooms for Observation

CSPP QRIS Block Grantees are responsible for coordinating or conducting CLASS observations at participating CSPP QRIS Block Grant sites for at least one-third of the total number of CSPP classrooms at a site, but are highly encouraged to observe 100 percent of CSPP classrooms, or observe a higher proportion in alignment with Management Bulletin (MB) 23-10 (30 percent FY 2025–26 and 60 percent FY 2026–27). Classrooms with more than one funding source (e.g., a classroom with

blended CSPP and Head Start funding) shall be included in the count for CSPP classrooms.

To determine the required one-third of classrooms please use the following table:

Number of CSPP Classrooms at Site	**2**	**3**	**4**	**5**	**6**	**7**	**8**	**9**	**10**
Total number of CSPP Classrooms to Observe	**1**	**1**	**2**	**2**	**2**	**3**	**3**	**3**	**4**

Parameters for Selecting Classrooms

If observing only one-third of CSPP classrooms, those classrooms should be chosen randomly by the grantees from among all CSPP classrooms at the site. In this case, all observed classrooms should be included to calculate the CSPP's rating. If more than one-third of classrooms are observed, the grantee may either calculate the CSPP's rating based on a random one-third sampling of observed classrooms, or all classrooms that have been observed, whichever is preferred.

Announcing Observations

CSPP QRIS Block Grantees are required to inform contractors by the end of the first quarter if their CSPP(s) will be rated in that FY or three months prior to their scheduled observation, whichever comes first.

Use of Existing Observations

CSPP QRIS Block Grantees may accept CLASS observations previously conducted in lieu of the county consortium sending an observer only if the observation was:

- Completed within the same fiscal year of the rating
- Performed by an independent certified CLASS observer (If observations are funded by a Head Start funded agency, the CLASS Observer Support Series detailed on pages 9-10 is optional)
- Conducted using the Pre-K-3rd CLASS 2nd Edition observation tool and CLASS Environment (If observations are funded by a Head Start funded agency, CLASS 2008 may be used and CLASS Environment is optional)
- Conducted with the same lead teacher, classroom, and physical location as the randomly selected classroom

Recommendations for Observations Using the CLASS Tool

When coding with CLASS, the observer evaluates the effectiveness of interactions. In any classroom setting, multiple adults may be present during the observation, requiring the observer to consider how each adult interacts with children and how those adults jointly influence the overall classroom experience.

Local consortium policy should guide other observation protocols, such as:

- When a classroom receives a CLASS observation (e.g., if at a lower point level than required in the QCF)
- The number of children in the classroom (or target age level) that need to be present in order to observe and if/when to reschedule an observation to maximize attendance

Guidelines for Use of CLASS in Commingling Classrooms

Each classroom that includes one or more children enrolled in CSPP must conduct CLASS observations with respect to all children in the classroom, regardless of funding source. In other words, CLASS must be applied to all classrooms or settings where children are commingled (by age or funding source), if at least one of which is enrolled in CSPP. For example:

- When conducting a CLASS observation in a mixed-age setting or classroom, including in FCCHs operating as part of a family childcare home education network (FCCHEN), contractors must observe using CLASS Second Edition Pre-K-3rd.
- When contractors commingle CSPP children (certified children) with children being served through different funding sources (non-certified children), contractors must observe using the CLASS Second Edition Pre-K-3rd unless commingled classrooms are within a Head Start funded agency. A Head Start funded agency may use CLASS 2008.

In all commingling situations, the observers must observe teacher-child interactions with all children in the classroom, not just children enrolled in CSPP.

Regional CLASS Trainers and Observers

Regional CLASS Affiliate Trainers

A CLASS Trainer is certified by Teachstone to conduct training on a specific tool and is called an affiliate trainer. QCC recommends, but does not require, each region to identify a regional CLASS affiliate trainer to support the region’s CLASS needs.

Regional CLASS affiliate trainers who work within QCC are authorized to provide training to other partners within their local QRIS.

Geography or other needs may call for each consortium within a regional hub to have its own consortium-dedicated affiliate trainers, or several consortia may elect to share a regional CLASS affiliate trainer.

The regional CLASS affiliate trainers should maintain annual certification through Teachstone. If authorized by the regional hub, the regional CLASS affiliate trainer may:

- Coordinate regional training and observer certification
- Review reports written by CLASS observers

Certified CLASS Observers

Whether regional or consortia specific, Certified CLASS observers carry out observations on applicable tools (CLASS Pre-K-3[1] and CLASS Environment) and complete reports, as applicable within a consortium or for several consortia within a regional hub.

Certified CLASS observers must be recertified annually through Teachstone to maintain a current CLASS observer certification. Certifications expire exactly one year from the date observers were last certified or recertified. Certified CLASS observers must have proof of current certification from Teachstone demonstrating reliability on the applicable tool and must also have completed the CLASS Observer Support Series (one time only), which includes:

- Settings with Dual Language Learners,
- Settings with Children with Disabilities, and
- Reducing Bias.

The purpose of this additional training requirement is to ensure California is centering diversity, equity, inclusion, and belonging in CLASS implementation.

[1] CLASS 2008 may be used in a Head Start funded agency.

This appendix provides guidance on determining the point values of the quality elements for sites using the QCF for QI planning and monitoring. For CSPP QRIS block grant rating requirements, please refer to Section 5 in this document.

Core I: Child Development and School Readiness

Element 1. Child Observation

1 POINT

Indicator: Not required

Detail: The child observation and assessment is not required at Common Tier 1/BLOCK. Sites licensed and in good standing with Community Care Licensing or are legally license exempt and eligible for participation will automatically receive one point for this element.

2 POINTS

Indicator: The program uses evidence-based child assessment or observation tool annually that covers all five domains of development.

Detail: Local consortia may use the list of evidence-based child assessment or observation tools from the list below, create local guidelines, or both. Local criteria must include evidence that the tool is observational, annual, and, at minimum, assesses the following developmental domains: physical (gross and fine motor), social-emotional, cognitive, and communication.

Optional, a partial list of evidence-based tools:

- HighScope Child Observation Record (COR) for Infants and Toddlers
- HighScope Preschool Child Observation Record (COR), Second Edition
- Work Sampling, Developmental Guidelines, Preschool 3
- Work Sampling, Developmental Guidelines, Preschool 4
- Learning Accomplishment Profile-3rd Edition (preschool)
- The Ounce Scale (infant/toddler)

- National Institute of Early Education Research (NIEER) Early Learning Scale

Uses refers to any assessment, instrument, or tool that yields individual and group information. This term requires that the program accesses and analyzes results and those results (whether individual information or aggregated group data) are used to inform practice.

3 POINTS

Indicator: The program uses valid and reliable child assessment or observation tools aligned with the most recent iteration of the California Preschool/Transitional Kindergarten Learning Foundations (PTKLF) twice a year.

Detail: Valid and reliable child observation tools must be approved by the QCC State Support Team.

Currently approved tools are:

- Teaching Strategies GOLD® (Creative Curriculum) assessment
- Early Learning Scale by NIEER available from Lakeshore Learning School Supply
- Brigance Inventory of Early Development III

Assessment tool developers must contact support@qualityca.net to submit documentation of alignment with the PTKLF.

4 POINTS

Indicator: The Desired Results Developmental Profile (DRDP) is administered twice a year, at minimum, and results are used to inform curriculum planning.

Detail: All users of the DRDP must use the most current version of the DRDP version. Sites may choose, at their discretion, to use the comprehensive, fundamental, or essential view. Additionally, individual child assessments are considered when planning for learning experiences through which the curriculum goals will be achieved.

This could include:

1. The use of DRDP and program has current National Association for the Education of Young Children (NAEYC) accreditation **OR**
2. The use of DRDP and provide current Head Start School Readiness Goals **OR**
3. Completing a CD 4001B (Desired Results Developmental Profile Summary of Finding for the Classroom and Family Child Care Home Form) **OR**

4. Providing two of the following:

    - Written curriculum statements
    - Lesson plans
    - Planning webs
    - Notes from planning sessions with information on how a purchased curriculum (if used) considers assessment of child progress

5 POINTS

Indicator: Program uses DRDP twice a year and uploads into DRDP Online or DR Access, and results are used to inform curriculum planning.

Detail: DRDP Online is free to Head Start, state-funded programs, and all QCC participating sites.

