Request Approval to Move Forward with the Demolition & Re-Construction of a Pedestrian Bridge located at the Chris Joseph Soccer Complex and Stadium/Track

Troup County has a pedestrian bridge at the Chris Joseph Soccer Complex. The pedestrian bridge connects the main group of soccer fields at the Chris Joseph Soccer Complex and the old Stadium & Track complex.

The bridge (8' wide x 26' long) spans a deep drainage ditch and creek that separates the two parking lots and playing areas.

The existing bridge is approximately +/- 20 years old and it has significant termite, rotten wood, and water damage. The pedestrian bridge is unsafe for use and it has been "Closed" until it can be replaced.

Staff recommends APPROVAL of the demolition and re-construction of the pedestrian bridge with an overall project budget.