This should include the use of domain scale reports when planning for individual and group learning experiences within the curriculum. DR Access domain-level reports can be used for children with Individualized Family Service Plans (IFSPs) and Individualized Education Plans (IEPs).

Element 2. Developmental and Health Screenings

1 POINT

Indicator: Meets Title 22 Regulations.

Detail: Title 22 Regulations require current immunization records for every child enrolled in the family child care home (FCCH) or center. Family child care homes use form PM 286, available at https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH Document Library/Immunization/CDPH-286.pdf and centers use form LIC 701, available at https://www.cdss.ca.gov/cdssweb/entres/forms/English/LIC701.pdf. Forms must be printed on blue paper. Sites licensed and in good standing with Community Care Licensing or legally license exempt and eligible for participation will automatically receive one point for this element.

2 POINTS

Indicator: Health Screening Form (Community Care Licensing form LIC 701 “Physician's Report - Child Care Centers" or equivalent*)* used at entry, then:

1. Annually **OR**

2. Ensures vision and hearing screenings annually

Detail:

Used at entry then annually: Requires the program to collect form LIC 701 (or equivalent) at the child's entry into the program and annually or at the beginning of each program year.

Conducts (or collects) screening: If vision and hearing screening are used as the method of meeting this standard, programs may:

- Use information from a doctor's or specialist's screening
- Conduct vision and health screenings at the site
- Use information from a doctor or specialist and conduct vision and health screening at the site

In instances where the site has difficulty meeting the annual requirements for one or more returning children (after collection of Health Screening Form LIC 701 upon entry), consider one or both of the following::

- Parent "opt-out" form or equivalent evidence that parent denied resubmittal of Health Screening Form and/or denied screening
- Detailed documentation of repeated attempts to obtain Health Screening Form and/or parent consent when conducting file review

3 POINTS

Indicator: Program works with families to ensure screening of all children using a valid and reliable child screening tool at entry and as indicated by results thereafter **AND**

Meets criteria from point value 2

Detail: Below is a partial list of valid and reliable child screening tools. Other tools are acceptable at the discretion of the consortium. **Partial List:**

- Mullen Scales of Early Learning
- DIAL 3
- Ages and Stages Questionnaire (ASQ)
- ESP (Early Screening Profiles)
- ESI-R (Early Screening Inventory)
- Denver II
- Parents Evaluation of Developmental Status

- Parents Evaluation of Developmental Status – Developmental Milestones
- Battelle Developmental Inventory Screening Test
- Learning Accomplishment Profile-Diagnostic Screens

“As indicated by results thereafter” refers to the actions taken by the program to refer families to additional resources based on the results of the screening tool.

Beginning at this point value, both centers and family child care homes must use a developmental screening tool or produce one of the items below:

- IFSP/IEP
- Evidence of screening in another venue (must have actual screen or documented results)
- Parent “opt-out” form or equivalent evidence that parent denied screening
- Detailed documentation of repeated attempts to obtain parental consent when conducting file review

In addition to 100 percent of children being screened, the site must have a referral process in place.

4 POINTS

Indicator: Program works with families to ensure screening of all children using the ASQ at entry and as indicated by results thereafter **AND**

Meets criteria from point value two

Detail: “Program works with families” means:

- Families are engaged in the screening process
- Results are shared with the family in a confidential and supportive manner
- Program staff use screening results to refer families to the appropriate agencies for further assessment, such as the local Regional Center, school district, and/or other resources

For a definition of the ASQ, see the glossary.

5 POINTS

Indicator: Program works with families to ensure screening of all children using the ASQ and ASQ:SE (Ages and Stages Questionnaire: Social and Emotional), if indicated, at entry, then as indicated by results thereafter **AND**

Program staff uses children's screening results to make referrals and implement intervention strategies and adaptations as appropriate **AND**

Meets criteria from point value two

Detail: For a definition of the ASQ:SE, see the glossary.

"If indicated" is a local decision acting in the best interest of the child.

Core II: Teachers and Teaching

Element 3. Early Childhood Educator Qualifications: Minimum Qualifications for Lead Teacher or Family Child Care Home (FCCH)

1 POINT

Indicator: Meets Title 22 Regulations

Center: 12 units of ECE or CD

FCCH: 16 hours of training on preventative health practices

Detail: Sites licensed and in good standing with Community Care Licensing or legally license exempt and eligible for participation will automatically receive one point for this element.

2 POINTS

Indicator:

Center: 24 units of ECE or CD **OR** Associate Teacher Permit

FCCH: 12 units of ECE or CD **OR** Associate Teacher Permit

Detail: In point values 2 through 5, qualifications are entered into the Workforce Registry for all lead teachers employed at the site **and** no less than 75 percent of them must meet requirements in point values 2 through 5. All higher education units are calculated by semester units (quarter units are converted to semester units).

Total Number of Lead Teachers	Number Needed to Meet Requirement
2	2
3	3
4	3
5	4
6	5
7	6
8	6
9	7
10	8

For point values 3 through 5, staff in FCCHs and centers are held to the same educational standard.

Point value two is equivalent to the Associate Teacher Permit for FCCHs and centers. Teachers who applied for the permit may substitute verification of application, in lieu of the transcript, for review.

An expired permit can meet the requirements for point values 2 through 5 as long as the qualifications are consistent with current permit requirements.

The California Commission on Teacher Credentialing (CTC) Child Development Permit Matrix can be found at the following link:
https://www.ctc.ca.gov/credentials/leaflets/child-development-permits-(cl-797)

For questions regarding Montessori certifications and their equivalent, see Title 22 licensing section 101216.1.

For obtaining translations and determining the status of foreign educational institutions, contact the International Education Research Foundation, Credentials Evaluation Service, www.ietf.org. Additional organizations approved by CTC for transcript evaluation can be found at
https://www.ctc.ca.gov/docs/default- source/leaflets/cl635.pdf?sfvrsn=bb4f6e6a_8

Core 8 courses are desired but not required.

Each group of children must have at least one designated lead teacher. The lead teacher must spend the vast majority of time with one group of children who attend at the same time rather than divide time between classrooms or float among groups. The

group size is determined by the point value of the rating. The above is based on the NAEYC accreditation definition of a teacher.

For the purposes of rating a licensed FCCH, the lead teacher is defined as the adult who is the owner and full-time operator of the FCCH. If the owner is not teaching the children, the FCCH lead teacher is defined as the adult with the highest degree who spends the vast majority of time with the children. A group of children in an FCCH is defined as those children who are enrolled in the FCCH. The group size is determined by licensing requirements based on the ages of the children enrolled.

3 POINTS

Indicator: 24 units of ECE or CD, plus 16 units of general education **OR**

Teacher Permit

AND 21 hours of professional development (PD) annually

Detail: Point value 3 is equivalent to the Teacher Permit.

Professional development activities may include classes, documented workshops, coaching sessions, equivalency of coursework, or other activities as determined locally by the consortium. PD activities should stem from the needs of the teacher and program, based on the individual professional growth plan and/or the site's QIP. PD includes, but is not limited to, the QCC QCF.

Annually in regard to PD is a 12-month period and can be calculated from the point of enrollment in QCC or as otherwise defined by the local consortium.

4 POINTS

Indicator: Associate's degree (AA/AS) in ECE or CD (or a closely related field) **OR**

AA/AS in any field plus 24 units of ECE or CD **OR**

Site Supervisor Permit

AND 21 hours of PD annually

Detail: Point value four is equivalent to the Site Supervisor Permit.

The consortium may accept at its discretion option two of the Teacher Permit if the ECE/CD unit requirement is met.

For point values four and five, a Bachelor of Arts (BA) degree in a closely related field, such as Education or Human Development, may be counted as a related field **if** a substantial amount of the coursework was focused on young children ages birth to five.

"Substantial" is calculated by the Workforce Registry and is aligned with CTC's approach.

5 POINTS

Indicator: Bachelor's degree (BA/BS) in ECE or CD (or a closely related field) **OR**

BA/BS in any field plus/with 24 units of ECE or CD **OR**

Master's degree in ECE or CD **OR**

Program Director Permit

AND 21 hours of PD annually

Detail: Point value five is equivalent to the Program Director Permit.

Consortia may accept at their discretion option 2 of the Master Teacher permit if the ECE/CD unit requirement is met.

Element 4a. Effective Teacher-Child Interactions: Classroom Assessment Scoring System (For Use by Non-California State Preschool Programs)

1 POINT

Indicator: Not required

Detail: Sites licensed and in good standing with Community Care Licensing or legally license exempt and eligible for participation will automatically receive one point for this element.

2 POINTS

Indicator: Familiarity with CLASS for appropriate age group as available by one representative from the site

Detail: The decision about what constitutes *familiarity with CLASS* is a local one.

It is recommended that CLASS presentations be conducted by a certified CLASS trainer.

3 POINTS

Indicator: Independent CLASS observation (CLASS 2008 or CLASS 2nd Edition) by a reliable observer to inform the program's professional development/improvement plan

OR

Informal assessment and results used to inform the QIP and staff professional development plan

Detail: While results of the independent CLASS observation will be used to inform the site's QIP, evidence of having a QIP in place is not a requirement for a point value of three.

If choosing to use an informal assessment, the information from those assessment results must be evident in the program QIP and staff PD plan.

An informal assessment may include an external assessment, self-assessment, or other methods determined locally to enable teachers or sites to review adult-child interactions and set goals for improvement.

For an independent assessment, CLASS reliability must be renewed annually and is available for the infant, toddler, and pre-K CLASS tools. A *reliable CLASS* observer should be able to provide a certificate indicating current reliability (issued within the previous 12 months).

In classrooms with multiple age groups, it is a local decision as to whether to use the age-level tool appropriate for the highest number of children or to alternate two tools. If children are equally distributed, consult Teachstone (www.teachstone.org) for advice.

4 POINTS

Indicator: Independent CLASS observation (CLASS 2008 or CLASS 2nd Edition) by a reliable observer with minimum CLASS domain scores:

1. Total the points earned by classroom: 4+ 3 + 3 + 4 = 14
2. Divide by the number of classrooms observed: 4
3. Obtain the average points for observed classrooms: 14 ÷ 4 = 3.5
4. Drop the decimal to determine the final point value for the site for this element. Site points for Element 4 (Teacher-Child Interactions) = 3

Element 4b. Effective Teacher-Child Interactions: Classroom Assessment Scoring System (CLASS) (Required for California State Preschool Programs)

Note: A Head Start funded agency may use CLASS 2008 and CLASS Environment is optional.

Infant/Toddler Ratio – 3:9 or better

Toddler – 3:12 or better

Preschool – 1:8 ratio and group size of no more than 20

Detail (Points 1, 2, 3, 4, and 5): Sites licensed and in good standing with Community Care Licensing or legally license exempt and eligible for participation will automatically receive one point for this element.

Volunteers may not be used in ratio and group size calculations. Title 22 Regulations require that adult-child ratios include only employed adults.

Ages: Group Size

- Infant – A child aged birth to 18 months
- Toddler – A child who is 18 to 36 months of age

Based on Education Code Section 8265.5

- Preschooler – A child who is three years of age to kindergarten entry; the child's third birthday must be on or before September 1

Based on Management Bulletin 14-02

Ratios

Centers must meet the Community Care Licensing standards at a minimum.

Staff must meet the needs of the children in attendance and provide visual observation and supervision at all times. Centers may need additional staff depending on the age of children and their needs. Additional staff are needed for backup. An aide cannot be left alone with children except during naptime and to escort them to the restroom.

- One teacher can supervise no more than 12 children.
- One teacher and one aide can supervise up to 15 children.
- A fully qualified teacher and an assistant with six ECE units can supervise up to 18 children.
- A ratio of one teacher or aide for 24 napping children is permitted, provided the additional staff to meet the "awake" ratios are immediately available at the center.

Ratio and group size scores will be calculated as follows:

As with the CLASS observation, individual point values for each classroom will be determined for the ratio/group size element based on the QCF. Each classroom's point value is averaged for the overall site point value. The decimal is dropped, and the whole number will be reported as the points for this element.

Example:

Infant Room point value of 4

Toddler Room point value of 3

Preschool Room A point value of 2

Preschool Room B point value of 3

Preschool Room C point value of 2

4 + 3 + 2 + 3 +2 = 14

14 ÷ 5 = 2.8

Overall points for ratio/group size = 2

AND 21 hours of PD annually

Details (Points 1, 2, 3, 4, and 5): Sites licensed and in good standing with Community Care Licensing or legally license exempt and eligible for participation will automatically receive one point for this element.

Center director is responsible for:

- Scheduling staff in accordance with licensing requirements and site needs
- Managing of all aspects of employee relations including performance review and training
- Meeting all licensing regulations, agency policies and procedures, and the Education Code as applicable
- Accurate update of records on site including but not limited to enrollment, attendance, meal counts, daily logs, curriculum, child observations, and parent participation
- The designee for ensuring implementation of requirements of funding, including assessment, screening, curriculum, etc.
- The legal designee to send and/or receive legal documents (restraining orders, suspected child abuse reports, unusual incident reports, etc.)

A director who is responsible for two or more sites may serve as the "program director" of all of the site locations provided that a person meeting qualifications at point value 1 is employed for each individual site/location. In this instance, both the "program director" and a designated lead teacher will meet the educational qualifications of center director.

Based on the California Code of Regulations, Title 22 sections 101215 and 101215.1

For example, state preschools located on the grounds of an elementary school may have a "program director" of all the state preschool locations; however, at least one teaching staff person of a state preschool on each site must meet the educational qualifications of "center director."

Note for clarification: Due to changes in course offerings of administration/management and supervision in colleges in California, if a course includes content in both

administration/management **and** supervision in ECE/CD, the two semester units will be met for three points.

For point values 2 through 5, qualifications are entered into the Workforce Registry for all administrators employed at the site. All higher education units are calculated by semester units (quarter units are converted to semester units)

Glossary

Age groups are defined by QCC as:

- Infants – birth through 17 months, or as defined by the assessment tool
- Toddlers – 18 through 35 months, or as defined by the assessment tool
- Preschool – 36 months through kindergarten entry, or as defined by the assessment tool

Ages and Stages Questionnaire® (ASQ) is a series of 19 parent-completed questionnaires designed to screen the developmental performance of children in the areas of communication, gross motor skills, fine motor skills, problem solving, personal social skills, and overall development across time. The age-appropriate scale is completed by the parent or caregiver. The items on the scale represent behaviors the child should be able to perform at that age.

Ages and Stages Questionnaire®: Social Emotional (ASQ:SE) Modeled after the ASQ, the ASQ:SE is a series of questionnaires about young children's social and emotional development. Identifying behavior through ASQ:SE-2 paves the way for next steps to helping children reach their fullest potential, such as further assessment or specialized intervention or ongoing monitoring.

California State Preschool Programs serve eligible two- three- and four-year-old children in part-day and full-day services that are developmentally, culturally, and linguistically appropriate. The program also provides meals and snacks to children, parent education, referrals to health and social services for families, and staff development opportunities to employees.

The **center director** provides direct on-site supervision and administrative support to teaching staff and children, provides ongoing communication with public and private agencies, and supports families in an early learning setting with at least one classroom. For additional clarification, see the Detail section under Element 6 in this guide.

A **certified CLASS observer** is a person who has attended a CLASS observation training and who has passed a CLASS Reliability Test within the past year. A certified CLASS observer has demonstrated a solid understanding of the CLASS tool and is qualified to code classrooms using the CLASS observation tool.

The **Classroom Assessment Scoring System®** (CLASS®) are observation tools designed by the University of Virginia to measure the quality of classroom processes and teacher- child interactions. Currently, QCC uses both the CLASS Second Edition Pre-K-3rd tool and CLASS 2008 edition tools which include Preschool, Infant, and Toddler.

A **CLASS Affiliate Trainer** receives certification through Teachstone, LLC. Certification is given to trainers who pass reliability on the CLASS tool and participate in Teachstone's Train-the-Trainer program. These trainers should be able to produce a certificate indicating that they successfully completed the Train-the-Trainer program along with a certificate demonstrating their current reliability on the CLASS tool (must be renewed annually). Certification is specific to each CLASS tool and its associated age group.

The **CLASS Environment** is the observation tool developed by Teachstone and used alongside CLASS to describe and measure specific features of learning settings that can support effective interactions and enhance children's development and learning.

A **CLASS observation**, also known as a CLASS assessment, is conducted by a certified CLASS observer.

A **classroom** is defined for the purpose of the QCC as:

- One teaching team using the same physical classroom space and working with the same age group.
- A group of children under a single teaching team. A classroom may be full-day or half-day. The definition of "group=classroom" in half-day morning and afternoon preschool is based on the consistency of the teaching team and consistency of the ages of children served.

Core 8 courses:

1. Child Growth and Development
2. Child, Family, and Community
3. Introduction to Curriculum
4. Principles and Practices of Teaching Young Children
5. Observation and Assessment
6. Health, Safety, and Nutrition
7. Teaching in a Diverse Society
8. Practicum

The **Desired Results Developmental Profile** (DRDP) is a child observational assessment (not inclusive of the Desired Results for Children and Families – Parent Survey [optional]).

Desired Results (DR) Access supports special educators, administrators, and families in implementing the California Department of Education's DRDP (2015) for infants, toddlers, and preschoolers who have an IFSP or IEP.

DRDP Online creates psychometrically valid reports for teachers and also meets the QCC requirements of state-level data.

An **early learning site**, commonly referred to as an **early care and education site or early education site**, is operated by an administration or entity at one physical location. If two administrations or entities are operating on the same site and are operating separately from one another (e.g., co-located), each is counted as a separate site.

An **evidence-based child assessment or observation tool** provides the level of evidence to support the generality of a practice as indicated by research. Evidence may come from empirical evidence, through evaluation reports by an outside source or the developer, or by consensus documents published by a professional organization.

Familiarity with CLASS refers to the participating program's management, center director, family child care operator, and lead teacher, as appropriate, having a basic understanding of the CLASS assessment tool. This can include having attended overview orientations, webinars, training, college courses in which the tool was presented, or other forms of knowing the intent, purpose, and use of the tool, but not to the depth of completing observations.

Group of children means children who are assigned for most of the day to a specific teacher or a team of teaching staff members and who occupy an individual classroom or well-defined space in a center. For FCCHs, it's the number of children who are enrolled in the FCCH.

Head Start funded agency refers to any Head Start grantee or delegate agency or has a signed collaboration agreement with a Head Start grantee or delegate agency.

In good standing refers to a licensed child care center or FCCH that currently does not have any of the following: (1) a non-compliance conference; (2) an administrative action taken or in the process of being taken (includes denied application, denied exemption, temporary suspension order, expedited revocation action, revocation action, or exclusion action that is being initiated, in process, or already taken); and (3) a probationary license. (See Health and Safety Code Sections 1596.773 and 1596.886.)

Informal assessment may include an external assessment, self-assessment, or other methods determined locally to enable teachers or sites to review adult-child interactions and set goals for improvement.

A **lead teacher** is the adult with primary responsibility for a group of children. For the purposes of rating an early childhood classroom, the lead teacher is the adult who meets the minimum licensing requirements as a teacher and any additional requirements for the point-level of the rating. When there is more than one teacher

working in a group, the lead teacher shall be considered the person with the highest degree.

Participating sites are licensed centers, FCCHs, and license-exempt settings. Priority is given to participating programs that are serving children with high needs.

Professional development refers to 21 hours of professional development or continuing education per year, consistent with the professional growth activities described in the CTC Child Development Permit Professional Growth Manual, pages 8 and 9, at https://www.ctc.ca.gov/docs/default-source/credentials/manuals-handbooks/pg_manual_childdev.pdf

Points in QCC are based on a site's level of implementation of each quality element.

Program works with families means families are engaged in the screening process. The results are shared with the family in a confidential and supportive manner. Program staff use screening results to refer families to the appropriate agencies for further assessment, such as the local Regional Center, school district, and/or other resources.

A **Quality Rating and Improvement System (QRIS)** is a method to assess, improve, and communicate the level of quality in early learning settings.

Regional Coordination and Training and Technical Assistance Hubs (Hubs) are developed for consortia participating in First 5 IMPACT and QCC. The primary focus of the Hubs is to provide coordination and specialized support to consortia within a region or with similar TA needs to create economies of scale while building a local early learning system. As a regional body, the Hubs are required to:

- Help consortia identify local and regional strengths and assets, and determine local and regional gaps and needs
- Coordinate regional data collection and activities to implement the QCC elements and systems functions
- Reduce regional duplication of efforts
- Build local and regional expertise, and incorporate state and federal evidence-based practices models
- Maintain a strong connection to QCC

Related field refers to Education, Human Development, or a similar unit-based course that may be counted as a "child development related field" when a "substantial" amount of the coursework is focused on young children ages birth to five. QCC defers to the CTC and the Workforce Registry to determine whether coursework qualifies as a related field.

A **reliable CLASS observer** is an individual who has demonstrated their ability to observe and rate classrooms based on the CLASS quality indicators.

A **teaching team** consists of the same group of teachers over time.

Valid and reliable child assessment or observation tool refers to any assessment or tool whereby implementation from one time to the next and from one observer or implementer to the next is likely to yield the same results (reliability), and the instrument or tool measures what it says it measures in the defined audience or group (validity). Often, instrument validity is limited to a specific language, culture, or age group.

RENEWAL OF AERIES SOFTWARE, INC. (PARENT SQUARE) SERVICE FOR ELEMENTARY SCHOOLS FOR THE 2026-27 SCHOOL YEAR

Background

Placentia-Yorba Linda Unified School District would like to continue to utilize the unique programs offered by Aeries Software, Inc. (Parent Square). Parent Square is a school-to-home communication tool used to communicate frequently and effectively with families for TK-6 elementary students. This private, two-way message system allows all school, grade-level, and classroom information to be sent from one centralized place to a home computer or mobile phone via email or text. Families can choose how and when they want to be notified in their language of preference. This platform is a safe way for home-to-school communication to thrive. Although families can receive messages, they cannot “reply all” and send messages to all recipients. Communication is monitored and controlled through the school site principal, and parents are provided with the opportunity to opt out of notifications.

Parent Square helps create a welcoming, inclusive environment for families with two-way communication, keeping them engaged with built-in positive messaging. Each student’s contact information is imported from Aeries, the Placentia-Yorba Linda Unified School District student information system. Families will receive classroom and school notifications, RSVP to school events, and sign up for volunteer opportunities. Families currently receive school communications in a variety of ways, depending on the individual teacher. Parent Square will allow families to access information from one single, organized platform instead of searching in multiple places for school communication. The Placentia-Yorba Linda Unified School District recommends the continued use of Parent Square services for elementary schools, for the 2026-27 school year.

RENEWAL OF AMIRA K-2 READING DIFFICULTIES SCREENER SOFTWARE AND MATERIALS FOR THE 2026-27 SCHOOL YEAR

Background

California *Education Code* Section 53008 requires the screening of students for risk of reading difficulties, including dyslexia. Students in grades K-2 are screened annually starting in the 2025-26 school year and going forward.

The HMH Education Company, California Amira Reading Difficulties Risk Screener has been selected from the state-adopted list and was implemented in 2025-26. It screens for predictors of reading difficulties, including dyslexia. The screener provides the required parent/guardian communication and provides resources for teachers. The related resources and professional development opportunities allow teachers to be responsive to students' needs. Tutoring tasks are built into Amira in the first year to allow students to receive differentiated instruction in the five pillars of reading during independent practice. After successful implementation, and for continuity of the program, the Placentia-Yorba Linda Unified School District recommends the continued use of Amira for the 2026-27 school year.

Financial Impact

Literacy screenings funds, $36,000

RENEWAL OF I-READY K-5 DIAGNOSTIC ASSESSMENT ONLINE INSTRUCTION PROGRAM FOR THE 2026-27 SCHOOL YEAR

Background

In accordance with Board Policy 6161, recommendations are made to the Board of Education for the adoption of basic and supplementary curriculum and assessment.

i-Ready is an online adaptive academic support program that provides progress monitoring data as well as engaging optional lessons based on individual diagnostic results, allowing students to work independently on a personalized online instruction plan. i-Ready effectively targets specific skill gaps to help struggling students access grade-level content with lessons tailored to each student. In addition, teachers can reference Standards Mastery and Projected Proficiency reports that offer insight into student performance on specific standards. For every standard that is assessed teachers get helpful information about prerequisite skills and possible misunderstandings, then use these reports to determine opportunities for extending learning and retesting.

After successful implementation of the i-Ready reading and math assessment tools and online instruction lessons, the Placentia-Yorba Linda Unified School District recommends the continued use of the i-Ready online lessons for all students in Grades K-5, Spanish online lessons for the Dual Language Academy at Glenview Elementary K-6, and the math and reading diagnostic assessment for K-5 students, for the 2026-27 school year.

During the 2024–25 school year, several novels from the *I Survived* series by Lauren Tarshis were submitted to the District Literature Review Committee for consideration. The committee, composed of parents, educators, and district staff, reviewed the novels and recommended that the titles move forward to Curriculum Council for further consideration.

With Curriculum Council approval, several novels from the series were piloted at two school sites during the 2025–2026 school year. The pilot provided students and teachers the opportunity to engage with the texts and evaluate their effectiveness in supporting literacy, student engagement and alignment with curriculum topics.

Following the review of the successful pilot results (Briefing Packet / Parent Survey / Student Survey / Teacher Survey), Curriculum Council has recommended that the *I Survived* series be presented to the Board of Education for approval to be added to the District's Extended Literature List. The series offers high-interest, age-appropriate historical fiction that supports reading comprehension, critical thinking, and student engagement across diverse learners.

Approval of this recommendation will provide schools with additional literature options that support district literacy goals and expand access to engaging instructional resources for students.

ADA ALLOCATION AND PASS-THROUGH AGREEMENT FOR THE CAREER TECHNICAL EDUCATION INCENTIVE GRANT BETWEEN NORTH ORANGE COUNTY REGIONAL OCCUPATIONAL PROGRAM AND THE PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT

Background

The California Career Technical Education Incentive Grant (CTEIG) Program was established as a state education, economic, and workforce development initiative with the goal of providing pupils in kindergarten and grades 1 to 12, inclusive, with the knowledge and skills necessary to transition to employment and postsecondary education. The purpose of this program is to encourage and maintain the delivery of CTE programs during the implementation of the District's Local Control Funding Formula. The application deadline for Round 12 of the CTEIG program, comprising the 2026-2028 fiscal years, is June 19, 2026.

As a Regional Occupation Program, the North Orange County Regional Occupation Program (NOCROP) receives a greater per pupil rate of CTEIG funds than school districts that directly apply for CTEIG funds. It is the purpose of this agreement to leverage this component of the grant program by having NOCROP apply on behalf of all eligible Placentia-Yorba Linda Unified School District students. NOCROP would then pass-through these funds to the District to use for our CTE programs while charging us for their indirect costs. This MOU establishes a cooperative and mutually beneficial relationship between the parties and sets forth the responsibilities of the parties as related to the application for, and disbursement of, CTEIG Round 12 funds.

Based on the results of the evaluation, applicants will be asked to submit a year-long plan that is aligned to the areas of need identified within the evaluation.

2. ADA Allocation

a. The DISTRICT shall allocate the sum of **100% of its qualifying average daily attendance (ADA) of pupils** in the amount of **10134.69** for the PROGRAM consortium CTEIG application, based on the second principal reporting period for 2025-26 for grades 7-12. The sum of the ADA for each of the constituent entities will be used for applicants applying as part of a consortium and for Regional Occupational Centers or Programs (ROCPs).

3. Retention of ADA for PROGRAM Services

a. Upon successful award of the CTEIG grant, the DISTRICT agrees that a portion of its total qualifying ADA will remain with PROGRAM in the amount of **1,000 ADA** to support and sustain regional CTE directly benefiting the DISTRICT and its students, including but not limited to:
    i. Work-Based Learning Coordination
    ii. Industry Partnership Development

4. **Application Submission & Matching**
    a. For any funding received from this program, *EC* Section 53071 (a), (1), (D), (i) requires a local match from FY 2026-27of two dollars ($2) for every one dollar ($1). The LEA agrees to pledge matching funds for this application based on match encumbered in FY2026-27. Matching fund expenditures must have the accounting goal codes 3800 or 6000. Matching funds will be verified each year and must support the CTE programs. Lead Member will consolidate all LEA pledges and use them for CTEIG to meet the consortium's goals.

    Per *EC* Section 53071(a)(5), an applicant's matching funds shall be used to support the program or programs for which the applicant was awarded a grant.

    Failure to meet the matching funds requirement of the CTEIG *EC* Section 53071, will result in the applicant being invoiced a portion of or the entire amount of grant funds awarded.

        i. PROGRAM agrees to submit the CTEIG application on behalf of the consortium, including the DISTRICT's ADA allocation and CTE programs in alignment with state and regional priorities.
        ii. The DISTRICT agrees to provide a proportional match for the amount of funds requested by the DISTRICT and **will encumber the matching funds in the 26/27 school year** as indicated in the CTEIG Request for Application.
        iii. PROGRAM shall provide a proportional match for the amount of funds specifically requested in the grant application for PROGRAM itself and **will encumber the matching funds in the 26/27 school year** as indicated in the CTEIG Request for Application.
        iv. Both PROGRAM and the DISTRICT will meet the $2.00 for every $1.00 received matching requirement outlined in the CTEIG request for application.

5. **Pass-Through of Funds**
    a. If the consortium is successful and grant funds are awarded through the 2026-27 CTE Incentive Grant (Round 12), PROGRAM agrees to pass through the DISTRICT a proportional share of the grant funds based on the 2025-26 Reported Grades 7-12 P2 ADA allocation as listed in the Section 2 and 3 of this MOU and as indicated in the CTEIG Program Grant Management System (PGMS) and within the scope of activities proposed for the DISTRICT's CTE programs. *Formulas used for distribution of funds is located in section 6 of this MOU.*
    b. The DISTRICT agrees to use the passed through funds exclusively to support allowable CTEIG expenditures as outlined by the California Department of Education and consistent with the grant workplan.

6. **Determination and Distribution of Pass-Through Funds**
    a. To ensure fair and transparent distribution of CTEIG funds, after receiving the official Grant Award Notification, PROGRAM will calculate the DISTRICT's proportional share of the grant award based on the following: *It is important to note that actual numbers cannot be provided until the official grant award notification has been received*. *At the time of the Grant Award Notification,* PROGRAM *will provide DISTRICT with exact numbers using the following methodology/formulas.*

        i. <u>Indirect Charges</u>
            1. PROGRAM will retain the total allowable Indirect charges based on the PROGRAM'S determined California Department of Education ICR for the total awarded amount.
                a. ICR will be split between PROGRAM and DISTRICT.
                    i. PROGRAM will keep an ICR rate of 3% and the balance of the ICR encumbered within the CTEIG grant will be passed on to DISTRICT

to support direct oversight of the funds within DISTRICT programs and the provisions outlined within the scope of the MOU.

ii. Per Pupil Rate Determination:
   1. The total awarded CTEIG funds will be divided by the total ADA contributed by all participating Districts to determine the per pupil funding rate.
      a. The following formula will be used to calculate the Per Pupil Rate (PPR):
         i. Total CTEIG Award ÷ *Total Application ADA* = *PPR*

iii. DISTRICT Allocation Calculation
   1. PROGRAM will calculate the DISTRICT's pass-through allocation by taking the total ADA allocated by DISTRICT, subtracting the ADA allocation to be retained by PROGRAM and multiplying the balance by the determined per pupil rate.
      a. The following formula will be used to calculate the DISTRICT allocation:
         i. (DADA – **1,000**) X PPR - ICR = DISTRICT allocation.
         ii. *((Total ADA Allocated by* DISTRICT - *ADA retained by* PROGRAM*) x Per Pupil Rate – ICR = DISTRICT allocation).*

iv. Distribution Timeline
   1. The total pass-through allocation for the DISTRICT will be distributed in two phases in accordance with the CTEIG Grant terms and conditions.
      a. *Upfront Payment:* **75%** will be disbursed upon initial invoicing and verification of monies deposited into PROGRAM's account from CDE.
      b. *Final Payment:* the remaining **25%** will be distributed upon receipt and review of all final expenditure reports, data uploads, required documentation, and final deposit of monies into PROGRAM's account from CDE, in accordance with the distribution timeline of the CTEIG Round 12 grant.

v. Invoicing Process
   1. The DISTRICT shall invoice PROGRAM for each payment phase. PROGRAM will distribute funds after the California Department of Education releases grant funds and once the District's invoice is received.

7. Accountability and Reporting

a. Grantees will be required to complete both a narrative progress report and a fiscal progress report which addresses their high-quality CTE plan for which they were awarded funds. The grantee must provide evidence of attainment of the plan or detailed explanations for not meeting any of the planned activities or expenditures. Failure to make progress in meeting the planned activities and expenditures will result in a recommendation to the State Board of Education (SBE) that the Local Education Agency (LEA) not receive funding in the next grant cycle and/or the requiring that the LEA remit all or part of the grant funds awarded.
   i. The DISTRICT shall cooperate with PROGRAM in meeting all compliance, reporting, and fiscal requirements associated with the use of CTEIG funds, including submission of timely documentation of the District's expenditures and program activities.
      1. First reports to CDE will be due **August 2027 where LEAs must demonstrate that all 2026-27 Match has been encumbered to remain eligible for funding** (*Exact date to be determined by CDE*).
      2. An end-of-year narrative report which addresses the success of the high-quality CTE plan for which CTEIG funds were awarded. The grantee must provide evidence of plan completion or detailed explanations for not meeting any of the planned activities or expenditures.

3. An end-of-year fiscal expenditure claims report including matching funds and their sources. This final report must be submitted to the CDE **August 2028** (*Exact date to be determined by CDE*).

b. At the end of each grant term awardees will be expected to generate the following deliverables:
   i. Data aligned with the quality indicators described in the California State Plan for CTE and by the Perkins IV or its successor. The data to be reported includes all of the following:

d. PROGRAM will provide DISTRICT with a reporting table that includes due dates as well as deliverables once dates are released by CDE.

8. Term and Termination

a. This MOU shall remain in effect for the duration of the 2026-27 **CTEIG grant term of July 1, 2026 through June 30, 2028**, unless terminated earlier by mutual written agreement of both parties.

AGREEMENT WITH HOME CAMPUS FOR CLEARANCE SERVICES FOR SECONDARY SCHOOLS AND UNIVERSAL SPORTS INSTITUTE

Background

District staff recommends that the Board of Education approve the continued agreement with Home Campus for athletic and performing arts clearance, including the middle school athletics program. Home Campus is currently utilized by all middle and high schools in PYLUSD, as well as the Universal Sports Institute, to manage student clearance documentation.

The platform provides a secure, centralized system for parents, students, and staff to complete and access required forms, streamlining the clearance process and ensuring compliance. A key advantage of Home Campus is its direct integration with the California Interscholastic Federation (CIF), allowing eligibility information to seamlessly sync between the district and CIF. This integration reduces administrative burden, minimizes errors, and ensures timely and accurate eligibility certification for student-athletes. Additionally, the platform includes an injury tracking system utilized by athletic trainers to document, monitor, and manage student-athlete injuries, supporting informed care and safe return-to-play decisions. The continued use of Home Campus enhances efficiency, improves communication, and supports a consistent, compliant clearance process across all district athletic and performing arts programs.

AGREEMENT WITH PERRY WEATHER, INC FOR ON-SITE WEATHER MONITORING AND NOTIFICATIONS FOR STUDENT SAFETY

Background

The District is seeking approval to enter into a one-year agreement with Perry Weather, Inc. to implement a comprehensive weather monitoring and extreme weather alert system across the district for the 2026-27 school year. This system provides real-time, site-specific data, and automated alerts for environmental conditions, with a particular focus on the most significant weather-related risks in our region: extreme heat and poor air quality. Through continuous monitoring, the system enables staff to make informed, timely decisions about outdoor activities, including physical education and athletics, by issuing alerts, enforcing safety thresholds, and signaling when it is safe to resume activities. By standardizing responses and reducing uncertainty, the system strengthens our ability to protect students and staff during rapidly changing environmental conditions while ensuring consistent, districtwide practices.

The Perry Weather system also supports compliance with California Interscholastic Federation (CIF) Southern Section requirements and directly advances the district's ability to implement Senate Bill 1248, which mandates that local educational agencies develop and adopt extreme weather safety protocols by July 1, 2026. The system aligns with California Department of Education guidelines by providing clear, data-driven criteria for identifying extreme weather conditions (including heat index and air quality thresholds), continuous monitoring of weather conditions, and automated communication tools to notify staff and school communities.

AGREEMENT BETWEEN O.C. PARKS & RECREATION AND PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT FOR THE VALENCIA HIGH SCHOOL PAT HADLEY MEMORIAL INVITATIONAL

Background

The 10th annual Pat Hadley Memorial Invitational will be held on Saturday, September 5, 2026, at Craig Regional Park. The event honors the legacy of Pat Hadley and her commitment to the Valencia High School community, while helping provide support and opportunities for underprivileged student-athletes pursuing post-secondary education. Valencia High School requests approval of the agreement between Placentia-Yorba Linda Unified School District and Orange County Parks and Recreation for use of the facility for this annual event.

Pat Hadley served the students of Valencia High School and the Placentia-Yorba Linda Unified School District with distinction as a ceramics teacher for 18 years and as head coach for Boys' Cross Country and distance coach for Track and Field. Under Coach Hadley's leadership, Valencia High School achieved more than a decade of success at the League, CIF Southern Section, and state levels. Beyond athletics, Coach Hadley made a lasting impact on the lives of her students and athletes through her generosity, mentorship, and unwavering support. She regularly provided resources for students in need, supported alumni in their transition to college, introduced many students to outdoor experiences for the first time, and instilled values of integrity, perseverance, and compassion in all she encountered.

Financial Impact

No cost to the district.

MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 28th day of May, 2026, between the **Placenta-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **Hanna Education Corporation dba Hanna Academy** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the

certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from May 28, 2026 to June 30, 2026 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2026 (Title

5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2026.

5. **INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION**

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California

Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report

is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a): the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation

Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 1st day of July, 2026, between the **Placenta-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **Verbal Behavior Associates** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program

outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).
If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, prohibition of corporal punishment, pupil discipline, positive behavioral interventions and protections against immigration enforcement actions at school sites.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2027 (Title 5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education

Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program/services provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the

CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall be responsible for any compensatory education beyond the services specified in the ISA/IEP that are owed to an LEA student for CONTRACTOR's failure to provide a specific service in accordance with the ISA/IEP, unless agreed otherwise.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). The Workers' compensation coverage shall include WAIVER OF SUBROGATION endorsements which provide that the insurer or self-insurer shall waive its right of subrogation against the LEA, District's Board of Education, and its officers, directors, employees, volunteers, and agents with respect to any losses paid under the terms of the policies.

K. Unless CONTRACTOR is insured under the California Private Schools Self Insurance Group (CAPS SIG) or a similar self-insurance group, any deductibles or self-insured retentions above $100,000 must be declared to and approved by the LEA. At its option, the LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees or (b) procure a bond guaranteeing payment of losses and related investigation.

L. For any claims related to the services provided by CONTRACTOR, the CONTRACTOR's insurance coverage shall be primary insurance as respects the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it. Coverage for all liability coverage parts shall include defense and expense costs outside of the coverage limits.

M. All Certificates of Insurance shall reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

N. The insurance requirements required herein shall not be deemed to limit CONTRACTOR's liability relating to the performance under this Agreement. The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification and harmless provisions of this Master Contract. CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in

accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

O. CONTRACTOR shall require that all subcontractors meet the requirements of this Section and the indemnification Section of this Agreement unless otherwise agreed in writing by the LEA.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers, agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written

notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042, Government Code section 1090 et seq., including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

CONTRACTOR shall notify LEA in writing, of any pupil-involved incident in which law enforcement was contacted. CONTRACTOR shall provide such written notice no later than one (1) business day after the incident occurred in accordance with Education Code section 56366.1(i).

55. CHILD ABUSE REPORTING

CONTRACTOR shall maintain written protocols for identifying signs of abuse or neglect, both physical and psychological, consistent with the mandated reporting requirements of Penal Code Section 11165.7. CONTRACTOR hereby agrees to and shall ensure all employees and any subcontractors whose duties require contact with or supervision of students are annually trained, including volunteers, so that they are familiar with and agree to adhere to the child and dependent adult abuse mandated reporting obligations and procedures as specified in California Penal Code section 11164 et seq. To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

56. **SEXUAL HARASSMENT/DISCRIMINATION**

CONTRACTOR shall have a Sexual and Gender Identity Harassment Policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

57. **REPORTING OF MISSING CHILDREN**

CONTRACTOR assures the LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to the LEA. The written statement shall be submitted as specified by the LEA.

FINANCIAL

58. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the nonpublic school or nonpublic agency has the necessary financial resources to provide an appropriate education for the children enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedure as well as provide all such records requested by LEA concerning the same. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the LEA student's IEP and ISA which are provided on billable days of attendance. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program and each related service. Original attendance forms (for example, roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by the LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to the LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents may be submitted electronically if requested by LEA and CONTRACTOR has the systems in place to generate the requested documents. The LEA may designate forms for use by CONTRACTOR when submitting invoices. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the ISA or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and the name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30)

calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by the LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

59. RIGHT TO WITHHOLD PAYMENT

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a): the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (if the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such

notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

60. BILLING/PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

61. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30)

calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP or ISA.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10^{th}) cumulative day of the LEA student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. The LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. The LEA shall not be responsible for payment of DIS or related services for days on which a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

In the event a LEA student is chronically absent due to school refusal or other behaviors related to the student's disability and IEP interventions have been unsuccessful in improving school attendance, CONTRACTOR may request that LEA provide payment for a billable day of attendance related to such absences, on a case-by-case basis given the unique circumstances of the student and the student's individualized needs. LEA may, in its sole discretion, agree to pay CONTRACTOR for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. Any such determination by the LEA must be set forth in writing as a condition for such payment.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make-up.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student's absence. The LEA shall not be responsible for the payment of services when a student is absent.

62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422 and 46392:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether the LEA is open or closed.

b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing their regular attendance, until an alternative placement can be found and implement LEA student's IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.

c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and CONTRACTOR shall implement LEA student's IEPs in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTACTOR due to CONTRACTOR'S school closure.

If instruction or services, or both, cannot be provided to the student either at school or in person for more than 10 days due to an emergency condition described in Education Code sections 41422 and 46392, CONTRACTOR acknowledges the requirements of Education Code section 56345(a)(9) to provide special education and related services, supplementary aids and services, transition services (as applicable) and ESY (as applicable) as specified in the IEP. When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

For any physical school closure in which in-person instruction is restricted by order of the State or local agency, CONTRACTOR shall provide instruction in accordance with Education Code section 56345(a)(9) and Exhibit D, attached hereto and incorporated herein.

63. **INSPECTION AND AUDIT**

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide the LEA access to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and rollbooks of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, social security numbers (last four digits unless otherwise required), dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and

canceled checks or facsimile thereof. Such access shall include unannounced inspections by the LEA. CONTRACTOR shall make available to the LEA all budgetary information including operating budgets submitted by CONTRACTOR to the LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of the LEA or CONTRACTOR's offices at all reasonable times and without charge. All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

64. RATE SCHEDULE

The rate schedule attached hereto as Exhibit A and incorporated herein by reference, limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as set forth in Paragraph 23 above and Education Code section 46000 et seq.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibit A.

65. PAYMENT FOR ROOM AND BOARD FOR NPS/RTC

When CONTRACTOR is an NPS associated with an RTC (NPS/RTC), CONTRACTOR shall be eligible for Room and Board payments on dates that the student was actually in attendance and received Room and Board services, payable for up to a maximum of 365 billable days or 366 days during a leap year, which may include a maximum of ten (10) days per contract year when the student's bed is unoccupied due to home visits of a therapeutic nature, unless otherwise mutually agreed upon by CONTRACTOR and LEA. Any payment for additional days in special circumstances, such as a student's hospitalization or extended home visits exceeding ten (10) days in a contract year, requires prior written approval from both the LEA and the CONTRACTOR.

66. DEBARMENT CERTIFICATION

By signing this Agreement, CONTRACTOR certifies that:

(a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and

This Master Contract is entered into this 1st day of July, 2026, between the **Placentia-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **Braille Abilities** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). 2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

In addition, emergency interventions shall not be used as a substitute for the systematic behavioral intervention plan that is designed to change, replace, modify, or eliminate a targeted behavior. No emergency intervention shall be employed for longer than is necessary to contain the behavior. A situation that requires prolonged use of an emergency intervention shall require the staff to seek assistance of the schoolsite administrator or law enforcement agency, as applicable to the situation. Each LEA student shall be allowed to provide confidential input to any representative of the IEP team.

If the CONTRACTOR or LEA is unable to persuade the parent or guardian that the parent or guardian should attend the IEP, CONTRACTOR shall maintain a written record of its attempts to arrange a mutually agreed-upon time and place. The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

CONTRACTOR shall not charge the LEA student's parent(s) or LEA for the provision of progress reports, report cards, and/or any assessments, interviews, or meetings, unless the LEA agrees in writing prior to the completion of any work. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a): the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (if the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such

notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

60. BILLING/PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

61. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30)

calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP or ISA.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10^{th}) cumulative day of the LEA student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. The LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. The LEA shall not be responsible for payment of DIS or related services for days on which a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

In the event a LEA student is chronically absent due to school refusal or other behaviors related to the student's disability and IEP interventions have been unsuccessful in improving school attendance, CONTRACTOR may request that LEA provide payment for a billable day of attendance related to such absences, on a case-by-case basis given the unique circumstances of the student and the student's individualized needs. LEA may, in its sole discretion, agree to pay CONTRACTOR for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. Any such determination by the LEA must be set forth in writing as a condition for such payment.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make-up.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student's absence. The LEA shall not be responsible for the payment of services when a student is absent.

62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422 and 46392:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether the LEA is open or closed.

b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing their regular attendance, until an alternative placement can be found and implement LEA student's IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.

c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and CONTRACTOR shall implement LEA student's IEPs in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTACTOR due to CONTRACTOR'S school closure.

If instruction or services, or both, cannot be provided to the student either at school or in person for more than 10 days due to an emergency condition described in Education Code sections 41422 and 46392, CONTRACTOR acknowledges the requirements of Education Code section 56345(a)(9) to provide special education and related services, supplementary aids and services, transition services (as applicable) and ESY (as applicable) as specified in the IEP. When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

For any physical school closure in which in-person instruction is restricted by order of the State or local agency, CONTRACTOR shall provide instruction in accordance with Education Code section 56345(a)(9) and Exhibit D, attached hereto and incorporated herein.

63. **INSPECTION AND AUDIT**

canceled checks or facsimile thereof. Such access shall include unannounced inspections by the LEA. CONTRACTOR shall make available to the LEA all budgetary information including operating budgets submitted by CONTRACTOR to the LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of the LEA or CONTRACTOR's offices at all reasonable times and without charge. All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

64. RATE SCHEDULE

The rate schedule attached hereto as Exhibit A and incorporated herein by reference, limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 1st day of July, 2026, between the **Placenta-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **The Craig School** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program

outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).
If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, prohibition of corporal punishment, pupil discipline, positive behavioral interventions and protections against immigration enforcement actions at school sites.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2027 (Title 5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education

Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program/services provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the

CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall be responsible for any compensatory education beyond the services specified in the ISA/IEP that are owed to an LEA student for CONTRACTOR's failure to provide a specific service in accordance with the ISA/IEP, unless agreed otherwise.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in

accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers, agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written

notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042, Government Code section 1090 et seq., including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

If an IEP team determines that a LEA student requires an assistive technology device based on an assessment, or requires low incidence equipment for eligible students with low incidence disabilities, LEA shall provide such assistive technology device or low incidence equipment when specified in the student's IEP and ISA, and if necessary, provide training on the use of the device/equipment. Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the LEA student's IEP and ISA. CONTRACTOR's general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements including the graduation requirements for pupils in foster care, pupils who are homeless, former juvenile court school pupils, child of a military family or migrant student and other students as set forth in Education Code section 51225.1 as well as students eligible for the California Alternate Assessment and alternate diploma pathway for graduation from high school as set forth in Education Code section 51225.31 et seq. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of the LEA's graduation requirements unless otherwise permitted by law.

When CONTRACTOR serves LEA students in grades seven (7) through twelve (12) and issues pupil identification cards to LEA students, such pupil identification cards shall include The Trevor Project's LGBTQ+ suicide hotline telephone number as well as the National Suicide Prevention Lifeline telephone number and may also include the Crisis Text Line and/or a local suicide prevention hotline telephone number as required by Education Code section 215.5.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the LEA student's IEP and ISA. 62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422 and 46392:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether the LEA is open or closed.

b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing their regular attendance, until an alternative placement can be found and implement LEA student's IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.

c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and CONTRACTOR shall implement LEA student's IEPs in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTACTOR due to CONTRACTOR'S school closure.

If instruction or services, or both, cannot be provided to the student either at school or in person for more than 10 days due to an emergency condition described in Education Code sections 41422 and 46392, CONTRACTOR acknowledges the requirements of Education Code section 56345(a)(9) to provide special education and related services, supplementary aids and services, transition services (as applicable) and ESY (as applicable) as specified in the IEP. When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

For any physical school closure in which in-person instruction is restricted by order of the State or local agency, CONTRACTOR shall provide instruction in accordance with Education Code section 56345(a)(9) and Exhibit D, attached hereto and incorporated herein.

63. **INSPECTION AND AUDIT**

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide the LEA access to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and rollbooks of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, social security numbers (last four digits unless otherwise required), dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and

canceled checks or facsimile thereof. Such access shall include unannounced inspections by the LEA. CONTRACTOR shall make available to the LEA all budgetary information including operating budgets submitted by CONTRACTOR to the LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of the LEA or CONTRACTOR's offices at all reasonable times and without charge. All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

64. RATE SCHEDULE

The rate schedule attached hereto as Exhibit A and incorporated herein by reference, limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as set forth in Paragraph 23 above and Education Code section 46000 et seq.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibit A.

65. PAYMENT FOR ROOM AND BOARD FOR NPS/RTC

When CONTRACTOR is an NPS associated with an RTC (NPS/RTC), CONTRACTOR shall be eligible for Room and Board payments on dates that the student was actually in attendance and received Room and Board services, payable for up to a maximum of 365 billable days or 366 days during a leap year, which may include a maximum of ten (10) days per contract year when the student's bed is unoccupied due to home visits of a therapeutic nature, unless otherwise mutually agreed upon by CONTRACTOR and LEA. Any payment for additional days in special circumstances, such as a student's hospitalization or extended home visits exceeding ten (10) days in a contract year, requires prior written approval from both the LEA and the CONTRACTOR.

66. DEBARMENT CERTIFICATION

By signing this Agreement, CONTRACTOR certifies that:

(a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and

(b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2026 and terminates at 5:00 P.M. on June 30, 2027, unless sooner terminated as provide herein.

MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 1st day of July, 2026, between the **Placentia-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **Haynes Family of Programs, Inc dba Joan Macy School, dba Renaissance Community Prep** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the

certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).
If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, prohibition of corporal punishment, pupil discipline, positive behavioral interventions and protections against immigration enforcement actions at school sites.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2027 (Title 5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the

parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2027.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program/services provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the

CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall be responsible for any compensatory education beyond the services specified in the ISA/IEP that are owed to an LEA student for CONTRACTOR's failure to provide a specific service in accordance with the ISA/IEP, unless agreed otherwise.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in

accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers, agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written

notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042, Government Code section 1090 et seq., including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in the LEA student's IEP and ISA. If an IEP team determines that a LEA student requires an assistive technology device based on an assessment, or requires low incidence equipment for eligible students with low incidence disabilities, LEA shall provide such assistive technology device or low incidence equipment when specified in the student's IEP and ISA, and if necessary, provide training on the use of the device/equipment. Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the LEA student's IEP and ISA. When CONTRACTOR serves LEA students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements including the graduation requirements for pupils in foster care, pupils who are homeless, former juvenile court school pupils, child of a military family or migrant student and other students as set forth in Education Code section 51225.1 as well as students eligible for the California Alternate Assessment and alternate diploma pathway for graduation from high school as set forth in Education Code section 51225.31 et seq. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of the LEA's graduation requirements unless otherwise permitted by law.

When CONTRACTOR serves LEA students in grades seven (7) through twelve (12) and issues pupil identification cards to LEA students, such pupil identification cards shall include The Trevor Project's LGBTQ+ suicide hotline telephone number as well as the National Suicide Prevention Lifeline telephone number and may also include the Crisis Text Line and/or a local suicide prevention hotline telephone number as required by Education Code section 215.5.

Contractors providing Behavior Intervention services must have a trained behaviorist or trained equivalent on staff consistent with the requirements set forth in Education Code section 56520 et seq. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level as required by Education Code section 46000 et seq. unless otherwise specified in the LEA student's IEP and ISA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in the LEA student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the LEA student's ISA developed in accordance with the LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and the LEA agree otherwise, in writing. In the event of an LEA student experiencing excessive absenteeism or not regularly attending school, CONTRACTOR may provide written notice to each LEA with a student enrolled in that specific classroom of CONTRACTOR that the class size in that classroom will increase above 12 students but shall not exceed 14 students, for a period not to exceed 60 calendar days.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP or ISA, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by the IEP Team and the provision of such is specifically included in the ISA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as the LEA and shall identify the dates of observance on its school calendar submitted to the LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Dr. Martin Luther King, Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 1st day of July, 2026, between the **Placentia-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **The Mardan Foundation of Educational Therapy, Inc. dba Mardan School** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the

certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).
If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, prohibition of corporal punishment, pupil discipline, positive behavioral interventions and protections against immigration enforcement actions at school sites.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2027 (Title 5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the

parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2027.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program/services provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the

CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall be responsible for any compensatory education beyond the services specified in the ISA/IEP that are owed to an LEA student for CONTRACTOR's failure to provide a specific service in accordance with the ISA/IEP, unless agreed otherwise.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification and harmless provisions of this Master Contract. CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in

accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

O. CONTRACTOR shall require that all subcontractors meet the requirements of this Section and the indemnification Section of this Agreement unless otherwise agreed in writing by the LEA.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers, agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination. If CONTRACTOR is determined to be a partner, joint venture, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written

notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042, Government Code section 1090 et seq., including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred

to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, ethnicity, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, immigration status, age, disability, or any other classification protected by federal or state law.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in the LEA student's IEP and ISA. If an IEP team determines that a LEA student requires an assistive technology device based on an assessment, or requires low incidence equipment for eligible students with low incidence disabilities, LEA shall provide such assistive technology device or low incidence equipment when specified in the student's IEP and ISA, and if necessary, provide training on the use of the device/equipment. Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR serves LEA students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements including the graduation requirements for pupils in foster care, pupils who are homeless, former juvenile court school pupils, child of a military family or migrant student and other students as set forth in Education Code section 51225.1 as well as students eligible for the California Alternate Assessment and alternate diploma pathway for graduation from high school as set forth in Education Code section 51225.31 et seq. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of the LEA's graduation requirements unless otherwise permitted by law.

It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level as required by Education Code section 46000 et seq. unless otherwise specified in the LEA student's IEP and ISA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in the LEA student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the LEA student's ISA developed in accordance with the LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and the LEA agree otherwise, in writing. In the event of an LEA student experiencing excessive absenteeism or not regularly attending school, CONTRACTOR may provide written notice to each LEA with a student enrolled in that specific classroom of CONTRACTOR that the class size in that classroom will increase above 12 students but shall not exceed 14 students, for a period not to exceed 60 calendar days.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP or ISA, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by the IEP Team and the provision of such is specifically included in the ISA. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Dr. Martin Luther King, Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

LRE placement options shall be addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall, in accordance with Education Code section 60640 et. seq. administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, the English Language Proficiency Assessments for California ("ELPAC"), and the Alternate ELPAC, as appropriate to the student, and mandated by LEA pursuant to LEA guidelines as well as state and federal laws and regulations, unless LEA notifies CONTRACTOR that it will administer such Statewide assessments.

No emergency intervention shall be employed for longer than is necessary to contain the behavior. A situation that requires prolonged use of an emergency intervention shall require the staff to seek assistance of the schoolsite administrator or law enforcement agency, as applicable to the situation. The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this 1st day of July, 2026, between the **Placentia-Yorba Linda Unified School District** (hereinafter referred to as "District" or local educational agency "LEA") and **Spectrum-Center-Rossier Park High School** (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement or nonpublic agency services until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement or nonpublic agency services is appropriate, and the IEP is signed by the LEA student's parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program

outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).
If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, prohibition of corporal punishment, pupil discipline, positive behavioral interventions and protections against immigration enforcement actions at school sites.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2027 (Title 5 California Code of Regulations Section 3062(d)). In the event a Master Contract is not renegotiated by June 30th, the parties shall have 90 days from July 1 of the new fiscal year to consummate the contract. (Education

Code Section 56366(c).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2027.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program/services provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all educational programs and services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the

CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall be responsible for any compensatory education beyond the services specified in the ISA/IEP that are owed to an LEA student for CONTRACTOR's failure to provide a specific service in accordance with the ISA/IEP, unless agreed otherwise.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution.
